14.5. Reliance by Administrative Agent. Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, consent, certificate, electronic mail message, affidavit, letter, telegram, facsimile, telex or telephone message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to Borrower), independent accountants and other experts selected by Administrative Agent. Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, confirmation from the Lenders of their obligation to indemnify Administrative Agent against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders and such request and any action taken or failure to act pursuant thereto shall be binding upon each Lender. For purposes of determining compliance with the conditions specified in

Section 12, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless Administrative Agent shall have received written notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

14.6. Notice of Default. Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Event of Default or Default except with respect to defaults in the payment of principal, interest and fees required to be paid to Administrative Agent for the account of the Lenders, unless Administrative Agent shall have received written notice from a Lender or Borrower referring to this Agreement, describing such Event of Default or Default and stating that such notice is a "notice of default". Administrative Agent will notify the Lenders of its receipt of any such notice. Administrative Agent shall take such action with respect to such Event of Default or Default as may be requested by the Required Lenders in accordance with Section 13; provided that unless and until Administrative Agent has received any such request, Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default or Default as it shall deem advisable or in the best interest of the Lenders.

14.7. Credit Decision. Each Lender acknowledges that Administrative Agent has not made any representation or warranty to it, and that no act by Administrative Agent hereafter taken, including any consent and acceptance of any assignment or review of the affairs of the Loan Parties, shall be deemed to constitute any representation or warranty by Administrative Agent to any Lender as to any matter, including whether Administrative Agent has disclosed material information in its possession. Each Lender represents to Administrative Agent that it has, independently and without reliance upon Administrative Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of an investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties, and made its own decision to enter into this Agreement and to extend credit to Borrower hereunder. Each Lender also represents that it will, independently and without reliance upon Administrative Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of Borrower. Except for notices, reports and other documents expressly herein required to be furnished to the Lenders by Administrative Agent, Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial or other condition or creditworthiness of Borrower which may come into the possession of Administrative Agent.

14.8. Indemnification. Whether or not the transactions contemplated hereby are consummated, each Lender shall indemnify upon demand Administrative Agent and its directors, officers, employees and agents (to the extent not reimbursed by or on behalf of Borrower and without limiting the obligation of Borrower to do so), according to its applicable Pro Rata Share, from and against any and all Indemnified Liabilities (as hereinafter defined); provided that no Lender shall be liable for any payment to any such Person of any portion of the Indemnified

Liabilities to the extent determined by a final, nonappealable judgment by a court of competent jurisdiction to have resulted from the applicable Person's own gross negligence or willful misconduct. No action taken in accordance with the directions of the Required Lenders shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section. Without limitation of the foregoing, each Lender shall reimburse Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs and Taxes) incurred by Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that Administrative Agent is not reimbursed for such expenses by or on behalf of Borrower. The undertaking in this Section shall survive repayment of the Loans, cancellation of the Notes, expiration or termination of the Letters of Credit, any foreclosure under, or modification, release or discharge of, any or all of the Collateral Documents, termination of this Agreement and the resignation or replacement of Administrative Agent.

14.9. Administrative Agent in Individual Capacity. Monroe Capital and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Capital Securities in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with the Loan Parties and Affiliates as though Monroe Capital were not Administrative Agent hereunder and without notice to or consent of any Lender. Each Lender acknowledges that, pursuant to such activities, Monroe Capital or its Affiliates may receive information regarding Borrower or its Affiliates (including information that may be subject to confidentiality obligations in favor of Borrower or such Affiliate) and acknowledges that Administrative Agent shall be under no obligation to provide such information to them. With respect to their Loans (if any), Monroe Capital and its Affiliates shall have the same rights and powers under this Agreement as any other Lender and may exercise the same as though Monroe Capital were not Administrative Agent, and the terms "Lender" and "Lenders" include Monroe Capital and its Affiliates, to the extent applicable, in their individual capacities.

14.10. Successor Administrative Agent. Administrative Agent may resign as Administrative Agent upon 30 days' notice to the Lenders. If Administrative Agent resigns under this Agreement, the Required Lenders shall, with (so long as no Event of Default exists) the consent of Borrower (which shall not be unreasonably withheld or delayed), appoint from among the Lenders a successor agent for the Lenders. If no successor agent is appointed prior to the effective date of the resignation of Administrative Agent, Administrative Agent may appoint, after consulting with the Lenders and Borrower, a successor agent from among the Lenders. Upon the acceptance of its appointment as successor agent hereunder, such successor agent shall succeed to all the rights, powers and duties of the retiring Administrative Agent and the term "Administrative Agent" shall mean such successor agent, and the retiring Administrative Agent's appointment, powers and duties as Administrative Agent shall be terminated. After any retiring Administrative Agent's resignation hereunder as Administrative Agent, the provisions of this Section 14 and Sections 15.5 and 15.17 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement. If no successor agent has accepted appointment as Administrative Agent by the date which is 30 days following a retiring Administrative Agent's notice of resignation, the retiring

Administrative Agent's resignation shall nevertheless thereupon become effective and the Lenders shall perform all of the duties of Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above.

14.11. Collateral Matters. Each Lender authorizes and directs Administrative Agent to enter into the other Loan Documents for the benefit of Lenders. Each Lender hereby agrees that, except as otherwise set forth herein, any action taken by Administrative Agent or Required Lenders in accordance with the provisions of this Agreement or the other Loan Documents, and the exercise by the Administrative Agent or Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all Lenders. Administrative Agent is hereby authorized on behalf of all Lenders, without the necessity of any notice to or further consent from any Lender to take any action with respect to any Collateral or Loan Documents which may be necessary to perfect and maintain perfected (with respect to intellectual property, if and to the extent contemplated under the Guaranty and Collateral Agreement) the Liens upon the Collateral granted pursuant to this Agreement and the other Loan Documents. The Lenders irrevocably authorize Administrative Agent, at its option and in its discretion, (a) to release any Lien granted to or held by Administrative Agent under any Collateral Document (i) upon termination of the Commitments and payment in full of all Loans and all other outstanding obligations of Borrower hereunder and the expiration or termination or Cash Collateralization of all Letters of Credit; (ii) constituting property sold or to be sold or disposed of as part of or in connection with any disposition permitted hereunder (including the release of any Guarantor); or (iii) subject to Section 15.1, if approved, authorized or ratified in writing by the Required Lenders; or (b) to subordinate its interest in any Collateral to any holder of a Lien on such Collateral which is permitted by Section 11.2(d)(i) or (d)(iii) (it being understood that Administrative Agent may conclusively rely on a certificate from Borrower in determining whether the Debt secured by any such Lien is permitted by Section 11.1(b)). Upon request by Administrative Agent at any time, the Lenders will confirm in writing Administrative Agent's authority to release, or subordinate its interest in, particular types or items of Collateral pursuant to this Section 14.11.

14.12. Restriction on Actions by Lenders. Each Lender agrees that it shall not, without the express written consent of Administrative Agent, and shall, upon the written request of Administrative Agent (to the extent it is lawfully entitled to do so), set off against the Obligations, any amounts owing by such Lender to a Loan Party or any deposit accounts of any Loan Party now or hereafter maintained with such Lender that are not Excluded Accounts. Each of the Lenders further agrees that it shall not, unless specifically requested to do so in writing by Administrative Agent, take or cause to be taken, any action, including the commencement of any legal or equitable proceedings to foreclose any loan or otherwise enforce any security interest in any of the Collateral or to enforce all or any part of this Agreement or the other Loan Documents. All enforcement actions under this Agreement and the other Loan Documents against the Loan Parties or any third party with respect to the Obligations or the Collateral may only be taken by Administrative Agent (at the direction of the Required Lenders or as otherwise permitted in this Agreement) or by its agents at the direction of Administrative Agent.

14.13. Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, Administrative Agent

(irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether Administrative Agent shall have made any demand on Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and Administrative Agent under Sections 5, 15.5 and 15.17) allowed in such judicial proceedings; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to Administrative Agent and, in the event that Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of Administrative Agent and its agents and counsel, and any other amounts due Administrative Agent under Sections 5, 15.5 and 15.17.

Nothing contained herein shall be deemed to authorize Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

14.14. Other Agents; Arrangers and Managers. None of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a "syndication agent," "documentation agent," "co-agent," "book manager," "lead manager," "arranger," "lead arranger" or "co-arranger", if any, shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than, in the case of such Lenders, those applicable to all Lenders as such. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

14.15. Protective Advances. Administrative Agent may, from time to time at any time that an Event of Default has occurred and is continuing, make all disbursements and advances ("Protective Advances") that Administrative Agent, in its sole discretion, deems necessary or desirable to preserve, protect, prepare for sale or lease or dispose of the Collateral or any portion thereof, to enhance the likelihood or maximize the amount of repayment by the Loan Parties of the Loans and other Obligations or to pay any other amount chargeable to the Loan Parties

pursuant to the terms of this Agreement and the other Loan Documents, including, without limitation, costs, fees and expenses as described in Section 15.5. Protective Advances are repayable on demand and will be secured by the Collateral and bear interest at a rate per annum equal to the rate then applicable to Base Rate Loans. The maximum aggregate amount of Protective Advances that Administrative Agent may make is $5,000,000. Protective Advances constitute Obligations under this Agreement and may be charged to the Loan Account in accordance with Section 7.1.2. No Protective Advance made by Administrative Agent and charged to the Loan Account will be deemed to constitute a Loan and no Lender will have any obligation to fund any amount to Administrative Agent as a result thereof. The Administrative Agent shall notify each Lender and the Borrower Representative in writing of each Protective Advance made by Administrative Agent, which notice must include a description of the purpose of that Protective Advance.

SECTION 15
GENERAL.

15.1. Waiver; Amendments.

15.1.1. No delay on the part of Administrative Agent or any Lender in the exercise of any right, power or remedy shall operate as a waiver thereof, nor shall any single or partial exercise by any of them of any right, power or remedy preclude other or further exercise thereof, or the exercise of any other right, power or remedy. No amendment, modification or waiver of, or consent with respect to, any provision of this Agreement or the other Loan Documents shall in any event be effective unless the same shall be in writing and acknowledged by Lenders having an aggregate Pro Rata Shares of not less than the aggregate Pro Rata Shares expressly designated herein with respect thereto or, in the absence of such designation as to any provision of this Agreement, by the Required Lenders, and then any such amendment, modification, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that the Agent Fee Letter may be amended, waived, consented to or modified by the parties thereto. No amendment, modification, waiver or consent shall (a) extend or increase the Commitment of any Lender without the written consent of such Lender, (b) extend the date scheduled for payment of any principal (excluding mandatory prepayments) of or interest on the Loans or any fees payable hereunder without the written consent of each Lender directly affected thereby, (c) reduce the principal amount of any Loan, the rate of interest thereon or any fees payable hereunder, without the consent of each Lender directly affected thereby (except (i) for periodic adjustments of interest rates and fees resulting from a change in the LIBOR Rate and the Base Rate as provided for in this Agreement, and (ii) that Required Lenders may rescind any increase in the interest rate under and in accordance with Section 4.1).; or (d) release any Guarantor from its obligations under the Guaranty and Collateral Agreement, other than as part of or in connection with any disposition permitted hereunder, or all or any substantial part of the Collateral granted under the Collateral Documents (except as permitted by Section 14.11), change the definition of Required Lenders, any provision of this Section 15.1, any provision of Section 13.3, change the definition of Pro Rata Share, or reduce the aggregate Pro Rata Share required to effect an amendment, modification, waiver or consent, without, in each case set forth in this clause (d), the written consent of all Lenders. No provision of Sections 6.2.2 or 6.3 with respect to the timing or application of mandatory prepayments of the Loans shall be amended, modified or waived without the consent of Lenders having a

majority of the aggregate Pro Rata Shares of the Term Loans affected thereby. No provision of Section 14 or other provision of this Agreement affecting Administrative Agent in its capacity as such shall be amended, modified or waived without the consent of Administrative Agent. No provision of this Agreement relating to the rights or duties of the Issuing Lenders in their capacities as such shall be amended, modified or waived without the consent of the Issuing Lenders.

Notwithstanding the foregoing, this agreement may be amended (or amended and restated) with the written consent of the Required Lenders, Administrative Agent and Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans, the Revolving Loans, the Revolving Commitments and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

15.1.2. Either (a) if, in connection with any proposed amendment, modification, waiver or termination requiring the consent of all Lenders or all affected Lenders, the consent of the Required Lenders is obtained, but the consent of other Lenders whose consent is required is not obtained (any such Lender whose consent is required and not obtained being referred to as a "Non-Consenting Lender") or (b) upon the receipt by the Borrower of notice and demand from any Lender for any payment provided in Section 8.1 (such Lender, together with any Non-Consenting Lender, each an "Affected Lender"), then, so long as Administrative Agent is not an Affected Lender, Administrative Agent and/or a Person or Persons reasonably acceptable to Administrative Agent (who shall in no event be a Disqualified Lender) shall have the right to purchase from such Affected Lenders (on the express condition that upon such purchase such purchasing Person will consent to the proposed amendment), and such Affected Lenders agree that they shall, upon Administrative Agent's request, sell and assign to Administrative Agent and/or such Person or Persons, all of the Loans and Revolving Commitments of such Affected Lenders for an amount equal to the principal balance of all such Loans and Revolving Commitments held by such Affected Lenders and all accrued interest, fees, expenses and other amounts then due with respect thereto through the date of sale, such purchase and sale to be consummated pursuant to an executed Assignment Agreement.

15.2. Confirmations. Borrower and each holder of a Note agree from time to time, upon written request received by it from the other, to confirm to the other in writing (with a copy of each such confirmation to Administrative Agent) the aggregate unpaid principal amount of the Loans then outstanding under such Note.

15.3. Notices.

15.3.1. Generally. Except as otherwise provided in Section 2.2.2, all notices hereunder shall be in writing (including facsimile or other electronic transmission) and shall be sent to the applicable party at its address shown on Annex B or at such other address as such party may, by written notice received by the other parties, have designated as its address for such purpose. Notices sent by facsimile or electronic transmission shall be deemed to have been given when sent; notices sent by mail shall be deemed to have been given three Business Days

after the date when sent by registered or certified mail, postage prepaid; and notices sent by hand delivery or overnight courier service shall be deemed to have been given when received. For purposes of Section 2.2.2, Administrative Agent shall be entitled to rely on telephonic instructions from any person that Administrative Agent in good faith believes is an authorized officer or employee of Borrower, and Borrower shall hold Administrative Agent and each other Lender harmless from any loss, cost or expense resulting from any such reliance.

15.3.2. Electronic Communications.

(a) Notices and other communications to any Lender under this Agreement may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by Administrative Agent, but the foregoing does not apply to notices to any Lender pursuant to Section 2.1.3 if that Lender has notified Administrative Agent and Borrower Representative that it is incapable of receiving notices under Section 2.1.3 by electronic communication. Administrative Agent or any of Holdings, Intermediate Holdings and Borrower may, in its respective sole discretion, agree to accept notices and other communications to it under this Agreement by electronic communications pursuant to procedures approved by it, and approval of any such procedures may be limited to particular notices or communications.

(b) Unless otherwise agreed by the sender and the intended recipient, (i) notices and other communications sent to an e-mail address will be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail, or other written acknowledgement); (ii) notices or communications posted to an Internet or intranet website will be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that the notice or communication is available and identifying the website address therefor; and (iii) for both clauses (i) and (ii) of this Section 15.3.2(b), any notice, e mail or other communication that is not sent during the normal business hours of the intended recipient will be deemed to have been sent at the opening of business on the next Business Day for the intended recipient.

15.4. Computations. Where the character or amount of any asset or liability or item of income or expense is required to be determined, or any consolidation or other accounting computation is required to be made, for the purpose of this Agreement, such determination or calculation shall, to the extent applicable and except as otherwise specified in this Agreement, be made in accordance with GAAP, consistently applied; provided that if Borrower notifies Administrative Agent that Borrower wishes to amend any covenant in Sections 10 or 11.14 (or any related definition) to eliminate or to take into account the effect of any change in GAAP on the operation of such covenant (or if Administrative Agent notifies Borrower that the Required Lenders wish to amend Sections 10 or 11.14 (or any related definition) for such purpose), then Borrower's compliance with such covenant shall be determined on the basis of GAAP in effect immediately before the relevant change in GAAP became effective, until either such notice is withdrawn or such covenant (or related definition) is amended in a manner satisfactory to Borrower and the Required Lenders.

15.5. Costs, Expenses. Each Loan Party, jointly and severally agrees to pay on demand, subject to any limitations set forth in Section 10.2 with respect to audits and inspections, (a) all reasonable and documented out-of-pocket costs and expenses of Administrative Agent and following the occurrence and during the continuance of an Event of Default any Lender (including Attorney Costs) in connection with the preparation, execution, syndication, delivery and administration (including perfection and protection of any Collateral and the costs of Intralinks (or other similar service), if applicable) of this Agreement, the other Loan Documents and all other documents provided for herein or delivered or to be delivered hereunder or in connection herewith (including any amendment, supplement or waiver to any Loan Document), whether or not the transactions contemplated hereby or thereby shall be consummated, and (b) all reasonable and documented out-of-pocket costs and expenses (including Attorney Costs) incurred by Administrative Agent and each Lender after an Event of Default in connection with the collection of the Obligations or the enforcement of this Agreement the other Loan Documents or any such other documents or during any workout, restructuring or negotiations in respect thereof; provided, however, that such Attorney Costs described in each of clauses (a) and (b) above shall be limited to Attorney Costs of one counsel to the Administrative Agent and Lenders taken as a whole, one counsel for franchise counsel to Administrative Agent (and, if reasonably necessary, one local counsel to the Administrative Agent and all the Lenders taken as a whole in any relevant jurisdiction), unless the representation of the Administrative Agent and one or more Lenders by counsel for all Lenders would be inappropriate due to the existence of an actual conflict of interest that is not waived, in which case Borrower shall also be required to reimburse the Attorney Costs of one counsel to such affected Lenders similarly-situated (taken as a whole). In addition, each Loan Party agrees to pay, and to save Administrative Agent and the Lenders harmless from all liability for, any fees of Borrower's auditors in connection with any reasonable exercise by Administrative Agent and the Lenders of their rights pursuant to Section 10.2. All Obligations provided for in this Section 15.5 shall survive repayment of the Loans, cancellation of the Notes, expiration or termination of the Letters of Credit and termination of this Agreement.

15.6. Assignments; Participations.

15.6.1. Assignments.

(a) Any Lender may at any time assign to one or more Eligible Assignees other than the Sponsor, Borrower or any Affiliate thereof (any such Person, an "Assignee") all or any portion of such Lender's Loans and Commitments, with the prior written consent of Administrative Agent, the Issuing Lenders (for an assignment of the Revolving Loans and the Revolving Commitments) and Borrower (which consent of Borrower shall not be unreasonably withheld or delayed), provided, however, (i) such consent of Borrower shall not be required (x) for an assignment by a Lender to a Lender or an Affiliate of a Lender or an Approved Fund, or (y) upon the occurrence and during the continuance of a Specified Event of Default, (ii) such consent of Administrative Agent and the Issuing Lenders shall not be required for an assignment by a Lender to a Lender or an Affiliate of a Lender or an Approved Fund and (iii) no such assignment shall be to a Disqualified Lender. Except as Administrative Agent may otherwise agree, any such assignment shall be in a minimum aggregate amount equal to $1,000,000 or, if less, the remaining Commitment and Loans held by the assigning Lender. Borrower and Administrative Agent shall be entitled to continue to deal solely and directly with such Lender in

connection with the interests so assigned to an Assignee until Administrative Agent shall have received and accepted an effective assignment agreement in substantially the form of Exhibit C hereto (an "Assignment Agreement") executed, delivered and fully completed by the applicable parties thereto and a processing fee of $3,500 and the tax forms required by Section 7.6(d); provided, that, no processing fee shall be payable in connection with an assignment by a Lender to a Lender or an Affiliate of a Lender or an Approved Fund. If an assignment is made to any Person and at the time of such assignment Borrower would be obligated to pay a greater amount under Sections 7.6 or 8 to the Assignee than Borrower is then obligated to pay to the assigning Lender under such Sections then Borrower will not be required to pay such greater amounts to such Assignee. Any attempted assignment not made in accordance with this Section 15.6.1 shall be treated as the sale of a participation under Section 15.6.2. If Borrower has not expressly objected to any assignment requiring its consent hereunder within three Business Days after notice thereof, Administrative agent shall provide Borrower with a second copy of such notice and Borrower shall be deemed to have granted unless Borrower has expressly objected to such assignment within seven days after receipt of such second notice thereof.

(b) From and after the date on which the conditions described above have been met, (i) such Assignee shall be deemed automatically to have become a party hereto and, to the extent that rights and obligations hereunder have been assigned to such Assignee pursuant to such Assignment Agreement, shall have the rights and obligations of a Lender hereunder and (ii) the assigning Lender, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment Agreement, shall be released from its rights (other than its indemnification rights) and obligations hereunder. Upon the request of the Assignee (and, as applicable, the assigning Lender) pursuant to an effective Assignment Agreement, Borrower shall execute and deliver to Administrative Agent for delivery to the Assignee (and, as applicable, the assigning Lender) a Note in the principal amount of the Assignee's Pro Rata Share of the Revolving Commitments plus the principal amount of the Assignee's Term Loans (and, as applicable, a Note in the principal amount of the Pro Rata Share of the Revolving Commitments retained by the assigning Lender plus the principal amount of the Term Loans retained by the assigning Lender). Each such Note shall be dated the effective date of such assignment. Upon receipt by Administrative Agent of such Note(s), the assigning Lender shall return to Borrower any prior Note held by it.

(c) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

15.6.2. Participations. Any Lender may at any time sell to one or more Persons participating interests in its Loans, Commitments or other interests hereunder (any such Person, a "Participant"), provided that such Person shall not be a Disqualified Lender. In the event of a sale by a Lender of a participating interest to a Participant, (a) such Lender's obligations hereunder shall remain unchanged for all purposes, (b) Borrower and Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations hereunder and (c) all amounts payable by Borrower shall be determined as if

such Lender had not sold such participation and shall be paid directly to such Lender. No Participant shall have any direct or indirect voting rights hereunder except with respect to any event described in Section 15.1 expressly requiring the unanimous vote of all Lenders or, as applicable, all affected Lenders. Each Lender agrees to incorporate the requirements of the preceding sentence into each participation agreement which such Lender enters into with any Participant. Borrower agrees that if amounts outstanding under this Agreement are due and payable (as a result of acceleration or otherwise), each Participant shall be deemed to have the right of set-off in respect of its participating interest in amounts owing under this Agreement and with respect to any Letter of Credit to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement; provided that such right of set-off shall be subject to the obligation of each Participant to share with the Lenders, and the Lenders agree to share with each Participant, as provided in Section 7.5. Borrower also agrees that each Participant shall be entitled to the benefits of Section 7.6 or 8 as if it were a Lender (provided (i) that on the date of the participation no Participant shall be entitled to any greater compensation pursuant to Section 7.6 or 8 than would have been paid to the participating Lender on such date if no participation had been sold except to the extent such entitlement to receive a greater payment results from a change in law that occurs after the Participant acquired the applicable participation and (ii) that each Participant complies with Section 7.6(d) as if it were an Assignee, it being understood that the documentation required under Section 7.6(d) shall be delivered to the participating Lender). Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts of and stated interest on each Participant's interest in the Loans, Commitments or other interests hereunder (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans or its other obligations under this Agreement or any Loan Documents) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

15.7. Register. Administrative Agent, acting solely for this purpose as an agent of Borrower, shall maintain a copy of each Assignment Agreement delivered and accepted by it and register (the "Register") for the recordation of names and addresses of the Lenders and the Commitments of, and principal amounts of and stated interest on the Loans owing to, each Lender pursuant to the terms hereof from time to time and whether such Lender is the original Lender or the Assignee. No assignment shall be effective unless and until the Assignment Agreement is accepted and registered in the Register. All records of transfer of a Lender's interest in the Register shall be conclusive, absent manifest error, as to the ownership of the interests in the Loans, and Borrower, Administrative Agent, and Lenders shall treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. Administrative Agent shall not incur any liability of any kind with respect to any Lender with respect to the maintenance of the Register.

15.8. GOVERNING LAW. THIS AGREEMENT AND EACH NOTE SHALL BE A CONTRACT MADE UNDER AND GOVERNED BY THE INTERNAL LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED ENTIRELY WITHIN SUCH STATE.

15.9. Confidentiality. As required by federal law and Administrative Agent's policies and practices, Administrative Agent may need to obtain, verify, and record certain customer identification information and documentation in connection with opening or maintaining accounts, or establishing or continuing to provide services. Administrative Agent and each Lender agree to use commercially reasonable efforts (equivalent to the efforts Administrative Agent or such Lender applies to maintain the confidentiality of its own confidential information) to maintain as confidential all information provided to them by any Loan Party, except that Administrative Agent and each Lender may disclose such information (a) to Persons employed or engaged by Administrative Agent or such Lender or such Lender's Affiliates or Approved Funds in evaluating, approving, structuring or administering the Loans and the Commitments; (b) to any assignee or participant or potential assignee or participant, other than a Disqualified Lender, that has agreed to comply with the covenant contained in this Section 15.9 (and any such assignee or participant or potential assignee or participant may disclose such information to Persons employed or engaged by them as described in clause (a) above); (c) (i) as required or requested by any federal or state regulatory authority or examiner, or any insurance industry association, or (ii) as reasonably believed by Administrative Agent or such Lender to be compelled by any court decree, subpoena or legal or administrative order or process; provided Administrative Agent or such Lender shall notify the Borrower prior to making such disclosure, unless such notification is prohibited; (d) as, on the advice of Administrative Agent's or such Lender's counsel, is required by law provided the Administrative Agent or such Lender shall notify the Borrower prior to making such disclosure, unless such notification is prohibited; (e) in connection with the exercise of any right or remedy under the Loan Documents or in connection with any litigation to which Administrative Agent or such Lender is a party; (f) to any nationally recognized rating agency that requires access to information about a Lender's investment portfolio in connection with ratings issued with respect to such Lender; (g) to any Affiliate of Administrative Agent, the Issuing Lenders or any Lender who may provide Bank Products to the Loan Parties; (h) to Lender's independent auditors and other professional advisors as to which such information has been identified as confidential; (i) that ceases to be confidential through no fault of Administrative Agent or any Lender; (j) to any person appointed by the Administrative Agent or any Lender to provide administration or settlement services in respect of one or more of the Loan documents including without limitation, in relation to the trading of participations in respect of the Loan Documents, such confidential information as may be required to be disclosed to enable such service provider to provide any of the services referred to in this paragraph (j) if the service provider to whom the confidential information is to be given has entered into a confidentiality agreement substantially in the form of the LMA Master Confidentiality Undertaking for Use With Administration/Settlement Service Providers or such other form of confidentiality undertaking agreed between the Borrower and the Administrative Agent or Lender, as applicable; or (k) the Administrative Agent or such Lender may disclose to any national or international numbering service provider appointed by the Administrative Agent or such Lender to provide identification numbering services in respect of this Agreement and/or one or more Loan Parties the following information:

(i) names of Loan Parties;

(ii) country of domicile of Loan Parties;

(iii) place of incorporation of Loan Parties;

(iv) date of this Agreement;

(v) the name of the Administrative Agent;

(vi) date of each amendment and restatement of this Agreement;

(vii) amount of total Commitments;

(viii) currencies of the Loans;

(ix) type of Loans;

(x) ranking of Loans;

(xi) Termination Date for the Loans;

(xii) changes to any of the information previously supplied pursuant to paragraphs (i) to (xi) above; and

(xiii) such other information agreed in writing between the Administrative Agent or such Lender and the Loan Party,

to enable such numbering service provider to provide its usual syndicated loan numbering identification services. The Loan Parties acknowledge and agree that each identification number assigned to this Agreement and/or one or more Loan Parties by a numbering service provider and the information associated with each such number may be disclosed to users of its services in accordance with the standard terms and conditions of that numbering service provider. Each Loan Party represents that none of the information set out in paragraphs (i) to (xii) above is, nor will at any time be, unpublished price-sensitive information.

Notwithstanding the foregoing, (i) in the case of clauses (c)(ii), (d), (j) and (k) above, the Administrative Agent shall use commercially reasonable efforts to (A) give the applicable Loan Party written notice prior to disclosing the information, in the case of clauses (c) and (d), to the extent permitted by such requirement and in the case of clauses (j) and (k), providing a copy of the written agreement pursuant to which disclosure of information to other parties will be conducted; (B) in the case of clauses (c)(ii) and (d), cooperate with the Loan Party to obtain a protective order or similar confidential treatment, and (C) in the case of clauses (c)(ii) and (d), only disclose that portion of the confidential information as counsel for the Administrative Agent or Lender, as applicable, advises such Administrative Agent or Lender that it must disclose pursuant to such requirement and (ii) in no event shall the Administrative Agent or any Lender disclose any such confidential information to any Disqualified Lender. The Administrative Agent or any Lender may publish a tombstone or similar advertising material relating to the

financing transactions contemplated by this Agreement, and Administrative Agent reserves the right to provide to industry trade organizations information necessary and customary for inclusion in league table measurements. If any provision of any confidentiality agreement, nondisclosure agreement or other similar agreement between Borrower and Lender conflicts with or contradicts this Section 15.9 with respect to the treatment of confidential information, this section shall supersede all such prior or contemporaneous agreements and understandings between the parties.

15.10. Severability. Whenever possible each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement. All obligations of the Loan Parties and rights of Administrative Agent and the Lenders expressed herein or in any other Loan Document shall be in addition to and not in limitation of those provided by applicable law.

15.11. Nature of Remedies. All Obligations of the Loan Parties and rights of Administrative Agent and the Lenders expressed herein or in any other Loan Document shall be in addition to and not in limitation of those provided by applicable law. No failure to exercise and no delay in exercising, on the part of Administrative Agent or any Lender, any right, remedy, power or privilege hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

15.12. Entire Agreement. This Agreement, together with the other Loan Documents, embodies the entire agreement and understanding among the parties hereto and supersedes all prior or contemporaneous agreements and understandings of such Persons, verbal or written, relating to the subject matter hereof and thereof (except as relates to the fees described in Section 5.3) and any prior arrangements made with respect to the payment by the Loan Parties of (or any indemnification for) any fees, costs or expenses payable to or incurred (or to be incurred) by or on behalf of Administrative Agent or the Lenders.

15.13. Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute but one and the same Agreement. Receipt of an executed signature page to this Agreement by facsimile or other electronic transmission shall constitute effective delivery thereof. Electronic records of executed Loan Documents maintained by the Lenders shall deemed to be originals.

15.14. Successors and Assigns. This Agreement shall be binding upon Borrower, the Lenders and Administrative Agent and their respective successors and permitted assigns, and shall inure to the benefit of Borrower, the Lenders and Administrative Agent and the successors and assigns of the Lenders and Administrative Agent. No other Person shall be a direct or indirect legal beneficiary of, or have any direct or indirect cause of action or claim in connection with, this Agreement or any of the other Loan Documents. No Loan Party may assign or transfer any of its rights or Obligations under this Agreement without the prior written consent of Administrative Agent and each Lender.

15.15. Captions. Section captions used in this Agreement are for convenience only and shall not affect the construction of this Agreement.

15.16. Customer Identification – USA Patriot Act Notice. Each Lender and Monroe Capital (for itself and not on behalf of any other party) hereby notifies the Loan Parties that, pursuant to the requirements of the USA Patriot Act, Title III of Pub. L. 107-56, signed into law October 26, 2001 (the "Patriot Act"), it is required to obtain, verify and record information that identifies the Loan Parties, which information includes the name and address of the Loan Parties and other information that will allow such Lender or Monroe Capital, as applicable, to identify the Loan Parties in accordance with such legislation.

15.17. INDEMNIFICATION BY LOAN PARTIES. IN CONSIDERATION OF THE EXECUTION AND DELIVERY OF THIS AGREEMENT BY ADMINISTRATIVE AGENT AND THE LENDERS AND THE AGREEMENT TO EXTEND THE COMMITMENTS PROVIDED HEREUNDER, BORROWER HEREBY AGREES TO INDEMNIFY, EXONERATE AND HOLD ADMINISTRATIVE AGENT, EACH LENDER AND EACH OF THE OFFICERS, DIRECTORS, EMPLOYEES, AFFILIATES, APPROVED FUNDS AND AGENTS OF ADMINISTRATIVE AGENT AND EACH LENDER (EACH A "LENDER PARTY") FREE AND HARMLESS FROM AND AGAINST ANY AND ALL ACTIONS, CAUSES OF ACTION, SUITS, LOSSES, LIABILITIES, DAMAGES AND EXPENSES, INCLUDING ATTORNEY COSTS (COLLECTIVELY, THE " INDEMNIFIED LIABILITIES"), INCURRED BY THE LENDER PARTIES OR ANY OF THEM AS A RESULT OF, OR ARISING OUT OF, OR RELATING TO (a) ANY TENDER OFFER, MERGER, PURCHASE OF CAPITAL SECURITIES, PURCHASE OF ASSETS OR OTHER SIMILAR TRANSACTION FINANCED OR PROPOSED TO BE FINANCED IN WHOLE OR IN PART, DIRECTLY OR INDIRECTLY, WITH THE PROCEEDS OF ANY OF THE LOANS, (b) THE USE, HANDLING, RELEASE, EMISSION, DISCHARGE, TRANSPORTATION, STORAGE, TREATMENT OR DISPOSAL OF ANY HAZARDOUS SUBSTANCE AT ANY PROPERTY OWNED OR LEASED BY ANY LOAN PARTY, (c) ANY VIOLATION OF ANY ENVIRONMENTAL LAWS WITH RESPECT TO CONDITIONS AT ANY PROPERTY OWNED OR LEASED BY ANY LOAN PARTY OR THE OPERATIONS CONDUCTED THEREON, (d) THE INVESTIGATION, CLEANUP OR REMEDIATION OF OFFSITE LOCATIONS AT WHICH ANY LOAN PARTY OR THEIR RESPECTIVE PREDECESSORS ARE ALLEGED TO HAVE DIRECTLY OR INDIRECTLY DISPOSED OF HAZARDOUS SUBSTANCES OR (e) THE EXECUTION, DELIVERY, PERFORMANCE OR ENFORCEMENT OF THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT BY ANY OF THE LENDER PARTIES; PROVIDED, HOWEVER, THAT NO LOAN PARTY SHALL HAVE ANY LIABILITY UNDER THIS SECTION 15.17 TO ANY INDEMNITEE WITH RESPECT TO ANY INDEMNIFIED LIABILITIES OR ANY EXPENSES TO THE EXTENT THAT SUCH LIABILITY (A) HAS RESULTED FROM THE APPLICABLE LENDER PARTY'S (EXCLUDING THE ADMINISTRATIVE AGENT IN ITS CAPACITY AS SUCH) BAD FAITH, FRAUD, GROSS NEGLIGENCE, WILLFUL MISCONDUCT OR MATERIAL BREACH OF THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS, IN EACH CASE, AS DETERMINED BY A FINAL, NONAPPEALABLE JUDGMENT BY A COURT OF COMPETENT JURISDICTION OR (B) RELATES TO ANY DISPUTES SOLELY AMONG INDEMNITEES OR ANY OF THEIR AFFILIATES. 15.18. Nonliability of Lenders. The relationship between Borrower on the one hand and the Lenders and Administrative Agent on the other hand shall be solely that of borrower and lender. Neither Administrative Agent nor any Lender has any fiduciary relationship with or duty to any Loan Party arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Loan Parties, on the one hand, and Administrative Agent and the Lenders, on the other hand, in connection herewith or therewith is solely that of debtor and creditor. Neither Administrative Agent nor any Lender undertakes any responsibility to any Loan Party to review or inform any Loan Party of any matter in connection with any phase of any Loan Party's business or operations. Borrower agrees, on behalf of itself and each other Loan Party, that neither Administrative Agent nor any Lender shall have liability to any Loan Party (whether sounding in tort, contract or otherwise) for losses suffered by any Loan Party in connection with, arising out of, or in any way related to the transactions contemplated and the relationship established by the Loan Documents, or any act, omission or event occurring in connection therewith, unless it is determined in a final non-appealable judgment by a court of competent jurisdiction that such losses resulted from the gross negligence or willful misconduct of the party from which recovery is sought. NO LENDER PARTY SHALL BE LIABLE FOR ANY DAMAGES ARISING FROM THE USE BY OTHERS OF ANY INFORMATION OR OTHER MATERIALS OBTAINED THROUGH INTRALINKS OR OTHER SIMILAR INFORMATION TRANSMISSION SYSTEMS IN CONNECTION WITH THIS AGREEMENT (EXCEPT FOR ANY SUCH DAMAGES ARISING ON ACCOUNT OF THE BAD FAITH, FRAUD, GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, OR MATERIAL BREACH OF THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS BY THE APPLICABLE LENDER PARTY OR SUCH LENDER PARTY'S OFFICERS, DIRECTORS, EMPLOYEES, AFFILIATES AND AGENTS, IN EACH CASE, AS DETERMINED BY A FINAL, NONAPPEALABLE JUDGMENT BY A COURT OF COMPETENT JURISDICTION, NO PARTY SHALL HAVE ANY LIABILITY WITH RESPECT TO, AND EACH PARTY ON BEHALF OF ITSELF AND EACH OF ITS AFFILIATES, HEREBY WAIVES, RELEASES AND AGREES NOT TO SUE FOR ANY SPECIAL, PUNITIVE, EXEMPLARY, INDIRECT OR CONSEQUENTIAL DAMAGES RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR ARISING OUT OF ITS ACTIVITIES IN CONNECTION HEREWITH OR THEREWITH (WHETHER BEFORE OR AFTER THE CLOSING DATE). Each Party acknowledges that it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents to which it is a party. No joint venture is created hereby or by the other Loan

Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among the Loan Parties and the Lenders

15.19. FORUM SELECTION AND CONSENT TO JURISDICTION. ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, SHALL BE BROUGHT AND MAINTAINED EXCLUSIVELY IN THE COURTS OF THE STATE OF NEW YORK OR IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK; PROVIDED THAT NOTHING IN THIS AGREEMENT SHALL BE DEEMED OR OPERATE TO PRECLUDE ADMINISTRATIVE AGENT FROM BRINGING SUIT OR TAKING OTHER LEGAL ACTION IN ANY OTHER APPROPRIATE JURISDICTION. EACH LOAN PARTY, ADMINISTRATIVE AGENT AND EACH LENDER HEREBY EXPRESSLY AND IRREVOCABLY SUBMITS TO THE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK FOR THE PURPOSE OF ANY SUCH LITIGATION AS SET FORTH ABOVE. 15.20. WAIVER OF JURY TRIAL . EACH LOAN PARTY, ADMINISTRATIVE AGENT AND EACH LENDER HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS UNDER THIS AGREEMENT, ANY NOTE, ANY OTHER LOAN DOCUMENT AND ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED OR WHICH MAY IN THE FUTURE BE DELIVERED IN CONNECTION HEREWITH OR THEREWITH OR ARISING FROM ANY LENDING RELATIONSHIP EXISTING IN CONNECTION WITH ANY OF THE FOREGOING, AND AGREES THAT ANY SUCH ACTION OR PROCEEDING SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY.

15.21. Acknowledgement and Consent to Bail In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement, or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and (b) the effects of any Bail-in Action on any such liability, including, if applicable: (i) a reduction in full or in part or cancellation of any such liability; (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in

that EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

15.22. Existing Credit Agreement.

15.22.1. The parties hereto agree that, on the Closing Date, the following transactions shall be deemed to occur automatically, without further action by any party hereto:

(a) The Existing Credit Agreement shall, as of the Closing Date, be deemed to be amended and restated in its entirety in the form of, and pursuant to, this Agreement, and the Existing Credit Agreement shall thereafter be of no further force or effect except to evidence (i) the representations and warranties of the parties hereto prior to the Closing Date and (ii) any agreement to be performed or required to be performed pursuant to the Existing Credit Agreement prior to the Closing Date. Notwithstanding the foregoing, (a) the amendment and restatement effected by this Agreement shall not cure any breach thereof existing prior to the Closing Date, (b) this Agreement and the documents executed and delivered in connection herewith and the transactions contemplated hereby do not constitute a novation, payment and reborrowing or termination of any of the obligations of the Loan Parties under the Existing Credit Agreement as in effect prior to the Closing Date or a novation or payment and reborrowing of any amount owing under the Existing Credit Agreement as in effect prior to the Closing Date, (c) all such obligations of the Loan Parties are in all respects continuing with only the terms being modified as provided in this Agreement and the other Loan Documents, and (d) all Liens in the Collateral created under the Collateral Documents shall, except as expressly provided by this Agreement, continue in full force and effect and shall secure all of the Obligations.

(b) The Borrower and each Guarantor hereby acknowledges and agrees that each of the Existing Loan Documents that are not superseded by corresponding Loan Documents or such executed and delivered in connection with this Agreement to which the Borrower or such Guarantor is a party remains in full force and effect and hereby ratifies and reaffirms all of its respective repayment and performance obligations, contingent or otherwise, under each of such Existing Loan Documents (including each grant of security interests pursuant to the Collateral Documents) and, to the extent such Guarantor guaranteed any of the "Obligations", as defined in the Existing Credit Agreement pursuant to any such Existing Loan Documents as security for such Obligations, such Guarantor hereby ratifies and reaffirms such guaranty and agrees that such guaranty secures all of the Obligations under this Agreement and remains in full force and effect after giving effect to this Agreement. The execution, delivery and effectiveness of this Agreement shall not operate as a waiver of any right, power or remedy of the Administrative Agent or the Lenders under the Existing Credit Agreement or any Existing Loan Document, nor constitute a waiver of any provision of the Existing Credit Agreement or any other Existing Loan Document, except as specifically set forth herein or in a corresponding Loan Document.

(c) All "Loans" outstanding under the Existing Credit Agreement shall be deemed to be Loans under this Agreement. All issued and outstanding "Letters of Credit" issued

pursuant to the Existing Credit Agreement shall be deemed to be Letters of Credit issued under this Agreement and all obligations with respect to Letters of Credit existing under the Existing Credit Agreement shall be deemed to be outstanding under this Agreement and shall in all respects be continuing after the Closing Date and shall be deemed to be obligations with respect to Letters of Credit governed by this Agreement. All other "Obligations" existing under the Existing Credit Agreement shall be deemed to be outstanding under this Agreement and, in each case (i) are in all respects enforceable without the terms thereof being modified as provided by this Agreement and (ii) shall in all respects be continuing after the Closing Date and shall be deemed to be Obligations governed by this Agreement.

(d) Each reference in any other Loan Document to the Existing Credit Agreement shall be deemed to be a reference to this Agreement.

SECTION 16
JOINT AND SEVERAL LIABILITY

16.1. Applicability of Terms. Borrower is defined collectively to include all Persons constituting Borrower; provided, however, that any references herein to "any Borrower", "each Borrower", "a Borrower" or similar references, shall be construed as a reference to each individual Person comprising Borrower. In addition, each Person comprising Borrower hereby acknowledges and agrees that all of the representations, warranties, covenants, obligations, conditions, agreements and other terms contained in this Agreement shall be applicable to and shall be binding upon each Person comprising Borrower unless expressly otherwise stated herein.

16.2. Joint and Several Liability. Each Borrower shall be jointly and severally liable for all of the Obligations of each other Borrower, regardless of which Borrower actually receives the proceeds or other benefits of the Loans or other extensions of credit hereunder or the manner in which Borrowers, Administrative Agent or any Lender accounts therefor in their respective books and records.

16.3. Benefits and Best Interests. Each Borrower acknowledges that it will enjoy significant benefits from the business conducted by each other Borrower because of, inter alia, their combined ability to bargain with other Persons including without limitation their ability to receive the Loans and other credit extensions under this Agreement and the other Loan Documents which would not have been available to any Borrower acting alone. Each Borrower has determined that it is in its best interest to procure the credit facilities contemplated hereunder, with the credit support of each other Borrower as contemplated by this Agreement and the other Loan Documents.

16.4. Accommodations. Each of Administrative Agent and the Lenders have advised each Borrower that it is unwilling to enter into this Agreement and the other Loan Documents and make available the credit facilities extended hereby or thereby to any Borrower unless each Borrower agrees, among other things, to be jointly and severally liable for the due and proper payment of the Obligations of each other Borrower. Each Borrower has determined that it is in its best interest and in pursuit of its purposes that it so induce the Lenders to extend credit pursuant to this Agreement and the other documents executed in connection herewith

(A) because of the desirability to each Borrower of the credit facilities hereunder and the interest rates and the modes of borrowing available hereunder and thereunder, (B) because each Borrower may engage in transactions jointly with other Borrowers and (C) because each Borrower may require, from time to time, access to funds under this Agreement for the purposes herein set forth. Each Borrower, individually, expressly understands, agrees and acknowledges, that the credit facilities contemplated hereunder would not be made available on the terms herein in the absence of the collective credit of all the Borrowers, and the joint and several liability of all the Borrowers. Accordingly, each Borrower acknowledges that the benefit of the accommodations made under this Agreement to the Borrower, as a whole, constitutes reasonably equivalent value, regardless of the amount of the indebtedness actually borrowed by, advanced to, or the amount of credit provided to, or the amount of collateral provided by, any one Borrower.

16.5. Maximum Amount. To the extent that applicable law otherwise would render the full amount of the joint and several obligations of any Borrower hereunder and under the other Loan Documents invalid or unenforceable, such Person's obligations hereunder and under the other Loan Documents shall be limited to the maximum amount which does not result in such invalidity or unenforceability; provided, however, that each Borrower's obligations hereunder and under the other Loan Documents shall be presumptively valid and enforceable to their fullest extent in accordance with the terms hereof or thereof, as if this Section 16 were not a part of this Agreement.

16.6. Joint Liability Payments. To the extent that any Borrower shall make a payment under this Section 16 of all or any of the Obligations (a "Joint Liability Payment") which, taking into account all other Joint Liability Payments then previously or concurrently made by any other Borrower, exceeds the amount that such Borrower would otherwise have paid if each Borrower had paid the aggregate Obligations satisfied by such Joint Liability Payments in the same proportion that such Person's "Allocable Amount" (as defined below) (as determined immediately prior to such Joint Liability Payments) bore to the aggregate Allocable Amounts of each Borrower as determined immediately prior to the making of such Joint Liability Payments, then, following payment in full in cash of the Obligations (other than contingent indemnification Obligations not then asserted), the expiration, termination or Cash Collateralization of all Letters of Credit and the termination of the Commitments, such Borrower shall be entitled to receive contribution and indemnification payments from, and be reimbursed by, each other Borrower for the amount of such excess, pro rata based upon their respective Allocable Amounts in effect immediately prior to such Joint Liability Payments. As of any date of determination, the "Allocable Amount" of any Borrower shall be equal to the maximum amount of the claim which could then be recovered from such Borrower under this Section 16 without rendering such claim voidable or avoidable under §548 of Chapter 11 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act or similar statute or common law.

16.7. Financial Condition. Each Borrower assumes responsibility for keeping itself informed of the financial condition of each other Borrower, and any and all endorsers and/or guarantors of any instrument or document evidencing all or any part of such other Borrower's Obligations, and of all other circumstances bearing upon the risk of nonpayment by such other Borrower of their Obligations, and each Borrower agrees that neither Administrative Agent nor

any Lender shall have any duty to advise such Borrower of information known to Administrative Agent or any Lender regarding such condition or any such circumstances or to undertake any investigation not a part of its regular business routine. If Administrative Agent or any Lender, in its sole discretion, undertakes at any time or from time to time to provide any such information to a Borrower, neither Administrative Agent nor any Lender shall be under any obligation to update any such information or to provide any such information to such Borrower or any other Person on any subsequent occasion.

16.8. Administrative Agent Authorizations. Administrative Agent is hereby authorized to, at any time and from time to time, (a) in accordance with the terms of this Agreement, renew, extend, accelerate or otherwise change the time for payment of, or other terms relating to, Obligations incurred by any Borrower or any other Loan Party, otherwise modify, amend or change the terms of any promissory note or other agreement, document or instrument now or hereafter executed by any Borrower or any other Loan Party and delivered to Administrative Agent or any Lender; (b) accept partial payments on an Obligation incurred by any Borrower; (c) take and hold security or collateral for the payment of an Obligation incurred by any Borrower hereunder or for the payment of any guaranties of an Obligation incurred by any Borrower or other liabilities of any Borrower and exchange, enforce, waive and release any such security or collateral; (d) apply such security or collateral and direct the order or manner of sale thereof as Administrative Agent, in its sole discretion, may determine; and (e) settle, release, compromise, collect or otherwise liquidate an Obligation incurred by any Borrower and any security or collateral therefor in any manner, without affecting or impairing the obligations of any other Borrower. In accordance with the terms of this Agreement, Administrative Agent shall have the exclusive right to determine the time and manner of application of any payments or credits, whether received from a Borrower or any other source, and such determination shall be binding on each Borrower. In accordance with the terms of this Agreement, all such payments and credits may be applied, reversed and reapplied, in whole or in part, to any of an Obligation incurred by any Borrower as Administrative Agent shall determine in its sole discretion without affecting the validity or enforceability of the Obligations of any other Borrower. Nothing in this Section 16 shall modify any right of any Borrower or any Lender to consent to any amendment or modification of this Agreement or the other Loan Documents in accordance with the terms hereof or thereof.

16.9. Unconditional Obligations. Each Borrower hereby agrees that, except as hereinafter provided, its obligations hereunder shall be unconditional, irrespective of (a) the absence of any attempt to collect an Obligation incurred by Borrower from any Borrower or any Guarantor or other action to enforce the same; (b) failure by Administrative Agent to take any steps to perfect and maintain its security interest in, or to preserve its rights to, any security or collateral for an Obligation incurred by any Borrower; (c) of any proceeding under the Bankruptcy Code, or any similar proceeding, by or against any Borrower or any other Loan Party, or Administrative Agent's or any Lender's election in any such proceeding of the application of §1111(b)(2) of the Bankruptcy Code; (d) any borrowing or grant of a security interest by any Borrower as debtor-in-possession under §364 of the Bankruptcy Code; (e) the disallowance, under §502 of the Bankruptcy Code, of all or any portion of Administrative Agent's or any Lender's claim(s) for repayment of any of an Obligation incurred by any Borrower; or (f) any other circumstance which might otherwise constitute a legal or equitable

discharge or defense of a guarantor unless such legal or equitable discharge or defense is that of a Borrower in its capacity as a Borrower.

16.10. Notices. Any notice given by Borrower Representative hereunder shall constitute and be deemed to be notice given by all Borrowers, jointly and severally. Notice given by Administrative Agent or any Lender to Borrower Representative hereunder or pursuant to any other Loan Documents in accordance with the terms hereof or thereof shall constitute notice to each Borrower. The knowledge of any Borrower shall be imputed to all Borrower and any consent by Borrower Representative or any Borrower shall constitute the consent of and shall bind all Borrower.

16.11. No Impairment of Obligations or Limitations of Liability. This Section 16 is intended only to define the relative rights of Borrower and nothing set forth in this Section 16 is intended to or shall impair the obligations of Borrower, jointly and severally, to pay any amounts as and when the same shall become due and payable in accordance with the terms of this Agreement or any other Loan Documents. Nothing contained in this Section 16 shall limit the liability of any Borrower to pay the credit facilities made directly or indirectly to such Borrower and accrued interest, fees and expenses with respect thereto for which such Borrower shall be primarily liable.

16.12. Rights of Contribution and Indemnification. The parties hereto acknowledge that the rights of contribution and indemnification hereunder shall constitute assets of each Borrower to which such contribution and indemnification is owing. The rights of any indemnifying Borrower against the other Borrowers under this Section 16 shall be exercisable upon the full and payment of the Obligations, the termination of the Letters of Credit and the termination of the Commitments.

16.13. Subrogation. No payment made by or for the account of a Borrower, including, without limitation, (a) a payment made by such Borrower on behalf of an Obligation of another Borrower or (b) a payment made by any other Person under any guaranty, shall entitle such Borrower, by subrogation or otherwise, to any payment from such other Borrower or from or out of property of such other Borrower and such Borrower shall not exercise any right or remedy against such other Borrower or any property of such other Borrower by reason of any performance of such Borrower of its joint and several obligations hereunder, until, in each case, the termination of the Commitments, payment in full of all Obligations (other than contingent indemnification Obligations not then asserted) and the expiration or termination or Cash Collateralization of all Letters of Credit.

SECTION 17
APPOINTMENT OF BORROWER REPRESENTATIVE.

17.1. Appointment; Proceeds. Each Borrower hereby irrevocably appoints and constitutes the Borrower Representative as its agent to request and receive the proceeds of advances in respect of the Loans (and to otherwise act on behalf of such Borrower pursuant to this Agreement and the other Loan Documents) from Lenders in the name or on behalf of each such Borrower. Administrative Agent may disburse such proceeds to the bank account of

Borrower Representative (or any other Borrower) without notice to any other Borrower or any other Loan Party.

17.2. Appointment; Documentation and Other Actions. Each Borrower hereby irrevocably appoints and constitutes the Borrower Representative as its agent to (i) receive statements of account and all other notices from Administrative Agent with respect to the Obligations or otherwise under or in connection with this Agreement and the other Loan Documents, (ii) execute and deliver Compliance Certificates and all other notices, certificates and documents to be executed and/or delivered by any Borrower under this Agreement or the other Loan Documents; and (iii) otherwise act on behalf of such Borrower pursuant to this Agreement and the other Loan Documents.

17.3. Irrevocable Appointment; Reliance. The authorizations contained in this Section 17 are coupled with an interest and shall be irrevocable, and Administrative Agent may rely on any notice, request, information supplied by the Borrower Representative, every document executed by the Borrower Representative, every agreement made by the Borrower Representative or other action taken by the Borrower Representative in respect of any Borrower or other Loan Party as if the same were supplied, made or taken by such Borrower or Loan Party. Without limiting the generality of the foregoing, the failure of one or more Borrowers or other Loan Party to join in the execution of any writing in connection herewith shall not relieve any Borrower or other Loan Party from obligations in respect of such writing.

17.4. Termination. No purported termination of the appointment of Borrower Representative as agent shall be effective without the prior written consent of Administrative Agent.

SECTION 18
RELEASE.

18.1. Release. *Denotes a potential discrepancy regarding the definition of the Franchisee's exclusive territory (refer to the Franchise Agreement file for further details).

The Company has not conceded, and does not concede, that the Franchise Agreements have been amended in that respect but recognizes that the Franchisees under those agreements might assert otherwise.

The Franchise Agreements identified in #328 to #350 (inclusive) on the above list were executed during the period from March 19, 2015 until June 1, 2015. This is the period after a nonbinding letter of intent was executed regarding a potential change in ownership of the Pure Barre franchisor, but possibly prior to the franchisee receiving an amended FDD that described the change in ownership of Franchisor or its parents following the transaction that closed on May 1, 2015. These Franchise Agreements may be subject claims, whether valid or invalid, justified or not, regarding compliance with franchise disclosure rules in connection with the disclosure of the potential change in ownership

Schedule 9.27

CycleBar:

1. Occasionally, CBF has become aware of unauthorized or infringing use of the Owned Intellectual Property by third parties. CBF has pursued termination of such unauthorized or infringement use and have instructed such third parties to immediately cease such activities. Per internal policy CBF sends cease and desist letters for infringements upon its marks.
    a. CycleBar Cease and Desist to Ellen Gessell dated September 15, 2015 regarding the use of CycleBarSarasota.com. In September 2015, the Company's counsel notified Ellen Gesell of her unauthorized registration of CYCLEBARSARASOTA.COM on behalf of Reid Withrow and ON1 Enterprises, LLC. Ms. Gesell denied involvement in the registration, and Mr. Withrow refused to transfer ownership of the domain to the Company. Mr. Withrow ceased use of the domain, which was believed to be inactive until September 8, 2017, when Company representatives visited the site, which appeared to be active, and immediately sent a takedown notice to the site hosting service.
    b. CycleBar Cease and Desist to Cycle Barre dated May 21, 2015 regarding use of phonetically similar mark Cycle Barre. Tara Del Russo, the owner of Cycle Barre agreed to change the name of her studio.
    c. CycleBar Cease and Desist to CycleBarL.A. LLC, Dated January 30, 2015 regarding CycleBarLA. Ruben Martinez ceased using the CycleBar name and rebranded his studio. CycleBar Cease and Desist to Jason Weiner dated December 21, 2015, regarding cyclebarla on Groupon. Groupon agreed to take down CycleBarLA after notification from Ruben Martinez.
    d. CycleBar Cease and Desist to Matthew Saunders dated October 22, 2014 regarding the use of www.rasamaya.com /pages/cycle-bar. Attorney for Rasamaya notified the Company that it agreed to change name.
    e. CycleBar Cease and Desist to Edir Holdings, LLC dated October 21, 2016, regarding Premium Indoor Cycling. No actions have been taken after the response letter from Ride Enterprises, LLC was received on October 25, 2016. The Company does not use Premium Indoor Cycling as a trade name.
    f. CycleBar email correspondence dated October 7, 2015 with Dan Daszkowski regarding unauthorized use of CycleBar mark. Franchise Broker agreed to stop using Company marks to attempt to sell franchises.
    g. CycleBar Cease and Desist to Integrated Soul, Inc. d/b/a Push Fitness dated March 11, 2016 regarding use of phonetically similar mark Cycle Barre. Letter received from Jack Silver, attorney for Integrated Soul, Inc., dated May 11, 2016, stating Integrated Soul agrees to suspend the use of the name "Cycle Barre" for one of its workout classes and change the name.

2. On July 13, 2015, Beats Electronics LLC ("Beats") filed a notice of opposition with the USPTO Trademark Trial and Appeal Board ("TTAB") (Proceeding No. 91222777) to the registration sought by the Company to the mark CYCLEBEATS, implying that the Company's use of the mark infringed Beats' family of BEATS marks. On or about September 13, 2016, the Company and Beats settled the matter, whereby Beats agreed, among other things, not to oppose registration of CYCLEBEATS and the Company agreed, among other things, not to use the mark in connection with certain goods and services.
3. StarCycle Matter.
4. The Company entered into a Settlement Agreement with SoulCycle Inc. on February 25, 2016, pursuant to which the Company agreed to modify its wall mantra in exchange for the release of claims of infringement of SoulCycle Inc.s trade dress or copyrighted design by such wall mantra (the "SoulCycle Matter").
5. Alleged Infringement of "Clip in Rock Out" and Rose Spear. The Company received a letter dated August 2, 2016 from counsel for Ride 360, LLC, d/b/a Revolution Studio, claiming that the CycleBar Vintage Park studio used "Clip In, Rock Out", a registered trademark of Ride 360, LLC and demanding that the Company and its affiliates cease and desist from using that slogan and requesting the Company terminate the employment of Rose Spear due to alleged violation of certain employment agreements. CBF and the CycleBar Vintage Park studio agreed to discontinue the use of the Clip In, Rock Out phrase. Additionally, after investigation CycleBar Vintage Park learned that it had never employed a person named Rose Spear and that the cease and desist was incorrectly sent to CycleBar Vintage Park instead of CycleBar Katy, where Rose Spear was at one time an employee. CBF contacted CycleBar Katy and told this franchisee that it must not employ staff with existing noncompete agreements and reiterated the same to Ride 360's attorney. CBF supplied Ride 360's attorney with the contact information for CycleBar Katy and the Company considers this matter concluded.

In consideration of the agreements of the Administrative Agent and the Lenders contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Loan Party, on behalf of itself and its successors, assigns, and other legal representatives (collectively, the "Releasors" and each, a "Releasor"), hereby absolutely, unconditionally and irrevocably releases, remises and forever discharges the Administrative Agent and each Lender, and their successors and assigns, and their respective present and former shareholders, affiliates, subsidiaries, divisions,

predecessors, directors, officers, attorneys, employees, agents and other representatives (collectively, the Administrative Agent, each Lender, and all such other Persons, the "Releasees", and each, a "Releasee"), of and from all demands, actions, causes of action, suits, damages and any and all other claims, counterclaims, and rights of set off whatsoever (individually, a "Claim" and collectively, "Claims") of every name and nature, known or that reasonably should be known, suspected or that reasonably should be suspected, both at law and in equity (and all defenses that may arise out of the foregoing), which such Loan Party or any of its successors, assigns, or other legal representatives may now or hereafter own, hold, have or claim to have against the Releasees or any of them for, upon, or by reason of any circumstance, action, cause or thing whatsoever which has arisen at any time prior to the date of this Amendment for or on account of, or relating to the Credit Agreement or any of the other Loan Documents or transactions thereunder.

Each Loan Party understands, acknowledges and agrees that the release set forth above may be pleaded as a full and complete defense in respect of the matter covered thereby and may be used as a basis for an injunction against any action, suit or other proceeding which may be instituted, prosecuted or attempted in breach of the provisions of such release.

Each Loan Party agrees that no fact, event, circumstance, evidence or transaction which could now be asserted or which may hereafter be discovered shall affect in any manner the final, absolute and unconditional nature of the release set forth above.

Each Loan Party, on behalf of itself and each Releasor, hereby absolutely, unconditionally, and irrevocably, covenants and agrees with and in favor of each Releasee that it will not sue (at law, in equity, in any regulatory proceeding, or otherwise) any Releasee on the basis of any Claim released, remised, and discharged by such Loan Party pursuant to this Section 9.

7.6 FORUM SELECTION AND CONSENT TO JURISDICTION. ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH THIS AMENDMENT, SHALL BE BROUGHT AND MAINTAINED EXCLUSIVELY IN THE COURTS OF THE STATE OF NEW YORK OR IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK; PROVIDED THAT NOTHING IN THIS AMENDMENT SHALL BE DEEMED OR OPERATE TO PRECLUDE ADMINISTRATIVE AGENT FROM BRINGING SUIT OR TAKING OTHER LEGAL ACTION IN ANY OTHER APPROPRIATE JURISDICTION. EACH LOAN PARTY, ADMINISTRATIVE AGENT AND EACH LENDER HEREBY EXPRESSLY AND IRREVOCABLY SUBMITS TO THE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK FOR THE PURPOSE OF ANY SUCH LITIGATION AS SET FORTH ABOVE. ADMINISTRATIVE AGENT, EACH LENDER AND EACH LOAN PARTY FURTHER IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS BY REGISTERED MAIL, POSTAGE PREPAID, OR BY PERSONAL SERVICE WITHIN OR WITHOUT THE STATE OF NEW YORK. EACH LOAN PARTY, ADMINISTRATIVE AGENT AND EACH LENDER HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN ANY SUCH COURT REFERRED TO ABOVE AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

7.7 WAIVER OF JURY TRIAL. EACH LOAN PARTY, ADMINISTRATIVE AGENT AND EACH LENDER HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS UNDER THIS AMENDMENT AND ANY INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED OR WHICH MAY IN THE FUTURE BE DELIVERED IN CONNECTION HEREWITH OR THEREWITH OR ARISING FROM ANY LENDING RELATIONSHIP EXISTING IN CONNECTION WITH ANY OF THE FOREGOING, AND AGREES THAT ANY SUCH ACTION OR PROCEEDING SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY.

7.8 Severability. Whenever possible, each provision of this Amendment shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Amendment is held to be prohibited by or invalid under applicable law in any jurisdiction, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating any other provision of this Amendment.

7.9 Headings. Article, section and subsection headings in this Amendment are included for convenience of reference only and shall not constitute a part of this Amendment for any other purpose.

7.10 Counterparts. This Amendment may be executed in any number of counterparts and by either party hereto on separate counterparts, each of which, when so executed and delivered, shall be an original, but all such counterparts shall together constitute one and the same instrument. Receipt by telecopy or other electronic means, including .pdf of any executed signature page to this Amendment shall constitute effective delivery of such signature page.

Section 8. Release. In consideration of the agreements of the Administrative Agent and the Lenders contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Loan Party, on behalf of itself and its successors, assigns, and other legal representatives (collectively, the "Releasors" and each, a "Releasor"), hereby absolutely, unconditionally and irrevocably releases, remises and forever discharges the Administrative Agent and each Lender, and their successors and assigns, and their respective present and former shareholders, affiliates, subsidiaries, divisions, predecessors, directors, officers, attorneys, employees, agents and other representatives (collectively, the Administrative Agent, each Lender, and all such other Persons, the "Releasees", and each, a "Releasee"), of and from all demands, actions, causes of action, suits, damages and any and all other claims, counterclaims, and rights of set off whatsoever (individually, a "Claim" and collectively, "Claims") of every name and nature, known or that reasonably should be known, suspected or that reasonably should be suspected, both at law and in equity (and all defenses that may arise out of the foregoing), which such Loan Party or any of its successors, assigns, or other legal representatives may now or hereafter own, hold, have or claim to have against the Releasees or any of them for, upon, or by reason of any circumstance, action, cause or thing whatsoever which has arisen at any time prior to the date of this Amendment for or on account of, or relating to the Credit Agreement or any of the other Loan Documents or transactions thereunder.

Each Loan Party understands, acknowledges and agrees that the release set forth above may be pleaded as a full and complete defense in respect of the matter covered thereby and may be used as a basis for an injunction against any action, suit or other proceeding which may be instituted, prosecuted or attempted in breach of the provisions of such release.

Each Loan Party agrees that no fact, event, circumstance, evidence or transaction which could now be asserted or which may hereafter be discovered shall affect in any manner the final, absolute and unconditional nature of the release set forth above.

Each Loan Party, on behalf of itself and each Releasor, hereby absolutely, unconditionally, and irrevocably, covenants and agrees with and in favor of each Releasee that it will not sue (at law, in equity, in any regulatory proceeding, or otherwise) any Releasee on the basis of any Claim released, remised, and discharged by such Loan Party pursuant to this Section 8.

(ii) in the event that any financial statement or certificate described in clause (c) above is inaccurate (regardless of whether this Agreement or any Commitments are in effect when such inaccuracy is discovered), and such inaccuracy, if corrected, would have led to the application of a higher Applicable Margin for any fiscal period, then the Applicable Margin for such fiscal period shall be adjusted retroactively (to the effective date of the determination of the Applicable Margin that was based upon the delivery of such inaccurate financial statement or certificate) to reflect the correct Applicable Margin, and the Borrowers shall promptly make payments to the Agents and the Lenders to reflect such adjustment.

(ii) Notwithstanding any other provision of this Agreement, and in order to reduce the number of fund transfers among the Borrowers, the Agents and the Lenders, the Borrowers, the Agents and the Lenders agree that the Administrative Agent may (but shall not be obligated to), and the Borrowers and the Lenders hereby irrevocably authorize the Administrative Agent to, fund, on behalf of the Revolving Loan Lenders, Revolving Loans pursuant to Section 2.01, subject to the procedures for settlement set forth insubsection 2.02(d); provided, however, that (A) the Administrative Agent shall in no event fund any such Revolving Loans if the Administrative Agent shall have received written notice from the Collateral Agent or the Required Lenders on the Business Day prior to the date of the proposed Revolving Loan that one or more of the conditions precedent contained in Section 5.02 will not be satisfied at the time of the proposed Revolving Loan, and (B) the Administrative Agent shall not otherwise be required to determine that, or take notice whether, the conditions precedent in Section 5.02 have been satisfied. If the Administrative Borrower gives a Notice of Borrowing requesting a Revolving Loan and the Administrative Agent elects not to fund such Revolving Loan on behalf of the Revolving Loan Lenders, then promptly after receipt of the Notice of Borrowing requesting such Revolving Loan, the Administrative Agent shall notify each Revolving Loan Lender of the specifics of the requested Revolving Loan and that it will not fund the requested Revolving Loan on behalf of the Revolving Loan Lenders. If the Administrative Agent notifies the Revolving Loan Lenders that it will not fund a requested Revolving Loan on behalf of the Revolving Loan Lenders, each Revolving Loan Lender shall make its Pro Rata Share of the Revolving Loan available to the Administrative Agent, in immediately available funds, in the Administrative Agent's Account no later than 3:00 p.m. (New York time) (provided that the Administrative Agent requests payment from such Revolving Loan Lender not later than 1:00 p.m. (New York time)) on the date of the proposed Revolving Loan. The Administrative Agent will make the proceeds of such Revolving Loans available to the Borrowers on the day of the proposed Revolving Loan by causing an amount, in immediately available funds, equal to the proceeds of all such Revolving Loans received by the Administrative Agent in the Administrative Agent's Account or the amount funded by the Administrative Agent on behalf of the Revolving Loan Lenders to be deposited in an account designated by the Administrative Borrower.

(iii) If the Administrative Agent has notified the Revolving Loan Lenders that the Administrative Agent, on behalf of the Revolving Loan Lenders, will not fund a particular Revolving Loan pursuant to subsection 2.02(c)(ii), the Administrative Agent may assume that each such Revolving Loan Lender has made such amount available to the Administrative Agent on such day and the Administrative Agent, in its sole discretion, may, but

shall not be obligated to, cause a corresponding amount to be made available to the Borrowers on such day. If the Administrative Agent makes such corresponding amount available to the Borrowers and such corresponding amount is not in fact made available to the Administrative Agent by any such Revolving Loan Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Revolving Loan Lender together with interest thereon, for each day from the date such payment was due until the date such amount is paid to the Administrative Agent, at the Federal Funds Effective Rate for three (3) Business Days and thereafter at the Reference Rate. During the period in which such Revolving Loan Lender has not paid such corresponding amount to the Administrative Agent, notwithstanding anything to the contrary contained in this Agreement or any other Loan Document, the amount so advanced by the Administrative Agent to the Borrowers shall, for all purposes hereof, be a Revolving Loan made by the Administrative Agent for its own account. Upon any such failure by a Revolving Loan Lender to pay the Administrative Agent, the Administrative Agent shall promptly thereafter notify the Administrative Borrower of such failure and the Borrowers shall promptly pay such corresponding amount to the Administrative Agent for its own account.

(iv) Nothing in this subsection 2.02(c) shall be deemed to relieve any Revolving Loan Lender from its obligations to fulfill its Revolving Credit Commitment hereunder or to prejudice any rights that the Administrative Agent or the Borrowers may have against any Revolving Loan Lender as a result of any default by such Revolving Loan Lender hereunder.

(d) (i) With respect to all periods for which the Administrative Agent has funded Revolving Loans pursuant tosubsection 2.02(c), on Thursday of each week, or if the applicable Thursday is not a Business Day, then on the following Business Day, or such shorter period as the Administrative Agent may from time to time select (any such week or shorter period being herein called a "Settlement Period"), the Administrative Agent shall notify each Revolving Loan Lender of the unpaid principal amount of the Revolving Loans outstanding as of the last day of each such Settlement Period. In the event that such amount is greater than the unpaid principal amount of the Revolving Loans outstanding on the last day of the Settlement Period immediately preceding such Settlement Period (or, if there has been no preceding Settlement Period, the amount of the Revolving Loans made on the date of such Revolving Loan Lender's initial funding), each Revolving Loan Lender shall promptly (and in any event not later than 2:00 p.m. (New York time) if the Administrative Agent requests payment from such Lender not later than 12:00 noon (New York time) on such day) make available to the Administrative Agent its Pro Rata Share of the difference in immediately available funds. In the event that such amount is less than such unpaid principal amount, the Administrative Agent shall promptly pay over to each Revolving Loan Lender its Pro Rata Share of the difference in immediately available funds. In addition, if the Administrative Agent shall so request at any time when a Default or an Event of Default shall have occurred and be continuing, or any other event shall have occurred as a result of which the Administrative Agent shall determine that it is desirable to present claims against the Borrowers for repayment, each Revolving Loan Lender shall promptly remit to the Administrative Agent or, as the case may be, the Administrative Agent shall promptly remit to each Revolving Loan Lender, sufficient funds to adjust the interests of the Revolving Loan Lenders in the then outstanding Revolving Loans to such an extent that, after giving effect to such adjustment, each such Revolving Loan Lender's interest in the then outstanding Revolving Loans will be equal to its Pro Rata Share thereof. The obligations of the

Administrative Agent and each Revolving Loan Lender under this subsection 2.02(d) shall be absolute and unconditional. Each Revolving Loan Lender shall only be entitled to receive interest on its Pro Rata Share of the Revolving Loans which have been funded by such Revolving Loan Lender.

(ii) In the event that any Revolving Loan Lender fails to make any payment required to be made by it pursuant to subsection 2.02(d)(i), the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Revolving Loan Lender together with interest thereon, for each day from the date such payment was due until the date such amount is paid to the Administrative Agent, at the Federal Funds Effective Rate for three (3) Business Days and thereafter at the Reference Rate. During the period in which such Revolving Loan Lender has not paid such corresponding amount to the Administrative Agent, notwithstanding anything to the contrary contained in this Agreement or any other Loan Document, the amount so advanced by the Administrative Agent to the Borrowers shall, for all purposes hereof, be a Revolving Loan made by the Administrative Agent for its own account. Upon any such failure by a Revolving Loan Lender to pay the Administrative Agent, the Administrative Agent shall promptly thereafter notify the Administrative Borrower of such failure and the Borrowers shall promptly pay such corresponding amount to the Administrative Agent for its own account. Nothing in this subsection 2.02(d)(ii) shall be deemed to relieve any Revolving Loan Lender from its obligation to fulfill its Revolving Credit Commitment hereunder or to prejudice any rights that the Administrative Agent or the Borrowers may have against any Revolving Loan Lender as a result of any default by such Revolving Loan Lender hereunder.

Section 2.03 Repayment of Loans; Evidence of Debt (a) The outstanding principal amount of all Revolving Loans shall be due and payable on the Final Maturity Date or, if earlier, on the date on which they are declared due and payable pursuant to the terms of this Agreement.

(b) The outstanding principal of the Initial Term Loan shall be repayable, ratably, in consecutive quarterly installments, each such installment to be due and payable on the last day of each fiscal quarter, commencing with the fiscal quarter ending June 30, 2020, in an amount equal to $925,000; provided, however, that the last such installment shall be in the amount necessary to repay in full the unpaid principal amount of the Term Loan on the Final Maturity Date. The outstanding principal amount of the Delayed Draw Term Loan shall be repayable in quarterly installments on the last day of each fiscal quarter, commencing with the first fiscal quarter after the fiscal quarter in which the Delayed Draw Term Loan is drawn, in an amount equal to $75,000; provided, however, that the last such installment shall be in the amount necessary to repay in full the unpaid principal amount of the Delayed Draw Term Loan. The outstanding unpaid principal of the Term Loan and all accrued and unpaid interest thereon, shall be due and payable in full on the Final Maturity Date.

(c) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrowers to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(d) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(e) The entries made in the accounts maintained pursuant to paragraph (c) or (d) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Loans in accordance with the terms of this Agreement.

(f) Any Lender may request that Loans made by it be evidenced by a note. In such event, the Borrowers shall execute and deliver to such Lender a note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns). Thereafter, the Loans evidenced by such note and interest thereon shall at all times (including after assignment pursuant to Section 12.07) be represented by one or more notes payable to the payee named therein and its registered assigns.

Section 2.04 Interest.

(a) Revolving Loans. Subject to the terms of this Agreement, at the option of the Administrative Borrower, each Revolving Loan shall be either a Reference Rate Loan or a LIBOR Rate Loan. Each Revolving Loan that is a Reference Rate Loan shall bear interest on the principal amount thereof from time to time outstanding, from the date of the making of such Loan until repaid, at a rate per annum equal to the Reference Rate plus the Applicable Margin. Each Revolving Loan that is a LIBOR Rate Loan shall bear interest on the principal amount thereof from time to time outstanding, from the date of the making of such Loan until repaid, at a rate per annum equal to the LIBOR Rate for the Interest Period in effect for such Loan plus the Applicable Margin.

(b) Term Loans. Subject to the terms of this Agreement, at the option of the Administrative Borrower, the Term Loans or any portion thereof shall be either a Reference Rate Loan or a LIBOR Rate Loan. Each portion of any Term Loans that is a Reference Rate Loan shall bear interest on the principal amount thereof from time to time outstanding, from the date of the making of such Term Loans until repaid, at a rate per annum equal to the Reference Rate plus the Applicable Margin. Each portion of any Term Loans that is a LIBOR Rate Loan shall bear interest on the principal amount thereof from time to time outstanding, from the date of the making of such Term Loans until repaid, at a rate per annum equal to the LIBOR Rate for the Interest Period in effect for such Term Loans (or such portion thereof) plus the Applicable Margin.

(c) Default Interest. To the extent permitted by law and notwithstanding anything to the contrary in this Section, upon the occurrence and during the continuance of an Event of Default, the principal of, and all accrued and unpaid interest on, all Loans, fees, indemnities or any other Obligations of the Loan Parties under this Agreement and the other Loan Documents, shall, upon the election of the Required Lenders, bear interest, from the date such Event of Default occurred until the date such Event of Default is cured or waived in writing in accordance herewith, at a rate per annum equal at all times to the Post-Default Rate.

(d) Interest Payment. Interest on each Loan shall be payable monthly, in arrears, on the last day of each calendar month, commencing on the last day of the calendar month following the calendar month in which such Loan is made and at maturity (whether upon demand, by acceleration or otherwise). Interest at the Post-Default Rate shall be payable on demand. Each Borrower hereby authorizes the Administrative Agent to, and the Administrative Agent may, from time to time, charge the Loan Account pursuant to Section 4.02 with the amount of any interest payment due hereunder.

(e) General. All interest shall be computed on the basis of a year of 360 (or 365, in the case of Loans and other obligations accruing interest based on the Reference Rate) days for the actual number of days, including the first day but excluding the last day, elapsed.

Section 2.05 Reduction of Commitment; Prepayment of Loans.

(a) Reduction of Commitments.

(i) Revolving Credit Commitments. The Total Revolving Credit Commitment shall terminate on the Final Maturity Date. The Borrowers may reduce the Total Revolving Credit Commitment in full or in part to an amount (which may be zero) not less than the sum of (A) the aggregate unpaid principal amount of all Revolving Loans then outstanding and (B) the aggregate principal amount of all Revolving Loans not yet made as to which a Notice of Borrowing has been given by the Administrative Borrower under Section 2.02, provided that in no event shall the Borrowers be permitted to reduce the Revolving Credit Commitment to an amount less than $5,000,000 (other than the permanent reduction of the Revolving Credit Commitment to zero). Each such reduction (1) shall be in an amount which is an integral multiple of $1,000,000, (2) shall be made by providing not less than one (1) Business Day's prior written notice to the Administrative Agent, (3) shall be irrevocable (except that such notice may be conditional) and (4) shall be accompanied by the payment of the Applicable Prepayment Premium, if any, payable in connection with such reduction of the Total Revolving Credit Commitment (which shall be paid to Administrative Agent for the benefit of the Revolving Loan Lenders and shall be allocated among the Revolving Loan Lenders as they may separately agree among themselves). Once reduced, the Total Revolving Credit Commitment may not be increased. Each such reduction of the Total Revolving Credit Commitment shall reduce the Revolving Credit Commitment of each Lender proportionately in accordance with its Pro Rata Share thereof.

(ii) Initial Term Loan. The Total Initial Term Loan Commitment shall terminate on the Effective Date after the funding of the Initial Term Loan by the Term Loan Lenders.

(iii) Delayed Draw Term Loan.

(A) Unless terminated sooner pursuant to Section 2.05(a)(iii)(C), the Total Delayed Draw Term Loan Commitment shall terminate at 5:00 p.m. (New York City time) on the DDTL Commitment Expiration Date.

(B) Upon at least one (1) Business Day's prior written notice (or such shorter period as shall be acceptable to the Administrative Agent) by the Administrative Borrower to the Administrative Agent, the Administrative Borrower shall have the right at any time and from time to time to terminate the Delayed Draw Term Loan Commitments and to permanently reduce to zero the remaining unfunded portion of the Delayed Draw Term Loan Commitments thereunder.

(b) Optional Prepayment.

(i) Revolving Loans. The Borrowers may, at any time and from time to time, prepay the principal of any Revolving Loan, in whole or in part.

(ii) Term Loans. The Borrowers may, at any time and from time to time, upon (x) in the case of LIBOR Rate Loans, at least three (3) Business Days' prior written notice to the Administrative Agent and (y) in the case of Reference Rate Loans, one (1) Business Day's prior written notice to the Administrative Agent, in each case to prepay the principal of the Term Loans, in whole or in part. Each prepayment made pursuant to this clause (b)(ii) shall be irrevocable (except that such notice may be conditional) and shall be accompanied by the payment of (A) accrued interest to the date of such payment on the amount prepaid, (B) the Applicable Prepayment Premium, if any, payable in connection with such prepayment of the Term Loan, (C) any amounts payable under Section 2.09 in connection with such prepayment of the Term Loans, and (D) if such prepayment would reduce the outstanding principal amount of the Term Loans to zero, all fees and other amounts which have accrued or otherwise become payable as of such date. Each such prepayment shall be applied pro rata against the remaining installments of principal due on the Term Loan.

(iii) [Intentionally Omitted].

(iv) Prepayment In Full. The Borrowers may, upon at least five (5) Business Days prior written notice to the Administrative Agent, terminate this Agreement by paying to the Administrative Agent, in cash, the Obligations (excluding any unasserted contingent indemnification Obligations), in full, plus the Applicable Prepayment Premium, if any, payable in connection with such termination of this Agreement. If the Administrative Borrower has sent a notice of termination pursuant to this clause (iv), then the Lenders' obligations to extend credit hereunder shall terminate and the Borrowers shall be obligated to repay the Obligations (excluding any unasserted contingent indemnification Obligations) in full, plus the Applicable Prepayment Premium, if any, payable in connection with such termination of this Agreement on the date set forth as the date of termination of this Agreement in such notice (except that such termination may be conditioned on the closing of a replacement financing facility).

(c) Mandatory Prepayment.

(i) The Borrowers will promptly (and in any event within two (2) Business Days) prepay the Revolving Loans at any time when the aggregate principal amount of all Revolving Loans exceeds the Total Revolving Credit Commitment, to the full extent of any such excess.

(ii) [Intentionally Omitted].

(iii) [Intentionally Omitted].

(iv) Within five (5) Business Days of delivery to the Agents and the Lenders of annual financial statements pursuant to Section 7.01(a)(ii), commencing with the delivery to the Agents and the Lenders of the financial statements for the Fiscal Year ended on December 31, 2020 (or, if such financial statements are not delivered to the Agents on the date such statements are required to be delivered pursuant to Section 7.01(a)(ii), five (5) Business Days after the date such statements are required to be delivered to the Agents pursuant toSection 7.01(a)(ii)), the Borrowers shall prepay the outstanding principal amount of the Loans in accordance with clause (d) below in an amount equal to the result (if positive) of (1) 50% of the Excess Cash Flow of the Parent and its Subsidiaries for such Fiscal Year (provided, that Excess Cash Flow for the Fiscal Year ended on December 31, 2020 shall be calculated for the period commencing on the Effective Date and ending on December 31, 2020), *minus* (2) the amount of any voluntary prepayments of the Term Loans made during such Fiscal Year, *minus* (3) the amount of any voluntary prepayments of the Revolving Loans accompanied by a permanent reduction or termination of the Total Revolving Credit Commitment during such Fiscal Year.

(v) Subject to clause (viii) below, within five (5) Business Days following any Permitted Disposition (other than a Disposition pursuant to clauses (b), (c), (d), (f), (g), (h), (i), (j) and (k) of the definition of "Permitted Disposition") by any Loan Party or its Subsidiaries pursuant to Section 7.02(c)(ii), the Borrowers shall prepay the outstanding principal amount of the Loans in accordance with clause (d) below in an amount equal to 100% of the Net Cash Proceeds received by such Person in connection with such Permitted Disposition to the extent that the aggregate amount of Net Cash Proceeds received by all Loan Parties and their Subsidiaries (and not paid to the Administrative Agent as a prepayment of the Loans) shall exceed for all such Permitted Dispositions $500,000 in any Fiscal Year. Nothing contained in this subsection (v) shall permit any Loan Party or any of its Subsidiaries to make a Disposition of any property other than in accordance with Section 7.02(c)(ii).

(vi) Upon the issuance or incurrence by any Loan Party or any of its Subsidiaries of any Indebtedness (other than Permitted Indebtedness), the Borrowers shall prepay the outstanding amount of the Loans in accordance with clause (d) below in an amount equal to 100% of the Net Cash Proceeds received by such Person in connection therewith. The provisions of this subsection (vi) shall not be deemed to be implied consent to any such issuance, incurrence or sale otherwise prohibited by the terms and conditions of this Agreement.

(vii) Subject to clause (viii) below, within two (2) Business Days of the receipt by any Loan Party or any of its Subsidiaries of any Extraordinary Receipts, the Borrowers shall prepay the outstanding principal of the Loans in accordance with clause (d) below an amount equal to 100% of such Extraordinary Receipts net of any reasonable expenses incurred in collecting such Extraordinary Receipts to the extent that the aggregate amount thereof received by all Loan Parties and their Subsidiaries (and not paid to the Administrative Agent as a prepayment of the Loans) shall exceed $750,000 in any Fiscal Year; provided, that the Loan Parties shall not be required to prepay the outstanding principal of the Loans in connection with the receipt of any Extraordinary Receipts with respect to the Club Ready Settlement in an aggregate amount not to exceed $2,000,000.

(viii) Notwithstanding the foregoing, with respect to Net Cash Proceeds received by any Loan Party or any of its Subsidiaries in connection with a Permitted Disposition or the receipt of Extraordinary Receipts consisting of insurance proceeds or condemnation awards that are required to be used to prepay the Obligations pursuant to Section 2.05(c)(v) or Section 2.05(c)(vii), as the case may be, up to $1,000,000 in the aggregate in any Fiscal Year of the Net Cash Proceeds from all such Permitted Dispositions and Extraordinary Receipts shall not be required to be so used to prepay the Obligations to the extent that such Net Cash Proceeds and Extraordinary Receipts are used to acquire, replace, repair or restore properties or assets used in the Parent's and its Subsidiaries' business, provided that, (A) no Event of Default has occurred and is continuing on the date such Person receives such Net Cash Proceeds or Extraordinary Receipts, (B) the Administrative Borrower delivers a certificate to the Administrative Agent within 30 days after the receipt of such Net Cash Proceeds or Extraordinary Receipts resulting from such Disposition or loss, destruction or taking, as the case may be, stating that such Net Cash Proceeds or Extraordinary Receipts shall be used to acquire, replace, repair or restore properties or assets used in such Person's business within a period specified in such certificate not to exceed two hundred and seventy (270) days after the date of receipt of such Net Cash Proceeds or Extraordinary Receipts (which certificate shall set forth estimates of the Net Cash Proceeds or Extraordinary Receipts to be so expended), (C) such Net Cash Proceeds or Extraordinary Receipts are (1) deposited in an account of a Loan Party listed on Schedule 6.01(v) or (2) used to prepay the Revolving Loans so long as a reserve is established in the amount of such prepayment which reserve shall be released only upon the reinvestment of such proceeds in accordance with the terms of this clause (viii), and (D) upon the earlier of (1) the expiration of the period specified in the relevant certificate furnished to the Administrative Agent pursuant to clause (B) above or (2) the occurrence of an Event of Default, such Net Cash Proceeds or Extraordinary Receipts, if not theretofore so used, shall be used to prepay the Obligations in accordance with Section 2.05(c)(v) or Section 2.05(c)(vii) as applicable.

(ix) Within three (3) Business Days after receipt by the Borrowers of the proceeds of any Permitted Cure Equity pursuant to Section 9.02 in respect of any noncompliance with the financial covenant set forth inSection 7.03, the Borrowers shall prepay the outstanding principal amount of the Loans in accordance with Section 2.05(d) in an amount equal to 100% of such proceeds.

(d) Application of Payments. Each prepayment pursuant to subsections (c)(iv), (c)(v), (c)(vi), (c)(vii) and (c)(ix) above shall be applied first, to the Term Loan, until paid in full, and second, to the Revolving Loans (without any corresponding reduction to the Total Revolving Credit Commitment). Prepayments of the Term Loan shall be applied against the remaining installments of principal of the Term Loan (including the final payment of the Term Loan on the Final Maturity Date) in the inverse order of maturity.

(e) Interest and Fees. Any prepayment made pursuant to thisSection 2.05 shall be accompanied by (i) accrued interest on the principal amount being prepaid to the date of prepayment, (ii) any Funding Losses (if any) payable pursuant to Section 2.09(e),

(iii) other than in the case of prepayments made pursuant to Sections 2.05(c)(i), (iv), (v), (vii) and (ix), the Applicable Prepayment Premium, if any, payable in connection with such prepayment of the Loans and (iv) if such prepayment would reduce the amount of the outstanding Loans to zero at a time when the Total Revolving Credit Commitment has been terminated, such prepayment shall be accompanied by the payment of all fees accrued to such date pursuant to Section 2.06.

(f) Cumulative Prepayments. Payments with respect to any subsection of this Section 2.05 are without duplication of payments made or required to be made under any other subsection of this Section 2.05.

Section 2.06 Fees.

(a) Unused Line Fee. From and after the Effective Date and until the Final Maturity Date, the Borrowers shall pay to the Administrative Agent for the account of the Revolving Loan Lenders, in accordance with their Pro Rata Share, an unused line fee (the "Unused Line Fee"), which shall accrue at the rate per annum of 0.50% on the excess, if any, of the Total Revolving Credit Commitment over the sum of the average principal amount of all Revolving Loans outstanding during the prior one month period and shall be payable monthly in arrears on the last day of each month commencing March 31, 2020.

(b) Applicable Prepayment Premium. Notwithstanding anything herein to the contrary, except as provided in Section 2.05(e), in the event of the termination of this Agreement and repayment of the Obligations at any time prior to the Final Maturity Date, for any reason, including (i) termination upon the election of the Required Lenders to terminate after the occurrence and during the continuation of an Event of Default (or, in the case of the occurrence of any Event of Default described in Section 9.01(f) or Section 9.01(g) with respect to any Loan Party, automatically upon the occurrence thereof), (ii) foreclosure and sale of Collateral, (iii) sale of the Collateral in any Insolvency Proceeding, or (iv) restructuring, reorganization, or compromise of the Obligations by the confirmation of a plan of reorganization or any other plan of compromise, restructuring, or arrangement in any Insolvency Proceeding, then, in view of the impracticability and extreme difficulty of ascertaining the actual amount of damages to the Agents and the Lenders or profits lost by the Agents and the Lenders as a result of such early termination, and by mutual agreement of the parties as to a reasonable estimation and calculation of the lost profits or damages of the Agents and the Lenders, the Borrowers shall pay to the Administrative Agent, for the account of the Lenders in accordance with written agreements amongst the Collateral Agent, the Administrative Agent and the Lenders, the Applicable Prepayment Premium, if any, measured as of the date of such termination. The Loan Parties expressly agree that: (A) the Applicable Prepayment Premium is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel; (B) the Applicable Prepayment Premium shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between the Lenders and the Loan Parties giving specific consideration in this transaction for such agreement to pay the Applicable Prepayment Premium; (D) the Loan Parties' agreement to pay the Applicable Prepayment Premium is a material inducement to Lenders to provide the Commitments and make the Loans; and (E) the Applicable Prepayment Premium represents a good faith, reasonable estimate and calculation of the lost profits or damages of the Agents and

the Lenders and that it would be impractical and extremely difficult to ascertain the actual amount of damages to the Agents and the Lenders or profits lost by the Agents and the Lenders as a result of such acceleration. No Applicable Prepayment Premium shall be due and owing (1) in connection with any prepayment of the Term Loan resulting from an initial public offering of the Parent that is consummated on or before the first anniversary of the Effective Date, solely with respect to (x) the first $35,000,000 of the Term Loan prepaid in connection therewith or (y) if the General Atlantic Investment has occurred, the first $50,000,000 of the Term Loan prepaid in connection therewith, (2) in connection with the refinancing in full of Obligations in which Cerberus participates in such refinancing as a lender.

(c) Delayed Draw Term Loan Unused Line Fee. The Borrower agrees to pay to the Administrative Agent, for the account of the Delayed Draw Term Lenders, a ticking fee (the "DDTL Unused Commitment Fee"), which shall accrue on the unfunded portion of the Delayed Draw Term Loan Commitments, beginning on the Effective Date and ending on the DDTL Commitment Expiration Date, and shall be payable monthly in arrears on the last day of each month (commencing on March 31, 2020), in an amount equal to 0.50% per annum of the actual daily undrawn portion of the Delayed Draw Term Loan Commitments during such period.

(d) Fee Letter. As and when due and payable under the terms of the Fee Letter, the Borrowers shall pay the fees set forth in the Fee Letter.

Section 2.07 [Intentionally Omitted].

Section 2.08 Taxes (a) Except as otherwise required by applicable law, any and all payments by any Loan Party hereunder or under any other Loan Document shall be made free and clear of and without deduction for any and all Taxes. If any Loan Party shall be required to deduct any Taxes from or in respect of any sum payable hereunder to any Agent or any Lender (or any Transferee), (i) if such Tax is an Indemnified Tax, the sum payable shall be increased by the amount (an "Additional Amount") necessary so that after making all such deductions (including deductions applicable to additional sums payable under this Section 2.08) such Agent or such Lender (or such Transferee) shall receive an amount equal to the sum it would have received had no such deductions been made, (ii) such Loan Party shall make such deductions and (iii) such Loan Party shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law. For purposes of this Section 2.08, the term "applicable law" includes FACTA.

(b) In addition, each Loan Party agrees to pay to the relevant Governmental Authority in accordance with applicable law any present or future stamp or documentary taxes or any recording, intangible or similar taxes, charges or levies that arise from any payment made hereunder or from the execution, delivery or registration of, or otherwise with respect to, this Agreement or any other Loan Document, except any such Taxes that are Other Connection Taxes imposed with respect to an assignment ("Other Taxes"). Each Loan Party shall deliver to the Administrative Agent official receipts or certified copies thereof (or other reasonable evidence of payment) in respect of any Taxes or Other Taxes payable hereunder promptly after payment of such Taxes or Other Taxes.

(c) The Loan Parties hereby jointly and severally indemnify and agree to hold each Agent and each Lender harmless from and against any Indemnified Taxes (including, without limitation, Indemnified Taxes imposed on any amounts payable under this Section 2.08) paid by such Person, whether or not such Indemnified Taxes were correctly or legally asserted by the relevant Governmental Authority. Such indemnification shall be paid within ten (10) days from the date on which any such Person makes written demand therefor specifying in reasonable detail the nature and amount of such Indemnified Taxes.

(d)

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and delivery of such documentation (other than such documentation set forth in (d)(ii) and (d)(iii) below) shall not be required if in any Lender's reasonable judgment, such completion, execution or delivery would subject such Lender to any material unreimbursed cost or would materially prejudice the legal or commercial position of such Lender.

(ii) Each Lender (or Transferee) that is organized under the laws of a jurisdiction outside the United States (a "Non-U.S. Lender") agrees that it shall, no later than the Effective Date (or, in the case of a Lender (or Transferee) which becomes a party hereto pursuant to Section 12.07 hereof after the Effective Date, promptly after the date upon which such Lender (or Transferee) becomes a party hereto) deliver to the Agents (and the Administrative Agent shall deliver a copy to the Administrative Borrower) (or, in the case of a participant, to the Lender granting the participation only) one properly completed and duly executed copy of either U.S. Internal Revenue Service Form W-8BEN, W-8BEN-E, W-8ECI or W-8IMY or any subsequent versions thereof or successors thereto, in each case claiming complete exemption from, or reduced rate of, U.S. Federal withholding tax and payments of interest hereunder. In addition, in the case of a Non-U.S. Lender claiming exemption from U.S. Federal withholding tax under Section 871(h) or 881(c) of the Internal Revenue Code, such Non-U.S. Lender hereby represents to the Agents and the Borrowers that such Non-U.S. Lender is not a bank for purposes of Section 881(c) of the Internal Revenue Code, is not a10-percent shareholder (within the meaning of Section 871(h)(3)(B) of the Internal Revenue Code) of the Parent and is not a controlled foreign corporation related to the Parent (within the meaning of Section 881(c)(3)(C) of the Internal Revenue Code), and such Non-U.S. Lender agrees that it shall promptly notify the Agents in the event any such representation is no longer accurate. Such forms shall be delivered by each Non-U.S. Lender on or before the date it becomes a party to this Agreement (or, in the case of a Transferee that is a participation holder, on or before the date such participation holder becomes a Transferee hereunder) and on or before the date, if any, such

Non-U.S. Lender changes its applicable lending office by designating a different lending office (a "New Lending Office"). In addition, such Non-U.S. Lender shall deliver such forms within twenty (20) days after receipt of a written request therefor from any Agent (who may be acting pursuant to a request by the Administrative Borrower), the assigning Lender or the Lender granting a participation, as applicable. Each Non-U.S. Lender shall deliver such forms promptly upon the obsolescence, expiration or invalidity of any form previously delivered by such Non- U.S. Lender. Notwithstanding any other provision of this Section 2.08, a Non-U.S. Lender shall not be required to deliver any form pursuant to this Section 2.08(d) that such Non-U.S. Lender is not legally able to deliver. If a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender fails to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent (A) a certification signed by the chief financial officer, principal accounting officer, treasurer or controller and (B) other documentation reasonably requested by the Borrower and the Administrative Agent sufficient for the Administrative Agent and the Borrower to comply with their obligations under FATCA and to determine that such Lender has complied with such applicable reporting requirements. Solely for purposes of this clause (d), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iii) Any Lender (or Transferee) that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or Agents), executed copies of IRS form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax.

(e) The Loan Parties shall not be required to indemnify any Non-U.S. Lender, or pay any Additional Amounts to any Non-U.S. Lender, in respect of any withholding tax pursuant to this Section 2.08 to the extent that (i) the obligation to withhold such amounts existed on the date such Non-U.S. Lender became a party to this Agreement (or, in the case of a Transferee that is a participation holder, on the date such participation holder became a Transferee hereunder) or, with respect to payments to a New Lending Office, the date such Non- U.S. Lender designated such New Lending Office with respect to a Loan; provided, however, that this clause (i) shall not apply to the extent the indemnity payment or Additional Amounts any Transferee, or Lender (or Transferee) through a New Lending Office, would be entitled to receive (without regard to this clause (i)) do not exceed the indemnity payment or Additional Amounts that the Person making the assignment, participation or transfer to such Transferee, or Lender (or Transferee) making the designation of such New Lending Office, would have been entitled to receive in the absence of such assignment, participation, transfer or designation, or (ii) the obligation to pay such Additional Amounts would not have arisen but for a failure by such Non-U.S. Lender to comply with the provisions of clause (d) above.

(f) The Administrative Agent shall deliver to the Borrower two executed copies of whichever of the following is applicable:

(i) if the Administrative Agent is a U.S. Person, IRS Form W- 9 certifying to such Administrative Agent's exemption from U.S. federal backup withholding; or

(ii) if the Administrative Agent is not a U.S. Person,

(A) IRS Form W-8ECI with respect to payments received for its own account; and

(B) IRS Form W-8IMY with respect to any amounts payable to the Administrative Agent for the account of others, certifying that it is a U.S. branch of a foreign bank or insurance company described in Regulations section 1.1441-1(b)(2)(iv)(A) that is a participating FFI (including a reporting Model 2 FFI), registered deemed-compliant FFI (including a reporting Model 1 FFI), or NFFE that is using this form as evidence of its agreement with the withholding agent to be treated as a U.S. Person with respect to any payments associated with this withholding certificate.

The Administrative Agent agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower in writing of its legal inability to do so.

(g) If any Lender or any Agent determines, in its sole judgment exercised in good faith, that it has received a refund of any Indemnified Taxes as to which it has been indemnified by any Loan Party or with respect to which any Loan Party has paid additional amounts pursuant to this Section 2.08, it shall pay to the Administrative Borrower an amount equal to such refund (but only the extent of indemnity payments made, or additional amounts paid, by the Loan Parties under this Section with respect to the Indemnified Taxes giving rise to such refund), net of all out-of-pocket expenses of such Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Administrative Borrower, upon the reasonable request of such Agent or such Lender, agrees to repay the amount paid over to the Administrative Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such Agent or such Lender in the event such Agent or such Lender is required to repay such refund to such Governmental Authority. This subsection shall not be construed to require any Agent or any Lender to make available its tax returns and any other information relating to its taxes that it deems confidential to any Borrower or any other Person.

(h) Any Agent or any Lender (or Transferee) claiming any indemnity payment or additional payment amounts payable pursuant to this Section 2.08 shall use reasonable efforts (consistent with legal and regulatory restrictions) to file any certificate or document reasonably requested in writing by the Administrative Borrower or to change the jurisdiction of its applicable lending office if the making of such a filing or change would avoid the need for or reduce the amount of any such indemnity payment or additional amount that may thereafter accrue, would not require such Agent or such Lender (or Transferee) to disclose any information such Agent or such Lender (or Transferee) deems confidential and would not, in the sole determination of such Agent or such Lender (or Transferee), be otherwise disadvantageous to such Agent or such Lender (or Transferee).

(i) The obligations of the Loan Parties under this Section 2.08 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

Section 2.09 LIBOR Option.

(a) In lieu of having interest charged at the rate based upon the Reference Rate, the Borrowers shall have the option (the "LIBOR Option") to have interest on all or a portion of the Loans be charged at a rate of interest based upon the LIBOR Rate. Each Interest Period of a LIBOR Rate Loan shall commence on the date such LIBOR Rate Loan is made and shall end on such date as the Borrowers may elect as set forth in Section 2.02(a) above; provided that the exact length of each Interest Period shall be determined in accordance with the practice of the interbank market for offshore Dollar deposits. If on the date that is three (3) Business Days prior to the last day of each Interest Period of a LIBOR Rate Loan, unless the Administrative Borrower otherwise instructs in accordance with the terms hereunder, the interest rate applicable to such LIBOR Rate Loan shall automatically continue at the LIBOR Rate for an additional period equal in length to such Interest Period. At the direction of the Required Lenders at any time that an Event of Default has occurred and is continuing, the Administrative Borrower no longer shall have the option to request that Loans bear interest at the LIBOR Rate and Administrative Agent shall have the right to convert the interest rate on all outstanding LIBOR Rate Loans to the rate then applicable to Reference Rate Loans hereunder.

(b) The Administrative Borrower shall elect the initial Interest Period applicable to a LIBOR Rate Loan by its Notice of Borrowing given to the Administrative Agent pursuant to Section 2.02(a) or by its notice of conversion given to the Administrative Agent pursuant toSection 2.09(c), as the case may be. The Administrative Borrower shall elect the duration of each succeeding Interest Period by giving irrevocable written notice to the Administrative Agent of such duration not later than 1:00 p.m. (New York time) on the day which is three (3) Business Days prior to the last day of the then current Interest Period applicable to such LIBOR Rate Loan. If the Administrative Agent does not receive timely notice of the Interest Period elected by the Administrative Borrower, the Administrative Borrower shall be deemed to have elected to convert such LIBOR Rate Loan to a Reference Rate Loan.

(c) The Administrative Borrower may, on any Business Day of the then current Interest Period applicable to any outstanding LIBOR Rate Loan, or on any Business Day with respect to Reference Rate Loans, convert any such loan into a loan of another type of loan (i.e., a Reference Rate Loan or a LIBOR Rate Loan) in the same aggregate principal amount, provided that any conversion of a LIBOR Rate Loan not made on the last Business Day of the then current Interest Period applicable to such LIBOR Rate Loan shall be subject to Section 2.09(e). If a Borrower desires to convert a Loan, such Borrower shall deliver to the Administrative Agent a LIBOR Notice by no later than 1:00 p.m. (New York time) (i) on the day which is three (3) Business Days' prior to the date on which such conversion is to occur with respect to a conversion from a Reference Rate Loan to a LIBOR Rate Loan, or (ii) on the day which is one (1) Business Day prior to the date on which such conversion is to occur with respect to a conversion from a LIBOR Rate Loan to a Reference Rate Loan, specifying, in each case, the date of such conversion, the Loans to be converted and if the conversion is from a Reference Rate Loan to a LIBOR Rate Loan, the duration of the first Interest Period therefor.

(d) In the event that any prepayment of a LIBOR Rate Loan is required or permitted on a date other than the last Business Day of the then current Interest Period with respect thereto, the Borrowers shall, jointly and severally, indemnify the Administrative Agent and Lenders therefor in accordance with Section 2.09(e).

(e) The Borrowers shall, jointly and severally, indemnify the Agents and Lenders and hold the Agents and Lenders harmless from and against any and all losses, costs or expenses, excluding the loss of any margin above the LIBOR Rates (such losses, costs and expenses, collectively, "Funding Losses"), that the Agents and Lenders may sustain or incur as a consequence of any mandatory or voluntary prepayment, conversion of or any default by the Borrowers in the payment of the principal of or interest on any LIBOR Rate Loan or failure by the Borrowers to complete a borrowing of, a prepayment of or conversion of or to a LIBOR Rate Loan after notice thereof has been given, including, but not limited to, any interest, excluding the loss of any margin above the LIBOR Rates, payable by the Agents or Lenders to lenders of funds obtained by it in order to make or maintain its LIBOR Rate Loans hereunder (it being agreed that the Agents and Lenders shall be entitled to such indemnification on such basis whether or not they have obtained such funds to make or maintain its LIBOR Rate Loans hereunder, to be calculated in accordance with customary banking practices). A certificate as to any additional amounts payable pursuant to the foregoing sentence submitted by any Agent or any Lender to the Borrowers shall be conclusive absent manifest error.

(f) Notwithstanding any other provision hereof, if any Requirement of Law or any change therein or in the interpretation or application thereof, shall make it unlawful for any Lender (for purposes of this subsection (f), the term "Lender" shall include any Lender and the office or branch where any Lender or any corporation or bank controlling such Lender makes or maintains any LIBOR Rate Loans) to make or maintain its LIBOR Rate Loans, the obligation of such Lender to make LIBOR Rate Loans hereunder shall forthwith be cancelled and the Borrowers shall, if any affected LIBOR Rate Loans are then outstanding, promptly and upon the reasonable request from the Administrative Agent, at the Borrowers' option, either pay all such affected LIBOR Rate Loans or convert such affected LIBOR Rate Loans into loans of another type. If any such payment or conversion of any LIBOR Rate Loan is made on a day that is not the last day of the Interest Period applicable to such LIBOR Rate Loan, the Borrowers shall pay the Administrative Agent, upon the Administrative Agent's reasonable request, such amount or amounts as may be necessary to compensate Lenders for any Funding Losses sustained or incurred by Lenders in respect of such LIBOR Rate Loan as a result of such payment or conversion, including (but not limited to) any interest or other amounts payable by Lenders to lenders of funds actually obtained by Lenders in order to make or maintain such LIBOR Rate Loan. A certificate as to any additional amounts that describes in reasonable detail the calculations thereof payable pursuant to the foregoing sentence submitted by Lenders to the Borrowers shall be conclusive absent manifest error.

(g) Subject to the last paragraph of the definition of "LIBOR Rate", in the event that any Agent shall have determined that:

(i) reasonable means do not exist for ascertaining the LIBOR Rate applicable pursuant to Section 2.02(a) for any Interest Period; or

(ii) Dollar deposits in the relevant amount and for the relevant maturity are not available in the London interbank LIBOR market, with respect to an outstanding LIBOR Rate Loan, a proposed LIBOR Rate Loan, or a proposed conversion of a Reference Rate Loan into a LIBOR Rate Loan,

then Administrative Agent shall give the Administrative Borrower prompt written, telephonic or facsimile notice of such determination. If such notice is given, (i) any such requested LIBOR Rate Loan shall be made as a Reference Rate Loan, unless the Administrative Borrower shall notify the Administrative Agent no later than 1:00 p.m. (New York time) two (2) Business Days prior to the date of such proposed borrowing, that its request for such borrowing shall be cancelled or made as an unaffected type of LIBOR Rate Loan, (ii) any Reference Rate Loan or LIBOR Rate Loan which was to have been converted to an affected type of LIBOR Rate Loan shall be continued as or converted into a Reference Rate Loan, or, if the Administrative Borrower shall notify the Administrative Agent, no later than 11:00 a.m. (New York time) two (2) Business Days prior to the proposed conversion, shall be maintained as an unaffected type of LIBOR Rate Loan, and (iii) any outstanding affected LIBOR Rate Loans shall be converted into a Reference Rate Loan, or, if the Administrative Borrower shall notify Administrative Agent, no later than 11:00 a.m. (New York time) two (2) Business Days prior to the last Business Day of the then current Interest Period applicable to such affected LIBOR Rate Loan, shall be converted into an unaffected type of LIBOR Rate Loan, on the last Business Day of the then current Interest Period for such affected LIBOR Rate Loans. Until such notice has been withdrawn, Lenders shall have no obligation to make an affected type of LIBOR Rate Loan or maintain outstanding affected LIBOR Rate Loans and the Borrowers shall not have the right to convert a Reference Rate Loan or an unaffected type of LIBOR Rate Loan into an affected type of LIBOR Rate Loan.

(h) Anything to the contrary contained herein notwithstanding, neither any Agent nor any Lender, nor any of their participants, is required actually to acquire LIBOR deposits to fund or otherwise match fund any Obligation as to which interest accrues at the LIBOR Rate. The provisions of this ARTICLE II shall apply as if each Lender or its participants had match funded any Obligation as to which interest is accruing at the LIBOR Rate by acquiring LIBOR deposits for each Interest Period in the amount of the LIBOR Rate Loans.

(i)

(i) If any Lender requests compensation or if any Borrower is required to pay any additional amount to any Lender or if any Borrower is required to pay any additional interest or other amount to any Lender hereunder (each, a "Required Amount"), then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable hereunder in the future, (ii) would not subject such Lender to any unreimbursed cost or expense, and (iii) would not otherwise be materially disadvantageous to such Lender.

(ii) If any Lender requires the Borrower to pay any Required Amounts and such Lender has declined or is unable to designate a different lending office in accordance with clause (a) above, or if any Lender is a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent,

require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 12.07), all of its interests, rights and obligations under this Agreement and the other Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that:

(A) the Borrower shall have paid to the Agents any assignment fees specified in Section 12.07;

(B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts); and

(C) such assignment does not conflict with applicable law.

Prior to the effective date of such assignment, the assigning Lender shall execute and deliver an Assignment and Acceptance, subject only to the conditions set forth above. If the assigning Lender shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such assignment, the assigning Lender shall be deemed to have executed and delivered such Assignment and Acceptance. Any such assignment shall be made in accordance with the terms of Section 12.07. A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

ARTICLE III

[Intentionally Omitted].

ARTICLE IV

PAYMENTS AND OTHER COMPENSATION

Section 4.01 [Intentionally Omitted].

Section 4.02 Payments; Computations and Statements. (a) The Borrowers will make each payment under this Agreement not later than 1:00 p.m. (New York time) on the day when due, in lawful money of the United States of America and in immediately available funds, to the Administrative Agent's Account. All payments received by the Administrative Agent after 1:00 p.m. (New York time) on any Business Day will be credited to the Loan Account on the next succeeding Business Day. All payments shall be made by the Borrowers without set-off, counterclaim, deduction or other defense to the Agents and the Lenders. Except as provided in Section 2.02, after receipt, the Administrative Agent will promptly thereafter cause to be distributed like funds relating to the payment of principal ratably to the Lenders in accordance with their Pro Rata Shares and like funds relating to the payment of any other amount payable to

any Lender to such Lender, in each case to be applied in accordance with the terms of this Agreement, provided that the Administrative Agent will cause to be distributed all interest and fees received from or for the account of the Borrowers not less than once each month and in any event promptly after receipt thereof. The Lenders and the Borrowers hereby authorize the Administrative Agent to, and the Administrative Agent may, from time to time during the existence of an Event of Default, charge the Loan Account of the Borrowers with any amount due and payable by the Borrowers under any Loan Document. Any amount charged to the Loan Account of the Borrowers shall be deemed a Revolving Loan hereunder made by the Revolving Loan Lenders to the Borrowers, funded by the Administrative Agent on behalf of the Revolving Loan Lenders and subject to Section 2.02 of this Agreement. Whenever any payment to be made under any such Loan Document shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall in such case be included in the computation of interest or fees, as the case may be. All computations of fees shall be made by the Administrative Agent on the basis of a year of 360 days for the actual number of days (including the first day but excluding the last day) occurring in the period for which such fees are payable. Each determination by the Administrative Agent of an interest rate or fees hereunder shall be conclusive and binding for all purposes in the absence of manifest error.

(b) The Administrative Agent shall provide the Administrative Borrower, promptly after the end of each calendar month, a summary statement (in the form from time to time used by the Administrative Agent) of the opening and closing daily balances in the Loan Account of the Borrowers during such month, the amounts and dates of all Loans made to the Borrowers during such month, the amounts and dates of all payments on account of the Loans to the Borrowers during such month and the Loans to which such payments were applied, the amount of interest accrued on the Loans to the Borrowers during such month, the amounts and dates of all Loans made to the Borrowers during such month, and the amount and nature of any charges to the Loan Account made during such month on account of fees, commissions, expenses and other Obligations. All entries on any such statement shall be presumed to be correct and, thirty (30) days after the same is sent, shall be final and conclusive absent manifest error.

Section 4.03 Sharing of Payments, Defaulting Lenders, Etc.

(a) The Administrative Agent shall not be obligated to transfer to a Defaulting Lender any payments made by any Borrower to the Administrative Agent for the Defaulting Lender's benefit, and, in the absence of such transfer to the Defaulting Lender, the Administrative Agent shall transfer any such payments to each other non-Defaulting Lender ratably in accordance with their Commitments (but only to the extent that such Defaulting Lender's Loan was funded by the other Lenders) or, if so directed by the Borrowers and if no Default or Event of Default has occurred and is continuing (and to the extent such Defaulting Lender's Loan was not funded by the other Lenders), retain the same to be re-advanced to the Borrowers as if such Defaulting Lender had made such Loans to the Borrowers. Subject to the foregoing, the Administrative Agent may hold and, in its discretion, re-lend to the Borrowers for the account of such Defaulting Lender the amount of all such payments received and retained by the Administrative Agent for the account of such Defaulting Lender. This Section shall remain effective with respect to such Lender until (x) the Obligations (other than unasserted contingent

indemnification Obligations) under this Agreement shall have been declared or shall have become immediately due and payable, (y) the non-Defaulting Lenders, the Administrative Agent, and the Borrowers shall have waived such Defaulting Lender's default in writing, or (z) the Defaulting Lender makes its Pro Rata Share of the applicable defaulted Loan and pays to the Administrative Agent all amounts owing by such Defaulting Lender in respect thereof. The operation of this Section shall not be construed to increase or otherwise affect the Commitment of any Lender, to relieve or excuse the performance by such Defaulting Lender or any other Lender of its duties and obligations hereunder, or to relieve or excuse the performance by the Borrowers of its duties and obligations hereunder to the Administrative Agent or to the Lenders other than such Defaulting Lender. Any such failure to fund by any Defaulting Lender shall constitute a material breach by such Defaulting Lender of this Agreement and shall entitle the Borrowers at their option, subject to the written consent of the Collateral Agent (which consent shall not be unreasonably withheld), to permanently replace the Defaulting Lender with one or more substitute Lenders (each, a "Replacement Lender"), and the Defaulting Lender shall have no right to refuse to be replaced hereunder. Notice from the Borrowers to the Agents effecting their right to replace the Defaulting Lender shall specify an effective date for such replacement, which date shall not be later than fifteen (15) Business Days after the date such notice is given. Prior to the effective date of such replacement, the Defaulting Lender and each Replacement Lender shall execute and deliver an Assignment and Acceptance, subject only to the Defaulting Lender being repaid its share of the outstanding Obligations without any premium or penalty of any kind whatsoever. If the Defaulting Lender shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, the Defaulting Lender shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Defaulting Lender shall be made in accordance with the terms of Section 12.07(b). Any such assumption of the Commitment of such Defaulting Lender shall not be deemed to constitute a waiver of any of the Lenders' or the Borrowers' rights or remedies against any such Defaulting Lender arising out of or in relation to such failure to fund.

(b) Except as provided in Section 2.02 or Section 12.07, if any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) on account of any Obligation in excess of its ratable share of payments on account of similar obligations obtained by all the Lenders, such Lender shall forthwith purchase from the other Lenders such participations in such similar obligations held by them as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; provided, however, that if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each Lender shall be rescinded and such Lender shall repay to the purchasing Lender the purchase price to the extent of such recovery together with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender of any interest or other amount paid by the purchasing Lender in respect of the total amount so recovered); provided, the provisions of this Section 4.03(b) shall not be construed to apply to any payment made by or on behalf of any Borrower pursuant to and in accordance with the terms of this Agreement (including, without limitation, as provided in Section 2.05 and the application of funds arising from the existence of a Defaulting Lender) The Borrowers agree that any Lender so purchasing a participation from another Lender pursuant to this Section 4.03(b) may, to the fullest extent permitted by law, exercise all of its rights (including the Lender's right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of the Borrowers in the amount of such participation.

Section 4.04 Apportionment of Payments. Subject to Section 2.02 or Section 12.07 hereof and to any written agreement among the Agents and/or the Lenders:

(a) all payments of principal and interest in respect of outstanding Loans, all payments of fees (other than the fees set forth in Sections 2.06 and 7.01(f) hereof) and all other payments in respect of any other Obligations, shall be allocated by the Administrative Agent among such of the Lenders as are entitled thereto, in proportion to their respective Pro Rata Shares or otherwise as provided herein or, in respect of payments not made on account of Loans, as designated by the Person making payment when the payment is made.

(b) After the occurrence and during the continuance of an Event of Default, the Administrative Agent may, and upon the direction of the Required Lenders shall, apply all proceeds of the Collateral, subject to the provisions of this Agreement, (i) first, ratably to pay the Obligations in respect of any fees, expense reimbursements, indemnities and other amounts then due and payable to the Agents until paid in full; (ii) second, ratably to pay interest then due and payable in respect of the Agent Advances until paid in full; (iii) third, ratably to pay principal of the Agent Advances until paid in full; (iv) fourth, ratably to pay the Obligations in respect of any fees (other than any Applicable Prepayment Premium) and indemnities then due and payable to the Lenders until paid in full; (v) fifth, ratably to pay interest then due and payable in respect of the Loans until paid in full; (vi) sixth, ratably to pay principal of the Loans until paid in full; (vii) seventh, ratably to pay the Obligations in respect of any Applicable Prepayment Premium then due and payable to the Lenders until paid in full; and (viii) eighth, to the ratable payment of all other Obligations then due and payable.

(c) In each instance, so long as no Event of Default has occurred and is continuing, Section 4.04(b) shall not be deemed to apply to any payment by the Borrowers specified by the Administrative Borrower to the Administrative Agent to be for the payment of Term Loan Obligations then due and payable under any provision of this Agreement or the prepayment of all or part of the principal of the Term Loans in accordance with the terms and conditions of Section 2.05.

(d) For purposes of Section 4.04(b), (other than clause (viii)), "paid in full" means payment in cash of all amounts owing under the Loan Documents according to the terms thereof, including loan fees, service fees, professional fees, interest (and specifically including interest accrued after the commencement of any Insolvency Proceeding), default interest, interest on interest, and expense reimbursements, whether or not same would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding, except to the extent that default or overdue interest (but not any other interest) and loan fees, each arising from or related to a default, are disallowed in any Insolvency Proceeding; provided, however, that for the purposes of clause (viii), "paid in full" means payment in cash of all amounts owing under the Loan Documents according to the terms thereof, including loan fees, service fees, professional fees, interest (and specifically including interest accrued after the commencement of any Insolvency Proceeding), default interest, interest on interest, and expense reimbursements, whether or not the same would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding.

(e) In the event of a direct conflict between the priority provisions of this Section 4.04 and other provisions contained in any other Loan Document, it is the intention of the parties hereto that both such priority provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 4.04 shall control and govern.

Section 4.05 Increased Costs and Reduced Return. (a) If any Lender or any Agent shall have determined that a Change in Law, shall (i) subject such Agent or such Lender, or any Person controlling such Agent or such Lender, to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, (ii) impose, modify or deem applicable any reserve, special deposit or similar requirement against any Loan or against assets of or held by, or deposits with or for the account of, or credit extended by, such Agent or such Lender or any Person controlling such Agent or such Lender or (iii) impose on such Agent or such Lender or any Person controlling such Agent or such Lender any other condition regarding this Agreement or any Loan, and the result of any event referred to in clauses (i), (ii) or (iii) above shall be to increase the cost to such Agent or such Lender of making any Loan, or agreeing to make any Loan, or to reduce any amount received or receivable by such Agent or such Lender hereunder, then, within twenty (20) days after receipt by the Administrative Borrower from such Agent or such Lender of the certificate required under Section 4.05(c), the Borrowers shall pay to such Agent or such Lender such additional amounts as will compensate such Agent or such for such increased costs or reductions in amounts received or receivable.

(b) If any Agent or any Lender shall have determined that any Change in Law either (i) affects or would affect the amount of capital required or expected to be maintained by such Agent or such Lender or any Person controlling such Agent or such Lender, and such Agent or such Lender determines that the amount of such capital is increased as a direct or indirect consequence of any Loans made or maintained, such Agent's or such Lender's or such other controlling Person's other obligations hereunder, or (ii) has or would have the effect of reducing the rate of return on such Agent's or such Lender's or such other controlling Person's capital to a level below that which such Agent or such Lender or such controlling Person could have achieved but for such circumstances as a consequence of any Loans made or maintained, or any guaranty or participation with respect thereto or any agreement to make Loans, or such Agent's, or such Lender's or such other controlling Person's other obligations hereunder (in each case, taking into consideration, such Agent's or such Lender's or such other controlling Person's policies with respect to capital adequacy), then, within twenty (20) days after receipt by the Administrative Borrower from such Agent or such Lender of the certificate required under Section 4.05(c), the Borrowers shall pay to such Agent or such Lender for such cost of maintaining such increased capital or such reduction in the rate of return on such Agent's or such Lender's or such other controlling Person's capital.

(c) All amounts payable under this Section 4.05 shall bear interest from the date that is twenty (20) days after the date of demand by any Agent or any Lender until payment in full to such Agent or such Lender at the Reference Rate. A certificate of such Agent or such Lender claiming compensation under this Section 4.05, specifying the event herein above described and the nature of such event shall be submitted by such Agent or such Lender to the Administrative Borrower, setting forth the additional amount due and an explanation of the calculation thereof in reasonable detail, and such Agent's or such Lender's reasons for invoking the provisions of this Section 4.05, and shall be final and conclusive absent manifest error; provided that any such certificate claiming amounts described in clause (i) or (ii) of the proviso set forth in the definition of Change in Law shall, in addition, state the basis upon which such amount has been calculated and certify that such Agent's or Lender's method of allocating such costs is fair and reasonable and that such Agent's or Lender's demand for payment of such costs hereunder, and such method of allocation, is not inconsistent with its treatment of other borrowers which, as a credit matter, are substantially similar to the Borrowers and which are subject to similar provisions.

(d) If any Lender or Agent becomes entitled to claim any additional amounts pursuant to this Section, it shall promptly notify the Loan Parties of the event by reason of which it has become so entitled; provided that the Loan Parties shall not be required to compensate a Lender or Agent pursuant to this paragraph for any amounts incurred more than six months prior to the date that such Lender or Agent notifies the Loan Parties of such Lender's or Agent's intention to claim compensation therefor in accordance with Section 4.05(c); provided further that, if the circumstances giving rise to such claim have a retroactive effect, then such six-month period shall be extended to include the period of such retroactive effect.

(e) If any Lender or Agent requests compensation or if any Borrower is required to pay any additional amount to any Lender or Agent or if any Borrower is required to pay any additional interest or other amount to any Lender or Agent hereunder, then such Lender or Agent shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender or Agent such designation or assignment (i) would eliminate or reduce amounts payable hereunder in the future, (ii) would not subject such Lender or Agent to any unreimbursed cost or expense, and (iii) would not otherwise be materially disadvantageous to such Lender or Agent.

Section 4.06 Joint and Several Liability of the Borrowers. (a) Notwithstanding anything in this Agreement or any other Loan Document to the contrary, each of the Borrowers hereby accepts joint and several liability hereunder and under the other Loan Documents in consideration of the financial accommodations to be provided by the Agents and the Lenders under this Agreement and the other Loan Documents, for the mutual benefit, directly and indirectly, of each of the Borrowers and in consideration of the undertakings of the other Borrowers to accept joint and several liability for the Obligations. Each of the Borrowers, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrowers, with respect to the payment and performance of all of the Obligations (including, without limitation, any Obligations arising under this Section 4.06), it being the intention of the parties hereto that all of the Obligations shall be the joint and several obligations of each of the Borrowers without preferences or

distinction among them. If and to the extent that any of the Borrowers shall fail to make any payment with respect to any of the Obligations as and when due or to perform any of the Obligations in accordance with the terms thereof, then in each such event, the other Borrowers will make such payment with respect to, or perform, such Obligation. Subject to the terms and conditions hereof, the Obligations of each of the Borrowers under the provisions of this Section4.06 constitute the absolute and unconditional, full recourse Obligations of each of the Borrowers, enforceable against each such Person to the full extent of its properties and assets, irrespective of the validity, regularity or enforceability of this Agreement, the other Loan Documents or any other circumstances whatsoever.

(b) The provisions of this Section 4.06 are made for the benefit of the Agents, the Lenders and their successors and assigns, and may be enforced by them from time to time against any or all of the Borrowers as often as occasion therefor may arise and without requirement on the part of the Agents, the Lenders or such successors or assigns first to marshal any of its or their claims or to exercise any of its or their rights against any of the other Borrowers or to exhaust any remedies available to it or them against any of the other Borrowers or to resort to any other source or means of obtaining payment of any of the Obligations hereunder or to elect any other remedy. The provisions of this Section 4.06 shall remain in effect until all of the Obligations (other than unasserted contingent indemnification Obligations) shall have been paid in full or otherwise fully satisfied.

(c) Each of the Borrowers hereby agrees that it will not enforce any of its rights of contribution or subrogation against the other Borrowers with respect to any liability incurred by it hereunder or under any of the other Loan Documents, any payments made by it to the Agents or the Lenders with respect to any of the Obligations or any Collateral, until such time as all of the Obligations (other than unasserted contingent indemnification Obligations) have been paid in full in cash. Any claim which any Borrower may have against any other Borrower with respect to any payments to the Agents or the Lenders hereunder or under any other Loan Documents are hereby expressly made subordinate and junior in right of payment, without limitation as to any increases in the Obligations arising hereunder or thereunder, to the prior payment in full in cash of the Obligations (other than unasserted contingent indemnification Obligations).

ARTICLE V

CONDITIONS TO LOANS

Section 5.01 Conditions Precedent to Effectiveness. This Agreement shall become effective as of the Effective Date when each of the following conditions precedent shall have been satisfied (or waived) in a manner reasonably satisfactory to the Agents:

Section 9.02 Cure Right. In the event that the Borrowers fail to comply with the requirements of the financial covenant set forth in Section 7.03 (a "Curable Default"), until the expiration of the 10th Business Day after the date on which financial statements are required to be delivered with respect to the applicable fiscal quarter (the "Required Contribution Date"), (i) the Parent shall have the right to issue Permitted Cure Equity for cash or otherwise receive cash contributions to the capital of the Parent, and, in each case, to contribute any such contributions to the capital of the Borrowers or (ii) the Loan Parties and/or their Permitted Holders cause a contribution to be made in the form of Subordinated Indebtedness issued by any Loan Party, and in each case with respect to clauses (i) and (ii), apply the amount of the proceeds thereof to increase Consolidated EBITDA with respect to such applicable quarter (the "Cure Right"); provided that (a) such proceeds are actually received by the Borrowers no later than 10 Business Days after the date on which financial statements are required to be delivered with respect to such fiscal quarter hereunder, (b) such proceeds do not exceed the aggregate amount necessary to cure (by addition to Consolidated EBITDA) such Event of Default under Section 7.03 for such period, (c) the Cure Right shall not be exercised more than two times in any four fiscal quarter period and five times during the term of the Loans, (d) the Cure Right shall not be exercised in consecutive fiscal quarters, (e) such proceeds (1) for any individual Cure Right shall not exceed 20% of Consolidated EBITDA for the most recent trailing four fiscal quarter period for which financial statements and a Compliance Certificate have been delivered pursuant to Section 7.01(a)(i) and (iv) and (2) in the aggregate for all Cure Rights during the term of this Agreement shall not exceed $10,000,000, and (f) such proceeds shall be applied to prepay the Loans in accordance with Section 2.05(c)(ix). Until the Required Contribution Date, neither Agent nor any Lender shall impose the Post-Default Rate, accelerate the Obligations, terminate the Revolving Credit Commitment or exercise any enforcement remedy against the Loan Parties or any of their Subsidiaries or any of their respective properties solely as a result of the existence of the applicable Curable Default. If, after giving effect to the foregoing pro forma adjustment (but not, for the avoidance of doubt, giving pro forma adjustment to any repayment of Indebtedness in connection therewith), the Borrowers are in compliance with the financial covenant set forth in Section 7.03, the Borrowers shall be deemed to have satisfied the requirements of such Section as of the relevant date of determination with the same effect as though there had been no failure to comply on such date, and the applicable breach or default of such Section 7.03 that had occurred shall be deemed cured for purposes of this Agreement. The parties hereby acknowledge that this Section may not be relied on for purposes of calculating any financial ratios other than as applicable to Section 7.03 and shall not result in any adjustment to any amounts other than the amount of the Consolidated EBITDA referred to in the immediately preceding sentence; provided that such adjustment to the amount of the Consolidated EBITDA shall apply to subsequent calculations under Section 7.03 measuring such fiscal quarter with respect to which the Cure Right was exercised.

As to any matters not expressly provided for by this Agreement and the other Loan Documents (including, without limitation, enforcement or collection of the Loans), the Agents shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Required Lenders, and such instructions of the Required Lenders shall be binding upon all Lenders and all makers of Loans; provided, however, that the Agents shall not be required to take any action which, in the reasonable opinion of any Agent, exposes such Agent to liability or which is contrary to this Agreement or any other Loan Document or applicable law.

Section 10.02 Nature of Duties; Delegation. (a) The Agents shall have no duties or responsibilities except those expressly set forth in this Agreement or in the other Loan Documents. The duties of the Agents shall be mechanical and administrative in nature. Nothing in this Agreement or any other Loan Document, express or implied, is intended to or shall be construed to impose upon the Agents any obligations in respect of this Agreement or any other Loan Document except as expressly set forth herein or therein. Each Lender shall make its own independent investigation of the financial condition and affairs of the Loan Parties in connection with the making and the continuance of the Loans hereunder and shall make its own appraisal of the creditworthiness of the Loan Parties and the value of the Collateral without reliance upon the Administrative Agent or any other Lender or any of their Related Parties, and neither the Agents nor any of their Related Parties shall have any duty or responsibility, either initially or on a continuing basis, to provide any Lender with any credit or other information with respect thereto, whether coming into their possession before the initial Loan hereunder or at any time or times thereafter, provided that, upon the reasonable request of a Lender, each Agent shall provide to such Lender any documents or reports delivered to such Agent by the Loan Parties pursuant to the terms of this Agreement or any other Loan Document. If any Agent seeks the consent or approval of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) to the taking or refraining from taking any action hereunder, such Agent shall send notice thereof to each Lender. Each Agent shall promptly notify each Lender any time that the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) have instructed such Agent to act or refrain from acting pursuant hereto.

(b) Each Agent may, upon any term or condition it specifies, delegate or exercise any of its rights, powers and remedies under, and delegate or perform any of its duties or any other action with respect to, any Loan Document by or through any of its Related Parties or any other trustee, co-agent or Person (including any Lender). Any such Related Party, trustee,co-agent and other Person shall benefit from this ARTICLE X to the extent provided by the applicable Agent.

Section 10.03 Rights, Exculpation, Etc. The Agents and their Related Parties shall not be liable for any action taken or omitted to be taken by them under or in connection with this Agreement or the other Loan Documents, except for their own gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction. Without limiting the generality of the foregoing, the Agents (i) may treat the payee of any Loan as the owner thereof until the Agents receive written notice of the assignment or transfer thereof, pursuant to Section 12.07 hereof, signed by such payee and in form reasonably satisfactory to the Agents; (ii) may consult with legal counsel (including, without limitation, counsel to any Agent or counsel to the Loan Parties), independent public accountants, and other experts selected by any of them and shall not be liable for any action taken or omitted to be taken in good faith by any of them in accordance with the advice of such counsel or experts; (iii) make no warranty or representation to any Lender and shall not be responsible to any Lender for any statements, certificates, warranties or representations made in or in connection with this Agreement or the other Loan Documents; (iv) shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this

Agreement or the other Loan Documents on the part of any Person, the existence or possible existence of any Default or Event of Default, or to inspect the Collateral or other property (including, without limitation, the books and records) of any Person; (v) shall not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or the other Loan Documents or any other instrument or document furnished pursuant hereto or thereto; and (vi) shall not be deemed to have made any representation or warranty regarding the existence, value or collectibility of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Agents be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral. The Agents shall not be liable for any apportionment or distribution of payments made in good faith pursuant to Section 4.04, and if any such apportionment or distribution is subsequently determined to have been made in error the sole recourse of any Lender to whom payment was due but not made, shall be to recover from other Lenders any payment in excess of the amount which they are determined to be entitled. The Agents may at any time request instructions from the Lenders with respect to any actions or approvals which by the terms of this Agreement or of any of the other Loan Documents the Agents are permitted or required to take or to grant, and if such instructions are promptly requested, the Agents shall be absolutely entitled to refrain from taking any action or to withhold any approval under any of the Loan Documents until they shall have received such instructions from the Required Lenders (unless unanimity is required). Without limiting the foregoing, no Lender shall have any right of action whatsoever against any Agent as a result of such Agent acting or refraining from acting under this Agreement or any of the other Loan Documents in accordance with the instructions of the Required Lenders (unless unanimity is required).

Section 10.04 Reliance. Each Agent shall be entitled to rely upon any written notices, statements, certificates, orders or other documents or any telephone message believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person, and with respect to all matters pertaining to this Agreement or any of the other Loan Documents and its duties hereunder or thereunder, upon advice of counsel selected by it.

Section 10.05 Indemnification. To the extent that any Agent or any Related Party of the foregoing is not reimbursed and indemnified by any Loan Party, the Lenders will reimburse and indemnify such Agent and such Related Parties from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, advances or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against such Agent and such Related Parties in any way relating to or arising out of this Agreement or any of the other Loan Documents or any action taken or omitted by such Agent and such Related Parties under this Agreement or any of the other Loan Documents, in proportion to each Lender's Pro Rata Share (including, for the avoidance of doubt, that such Pro Rata Share shall include the Affiliated Lender's share of Loans held or deemed to be held by such Affiliated Lender), including, without limitation, advances and disbursements made pursuant to Section 10.08; provided, however, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, advances or disbursements for which there has been a final non-appealable judicial determination that such liability resulted from such Agent's or such Related Parties gross negligence or willful misconduct. The obligations of the Lenders under this Section 10.05 shall survive the payment in full of the Loans and the termination of this Agreement.

Section 10.06 Agents Individually. With respect to its Pro Rata Share of the Total Commitment hereunder and the Loans made by it, each Agent shall have and may exercise the same rights and powers hereunder and is subject to the same obligations and liabilities as and to the extent set forth herein, any other Lender or maker of a Loan. The terms "Lenders" or "Required Lenders" or any similar terms shall, unless the context clearly otherwise indicates, include each Agent in its individual capacity as a Lender or one of the Required Lenders. Each Agent and its Affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, trust or other business with any Borrower as if it were not acting as an Agent pursuant hereto without any duty to account to the other Lenders.

Section 10.07 Successor Agent. (a) Any Agent may at any time give at least 30 days prior written notice of its resignation to the Lenders and the Administrative Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Administrative Borrower, to appoint a successor Agent. If no such successor Agent shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "Resignation Effective Date"), then the retiring Agent may (but shall not be obligated to), on behalf of the Lenders, appoint a successor Agent. Whether or not a successor Agent has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(b) With effect from the Resignation Effective Date, (i) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any Collateral held by such Agent on behalf of the Lenders under any of the Loan Documents, the retiring Agent shall continue to hold such collateral security until such time as a successor Agent is appointed) and (ii) all payments, communications and determinations provided to be made by, to or through such retiring Agent shall instead be made by or to each Lender directly, until such time, if any, as a successor Agent shall have been appointed as provided for above. Upon the acceptance of a successor's Agent's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article, Section 12.04 and Section 12.05 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by it while the retiring Agent was acting as Agent.

Section 10.08 Collateral Matters.

(a) Either Agent may from time to time while an Event of Default has occurred and is continuing make such disbursements and advances ("Agent Advances") which such Agent, in its sole discretion, deems necessary or desirable to preserve, protect, prepare for sale or lease or dispose of the Collateral or any portion thereof, to enhance the likelihood or maximize the amount of repayment by the Borrowers of the Loans and other Obligations or to

pay any other amount chargeable to the Borrowers pursuant to the terms of this Agreement, including, without limitation, costs, fees and expenses as described in Section 12.04; provided that the aggregate outstanding amount of the Agent Advances shall not exceed $2,000,000 at any time. The Agent Advances shall be repayable on demand and be secured by the Collateral and shall bear interest at a rate per annum equal to the rate then applicable to Revolving Loans that are Reference Rate Loans. The Agent Advances shall constitute Obligations hereunder which may be charged to the Loan Account in accordance with Section 4.02. Each Agent making an Agent Advance shall notify the other Agent, each Lender and the Administrative Borrower in writing of each such Agent Advance, which notice shall include a description of the purpose of such Agent Advance. Without limitation to its obligations pursuant to Section 10.05, each Lender agrees that it shall make available to such Agent, upon such Agent's demand, in Dollars in immediately available funds, the amount equal to such Lender's Pro Rata Share of each such Agent Advance. If such funds are not made available to such Agent by such Lender, such Agent shall be entitled to recover such funds on demand from such Lender, together with interest thereon for each day from the date such payment was due until the date such amount is paid to such Agent, at the Federal Funds Effective Rate for three (3) Business Days and thereafter at the Reference Rate.

(b) The Lenders hereby irrevocably authorize the Collateral Agent to (1) release any Lien granted to or held by the Collateral Agent upon any Collateral (i) in accordance with the express terms of the Loan Documents; (ii) upon termination of the Total Commitment and payment and satisfaction of all Loans and all other Obligations in accordance with the terms hereof; or (iii) (x) constituting property being sold or disposed of in the ordinary course of any Loan Party's business and otherwise in compliance with the terms of this Agreement and the other Loan Documents; (y) constituting property in which the Loan Parties owned no interest at the time the Lien was granted or at any time thereafter; or (z) if approved, authorized or ratified in writing by the Lenders or (2) subordinate any Lien on any property granted to or sold by the Collateral Agent to the holder of any Lien on property that is permitted to be subordinated pursuant to the definition of "Permitted Liens". Upon request by the Collateral Agent at any time, the Lenders shall confirm in writing the Collateral Agent's authority to release or subordinate particular types or items of Collateral pursuant to this Section 10.08(b).

(c) Without in any manner limiting the Collateral Agent's authority to act without any specific or further authorization or consent by the Lenders (as set forth in Section 10.08(b)), each Lender agrees to confirm in writing, upon request by the Collateral Agent, the authority to release or subordinate Collateral conferred upon the Collateral Agent under Section 10.08(b). Upon receipt by the Collateral Agent of confirmation from the Lenders of its authority to release or subordinate any particular item or types of Collateral, and upon prior written request by any Loan Party, the Collateral Agent shall (and is hereby irrevocably authorized by the Lenders to) execute such documents as may be necessary to evidence the release of the Liens granted to the Collateral Agent for the benefit of the Agents and the Lenders upon such Collateral; provided, however, that (i) the Collateral Agent shall not be required to execute any such document on terms which, in the Collateral Agent's opinion, would expose the Collateral Agent to liability or create any obligations or entail any consequence other than the release of such Liens without recourse or warranty, and (ii) such release shall not in any manner discharge, affect or impair the Obligations or any Lien upon (or obligations of any Loan Party in respect of) all interests in the Collateral retained by any Loan Party.

(d) Anything contained in any of the Loan Documents to the contrary notwithstanding, the Loan Parties, each Agent and each Lender hereby agree that (i) no Lender shall have any right individually to realize upon any of the Collateral under any Loan Document or to enforce any Guaranty, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Collateral Agent for the benefit of the Lenders in accordance with the terms thereof, (ii) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale, the Administrative Agent, the Collateral Agent or any Lender may be the purchaser of any or all of such Collateral at any such sale and (iii) the Collateral Agent, as agent for and representative of the Agents and the Lenders (but not any other Agent or any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing) shall be entitled (either directly or through one or more acquisition vehicles) for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral to be sold (A) at any public or private sale, (B) at any sale conducted by the Collateral Agent under the provisions of the Uniform Commercial Code (including pursuant to Sections 9-610 or 9-620 of the Uniform Commercial Code), (C) at any sale or foreclosure conducted by the Collateral Agent (whether by judicial action or otherwise) in accordance with applicable law or (D) any sale conducted pursuant to the provisions of any Debtor Relief Law (including Section 363 of the Bankruptcy Code), to use and apply all or any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Collateral Agent at such sale.

(e) The Collateral Agent shall have no obligation whatsoever to any Lender to assure that the Collateral exists or is owned by the Loan Parties or is cared for, protected or insured or has been encumbered or that the Lien granted to the Collateral Agent pursuant to this Agreement or any other Loan Document has been properly or sufficiently or lawfully created, perfected, protected or enforced or is entitled to any particular priority, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 10.08 or in any other Loan Document, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, given the Collateral Agent's own interest in the Collateral as one of the Lenders and that the Collateral Agent shall have no duty or liability whatsoever to any other Lender, except as otherwise provided herein.

Section 10.09 Agency for Perfection. Each Agent and each Lender hereby appoints each other Agent and each other Lender as agent and bailee for the purpose of perfecting the security interests in and liens upon the Collateral in assets which, in accordance with Article 9 of the Uniform Commercial Code, can be perfected only by possession or control (or where the security interest of a secured party with possession or control has priority over the security interest of another secured party) and each Agent and each Lender hereby acknowledges that it holds possession of or otherwise controls any such Collateral for the benefit of the Agents and the Lenders as secured party. Should the Administrative Agent or any Lender obtain possession or control of any such Collateral, the Administrative Agent or such Lender shall

notify the Collateral Agent thereof, and, promptly upon the Collateral Agent's request therefor shall deliver such Collateral to the Collateral Agent or in accordance with the Collateral Agent's instructions. In addition, the Collateral Agent shall also have the power and authority hereunder to appoint such other sub-agents as may be necessary or required under applicable state law or otherwise to perform its duties and enforce its rights with respect to the Collateral and under the Loan Documents. Each Loan Party by its execution and delivery of this Agreement hereby consents to the foregoing.

Section 10.10 No Reliance on any Agent's Customer Identification Program. Each Lender acknowledges and agrees that neither such Lender, nor any of its Affiliates, participants or assignees, may rely on any Agent to carry out such Lender's, Affiliate's, participant's or assignee's customer identification program, or other requirements imposed by the USA PATRIOT Act or the regulations issued thereunder, including the regulations set forth in 31 C.F.R. §§ 1010.100(yy), (iii), 1020.100, and 1020.220 (formerly 31 C.F.R. § 103.121), as hereafter amended or replaced ("CIP Regulations"), or any other Anti-Money Laundering and Anti-Terrorism Laws, including any programs involving any of the following items relating to or in connection with any of the Loan Parties, their Affiliates or their agents, the Loan Documents or the transactions hereunder or contemplated hereby: (1) any identity verification procedures, (2) any recordkeeping, (3) comparisons with government lists, (4) customer notices or (5) other procedures required under the CIP Regulations or other regulations issued under the USA PATRIOT Act. Each Lender, Affiliate, participant or assignee subject to Section 326 of the USA PATRIOT Act will perform the measures necessary to satisfy its own responsibilities under the CIP Regulations.

Section 10.11 No Third Party Beneficiaries. The provisions of this Article are solely for the benefit of the Secured Parties (including each Affiliated Lender), and no Loan Party shall have rights as a third-party beneficiary of any of such provisions.

Section 10.12 No Fiduciary Relationship. It is understood and agreed that the use of the term "agent" herein or in any other Loan Document (or any other similar term) with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

By becoming a party to this Agreement, each Lender:

(a) is deemed to have requested that each Agent furnish such Lender, promptly after it becomes available, a copy of each inspection report with respect to the Parent or any of its Subsidiaries (each, a "Report") prepared by or at the request of such Agent, and each Agent shall so furnish each Lender with each such Report,

(b) expressly agrees and acknowledges that the Agents (i) do not make any representation or warranty as to the accuracy of any Reports, and (ii) shall not be liable for any information contained in any Reports,

(c) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that any Agent or other party performing any audit or examination will inspect only specific information regarding the Parent and its Subsidiaries and will rely significantly upon the Parent's and its Subsidiaries' books and records, as well as on representations of their personnel,

(d) agrees to keep all Reports and other material, non-public information regarding the Parent and its Subsidiaries and their operations, assets, and existing and contemplated business plans in a confidential manner in accordance with Section 12.20, and

(e) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold any Agent and any other Lender preparing a Report harmless from any action the indemnifying Lender may take or fail to take or any conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to the Borrowers, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a loan or loans of the Borrowers, and (ii) to pay and protect, and indemnify, defend and hold any Agent and any other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including, attorneys' fees and costs) incurred by any such Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

Section 10.13 Collateral Custodian. Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent or its designee may at any time and from time to time employ and maintain on the premises of any Loan Party a custodian selected by the Collateral Agent or its designee who shall have full authority to do all acts necessary to protect the Agents' and the Lenders' interests. Each Loan Party hereby agrees to, and to cause its Subsidiaries to, cooperate with any such custodian and to do whatever the Collateral Agent or its designee may reasonably request to preserve the Collateral. All costs and expenses incurred by the Collateral Agent or its designee by reason of the employment of the custodian shall be the responsibility of the Borrowers and charged to the Loan Account.

Section 10.14 Collateral Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Collateral Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether any Agent shall have made any demand on the Borrowers) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Secured Parties (including any claim for the compensation, expenses, disbursements and advances of the Secured Parties and their respective agents and counsel and all other amounts due to the Secured Parties hereunder and under the other Loan Documents) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Secured Party to make such payments to the Collateral Agent and, in the event that the Collateral Agent shall consent to the making of such payments directly to the Secured Parties, to pay to the Collateral Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Collateral Agent and its agents and counsel, and any other amounts due to the Collateral Agent hereunder and under the other Loan Documents.

ARTICLE XI
GUARANTY

Section 11.01 Guaranty. Each Guarantor hereby jointly and severally and unconditionally and irrevocably guarantees the punctual payment when due, whether at stated maturity, by acceleration or otherwise, of all Obligations of the Borrowers now or hereafter existing under any Loan Document, whether for principal, interest (including, without limitation, all interest that accrues after the commencement of any Insolvency Proceeding of any Borrower, whether or not a claim for post-filing interest is allowed in such Insolvency Proceeding), fees, commissions, expense reimbursements, indemnifications or otherwise (such obligations, to the extent not paid by the Borrowers, being the "Guaranteed Obligations"), and agrees to pay (without duplication of any amounts payable under Section 12.04) any and all reasonable and documented out-of-pocket expenses (including reasonable and documented out-of-pocket fees and expenses of one outside counsel and one local counsel in each relevant jurisdiction) incurred by the Agents and the Lenders in enforcing any rights under the guaranty set forth in this ARTICLE XI. Without limiting the generality of the foregoing, each Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by the Borrowers to the Agents and the Lenders under any Loan Document but for the fact that they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving any Borrower. Notwithstanding any of the foregoing, Guaranteed Obligations shall not include any Excluded Hedge Liabilities. In no event shall the obligation of any Guarantor hereunder exceed the maximum amount such Guarantor could guarantee under any bankruptcy, insolvency or other similar law.

Section 11.02 Guaranty Absolute. Each Guarantor jointly and severally guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Agents or the Lenders with respect thereto. Each Guarantor agrees that this ARTICLE XI constitutes a guaranty of payment when due and not of collection and waives any right to require that any resort be made by any Agent or any Lender to any Collateral. The obligations of each Guarantor under this ARTICLE XI are independent of the Guaranteed Obligations, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce such obligations, irrespective of whether any action is brought against any Loan Party or whether any Loan Party is joined in any such action or actions. The liability of each Guarantor under this ARTICLE XI shall be irrevocable, absolute

and unconditional irrespective of, and each Guarantor hereby irrevocably waives any defenses it may now or hereafter have in any way relating to, any or all of the following:

(a) any lack of validity or enforceability of any Loan Document or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to departure from any Loan Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Loan Party or otherwise;

(c) any taking, exchange, release or non-perfection of any Collateral, or any taking, release or amendment or waiver of or consent to departure from any other guaranty, for all or any of the Guaranteed Obligations;

(d) the existence of any claim, set-off, defense or other right that any Guarantor may have at any time against any Person, including, without limitation, any Agent or any Lender;

(e) any change, restructuring or termination of the corporate, limited liability company or partnership structure or existence of any Loan Party; or

(f) any other circumstance (other than the defense of payment, but including, without limitation, any statute of limitations) or any existence of or reliance on any representation by the Agents or the Lenders that might otherwise constitute a defense available to, or a discharge of, any Loan Party or any other guarantor or surety.

This ARTICLE XI shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by the Agents, the Lenders or any other Person upon the insolvency, bankruptcy or reorganization of any Borrower or otherwise, all as though such payment had not been made.

Section 11.03 Waiver. Each Guarantor hereby waives (i) promptness and diligence, (ii) notice of acceptance and any other notice with respect to any of the Guaranteed Obligations and this ARTICLE XI and any requirement that the Agents or the Lenders exhaust any right or take any action against any Loan Party or any other Person or any Collateral, (iii) any right to compel or direct any Agent or any Lender to seek payment or recovery of any amounts owed under this ARTICLE XI from any one particular fund or source or to exhaust any right or take any action against any other Loan Party, any other Person or any Collateral, (iv) any requirement that any Agent or any Lender protect, secure, perfect or insure any security interest or Lien on any property subject thereto or exhaust any right to take any action against any Loan Party, any other Person or any Collateral, and (v) any other defense available to any Guarantor. Each Guarantor agrees that the Agents and the Lenders shall have no obligation to marshal any assets in favor of any Guarantor or against, or in payment of, any or all of the Obligations. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated herein and that the waiver set forth in this Section 11.03 is

knowingly made in contemplation of such benefits. Each Guarantor hereby waives any right to revoke this ARTICLE XI, and acknowledges that this ARTICLE XI is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

Section 11.04 Continuing Guaranty; Assignments. This ARTICLE XI is a continuing guaranty and shall (a) remain in full force and effect until the later of the payment in full of the Guaranteed Obligations (other than unasserted contingent indemnification Obligations) and the Final Maturity Date, (b) be binding upon each Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by the Agents, and their successors, pledgees, transferees and assigns. Without limiting the generality of the foregoing clause (c), any Lender may pledge, assign or otherwise transfer all or any portion of its rights and obligations under this Agreement (including, without limitation, all or any portion of its Commitments and its Loans owing to it) to any other Person to the extent otherwise permitted hereunder, and such other Person shall thereupon become vested with all the benefits in respect thereof granted such Lender herein or otherwise, in each case as provided in Section 12.07.

Section 11.05 Subrogation. No Guarantor will exercise any rights that it may now or hereafter acquire against any Loan Party or any other guarantor that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under this ARTICLE XI, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of the Agents and the Lenders against any Loan Party or any other guarantor or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any Loan Party or any other guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security solely on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations (other than unasserted contingent indemnification Obligations) shall have been paid in full and the Final Maturity Date shall have occurred. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to the later of the payment in full of the Guaranteed Obligations (other than unasserted contingent indemnification Obligations) and the Final Maturity Date, such amount shall (A) to the extent Guaranteed Obligations are outstanding, be held in trust for the benefit of the Agents and the Lenders, as applicable, and shall forthwith be paid to the Agents and the Lenders, as applicable, to be credited and applied to such Guaranteed Obligations, in accordance with the terms of this Agreement or (B) promptly be returned to the party which paid such amount. If (i) any Guarantor shall make payment to the Agents and the Lenders of all or any part of the Guaranteed Obligations (other than unasserted contingent indemnification Obligations), (ii) all of the Guaranteed Obligations (other than unasserted contingent indemnification Obligations) shall be paid in full and (iii) the Final Maturity Date shall have occurred, the Agents and the Lenders will, at such Guarantor's request and expense, execute and deliver to such Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the Guaranteed Obligations resulting from such payment by such Guarantor.

Section 11.06 Contribution. All Guarantors desire to allocate among themselves, in a fair and equitable manner, their obligations arising under this Guaranty. Accordingly, in the event any payment or distribution is made on any date by a Guarantor under this Guaranty such

that its Aggregate Payments exceeds its Fair Share as of such date, such Guarantor shall be entitled to a contribution from each of the other Guarantors in an amount sufficient to cause each Guarantor's Aggregate Payments to equal its Fair Share as of such date.

"Fair Share" means, with respect to any Guarantor as of any date of determination, an amount equal to the sum of (a) its pro rata portion of the aggregate amount paid or distributed on or before such date by any Guarantor under this Guaranty in respect of the Guaranteed Obligations and (b) its pro rata portion of Deficits with respect to the other Guarantors, if any, in each case subject to its Maximum Contribution Amount (such amounts under clauses (a) or (b) in excess of the Maximum Contribution Amount with respect to any Guarantor, "Deficits").

"Maximum Contribution Amount" means, with respect to any Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Guarantor under this Guaranty that would not render its obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any comparable applicable provisions of state law; provided, solely for purposes of calculating the "Maximum Contribution Amount" with respect to any Guarantor for purposes of this Section 11.06, any assets or liabilities of such Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Guarantor.

"Aggregate Payments" means, with respect to any Guarantor as of any date of determination, an amount equal to (A) the aggregate amount of all payments and distributions made on or before such date by such Guarantor in respect of this Guaranty (including, without limitation, in respect of this Section 11.06), minus (B) the aggregate amount of all payments received on or before such date by such Guarantor from the other Guarantors as contributions under this Section 11.06. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Guarantor. The allocation among Guarantors of their obligations as set forth in this Section 11.06 shall not be construed in any way to limit the liability of any Guarantor hereunder. Each Guarantor is a third party beneficiary to the contribution agreement set forth in this Section 11.06.

or, as to each party, at such other address as shall be designated by such party in a written notice to the other parties complying as to delivery with the terms of this Section 12.01. All such notices and other communications shall be effective, (i) if mailed (certified mail, postage prepaid and return receipt requested), when received or three (3) days after deposited in the mails, whichever occurs first, (ii) if emailed, in accordance with Section 12.01(c), or (iii) if delivered by hand, Federal Express or other reputable overnight courier, upon delivery, except that notices to any Agent pursuant to ARTICLE II shall not be effective until received by such Agent, as the case may be.

(b) Electronic Communications. Each party hereto may, in its discretion, by written notice to the other parties hereto decline to accept any or all notices and other communications to it hereunder by electronic communications.

(c) Unless the Administrative Agent otherwise prescribes, (A) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt

requested" function, as available, return e-mail or other written acknowledgement), and (B) notices or communications posted to an internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (A), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (A) and (B) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

Section 12.02 Amendments, Etc. (a) No amendment or waiver of any provision of this Agreement or any other Loan Document (excluding the Fee Letter), and no consent to any departure by any Loan Party therefrom, shall in any event be effective unless the same shall be in writing and signed (x) in the case of an amendment, consent or waiver to cure any ambiguity, omission, defect or inconsistency or granting a new Lien for the benefit of the Agents and the Lenders or extending an existing Lien over additional property, by the Agents and the Borrower, and (y) in the case of any other amendment, consent or waiver, by the Required Lenders (or by the Collateral Agent with the consent of the Required Lenders) and the Borrower, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given, provided, however, that no amendment, waiver or consent shall (i) increase the Commitment of any Lender, reduce the principal of, or interest on, the Loans payable to any Lender, reduce the amount of any fee payable for the account of each Lender, or postpone or extend any scheduled date fixed for any payment (which shall in no event include any mandatory prepayment) of principal of, or interest or fees on, the Loans without the written consent of any Lender affected thereby (including the Affiliated Lenders), (ii) [Intentionally Omitted], (iii) change the percentage of the Commitments or of the aggregate unpaid principal amount of the Loans that is required for the Lenders or any of them to take any action hereunder without the written consent of each Lender (other than the Affiliated Lenders), (iv) amend the definition of "Excluded Hedge Liability" (or any defined term used therein or any provision expressly relating to Excluded Hedge Liabilities), "Required Lenders" or "Pro Rata Share" without the written consent of each Lender (other than the Affiliated Lenders), (v) release all or a substantial portion of the Collateral (except as otherwise provided in this Agreement and the other Loan Documents), subordinate any Lien granted in favor of the Collateral Agent for the benefit of the Secured Parties, or release any Borrower or any Guarantor without the written consent of each Lender (other than the Affiliated Lenders), or (vi) amend, modify or waive Section 4.04 or this Section 12.02 of this Agreement without the written consent of each Lender (other than the Affiliated Lenders).

Notwithstanding the foregoing, (A) no amendment, waiver or consent shall, unless in writing and signed by an Agent, affect the rights or duties of such Agent (but not in its capacity as a Lender) under this Agreement or the other Loan Documents, (B) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Final Maturity Date of such Loan held by the Defaulting Lender may not be extended without the consent of such Defaulting Lender, (C) unless otherwise set forth above in this Section 12.02, the Affiliated Lenders shall not be entitled to vote on any amendment, waiver, consent or other matter under this Agreement, and (D) for the purposes of voting on amendments, waivers and consents with respect to the Loan Documents, the Defaulting Lenders and the Affiliated Lenders shall be deemed not to be "Lenders" and the Loans held by the Affiliated Lenders and Defaulting Lenders shall be deemed to be zero.

(b) If (A)(i) any action to be taken by the Lenders hereunder requires the unanimous consent, authorization, or agreement of all of the Lenders (other than the Affiliated Lenders), (ii) the Required Lenders have consented to such action and (iii) a Lender other than the Collateral Agent or Administrative Agent, fails to give its consent, authorization, or agreement, or (B) any Lender requests reimbursement under Section 2.08 or Section 4.05 (each of the Lenders described in clauses (A) and (B), a "Holdout Lender"), then the Administrative Borrower upon at least five (5) Business Days prior irrevocable notice to the Holdout Lender, may permanently replace the Holdout Lender with one or more substitute Replacement Lenders reasonably acceptable to the Collateral Agent, and the Holdout Lender shall have no right to refuse to be replaced hereunder. Such notice to replace the Holdout Lender shall specify an effective date for such replacement, which date shall not be later than fifteen (15) Business Days after the date such notice is given. Prior to the effective date of such replacement, the Holdout Lender and the Replacement Lender shall execute and deliver an Assignment and Acceptance, subject only to the Holdout Lender being repaid its share of the outstanding Obligations without any premium or penalty. If the Holdout Lender shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, the Holdout Lender shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Holdout Lender shall be made in accordance with the terms of Section 12.07(b). Until such time as the Replacement Lender shall have acquired all of the Obligations, the Commitments, and the other rights and obligations of the Holdout Lender hereunder and under the other Loan Documents, the Holdout Lender shall remain obligated to make its Pro Rata Share of the Loans.

Section 12.03 No Waiver; Remedies, Etc. No failure on the part of any Agent or any Lender to exercise, and no delay in exercising, any right hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right under any Loan Document preclude any other or further exercise thereof or the exercise of any other right. The rights and remedies of the Agents and the Lenders provided herein and in the other Loan Documents are cumulative and are in addition to, and not exclusive of, any rights or remedies provided by law. The rights of the Agents and the Lenders under any Loan Document against any party thereto are not conditional or contingent on any attempt by the Agents and the Lenders to exercise any of their rights under any other Loan Document against such party or against any other Person.

Section 12.04 Expenses; Attorneys' Fees. The Borrowers shall pay promptly, and in any event within ten (10) Business Days of delivery of an invoice, all reasonable and documented out-of-pocket costs and expenses incurred by or on behalf of each Agent (and, without duplication, in the case of clauses (b) through (j) below, each Lender), regardless of whether the transactions contemplated hereby are consummated, including, without limitation, reasonable and documented out-of-pocket fees, costs, client charges and expenses of one outside counsel and one local counsel in each relevant jurisdiction for the Agents (and, without duplication, in the case of clauses (b) through (j) below, each Lender), accounting, due diligence, searches and filings and other miscellaneous disbursements arising from or relating to: (a) the negotiation, preparation, execution, delivery, performance and administration of this Agreement

and the other Loan Documents (including, without limitation, the preparation of any additional Loan Documents pursuant to Section 7.01(b) or the review of any of the agreements, instruments and documents referred to in Section 7.01(f)), (b) any requested amendments, waivers or consents to this Agreement or the other Loan Documents whether or not such documents become effective or are given, (c) the preservation and protection of the Agents' or any of the Lenders' rights under this Agreement or the other Loan Documents, (d) the defense of any claim or action asserted or brought against any Agent or any Lender by any Person that arises from or relates to this Agreement, any other Loan Document, the Agents' or the Lenders' claims against any Loan Party under the Loan Documents, or any and all matters in connection therewith, (e) the commencement or defense of, or intervention in, any court proceeding arising from or related to this Agreement or any other Loan Document, (f) the filing of any petition, complaint, answer, motion or other pleading by any Agent or any Lender, or the taking of any action in respect of the Collateral, in connection with this Agreement or any other Loan Document, (g) the protection, collection, lease, sale, taking possession of or liquidation of, any Collateral in connection with this Agreement or any other Loan Document, (h) any attempt to enforce any Lien or security interest in any Collateral in connection with this Agreement or any other Loan Document, (i) any attempt to collect from any Loan Party or Guarantor under the Loan Documents, (j) all liabilities and costs arising from or in connection with the past, present or future operations of any Loan Party involving any damage to real or personal property or natural resources or harm or injury alleged to have resulted from any Release of Hazardous Materials on, upon or into such property, (k) any Environmental Liabilities and Costs incurred in connection with the investigation, removal, cleanup and/or remediation of any Hazardous Materials present or arising out of the operations of any Facility of any Loan Party, (l) any Environmental Liabilities and Costs incurred in connection with any Environmental Lien, (m) the rating of the Loans by one or more rating agencies in connection with any Lender's Securitization, or (n) the receipt by any Agent or, in the case of clauses (b) through (i) above, any Lender of any advice from professionals with respect to any of the foregoing. Without limitation of the foregoing or any other provision of any Loan Document: (x) the Borrowers agree to pay all broker fees that may become due in connection with the transactions contemplated by this Agreement and the other Loan Documents, and (y) if the Borrowers fail to perform any covenant or agreement contained herein or in any other Loan Document, any Agent may itself perform or cause performance of such covenant or agreement, and the expenses of such Agent incurred in connection therewith shall be reimbursed on demand by the Borrowers. The obligations of the Borrowers under this Section 12.04 shall survive the repayment of the Obligations and discharge of any Liens granted under the Loan Documents.

Section 12.05 Right of Set-off. Upon the occurrence and during the continuance of any Event of Default, any Agent or any Lender may, and is hereby authorized to, at any time and from time to time, without notice to any Loan Party (any such notice being expressly waived by the Loan Parties) and to the fullest extent permitted by law, set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other Indebtedness at any time owing by such Agent or such Lender to or for the credit or the account of any Loan Party against any and all obligations of the Loan Parties either now or hereafter existing under any Loan Document, irrespective of whether or not such Agent or such Lender shall have made any demand hereunder or thereunder and although such obligations may be contingent or unmatured. Each Agent and each Lender agrees to notify such Loan Party promptly after any such set-off and application made by such Agent or such Lender provided

that the failure to give such notice shall not affect the validity of such set-off and application. The rights of the Agents and the Lenders under this Section 12.05 are in addition to the other rights and remedies (including other rights of set-off) which the Agents and the Lenders may have under this Agreement or any other Loan Documents of law or otherwise.

Section 12.06 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 12.07 Assignments and Participations.

(a) This Agreement and the other Loan Documents shall be binding upon and inure to the benefit of each Loan Party and each Agent and each Lender and their respective successors and assigns; provided, however, that none of the Loan Parties may assign or transfer any of its rights hereunder or under the other Loan Documents without the prior written consent of each Lender and any such assignment without the Lenders' prior written consent shall be null and void and no Lender may assign or transfer any of its rights hereunder or under the other Loan Documents except (i) to an assignee in accordance with the provisions of Section 12.07(b) and (ii) by way of participation in accordance with the provisions of Section 12.07(i).

(b) Each Lender may with the written consent of the Collateral Agent, assign to (i) one or more Eligible Transferees and (ii) if an Event of Default under Sections 9.01(a), (f) or (g) has occurred and is continuing, one or more Ineligible Institutions, in each case, all or a portion of its rights and obligations under this Agreement with respect to all or a portion of its Term Loan Commitment, its Revolving Credit Commitment, any portion of the Term Loans made by it and any portion of the Revolving Loans made by it (provided that assignments to Affiliated Lenders shall not require the consent of the Collateral Agent); provided, however, that (i) any such assignment under clause (x) shall require the prior consent of the Administrative Borrower (which consent shall not be unreasonably withheld, conditioned or delayed nor shall it be required during the existence of an Event of Default), (ii) such assignment is in an amount which is at least $5,000,000 or a multiple of $1,000,000 in excess thereof (or the remainder of such Lender's Commitment) (except such minimum amount shall not apply to an assignment by a Lender to (x) a Lender, an Affiliate of such Lender or a Related Fund of such Lender or (y) a group of new Lenders, each of whom is an Affiliate or Related Fund of each other to the extent the aggregate amount to be assigned to all such new Lenders is at least $5,000,000 or a multiple of $1,000,000 in excess thereof), (iii) except as provided in the last sentence of this Section 12.07(b), the parties to each such assignment shall execute and deliver to each Agent, an Assignment and Acceptance, together with any promissory note subject to such assignment and such parties shall deliver to the Collateral Agent, for the benefit of the Collateral Agent, a processing and recordation fee of $5,000 (except the payment of such fee shall not be required in connection with an assignment by a Lender to a Lender, an Affiliate of such Lender or a Related Fund of such Lender) and (iv) no written consent of the Collateral Agent, the Administrative Agent or the Administrative Borrower shall be required (1) in connection with any assignment by a Lender to a Lender, an Affiliate of such Lender or a Related Fund of such Lender or (2) if such assignment is in connection with any merger,

consolidation, sale, transfer, or other disposition of all or any substantial portion of the business or loan portfolio of such Lender. Upon such execution, delivery and acceptance, from and after the effective date specified in each Assignment and Acceptance and recordation on the Register, which effective date shall be at least three (3) Business Days after the delivery thereof to the Collateral Agent (or such shorter period as shall be agreed to by the Collateral Agent and the parties to such assignment), (A) the assignee thereunder shall become a "Lender" hereunder and, in addition to the rights and obligations hereunder held by it immediately prior to such effective date, have the rights and obligations hereunder that have been assigned to it pursuant to such Assignment and Acceptance and (B) the assigning Lender thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto). Notwithstanding anything to the contrary contained in this Section 12.07(b), a Lender (including, for the avoidance of doubt, an Affiliated Lender) may assign any or all of its rights under the Loan Documents to an Affiliate of such Lender or a Related Fund of such Lender without delivering an Assignment and Acceptance to the Agents or to any other Person (a "Related Party Assignment"); provided, however, that (I) the Borrowers and the Administrative Agent may continue to deal solely and directly with such assigning Lender until an Assignment and Acceptance has been delivered to the Administrative Agent for recordation on the Register, (II) the Collateral Agent may continue to deal solely and directly with such assigning Lender until receipt by the Collateral Agent of a copy of the fully executed Assignment and Acceptance pursuant to Section 12.07(e), (III) the failure of such assigning Lender to deliver an Assignment and Acceptance to the Agents shall not affect the legality, validity, or binding effect of such assignment, and (IV) an Assignment and Acceptance between the assigning Lender and an Affiliate of such Lender or a Related Fund of such Lender shall be effective as of the date specified in such Assignment and Acceptance and recordation on the Related Party Register referred to in the last sentence of Section 12.07(d) below. Notwithstanding the foregoing or anything to the contrary set forth herein, no assignment shall be made at any time to any Defaulting Lender or any of its Subsidiaries or Affiliates, or any Person who, upon becoming a Lender would constitute a Defaulting Lender.

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, the assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or any other Loan Document or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other Loan Document furnished pursuant hereto; (ii) the assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Loan Party or any of its Subsidiaries or the performance or observance by any Loan Party of any of its obligations under this Agreement or any other Loan Document furnished pursuant hereto; (iii) such assignee confirms that it has received a copy of this Agreement and the other Loan Documents, together with such other documents and information it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon the assigning Lender, any Agent or any Lender and based on such

documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement and the other Loan Documents; (v) such assignee appoints and authorizes the Agents to take such action as agents on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to the Agents by the terms hereof and thereof, together with such powers as are reasonably incidental hereto and thereto; and (vi) such assignee agrees that it will perform in accordance with their terms all of the obligations which by the terms of this Agreement and the other Loan Documents are required to be performed by it as a Lender.

(d) The Administrative Agent shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain, or cause to be maintained at the Payment Office, a copy of each Assignment and Acceptance delivered to and accepted by it and a register (the "Register") for the recordation of the names and addresses of the Lenders and the Commitments of, and the principal amount of the Loans (and stated interest thereon) (the "Registered Loans") owing to each Lender from time to time. Subject to the second to last sentence of this Section 12.07(d), the entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrowers, the Agents and the Lenders shall treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Administrative Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice. In the case of an assignment pursuant to the last sentence of Section 12.07(b) as to which an Assignment and Acceptance is not delivered to the Administrative Agent, the assigning Lender shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain, or cause to be maintained, a register (the 'Related Party Register") comparable to the Register on behalf of the Borrowers. The Related Party Register shall be available for inspection by the Borrowers and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(e) Upon receipt by the Administrative Agent of a completed Assignment and Acceptance, and subject to any consent required from the Administrative Agent or the Collateral Agent pursuant to Section 12.07(b) (which consent of the Collateral Agent must be evidenced by the Collateral Agent's execution of an acceptance to such Assignment and Acceptance), the Administrative Agent shall accept such assignment, record the information contained therein in the Register and provide to the Collateral Agent a copy of the fully executed Assignment and Acceptance.

(f) A Registered Loan (and the registered note, if any, evidencing the same) may be assigned or sold in whole or in part only by registration of such assignment or sale on the Register or the Related Party Register (and each registered note shall expressly so provide). Any assignment or sale of all or part of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by registration of such assignment or sale on the Register or the Related Party Register, together with the surrender of the registered note, if any, evidencing the same duly endorsed by (or accompanied by a written instrument of assignment or sale duly executed by) the holder of such registered note, whereupon, at the request of the designated assignee(s) or transferee(s), one or more new registered notes in the same aggregate principal amount shall be issued to the designated assignee(s) or transferee(s). Prior to the registration of assignment or sale of any Registered Loan (and the registered note, if any, evidencing the same), the Agents shall treat the Person in whose name such Registered

Loan (and the registered note, if any, evidencing the same) is registered on the Register as the owner thereof for the purpose of receiving all payments thereon, notwithstanding notice to the contrary.

(g) In the event that any Lender sells participations in a Registered Loan, such Lender shall, acting for this purpose as a non-fiduciary agent on behalf of the Borrowers, maintain, or cause to be maintained, a register, on which it enters the name of all participants in the Registered Loans held by it and the principal amount (and stated interest thereon) of the portion of the Registered Loan that is the subject of the participation (the "Participant Register"). A Registered Loan (and the registered note, if any, evidencing the same) may be participated in whole or in part only by registration of such participation on the Participant Register (and each registered note shall expressly so provide). Any participation of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by the registration of such participation on the Participant Register. The Participant Register shall be available for inspection by the Administrative Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(h) Any Non-U.S. Lender who purchases or is assigned or participates in any portion of such Registered Loan shall comply with Section 2.08(d).

(i) Each Lender may sell participations to (x) one or more Eligible Transferees and (y) if an Event of Default under Sections 9.01(a), (f) or (g) has occurred and is continuing, one or more Ineligible Institutions, in each case, in or to all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including, without limitation, all or a portion of its Commitments and the Loans made by it); provided, that (i) such Lender's obligations under this Agreement (including without limitation, its Commitments hereunder) and the other Loan Documents shall remain unchanged and that any such participant shall not be entitled to receive any greater payment or benefit hereunder than such Lender would have been entitled to receive with respect to the participation sold to such participant unless the sale of such participation is made with the Administrative Borrower's prior written consent; (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and the Borrowers, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and the other Loan Documents; and (iii) a participant shall not be entitled to require such Lender to take or omit to take any action hereunder except (A) action directly effecting an extension of the maturity dates or decrease in the principal amount of the Loans, (B) action directly effecting an extension of the due dates or a decrease in the rate of interest payable on the Loans or the fees payable under this Agreement, or (C) actions directly effecting a release of all or a substantial portion of the Collateral or any Loan Party (except as set forth in Section 10.08 of this Agreement or any other Loan Document). The Loan Parties agree that each participant shall be entitled to the benefits of Section 2.08, subject to the obligations and limitations set forth thereunder; provided that the Administrative Borrower shall be notified of such participation and such participant shall agree, for the benefit of the Borrowers, to comply with Section 2.08(d) of this Agreement with respect to its participation in any portion of the Commitments and the Loans as if it was a Lender.

(j) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or loans made to, or other indebtedness issued by, such Lender pursuant to a securitization transaction (including any structured warehouse credit facility, collateralized loan obligation transaction or similar facility or transaction, and including any further securitization of the indebtedness or equity issued under such a transaction) (a "Securitization"); provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto. The Loan Parties shall cooperate with such Lender and its Affiliates to effect a Securitization, including, without limitation, by providing such information as may be reasonably requested by such Lender in connection with the rating of its Loans or any Securitization.

Section 12.08 Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Agreement by electronic mail shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party may request in writing that parties delivering an executed counterpart of this Agreement by electronic mail also deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement. The foregoing shall apply to each other Loan Document *mutatis mutandis*.

Section 12.09 GOVERNING LAW. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (UNLESS EXPRESSLY PROVIDED TO THE CONTRARY IN ANOTHER LOAN DOCUMENT IN RESPECT OF SUCH OTHER LOAN DOCUMENT) SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN THE STATE OF NEW YORK.

Section 12.10 CONSENT TO JURISDICTION; SERVICE OF PROCESS AND VENUE. ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK IN THE COUNTY OF NEW YORK OR OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY HEREBY IRREVOCABLY ACCEPTS IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS. EACH LOAN PARTY HEREBY IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS AND IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO THE ADMINISTRATIVE BORROWER AT ITS ADDRESS FOR NOTICES AS SET FORTH IN SECTION 12.01 AND TO THE SECRETARY OF STATE OF THE STATE OF NEW YORK, SUCH SERVICE TO BECOME EFFECTIVE TEN (10) DAYS AFTER SUCH MAILING. THE LOAN PARTIES AGREE THAT A FINAL NON-APPEALABLE JUDGMENT IN ANY SUCH ACTION OR

PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE AGENTS AND THE LENDERS TO SERVICE OF PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST ANY LOAN PARTY IN ANY OTHER JURISDICTION. EACH LOAN PARTY, EACH AGENT AND THE LENDERS HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE JURISDICTION OR LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN ANY SUCH COURT REFERRED TO ABOVE AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. TO THE EXTENT THAT ANY LOAN PARTY HAS OR HEREAFTER MAY ACQUIRE ANY IMMUNITY FROM JURISDICTION OF ANY COURT OR FROM ANY LEGAL PROCESS (WHETHER THROUGH SERVICE OR NOTICE, ATTACHMENT PRIOR TO JUDGMENT, ATTACHMENT IN AID OF EXECUTION OR OTHERWISE) WITH RESPECT TO ITSELF OR ITS PROPERTY, EACH LOAN PARTY, EACH AGENT AND THE LENDERS HEREBY IRREVOCABLY WAIVES SUCH IMMUNITY IN RESPECT OF ITS OBLIGATIONS UNDER THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS.

Section 12.11 WAIVER OF JURY TRIAL, ETC. EACH LOAN PARTY, EACH AGENT AND EACH LENDER HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM CONCERNING ANY RIGHTS UNDER THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS, OR UNDER ANY AMENDMENT, WAIVER, CONSENT, INSTRUMENT, DOCUMENT OR OTHER AGREEMENT DELIVERED OR WHICH IN THE FUTURE MAY BE DELIVERED IN CONNECTION THEREWITH, OR ARISING FROM ANY FINANCING RELATIONSHIP EXISTING IN CONNECTION WITH THIS AGREEMENT, AND AGREES THAT ANY SUCH ACTION, PROCEEDINGS OR COUNTERCLAIM SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. EACH LOAN PARTY CERTIFIES THAT NO OFFICER, REPRESENTATIVE, AGENT OR ATTORNEY OF ANY AGENT OR ANY LENDER HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT ANY AGENT OR ANY LENDER WOULD NOT, IN THE EVENT OF ANY ACTION, PROCEEDING OR COUNTERCLAIM, SEEK TO ENFORCE THE FOREGOING WAIVERS. EACH LOAN PARTY HEREBY ACKNOWLEDGES THAT THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE AGENTS AND THE LENDERS ENTERING INTO THIS AGREEMENT.

Section 12.12 Consent by the Agents and Lenders. Except as otherwise expressly set forth herein to the contrary or in any other Loan Document, if the consent, approval, satisfaction, determination, judgment, acceptance or similar action (an "Action") of any Agent or any Lender shall be permitted or required pursuant to any provision hereof or any provision of any other agreement to which any Loan Party is a party and to which any Agent or any Lender has succeeded thereto, such Action shall be required to be in writing and may be withheld or denied by such Agent or such Lender (other than an Affiliated Lender), in its reasonable discretion, with or without any reason.

Section 12.13 No Party Deemed Drafter. Each of the parties hereto agrees that no party hereto shall be deemed to be the drafter of this Agreement.

Section 12.14 Reinstatement; Certain Payments. If any claim is ever made upon any Agent or any Lender for repayment or recovery of any amount or amounts received by such Agent or such Lender in payment or on account of any of the Obligations, such Agent or such Lender shall give prompt notice of such claim to each other Agent and Lender and the Administrative Borrower, and if such Agent or such Lender repays all or part of such amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such Agent or such Lender or any of its property, or (ii) any good faith settlement or compromise of any such claim effected by such Agent or such Lender with any such claimant, then and in such event each Loan Party agrees that (A) any such judgment, decree, order, settlement or compromise shall be binding upon it notwithstanding the cancellation of any Indebtedness hereunder or under the other Loan Documents or the termination of this Agreement or the other Loan Documents, and (B) it shall be and remain liable to such Agent or such Lender hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by such Agent or such Lender.

Section 12.15 Indemnification.

(a) General Indemnity. In addition to each Loan Party's other Obligations under this Agreement, each Loan Party agrees to, jointly and severally, defend, protect, indemnify and hold harmless each Agent and each Lender and all of their respective Related Parties (collectively called the "Indemnitees") from and against any and all losses, damages, liabilities, obligations, penalties, fees, reasonable and documentedout-of-pocket costs and expenses (including, without limitation, reasonable and documented out-of-pocket costs and expenses of one outside counsel and one local counsel in each relevant jurisdiction) incurred by such Indemnitees (taken as a whole), whether prior to or from and after the Effective Date, whether direct, indirect or consequential, as a result of or arising from or relating to or in connection with any of the following: (i) the negotiation, preparation, execution or performance or enforcement of this Agreement, any other Loan Document or of any other document executed in connection with the transactions contemplated by this Agreement, (ii) any Agent's or any Lender's furnishing of funds to the Borrowers under this Agreement or the other Loan Documents, including, without limitation, the management of any such Loans, (iii) any matter relating to the financing transactions contemplated by this Agreement or the other Loan Documents or by any document executed in connection with the transactions contemplated by this Agreement or the other Loan Documents, or (iv) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto (collectively, the "Indemnified Matters"); provided, however, that the Loan Parties shall not have any obligation to any Indemnitee under this subsection (a) for any Indemnified Matter (x) caused by the gross negligence or willful misconduct of such Indemnitee as determined by a finalnon- appealable judgment of a court of competent jurisdiction, or (y) arising from disputes solely among the Agents, the Lenders (other than the Affiliated Lenders) and their respective participants or (z) that has resulted from an intentional breach of such Indemnitee's obligations under this Agreement as determined by a final non-appealable judgment of a court of competent jurisdiction. This Section 12.15(a) shall not apply with respect to Taxes other than any Taxes that represent losses, damages, etc. arising from any non-Tax claim.

(b) Environmental Indemnity. Without limiting Section 12.15(a) hereof, each Loan Party agrees to, jointly and severally, defend, indemnify, and hold harmless the Indemnitees against any and all Environmental Liabilities and Costs and all other claims, demands, penalties, fines, liability (including strict liability), losses, damages, costs and expenses (including, reasonable and documented out-of-pocket fees and expenses of one outside counsel and one local counsel in each relevant jurisdiction, consultant fees and laboratory fees), arising out of (i) any Releases or threatened Releases (x) at any property presently or formerly owned or operated by any Loan Party or any Subsidiary of any Loan Party, or any predecessor in interest, or (y) of any Hazardous Materials generated and disposed of by any Loan Party or any Subsidiary of any Loan Party, or any predecessor in interest; (ii) any violations of Environmental Laws by or relating to any Loan Party; (iii) any Environmental Action relating to any Loan Party or any Subsidiary of any Loan Party, or any predecessor in interest; (iv) any personal injury (including wrongful death) or property damage (real or personal) arising out of exposure to Hazardous Materials used, handled, generated, transported or disposed by any Loan Party or any Subsidiary of any Loan Party, or any predecessor in interest; and (v) any breach of any warranty or representation regarding environmental matters made by the Loan Parties in Section 6.01(r) or the breach of any covenant made by the Loan Parties in Section 7.01(j). Notwithstanding the foregoing, the Loan Parties shall not have any obligation to any Indemnitee under this subsection (b) regarding any potential environmental matter covered hereunder which is caused by the gross negligence or willful misconduct of such Indemnitee, as determined by a final non-appealable judgment of a court of competent jurisdiction.

(c) The indemnification for all of the foregoing losses, damages, fees, costs and expenses of the Indemnitees are chargeable against the Loan Account. To the extent that the undertaking to indemnify, pay and hold harmless set forth in this Section 12.15 may be unenforceable because it is violative of any law or public policy, each Loan Party shall, jointly and severally, contribute the maximum portion which it is permitted to pay and satisfy under applicable law, to the payment and satisfaction of all Indemnified Matters incurred by the Indemnitees. The indemnities set forth in this Section 12.15 shall survive the repayment of the Obligations and discharge of any Liens granted under the Loan Documents.

Section 12.16 Administrative Borrower. Each Borrower hereby irrevocably appoints Xponential Fitness LLC as the borrowing agent and attorney-in-fact for the Borrowers (the "Administrative Borrower") which appointment shall remain in full force and effect unless and until the Agents shall have received prior written notice signed by all of the Borrowers that such appointment has been revoked and that another Borrower has been appointed Administrative Borrower. Each Borrower hereby irrevocably appoints and authorizes the Administrative Borrower (i) to provide to the Agents and receive from the Agents all notices with respect to Loans obtained for the benefit of any Borrower and all other notices and instructions under this Agreement and (ii) to take such action as the Administrative Borrower deems appropriate on its behalf to obtain Loans and to exercise such other powers as are reasonably incidental thereto to carry out the purposes of this Agreement. It is understood that the handling of the Loan Account and Collateral of the Borrowers in a combined fashion, as more fully set forth herein, is done solely as an accommodation to the Borrowers in order to utilize the collective borrowing powers of the Borrowers in the most efficient and economical manner and at their request, and that neither the Agents nor the Lenders shall incur liability to the Borrowers as a result hereof. Each of the Borrowers expects to derive benefit, directly or

indirectly, from the handling of the Loan Account and the Collateral in a combined fashion since the successful operation of each Borrower is dependent on the continued successful performance of the integrated group. To induce the Agents and the Lenders to do so, and in consideration thereof, each of the Borrowers hereby jointly and severally agrees to indemnify the Indemnitees and hold the Indemnitees harmless against any and all liability, expense, loss or claim of damage or injury, made against such Indemnitee by any of the Borrowers or by any third party whosoever, arising from or incurred by reason of (a) the handling of the Loan Account and Collateral of the Borrowers as herein provided, (b) the Agents and the Lenders relying on any instructions of the Administrative Borrower, or (c) any other action taken by any Agent or any Lender hereunder or under the other Loan Documents.

Section 12.17 Records. The unpaid principal of and interest on the Loans, the interest rate or rates applicable to such unpaid principal and interest, the duration of such applicability, the Commitments, and the accrued and unpaid fees payable pursuant to Section 2.06 hereof, including, without limitation, the fees set forth in the Fee Letter and the Applicable Prepayment Premium, if any, shall at all times be ascertained from the records of the Agents, which shall be conclusive and binding absent manifest error.

Section 12.18 Binding Effect. This Agreement shall become effective when it shall have been executed by each Loan Party, each Agent and each Lender and when the conditions precedent set forth in Section 5.01 hereof have been satisfied or waived in writing by the Agents, and thereafter shall be binding upon and inure to the benefit of each Loan Party, each Agent and each Lender, and their respective successors and assigns, except that the Loan Parties shall not have the right to assign their rights hereunder or any interest herein without the prior written consent of each Agent and each Lender, and any assignment by any Lender shall be governed by Section 12.07 hereof.

Section 12.19 Interest. It is the intention of the parties hereto that each Agent and each Lender shall conform strictly to usury laws applicable to it. Accordingly, if the transactions contemplated hereby or by any other Loan Document would be usurious as to any Agent or any Lender under laws applicable to it (including the laws of the United States of America and the State of New York or any other jurisdiction whose laws may be mandatorily applicable to such Agent or such Lender notwithstanding the other provisions of this Agreement), then, in that event, notwithstanding anything to the contrary in this Agreement or any other Loan Document or any agreement entered into in connection with or as security for the Obligations, it is agreed as follows: (i) the aggregate of all consideration which constitutes interest under law applicable to any Agent or any Lender that is contracted for, taken, reserved, charged or received by such Agent or such Lender under this Agreement or any other Loan Document or agreements or otherwise in connection with the Obligations shall under no circumstances exceed the maximum amount allowed by such applicable law, any excess shall be canceled automatically and if theretofore paid shall be credited by such Agent or such Lender on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by such Agent or such Lender, as applicable, to the Borrowers); and (ii) in the event that the maturity of the Obligations is accelerated by reason of any Event of Default under this Agreement or otherwise, or in the event of any required or permitted prepayment, then such consideration that constitutes interest under law applicable to any Agent or any Lender may never include more than the maximum amount allowed by such

applicable law, and excess interest, if any, provided for in this Agreement or otherwise shall be canceled automatically by such Agent or such Lender, as applicable, as of the date of such acceleration or prepayment and, if theretofore paid, shall be credited by such Agent or such Lender, as applicable, on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by such Agent or such Lender to the Borrowers). All sums paid or agreed to be paid to any Agent or any Lender for the use, forbearance or detention of sums due hereunder shall, to the extent permitted by law applicable to such Agent or such Lender, be amortized, prorated, allocated and spread throughout the full term of the Loans until payment in full so that the rate or amount of interest on account of any Loans hereunder does not exceed the maximum amount allowed by such applicable law. If at any time and from time to time (x) the amount of interest payable to any Agent or any Lender on any date shall be computed at the Highest Lawful Rate applicable to such Agent or such Lender pursuant to this Section 12.19 and (y) in respect of any subsequent interest computation period the amount of interest otherwise payable to such Agent or such Lender would be less than the amount of interest payable to such Agent or such Lender computed at the Highest Lawful Rate applicable to such Agent or such Lender, then the amount of interest payable to such Agent or such Lender in respect of such subsequent interest computation period shall continue to be computed at the Highest Lawful Rate applicable to such Agent or such Lender until the total amount of interest payable to such Agent or such Lender shall equal the total amount of interest which would have been payable to such Agent or such Lender if the total amount of interest had been computed without giving effect to this Section 12.19.

For purposes of this Section 12.19, the term "applicable law" shall mean that law in effect from time to time and applicable to the loan transaction between the Borrowers, on the one hand, and the Agents and the Lenders, on the other, that lawfully permits the charging and collection of the highest permissible, lawful non-usurious rate of interest on such loan transaction and this Agreement, including laws of the State of New York and, to the extent controlling, laws of the United States of America.

The right to accelerate the maturity of the Obligations does not include the right to accelerate any interest that has not accrued as of the date of acceleration.

Section 12.20 Confidentiality. Each Agent and each Lender agrees (on behalf of itself and each of its Related Parties) to use reasonable precautions to keep confidential, in accordance with its customary procedures for handling confidential information of this nature and in accordance with safe and sound practices of comparable commercial finance companies, any non-public information supplied to it by the Loan Parties pursuant to this Agreement or the other Loan Documents which is identified in writing by the Loan Parties as being confidential at the time the same is delivered to such Person (and which at the time is not, and does not thereafter become, publicly available or available to such Person from another source not known to be subject to a confidentiality obligation to such Person not to disclose such information), provided that nothing herein shall limit the disclosure by any Agent or any Lender of any such information (i) to its Affiliates, its Related Parties or the Related Parties of any Person described in clause (ii) or (iii) below) (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential in accordance with this Section 12.20 or is subject to other customary

confidentiality obligations); (ii) to any other party hereto; (iii) to any assignee or participant (or prospective assignee or participant) or any party to a Securitization so long as such assignee or participant (or prospective assignee or participant) or party to a Securitization agrees, in writing, to be bound by or is otherwise subject to customary confidentiality obligations (including, without limitation, confidentiality provisions similar in substance to this Section 12.20); (iv) to the extent required by any Requirement of Law or judicial process or as otherwise requested by any Governmental Authority having jurisdiction over such Person; (v) (x) to the National Association of Insurance Commissioners or any similar organization, any examiner, auditor or accountant or any nationally recognized rating agency or (y) otherwise to the extent consisting of general portfolio information that does not identify Loan Parties; provided, unless specifically prohibited by applicable law or court order, each Agent and each Lender shall make reasonable efforts to notify the Borrower of any request by any Governmental Authority or representative thereof; (vi) in connection with any litigation to which any Agent or any Lender is a party; (vii) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, in each case, solely to the extent necessary in connection therewith; or (viii) with the consent of the Administrative Borrower.

Section 12.21 Public Disclosure. Each Loan Party agrees that neither it nor any of its Affiliates will now or in the future issue any press release or other public disclosure using the name of an Agent, any Lender or any of their respective Affiliates or referring to this Agreement or any other Loan Document without the prior written consent of such Agent or such Lender, except to the extent that such Loan Party or such Affiliate is required by any Requirement of Law (in which event, such Loan Party or such Affiliate will consult with such Agent or such Lender before issuing such press release or other public disclosure; provided, that any failure of such Loan party or such Affiliate to consult with such Agent or such Lender shall not result in an Event of Default hereunder). Notwithstanding the foregoing or anything contained herein to the contrary, the Parent or any parent company of the Parent may include a summary of this Agreement or any other Loan Document in, and file copies thereof as exhibits to, any registration statement that it submits or files under the Securities Act of 1933, as amended, or filings it makes or furnishes under the Exchange Act. Each Loan Party hereby authorizes each Agent and each Lender, after consultation with the Borrowers, to advertise the closing of the transactions contemplated by this Agreement, and to make reasonably appropriate announcements of the financial arrangements entered into among the parties hereto, as such Agent or such Lender shall deem reasonably appropriate, including, without limitation, announcements commonly known as tombstones, in such trade publications, business journals, newspapers of general circulation and to such selected parties as such Agent or such Lender shall deem reasonably appropriate.

Section 12.22 Integration. This Agreement, together with the other Loan Documents, reflects the entire understanding of the parties with respect to the transactions contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof.

Section 12.23 USA PATRIOT Act. Each Lender that is subject to the requirements of the USA PATRIOT Act hereby notifies the Borrowers that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information

that identifies the entities composing the Borrowers, which information includes the name and address of each such entity and other information that will allow such Lender to identify the entities composing the Borrowers in accordance with the USA PATRIOT Act. Each Loan Party agrees to take such action and execute, acknowledge and deliver at its sole cost and expense, such instruments and documents as any Lender may reasonably require from time to time in order to enable such Lender to comply with the USA PATRIOT Act.

Section 12.24 Keepwell. Each Loan Party, if it is a Qualified ECP Loan Party, then jointly and severally, together with each other Qualified ECP Loan Party, hereby absolutely unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by any Non-Qualifying Party to honor all of such Non-Qualifying Party's obligations under this Agreement or any other Loan Document in respect of Swap Obligations (provided, however, that each Qualified ECP Loan Party shall only be liable under this Section 12.24 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 12.24, or otherwise under this Agreement or any other Loan Document, voidable under applicable law, including applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Loan Party under this Section 12.24 shall remain in full force and effect until payment in full of the Obligations and termination of this Agreement and the other Loan Documents. Each Qualified ECP Loan Party intends that this Section 12.24 constitute, and this Section 12.24 shall be deemed to constitute, a guarantee of the obligations of, and a "keepwell, support, or other agreement" for the benefit of each other Borrower and Guarantor for all purposes of Section 1a(18(A)(v)(II) of the CEA.

Section 12.25 Released Loan Party. Notwithstanding anything herein to the contrary, a Loan Party (the "Released Loan Party") shall be automatically released from its obligations under this Agreement in the event that all or any portion of the Equity Interests of the Released Loan Party shall be sold, transferred or otherwise disposed pursuant to clauses (i) and (j) of the definition of "Permitted Disposition," and the parties hereby acknowledge and agree that each reference to a "Loan Party" or the "Loan Parties" in this Agreement shall not include such Released Loan Party.

FIRST AMENDMENT, dated as of August 4, 2020 (this "Amendment"), to the Financing Agreement, dated as of February 28, 2020 (as may be further amended, restated, supplemented or otherwise modified, the "Financing Agreement"), by and among Xponential Intermediate Holdings, LLC, a Delaware limited liability company (the "Parent"), Xponential Fitness LLC, a Delaware limited liability company ("XF"), each Subsidiary (as defined therein) of Parent listed as a "Borrower" on the signature pages hereto (together with XF and each other Person that executes a joinder agreement and becomes a "Borrower" thereunder, each a "Borrower" and collectively, the "Borrowers"), each other Subsidiary of Parent listed as a "Guarantor" on the signature pages thereto (together with Parent and each other Person that executes a joinder agreement and becomes a "Guarantor" thereunder or otherwise guaranties all or any part of the Obligations (as defined therein), each a "Guarantor" and collectively, the "Guarantors"), the lenders from time to time party thereto (each a "Lender" and collectively, the "Lenders"), Cerberus Business Finance Agency, LLC, a Delaware limited liability company ("Cerberus"), as collateral agent for the Lenders (in such capacity, together with its successors and assigns, the "Collateral Agent") and Cerberus, as administrative agent for the Lenders (in such capacity, together with its successors and assigns, the "Administrative Agent" and together with the Collateral Agent, each an "Agent" and collectively, the "Agents"). All terms used herein that are defined in the Financing Agreement and not otherwise defined herein shall have the meanings assigned to them in the Financing Agreement (as amended hereby).

WHEREAS, the Loan Parties, the Agents and the Lenders wish to amend the Financing Agreement on the First Amendment Effective Date (as hereinafter defined) on the terms and conditions set forth herein.

WHEREAS, the Loan Parties have requested that the Agents and the Lenders amend the Financing Agreement in certain respects, and the Agents and the Lenders are agreeable to such request, on and subject to the terms and conditions set forth herein.

NOW THEREFORE, in consideration of the premises and other good and valuable consideration, the parties hereto hereby agree as follows:

1. Amendments. Financing Agreement. The Financing Agreement is hereby amended (x) as of the date hereof to replace the reference to "3.45" with "5.00" under Total Leverage Ratio for the Fiscal Quarter End June 30, 2020 in Section 7.03(a)(i) of the Financing Agreement and (y) as of the First Amendment Effective Date (as defined below) (a) to delete the red or green stricken text (indicated textually in the same manner as the following examples: ~~stricken text~~ and ~~stricken text~~); and (b) to add the blue or green double-underlined text (indicated textually in the same manner as the following examples: double-underlined text and double- underlined text), in each case, as set forth in the marked copy of the Financing Agreement attached as Annex A hereto and made a part hereof for all purposes.

2. Representations and Warranties. Each Loan Party hereby jointly and severally represents and warrants to the Agents and the Lenders, as of the date hereof, as follows:

(a) Representations and Warranties; No Event of Default. The representations and warranties contained herein, in Article VI of the Financing Agreement and in each other Loan Document, certificate or other writing delivered by or on behalf of any Loan Party to any Secured Party pursuant thereto on or prior to the First Amendment Effective Date are true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified as to "materiality" or "Material Adverse Effect" in the text thereof, which representations and warranties shall be true and correct in all respects subject to such qualification) on and as of such date as though made on and as of such date, except to the extent that any such representation or warranty expressly relates solely to an earlier date (in which case such representation or warranty shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations or warranties that already are qualified or modified as to "materiality" or "Material Adverse Effect" in the text thereof, which representations and warranties shall be true and correct in all respects subject to such qualification) on and as of such earlier date), and no Default or Event of Default has occurred and is continuing as of the First Amendment Effective Date or would result from this Amendment becoming effective in accordance with its terms.

(b) Authorization; Enforceability. The execution and delivery of this Amendment by each Loan Party, and the performance of the Financing Agreement, as amended hereby, (i) have been duly authorized by all necessary action, (ii) do not and will not contravene (A) any of its Governing Documents, (B) any applicable Requirement of Law or (C) any Contractual Obligation binding on or otherwise affecting it or any of its properties, (iii) do not and will not result in or require the creation of any Lien (other than pursuant to any Loan Document) upon or with respect to any of its properties other than any such Lien that constitutes a Permitted Lien, and (iv) do not and will not result in any default, noncompliance, suspension, revocation, impairment, forfeiture or nonrenewal of any permit, license, authorization or approval applicable to its operations or any of its properties except, in the case of clauses (ii)(B), (ii)(C) and (iv), as could not reasonably be expected to have a Material Adverse Effect. This Amendment constitutes the legal, valid and binding obligation of such Loan Party, enforceable against such Loan Party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and general principles of equity.

3. Conditions Precedent to Effectiveness. This Amendment shall become effective upon receipt by the Agents of this Amendment, duly executed by the Loan Parties, each Agent and the Lenders and dated as of the date first set forth above; provided that the amendments to the Financing Agreement set forth in clause (y) of Section 1 above shall become effective upon satisfaction in full, in a manner reasonably satisfactory to the Agents, or waiver by the Agents, of the following conditions precedent (the first date upon which all such conditions shall have been satisfied (or waived) being herein called the "First Amendment Effective Date"):

(a) Payment of Fees, Etc. The Borrower shall have paid (or caused to be paid), on or before the First Amendment Effective Date:

(i) a non-refundable amendment closing fee equal to $975,000, which fee shall be deemed paid in kind as of August 15, 2020 by capitalizing such fee and adding such fee to the principal balance of the Term Loan (provided that, such fee shall be deemed not to have been paid in kind or capitalized (and no interest thereon shall be deemed to have accrued) if this Amendment shall terminate and be of no further force or effect pursuant to clause (g) of Section 7 below); and

(ii) all other fees, costs and expenses then due and payable, if any, pursuant to Section 2.06 or 12.04 of the Financing Agreement.

(b) Delivery of Documents. The Agents shall have received each of the following, each in form and substance satisfactory to the Agents:

(i) this Amendment, duly executed by the Loan Parties, each Agent and the Lenders, as provided above;

(ii) the Sponsor Guaranty, duly executed by the Sponsor Guarantor and dated as of the First Amendment Effective Date; and

(iii) a certificate of an Authorized Officer of the Parent certifying as to the matters described in Section 2(a) of this Amendment and dated as of the First Amendment Effective Date.

(c) Cash Infusion.

(i) The Agents shall have received satisfactory evidence that, substantially concurrently with the execution of this Amendment, the Sponsor Guarantor shall have made capital calls, the proceeds of which shall (x) be contributed to Parent in exchange for Equity Interests (other than Disqualified Equity Interests) issued by Parent and (y) be in an amount equal to $10,000,000 (the "First Amendment Contribution").

(ii) The First Amendment Contribution shall have been made and the entire amount of such cash proceeds shall have been applied to repay the Revolving Loans on or before August 31, 2020.

(d) Schedule 7.02(e)(xx). The Loan Parties shall have delivered to the Agents a form of Schedule 7.02(e)(xx) and the Agents shall have approved such form.

(e) Liens; Priority. The Agents shall be satisfied that the Collateral Agent has been granted, and holds, for the benefit of the Agents and the Lenders, a perfected, first priority Lien on and security interest in all of the Collateral, subject only to Permitted Liens, to the extent such Liens and security interests required pursuant to the Financing Agreement and the other Loan Documents to be granted or perfected on or before the First Amendment Effective Date.

(f) Approvals. All consents, authorizations and approvals of all filings and registrations with, and all other actions in respect of, any Governmental Authority or other Person required in connection with the transactions contemplated by this Amendment shall have been obtained and shall be in full force and effect.

4. Continued Effectiveness of the Financing Agreement and Other Loan Documents. Each Loan Party hereby (i) acknowledges and consents to this Amendment, (ii) confirms and agrees that the Financing Agreement and each other Loan Document to which it is a party is, and shall continue to be, in full force and effect and is hereby ratified and confirmed in all respects except that on and after the First Amendment Effective Date all references in the Financing Agreement or any other Loan Document to "Financing Agreement", the "Agreement", "thereto", "thereof", "thereunder" or words of like import referring to the Financing Agreement shall mean the Financing Agreement as amended by this Amendment, and (iii) confirms and agrees that to the extent that the Financing Agreement or any such other Loan Document purports to assign or pledge to the Collateral Agent for the benefit of the Lenders, or to grant to the Collateral Agent for the benefit of the Lenders a security interest in or Lien on, any Collateral as security for the Obligations or Guaranteed Obligations, as the case may be, of any Loan Party from time to time existing in respect of the Financing Agreement (as amended hereby) and the other Loan Documents, such pledge, assignment and/or grant of the security interest or Lien is hereby ratified and confirmed in all respects as of the date hereof. This Amendment does not and shall not affect any of the obligations of any Loan Party, other than as expressly provided herein, including, without limitation, the Borrower's obligation to repay the Loans in accordance with the terms of Financing Agreement, or the obligations of any other Loan Party under any Loan Document to which it is a party, all of which obligations shall remain in full force and effect. Except as expressly provided herein, the execution, delivery and effectiveness of this Amendment shall not operate as a waiver of any right, power or remedy of the Agents or any Lender under the Financing Agreement or any other Loan Document, nor constitute a waiver of any provision of the Financing Agreement or any other Loan Document.

5. Release. Each Loan Party hereby acknowledges and agrees that: as of the First Amendment Effective Date (i) neither it nor any of its Subsidiaries has any claim or cause of action against the Agents or any Lender (or any of their respective Affiliates, officers, directors, employees, attorneys, consultants or agents in their capacities for the Agents or any Lender) in connection with the Loan Documents and (ii) the Agents and each Lender has heretofore properly performed and satisfied in a timely manner all of its obligations to the Loan Parties and their Subsidiaries under the Financing Agreement and the other Loan Documents that are required to have been performed on or prior to the date hereof. Notwithstanding the foregoing, the Agents and the Lenders wish (and the Loan Parties agree) to eliminate any possibility that any past conditions, acts, omissions, events or circumstances would impair or otherwise adversely affect any of the Agents' and the Lenders' rights, interests, security and/or remedies under the Financing Agreement and the other Loan Documents. Accordingly, for and in consideration of the agreements contained in this Amendment and other good and valuable consideration, each Loan Party (for itself and its Subsidiaries and the successors, assigns, heirs and representatives of each of the foregoing) (collectively, the "Releasors") does hereby fully, finally, unconditionally and irrevocably release and forever discharge each Agent, each Lender and each of their respective Affiliates, officers, directors, employees, attorneys, consultants and agents in their capacities as an Agent or any Lender (collectively, the "Released Parties") from any and all debts, claims, obligations, damages, costs, attorneys' fees, suits, demands, liabilities, actions, proceedings and causes of action, in each case, whether known or unknown, contingent or fixed, direct or indirect, and of whatever nature or description, and whether in law or in equity, under contract, tort, statute or otherwise, which any Releasor has heretofore had or now or hereafter can, shall or may have against any Released Party by reason of any act, omission or thing whatsoever done or omitted to be done on or prior to the

First Amendment Effective Date arising out of, connected with or related in any way to this Amendment, the Financing Agreement or any other Loan Document, or any act, event or transaction related or attendant thereto, or the agreements of any Agent or any Lender contained therein, or the possession, use, operation or control of any of the assets of any Loan Party, or the making of any Loans or other advances, or the management of such Loans or advances or the Collateral prior to the First Amendment Effective Date.

6. Reaffirmation of Loan Parties. Each Loan Party hereby reaffirms its obligations under the Financing Agreement and each other Loan Document to which it is a party as of the date hereof. Each Loan Party hereby further ratifies and reaffirms as of the date hereof the validity and enforceability of all of the Liens and security interests heretofore granted by it, pursuant to and in connection with the Financing Agreement or any other Loan Document to the Agents, on behalf and for the benefit of the Agents and each Lender, as collateral security for the obligations under the Financing Agreement and the other Loan Documents in accordance with their respective terms, and acknowledges that all of such liens and security interests, and all collateral heretofore pledged by it as security for such obligations, continues to be and remain collateral for such obligations. Although each of the Guarantors have been informed of the matters set forth herein and have acknowledged and agreed to same, each of the Guarantors understands that the Agents and the Lenders shall have no obligation to inform the Guarantors of such matters in the future or to seek the Guarantors' acknowledgement or agreement to future amendments, waivers, or modifications, and nothing herein shall create such a duty.

7. Miscellaneous.

(a) This Amendment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Amendment by electronic mail shall be equally as effective as delivery of an original executed counterpart of this Amendment. Any party may request in writing that parties delivering an executed counterpart of this Amendment by electronic mail also deliver an original executed counterpart of this Amendment but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Amendment.

(b) Section and paragraph headings herein are included for convenience of reference only and shall not constitute a part of this Amendment for any other purpose.

(c) THIS AMENDMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN THE STATE OF NEW YORK.

(d) This Amendment constitutes a "Loan Document" under the Financing Agreement.

(e) Any provision of this Amendment that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

(f) The Borrower will pay (or cause to be paid) promptly upon receipt of a reasonably detailed invoice therefor, all reasonable and documented out-of-pocket fees, costs and expenses of the Agents in connection with the preparation, execution and delivery of this Amendment in accordance with and pursuant to Section 12.04 of the Financing Agreement, including, without limitation, reasonable and documented fees, costs and expenses of Schulte Roth & Zabel LLP, counsel to the Collateral Agent.

(g) Notwithstanding anything to the contrary set forth herein, if the First Amendment Effective Date has not occurred by 11:59 pm New York City time on or prior to August 31, 2020, this Amendment (and any amendments to the Financing Agreement effected pursuant hereto) shall terminate and be of no further force and effect.

In the event that such amount is less than such unpaid principal amount, the Administrative Agent shall promptly pay over to each Revolving Loan Lender its Pro Rata Share of the difference in immediately available funds. In addition, if the Administrative Agent shall so request at any time when a Default or an Event of Default shall have occurred and be continuing, or any other event shall have occurred as a result of which the Administrative Agent shall determine that it is desirable to present claims against the Borrowers for repayment, each Revolving Loan Lender shall promptly remit to the Administrative Agent or, as the case may be, the Administrative Agent shall promptly remit to each Revolving Loan Lender, sufficient funds to adjust the interests of the Revolving Loan Lenders in the then outstanding Revolving Loans to such an extent that, after giving effect to such adjustment, each such Revolving Loan Lender's interest in the then outstanding Revolving Loans will be equal to its Pro Rata Share thereof. The obligations of the Administrative Agent and each Revolving Loan Lender under this subsection 2.02(d) shall be absolute and unconditional. Each Revolving Loan Lender shall only be entitled to receive interest on its Pro Rata Share of the Revolving Loans which have been funded by such Revolving Loan Lender.

During the period in which such Revolving Loan Lender has not paid such corresponding amount to the Administrative Agent, notwithstanding anything to the contrary contained in this Agreement or any other Loan Document, the amount so advanced by the Administrative Agent to the Borrowers shall, for all purposes hereof, be a Revolving Loan made by the Administrative Agent for its own account. Upon any such failure by a Revolving Loan Lender to pay the Administrative Agent, the Administrative Agent shall promptly thereafter notify the Administrative Borrower of such failure

and the Borrowers shall promptly pay such corresponding amount to the Administrative Agent for its own account. Nothing in this subsection 2.02(d)(ii) shall be deemed to relieve any Revolving Loan Lender from its obligation to fulfill its Revolving Credit Commitment hereunder or to prejudice any rights that the Administrative Agent or the Borrowers may have against any Revolving Loan Lender as a result of any default by such Revolving Loan Lender hereunder.

In such event, the Borrowers shall execute and deliver to such Lender a note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns). (a) Revolving Loans. Subject to the terms of this Agreement, at the option of the Administrative Borrower, each Revolving Loan shall be either a Reference Rate Loan or a LIBOR Rate Loan. Each Revolving Loan that is a Reference Rate Loan shall bear interest on the principal amount thereof from time to time outstanding, from the date of the making of such Loan until repaid, at a rate per annum equal to the Reference Rate plus the Applicable Margin. Each Revolving Loan that is a LIBOR Rate Loan shall bear interest on the principal amount thereof from time to time outstanding, from the date of the making of such Loan until repaid, at a rate per annum equal to the LIBOR Rate for the Interest Period in effect for such Loan plus the Applicable Margin.

(b) Term Loans. Subject to the terms of this Agreement, at the option of the Administrative Borrower, the Term Loans or any portion thereof shall be either a Reference Rate Loan or a LIBOR Rate Loan. Each portion of any Term Loans that is a Reference Rate Loan shall bear interest on the principal amount thereof from time to time outstanding, from the date of the making of such Term Loans until repaid, at a rate per annum equal to the Reference Rate plus the Applicable Margin. Each portion of any Term Loans that is a LIBOR Rate Loan shall bear interest on the principal amount thereof from time to time outstanding, from the date of the making of such Term Loans until repaid, at a rate per annum equal to the LIBOR Rate for the Interest Period in effect for such Term Loans (or such portion thereof) plus the Applicable Margin.

(c) Default Interest. To the extent permitted by law and notwithstanding anything to the contrary in this Section, upon the occurrence and during the continuance of an Event of Default, the principal of, and all accrued and unpaid interest on, all Loans, fees, indemnities or any other Obligations of the Loan Parties under this Agreement and the other Loan Documents, shall, upon the election of the Required Lenders, bear interest, from the date such Event of Default occurred until the date such Event of Default is cured or waived in writing in accordance herewith, at a rate per annum equal at all times to the Post-Default Rate.

(d) Interest Payment. Interest on each Loan shall be payable monthly, in arrears, on the last day of each calendar month, commencing on the last day of the calendar month following the calendar month in which such Loan is made and at maturity (whether upon demand, by acceleration or otherwise). Interest at the Post-Default Rate shall be payable on demand. Each Borrower hereby authorizes the Administrative Agent to, and the Administrative Agent may, from time to time, charge the Loan Account pursuant to Section 4.02 with the amount of any interest payment due hereunder.

(e) General. All interest shall be computed on the basis of a year of 360 (or 365, in the case of Loans and other obligations accruing interest based on the Reference Rate) days for the actual number of days, including the first day but excluding the last day, elapsed.

Section 2.05 Reduction of Commitment; Prepayment of Loans.

(a) Reduction of Commitments.

(i) Revolving Credit Commitments. The Total Revolving Credit Commitment shall terminate on the Final Maturity Date. The Borrowers may reduce the

Total Revolving Credit Commitment in full or in part to an amount (which may be zero) not less than the sum of (A) the aggregate unpaid principal amount of all Revolving Loans then outstanding and (B) the aggregate principal amount of all Revolving Loans not yet made as to which a Notice of Borrowing has been given by the Administrative Borrower under Section 2.02, provided that in no event shall the Borrowers be permitted to reduce the Revolving Credit Commitment to an amount less than $5,000,000 (other than the permanent reduction of the Revolving Credit Commitment to zero). Each such reduction (1) shall be in an amount which is an integral multiple of $1,000,000, (2) shall be made by providing not less than one (1) Business Day's prior written notice to the Administrative Agent, (3) shall be irrevocable (except that such notice may be conditional) and (4) shall be accompanied by the payment of the Applicable Prepayment Premium, if any, payable in connection with such reduction of the Total Revolving Credit Commitment (which shall be paid to Administrative Agent for the benefit of the Revolving Loan Lenders and shall be allocated among the Revolving Loan Lenders as they may separately agree among themselves). Once reduced, the Total Revolving Credit Commitment may not be increased. Each such reduction of the Total Revolving Credit Commitment shall reduce the Revolving Credit Commitment of each Lender proportionately in accordance with its Pro Rata Share thereof.

(ii) Initial Term Loan. The Total Initial Term Loan Commitment shall terminate on the Effective Date after the funding of the Initial Term Loan by the Term Loan Lenders.

(iii) Delayed Draw Term Loan.

(A) Unless terminated sooner pursuant to Section 2.05(a)(iii)(C), the Total Delayed Draw Term Loan Commitment shall terminate at 5:00 p.m. (New York City time) on the DDTL Commitment Expiration Date.

(B) Upon at least one (1) Business Day's prior written notice (or such shorter period as shall be acceptable to the Administrative Agent) by the Administrative Borrower to the Administrative Agent, the Administrative Borrower shall have the right at any time and from time to time to terminate the Delayed Draw Term Loan Commitments and to permanently reduce to zero the remaining unfunded portion of the Delayed Draw Term Loan Commitments thereunder.

(b) Optional Prepayment.

(i) Revolving Loans. The Borrowers may, at any time and from time to time, prepay the principal of any Revolving Loan, in whole or in part.

(ii) Term Loans. The Borrowers may, at any time and from time to time, upon (x) in the case of LIBOR Rate Loans, at least three (3) Business Days' prior written notice to the Administrative Agent and (y) in the case of Reference Rate Loans, one (1) Business Day's prior written notice to the Administrative Agent, in each case to prepay the principal of the Term Loans, in whole or in part. Each prepayment made pursuant to this clause (b)(ii) shall be irrevocable (except that such notice may be conditional) and shall be accompanied by the payment of (A) accrued interest to the date of such payment on the amount prepaid, (B) the Applicable Prepayment Premium, if any, payable in connection with such prepayment of the Term Loan,

(A) any amounts payable under Section 2.09 in connection with such prepayment of the Term Loans, and (D) if such prepayment would reduce the outstanding principal amount of the Term Loans to zero, all fees and other amounts which have accrued or otherwise become payable as of such date. Each such prepayment shall be applied pro rata against the remaining installments of principal due on the Term Loan.

(iii) [Intentionally Omitted].

(iv) Prepayment In Full. The Borrowers may, upon at least five (5) Business Days prior written notice to the Administrative Agent, terminate this Agreement by paying to the Administrative Agent, in cash, the Obligations (excluding any unasserted contingent indemnification Obligations), in full, plus the Applicable Prepayment Premium, if any, payable in connection with such termination of this Agreement. If the Administrative Borrower has sent a notice of termination pursuant to this clause (iv), then the Lenders' obligations to extend credit hereunder shall terminate and the Borrowers shall be obligated to repay the Obligations (excluding any unasserted contingent indemnification Obligations) in full, plus the Applicable Prepayment Premium, if any, payable in connection with such termination of this Agreement on the date set forth as the date of termination of this Agreement in such notice (except that such termination may be conditioned on the closing of a replacement financing facility).

(c) Mandatory Prepayment.

(i) The Borrowers will promptly (and in any event within two (2) Business Days) prepay the Revolving Loans at any time when the aggregate principal amount of all Revolving Loans exceeds the Total Revolving Credit Commitment, to the full extent of any such excess.

(ii) [Intentionally Omitted].

(iii) [Intentionally Omitted].

(iv) Within five (5) Business Days of delivery to the Agents and the Lenders of annual financial statements pursuant to Section 7.01(a)(ii), commencing with the delivery to the Agents and the Lenders of the financial statements for the Fiscal Year ended on December 31, 2020 (or, if such financial statements are not delivered to the Agents on the date such statements are required to be delivered pursuant to Section 7.01(a)(ii), five (5) Business Days after the date such statements are required to be delivered to the Agents pursuant toSection 7.01(a)(ii)), the Borrowers shall prepay the outstanding principal amount of the Loans in accordance with clause (d) below in an amount equal to the result (if positive) of (1) 50% of the Excess Cash Flow of the Parent and its Subsidiaries for such Fiscal Year (provided, that Excess Cash Flow for the Fiscal Year ended on December 31, 2020 shall be calculated for the period commencing on the Effective Date and ending on December 31, 2020), *minus* (2) the amount of any voluntary prepayments of the Term Loans made during such Fiscal Year, *minus* (3) the amount of any voluntary prepayments of the Revolving Loans accompanied by a permanent reduction or termination of the Total Revolving Credit Commitment during such Fiscal Year.

(v) Subject to clause (viii) below, within five (5) Business Days following any Permitted Disposition (other than a Disposition pursuant to clauses (b), (c), (d), (f),

(g) , (h), (i), (j) and (k) of the definition of "Permitted Disposition") by any Loan Party or its Subsidiaries pursuant to Section 7.02(c)(ii), the Borrowers shall prepay the outstanding principal amount of the Loans in accordance with clause (d) below in an amount equal to 100% of the Net Cash Proceeds received by such Person in connection with such Permitted Disposition to the extent that the aggregate amount of Net Cash Proceeds received by all Loan Parties and their Subsidiaries (and not paid to the Administrative Agent as a prepayment of the Loans) shall exceed for all such Permitted Dispositions $500,000 in any Fiscal Year. Nothing contained in this subsection (v) shall permit any Loan Party or any of its Subsidiaries to make a Disposition of any property other than in accordance with Section 7.02(c)(ii).

(vi) Upon the issuance or incurrence by any Loan Party or any of its Subsidiaries of any Indebtedness (other than Permitted Indebtedness), the Borrowers shall prepay the outstanding amount of the Loans in accordance with clause (d) below in an amount equal to 100% of the Net Cash Proceeds received by such Person in connection therewith. The provisions of this subsection (vi) shall not be deemed to be implied consent to any such issuance, incurrence or sale otherwise prohibited by the terms and conditions of this Agreement.

(vii) Subject to clause (viii) below, within two (2) Business Days of the receipt by any Loan Party or any of its Subsidiaries of any Extraordinary Receipts, the Borrowers shall prepay the outstanding principal of the Loans in accordance with clause (d) below an amount equal to 100% of such Extraordinary Receipts net of any reasonable expenses incurred in collecting such Extraordinary Receipts to the extent that the aggregate amount thereof received by all Loan Parties and their Subsidiaries (and not paid to the Administrative Agent as a prepayment of the Loans) shall exceed $750,000 in any Fiscal Year; provided, that the Loan Parties shall not be required to prepay the outstanding principal of the Loans in connection with the receipt of any Extraordinary Receipts with respect to the Club Ready Settlement in an aggregate amount not to exceed $2,000,000.

(viii) Notwithstanding the foregoing, with respect to Net Cash Proceeds received by any Loan Party or any of its Subsidiaries in connection with a Permitted Disposition or the receipt of Extraordinary Receipts consisting of insurance proceeds or condemnation awards that are required to be used to prepay the Obligations pursuant to Section 2.05(c)(v) or Section 2.05(c)(vii), as the case may be, up to $1,000,000 in the aggregate in any Fiscal Year of the Net Cash Proceeds from all such Permitted Dispositions and Extraordinary Receipts shall not be required to be so used to prepay the Obligations to the extent that such Net Cash Proceeds and Extraordinary Receipts are used to acquire, replace, repair or restore properties or assets used in the Parent's and its Subsidiaries' business, provided that, (A) no Event of Default has occurred and is continuing on the date such Person receives such Net Cash Proceeds or Extraordinary Receipts, (B) the Administrative Borrower delivers a certificate to the Administrative Agent within 30 days after the receipt of such Net Cash Proceeds or Extraordinary Receipts resulting from such Disposition or loss, destruction or taking, as the case may be, stating that such Net Cash Proceeds or Extraordinary Receipts shall be used to acquire, replace, repair or restore properties or assets used in such Person's business within a period specified in such certificate not to exceed two hundred and seventy (270) days after the date of receipt of such Net Cash Proceeds or Extraordinary Receipts (which certificate shall set forth estimates of the Net Cash Proceeds or Extraordinary Receipts to be so expended), (C) such Net Cash Proceeds or Extraordinary Receipts are (1) deposited in an account of a Loan Party listed on Schedule 6.01(v)

or (2) used to prepay the Revolving Loans so long as a reserve is established in the amount of such prepayment which reserve shall be released only upon the reinvestment of such proceeds in accordance with the terms of this clause (viii), and (D) upon the earlier of (1) the expiration of the period specified in the relevant certificate furnished to the Administrative Agent pursuant to clause (B) above or (2) the occurrence of an Event of Default, such Net Cash Proceeds or Extraordinary Receipts, if not theretofore so used, shall be used to prepay the Obligations in accordance with Section 2.05(c)(v) or Section 2.05(c)(vii) as applicable.

(ix) Within three (3) Business Days after receipt by the Borrowers of the proceeds of any Permitted Cure Equity pursuant to Section 9.02 in respect of any noncompliance with the financial covenant set forth in Section 7.03, the Borrowers shall prepay the outstanding principal amount of the Loans in accordance with Section 2.05(d) in an amount equal to 100% of such proceeds.

(d) Application of Payments. Each prepayment pursuant to subsections (c)(iv), (c)(v), (c)(vi), (c)(vii) and (c)(ix) above shall be applied first, to the Term Loan, until paid in full, and second, to the Revolving Loans (without any corresponding reduction to the Total Revolving Credit Commitment). Prepayments of the Term Loan shall be applied against the remaining installments of principal of the Term Loan (including the final payment of the Term Loan on the Final Maturity Date) in the inverse order of maturity.

(e) Interest and Fees. Any prepayment made pursuant to this Section 2.05 shall be accompanied by (i) accrued interest on the principal amount being prepaid to the date of prepayment, (ii) any Funding Losses (if any) payable pursuant to Section 2.09(e), (iii) other than in the case of prepayments made pursuant to Sections 2.05(c)(i), (iv), (v), (vii) and (ix), the Applicable Prepayment Premium, if any, payable in connection with such prepayment of the Loans and (iv) if such prepayment would reduce the amount of the outstanding Loans to zero at a time when the Total Revolving Credit Commitment has been terminated, such prepayment shall be accompanied by the payment of all fees accrued to such date pursuant to Section 2.06.

(f) Cumulative Prepayments. Payments with respect to any subsection of this Section 2.05 are without duplication of payments made or required to be made under any other subsection of this Section 2.05.

Section 2.06 Fees.

(a) Unused Line Fee. From and after the Effective Date and until the Final Maturity Date, the Borrowers shall pay to the Administrative Agent for the account of the Revolving Loan Lenders, in accordance with their Pro Rata Share, an unused line fee (the "Unused Line Fee"), which shall accrue at the rate per annum of 0.50% on the excess, if any, of the Total Revolving Credit Commitment over the sum of the average principal amount of all Revolving Loans outstanding during the prior one month period and shall be payable monthly in arrears on the last day of each month commencing March 31, 2020.

(b) Applicable Prepayment Premium. Notwithstanding anything herein to the contrary, except as provided in Section 2.05(e), in the event of the termination of this Agreement and repayment of the Obligations at any time prior to the Final Maturity Date, for any

reason, including (i) termination upon the election of the Required Lenders to terminate after the occurrence and during the continuation of an Event of Default (or, in the case of the occurrence of any Event of Default described in Section 9.01(f) or Section 9.01(g) with respect to any Loan Party, automatically upon the occurrence thereof), (ii) foreclosure and sale of Collateral, (iii) sale of the Collateral in any Insolvency Proceeding, or (iv) restructuring, reorganization, or compromise of the Obligations by the confirmation of a plan of reorganization or any other plan of compromise, restructuring, or arrangement in any Insolvency Proceeding, then, in view of the impracticability and extreme difficulty of ascertaining the actual amount of damages to the Agents and the Lenders or profits lost by the Agents and the Lenders as a result of such early termination, and by mutual agreement of the parties as to a reasonable estimation and calculation of the lost profits or damages of the Agents and the Lenders, the Borrowers shall pay to the Administrative Agent, for the account of the Lenders in accordance with written agreements amongst the Collateral Agent, the Administrative Agent and the Lenders, the Applicable Prepayment Premium, if any, measured as of the date of such termination. The Loan Parties expressly agree that: (A) the Applicable Prepayment Premium is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel; (B) the Applicable Prepayment Premium shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between the Lenders and the Loan Parties giving specific consideration in this transaction for such agreement to pay the Applicable Prepayment Premium; (D) the Loan Parties' agreement to pay the Applicable Prepayment Premium is a material inducement to Lenders to provide the Commitments and make the Loans; and (E) the Applicable Prepayment Premium represents a good faith, reasonable estimate and calculation of the lost profits or damages of the Agents and the Lenders and that it would be impractical and extremely difficult to ascertain the actual amount of damages to the Agents and the Lenders or profits lost by the Agents and the Lenders as a result of such acceleration. No Applicable Prepayment Premium shall be due and owing (1) in connection with any prepayment of the Term Loan resulting from an initial public offering of the Parent that is consummated on or before the first anniversary of the Effective Date, solely with respect to (x) the first $35,000,000 of the Term Loan prepaid in connection therewith or (y) if the General Atlantic Investment has occurred, the first $50,000,000 of the Term Loan prepaid in connection therewith, (2) in connection with the refinancing in full of Obligations in which Cerberus participates in such refinancing as a lender.

(c) Delayed Draw Term Loan Unused Line Fee. The Borrower agrees to pay to the Administrative Agent, for the account of the Delayed Draw Term Lenders, a ticking fee (the "DDTL Unused Commitment Fee"), which shall accrue on the unfunded portion of the Delayed Draw Term Loan Commitments, beginning on the Effective Date and ending on the DDTL Commitment Expiration Date, and shall be payable monthly in arrears on the last day of each month (commencing on March 31, 2020), in an amount equal to 0.50% per annum of the actual daily undrawn portion of the Delayed Draw Term Loan Commitments during such period.

(d) Fee Letter. As and when due and payable under the terms of the Fee Letter, the Borrowers shall pay the fees set forth in the Fee Letter.

Section 2.07 [Intentionally Omitted].

Section 2.08 Taxes (a) Except as otherwise required by applicable law, any and all payments by any Loan Party hereunder or under any other Loan Document shall be made free

and clear of and without deduction for any and all Taxes. If any Loan Party shall be required to deduct any Taxes from or in respect of any sum payable hereunder to any Agent or any Lender (or any Transferee), (i) if such Tax is an Indemnified Tax, the sum payable shall be increased by the amount (an "Additional Amount") necessary so that after making all such deductions (including deductions applicable to additional sums payable under this Section 2.08) such Agent or such Lender (or such Transferee) shall receive an amount equal to the sum it would have received had no such deductions been made, (ii) such Loan Party shall make such deductions and (iii) such Loan Party shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law. For purposes of this Section 2.08, the term "applicable law" includes FACTA.

(b) In addition, each Loan Party agrees to pay to the relevant Governmental Authority in accordance with applicable law any present or future stamp or documentary taxes or any recording, intangible or similar taxes, charges or levies that arise from any payment made hereunder or from the execution, delivery or registration of, or otherwise with respect to, this Agreement or any other Loan Document, except any such Taxes that are Other Connection Taxes imposed with respect to an assignment ("Other Taxes"). Each Loan Party shall deliver to the Administrative Agent official receipts or certified copies thereof (or other reasonable evidence of payment) in respect of any Taxes or Other Taxes payable hereunder promptly after payment of such Taxes or Other Taxes.

(c) The Loan Parties hereby jointly and severally indemnify and agree to hold each Agent and each Lender harmless from and against any Indemnified Taxes (including, without limitation, Indemnified Taxes imposed on any amounts payable under this Section 2.08) paid by such Person, whether or not such Indemnified Taxes were correctly or legally asserted by the relevant Governmental Authority. Such indemnification shall be paid within ten (10) days from the date on which any such Person makes written demand therefor specifying in reasonable detail the nature and amount of such Indemnified Taxes.

(d)

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and delivery of such documentation (other than such documentation set forth in (d)(ii) and (d)(iii) below) shall not be required if in any Lender's reasonable judgment, such completion, execution or delivery would subject such Lender to any material unreimbursed cost or would materially prejudice the legal or commercial position of such Lender.

(ii) Each Lender (or Transferee) that is organized under the laws of a jurisdiction outside the United States (a "Non-U.S. Lender") agrees that it shall, no later than the Effective Date (or, in the case of a Lender (or Transferee) which becomes a party hereto pursuant to Section 12.07 hereof after the Effective Date, promptly after the date upon which such Lender (or Transferee) becomes a party hereto) deliver to the Agents (and the Administrative Agent shall deliver a copy to the Administrative Borrower) (or, in the case of a participant, to the Lender granting the participation only) one properly completed and duly executed copy of either U.S. Internal Revenue Service Form W-8BEN, W-8BEN-E, W-8ECI or W-8IMY or any subsequent versions thereof or successors thereto, in each case claiming complete exemption from, or reduced rate of, U.S. Federal withholding tax and payments of interest hereunder. In addition, in the case of a Non-U.S. Lender claiming exemption from U.S. Federal withholding tax under Section 871(h) or 881(c) of the Internal Revenue Code, such Non-U.S. Lender hereby represents to the Agents and the Borrowers that such Non-U.S. Lender is not a bank for purposes of Section 881(c) of the Internal Revenue Code, is not a10-percent shareholder (within the meaning of Section 871(h)(3)(B) of the Internal Revenue Code) of the Parent and is not a controlled foreign corporation related to the Parent (within the meaning of Section 881(c)(3)(C) of the Internal Revenue Code), and such Non-U.S. Lender agrees that it shall promptly notify the Agents in the event any such representation is no longer accurate. Such forms shall be delivered by each Non- U.S. Lender on or before the date it becomes a party to this Agreement (or, in the case of a Transferee that is a participation holder, on or before the date such participation holder becomes a Transferee hereunder) and on or before the date, if any, such Non-U.S. Lender changes its applicable lending office by designating a different lending office (a "New Lending Office"). In addition, such Non-U.S. Lender shall deliver such forms within twenty (20) days after receipt of a written request therefor from any Agent (who may be acting pursuant to a request by the Administrative Borrower), the assigning Lender or the Lender granting a participation, as applicable. Each Non-U.S. Lender shall deliver such forms promptly upon the obsolescence, expiration or invalidity of any form previously delivered by such Non-U.S. Lender. Notwithstanding any other provision of this Section 2.08, a Non-U.S. Lender shall not be required to deliver any form pursuant to thisSection 2.08(d) that such Non-U.S. Lender is not legally able to deliver. If a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender fails to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent (A) a certification signed by the chief financial officer, principal accounting officer, treasurer or controller and (B) other documentation reasonably requested by the Borrower and the Administrative Agent sufficient for the Administrative Agent and the Borrower to comply with their obligations under FATCA and to determine that such Lender has complied with such applicable reporting requirements. Solely for purposes of this clause (d), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iii) Any Lender (or Transferee) that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or Agents), executed copies of IRS form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax.

(e) The Loan Parties shall not be required to indemnify any Non-U.S. Lender, or pay any Additional Amounts to any Non-U.S. Lender, in respect of any withholding tax pursuant to this Section 2.08 to the extent that (i) the obligation to withhold such amounts existed on the date such Non-U.S. Lender became a party to this Agreement (or, in the case of a Transferee that is a participation holder, on the date such participation holder became a Transferee hereunder) or, with respect to payments to a New Lending Office, the date such Non-U.S. Lender designated such New Lending Office with respect to a Loan; provided, however, that this clause (i) shall not apply to the extent the indemnity payment or Additional Amounts any Transferee, or Lender (or Transferee) through a New Lending Office, would be entitled to receive (without regard to this clause (i)) do not exceed the indemnity payment or Additional Amounts that the Person making the assignment, participation or transfer to such Transferee, or Lender (or Transferee) making the designation of such New Lending Office, would have been entitled to receive in the absence of such assignment, participation, transfer or designation, or (ii) the obligation to pay such Additional Amounts would not have arisen but for a failure by such Non-U.S. Lender to comply with the provisions of clause (d) above.

(f) The Administrative Agent shall deliver to the Borrower two executed copies of whichever of the following is applicable:

(i) if the Administrative Agent is a U.S. Person, IRS Form W-9 certifying to such Administrative Agent's exemption from U.S. federal backup withholding; or

(ii) if the Administrative Agent is not a U.S. Person,

(A) IRS Form W-8ECI with respect to payments received for its own account; and

(B) IRS Form W-8IMY with respect to any amounts payable to the Administrative Agent for the account of others, certifying that it is a U.S. branch of a foreign bank or insurance company described in Regulations section 1.1441-1(b)(2)(iv)(A) that is a participating FFI (including a reporting Model 2 FFI), registered deemed-compliant FFI (including a reporting Model 1 FFI), or NFFE that is using this form as evidence of its agreement with the withholding agent to be treated as a U.S. Person with respect to any payments associated with this withholding certificate.

The Administrative Agent agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower in writing of its legal inability to do so.

(g) If any Lender or any Agent determines, in its sole judgment exercised in good faith, that it has received a refund of any Indemnified Taxes as to which it has been indemnified by any Loan Party or with respect to which any Loan Party has paid additional amounts pursuant to this Section 2.08, it shall pay to the Administrative Borrower an amount equal to such refund (but only the extent of indemnity payments made, or additional amounts paid, by the Loan Parties under this Section with respect to the Indemnified Taxes giving rise to such refund), net of all out-of-pocket expenses of such Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect

to such refund); provided that the Administrative Borrower, upon the reasonable request of such Agent or such Lender, agrees to repay the amount paid over to the Administrative Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such Agent or such Lender in the event such Agent or such Lender is required to repay such refund to such Governmental Authority. This subsection shall not be construed to require any Agent or any Lender to make available its tax returns and any other information relating to its taxes that it deems confidential to any Borrower or any other Person.

(h) Any Agent or any Lender (or Transferee) claiming any indemnity payment or additional payment amounts payable pursuant to this Section 2.08 shall use reasonable efforts (consistent with legal and regulatory restrictions) to file any certificate or document reasonably requested in writing by the Administrative Borrower or to change the jurisdiction of its applicable lending office if the making of such a filing or change would avoid the need for or reduce the amount of any such indemnity payment or additional amount that may thereafter accrue, would not require such Agent or such Lender (or Transferee) to disclose any information such Agent or such Lender (or Transferee) deems confidential and would not, in the sole determination of such Agent or such Lender (or Transferee), be otherwise disadvantageous to such Agent or such Lender (or Transferee).

(i) The obligations of the Loan Parties under this Section 2.08 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

Section 2.09 LIBOR Option.

(a) In lieu of having interest charged at the rate based upon the Reference Rate, the Borrowers shall have the option (the "LIBOR Option") to have interest on all or a portion of the Loans be charged at a rate of interest based upon the LIBOR Rate. Each Interest Period of a LIBOR Rate Loan shall commence on the date such LIBOR Rate Loan is made and shall end on such date as the Borrowers may elect as set forth in Section 2.02(a) above; provided that the exact length of each Interest Period shall be determined in accordance with the practice of the interbank market for offshore Dollar deposits. If on the date that is three (3) Business Days prior to the last day of each Interest Period of a LIBOR Rate Loan, unless the Administrative Borrower otherwise instructs in accordance with the terms hereunder, the interest rate applicable to such LIBOR Rate Loan shall automatically continue at the LIBOR Rate for an additional period equal in length to such Interest Period. At the direction of the Required Lenders at any time that an Event of Default has occurred and is continuing, the Administrative Borrower no longer shall have the option to request that Loans bear interest at the LIBOR Rate and Administrative Agent shall have the right to convert the interest rate on all outstanding LIBOR Rate Loans to the rate then applicable to Reference Rate Loans hereunder.

(b) The Administrative Borrower shall elect the initial Interest Period applicable to a LIBOR Rate Loan by its Notice of Borrowing given to the Administrative Agent pursuant to Section 2.02(a) or by its notice of conversion given to the Administrative Agent pursuant to Section 2.09(c), as the case may be. The Administrative Borrower shall elect the duration of each succeeding Interest Period by giving irrevocable written notice to the Administrative Agent of such duration not later than 1:00 p.m. (New York time) on the day which

is three (3) Business Days prior to the last day of the then current Interest Period applicable to such LIBOR Rate Loan. If the Administrative Agent does not receive timely notice of the Interest Period elected by the Administrative Borrower, the Administrative Borrower shall be deemed to have elected to convert such LIBOR Rate Loan to a Reference Rate Loan.

(c) The Administrative Borrower may, on any Business Day of the then current Interest Period applicable to any outstanding LIBOR Rate Loan, or on any Business Day with respect to Reference Rate Loans, convert any such loan into a loan of another type of loan (i.e., a Reference Rate Loan or a LIBOR Rate Loan) in the same aggregate principal amount, provided that any conversion of a LIBOR Rate Loan not made on the last Business Day of the then current Interest Period applicable to such LIBOR Rate Loan shall be subject to Section 2.09(e). If a Borrower desires to convert a Loan, such Borrower shall deliver to the Administrative Agent a LIBOR Notice by no later than 1:00 p.m. (New York time) (i) on the day which is three (3) Business Days' prior to the date on which such conversion is to occur with respect to a conversion from a Reference Rate Loan to a LIBOR Rate Loan, or (ii) on the day which is one (1) Business Day prior to the date on which such conversion is to occur with respect to a conversion from a LIBOR Rate Loan to a Reference Rate Loan, specifying, in each case, the date of such conversion, the Loans to be converted and if the conversion is from a Reference Rate Loan to a LIBOR Rate Loan, the duration of the first Interest Period therefor.

(d) In the event that any prepayment of a LIBOR Rate Loan is required or permitted on a date other than the last Business Day of the then current Interest Period with respect thereto, the Borrowers shall, jointly and severally, indemnify the Administrative Agent and Lenders therefor in accordance with Section 2.09(e).

(e) The Borrowers shall, jointly and severally, indemnify the Agents and Lenders and hold the Agents and Lenders harmless from and against any and all losses, costs or expenses, excluding the loss of any margin above the LIBOR Rates (such losses, costs and expenses, collectively, "Funding Losses"), that the Agents and Lenders may sustain or incur as a consequence of any mandatory or voluntary prepayment, conversion of or any default by the Borrowers in the payment of the principal of or interest on any LIBOR Rate Loan or failure by the Borrowers to complete a borrowing of, a prepayment of or conversion of or to a LIBOR Rate Loan after notice thereof has been given, including, but not limited to, any interest, excluding the loss of any margin above the LIBOR Rates, payable by the Agents or Lenders to lenders of funds obtained by it in order to make or maintain its LIBOR Rate Loans hereunder (it being agreed that the Agents and Lenders shall be entitled to such indemnification on such basis whether or not they have obtained such funds to make or maintain its LIBOR Rate Loans hereunder, to be calculated in accordance with customary banking practices). A certificate as to any additional amounts payable pursuant to the foregoing sentence submitted by any Agent or any Lender to the Borrowers shall be conclusive absent manifest error.

(f) Notwithstanding any other provision hereof, if any Requirement of Law or any change therein or in the interpretation or application thereof, shall make it unlawful for any Lender (for purposes of this subsection (f), the term "Lender" shall include any Lender and the office or branch where any Lender or any corporation or bank controlling such Lender makes or maintains any LIBOR Rate Loans) to make or maintain its LIBOR Rate Loans, the obligation of such Lender to make LIBOR Rate Loans hereunder shall forthwith be cancelled and the Borrowers

shall, if any affected LIBOR Rate Loans are then outstanding, promptly and upon the reasonable request from the Administrative Agent, at the Borrowers' option, either pay all such affected LIBOR Rate Loans or convert such affected LIBOR Rate Loans into loans of another type. If any such payment or conversion of any LIBOR Rate Loan is made on a day that is not the last day of the Interest Period applicable to such LIBOR Rate Loan, the Borrowers shall pay the Administrative Agent, upon the Administrative Agent's reasonable request, such amount or amounts as may be necessary to compensate Lenders for any Funding Losses sustained or incurred by Lenders in respect of such LIBOR Rate Loan as a result of such payment or conversion, including (but not limited to) any interest or other amounts payable by Lenders to lenders of funds actually obtained by Lenders in order to make or maintain such LIBOR Rate Loan. A certificate as to any additional amounts that describes in reasonable detail the calculations thereof payable pursuant to the foregoing sentence submitted by Lenders to the Borrowers shall be conclusive absent manifest error.

(g) Subject to the last paragraph of the definition of "LIBOR Rate", in the event that any Agent shall have determined that:

(i) reasonable means do not exist for ascertaining the LIBOR Rate applicable pursuant to Section 2.02(a) for any Interest Period; or

(ii) Dollar deposits in the relevant amount and for the relevant maturity are not available in the London interbank LIBOR market, with respect to an outstanding LIBOR Rate Loan, a proposed LIBOR Rate Loan, or a proposed conversion of a Reference Rate Loan into a LIBOR Rate Loan,

then Administrative Agent shall give the Administrative Borrower prompt written, telephonic or facsimile notice of such determination. If such notice is given, (i) any such requested LIBOR Rate Loan shall be made as a Reference Rate Loan, unless the Administrative Borrower shall notify the Administrative Agent no later than 1:00 p.m. (New York time) two (2) Business Days prior to the date of such proposed borrowing, that its request for such borrowing shall be cancelled or made as an unaffected type of LIBOR Rate Loan, (ii) any Reference Rate Loan or LIBOR Rate Loan which was to have been converted to an affected type of LIBOR Rate Loan shall be continued as or converted into a Reference Rate Loan, or, if the Administrative Borrower shall notify the Administrative Agent, no later than 11:00 a.m. (New York time) two (2) Business Days prior to the proposed conversion, shall be maintained as an unaffected type of LIBOR Rate Loan, and (iii) any outstanding affected LIBOR Rate Loans shall be converted into a Reference Rate Loan, or, if the Administrative Borrower shall notify Administrative Agent, no later than 11:00 a.m. (New York time) two (2) Business Days prior to the last Business Day of the then current Interest Period applicable to such affected LIBOR Rate Loan, shall be converted into an unaffected type of LIBOR Rate Loan, on the last Business Day of the then current Interest Period for such affected LIBOR Rate Loans. Until such notice has been withdrawn, Lenders shall have no obligation to make an affected type of LIBOR Rate Loan or maintain outstanding affected LIBOR Rate Loans and the Borrowers shall not have the right to convert a Reference Rate Loan or an unaffected type of LIBOR Rate Loan into an affected type of LIBOR Rate Loan.

(h) Anything to the contrary contained herein notwithstanding, neither any Agent nor any Lender, nor any of their participants, is required actually to acquire LIBOR deposits

to fund or otherwise match fund any Obligation as to which interest accrues at the LIBOR Rate. The provisions of this ARTICLE II shall apply as if each Lender or its participants had match funded any Obligation as to which interest is accruing at the LIBOR Rate by acquiring LIBOR deposits for each Interest Period in the amount of the LIBOR Rate Loans.

(i)

(i) If any Lender requests compensation or if any Borrower is required to pay any additional amount to any Lender or if any Borrower is required to pay any additional interest or other amount to any Lender hereunder (each, a "Required Amount"), then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable hereunder in the future, (ii) would not subject such Lender to any unreimbursed cost or expense, and (iii) would not otherwise be materially disadvantageous to such Lender.

(ii) If any Lender requires the Borrower to pay any Required Amounts and such Lender has declined or is unable to designate a different lending office in accordance with clause (a) above, or if any Lender is a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 12.07), all of its interests, rights and obligations under this Agreement and the other Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that:

(A) the Borrower shall have paid to the Agents any assignment fees specified in Section 12.07;

(B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts); and

(C) such assignment does not conflict with applicable law.

Prior to the effective date of such assignment, the assigning Lender shall execute and deliver an Assignment and Acceptance, subject only to the conditions set forth above. If the assigning Lender shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such assignment, the assigning Lender shall be deemed to have executed and delivered such Assignment and Acceptance. Any such assignment shall be made in accordance with the terms of Section 12.07. A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

ARTICLE III

[Intentionally Omitted].

ARTICLE IV

PAYMENTS AND OTHER COMPENSATION

Section 4.01 [Intentionally Omitted].

Section 4.02 Payments; Computations and Statements. (a) The Borrowers will make each payment under this Agreement not later than 1:00 p.m. (New York time) on the day when due, in lawful money of the United States of America and in immediately available funds, to the Administrative Agent's Account. All payments received by the Administrative Agent after 1:00 p.m. (New York time) on any Business Day will be credited to the Loan Account on the next succeeding Business Day. All payments shall be made by the Borrowers without set-off, counterclaim, deduction or other defense to the Agents and the Lenders. Except as provided in Section 2.02, after receipt, the Administrative Agent will promptly thereafter cause to be distributed like funds relating to the payment of principal ratably to the Lenders in accordance with their Pro Rata Shares and like funds relating to the payment of any other amount payable to any Lender to such Lender, in each case to be applied in accordance with the terms of this Agreement, provided that the Administrative Agent will cause to be distributed all interest and fees received from or for the account of the Borrowers not less than once each month and in any event promptly after receipt thereof. The Lenders and the Borrowers hereby authorize the Administrative Agent to, and the Administrative Agent may, from time to time during the existence of an Event of Default, charge the Loan Account of the Borrowers with any amount due and payable by the Borrowers under any Loan Document. Any amount charged to the Loan Account of the Borrowers shall be deemed a Revolving Loan hereunder made by the Revolving Loan Lenders to the Borrowers, funded by the Administrative Agent on behalf of the Revolving Loan Lenders and subject to Section 2.02 of this Agreement. Whenever any payment to be made under any such Loan Document shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall in such case be included in the computation of interest or fees, as the case may be. All computations of fees shall be made by the Administrative Agent on the basis of a year of 360 days for the actual number of days (including the first day but excluding the last day) occurring in the period for which such fees are payable. Each determination by the Administrative Agent of an interest rate or fees hereunder shall be conclusive and binding for all purposes in the absence of manifest error.

(b) The Administrative Agent shall provide the Administrative Borrower, promptly after the end of each calendar month, a summary statement (in the form from time to time used by the Administrative Agent) of the opening and closing daily balances in the Loan Account of the Borrowers during such month, the amounts and dates of all Loans made to the Borrowers during such month, the amounts and dates of all payments on account of the Loans to the Borrowers during such month and the Loans to which such payments were applied, the amount of interest accrued on the Loans to the Borrowers during such month, the amounts and dates of all Loans made to the Borrowers during such month, and the amount and nature of any

charges to the Loan Account made during such month on account of fees, commissions, expenses and other Obligations. All entries on any such statement shall be presumed to be correct and, thirty (30) days after the same is sent, shall be final and conclusive absent manifest error.

Section 4.03 Sharing of Payments, Defaulting Lenders, Etc.

(a) The Administrative Agent shall not be obligated to transfer to a Defaulting Lender any payments made by any Borrower to the Administrative Agent for the Defaulting Lender's benefit, and, in the absence of such transfer to the Defaulting Lender, the Administrative Agent shall transfer any such payments to each other non-Defaulting Lender ratably in accordance with their Commitments (but only to the extent that such Defaulting Lender's Loan was funded by the other Lenders) or, if so directed by the Borrowers and if no Default or Event of Default has occurred and is continuing (and to the extent such Defaulting Lender's Loan was not funded by the other Lenders), retain the same to be re-advanced to the Borrowers as if such Defaulting Lender had made such Loans to the Borrowers. Subject to the foregoing, the Administrative Agent may hold and, in its discretion, re-lend to the Borrowers for the account of such Defaulting Lender the amount of all such payments received and retained by the Administrative Agent for the account of such Defaulting Lender. This Section shall remain effective with respect to such Lender until (x) the Obligations (other than unasserted contingent indemnification Obligations) under this Agreement shall have been declared or shall have become immediately due and payable, (y) the non-Defaulting Lenders, the Administrative Agent, and the Borrowers shall have waived such Defaulting Lender's default in writing, or (z) the Defaulting Lender makes its Pro Rata Share of the applicable defaulted Loan and pays to the Administrative Agent all amounts owing by such Defaulting Lender in respect thereof. The operation of this Section shall not be construed to increase or otherwise affect the Commitment of any Lender, to relieve or excuse the performance by such Defaulting Lender or any other Lender of its duties and obligations hereunder, or to relieve or excuse the performance by the Borrowers of its duties and obligations hereunder to the Administrative Agent or to the Lenders other than such Defaulting Lender. Any such failure to fund by any Defaulting Lender shall constitute a material breach by such Defaulting Lender of this Agreement and shall entitle the Borrowers at their option, subject to the written consent of the Collateral Agent (which consent shall not be unreasonably withheld), to permanently replace the Defaulting Lender with one or more substitute Lenders (each, a "Replacement Lender"), and the Defaulting Lender shall have no right to refuse to be replaced hereunder. Notice from the Borrowers to the Agents effecting their right to replace the Defaulting Lender shall specify an effective date for such replacement, which date shall not be later than fifteen (15) Business Days after the date such notice is given. Prior to the effective date of such replacement, the Defaulting Lender and each Replacement Lender shall execute and deliver an Assignment and Acceptance, subject only to the Defaulting Lender being repaid its share of the outstanding Obligations without any premium or penalty of any kind whatsoever. If the Defaulting Lender shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, the Defaulting Lender shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Defaulting Lender shall be made in accordance with the terms of Section 12.07(b). Any such assumption of the Commitment of such Defaulting Lender shall not be deemed to constitute a waiver of any of the Lenders' or the Borrowers' rights or remedies against any such Defaulting Lender arising out of or in relation to such failure to fund.

(b) Except as provided in Section 2.02 or Section 12.07, if any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set- off, or otherwise) on account of any Obligation in excess of its ratable share of payments on account of similar obligations obtained by all the Lenders, such Lender shall forthwith purchase from the other Lenders such participations in such similar obligations held by them as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; provided, however, that if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each Lender shall be rescinded and such Lender shall repay to the purchasing Lender the purchase price to the extent of such recovery together with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender of any interest or other amount paid by the purchasing Lender in respect of the total amount so recovered); provided, the provisions of this Section 4.03(b) shall not be construed to apply to any payment made by or on behalf of any Borrower pursuant to and in accordance with the terms of this Agreement (including, without limitation, as provided in Section 2.05 and the application of funds arising from the existence of a Defaulting Lender) The Borrowers agree that any Lender so purchasing a participation from another Lender pursuant to this Section 4.03(b) may, to the fullest extent permitted by law, exercise all of its rights (including the Lender's right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of the Borrowers in the amount of such participation.

Section 4.04 Apportionment of Payments. Subject to Section 2.02 or Section 12.07 hereof and to any written agreement among the Agents and/or the Lenders:

(a) all payments of principal and interest in respect of outstanding Loans, all payments of fees (other than the fees set forth in Sections 2.06 and 7.01(f) hereof) and all other payments in respect of any other Obligations, shall be allocated by the Administrative Agent among such of the Lenders as are entitled thereto, in proportion to their respective Pro Rata Shares or otherwise as provided herein or, in respect of payments not made on account of Loans, as designated by the Person making payment when the payment is made.

(b) After the occurrence and during the continuance of an Event of Default, the Administrative Agent may, and upon the direction of the Required Lenders shall, apply all proceeds of the Collateral, subject to the provisions of this Agreement, (i) first, ratably to pay the Obligations in respect of any fees, expense reimbursements, indemnities and other amounts then due and payable to the Agents until paid in full; (ii) second, ratably to pay interest then due and payable in respect of the Agent Advances until paid in full; (iii) third, ratably to pay principal of the Agent Advances until paid in full; (iv) fourth, ratably to pay the Obligations in respect of any fees (other than any Applicable Prepayment Premium) and indemnities then due and payable to the Lenders until paid in full; (v) fifth, ratably to pay interest then due and payable in respect of the Loans until paid in full; (vi) sixth, ratably to pay principal of the Loans until paid in full; (vii) seventh, ratably to pay the Obligations in respect of any Applicable Prepayment Premium then due and payable to the Lenders until paid in full; and (viii) eighth, to the ratable payment of all other Obligations then due and payable.

(c) In each instance, so long as no Event of Default has occurred and is continuing,Section 4.04(b) shall not be deemed to apply to any payment by the Borrowers

specified by the Administrative Borrower to the Administrative Agent to be for the payment of Term Loan Obligations then due and payable under any provision of this Agreement or the prepayment of all or part of the principal of the Term Loans in accordance with the terms and conditions of Section 2.05.

(d) For purposes of Section 4.04(b), (other than clause (viii)), "paid in full" means payment in cash of all amounts owing under the Loan Documents according to the terms thereof, including loan fees, service fees, professional fees, interest (and specifically including interest accrued after the commencement of any Insolvency Proceeding), default interest, interest on interest, and expense reimbursements, whether or not same would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding, except to the extent that default or overdue interest (but not any other interest) and loan fees, each arising from or related to a default, are disallowed in any Insolvency Proceeding; provided, however, that for the purposes of clause (viii), "paid in full" means payment in cash of all amounts owing under the Loan Documents according to the terms thereof, including loan fees, service fees, professional fees, interest (and specifically including interest accrued after the commencement of any Insolvency Proceeding), default interest, interest on interest, and expense reimbursements, whether or not the same would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding.

(e) In the event of a direct conflict between the priority provisions of this Section 4.04 and other provisions contained in any other Loan Document, it is the intention of the parties hereto that both such priority provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 4.04 shall control and govern.

Section 4.05 Increased Costs and Reduced Return. (a) If any Lender or any Agent shall have determined that a Change in Law, shall (i) subject such Agent or such Lender, or any Person controlling such Agent or such Lender, to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, (ii) impose, modify or deem applicable any reserve, special deposit or similar requirement against any Loan or against assets of or held by, or deposits with or for the account of, or credit extended by, such Agent or such Lender or any Person controlling such Agent or such Lender or (iii) impose on such Agent or such Lender or any Person controlling such Agent or such Lender any other condition regarding this Agreement or any Loan, and the result of any event referred to in clauses (i), (ii) or (iii) above shall be to increase the cost to such Agent or such Lender of making any Loan, or agreeing to make any Loan, or to reduce any amount received or receivable by such Agent or such Lender hereunder, then, within twenty (20) days after receipt by the Administrative Borrower from such Agent or such Lender of the certificate required under Section 4.05(c), the Borrowers shall pay to such Agent or such Lender such additional amounts as will compensate such Agent or such for such increased costs or reductions in amounts received or receivable.

(b) If any Agent or any Lender shall have determined that any Change in Law either (i) affects or would affect the amount of capital required or expected to be maintained by such Agent or such Lender or any Person controlling such Agent or such Lender, and such Agent

or such Lender determines that the amount of such capital is increased as a direct or indirect consequence of any Loans made or maintained, such Agent's or such Lender's or such other controlling Person's other obligations hereunder, or (ii) has or would have the effect of reducing the rate of return on such Agent's or such Lender's or such other controlling Person's capital to a level below that which such Agent or such Lender or such controlling Person could have achieved but for such circumstances as a consequence of any Loans made or maintained, or any guaranty or participation with respect thereto or any agreement to make Loans, or such Agent's, or such Lender's or such other controlling Person's other obligations hereunder (in each case, taking into consideration, such Agent's or such Lender's or such other controlling Person's policies with respect to capital adequacy), then, within twenty (20) days after receipt by the Administrative Borrower from such Agent or such Lender of the certificate required under Section 4.05(c), the Borrowers shall pay to such Agent or such Lender for such cost of maintaining such increased capital or such reduction in the rate of return on such Agent's or such Lender's or such other controlling Person's capital.

(c) All amounts payable under this Section 4.05 shall bear interest from the date that is twenty (20) days after the date of demand by any Agent or any Lender until payment in full to such Agent or such Lender at the Reference Rate. A certificate of such Agent or such Lender claiming compensation under this Section 4.05, specifying the event herein above described and the nature of such event shall be submitted by such Agent or such Lender to the Administrative Borrower, setting forth the additional amount due and an explanation of the calculation thereof in reasonable detail, and such Agent's or such Lender's reasons for invoking the provisions of this Section 4.05, and shall be final and conclusive absent manifest error; provided that any such certificate claiming amounts described in clause (i) or (ii) of the proviso set forth in the definition of Change in Law shall, in addition, state the basis upon which such amount has been calculated and certify that such Agent's or Lender's method of allocating such costs is fair and reasonable and that such Agent's or Lender's demand for payment of such costs hereunder, and such method of allocation, is not inconsistent with its treatment of other borrowers which, as a credit matter, are substantially similar to the Borrowers and which are subject to similar provisions.

(d) If any Lender or Agent becomes entitled to claim any additional amounts pursuant to this Section, it shall promptly notify the Loan Parties of the event by reason of which it has become so entitled; provided that the Loan Parties shall not be required to compensate a Lender or Agent pursuant to this paragraph for any amounts incurred more than six months prior to the date that such Lender or Agent notifies the Loan Parties of such Lender's or Agent's intention to claim compensation therefor in accordance with Section 4.05(c); provided further that, if the circumstances giving rise to such claim have a retroactive effect, then such six-month period shall be extended to include the period of such retroactive effect.

(e) If any Lender or Agent requests compensation or if any Borrower is required to pay any additional amount to any Lender or Agent or if any Borrower is required to pay any additional interest or other amount to any Lender or Agent hereunder, then such Lender or Agent shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender or Agent such designation or assignment (i) would eliminate or reduce amounts payable hereunder in the future, (ii) would not subject such Lender or Agent to any unreimbursed cost or expense, and (iii) would not otherwise be materially disadvantageous to such Lender or Agent.

Section 4.06 Joint and Several Liability of the Borrowers. (a) Notwithstanding anything in this Agreement or any other Loan Document to the contrary, each of the Borrowers hereby accepts joint and several liability hereunder and under the other Loan Documents in consideration of the financial accommodations to be provided by the Agents and the Lenders under this Agreement and the other Loan Documents, for the mutual benefit, directly and indirectly, of each of the Borrowers and in consideration of the undertakings of the other Borrowers to accept joint and several liability for the Obligations. Each of the Borrowers, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrowers, with respect to the payment and performance of all of the Obligations (including, without limitation, any Obligations arising under this Section 4.06), it being the intention of the parties hereto that all of the Obligations shall be the joint and several obligations of each of the Borrowers without preferences or distinction among them. If and to the extent that any of the Borrowers shall fail to make any payment with respect to any of the Obligations as and when due or to perform any of the Obligations in accordance with the terms thereof, then in each such event, the other Borrowers will make such payment with respect to, or perform, such Obligation. Subject to the terms and conditions hereof, the Obligations of each of the Borrowers under the provisions of this Section 4.06 constitute the absolute and unconditional, full recourse Obligations of each of the Borrowers, enforceable against each such Person to the full extent of its properties and assets, irrespective of the validity, regularity or enforceability of this Agreement, the other Loan Documents or any other circumstances whatsoever.

(b) The provisions of this Section 4.06 are made for the benefit of the Agents, the Lenders and their successors and assigns, and may be enforced by them from time to time against any or all of the Borrowers as often as occasion therefor may arise and without requirement on the part of the Agents, the Lenders or such successors or assigns first to marshal any of its or their claims or to exercise any of its or their rights against any of the other Borrowers or to exhaust any remedies available to it or them against any of the other Borrowers or to resort to any other source or means of obtaining payment of any of the Obligations hereunder or to elect any other remedy. The provisions of this Section 4.06 shall remain in effect until all of the Obligations (other than unasserted contingent indemnification Obligations) shall have been paid in full or otherwise fully satisfied.

(c) Each of the Borrowers hereby agrees that it will not enforce any of its rights of contribution or subrogation against the other Borrowers with respect to any liability incurred by it hereunder or under any of the other Loan Documents, any payments made by it to the Agents or the Lenders with respect to any of the Obligations or any Collateral, until such time as all of the Obligations (other than unasserted contingent indemnification Obligations) have been paid in full in cash. Any claim which any Borrower may have against any other Borrower with respect to any payments to the Agents or the Lenders hereunder or under any other Loan Documents are hereby expressly made subordinate and junior in right of payment, without limitation as to any increases in the Obligations arising hereunder or thereunder, to the prior payment in full in cash of the Obligations (other than unasserted contingent indemnification Obligations).

delivered with respect to the applicable fiscal quarter (the "Required Contribution Date"), (i) the Parent shall have the right to issue Permitted Cure Equity for cash or otherwise receive cash contributions to the capital of the Parent, and, in each case, to contribute any such contributions to the capital of the Borrowers or (ii) the Loan Parties and/or their Permitted Holders cause a contribution to be made in the form of Subordinated Indebtedness issued by any Loan Party, and in each case with respect to clauses (i) and (ii), apply the amount of the proceeds thereof to increase Consolidated EBITDA with respect to such applicable quarter (the "Cure Right"); provided that (a) such proceeds are actually received by the Borrowers no later than 10 Business Days after the date on which financial statements are required to be delivered with respect to such fiscal quarter hereunder, (b) such proceeds do not exceed the aggregate amount necessary to cure (by addition to Consolidated EBITDA) such Event of Default under Section 7.03 for such period, (c) the Cure Right shall not be exercised more than two times in any four fiscal quarter period and five times during the term of the Loans, (d) the Cure Right shall not be exercised in consecutive fiscal quarters, (e) such proceeds (1) for any individual Cure Right shall not exceed 20% of Consolidated EBITDA for the most recent trailing four fiscal quarter period for which financial statements and a Compliance Certificate have been delivered pursuant to Section 7.01(a)(i) and (iv) and (2) in the aggregate for all Cure Rights during the term of this Agreement shall not exceed $10,000,000, and (f) such proceeds shall be applied to prepay the Loans in accordance with Section 2.05(c)(ix). Until the Required Contribution Date, neither Agent nor any Lender shall impose the Post-Default Rate, accelerate the Obligations, terminate the Revolving Credit Commitment or exercise any enforcement remedy against the Loan Parties or any of their Subsidiaries or any of their respective properties solely as a result of the existence of the applicable Curable Default. If, after giving effect to the foregoing pro forma adjustment (but not, for the avoidance of doubt, giving pro forma adjustment to any repayment of Indebtedness in connection therewith), the Borrowers are in compliance with the financial covenant set forth in Section 7.03, the Borrowers shall be deemed to have satisfied the requirements of such Section as of the relevant date of determination with the same effect as though there had been no failure to comply on such date, and the applicable breach or default of such Section 7.03 that had occurred shall be deemed cured for purposes of this Agreement. The parties hereby acknowledge that this Section may not be relied on for purposes of calculating any financial ratios other than as applicable to Section 7.03 and shall not result in any adjustment to any amounts other than the amount of the Consolidated EBITDA referred to in the immediately preceding sentence; provided that such adjustment to the amount of the Consolidated EBITDA shall apply to subsequent calculations under Section 7.03 measuring such fiscal quarter with respect to which the Cure Right was exercised. Notwithstanding anything to the contrary contained in this Section 9.02, during the period commencing on the First Amendment Effective Date until the Agents and the Lenders have received financial statements and a Compliance Certificate pursuant to Section 7.01(a)(i) and (iv) for the covenant testing period ending on December 31, 2022, the Loan Parties shall be permitted to exercise the Cure Right one time with respect to any Curable Default; provided, that (A) the minimum amount of proceeds funded with respect to such Cure Right shall be the greater of (x) $2,500,000 and (y) 2 times the amount necessary to cure (by addition to Consolidated EBITDA) such Event of Default under Section 7.03 for such period, (B) the entire amount of such proceeds shall be applied to prepay the Loans in accordance with Section 2.05(c)(ix) and (C) the portion of such proceeds added to Consolidated EBITDA shall not exceed the aggregate amount necessary to cure (by addition to Consolidated EBITDA) such Event of Default under Section 7.03 for such period. For the avoidance of doubt, the First Amendment Contribution (as defined in the First Amendment) shall not constitute the exercise of a Cure Right for purposes of this Agreement and the other Loan Documents.

AGENTS

Section 10.01 Appointment. Each Lender (and each subsequent maker of any Loan by its making thereof) hereby irrevocably appoints, authorizes and empowers the Administrative Agent and the Collateral Agent to perform the duties of each such Agent as set forth in this Agreement and the other Loan Documents, together with such actions and powers as are reasonably incidental thereto, including: (i) to receive on behalf of each Lender any payment of principal of or interest on the Loans outstanding hereunder and all other amounts accrued hereunder for the account of the Lenders and paid to such Agent, and, subject to Section 2.02 of this Agreement, to distribute promptly to each Lender its Pro Rata Share of all payments so received; (ii) to distribute to each Lender copies of all material notices and agreements received by such Agent and not required to be delivered to each Lender pursuant to the terms of this Agreement, provided that the Agents shall not have any liability to the Lenders for any Agent's inadvertent failure to distribute any such notices or agreements to the Lenders; (iii) to maintain, in accordance with its customary business practices, ledgers and records reflecting the status of the Obligations, the Loans, and related matters and to maintain, in accordance with its customary business practices, ledgers and records reflecting the status of the Collateral and related matters; (iv) to execute (subject to Section 12.02 of this Agreement) or file any and all financing or similar statements or notices, amendments, renewals, supplements, documents, instruments, proofs of claim, notices and other written agreements with respect to this Agreement or any other Loan Document; (v) to make the Loans and Agent Advances, for such Agent or on behalf of the applicable Lenders as provided in this Agreement or any other Loan Document; (vi) to perform, exercise, and enforce any and all other rights and remedies of the Lenders with respect to the Loan Parties, the Obligations, or otherwise related to any of same to the extent reasonably incidental to the exercise by such Agent of the rights and remedies specifically authorized to be exercised by such Agent by the terms of this Agreement or any other Loan Document; (vii) to incur and pay such fees necessary or appropriate for the performance and fulfillment of its functions and powers pursuant to this Agreement or any other Loan Document; and (viii) subject to Section 10.03 of this Agreement, to take such action as such Agent deems appropriate on its behalf to administer the Loans and the Loan Documents and to exercise such other powers delegated to such Agent by the terms hereof or the other Loan Documents (including, without limitation, the power to give or to refuse to give notices, waivers, consents, approvals and instructions and the power to make or to refuse to make determinations and calculations) together with such powers as are reasonably incidental thereto to carry out the purposes hereof and thereof. As to any matters not expressly provided for by this Agreement and the other Loan Documents (including, without limitation, enforcement or collection of the Loans), the Agents shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Required Lenders, and such instructions of the Required Lenders shall be binding upon all Lenders and all makers of Loans; provided, however, that the Agents shall not be required to take any action which, in the reasonable opinion of any Agent, exposes such Agent to liability or which is contrary to this Agreement or any other Loan Document or applicable law.

Section 10.02 Nature of Duties; Delegation. (a) The Agents shall have no duties or responsibilities except those expressly set forth in this Agreement or in the other Loan Documents. The duties of the Agents shall be mechanical and administrative in nature. The Agents shall not have by reason of this Agreement or any other Loan Document a fiduciary relationship in respect of any Lender. Nothing in this Agreement or any other Loan Document, express or implied, is intended to or shall be construed to impose upon the Agents any obligations in respect of this Agreement or any other Loan Document except as expressly set forth herein or therein. Each Lender shall make its own independent investigation of the financial condition and affairs of the Loan Parties in connection with the making and the continuance of the Loans hereunder and shall make its own appraisal of the creditworthiness of the Loan Parties and the value of the Collateral without reliance upon the Administrative Agent or any other Lender or any of their Related Parties, and neither the Agents nor any of their Related Parties shall have any duty or responsibility, either initially or on a continuing basis, to provide any Lender with any credit or other information with respect thereto, whether coming into their possession before the initial Loan hereunder or at any time or times thereafter, provided that, upon the reasonable request of a Lender, each Agent shall provide to such Lender any documents or reports delivered to such Agent by the Loan Parties pursuant to the terms of this Agreement or any other Loan Document. If any Agent seeks the consent or approval of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) to the taking or refraining from taking any action hereunder, such Agent shall send notice thereof to each Lender. Each Agent shall promptly notify each Lender any time that the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) have instructed such Agent to act or refrain from acting pursuant hereto.

(a) Each Agent may, upon any term or condition it specifies, delegate or exercise any of its rights, powers and remedies under, and delegate or perform any of its duties or any other action with respect to, any Loan Document by or through any of its Related Parties or any other trustee, co-agent or Person (including any Lender). Any such Related Party, trustee,co- agent and other Person shall benefit from this ARTICLE X to the extent provided by the applicable Agent.

Section 10.03 Rights, Exculpation, Etc. The Agents and their Related Parties shall not be liable for any action taken or omitted to be taken by them under or in connection with this Agreement or the other Loan Documents, except for their own gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction. Without limiting the generality of the foregoing, the Agents (i) may treat the payee of any Loan as the owner thereof until the Agents receive written notice of the assignment or transfer thereof, pursuant to Section 12.07 hereof, signed by such payee and in form reasonably satisfactory to the Agents; (ii) may consult with legal counsel (including, without limitation, counsel to any Agent or counsel to the Loan Parties), independent public accountants, and other experts selected by any of them and shall not be liable for any action taken or omitted to be taken in good faith by any of them in accordance with the advice of such counsel or experts; (iii) make no warranty or representation to any Lender and shall not be responsible to any Lender for any statements, certificates, warranties or representations made in or in connection with this Agreement or the other Loan Documents; (iv) shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement or the other Loan Documents on the part of any Person, the existence or possible existence of any Default or Event

of Default, or to inspect the Collateral or other property (including, without limitation, the books and records) of any Person; (v) shall not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or the other Loan Documents or any other instrument or document furnished pursuant hereto or thereto; and (vi) shall not be deemed to have made any representation or warranty regarding the existence, value or collectibility of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Agents be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral. The Agents shall not be liable for any apportionment or distribution of payments made in good faith pursuant to Section 4.04, and if any such apportionment or distribution is subsequently determined to have been made in error the sole recourse of any Lender to whom payment was due but not made, shall be to recover from other Lenders any payment in excess of the amount which they are determined to be entitled. The Agents may at any time request instructions from the Lenders with respect to any actions or approvals which by the terms of this Agreement or of any of the other Loan Documents the Agents are permitted or required to take or to grant, and if such instructions are promptly requested, the Agents shall be absolutely entitled to refrain from taking any action or to withhold any approval under any of the Loan Documents until they shall have received such instructions from the Required Lenders (unless unanimity is required). Without limiting the foregoing, no Lender shall have any right of action whatsoever against any Agent as a result of such Agent acting or refraining from acting under this Agreement or any of the other Loan Documents in accordance with the instructions of the Required Lenders (unless unanimity is required).

Section 10.04 Reliance. Each Agent shall be entitled to rely upon any written notices, statements, certificates, orders or other documents or any telephone message believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person, and with respect to all matters pertaining to this Agreement or any of the other Loan Documents and its duties hereunder or thereunder, upon advice of counsel selected by it.

Section 10.05 Indemnification. To the extent that any Agent or any Related Party of the foregoing is not reimbursed and indemnified by any Loan Party, the Lenders will reimburse and indemnify such Agent and such Related Parties from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, advances or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against such Agent and such Related Parties in any way relating to or arising out of this Agreement or any of the other Loan Documents or any action taken or omitted by such Agent and such Related Parties under this Agreement or any of the other Loan Documents, in proportion to each Lender's Pro Rata Share (including, for the avoidance of doubt, that such Pro Rata Share shall include the Affiliated Lender's share of Loans held or deemed to be held by such Affiliated Lender), including, without limitation, advances and disbursements made pursuant to Section 10.08; provided, however, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, advances or disbursements for which there has been a final non-appealable judicial determination that such liability resulted from such Agent's or such Related Parties gross negligence or willful misconduct. The obligations of the Lenders under this Section 10.05 shall survive the payment in full of the Loans and the termination of this Agreement.

Section 10.06 Agents Individually. With respect to its Pro Rata Share of the Total Commitment hereunder and the Loans made by it, each Agent shall have and may exercise the same rights and powers hereunder and is subject to the same obligations and liabilities as and to the extent set forth herein, any other Lender or maker of a Loan. The terms "Lenders" or "Required Lenders" or any similar terms shall, unless the context clearly otherwise indicates, include each Agent in its individual capacity as a Lender or one of the Required Lenders. Each Agent and its Affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, trust or other business with any Borrower as if it were not acting as an Agent pursuant hereto without any duty to account to the other Lenders.

Section 10.07 Successor Agent. (a) Any Agent may at any time give at least 30 days prior written notice of its resignation to the Lenders and the Administrative Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Administrative Borrower, to appoint a successor Agent. If no such successor Agent shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "Resignation Effective Date"), then the retiring Agent may (but shall not be obligated to), on behalf of the Lenders, appoint a successor Agent. Whether or not a successor Agent has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(b) With effect from the Resignation Effective Date, (i) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any Collateral held by such Agent on behalf of the Lenders under any of the Loan Documents, the retiring Agent shall continue to hold such collateral security until such time as a successor Agent is appointed) and (ii) all payments, communications and determinations provided to be made by, to or through such retiring Agent shall instead be made by or to each Lender directly, until such time, if any, as a successor Agent shall have been appointed as provided for above. Upon the acceptance of a successor's Agent's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article, Section 12.04 and Section 12.05 shall continue in effect for the benefit of such retiring Agent, its sub- agents and their respective Related Parties in respect of any actions taken or omitted to be taken by it while the retiring Agent was acting as Agent.

Section 10.08 Collateral Matters.

(a) Either Agent may from time to time while an Event of Default has occurred and is continuing make such disbursements and advances ("Agent Advances") which such Agent, in its sole discretion, deems necessary or desirable to preserve, protect, prepare for sale or lease or dispose of the Collateral or any portion thereof, to enhance the likelihood or maximize the amount of repayment by the Borrowers of the Loans and other Obligations or to pay any other amount chargeable to the Borrowers pursuant to the terms of this Agreement, including, without limitation, costs, fees and expenses as described in Section 12.04; provided that the aggregate outstanding amount of the Agent Advances shall not exceed $2,000,000 at any time.

The Agent Advances shall be repayable on demand and be secured by the Collateral and shall bear interest at a rate per annum equal to the rate then applicable to Revolving Loans that are Reference Rate Loans. The Agent Advances shall constitute Obligations hereunder which may be charged to the Loan Account in accordance with Section 4.02. Each Agent making an Agent Advance shall notify the other Agent, each Lender and the Administrative Borrower in writing of each such Agent Advance, which notice shall include a description of the purpose of such Agent Advance. Without limitation to its obligations pursuant to Section 10.05, each Lender agrees that it shall make available to such Agent, upon such Agent's demand, in Dollars in immediately available funds, the amount equal to such Lender's Pro Rata Share of each such Agent Advance. If such funds are not made available to such Agent by such Lender, such Agent shall be entitled to recover such funds on demand from such Lender, together with interest thereon for each day from the date such payment was due until the date such amount is paid to such Agent, at the Federal Funds Effective Rate for three (3) Business Days and thereafter at the Reference Rate.

(b) The Lenders hereby irrevocably authorize the Collateral Agent to (1) release any Lien granted to or held by the Collateral Agent upon any Collateral (i) in accordance with the express terms of the Loan Documents; (ii) upon termination of the Total Commitment and payment and satisfaction of all Loans and all other Obligations in accordance with the terms hereof; or (iii) (x) constituting property being sold or disposed of in the ordinary course of any Loan Party's business and otherwise in compliance with the terms of this Agreement and the other Loan Documents; (y) constituting property in which the Loan Parties owned no interest at the time the Lien was granted or at any time thereafter; or (z) if approved, authorized or ratified in writing by the Lenders or (2) subordinate any Lien on any property granted to or sold by the Collateral Agent to the holder of any Lien on property that is permitted to be subordinated pursuant to the definition of "Permitted Liens". Upon request by the Collateral Agent at any time, the Lenders shall confirm in writing the Collateral Agent's authority to release or subordinate particular types or items of Collateral pursuant to this Section 10.08(b).

(c) Without in any manner limiting the Collateral Agent's authority to act without any specific or further authorization or consent by the Lenders (as set forth in Section 10.08(b)), each Lender agrees to confirm in writing, upon request by the Collateral Agent, the authority to release or subordinate Collateral conferred upon the Collateral Agent under Section 10.08(b). Upon receipt by the Collateral Agent of confirmation from the Lenders of its authority to release or subordinate any particular item or types of Collateral, and upon prior written request by any Loan Party, the Collateral Agent shall (and is hereby irrevocably authorized by the Lenders to) execute such documents as may be necessary to evidence the release of the Liens granted to the Collateral Agent for the benefit of the Agents and the Lenders upon such Collateral; provided, however, that (i) the Collateral Agent shall not be required to execute any such document on terms which, in the Collateral Agent's opinion, would expose the Collateral Agent to liability or create any obligations or entail any consequence other than the release of such Liens without recourse or warranty, and (ii) such release shall not in any manner discharge, affect or impair the Obligations or any Lien upon (or obligations of any Loan Party in respect of) all interests in the Collateral retained by any Loan Party.

(d) Anything contained in any of the Loan Documents to the contrary notwithstanding, the Loan Parties, each Agent and each Lender hereby agree that (i) no Lender shall have any right individually to realize upon any of the Collateral under any Loan Document

or to enforce any Guaranty, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Collateral Agent for the benefit of the Lenders in accordance with the terms thereof, (ii) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale, the Administrative Agent, the Collateral Agent or any Lender may be the purchaser of any or all of such Collateral at any such sale and (iii) the Collateral Agent, as agent for and representative of the Agents and the Lenders (but not any other Agent or any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing) shall be entitled (either directly or through one or more acquisition vehicles) for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral to be sold (A) at any public or private sale, (B) at any sale conducted by the Collateral Agent under the provisions of the Uniform Commercial Code (including pursuant to Sections 9-610 or 9-620 of the Uniform Commercial Code), (C) at any sale or foreclosure conducted by the Collateral Agent (whether by judicial action or otherwise) in accordance with applicable law or (D) any sale conducted pursuant to the provisions of any Debtor Relief Law (including Section 363 of the Bankruptcy Code), to use and apply all or any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Collateral Agent at such sale.

(e) The Collateral Agent shall have no obligation whatsoever to any Lender to assure that the Collateral exists or is owned by the Loan Parties or is cared for, protected or insured or has been encumbered or that the Lien granted to the Collateral Agent pursuant to this Agreement or any other Loan Document has been properly or sufficiently or lawfully created, perfected, protected or enforced or is entitled to any particular priority, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 10.08 or in any other Loan Document, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, given the Collateral Agent's own interest in the Collateral as one of the Lenders and that the Collateral Agent shall have no duty or liability whatsoever to any other Lender, except as otherwise provided herein.

Section 10.09 Agency for Perfection. Each Agent and each Lender hereby appoints each other Agent and each other Lender as agent and bailee for the purpose of perfecting the security interests in and liens upon the Collateral in assets which, in accordance with Article 9 of the Uniform Commercial Code, can be perfected only by possession or control (or where the security interest of a secured party with possession or control has priority over the security interest of another secured party) and each Agent and each Lender hereby acknowledges that it holds possession of or otherwise controls any such Collateral for the benefit of the Agents and the Lenders as secured party. Should the Administrative Agent or any Lender obtain possession or control of any such Collateral, the Administrative Agent or such Lender shall notify the Collateral Agent thereof, and, promptly upon the Collateral Agent's request therefor shall deliver such Collateral to the Collateral Agent or in accordance with the Collateral Agent's instructions. In addition, the Collateral Agent shall also have the power and authority hereunder to appoint such other sub-agents as may be necessary or required under applicable state law or otherwise to perform its duties and enforce its rights with respect to the Collateral and under the Loan Documents. Each Loan Party by its execution and delivery of this Agreement hereby consents to the foregoing.

Section 10.10 No Reliance on any Agent's Customer Identification Program. Each Lender acknowledges and agrees that neither such Lender, nor any of its Affiliates, participants or assignees, may rely on any Agent to carry out such Lender's, Affiliate's, participant's or assignee's customer identification program, or other requirements imposed by the USA PATRIOT Act or the regulations issued thereunder, including the regulations set forth in 31 C.F.R. §§ 1010.100(yy), (iii), 1020.100, and 1020.220 (formerly 31 C.F.R. § 103.121), as hereafter amended or replaced ("CIP Regulations"), or any other Anti-Money Laundering and Anti-Terrorism Laws, including any programs involving any of the following items relating to or in connection with any of the Loan Parties, their Affiliates or their agents, the Loan Documents or the transactions hereunder or contemplated hereby: (1) any identity verification procedures, (2) any recordkeeping, (3) comparisons with government lists, (4) customer notices or (5) other procedures required under the CIP Regulations or other regulations issued under the USA PATRIOT Act. Each Lender, Affiliate, participant or assignee subject to Section 326 of the USA PATRIOT Act will perform the measures necessary to satisfy its own responsibilities under the CIP Regulations.

Section 10.11 No Third Party Beneficiaries. The provisions of this Article are solely for the benefit of the Secured Parties (including each Affiliated Lender), and no Loan Party shall have rights as a third-party beneficiary of any of such provisions.

Section 10.12 No Fiduciary Relationship. It is understood and agreed that the use of the term "agent" herein or in any other Loan Document (or any other similar term) with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

By becoming a party to this Agreement, each Lender:

(a) is deemed to have requested that each Agent furnish such Lender, promptly after it becomes available, a copy of each inspection report with respect to the Parent or any of its Subsidiaries (each, a "Report") prepared by or at the request of such Agent, and each Agent shall so furnish each Lender with each such Report,

(b) expressly agrees and acknowledges that the Agents (i) do not make any representation or warranty as to the accuracy of any Reports, and (ii) shall not be liable for any information contained in any Reports,

(c) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that any Agent or other party performing any audit or examination will inspect only specific information regarding the Parent and its Subsidiaries and will rely significantly upon the Parent's and its Subsidiaries' books and records, as well as on representations of their personnel,

(d) agrees to keep all Reports and other material, non-public information regarding the Parent and its Subsidiaries and their operations, assets, and existing and contemplated business plans in a confidential manner in accordance with Section 12.20, and

(e) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold any Agent and any other Lender preparing a Report harmless from any action the indemnifying Lender may take or fail to take or any conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to the Borrowers, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a loan or loans of the Borrowers, and (ii) to pay and protect, and indemnify, defend and hold any Agent and any other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including, attorneys' fees and costs) incurred by any such Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

Section 10.13 Collateral Custodian. Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent or its designee may at any time and from time to time employ and maintain on the premises of any Loan Party a custodian selected by the Collateral Agent or its designee who shall have full authority to do all acts necessary to protect the Agents' and the Lenders' interests. Each Loan Party hereby agrees to, and to cause its Subsidiaries to, cooperate with any such custodian and to do whatever the Collateral Agent or its designee may reasonably request to preserve the Collateral. All costs and expenses incurred by the Collateral Agent or its designee by reason of the employment of the custodian shall be the responsibility of the Borrowers and charged to the Loan Account.

Section 10.14 Collateral Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Collateral Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether any Agent shall have made any demand on the Borrowers) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Secured Parties (including any claim for the compensation, expenses, disbursements and advances of the Secured Parties and their respective agents and counsel and all other amounts due to the Secured Parties hereunder and under the other Loan Documents) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Secured Party to make such payments to the Collateral Agent and, in the event that the Collateral Agent shall consent to the making of such payments directly to the Secured Parties, to pay to the Collateral Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Collateral Agent andits agents and counsel, and any other amounts due to the Collateral Agent hereunder and under the other Loan Documents.

ARTICLE XI
GUARANTY

Section 11.01 Guaranty. Each Guarantor hereby jointly and severally and unconditionally and irrevocably guarantees the punctual payment when due, whether at stated maturity, by acceleration or otherwise, of all Obligations of the Borrowers now or hereafter existing under any Loan Document, whether for principal, interest (including, without limitation, all interest that accrues after the commencement of any Insolvency Proceeding of any Borrower, whether or not a claim for post-filing interest is allowed in such Insolvency Proceeding), fees, commissions, expense reimbursements, indemnifications or otherwise (such obligations, to the extent not paid by the Borrowers, being the "Guaranteed Obligations"), and agrees to pay (without duplication of any amounts payable under Section 12.04) any and all reasonable and documented out-of-pocket expenses (including reasonable and documented out-of-pocket fees and expenses of one outside counsel and one local counsel in each relevant jurisdiction) incurred by the Agents and the Lenders in enforcing any rights under the guaranty set forth in this ARTICLE XI. Without limiting the generality of the foregoing, each Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by the Borrowers to the Agents and the Lenders under any Loan Document but for the fact that they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving any Borrower. Notwithstanding any of the foregoing, Guaranteed Obligations shall not include any Excluded Hedge Liabilities. In no event shall the obligation of any Guarantor hereunder exceed the maximum amount such Guarantor could guarantee under any bankruptcy, insolvency or other similar law.

Section 11.02 Guaranty Absolute. Each Guarantor jointly and severally guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Agents or the Lenders with respect thereto. Each Guarantor agrees that this ARTICLE XI constitutes a guaranty of payment when due and not of collection and waives any right to require that any resort be made by any Agent or any Lender to any Collateral. The obligations of each Guarantor under this ARTICLE XI are independent of the Guaranteed Obligations, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce such obligations, irrespective of whether any action is brought against any Loan Party or whether any Loan Party is joined in any such action or actions. The liability of each Guarantor under this ARTICLE XI shall be irrevocable, absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives any defenses it may now or hereafter have in any way relating to, any or all of the following:

(a) any lack of validity or enforceability of any Loan Document or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to departure from any Loan Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Loan Party or otherwise;

(c) any taking, exchange, release or non-perfection of any Collateral, or any taking, release or amendment or waiver of or consent to departure from any other guaranty, for all or any of the Guaranteed Obligations;

(d) the existence of any claim, set-off, defense or other right that any Guarantor may have at any time against any Person, including, without limitation, any Agent or any Lender;

(e) any change, restructuring or termination of the corporate, limited liability company or partnership structure or existence of any Loan Party; or

(f) any other circumstance (other than the defense of payment, but including, without limitation, any statute of limitations) or any existence of or reliance on any representation by the Agents or the Lenders that might otherwise constitute a defense available to, or a discharge of, any Loan Party or any other guarantor or surety.

This ARTICLE XI shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by the Agents, the Lenders or any other Person upon the insolvency, bankruptcy or reorganization of any Borrower or otherwise, all as though such payment had not been made.

Section 11.03 Waiver. Each Guarantor hereby waives (i) promptness and diligence, (ii) notice of acceptance and any other notice with respect to any of the Guaranteed Obligations and this ARTICLE XI and any requirement that the Agents or the Lenders exhaust any right or take any action against any Loan Party or any other Person or any Collateral, (iii) any right to compel or direct any Agent or any Lender to seek payment or recovery of any amounts owed under this ARTICLE XI from any one particular fund or source or to exhaust any right or take any action against any other Loan Party, any other Person or any Collateral, (iv) any requirement that any Agent or any Lender protect, secure, perfect or insure any security interest or Lien on any property subject thereto or exhaust any right to take any action against any Loan Party, any other Person or any Collateral, and (v) any other defense available to any Guarantor. Each Guarantor agrees that the Agents and the Lenders shall have no obligation to marshal any assets in favor of any Guarantor or against, or in payment of, any or all of the Obligations. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated herein and that the waiver set forth in this Section 11.03 is knowingly made in contemplation of such benefits. Each Guarantor hereby waives any right to revoke this ARTICLE XI, and acknowledges that this ARTICLE XI is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

Section 11.04 Continuing Guaranty; Assignments. This ARTICLE XI is a continuing guaranty and shall (a) remain in full force and effect until the later of the payment in full of the Guaranteed Obligations (other than unasserted contingent indemnification Obligations) and the Final Maturity Date, (b) be binding upon each Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by the Agents, and their successors, pledgees,

transferees and assigns. Without limiting the generality of the foregoing clause (c), any Lender may pledge, assign or otherwise transfer all or any portion of its rights and obligations under this Agreement (including, without limitation, all or any portion of its Commitments and its Loans owing to it) to any other Person to the extent otherwise permitted hereunder, and such other Person shall thereupon become vested with all the benefits in respect thereof granted such Lender herein or otherwise, in each case as provided in Section 12.07.

Section 11.05 Subrogation. No Guarantor will exercise any rights that it may now or hereafter acquire against any Loan Party or any other guarantor that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under this ARTICLE XI, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of the Agents and the Lenders against any Loan Party or any other guarantor or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any Loan Party or any other guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security solely on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations (other than unasserted contingent indemnification Obligations) shall have been paid in full and the Final Maturity Date shall have occurred. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to the later of the payment in full of the Guaranteed Obligations (other than unasserted contingent indemnification Obligations) and the Final Maturity Date, such amount shall (A) to the extent Guaranteed Obligations are outstanding, be held in trust for the benefit of the Agents and the Lenders, as applicable, and shall forthwith be paid to the Agents and the Lenders, as applicable, to be credited and applied to such Guaranteed Obligations, in accordance with the terms of this Agreement or (B) promptly be returned to the party which paid such amount. If (i) any Guarantor shall make payment to the Agents and the Lenders of all or any part of the Guaranteed Obligations (other than unasserted contingent indemnification Obligations), (ii) all of the Guaranteed Obligations (other than unasserted contingent indemnification Obligations) shall be paid in full and (iii) the Final Maturity Date shall have occurred, the Agents and the Lenders will, at such Guarantor's request and expense, execute and deliver to such Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the Guaranteed Obligations resulting from such payment by such Guarantor.

Section 11.06 Contribution. All Guarantors desire to allocate among themselves, in a fair and equitable manner, their obligations arising under this Guaranty. Accordingly, in the event any payment or distribution is made on any date by a Guarantor under this Guaranty such that its Aggregate Payments exceeds its Fair Share as of such date, such Guarantor shall be entitled to a contribution from each of the other Guarantors in an amount sufficient to cause each Guarantor's Aggregate Payments to equal its Fair Share as of such date.

"Fair Share" means, with respect to any Guarantor as of any date of determination, an amount equal to the sum of (a) its pro rata portion of the aggregate amount paid or distributed on or before such date by any Guarantor under this Guaranty in respect of the Guaranteed Obligations and (b) its pro rata portion of Deficits with respect to the other Guarantors, if any, in each case subject to its Maximum Contribution Amount (such amounts under clauses (a) or (b) in excess of the Maximum Contribution Amount with respect to any Guarantor, "Deficits").

"Maximum Contribution Amount" means, with respect to any Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Guarantor under this Guaranty that would not render its obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any comparable applicable provisions of state law; provided, solely for purposes of calculating the "Maximum Contribution Amount" with respect to any Guarantor for purposes of this Section 11.06, any assets or liabilities of such Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Guarantor.

"Aggregate Payments" means, with respect to any Guarantor as of any date of determination, an amount equal to (A) the aggregate amount of all payments and distributions made on or before such date by such Guarantor in respect of this Guaranty (including, without limitation, in respect of this Section 11.06), minus (B) the aggregate amount of all payments received on or before such date by such Guarantor from the other Guarantors as contributions under this Section 11.06. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Guarantor. The allocation among Guarantors of their obligations as set forth in this Section 11.06 shall not be construed in any way to limit the liability of any Guarantor hereunder. Each Guarantor is a third party beneficiary to the contribution agreement set forth in this Section 11.06.

All such notices and other communications shall be effective, (i) if mailed (certified mail, postage prepaid and return receipt requested), when received or three (3) days after deposited in the mails, whichever occurs first, (ii) if emailed, in accordance with Section 12.01(c), or (iii) if delivered by hand, Federal Express or other reputable overnight courier, upon delivery, except that notices to any Agent pursuant to ARTICLE II shall not be effective until received by such Agent, as the case may be.

(b) Electronic Communications. Each party hereto may, in its discretion, by written notice to the other parties hereto decline to accept any or all notices and other communications to it hereunder by electronic communications.

(c) Unless the Administrative Agent otherwise prescribes, (A) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (B) notices or communications posted to an internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (A), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (A) and (B) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

Section 12.02 Amendments, Etc. (a) No amendment or waiver of any provision of this Agreement or any other Loan Document (excluding the Fee Letter), and no consent to any departure by any Loan Party therefrom, shall in any event be effective unless the same shall be in writing and signed (x) in the case of an amendment, consent or waiver to cure any ambiguity, omission, defect or inconsistency or granting a new Lien for the benefit of the Agents and the Lenders or extending an existing Lien over additional property, by the Agents and the Borrower, and (y) in the case of any other amendment, consent or waiver, by the Required Lenders (or by the Collateral Agent with the consent of the Required Lenders) and the Borrower, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given, provided, however, that no amendment, waiver or consent shall (i) increase the Commitment of any Lender, reduce the principal of, or interest on, the Loans payable to any Lender, reduce the amount of any fee payable for the account of each Lender, or postpone or extend any scheduled date fixed for any payment (which shall in no event include any mandatory prepayment) of principal of, or interest or fees on, the Loans without the written consent of any Lender affected thereby (including the Affiliated Lenders), (ii) [Intentionally Omitted], (iii) change the percentage of the Commitments or of the aggregate unpaid principal amount of the Loans that is required for the Lenders or any of them to take any action hereunder without the written consent of each Lender (other than the Affiliated Lenders), (iv) amend the definition of "Excluded Hedge Liability" (or any defined term used therein or any provision expressly relating to Excluded Hedge Liabilities), "Required Lenders" or "Pro Rata Share" without the written consent of each Lender (other than the Affiliated Lenders), (v) release all or a substantial portion of the Collateral (except as otherwise provided in this Agreement and the other Loan Documents), subordinate any Lien granted in favor of the Collateral Agent for the benefit of the Secured Parties, or release any Borrower or any Guarantor without the written consent of each Lender (other than the Affiliated Lenders), or (vi) amend, modify or waive Section 4.04 or this Section 12.02 of this Agreement without the written consent of each Lender (other than the Affiliated Lenders).

Notwithstanding the foregoing, (A) no amendment, waiver or consent shall, unless in writing and signed by an Agent, affect the rights or duties of such Agent (but not in its capacity as a Lender) under this Agreement or the other Loan Documents, (B) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Final Maturity Date of such Loan held by the Defaulting Lender may not be extended without the consent of such Defaulting Lender, (C) unless otherwise set forth above in this Section 12.02, the Affiliated Lenders shall not be entitled to vote on any amendment, waiver, consent or other matter under this Agreement, and (D) for the purposes of voting on amendments, waivers and consents with respect to the Loan Documents, the Defaulting Lenders and the Affiliated Lenders shall be deemed not to be "Lenders" and the Loans held by the Affiliated Lenders and Defaulting Lenders shall be deemed to be zero.

(b) If (A)(i) any action to be taken by the Lenders hereunder requires the unanimous consent, authorization, or agreement of all of the Lenders (other than the Affiliated Lenders), (ii) the Required Lenders have consented to such action and (iii) a Lender other than the Collateral Agent or Administrative Agent, fails to give its consent, authorization, or agreement, or (B) any Lender requests reimbursement under Section 2.08 or Section 4.05 (each of the Lenders described in clauses (A) and (B), a "Holdout Lender"), then the Administrative Borrower upon at least five (5) Business Days prior irrevocable notice to the Holdout Lender, may permanently replace the Holdout Lender with one or more substitute Replacement Lenders reasonably

acceptable to the Collateral Agent, and the Holdout Lender shall have no right to refuse to be replaced hereunder. Such notice to replace the Holdout Lender shall specify an effective date for such replacement, which date shall not be later than fifteen (15) Business Days after the date such notice is given. Prior to the effective date of such replacement, the Holdout Lender and the Replacement Lender shall execute and deliver an Assignment and Acceptance, subject only to the Holdout Lender being repaid its share of the outstanding Obligations without any premium or penalty. If the Holdout Lender shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, the Holdout Lender shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Holdout Lender shall be made in accordance with the terms of Section 12.07(b). Until such time as the Replacement Lender shall have acquired all of the Obligations, the Commitments, and the other rights and obligations of the Holdout Lender hereunder and under the other Loan Documents, the Holdout Lender shall remain obligated to make its Pro Rata Share of the Loans.

Section 12.03 No Waiver; Remedies, Etc. No failure on the part of any Agent or any Lender to exercise, and no delay in exercising, any right hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right under any Loan Document preclude any other or further exercise thereof or the exercise of any other right. The rights and remedies of the Agents and the Lenders provided herein and in the other Loan Documents are cumulative and are in addition to, and not exclusive of, any rights or remedies provided by law. The rights of the Agents and the Lenders under any Loan Document against any party thereto are not conditional or contingent on any attempt by the Agents and the Lenders to exercise any of their rights under any other Loan Document against such party or against any other Person.

Section 12.04 Expenses; Attorneys' Fees. The Borrowers shall pay promptly, and in any event within ten (10) Business Days of delivery of an invoice, all reasonable and documented out-of-pocket costs and expenses incurred by or on behalf of each Agent (and, without duplication, in the case of clauses (b) through (j) below, each Lender), regardless of whether the transactions contemplated hereby are consummated, including, without limitation, reasonable and documented out-of-pocket fees, costs, client charges and expenses of one outside counsel and one local counsel in each relevant jurisdiction for the Agents (and, without duplication, in the case of clauses (b) through (j) below, each Lender), accounting, due diligence, searches and filings and other miscellaneous disbursements arising from or relating to: (a) the negotiation, preparation, execution, delivery, performance and administration of this Agreement and the other Loan Documents (including, without limitation, the preparation of any additional Loan Documents pursuant to Section 7.01(b) or the review of any of the agreements, instruments and documents referred to inSection 7.01(f)), (b) any requested amendments, waivers or consents to this Agreement or the other Loan Documents whether or not such documents become effective or are given, (c) the preservation and protection of the Agents' or any of the Lenders' rights under this Agreement or the other Loan Documents, (d) the defense of any claim or action asserted or brought against any Agent or any Lender by any Person that arises from or relates to this Agreement, any other Loan Document, the Agents' or the Lenders' claims against any Loan Party under the Loan Documents, or any and all matters in connection therewith, (e) the commencement or defense of, or intervention in, any court proceeding arising from or related to this Agreement or any other Loan Document, (f) the filing of any petition, complaint, answer, motion or other pleading by any Agent or any Lender, or the taking of any action in respect of the Collateral, in connection with

this Agreement or any other Loan Document, (g) the protection, collection, lease, sale, taking possession of or liquidation of, any Collateral in connection with this Agreement or any other Loan Document, (h) any attempt to enforce any Lien or security interest in any Collateral in connection with this Agreement or any other Loan Document, (i) any attempt to collect from any Loan Party or Guarantor under the Loan Documents, (j) all liabilities and costs arising from or in connection with the past, present or future operations of any Loan Party involving any damage to real or personal property or natural resources or harm or injury alleged to have resulted from any Release of Hazardous Materials on, upon or into such property, (k) any Environmental Liabilities and Costs incurred in connection with the investigation, removal, cleanup and/or remediation of any Hazardous Materials present or arising out of the operations of any Facility of any Loan Party, (l) any Environmental Liabilities and Costs incurred in connection with any Environmental Lien, (m) the rating of the Loans by one or more rating agencies in connection with any Lender's Securitization, or (n) the receipt by any Agent or, in the case of clauses (b) through (i) above, any Lender of any advice from professionals with respect to any of the foregoing. Without limitation of the foregoing or any other provision of any Loan Document: (x) the Borrowers agree to pay all broker fees that may become due in connection with the transactions contemplated by this Agreement and the other Loan Documents, and (y) if the Borrowers fail to perform any covenant or agreement contained herein or in any other Loan Document, any Agent may itself perform or cause performance of such covenant or agreement, and the expenses of such Agent incurred in connection therewith shall be reimbursed on demand by the Borrowers. The obligations of the Borrowers under this Section 12.04 shall survive the repayment of the Obligations and discharge of any Liens granted under the Loan Documents.

Section 12.05 Right of Set-off. Upon the occurrence and during the continuance of any Event of Default, any Agent or any Lender may, and is hereby authorized to, at any time and from time to time, without notice to any Loan Party (any such notice being expressly waived by the Loan Parties) and to the fullest extent permitted by law, set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other Indebtedness at any time owing by such Agent or such Lender to or for the credit or the account of any Loan Party against any and all obligations of the Loan Parties either now or hereafter existing under any Loan Document, irrespective of whether or not such Agent or such Lender shall have made any demand hereunder or thereunder and although such obligations may be contingent or unmatured. Each Agent and each Lender agrees to notify such Loan Party promptly after any such set-off and application made by such Agent or such Lender provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of the Agents and the Lenders under this Section 12.05 are in addition to the other rights and remedies (including other rights of set-off) which the Agents and the Lenders may have under this Agreement or any other Loan Documents of law or otherwise.

Section 12.06 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 12.07 Assignments and Participations.

(a) This Agreement and the other Loan Documents shall be binding upon and inure to the benefit of each Loan Party and each Agent and each Lender and their respective successors and assigns; provided, however, that none of the Loan Parties may assign or transfer any of its rights hereunder or under the other Loan Documents without the prior written consent of each Lender and any such assignment without the Lenders' prior written consent shall be null and void and no Lender may assign or transfer any of its rights hereunder or under the other Loan Documents except (i) to an assignee in accordance with the provisions of Section 12.07(b) and (ii) by way of participation in accordance with the provisions ofSection 12.07(i).

(b) Each Lender may with the written consent of the Collateral Agent, assign to (i) one or more Eligible Transferees and (ii) if an Event of Default under Sections 9.01(a), (f) or (g) has occurred and is continuing, one or more Ineligible Institutions, in each case, all or a portion of its rights and obligations under this Agreement with respect to all or a portion of its Term Loan Commitment, its Revolving Credit Commitment, any portion of the Term Loans made by it and any portion of the Revolving Loans made by it (provided that assignments to Affiliated Lenders shall not require the consent of the Collateral Agent); provided, however, that (i) any such assignment under clause (x) shall require the prior consent of the Administrative Borrower (which consent shall not be unreasonably withheld, conditioned or delayed nor shall it be required during the existence of an Event of Default), (ii) such assignment is in an amount which is at least $5,000,000 or a multiple of $1,000,000 in excess thereof (or the remainder of such Lender's Commitment) (except such minimum amount shall not apply to an assignment by a Lender to (x) a Lender, an Affiliate of such Lender or a Related Fund of such Lender or (y) a group of new Lenders, each of whom is an Affiliate or Related Fund of each other to the extent the aggregate amount to be assigned to all such new Lenders is at least $5,000,000 or a multiple of $1,000,000 in excess thereof), (iii) except as provided in the last sentence of this Section 12.07(b), the parties to each such assignment shall execute and deliver to each Agent, an Assignment and Acceptance, together with any promissory note subject to such assignment and such parties shall deliver to the Collateral Agent, for the benefit of the Collateral Agent, a processing and recordation fee of $5,000 (except the payment of such fee shall not be required in connection with an assignment by a Lender to a Lender, an Affiliate of such Lender or a Related Fund of such Lender) and (iv) no written consent of the Collateral Agent, the Administrative Agent or the Administrative Borrower shall be required (1) in connection with any assignment by a Lender to a Lender, an Affiliate of such Lender or a Related Fund of such Lender or (2) if such assignment is in connection with any merger, consolidation, sale, transfer, or other disposition of all or any substantial portion of the business or loan portfolio of such Lender. Upon such execution, delivery and acceptance, from and after the effective date specified in each Assignment and Acceptance and recordation on the Register, which effective date shall be at least three (3) Business Days after the delivery thereof to the Collateral Agent (or such shorter period as shall be agreed to by the Collateral Agent and the parties to such assignment), (A) the assignee thereunder shall become a "Lender" hereunder and, in addition to the rights and obligations hereunder held by it immediately prior to such effective date, have the rights and obligations hereunder that have been assigned to it pursuant to such Assignment and Acceptance and (B) the assigning Lender thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto). Notwithstanding anything to the contrary contained in this Section 12.07(b), a Lender (including, for the avoidance

of doubt, an Affiliated Lender) may assign any or all of its rights under the Loan Documents to an Affiliate of such Lender or a Related Fund of such Lender without delivering an Assignment and Acceptance to the Agents or to any other Person (a "Related Party Assignment"); provided, however, that (I) the Borrowers and the Administrative Agent may continue to deal solely and directly with such assigning Lender until an Assignment and Acceptance has been delivered to the Administrative Agent for recordation on the Register, (II) the Collateral Agent may continue to deal solely and directly with such assigning Lender until receipt by the Collateral Agent of a copy of the fully executed Assignment and Acceptance pursuant to Section 12.07(e), (III) the failure of such assigning Lender to deliver an Assignment and Acceptance to the Agents shall not affect the legality, validity, or binding effect of such assignment, and (IV) an Assignment and Acceptance between the assigning Lender and an Affiliate of such Lender or a Related Fund of such Lender shall be effective as of the date specified in such Assignment and Acceptance and recordation on the Related Party Register referred to in the last sentence of Section 12.07(d) below. Notwithstanding the foregoing or anything to the contrary set forth herein, no assignment shall be made at any time to any Defaulting Lender or any of its Subsidiaries or Affiliates, or any Person who, upon becoming a Lender would constitute a Defaulting Lender.

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, the assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or any other Loan Document or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other Loan Document furnished pursuant hereto; (ii) the assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Loan Party or any of its Subsidiaries or the performance or observance by any Loan Party of any of its obligations under this Agreement or any other Loan Document furnished pursuant hereto; (iii) such assignee confirms that it has received a copy of this Agreement and the other Loan Documents, together with such other documents and information it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon the assigning Lender, any Agent or any Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement and the other Loan Documents; (v) such assignee appoints and authorizes the Agents to take such action as agents on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to the Agents by the terms hereof and thereof, together with such powers as are reasonably incidental hereto and thereto; and (vi) such assignee agrees that it will perform in accordance with their terms all of the obligations which by the terms of this Agreement and the other Loan Documents are required to be performed by it as a Lender.

(d) The Administrative Agent shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain, or cause to be maintained at the Payment Office, a copy of each Assignment and Acceptance delivered to and accepted by it and a register (the "Register") for the recordation of the names and addresses of the Lenders and the Commitments of, and the principal amount of the Loans (and stated interest thereon) (the "Registered Loans") owing to each Lender from time to time. Subject to the second to last sentence of this

Section 12.07(d), the entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrowers, the Agents and the Lenders shall treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Administrative Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice. In the case of an assignment pursuant to the last sentence of Section 12.07(b) as to which an Assignment and Acceptance is not delivered to the Administrative Agent, the assigning Lender shall, acting solely for this purpose as a non- fiduciary agent of the Borrowers, maintain, or cause to be maintained, a register (the "Related Party Register") comparable to the Register on behalf of the Borrowers. The Related Party Register shall be available for inspection by the Borrowers and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(e) Upon receipt by the Administrative Agent of a completed Assignment and Acceptance, and subject to any consent required from the Administrative Agent or the Collateral Agent pursuant to Section 12.07(b) (which consent of the Collateral Agent must be evidenced by the Collateral Agent's execution of an acceptance to such Assignment and Acceptance), the Administrative Agent shall accept such assignment, record the information contained therein in the Register and provide to the Collateral Agent a copy of the fully executed Assignment and Acceptance.

(f) A Registered Loan (and the registered note, if any, evidencing the same) may be assigned or sold in whole or in part only by registration of such assignment or sale on the Register or the Related Party Register (and each registered note shall expressly so provide). Any assignment or sale of all or part of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by registration of such assignment or sale on the Register or the Related Party Register, together with the surrender of the registered note, if any, evidencing the same duly endorsed by (or accompanied by a written instrument of assignment or sale duly executed by) the holder of such registered note, whereupon, at the request of the designated assignee(s) or transferee(s), one or more new registered notes in the same aggregate principal amount shall be issued to the designated assignee(s) or transferee(s). Prior to the registration of assignment or sale of any Registered Loan (and the registered note, if any, evidencing the same), the Agents shall treat the Person in whose name such Registered Loan (and the registered note, if any, evidencing the same) is registered on the Register as the owner thereof for the purpose of receiving all payments thereon, notwithstanding notice to the contrary.

(g) In the event that any Lender sells participations in a Registered Loan, such Lender shall, acting for this purpose as a non-fiduciary agent on behalf of the Borrowers, maintain, or cause to be maintained, a register, on which it enters the name of all participants in the Registered Loans held by it and the principal amount (and stated interest thereon) of the portion of the Registered Loan that is the subject of the participation (the "Participant Register"). A Registered Loan (and the registered note, if any, evidencing the same) may be participated in whole or in part only by registration of such participation on the Participant Register (and each registered note shall expressly so provide). Any participation of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by the registration of such participation on the Participant Register. The Participant Register shall be available for inspection by the Administrative Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(h) Any Non-U.S. Lender who purchases or is assigned or participates in any portion of such Registered Loan shall comply with Section 2.08(d).

(i) Each Lender may sell participations to (x) one or more Eligible Transferees and (y) if an Event of Default under Sections 9.01(a), (f) or (g) has occurred and is continuing, one or more Ineligible Institutions, in each case, in or to all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including, without limitation, all or a portion of its Commitments and the Loans made by it); provided, that (i) such Lender's obligations under this Agreement (including without limitation, its Commitments hereunder) and the other Loan Documents shall remain unchanged and that any such participant shall not be entitled to receive any greater payment or benefit hereunder than such Lender would have been entitled to receive with respect to the participation sold to such participant unless the sale of such participation is made with the Administrative Borrower's prior written consent; (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and the Borrowers, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and the other Loan Documents; and (iii) a participant shall not be entitled to require such Lender to take or omit to take any action hereunder except (A) action directly effecting an extension of the maturity dates or decrease in the principal amount of the Loans, (B) action directly effecting an extension of the due dates or a decrease in the rate of interest payable on the Loans or the fees payable under this Agreement, or (C) actions directly effecting a release of all or a substantial portion of the Collateral or any Loan Party (except as set forth in Section 10.08 of this Agreement or any other Loan Document). The Loan Parties agree that each participant shall be entitled to the benefits of Section 2.08, subject to the obligations and limitations set forth thereunder; provided that the Administrative Borrower shall be notified of such participation and such participant shall agree, for the benefit of the Borrowers, to comply with Section 2.08(d) of this Agreement with respect to its participation in any portion of the Commitments and the Loans as if it was a Lender.

(j) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or loans made to, or other indebtedness issued by, such Lender pursuant to a securitization transaction (including any structured warehouse credit facility, collateralized loan obligation transaction or similar facility or transaction, and including any further securitization of the indebtedness or equity issued under such a transaction) (a "Securitization"); provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto. The Loan Parties shall cooperate with such Lender and its Affiliates to effect a Securitization, including, without limitation, by providing such information as may be reasonably requested by such Lender in connection with the rating of its Loans or any Securitization.

Section 12.08 Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Agreement by electronic mail shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party may request

in writing that parties delivering an executed counterpart of this Agreement by electronic mail also deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement. The foregoing shall apply to each other Loan Document *mutatis mutandis*.

Section 12.09 GOVERNING LAW. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (UNLESS EXPRESSLY PROVIDED TO THE CONTRARY IN ANOTHER LOAN DOCUMENT IN RESPECT OF SUCH OTHER LOAN DOCUMENT) SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN THE STATE OF NEW YORK.

Section 12.10 CONSENT TO JURISDICTION; SERVICE OF PROCESS AND VENUE. ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK IN THE COUNTY OF NEW YORK OR OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY HEREBY IRREVOCABLY ACCEPTS IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS. EACH LOAN PARTY HEREBY IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS AND IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO THE ADMINISTRATIVE BORROWER AT ITS ADDRESS FOR NOTICES AS SET FORTH IN SECTION 12.01 AND TO THE SECRETARY OF STATE OF THE STATE OF NEW YORK, SUCH SERVICE TO BECOME EFFECTIVE TEN (10) DAYS AFTER SUCH MAILING. THE LOAN PARTIES AGREE THAT A FINAL NON-APPEALABLE JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE AGENTS AND THE LENDERS TO SERVICE OF PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST ANY LOAN PARTY IN ANY OTHER JURISDICTION. EACH LOAN PARTY, EACH AGENT AND THE LENDERS HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE JURISDICTION OR LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN ANY SUCH COURT REFERRED TO ABOVE AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. TO THE EXTENT THAT ANY LOAN PARTY HAS OR HEREAFTER MAY ACQUIRE ANY IMMUNITY FROM JURISDICTION OF ANY COURT OR FROM ANY LEGAL PROCESS (WHETHER THROUGH SERVICE OR NOTICE, ATTACHMENT PRIOR TO JUDGMENT, ATTACHMENT IN AID OF EXECUTION OR OTHERWISE) WITH RESPECT TO ITSELF OR ITS PROPERTY, EACH LOAN PARTY, EACH AGENT AND THE LENDERS HEREBY IRREVOCABLY WAIVES SUCH IMMUNITY IN RESPECT OF ITS OBLIGATIONS UNDER THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS.

Section 12.11 WAIVER OF JURY TRIAL, ETC. EACH LOAN PARTY, EACH AGENT AND EACH LENDER HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM CONCERNING ANY RIGHTS UNDER THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS, OR UNDER ANY AMENDMENT, WAIVER, CONSENT, INSTRUMENT, DOCUMENT OR OTHER AGREEMENT DELIVERED OR WHICH IN THE FUTURE MAY BE DELIVERED IN CONNECTION THEREWITH, OR ARISING FROM ANY FINANCING RELATIONSHIP EXISTING IN CONNECTION WITH THIS AGREEMENT, AND AGREES THAT ANY SUCH ACTION, PROCEEDINGS OR COUNTERCLAIM SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. EACH LOAN PARTY CERTIFIES THAT NO OFFICER, REPRESENTATIVE, AGENT OR ATTORNEY OF ANY AGENT OR ANY LENDER HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT ANY AGENT OR ANY LENDER WOULD NOT, IN THE EVENT OF ANY ACTION, PROCEEDING OR COUNTERCLAIM, SEEK TO ENFORCE THE FOREGOING WAIVERS. EACH LOAN PARTY HEREBY ACKNOWLEDGES THAT THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE AGENTS AND THE LENDERS ENTERING INTO THIS AGREEMENT.

Section 12.12 Consent by the Agents and Lenders. Except as otherwise expressly set forth herein to the contrary or in any other Loan Document, if the consent, approval, satisfaction, determination, judgment, acceptance or similar action (an "Action") of any Agent or any Lender shall be permitted or required pursuant to any provision hereof or any provision of any other agreement to which any Loan Party is a party and to which any Agent or any Lender has succeeded thereto, such Action shall be required to be in writing and may be withheld or denied by such Agent or such Lender (other than an Affiliated Lender), in its reasonable discretion, with or without any reason.

Section 12.13 No Party Deemed Drafter. Each of the parties hereto agrees that no party hereto shall be deemed to be the drafter of this Agreement.

Section 12.14 Reinstatement; Certain Payments. If any claim is ever made upon any Agent or any Lender for repayment or recovery of any amount or amounts received by such Agent or such Lender in payment or on account of any of the Obligations, such Agent or such Lender shall give prompt notice of such claim to each other Agent and Lender and the Administrative Borrower, and if such Agent or such Lender repays all or part of such amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such Agent or such Lender or any of its property, or (ii) any good faith settlement or compromise of any such claim effected by such Agent or such Lender with any such claimant, then and in such event each Loan Party agrees that (A) any such judgment, decree, order, settlement or compromise shall be binding upon it notwithstanding the cancellation of any Indebtedness hereunder or under the other Loan Documents or the termination of this Agreement or the other Loan Documents, and (B) it shall be and remain liable to such Agent or such Lender hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by such Agent or such Lender.

Section 12.15 Indemnification.

(a) General Indemnity. In addition to each Loan Party's other Obligations under this Agreement, each Loan Party agrees to, jointly and severally, defend, protect, indemnify and hold harmless each Agent and each Lender and all of their respective Related Parties (collectively called the "Indemnitees") from and against any and all losses, damages, liabilities, obligations, penalties, fees, reasonable and documentedout-of-pocket costs and expenses (including, without limitation, reasonable and documented out-of-pocket costs and expenses of one outside counsel and one local counsel in each relevant jurisdiction) incurred by such Indemnitees (taken as a whole), whether prior to or from and after the Effective Date, whether direct, indirect or consequential, as a result of or arising from or relating to or in connection with any of the following: (i) the negotiation, preparation, execution or performance or enforcement of this Agreement, any other Loan Document or of any other document executed in connection with the transactions contemplated by this Agreement, (ii) any Agent's or any Lender's furnishing of funds to the Borrowers under this Agreement or the other Loan Documents, including, without limitation, the management of any such Loans, (iii) any matter relating to the financing transactions contemplated by this Agreement or the other Loan Documents or by any document executed in connection with the transactions contemplated by this Agreement or the other Loan Documents, or (iv) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto (collectively, the "Indemnified Matters"); provided, however, that the Loan Parties shall not have any obligation to any Indemnitee under this subsection (a) for any Indemnified Matter (x) caused by the gross negligence or willful misconduct of such Indemnitee as determined by a finalnon-appealable judgment of a court of competent jurisdiction, or (y) arising from disputes solely among the Agents, the Lenders (other than the Affiliated Lenders) and their respective participants or (z) that has resulted from an intentional breach of such Indemnitee's obligations under this Agreement as determined by a final non-appealable judgment of a court of competent jurisdiction. This Section 12.15(a) shall not apply with respect to Taxes other than any Taxes that represent losses, damages, etc. arising from any non-Tax claim.

(b) Environmental Indemnity. Without limiting Section 12.15(a) hereof, each Loan Party agrees to, jointly and severally, defend, indemnify, and hold harmless the Indemnitees against any and all Environmental Liabilities and Costs and all other claims, demands, penalties, fines, liability (including strict liability), losses, damages, costs and expenses (including, reasonable and documented out-of-pocket fees and expenses of one outside counsel and one local counsel in each relevant jurisdiction, consultant fees and laboratory fees), arising out of (i) any Releases or threatened Releases (x) at any property presently or formerly owned or operated by any Loan Party or any Subsidiary of any Loan Party, or any predecessor in interest, or (y) of any Hazardous Materials generated and disposed of by any Loan Party or any Subsidiary of any Loan Party, or any predecessor in interest; (ii) any violations of Environmental Laws by or relating to any Loan Party; (iii) any Environmental Action relating to any Loan Party or any Subsidiary of any Loan Party, or any predecessor in interest; (iv) any personal injury (including wrongful death) or property damage (real or personal) arising out of exposure to Hazardous Materials used, handled, generated, transported or disposed by any Loan Party or any Subsidiary of any Loan Party, or any predecessor in interest; and (v) any breach of any warranty or representation regarding environmental matters made by the Loan Parties in Section 6.01(r) or the breach of any covenant made by the Loan Parties in Section 7.01(j). Notwithstanding the foregoing, the Loan Parties shall not have any obligation to any Indemnitee under this subsection (b) regarding any potential environmental matter covered hereunder which is caused by the gross negligence or willful misconduct of such Indemnitee, as determined by a final non-appealable judgment of a court of competent jurisdiction.

(c) The indemnification for all of the foregoing losses, damages, fees, costs and expenses of the Indemnitees are chargeable against the Loan Account. To the extent that the undertaking to indemnify, pay and hold harmless set forth in this Section 12.15 may be unenforceable because it is violative of any law or public policy, each Loan Party shall, jointly and severally, contribute the maximum portion which it is permitted to pay and satisfy under applicable law, to the payment and satisfaction of all Indemnified Matters incurred by the Indemnitees. The indemnities set forth in this Section 12.15 shall survive the repayment of the Obligations and discharge of any Liens granted under the Loan Documents.

Section 12.16 Administrative Borrower. Each Borrower hereby irrevocably appoints Xponential Fitness LLC as the borrowing agent and attorney-in-fact for the Borrowers (the "Administrative Borrower") which appointment shall remain in full force and effect unless and until the Agents shall have received prior written notice signed by all of the Borrowers that such appointment has been revoked and that another Borrower has been appointed Administrative Borrower. Each Borrower hereby irrevocably appoints and authorizes the Administrative Borrower (i) to provide to the Agents and receive from the Agents all notices with respect to Loans obtained for the benefit of any Borrower and all other notices and instructions under this Agreement and (ii) to take such action as the Administrative Borrower deems appropriate on its behalf to obtain Loans and to exercise such other powers as are reasonably incidental thereto to carry out the purposes of this Agreement. It is understood that the handling of the Loan Account and Collateral of the Borrowers in a combined fashion, as more fully set forth herein, is done solely as an accommodation to the Borrowers in order to utilize the collective borrowing powers of the Borrowers in the most efficient and economical manner and at their request, and that neither the Agents nor the Lenders shall incur liability to the Borrowers as a result hereof. Each of the Borrowers expects to derive benefit, directly or indirectly, from the handling of the Loan Account and the Collateral in a combined fashion since the successful operation of each Borrower is dependent on the continued successful performance of the integrated group. To induce the Agents and the Lenders to do so, and in consideration thereof, each of the Borrowers hereby jointly and severally agrees to indemnify the Indemnitees and hold the Indemnitees harmless against any and all liability, expense, loss or claim of damage or injury, made against such Indemnitee by any of the Borrowers or by any third party whosoever, arising from or incurred by reason of (a) the handling of the Loan Account and Collateral of the Borrowers as herein provided, (b) the Agents and the Lenders relying on any instructions of the Administrative Borrower, or (c) any other action taken by any Agent or any Lender hereunder or under the other Loan Documents.

Section 12.17 Records. The unpaid principal of and interest on the Loans, the interest rate or rates applicable to such unpaid principal and interest, the duration of such applicability, the Commitments, and the accrued and unpaid fees payable pursuant to Section 2.06 hereof, including, without limitation, the fees set forth in the Fee Letter and the Applicable Prepayment Premium, if any, shall at all times be ascertained from the records of the Agents, which shall be conclusive and binding absent manifest error.

Section 12.18 Binding Effect. This Agreement shall become effective when it shall have been executed by each Loan Party, each Agent and each Lender and when the conditions

precedent set forth in Section 5.01 hereof have been satisfied or waived in writing by the Agents, and thereafter shall be binding upon and inure to the benefit of each Loan Party, each Agent and each Lender, and their respective successors and assigns, except that the Loan Parties shall not have the right to assign their rights hereunder or any interest herein without the prior written consent of each Agent and each Lender, and any assignment by any Lender shall be governed by Section 12.07 hereof.

Section 12.19 Interest. It is the intention of the parties hereto that each Agent and each Lender shall conform strictly to usury laws applicable to it. Accordingly, if the transactions contemplated hereby or by any other Loan Document would be usurious as to any Agent or any Lender under laws applicable to it (including the laws of the United States of America and the State of New York or any other jurisdiction whose laws may be mandatorily applicable to such Agent or such Lender notwithstanding the other provisions of this Agreement), then, in that event, notwithstanding anything to the contrary in this Agreement or any other Loan Document or any agreement entered into in connection with or as security for the Obligations, it is agreed as follows: (i) the aggregate of all consideration which constitutes interest under law applicable to any Agent or any Lender that is contracted for, taken, reserved, charged or received by such Agent or such Lender under this Agreement or any other Loan Document or agreements or otherwise in connection with the Obligations shall under no circumstances exceed the maximum amount allowed by such applicable law, any excess shall be canceled automatically and if theretofore paid shall be credited by such Agent or such Lender on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by such Agent or such Lender, as applicable, to the Borrowers); and (ii) in the event that the maturity of the Obligations is accelerated by reason of any Event of Default under this Agreement or otherwise, or in the event of any required or permitted prepayment, then such consideration that constitutes interest under law applicable to any Agent or any Lender may never include more than the maximum amount allowed by such applicable law, and excess interest, if any, provided for in this Agreement or otherwise shall be canceled automatically by such Agent or such Lender, as applicable, as of the date of such acceleration or prepayment and, if theretofore paid, shall be credited by such Agent or such Lender, as applicable, on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by such Agent or such Lender to the Borrowers). All sums paid or agreed to be paid to any Agent or any Lender for the use, forbearance or detention of sums due hereunder shall, to the extent permitted by law applicable to such Agent or such Lender, be amortized, prorated, allocated and spread throughout the full term of the Loans until payment in full so that the rate or amount of interest on account of any Loans hereunder does not exceed the maximum amount allowed by such applicable law. If at any time and from time to time (x) the amount of interest payable to any Agent or any Lender on any date shall be computed at the Highest Lawful Rate applicable to such Agent or such Lender pursuant to this Section 12.19 and (y) in respect of any subsequent interest computation period the amount of interest otherwise payable to such Agent or such Lender would be less than the amount of interest payable to such Agent or such Lender computed at the Highest Lawful Rate applicable to such Agent or such Lender, then the amount of interest payable to such Agent or such Lender in respect of such subsequent interest computation period shall continue to be computed at the Highest Lawful Rate applicable to such Agent or such Lender until the total amount of interest payable to such Agent or such Lender shall equal the total amount of interest which would have been payable to such Agent or such Lender if the total amount of interest had been computed without giving effect to this Section 12.19.

For purposes of this Section 12.19, the term "applicable law" shall mean that law in effect from time to time and applicable to the loan transaction between the Borrowers, on the one hand, and the Agents and the Lenders, on the other, that lawfully permits the charging and collection of the highest permissible, lawful non-usurious rate of interest on such loan transaction and this Agreement, including laws of the State of New York and, to the extent controlling, laws of the United States of America.

The right to accelerate the maturity of the Obligations does not include the right to accelerate any interest that has not accrued as of the date of acceleration.

Section 12.20 Confidentiality. Each Agent and each Lender agrees (on behalf of itself and each of its Related Parties) to use reasonable precautions to keep confidential, in accordance with its customary procedures for handling confidential information of this nature and in accordance with safe and sound practices of comparable commercial finance companies, any non-public information supplied to it by the Loan Parties pursuant to this Agreement or the other Loan Documents which is identified in writing by the Loan Parties as being confidential at the time the same is delivered to such Person (and which at the time is not, and does not thereafter become, publicly available or available to such Person from another source not known to be subject to a confidentiality obligation to such Person not to disclose such information), provided that nothing herein shall limit the disclosure by any Agent or any Lender of any such information (i) to its Affiliates, its Related Parties or the Related Parties of any Person described in clause (ii) or (iii) below) (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential in accordance with this Section 12.20 or is subject to other customary confidentiality obligations); (ii) to any other party hereto; (iii) to any assignee or participant (or prospective assignee or participant) or any party to a Securitization so long as such assignee or participant (or prospective assignee or participant) or party to a Securitization agrees, in writing, to be bound by or is otherwise subject to customary confidentiality obligations (including, without limitation, confidentiality provisions similar in substance to this Section 12.20); (iv) to the extent required by any Requirement of Law or judicial process or as otherwise requested by any Governmental Authority having jurisdiction over such Person; (v) (x) to the National Association of Insurance Commissioners or any similar organization, any examiner, auditor or accountant or any nationally recognized rating agency or (y) otherwise to the extent consisting of general portfolio information that does not identify Loan Parties; provided, unless specifically prohibited by applicable law or court order, each Agent and each Lender shall make reasonable efforts to notify the Borrower of any request by any Governmental Authority or representative thereof; (vi) in connection with any litigation to which any Agent or any Lender is a party; (vii) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, in each case, solely to the extent necessary in connection therewith; or (viii) with the consent of the Administrative Borrower.

Section 12.21 Public Disclosure. Each Loan Party agrees that neither it nor any of its Affiliates will now or in the future issue any press release or other public disclosure using the name of an Agent, any Lender or any of their respective Affiliates or referring to this Agreement or any other Loan Document without the prior written consent of such Agent or such Lender, except to the extent that such Loan Party or such Affiliate is required by any Requirement of Law

(in which event, such Loan Party or such Affiliate will consult with such Agent or such Lender before issuing such press release or other public disclosure; provided, that any failure of such Loan party or such Affiliate to consult with such Agent or such Lender shall not result in an Event of Default hereunder). Notwithstanding the foregoing or anything contained herein to the contrary, the Parent or any parent company of the Parent may include a summary of this Agreement or any other Loan Document in, and file copies thereof as exhibits to, any registration statement that it submits or files under the Securities Act of 1933, as amended, or filings it makes or furnishes under the Exchange Act. Each Loan Party hereby authorizes each Agent and each Lender, after consultation with the Borrowers, to advertise the closing of the transactions contemplated by this Agreement, and to make reasonably appropriate announcements of the financial arrangements entered into among the parties hereto, as such Agent or such Lender shall deem reasonably appropriate, including, without limitation, announcements commonly known as tombstones, in such trade publications, business journals, newspapers of general circulation and to such selected parties as such Agent or such Lender shall deem reasonably appropriate.

Section 12.22 Integration. This Agreement, together with the other Loan Documents, reflects the entire understanding of the parties with respect to the transactions contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof.

Section 12.23 USA PATRIOT Act. Each Lender that is subject to the requirements of the USA PATRIOT Act hereby notifies the Borrowers that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the entities composing the Borrowers, which information includes the name and address of each such entity and other information that will allow such Lender to identify the entities composing the Borrowers in accordance with the USA PATRIOT Act. Each Loan Party agrees to take such action and execute, acknowledge and deliver at its sole cost and expense, such instruments and documents as any Lender may reasonably require from time to time in order to enable such Lender to comply with the USA PATRIOT Act.

Section 12.24 Keepwell. Each Loan Party, if it is a Qualified ECP Loan Party, then jointly and severally, together with each other Qualified ECP Loan Party, hereby absolutely unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by any Non-Qualifying Party to honor all of such Non-Qualifying Party's obligations under this Agreement or any other Loan Document in respect of Swap Obligations (provided, however, that each Qualified ECP Loan Party shall only be liable under this Section 12.24 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 12.24, or otherwise under this Agreement or any other Loan Document, voidable under applicable law, including applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Loan Party under this Section 12.24 shall remain in full force and effect until payment in full of the Obligations and termination of this Agreement and the other Loan Documents. Each Qualified ECP Loan Party intends that this Section 12.24 constitute, and this Section 12.24 shall be deemed to constitute, a guarantee of the obligations of, and a "keepwell, support, or other agreement" for the benefit of each other Borrower and Guarantor for all purposes of Section 1a(18(A)(v)(II) of the CEA.

Section 12.25 Released Loan Party. Notwithstanding anything herein to the contrary, a Loan Party (the "Released Loan Party") shall be automatically released from its obligations under this Agreement in the event that all or any portion of the Equity Interests of the Released Loan Party shall be sold, transferred or otherwise disposed pursuant to clauses (i) and (j) of the definition of "Permitted Disposition," and the parties hereby acknowledge and agree that each reference to a "Loan Party" or the "Loan Parties" in this Agreement shall not include such Released Loan Party.

(b) (i) During the existence of a Guaranty Liability Event (other than a Guaranty Liability Event described in clause (e) of the definition thereof), the Collateral Agent may declare all or any portion of the Guaranteed Obligations due and payable hereunder, and (ii) during the existence of a Guaranty Liability Event described in clause (e) of the definition thereof, the Collateral Agent may declare all or any portion of the Guaranteed Obligations due and payable hereunder in an aggregate amount not to exceed $5,000,000, and, in each case, Sponsor Guarantor shall be obligated to pay such amount in respect of the Guaranteed Obligations to the Collateral Agent, subject to Section 2(c) below, and the Collateral Agent shall be entitled to enforce all Guaranteed Obligations of Sponsor Guarantor hereunder after such due date.

(c) Notwithstanding anything to the contrary contained in this Guaranty, (i) the liability of Sponsor Guarantor under this Guaranty in respect of the Guaranteed Obligations and the recourse of the Agents and the Lenders hereunder shall be limited solely to the payment of $10,000,000 in the aggregate (the "Specified Amount"), plus Enforcement Costs, if any, (ii) Sponsor Guarantor shall satisfy its obligations hereunder by funding such amounts to the Collateral Agent in accordance with this Guaranty, and (iii) upon funding its obligations under this Guaranty to the Collateral Agent in an aggregate amount equal to the Specified Amount, Sponsor Guarantor shall have no further liability under this Guaranty, except as otherwise provided in Section 3(c) below; provided that in no event will the payment obligations of each of H&W, L. Catterton and LAG Fit in respect of the Specified Amount and Enforcement Costs exceed its applicable share thereof set forth opposite its name on Schedule 1 hereto.

(d) All payments made by the Sponsor Guarantor pursuant to this Section 2 shall be applied as follows:

(i) in respect of a payment made pursuant to a Guaranty Liability Event (other than a Guaranty Liability Event described in clause (e) of the definition thereof), (A) first, ratably to repay the then outstanding principal amount of the Term Loans in the inverse order of maturity until the principal amount of such Term Loans has been paid in full in cash and (B) second, to repay any other Obligations then outstanding.

(ii) in respect of a payment made pursuant to a Guaranty Liability Event described in clause (e) of the definition thereof, (A) first, 50% of such payment ratably to repay the then outstanding Revolving Loans, (B) second, 50% of such payment (plus any remaining proceeds described in clause (A) hereof in the event that less than 50% of such payment reduces the then outstanding Revolving Loans to $0) ratably to repay the then outstanding principal amount of the Term Loans in the inverse order of maturity until the principal amount of such Term Loans has been paid in full in cash and (C) third, to repay any other Obligations then outstanding.

SECTION 3. Guaranty Absolute; Continuing Guaranty; Assignments.

(a) Subject to Section 2(c) above, Sponsor Guarantor hereby guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Financing Agreement and the other Loan Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Agents or the Lenders with respect thereto. Sponsor Guarantor agrees that this Guaranty constitutes a guaranty of payment when due and not of collection and waives any right to require that any resort be made by any Agent or any Lender to any Collateral. The obligations of Sponsor Guarantor under this Guaranty are independent of the Guaranteed Obligations, and a separate action or actions may be brought and prosecuted against Sponsor Guarantor to enforce such obligations, irrespective of whether any action is brought against any Loan Party or whether any Loan Party is joined in any such action or actions. To the fullest extent permitted by law, the liability of Sponsor Guarantor under this Guaranty shall be irrevocable, absolute and unconditional irrespective of, and Sponsor Guarantor hereby irrevocably waives any defenses it may now or hereafter have in any way relating to, any or all of the following:

(i) any lack of validity or enforceability of the Financing Agreement or any other Loan Document or any document, agreement or instrument relating thereto;

(ii) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to departure from the Financing Agreement or any other Loan Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Loan Party or otherwise;

(iii) any taking, exchange, release or non-perfection of any lien on or security interest in any Collateral, or any taking, release or amendment or waiver of or consent to departure from any other guaranty, for all or any of the Guaranteed Obligations;

(iv) the existence of any claim, set-off, defense (other than payment in full of the Guaranteed Obligations) or other right that Sponsor Guarantor may have at any time against any Person, including, without limitation, any Agent or any Lender, whether in connection with this Guaranty or any Loan Document or the transactions contemplated herein, therein or in any unrelated transaction;

(v) any change, restructuring or termination of the corporate, limited liability company or partnership (as applicable) structure or existence of any Loan Party; or

(vi) any other circumstance (including, without limitation, any statute of limitations) or any existence of or reliance on any representation by the Agents or the Lenders that might otherwise constitute a defense (other than payment in full of the Guaranteed Obligations) available to, or a discharge of, any Loan Party or any other guarantor or surety.

(b) This Guaranty is a continuing guaranty and shall (i) remain in full force and effect until the Termination Date, provided that the obligations of Sponsor Guarantor set forth in Section 5 shall continue to survive the termination of this Guaranty, (ii) be binding upon Sponsor Guarantor, its successors and assigns and (iii) inure to the benefit of and be enforceable by the Agents, the Lenders and their permitted successors, pledgees, transferees and assigns. Without limiting the generality of the foregoing clause (iii), any Lender may pledge, assign or otherwise transfer all or any portion of its rights and obligations under the Financing Agreement or the other Loan Document (including, without limitation, all or any portion of its Commitment and its Loans) to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Lender herein or otherwise, in each case as provided in Section 12.07 of the Financing Agreement.

(c) Notwithstanding anything to the contrary set forth herein (including without limitation, Section 3(b) above), but subject to Section 2(c), this Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment by Sponsor Guarantor under this Guaranty is rescinded or must otherwise be returned by the Agent, the Lenders or any other Person to Sponsor Guarantor or the Borrowers, all as though such payment had not been made.

SECTION 4. Waivers. Sponsor Guarantor hereby waives (i) promptness, diligence, notice of acceptance and any other notice with respect to any of the Guaranteed Obligations and this Guaranty, (ii) notice of acceptance and notice of the incurrence of any Obligation by any Borrower, (iii) notice of any actions taken by any Agent, any Lender or any Loan Party under any Loan Document or any other agreement or instrument related thereto, (iv) all other notices, demands and protests, and all other formalities of every kind in connection with the enforcement of the Obligations or of the obligations of the Sponsor Guarantor hereunder, the omission of or delay in which, but for the provisions of this Section 4, might constitute grounds for relieving the Sponsor Guarantor of its obligations hereunder, (v) any requirement that the Agents or the Lenders exhaust any right or take any action against any Loan Party or any other Person or any Collateral, (vi) any right to compel or direct any Agent or any Lender to seek payment or recovery of any amounts owed under this Guaranty from any one particular fund or source or to exhaust any right or take any action against any other Loan Party or any other Person or any Collateral, (vii) any requirement that any Agent or any Lender protect, secure, perfect or insure any security interest or Lien or any property subject thereto, or exhaust any right or take any action against any Loan Party or any other Person or any Collateral, and (viii) any other defense (other than payment in full of the Guaranteed Obligations) available to Sponsor Guarantor. Sponsor Guarantor agrees that the Agents and the Lenders shall have no obligation to marshal any assets in favor of Sponsor Guarantor or against, or in payment of, any or all of the Obligations. Sponsor Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated herein and in the Financing Agreement and that the waivers set forth in this Section 4 are knowingly made in contemplation of such benefits. Sponsor Guarantor hereby waives any right to revoke this Guaranty, and acknowledges that this Guaranty is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

SECTION 5. Subrogation. Sponsor Guarantor will not exercise any rights that it may now or hereafter acquire against any Loan Party or any other guarantor that arise from the existence, payment, performance or enforcement of Sponsor Guarantor's obligations under this Guaranty, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of the Agents and the Lenders against any Loan Party or any other guarantor or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any Loan Party or any other guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security solely on account of such claim, remedy or right, unless and until (a) all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full (other than unasserted contingent indemnification obligations) and (b) the Termination Date shall have occurred. If any amount shall be paid to Sponsor Guarantor in violation of the immediately preceding sentence at any time prior to the date on which all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full (other than unasserted contingent indemnification obligations) and the Termination Date, such amount shall be held in trust for the benefit of the Agents and the Lenders and shall forthwith be paid to the Agents and the Lenders, to be credited and applied to the Guaranteed Obligations and all other amounts payable under this Guaranty, whether matured or unmatured, in accordance with the terms of this Guaranty and the Financing Agreement, or to be held as Collateral for any Guaranteed Obligations or other amounts payable under this Guaranty thereafter arising. The Collateral

Agent, by its acceptance hereof, agrees that it shall hold all Collateral as agent for the Sponsor Guarantor as security for the repayment of any amounts paid by the Sponsor Guarantor hereunder. If (i) Sponsor Guarantor shall make payment to the Agents and the Lenders, of all or any part of the Guaranteed Obligations, (ii) all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall be paid in full (other than unasserted contingent indemnification obligations) and (iii) the Termination Date shall have occurred, the Agents and the Lenders will, at Sponsor Guarantor's request and expense, execute and deliver to Sponsor Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence (A) the transfer by subrogation to Sponsor Guarantor of an interest in the Guaranteed Obligations resulting from the payment by Sponsor Guarantor and (B) the transfer of the Agents' and the Lenders' security interest in the Collateral to Sponsor Guarantor.

SECTION 6. The Sponsor Guarantor's Subordination of Rights to the Agents and the Lenders.

(a) In the event that the Sponsor Guarantor should for any reason (i) advance or lend monies to any Loan Party which funds are used by such Loan Party to make payment or payments in respect of the Obligations, (ii) make any payment for and on behalf of any Loan Party in respect of the Guaranteed Obligations, or (iii) make any payment to any Agent or any Lender in total or partial satisfaction of the Sponsor Guarantor's obligations and liabilities hereunder, the Sponsor Guarantor hereby agrees that any and all rights that the Sponsor Guarantor may have or acquire to collect or to be reimbursed by any Loan Party (or by any other obligor, guarantor, endorser or surety of the Obligations), whether the Sponsor Guarantor's rights of collection or reimbursement arise by way of subrogation to the rights of any Agent or any Lender or otherwise, shall in all respects be subordinate, inferior and junior to the Agents' and the Lenders' rights to collect and enforce payment, performance and satisfaction of the Obligations then remaining, until such time as the Obligations are fully paid and satisfied (other than unasserted contingent indemnification obligations).

(b) The Sponsor Guarantor further agrees to refrain from attempting to collect and/or enforce any of the Sponsor Guarantor's aforesaid rights against any Loan Party (or any other obligor, guarantor, endorser or surety of the Obligations), arising by way of subrogation or otherwise, until such time as the Obligations then remaining in favor of the Agents and the Lenders are fully paid and satisfied.

(c) In the event that the Sponsor Guarantor should for any reason whatsoever receive any payment or payments from any Loan Party (or any other obligor, guarantor, endorser or surety of the Obligations) on any such amount or amounts that such Loan Party (or such a third party) may owe to the Sponsor Guarantor for any of the reasons stated above, the Sponsor Guarantor agrees to accept such payment or payments for and on behalf of the Agents and the Lenders, advising such Loan Party (or the third party payee) of such a fact, and the Sponsor Guarantor unconditionally agrees to immediately deliver such funds to the Agents and the Lenders, with such funds being held by the Sponsor Guarantor during any interim period, in trust for the Agents and the Lenders.

SECTION 7. Representations, Warranties and Covenants. Sponsor Guarantor hereby represents and warrants to the Agents and the Lenders as follows:

(a) [Each of H&W, L. Catterton and LAG Fit (i) is a limited partnership], duly organized, validly existing and in good standing under the laws of [Delaware], (ii) has all requisite power and authority to conduct its business as now conducted and as presently contemplated and to execute and deliver this Guaranty, and to consummate the transactions contemplated hereby and (iii) is duly qualified to do business and is in good standing in each jurisdiction in which the character of the properties owned or leased by it or in which the transaction of its business makes such qualification necessary except to the extent failure to be so qualified would not reasonably be expected to have a material adverse effect on Sponsor Guarantor, its business or its ability to perform its obligations under this Guaranty.

(b) The execution, delivery and performance by Sponsor Guarantor of this Guaranty (i) has been duly authorized by all necessary action on the part of Sponsor Guarantor, (ii) does not and will not contravene its governing agreement, or any applicable law or any material contractual restriction binding on or otherwise affecting Sponsor Guarantor or any of its properties, (iii) does not and will not result in or require the creation of any Lien upon or with respect to any of its properties, and (iv) does not and will not result in any default, noncompliance, suspension, revocation, impairment, forfeiture or nonrenewal of any permit, license, authorization or approval applicable to its operations or any of its properties, which in the case of clause (iv) could not reasonably be expected to have a material adverse effect upon Sponsor Guarantor.

(c) No authorization or approval or other action by, and no notice to or filing with, any Governmental Authority is required in connection with the due execution, delivery and performance by Sponsor Guarantor of this Guaranty except, those which have been obtained on or prior to the date hereof.

(d) This Guaranty, when executed and delivered, will be, a legal, valid and binding obligation of Sponsor Guarantor, enforceable against Sponsor Guarantor in accordance with its terms, except as may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally or general equitable principles relating to enforceability.

(e) There is no pending or, to the knowledge of Sponsor Guarantor, threatened action, suit or proceeding affecting Sponsor Guarantor or its properties before any court or other Governmental Authority or any arbitrator that (A) if adversely determined, could reasonably be expected to have a material adverse effect upon Sponsor Guarantor, its business or its ability to perform its obligations under this Guaranty or (B) relates to this Guaranty or the Financing Agreement or any transaction contemplated hereby or thereby.

(f) Sponsor Guarantor (i) has read and understands the terms and conditions of the Financing Agreement and the other Loan Documents, and (ii) now has and will continue to have independent means of obtaining information concerning the affairs, financial condition and business of the Borrowers and the other Loan Parties, and has no need of, or right to obtain from any Agent or any Lender, any credit or other information concerning the affairs, financial condition or business of the Borrowers or the other Loan Parties that may come under the control of any Agent or any Lender.

(g) [Reserved].

(h) Except with respect to Sponsor Guarantor's potential liability for Enforcement Costs and its contingent obligations under Section 11 below, the aggregate amount of guarantees made by Sponsor Guarantor and outstanding on the date hereof does not exceed the aggregate unfunded capital commitments of the partners of Sponsor Guarantor.

(i) Upon receipt of written notice from any Agent of a demand for payment under this Guaranty made in accordance with Section 2, Sponsor Guarantor shall promptly demand that the partners of the Sponsor Guarantor fund their pro rata portion of their unfunded capital commitments (in an aggregate amount equal to the amount demanded under this Guaranty) within 15 Business Days of receipt of such notice from such Agent in an aggregate amount equal to such payment demand made by such Agent.

(j) For so long as this Guaranty shall remain in effect, the Sponsor Guarantor shall deliver to the Collateral Agent, no later than thirty (30) days following the completion of each fiscal quarter

(the "Quarterly Reporting Date"), a certificate signed by an authorized officer of the Sponsor Guarantor, certifying that except with respect to Sponsor Guarantor's potential liability for Enforcement Costs or its contingent obligations under Section 11 below, the aggregate amount of guarantees made by Sponsor Guarantor and outstanding on such Quarterly Reporting Date does not exceed the unfunded capital commitments of the partners of Sponsor Guarantor on such Quarterly Reporting Date.

SECTION 8. Notices, Etc. All notices and other communications provided for hereunder shall be given in accordance with the notice provisions of Section 12.01 of the Financing Agreement.

SECTION 9. GOVERNING LAW; CONSENT TO JURISDICTION; SERVICE OF PROCESS AND VENUE; WAIVER OF JURY TRIAL, ETC. In addition to and without limitation of any of the foregoing, this Agreement shall be deemed to be a Loan Document and shall otherwise be subject to all of terms and conditions contained in Sections 12.09, 12.10 and 12.11 of the Financing Agreement, *mutatis mutandis*.

SECTION 10. [Reserved].

SECTION 11. Taxes.

(a) All payments made by the Sponsor Guarantor hereunder or under any other Loan Document shall be made in accordance with Sections 2.08 and 4.02 of the Financing Agreement, *mutatis mutandis*, and shall be made without set-off, counterclaim, deduction or other defense. All such payments shall be made free and clear of and without deduction for any present or future Taxes. If the Sponsor Guarantor shall be required to deduct or to withhold any Taxes from or in respect of any amount payable hereunder or under any other Loan Document,

(i) the amount so payable shall be increased to the extent necessary so that after making all required deductions and withholdings (including Taxes on amounts payable to the Agents and the Lenders pursuant to this sentence) the Agents and the Lenders receive an amount equal to the sum they would have received had no such deduction or withholding been made,

(ii) the Sponsor Guarantor shall make such deduction or withholding,

(iii) the Sponsor Guarantor shall pay the full amount deducted or withheld to the relevant taxation authority in accordance with applicable law, and

(iv) as promptly as possible thereafter, the Sponsor Guarantor shall send the Agents and the Lenders an official receipt (or, if an official receipt is not available, such other documentation as shall be satisfactory to the Agents and the Lenders) showing payment. In addition, the Sponsor Guarantor agrees to pay any present or future taxes, charges or similar levies which arise from any payment made hereunder or from the execution, delivery, performance, recordation or filing of, or otherwise with respect to, this Guaranty or any other Loan Document, other than Other Taxes.

(b) The Sponsor Guarantor hereby indemnifies and agrees to hold the Agents and the Lenders harmless from and against Taxes or Other Taxes (including, without limitation, any Taxes or Other Taxes imposed by any jurisdiction on amounts payable under this Section 11) paid by any Agent or any Lender in connection herewith and any liability (including, without limitation, penalties, interest and expenses for nonpayment, late payment or otherwise) arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally asserted. This indemnification shall be paid within 30 days from the date on which any Agent or any Lender makes written demand therefor, which demand shall identify in reasonable detail the nature and amount of Taxes or Other Taxes.

(c) If the Sponsor Guarantor fails to perform any of its obligations under this Section 11, the Sponsor Guarantor shall indemnify the Agents and the Lenders for any taxes, interest or penalties that may become payable as a result of any such failure. The obligations of the Sponsor Guarantor under this Section 11 shall survive the termination of this Guaranty and the payment of the Guaranteed Obligations and all other amounts payable hereunder.

SECTION 12. Miscellaneous.

(a) Sponsor Guarantor will make each payment hereunder in lawful money of the United States of America and in immediately available funds to the Collateral Agent, for the benefit of the Agents and the Lenders, at such address specified by the Agent from time to time in writing by notice to Sponsor Guarantor.

(b) No amendment or waiver of any provision of this Guaranty and no consent to any departure by Sponsor Guarantor therefrom shall in any event be effective unless the same shall be in writing and signed by Sponsor Guarantor and the Collateral Agent, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

(c) No failure on the part of any Agent or any Lender to exercise, and no delay in exercising, any right hereunder or under the Financing Agreement or any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any right hereunder or under the Financing Agreement or any other Loan Document preclude any other or further exercise thereof or the exercise of any other right. The rights and remedies of the Agents and the Lenders provided herein and in the Financing Agreement or any other Loan Documents are cumulative and are in addition to, and not exclusive of, any rights or remedies provided by law. The rights of the Agents and the Lenders under the Financing Agreement or any other Loan Document against any party thereto are not conditional or contingent on any attempt by the Agents and the Lenders to exercise any of their rights under the Financing Agreement or any other Loan Document against such party or against any other Person.

(d) Any provision of this Guaranty which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or thereof or affecting the validity or enforceability of such provision in any other jurisdiction.

(e) This Guaranty shall (i) be binding on Sponsor Guarantor and its successors and assigns, and (ii) inure, together with all rights and remedies of the Agents and the Lenders hereunder, to the benefit of the Agents and the Lenders and their respective successors, transferees and assigns. Any Agent and any Lender may assign or otherwise transfer its rights and obligations under the Financing Agreement, or any other Loan Document to any other Person, and such other Person shall thereupon become vested with all of the benefits in respect thereof granted to such Agent or such Lender herein or otherwise. None of the rights or obligations of Sponsor Guarantor hereunder may be assigned or otherwise transferred without the prior written consent of the Collateral Agent, and any such assignment without the prior consent of the Collateral Agent shall be null and void, except that the Sponsor Guarantor may assign any of its rights or obligations hereunder to any of its affiliates; *provided* that any such assignment shall not relieve the Sponsor Guarantor of its obligations hereunder.

(f) This Guaranty and the other Loan Documents reflect the entire understanding of the parties with respect to the transactions contemplated hereby and thereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof.

(g) Section headings herein are included for convenience of reference only and shall not constitute a part of this Guaranty for any other purpose.

(h) Delivery of an executed signature page of this Guaranty by facsimile, PDF or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Guaranty; provided that Sponsor Guarantor also shall promptly deliver an original executed counterpart of this Guaranty but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Guaranty.

3. Representations and Warranties. Each Loan Party hereby jointly and severally represents and warrants to the Agents and the Lenders, as of the date hereof, as follows:

(a) Representations and Warranties; No Event of Default. The representations and warranties contained herein, in Article VI of the Financing Agreement and in each other Loan Document, certificate or other writing delivered by or on behalf of any Loan Party to any Secured Party pursuant thereto on or prior to the Second Amendment Effective Date are true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified as to "materiality" or "Material Adverse Effect" in the text thereof, which representations and warranties shall be true and correct in all respects subject to such qualification) on and as of such date as though made on and as of such date, except to the extent that any such representation or warranty expressly relates solely to an earlier date (in which case such representation or warranty shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations or warranties that already are qualified or modified as to "materiality" or "Material Adverse Effect" in the text thereof, which representations and warranties shall be true and correct in all respects subject to such qualification) on and as of such earlier date), and no Default or Event of Default has occurred and is continuing as of the Second Amendment Effective Date or would result from this Amendment becoming effective in accordance with its terms.

This Amendment constitutes the legal, valid and binding obligation of such Loan Party, enforceable against such Loan Party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and general principles of equity.

(iv) a certificate of an Authorized Officer of the Parent certifying as to the matters described in Section 2(a) of this Amendment and dated as of the Second Amendment Effective Date.

(c) Liens; Priority. The Agents shall be satisfied that the Collateral Agent has been granted, and holds, for the benefit of the Agents and the Lenders, a perfected, first priority Lien on and security interest in the Acquired Assets (as defined in the Contribution Agreement) and all other Collateral, subject only to Permitted Liens, to the extent such Liens and security interests are required pursuant to the Financing Agreement and the other Loan Documents to be granted or perfected on or before the Second Amendment Effective Date.

(d) Approvals. All consents, authorizations and approvals of all filings and registrations with, and all other actions in respect of, any Governmental Authority or other Person required in connection with the transactions contemplated by this Amendment shall have been obtained and shall be in full force and effect.

(e) Rumble Acquisition Documents. The Agents shall have received an executed copy of the Contribution Agreement, each other contribution agreement providing for the Acquired Assets to be contributed to Parent, XF and Rumble Franchise, LLC (the "Internal Contribution Agreements") and each other material document relating to the Rumble Acquisition (the "Rumble Acquisition Documents"), in each case, certified by the Administrative Borrower as being a true, complete and correct copy as of the date hereof.

5. Continued Effectiveness of the Financing Agreement and Other Loan Documents. Each Loan Party hereby (i) acknowledges and consents to this Amendment, (ii) confirms and agrees that the Financing Agreement and each other Loan Document to which it is a party is, and shall continue to be, in full force and effect and is hereby ratified and confirmed in all respects except that on and after the Second Amendment Effective Date all references in the Financing Agreement or any other Loan Document to "Financing Agreement", the "Agreement", "thereto", "thereof", "thereunder" or words of like import referring to the Financing Agreement shall mean the Financing Agreement as amended by this Amendment, and (iii) confirms and agrees that to the extent that the Financing Agreement or any such other Loan Document purports to assign or pledge to the Collateral Agent for the benefit of the Lenders, or to grant to the Collateral Agent for the benefit of the Lenders a security interest in or Lien on, any Collateral as security for the Obligations or Guaranteed Obligations, as the case may be, of any Loan Party from time to time existing in respect of the Financing Agreement (as amended hereby) and the other Loan Documents, such pledge, assignment and/or grant of the security interest or Lien is hereby ratified and confirmed in all respects as of the date hereof. This Amendment does not and shall not affect any of the obligations of any Loan Party, other than as expressly provided herein, including, without limitation, the Borrower's obligation to repay the Loans in accordance with the terms of Financing Agreement, or the obligations of any other Loan Party under any Loan Document to which it is a party, all of which obligations shall remain in full force and effect. Except as expressly provided herein, the execution, delivery and effectiveness of this Amendment shall not operate as a waiver of any right, power or remedy of the Agents or any Lender under the Financing Agreement or any other Loan Document, nor constitute a waiver of any provision of the Financing Agreement or any other Loan Document.

6. Release. Each Loan Party hereby acknowledges and agrees that: as of the Second Amendment Effective Date (i) neither it nor any of its Subsidiaries has any claim or cause of action against the Agents or any Lender (or any of their respective Affiliates, officers, directors, employees, attorneys, consultants or agents in their capacities for the Agents or any Lender) in connection with the Loan Documents and (ii) the Agents and each Lender has heretofore properly performed and satisfied in a timely manner all of its obligations to the Loan Parties and their Subsidiaries under the Financing Agreement and the other Loan Documents that are required to have been performed on or prior to the date hereof. Notwithstanding the foregoing, the Agents and the Lenders wish (and the Loan Parties agree) to eliminate any possibility that any past conditions, acts, omissions, events or circumstances would impair or otherwise adversely affect any of the Agents' and the Lenders' rights, interests, security and/or remedies under the Financing Agreement and the other Loan Documents. Accordingly, for and in consideration of the agreements contained in this Amendment and other good and valuable consideration, each Loan Party (for itself and its Subsidiaries and the successors, assigns, heirs and representatives of each of the foregoing) (collectively, the "Releasors") does hereby fully, finally, unconditionally and irrevocably release and forever discharge each Agent, each Lender and each of their respective Affiliates, officers, directors, employees, attorneys, consultants and agents in their capacities as an Agent or any Lender (collectively, the "Released Parties") from any and all debts, claims, obligations, damages, costs, attorneys' fees, suits, demands,

liabilities, actions, proceedings and causes of action, in each case, whether known or unknown, contingent or fixed, direct or indirect, and of whatever nature or description, and whether in law or in equity, under contract, tort, statute or otherwise, which any Releasor has heretofore had or now or hereafter can, shall or may have against any Released Party by reason of any act, omission or thing whatsoever done or omitted to be done on or prior to the Second Amendment Effective Date arising out of, connected with or related in any way to this Amendment, the Financing Agreement or any other Loan Document, or any act, event or transaction related or attendant thereto, or the agreements of any Agent or any Lender contained therein, or the possession, use, operation or control of any of the assets of any Loan Party, or the making of any Loans or other advances, or the management of such Loans or advances or the Collateral prior to the Second Amendment Effective Date.

7. Reaffirmation of Loan Parties. Each Loan Party hereby reaffirms its obligations under the Financing Agreement and each other Loan Document to which it is a party as of the date hereof. Each Loan Party hereby further ratifies and reaffirms as of the date hereof the validity and enforceability of all of the Liens and security interests heretofore granted by it, pursuant to and in connection with the Financing Agreement or any other Loan Document to the Agents, on behalf and for the benefit of the Agents and each Lender, as collateral security for the obligations under the Financing Agreement and the other Loan Documents in accordance with their respective terms, and acknowledges that all of such liens and security interests, and all collateral heretofore pledged by it as security for such obligations, continues to be and remain collateral for such obligations. Although each of the Guarantors have been informed of the matters set forth herein and have acknowledged and agreed to same, each of the Guarantors understands that the Agents and the Lenders shall have no obligation to inform the Guarantors of such matters in the future or to seek the Guarantors' acknowledgement or agreement to future amendments, waivers, or modifications, and nothing herein shall create such a duty.

8. Miscellaneous.

(a) This Amendment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Amendment by electronic mail shall be equally as effective as delivery of an original executed counterpart of this Amendment. Any party may request in writing that parties delivering an executed counterpart of this Amendment by electronic mail also deliver an original executed counterpart of this Amendment but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Amendment.

(b) Section and paragraph headings herein are included for convenience of reference only and shall not constitute a part of this Amendment for any other purpose.

(c) THIS AMENDMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN THE STATE OF NEW YORK.

(d) This Amendment constitutes a "Loan Document" under the Financing Agreement.

(e) Any provision of this Amendment that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

(f) The Borrower will pay (or cause to be paid) promptly upon receipt of a reasonably detailed invoice therefor, all reasonable and documented out-of-pocket fees, costs and expenses of the Agents in connection with the preparation, execution and delivery of this Amendment in accordance with and pursuant to Section 12.04 of the Financing Agreement, including, without limitation, reasonable and documented fees, costs and expenses of Schulte Roth & Zabel LLP, counsel to the Collateral Agent.

Section 2.02 Making the Loans. (a) The Administrative Borrower shall give the Administrative Agent prior telephonic notice (promptly confirmed in writing, in substantially the form of Exhibit B hereto (a "Notice of Borrowing")), not later than 12:00 noon (New York time) on the date which is three (3) Business Days prior to the date of the proposed Loan (in the case of a LIBOR Rate Loan), or not later than 12:00 noon (New York time) on the date which is one (1) Business Day prior to the date of the proposed Loan (in the case of a Reference Rate Loan); provided, however that the Administrative Borrower shall provide the Administrative Agent with no less than fifteen (15) days prior written notice of a request to borrow a Delayed Draw Term Loan. Such Notice of Borrowing shall be irrevocable and shall specify (i) the principal amount and type of the proposed Loan, (ii) the proposed borrowing date, which must be a Business Day, and, with respect to the Initial Term Loan, must be the Effective Date **and, with respect to the Additional Term Loan, must be the Second Amendment Effective Date**, (iii) whether the proposed Loan is to be a Reference Rate Loan or a LIBOR Rate Loan, and (iv) in the case of a LIBOR Rate Loan, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period". The Administrative Agent and the Lenders may act without liability upon the basis of written, facsimile or telephonic notice believed by the Administrative Agent in good faith to be from the Administrative Borrower (or from any Authorized Officer thereof designated in writing purportedly from the Administrative Borrower to the Administrative Agent). Each Borrower hereby waives the right to dispute the Administrative Agent's record of the terms of any such telephonic Notice of Borrowing, absent manifest error. The Administrative Agent and each Lender shall be entitled to rely conclusively on any Authorized Officer's authority to request a Loan on behalf of the Borrowers until the Administrative Agent receives written notice to the contrary. The Administrative Agent and the Lenders shall have no duty to verify the authenticity of the signature appearing on any written Notice of Borrowing.

(b) Each Notice of Borrowing pursuant to this Section 2.02 shall be irrevocable and the Borrowers shall be bound to make a borrowing in accordance therewith. Each Revolving Loan shall be made in a minimum amount of $500,000 and shall be in an integral multiple of $500,000. The Delayed Draw Term Loan shall be made in an amount equal to $15,000,000. The Borrowers shall have not more than seven (7) LIBOR Rate Loans in effect at any given time.

(c)

(i) Except as otherwise provided in this subsection 2.02(c), all Loans under this Agreement shall be made by the Lenders simultaneously and proportionately to their Pro Rata Shares of the Total Initial Term Loan Commitment, the Total Delayed Draw Term Loan Commitment and the Total Revolving Credit Commitment, as the case may be, it being understood that no Lender shall be responsible for any default by any other Lender in that other Lender's obligations to make a Loan requested hereunder, nor shall the Commitment of any Lender be increased or decreased as a result of the default by any other Lender in that other Lender's obligation to make a Loan requested hereunder, and each Lender shall be obligated to make the Loans required to be made by it by the terms of this Agreement regardless of the failure by any other Lender.

(ii) Notwithstanding any other provision of this Agreement, and in order to reduce the number of fund transfers among the Borrowers, the Agents and the Lenders, the Borrowers, the Agents and the Lenders agree that the Administrative Agent may (but shall not be obligated to), and the Borrowers and the Lenders hereby irrevocably authorize the Administrative Agent to, fund, on behalf of the Revolving Loan Lenders, Revolving Loans pursuant to Section 2.01, subject to the procedures for settlement set forth in subsection 2.02(d); provided, however, that (A) the Administrative Agent shall in no event fund any such Revolving Loans if the Administrative Agent shall have received written notice from the Collateral Agent or the Required Lenders on the Business Day prior to the date of the proposed Revolving Loan that one or more of the conditions precedent contained in Section 5.02 will not be satisfied at the time of the proposed Revolving Loan, and (B) the Administrative Agent shall not otherwise be required to determine that, or take notice whether, the conditions precedent in Section 5.02 have been satisfied. If the Administrative Borrower gives a Notice of Borrowing requesting a Revolving Loan and the Administrative Agent elects not to fund such Revolving Loan on behalf of the Revolving Loan Lenders, then promptly after receipt of the Notice of Borrowing requesting such Revolving Loan, the Administrative Agent shall notify each Revolving Loan Lender of the specifics of the requested Revolving Loan and that it will not fund the requested Revolving Loan on behalf of the Revolving Loan Lenders. If the Administrative Agent notifies the Revolving Loan Lenders that it will not fund a requested Revolving Loan on behalf of the Revolving Loan Lenders, each Revolving Loan Lender shall make its Pro Rata Share of the Revolving Loan available to the Administrative Agent, in immediately available funds, in the Administrative Agent's Account no later than 3:00 p.m. (New York time) (provided that the Administrative Agent requests payment from such Revolving Loan Lender not later than 1:00 p.m. (New York time)) on the date of the proposed Revolving Loan. The Administrative Agent will make the proceeds of such Revolving Loans available to the Borrowers on the day of the proposed Revolving Loan by causing an amount, in immediately available funds, equal to the proceeds of all such Revolving Loans received by the Administrative Agent in the

Administrative Agent's Account or the amount funded by the Administrative Agent on behalf of the Revolving Loan Lenders to be deposited in an account designated by the Administrative Borrower.

(iii) If the Administrative Agent has notified the Revolving Loan Lenders that the Administrative Agent, on behalf of the Revolving Loan Lenders, will not fund a particular Revolving Loan pursuant to subsection 2.02(c)(ii), the Administrative Agent may assume that each such Revolving Loan Lender has made such amount available to the Administrative Agent on such day and the Administrative Agent, in its sole discretion, may, but shall not be obligated to, cause a corresponding amount to be made available to the Borrowers on such day. If the Administrative Agent makes such corresponding amount available to the Borrowers and such corresponding amount is not in fact made available to the Administrative Agent by any such Revolving Loan Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Revolving Loan Lender together with interest thereon, for each day from the date such payment was due until the date such amount is paid to the Administrative Agent, at the Federal Funds Effective Rate for three (3) Business Days and thereafter at the Reference Rate. During the period in which such Revolving Loan Lender has not paid such corresponding amount to the Administrative Agent, notwithstanding anything to the contrary contained in this Agreement or any other Loan Document, the amount so advanced by the Administrative Agent to the Borrowers shall, for all purposes hereof, be a Revolving Loan made by the Administrative Agent for its own account. Upon any such failure by a Revolving Loan Lender to pay the Administrative Agent, the Administrative Agent shall promptly thereafter notify the Administrative Borrower of such failure and the Borrowers shall promptly pay such corresponding amount to the Administrative Agent for its own account.

(iv) Nothing in this subsection 2.02(c) shall be deemed to relieve any Revolving Loan Lender from its obligations to fulfill its Revolving Credit Commitment hereunder or to prejudice any rights that the Administrative Agent or the Borrowers may have against any Revolving Loan Lender as a result of any default by such Revolving Loan Lender hereunder.

(d) (i) With respect to all periods for which the Administrative Agent has funded Revolving Loans pursuant tosubsection 2.02(c), on Thursday of each week, or if the applicable Thursday is not a Business Day, then on the following Business Day, or such shorter period as the Administrative Agent may from time to time select (any such week or shorter period being herein called a "Settlement Period"), the Administrative Agent shall notify each Revolving Loan Lender of the unpaid principal amount of the Revolving Loans outstanding as of the last day of each such Settlement Period. In the event that such amount is greater than the unpaid principal amount of the Revolving Loans outstanding on the last day of the Settlement Period immediately preceding such Settlement Period (or, if there has been no preceding Settlement Period, the amount of the Revolving Loans made on the date of such Revolving Loan Lender's initial funding), each Revolving Loan Lender shall promptly (and in any event not later than 2:00 p.m. (New York time) if the Administrative Agent requests payment from such Lender not later than 12:00 noon (New York time) on such day) make available to the Administrative Agent its Pro Rata Share of the difference in immediately available funds. In the event that such amount is less than such unpaid principal amount, the Administrative Agent shall promptly pay over to each Revolving Loan Lender its Pro Rata Share

of the difference in immediately available funds. In addition, if the Administrative Agent shall so request at any time when a Default or an Event of Default shall have occurred and be continuing, or any other event shall have occurred as a result of which the Administrative Agent shall determine that it is desirable to present claims against the Borrowers for repayment, each Revolving Loan Lender shall promptly remit to the Administrative Agent or, as the case may be, the Administrative Agent shall promptly remit to each Revolving Loan Lender, sufficient funds to adjust the interests of the Revolving Loan Lenders in the then outstanding Revolving Loans to such an extent that, after giving effect to such adjustment, each such Revolving Loan Lender's interest in the then outstanding Revolving Loans will be equal to its Pro Rata Share thereof. The obligations of the Administrative Agent and each Revolving Loan Lender under this subsection 2.02(d) shall be absolute and unconditional. Each Revolving Loan Lender shall only be entitled to receive interest on its Pro Rata Share of the Revolving Loans which have been funded by such Revolving Loan Lender.

(ii) In the event that any Revolving Loan Lender fails to make any payment required to be made by it pursuant to subsection 2.02(d)(i), the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Revolving Loan Lender together with interest thereon, for each day from the date such payment was due until the date such amount is paid to the Administrative Agent, at the Federal Funds Effective Rate for three (3) Business Days and thereafter at the Reference Rate. During the period in which such Revolving Loan Lender has not paid such corresponding amount to the Administrative Agent, notwithstanding anything to the contrary contained in this Agreement or any other Loan Document, the amount so advanced by the Administrative Agent to the Borrowers shall, for all purposes hereof, be a Revolving Loan made by the Administrative Agent for its own account. Upon any such failure by a Revolving Loan Lender to pay the Administrative Agent, the Administrative Agent shall promptly thereafter notify the Administrative Borrower of such failure and the Borrowers shall promptly pay such corresponding amount to the Administrative Agent for its own account. Nothing in this subsection 2.02(d)(ii) shall be deemed to relieve any Revolving Loan Lender from its obligation to fulfill its Revolving Credit Commitment hereunder or to prejudice any rights that the Administrative Agent or the Borrowers may have against any Revolving Loan Lender as a result of any default by such Revolving Loan Lender hereunder.

Section 2.03 Repayment of Loans; Evidence of Debt (a) The outstanding principal amount of all Revolving Loans shall be due and payable on the Final Maturity Date or, if earlier, on the date on which they are declared due and payable pursuant to the terms of this Agreement.

(b) The outstanding principal of the Initial Term Loan shall be repayable, ratably, in consecutive quarterly installments, each such installment to be due and payable on the last day of each fiscal quarter, commencing with the fiscal quarter ending June 30, 2020, in an amount equal to $925,000; provided, however, that the last such installment shall be in the amount necessary to repay in full the unpaid principal amount of the Term Loan on the Final Maturity Date. The outstanding principal amount of the Delayed Draw Term Loan shall be repayable in quarterly installments on the last day of each fiscal quarter, commencing with the first fiscal quarter after the fiscal quarter in which the Delayed Draw Term Loan is drawn, in an amount equal to $75,000; provided, however, that the last such installment shall be in the

amount necessary to repay in full the unpaid principal amount of the Delayed Draw Term Loan. The outstanding principal of the Additional Term Loan shall be repayable, ratably, in consecutive quarterly installments, each such installment to be due and payable on the last day of each fiscal quarter, commencing with the fiscal quarter ending June 30, 2021, in an amount equal to $53,000; provided, however, that the last such installment shall be in the amount necessary to repay in full the unpaid principal amount of the Term Loan on the Final Maturity Date. The outstanding unpaid principal of the Term Loan and all accrued and unpaid interest thereon, shall be due and payable in full on the Final Maturity Date.

(c) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrowers to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(d) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(e) The entries made in the accounts maintained pursuant to paragraph(c) or (d) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Loans in accordance with the terms of this Agreement.

(f) Any Lender may request that Loans made by it be evidenced by a note. In such event, the Borrowers shall execute and deliver to such Lender a note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns). Thereafter, the Loans evidenced by such note and interest thereon shall at all times (including after assignment pursuant to Section 12.07) be represented by one or more notes payable to the payee named therein and its registered assigns.

Section 2.04 Interest.

(a) Revolving Loans. Subject to the terms of this Agreement, at the option of the Administrative Borrower, each Revolving Loan shall be either a Reference Rate Loan or a LIBOR Rate Loan. Each Revolving Loan that is a Reference Rate Loan shall bear interest on the principal amount thereof from time to time outstanding, from the date of the making of such Loan until repaid, at a rate per annum equal to the Reference Rate plus the Applicable Margin. Each Revolving Loan that is a LIBOR Rate Loan shall bear interest on the principal amount thereof from time to time outstanding, from the date of the making of such Loan until repaid, at a rate per annum equal to the LIBOR Rate for the Interest Period in effect for such Loan plus the Applicable Margin.

(b) Term Loans. Subject to the terms of this Agreement, at the option of the Administrative Borrower, the Term Loans or any portion thereof shall be either a

Reference Rate Loan or a LIBOR Rate Loan. Each portion of any Term Loans that is a Reference Rate Loan shall bear interest on the principal amount thereof from time to time outstanding, from the date of the making of such Term Loans until repaid, at a rate per annum equal to the Reference Rate plus the Applicable Margin. Each portion of any Term Loans that is a LIBOR Rate Loan shall bear interest on the principal amount thereof from time to time outstanding, from the date of the making of such Term Loans until repaid, at a rate per annum equal to the LIBOR Rate for the Interest Period in effect for such Term Loans (or such portion thereof) plus the Applicable Margin.

(c) Default Interest. To the extent permitted by law and notwithstanding anything to the contrary in this Section, upon the occurrence and during the continuance of an Event of Default, the principal of, and all accrued and unpaid interest on, all Loans, fees, indemnities or any other Obligations of the Loan Parties under this Agreement and the other Loan Documents, shall, upon the election of the Required Lenders, bear interest, from the date such Event of Default occurred until the date such Event of Default is cured or waived in writing in accordance herewith, at a rate per annum equal at all times to the Post-Default Rate.

(d) Interest Payment. Interest on each Loan shall be payable monthly, in arrears, on the last day of each calendar month, commencing on the last day of the calendar month following the calendar month in which such Loan is made and at maturity (whether upon demand, by acceleration or otherwise). Interest at the Post-Default Rate shall be payable on demand. Each Borrower hereby authorizes the Administrative Agent to, and the Administrative Agent may, from time to time, charge the Loan Account pursuant to Section 4.02 with the amount of any interest payment due hereunder.

Section 2.05 Reduction of Commitment; Prepayment of Loans.

(a) Reduction of Commitments.

(i) Revolving Credit Commitments. The Total Revolving Credit Commitment shall terminate on the Final Maturity Date. Each such reduction (1) shall be in an amount which is an integral multiple of $1,000,000, (2) shall be made by providing not less than one (1) Business Day's prior written notice to the Administrative Agent, (3) shall be irrevocable (except that such notice may be conditional) and (4) shall be accompanied by the payment of the Applicable Prepayment Premium, if any, payable in connection with such reduction of the Total Revolving Credit Commitment (which shall be paid to Administrative Agent for the benefit of the

Revolving Loan Lenders and shall be allocated among the Revolving Loan Lenders as they may separately agree among themselves). Once reduced, the Total Revolving Credit Commitment may not be increased. Each such reduction of the Total Revolving Credit Commitment shall reduce the Revolving Credit Commitment of each Lender proportionately in accordance with its Pro Rata Share thereof.

Each such prepayment shall be applied pro rata against the remaining installments of principal due on the Term Loan.

(iii) [Intentionally Omitted].

(iv) Prepayment In Full. The Borrowers may, upon at least five (5) Business Days prior written notice to the Administrative Agent, terminate this Agreement by paying to the Administrative Agent, in cash, the Obligations (excluding any unasserted contingent indemnification Obligations), in full, plus the Applicable Prepayment Premium, if any, payable in connection with such termination of this Agreement. If the Administrative Borrower has sent a notice of termination pursuant to this clause (iv), then the Lenders' obligations to extend credit hereunder shall terminate and the Borrowers shall be obligated to repay the Obligations (excluding any unasserted contingent indemnification Obligations) in full, plus the Applicable Prepayment Premium, if any, payable in connection with such termination of this Agreement on the date set forth as the date of termination of this Agreement in such notice (except that such termination may be conditioned on the closing of a replacement financing facility).

(c) Mandatory Prepayment.

Nothing contained in this subsection (v) shall permit any Loan Party or any of its Subsidiaries to make a Disposition of any property other than in accordance with Section 7.02(c)(ii).

The provisions of this subsection (vi) shall not be deemed to be implied consent to any such issuance, incurrence or sale otherwise prohibited by the terms and conditions of this Agreement.

(vii) Subject to clause (viii) below, within two (2) Business Days of the receipt by any Loan Party or any of its Subsidiaries of any Extraordinary Receipts, the Borrowers shall prepay the outstanding principal of the Loans in accordance with clause (d) below an amount equal to 100% of such Extraordinary Receipts net of any reasonable expenses incurred in collecting such Extraordinary Receipts to the extent that the aggregate amount thereof received by all Loan Parties and their Subsidiaries (and not paid to the Administrative Agent as a prepayment of the Loans) shall exceed $750,000 in any Fiscal Year; provided, that the Loan Parties shall not be required to prepay the outstanding principal of the Loans in connection with the receipt of any Extraordinary Receipts with respect to the Club Ready Settlement in an aggregate amount not to exceed $2,000,000.

Section 2.06 Fees.

(a) Unused Line Fee. From and after the Effective Date and until the Final Maturity Date, the Borrowers shall pay to the Administrative Agent for the account of the Revolving Loan Lenders, in accordance with their Pro Rata Share, an unused line fee (the "Unused Line Fee"), which shall accrue at the rate per annum of 0.50% on the excess, if any, of the Total Revolving Credit Commitment over the sum of the average principal amount of all Revolving Loans outstanding during the prior one month period and shall be payable monthly in arrears on the last day of each month commencing March 31, 2020.

(b) Applicable Prepayment Premium. Notwithstanding anything herein to the contrary, except as provided in Section 2.05(e), in the event of the termination of this Agreement and repayment of the Obligations at any time prior to the Final Maturity Date, for any reason, including (i) termination upon the election of the Required Lenders to terminate after the occurrence and during the continuation of an Event of Default (or, in the case of the occurrence of any Event of Default described in Section 9.01(f) or Section 9.01(g) with respect to any Loan Party, automatically upon the occurrence thereof), (ii) foreclosure and sale of Collateral, (iii) sale of the Collateral in any Insolvency Proceeding, or (iv) restructuring, reorganization, or compromise of the Obligations by the confirmation of a plan of reorganization or any other plan of compromise, restructuring, or arrangement in any Insolvency Proceeding, then, in view of the impracticability and extreme difficulty of ascertaining the actual amount of damages to the Agents and the Lenders or profits lost by the Agents and the Lenders as a result of such early termination, and by mutual agreement of the parties as to a reasonable estimation and calculation of the lost profits or damages of the Agents and the Lenders, the Borrowers shall pay to the Administrative Agent, for the account of the Lenders in accordance with written agreements amongst the Collateral Agent, the Administrative Agent and the Lenders, the Applicable Prepayment Premium, if any, measured as of the date of such termination. The Loan Parties expressly agree that: (A) the Applicable Prepayment Premium is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel; (B) the Applicable Prepayment Premium shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between the Lenders and the Loan Parties giving specific consideration in this transaction for such agreement to pay the Applicable Prepayment Premium; (D) the Loan Parties' agreement to pay the Applicable Prepayment Premium is a material inducement to Lenders to provide the Commitments and make the Loans; and (E) the Applicable Prepayment Premium represents a good faith, reasonable estimate and calculation of the lost profits or damages of the Agents and the Lenders and that it would be impractical and extremely difficult to ascertain the actual amount of damages to the Agents and the Lenders or profits lost by the Agents and the Lenders as a result of such acceleration. No Applicable Prepayment Premium shall be due and owing (1) in connection with any prepayment of the Term Loan resulting from an initial public offering of the Parent that is consummated on or before the first anniversary of the Effective Date, solely with respect to (x) the first $35,000,000 of the Term Loan prepaid in connection therewith or (y) if the General Atlantic Investment has occurred, the first $50,000,000 of the Term Loan prepaid in connection therewith, (2) in connection with the refinancing in full of Obligations in which Cerberus participates in such refinancing as a lender.

(c) Delayed Draw Term Loan Unused Line Fee. The Borrower agrees to pay to the Administrative Agent, for the account of the Delayed Draw Term Lenders, a ticking fee (the "DDTL Unused Commitment Fee"), which shall accrue on the unfunded portion of the Delayed Draw Term Loan Commitments, beginning on the Effective Date and ending on the DDTL Commitment Expiration Date, and shall be payable monthly in arrears on the last day of each month (commencing on March 31, 2020), in an amount equal to 0.50% per annum of the actual daily undrawn portion of the Delayed Draw Term Loan Commitments during such period.

(d) Fee Letter. As and when due and payable under the terms of the Fee Letter, the Borrowers shall pay the fees set forth in the Fee Letter.

Section 2.07 [Intentionally Omitted].

Section 2.08 Taxes (a) Except as otherwise required by applicable law, any and all payments by any Loan Party hereunder or under any other Loan Document shall be made free and clear of and without deduction for any and all Taxes. If any Loan Party shall be required to deduct any Taxes from or in respect of any sum payable hereunder to any Agent or any Lender (or any Transferee), (i) if such Tax is an Indemnified Tax, the sum payable shall be increased by the amount (an "Additional Amount") necessary so that after making all such deductions (including deductions applicable to additional sums payable under this Section 2.08) such Agent or such Lender (or such Transferee) shall receive an amount equal to the sum it would have received had no such deductions been made, (ii) such Loan Party shall make such deductions and (iii) such Loan Party shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law. For purposes of this Section 2.08, the term "applicable law" includes FACTA.

(b) In addition, each Loan Party agrees to pay to the relevant Governmental Authority in accordance with applicable law any present or future stamp or documentary taxes or any recording, intangible or similar taxes, charges or levies that arise from any payment made hereunder or from the execution, delivery or registration of, or otherwise with respect to, this Agreement or any other Loan Document, except any such Taxes that are Other Connection Taxes imposed with respect to an assignment ("Other Taxes"). Each Loan Party shall deliver to the Administrative Agent official receipts or certified copies thereof (or other reasonable evidence of payment) in respect of any Taxes or Other Taxes payable hereunder promptly after payment of such Taxes or Other Taxes.

(c) The Loan Parties hereby jointly and severally indemnify and agree to hold each Agent and each Lender harmless from and against any Indemnified Taxes (including, without limitation, Indemnified Taxes imposed on any amounts payable under this Section 2.08) paid by such Person, whether or not such Indemnified Taxes were correctly or legally asserted by the relevant Governmental Authority. Such indemnification shall be paid within ten (10) days from the date on which any such Person makes written demand therefor specifying in reasonable detail the nature and amount of such Indemnified Taxes.

(d)

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and delivery of such documentation (other than such documentation set

forth in (d)(ii) and (d)(iii) below) shall not be required if in any Lender's reasonable judgment, such completion, execution or delivery would subject such Lender to any material unreimbursed cost or would materially prejudice the legal or commercial position of such Lender.

(ii) Each Lender (or Transferee) that is organized under the laws of a jurisdiction outside the United States (a "Non-U.S. Lender") agrees that it shall, no later than the Effective Date (or, in the case of a Lender (or Transferee) which becomes a party hereto pursuant to Section 12.07 hereof after the Effective Date, promptly after the date upon which such Lender (or Transferee) becomes a party hereto) deliver to the Agents (and the Administrative Agent shall deliver a copy to the Administrative Borrower) (or, in the case of a participant, to the Lender granting the participation only) one properly completed and duly executed copy of either U.S. Internal Revenue Service Form W-8BEN, W-8BEN-E, W-8ECI or W-8IMY or any subsequent versions thereof or successors thereto, in each case claiming complete exemption from, or reduced rate of, U.S. Federal withholding tax and payments of interest hereunder. In addition, in the case of a Non-U.S. Lender claiming exemption from U.S. Federal withholding tax under Section 871(h) or 881(c) of the Internal Revenue Code, such Non-U.S. Lender hereby represents to the Agents and the Borrowers that such Non-U.S. Lender is not a bank for purposes of Section 881(c) of the Internal Revenue Code, is not a10-percent shareholder (within the meaning of Section 871(h)(3)(B) of the Internal Revenue Code) of the Parent and is not a controlled foreign corporation related to the Parent (within the meaning of Section 881(c)(3)(C) of the Internal Revenue Code), and such Non-U.S. Lender agrees that it shall promptly notify the Agents in the event any such representation is no longer accurate. Such forms shall be delivered by each Non-U.S. Lender on or before the date it becomes a party to this Agreement (or, in the case of a Transferee that is a participation holder, on or before the date such participation holder becomes a Transferee hereunder) and on or before the date, if any, such Non-U.S. Lender changes its applicable lending office by designating a different lending office (a "New Lending Office"). In addition, such Non-U.S. Lender shall deliver such forms within twenty (20) days after receipt of a written request therefor from any Agent (who may be acting pursuant to a request by the Administrative Borrower), the assigning Lender or the Lender granting a participation, as applicable. Each Non-U.S. Lender shall deliver such forms promptly upon the obsolescence, expiration or invalidity of any form previously delivered by such Non-U.S. Lender. Notwithstanding any other provision of this Section 2.08, a Non-U.S. Lender shall not be required to deliver any form pursuant to thisSection 2.08(d) that such Non-U.S. Lender is not legally able to deliver. If a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender fails to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent (A) a certification signed by the chief financial officer, principal accounting officer, treasurer or controller and (B) other documentation reasonably requested by the Borrower and the Administrative Agent sufficient for the Administrative Agent and the Borrower to comply with their obligations under FATCA and to determine that such Lender has complied with such applicable reporting requirements. Solely for purposes of this clause (d), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iii) Any Lender (or Transferee) that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or Agents), executed copies of IRS form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax.

(e) The Loan Parties shall not be required to indemnify any Non-U.S. Lender, or pay any Additional Amounts to any Non-U.S. Lender, in respect of any withholding tax pursuant to this Section 2.08 to the extent that (i) the obligation to withhold such amounts existed on the date such Non-U.S. Lender became a party to this Agreement (or, in the case of a Transferee that is a participation holder, on the date such participation holder became a Transferee hereunder) or, with respect to payments to a New Lending Office, the date such Non-U.S. Lender designated such New Lending Office with respect to a Loan; provided, however, that this clause (i) shall not apply to the extent the indemnity payment or Additional Amounts any Transferee, or Lender (or Transferee) through a New Lending Office, would be entitled to receive (without regard to this clause (i)) do not exceed the indemnity payment or Additional Amounts that the Person making the assignment, participation or transfer to such Transferee, or Lender (or Transferee) making the designation of such New Lending Office, would have been entitled to receive in the absence of such assignment, participation, transfer or designation, or (ii) the obligation to pay such Additional Amounts would not have arisen but for a failure by such Non-U.S. Lender to comply with the provisions of clause (d) above.

(f) The Administrative Agent shall deliver to the Borrower two executed copies of whichever of the following is applicable:

(i) if the Administrative Agent is a U.S. Person, IRS Form W- 9 certifying to such Administrative Agent's exemption from U.S. federal backup withholding; or

(ii) if the Administrative Agent is not a U.S. Person,

(A) IRS Form W-8ECI with respect to payments received for its own account; and

(B) IRS Form W-8IMY with respect to any amounts payable to the Administrative Agent for the account of others, certifying that it is a U.S. branch of a foreign bank or insurance company described in Regulations section 1.1441-1(b)(2)(iv)(A) that is a participating FFI (including a reporting Model 2 FFI), registered deemed-compliant FFI (including a reporting Model 1 FFI), or NFFE that is using this form as evidence of its agreement with the withholding agent to be treated as a U.S. Person with respect to any payments associated with this withholding certificate.

The Administrative Agent agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower in writing of its legal inability to do so.

(g) If any Lender or any Agent determines, in its sole judgment exercised in good faith, that it has received a refund of any Indemnified Taxes as to which it has been indemnified by any Loan Party or with respect to which any Loan Party has paid additional amounts pursuant to this Section 2.08, it shall pay to the Administrative Borrower an amount equal to such refund (but only the extent of indemnity payments made, or additional amounts paid, by the Loan Parties under this Section with respect to the Indemnified Taxes giving rise to

such refund), net of all out-of-pocket expenses of such Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Administrative Borrower, upon the reasonable request of such Agent or such Lender, agrees to repay the amount paid over to the Administrative Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such Agent or such Lender in the event such Agent or such Lender is required to repay such refund to such Governmental Authority. This subsection shall not be construed to require any Agent or any Lender to make available its tax returns and any other information relating to its taxes that it deems confidential to any Borrower or any other Person.

(h) Any Agent or any Lender (or Transferee) claiming any indemnity payment or additional payment amounts payable pursuant to this Section 2.08 shall use reasonable efforts (consistent with legal and regulatory restrictions) to file any certificate or document reasonably requested in writing by the Administrative Borrower or to change the jurisdiction of its applicable lending office if the making of such a filing or change would avoid the need for or reduce the amount of any such indemnity payment or additional amount that may thereafter accrue, would not require such Agent or such Lender (or Transferee) to disclose any information such Agent or such Lender (or Transferee) deems confidential and would not, in the sole determination of such Agent or such Lender (or Transferee), be otherwise disadvantageous to such Agent or such Lender (or Transferee).

(i) The obligations of the Loan Parties under this Section 2.08 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

Section 2.09 LIBOR Option.

(a) In lieu of having interest charged at the rate based upon the Reference Rate, the Borrowers shall have the option (the "LIBOR Option") to have interest on all or a portion of the Loans be charged at a rate of interest based upon the LIBOR Rate. Each Interest Period of a LIBOR Rate Loan shall commence on the date such LIBOR Rate Loan is made and shall end on such date as the Borrowers may elect as set forth in Section 2.02(a) above; provided that the exact length of each Interest Period shall be determined in accordance with the practice of the interbank market for offshore Dollar deposits. If on the date that is three (3) Business Days prior to the last day of each Interest Period of a LIBOR Rate Loan, unless the Administrative Borrower otherwise instructs in accordance with the terms hereunder, the interest rate applicable to such LIBOR Rate Loan shall automatically continue at the LIBOR Rate for an additional period equal in length to such Interest Period. At the direction of the Required Lenders at any time that an Event of Default has occurred and is continuing, the Administrative Borrower no longer shall have the option to request that Loans bear interest at the LIBOR Rate and Administrative Agent shall have the right to convert the interest rate on all outstanding LIBOR Rate Loans to the rate then applicable to Reference Rate Loans hereunder.

(b) The Administrative Borrower shall elect the initial Interest Period applicable to a LIBOR Rate Loan by its Notice of Borrowing given to the Administrative Agent pursuant to Section 2.02(a) or by its notice of conversion given to the Administrative Agent pursuant to Section 2.09(c), as the case may be. The Administrative Borrower shall elect the

duration of each succeeding Interest Period by giving irrevocable written notice to the Administrative Agent of such duration not later than 1:00 p.m. (New York time) on the day which is three (3) Business Days prior to the last day of the then current Interest Period applicable to such LIBOR Rate Loan. If the Administrative Agent does not receive timely notice of the Interest Period elected by the Administrative Borrower, the Administrative Borrower shall be deemed to have elected to convert such LIBOR Rate Loan to a Reference Rate Loan.

(c) The Administrative Borrower may, on any Business Day of the then current Interest Period applicable to any outstanding LIBOR Rate Loan, or on any Business Day with respect to Reference Rate Loans, convert any such loan into a loan of another type of loan (i.e., a Reference Rate Loan or a LIBOR Rate Loan) in the same aggregate principal amount, provided that any conversion of a LIBOR Rate Loan not made on the last Business Day of the then current Interest Period applicable to such LIBOR Rate Loan shall be subject to Section 2.09(e). If a Borrower desires to convert a Loan, such Borrower shall deliver to the Administrative Agent a LIBOR Notice by no later than 1:00 p.m. (New York time) (i) on the day which is three (3) Business Days' prior to the date on which such conversion is to occur with respect to a conversion from a Reference Rate Loan to a LIBOR Rate Loan, or (ii) on the day which is one (1) Business Day prior to the date on which such conversion is to occur with respect to a conversion from a LIBOR Rate Loan to a Reference Rate Loan, specifying, in each case, the date of such conversion, the Loans to be converted and if the conversion is from a Reference Rate Loan to a LIBOR Rate Loan, the duration of the first Interest Period therefor.

(d) In the event that any prepayment of a LIBOR Rate Loan is required or permitted on a date other than the last Business Day of the then current Interest Period with respect thereto, the Borrowers shall, jointly and severally, indemnify the Administrative Agent and Lenders therefor in accordance with Section 2.09(e).

(e) The Borrowers shall, jointly and severally, indemnify the Agents and Lenders and hold the Agents and Lenders harmless from and against any and all losses, costs or expenses, excluding the loss of any margin above the LIBOR Rates (such losses, costs and expenses, collectively, "Funding Losses"), that the Agents and Lenders may sustain or incur as a consequence of any mandatory or voluntary prepayment, conversion of or any default by the Borrowers in the payment of the principal of or interest on any LIBOR Rate Loan or failure by the Borrowers to complete a borrowing of, a prepayment of or conversion of or to a LIBOR Rate Loan after notice thereof has been given, including, but not limited to, any interest, excluding the loss of any margin above the LIBOR Rates, payable by the Agents or Lenders to lenders of funds obtained by it in order to make or maintain its LIBOR Rate Loans hereunder (it being agreed that the Agents and Lenders shall be entitled to such indemnification on such basis whether or not they have obtained such funds to make or maintain its LIBOR Rate Loans hereunder, to be calculated in accordance with customary banking practices). A certificate as to any additional amounts payable pursuant to the foregoing sentence submitted by any Agent or any Lender to the Borrowers shall be conclusive absent manifest error.

(f) Unless and until a Replacement Rate is implemented in accordance with clause (g) below, if prior to the commencement of any Interest Period for any LIBOR Rate Loan,

(i) the Administrative Agent shall have determined that either Dollar deposits are not being offered to banks in the London interbank Eurodollar market for the applicable amount and Interest Period of such Loan, or adequate and reasonable means do not exist for ascertaining LIBOR for such Interest Period, including, without limitation, because the Administrative Agent determines that either inadequate or insufficient quotations of the London interbank offered rate exist or the use of "LIBOR" has been discontinued (any determination of Administrative Agent to be conclusive and binding absent manifest error), or

(ii) the Administrative Agent shall have received notice from the Required Lenders that LIBOR does not adequately and fairly reflect the cost to such Lenders of making, funding or maintaining their LIBOR Rate Loans for such Interest Period,

then the Administrative Agent shall give written notice to the Administrative Borrower and to the Lenders as soon as practicable thereafter. Until the Administrative Agent shall notify the Administrative Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (A) the obligations of the Lenders to make LIBOR Rate Loans, or to continue or convert outstanding Loans as or into LIBOR Rate Loans, shall be suspended and (B) all such affected Loans shall be converted into Reference Rate Loans on the last day of the then current Interest Period applicable thereto.

(g) Notwithstanding anything to the contrary contained herein, if at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances described in Section 2.07(f)(i) or (f)(ii) have arisen and such circumstances are unlikely to be temporary, (ii) syndicated loans currently being executed, or that include language similar to that contained in Section 2.07(f), are being executed or amended (as applicable), to incorporate or adopt a new benchmark interest rate to replace LIBOR or (iii) the supervisor for the administrator of LIBOR or a Governmental Authority has made a public statement identifying a specific date after which LIBOR shall no longer be used for determining interest rates for loans, then the Administrative Agent, in consultation with the Administrative Borrower, shall endeavor to establish an alternate index rate (the "Replacement Rate") that gives due consideration to the then prevailing market convention for determining a rate of interest for leveraged syndicated loans in the United States at such time, in which case the Replacement Rate shall, subject to the following provisions of this Section 2.07(g), replace such applicable interest rate for all purposes under the Loan Documents unless and until (A) an event described in Section 2.07(f)(i), (f)(ii), (g)(i), (g)(ii) or (g)(iii) occurs with respect to the Replacement Rate or (B) the Required Lenders through the Administrative Agent notify the Administrative Borrower that the Replacement Rate does not adequately and fairly reflect the cost to the Lenders of making, funding or maintaining the Loans bearing interest at the Replacement Rate. In connection with the establishment and application of

the Replacement Rate, this Agreement and the other Loan Documents shall be amended solely with the consent of the Administrative Agent and the Administrative Borrower as may be necessary or appropriate to effect the provisions of this Section 2.07(g). Notwithstanding anything to the contrary in Section 12.02, such amendment shall become effective without any further action or consent of any Lender so long as the Administrative Agent shall not have received, within five Business Days after the date notice such amendment is provided to the Lenders, a written notice from Required Lenders stating that they object to such amendment (which amendment shall not be effective prior to the end of such five five Business Day notice period). To the extent the Replacement Rate is adopted as contemplated hereby, the Replacement Rate shall be applied in a manner consistent with prevailing market convention; provided that, to the extent no prevailing market convention exists or such prevailing market convention is not administratively feasible for the Administrative Agent, such Replacement Rate shall be applied in a manner as otherwise reasonably determined by the Administrative Agent in consultation with the Administrative Borrower. If the Administrative Agent makes a determination described in clause (i), (ii) or (iii) above, until a Replacement Rate has been determined and an amendment with respect thereto has become effective in accordance with the terms and conditions of this paragraph, (x) any notice from a Borrower that requests the conversion of any Reference Rate Loan to, or continuation of any LIBOR Rate Loan as, a LIBOR Rate Loan shall be ineffective, and (y) if any notice of borrowing requests a LIBOR Rate Loan, such Loan shall be made as a Reference Rate Loan. Notwithstanding anything contained herein to the contrary, if such Replacement Rate as determined in this paragraph is determined to be less than 1.375% per annum, such rate shall be deemed to be 1.375% per annum for the purposes of this Agreement

(h) ~~(f)~~ Notwithstanding any other provision hereof, if any Requirement of Law or any change therein or in the interpretation or application thereof, shall make it unlawful for any Lender (for purposes of this subsection (f), the term "Lender" shall include any Lender and the office or branch where any Lender or any corporation or bank controlling such Lender makes or maintains any LIBOR Rate Loans) to make or maintain its LIBOR Rate Loans, the obligation of such Lender to make LIBOR Rate Loans hereunder shall forthwith be cancelled and the Borrowers shall, if any affected LIBOR Rate Loans are then outstanding, promptly and upon the reasonable request from the Administrative Agent, at the Borrowers' option, either pay all such affected LIBOR Rate Loans or convert such affected LIBOR Rate Loans into loans of another type. If any such payment or conversion of any LIBOR Rate Loan is made on a day that is not the last day of the Interest Period applicable to such LIBOR Rate Loan, the Borrowers shall pay the Administrative Agent, upon the Administrative Agent's reasonable request, such amount or amounts as may be necessary to compensate Lenders for any Funding Losses sustained or incurred by Lenders in respect of such LIBOR Rate Loan as a result of such payment or conversion, including (but not limited to) any interest or other amounts payable by Lenders to lenders of funds actually obtained by Lenders in order to make or maintain such LIBOR Rate Loan. A certificate as to any additional amounts that describes in reasonable detail the calculations thereof payable pursuant to the foregoing sentence submitted by Lenders to the Borrowers shall be conclusive absent manifest error.

~~(g) Subject to the last paragraph of the definition of "LIBOR Rate", in the event that any Agent shall have determined that:~~

~~(i) reasonable means do not exist for ascertaining the LIBOR Rate applicable pursuant to Section 2.02(a) for any Interest Period; or~~

~~(ii) Dollar deposits in the relevant amount and for the relevant maturity are not available in the London interbank LIBOR market, with respect to an outstanding LIBOR Rate Loan, a proposed LIBOR Rate Loan, or a proposed conversion of a Reference Rate Loan into a LIBOR Rate Loan,~~

~~then Administrative Agent shall give the Administrative Borrower prompt written, telephonic or facsimile notice of such determination. If such notice is given, (i) any such requested LIBOR Rate Loan shall be made as a Reference Rate Loan, unless the Administrative Borrower shall notify the Administrative Agent no later than 1:00 p.m. (New York time) two (2) Business Days prior to the date of such proposed borrowing, that its request for such borrowing shall be cancelled or made as an unaffected type of LIBOR Rate Loan, (ii) any Reference Rate Loan or LIBOR Rate Loan which was to have been converted to an affected type of LIBOR Rate Loan shall be continued as or converted into a Reference Rate Loan, or, if the Administrative Borrower shall notify the Administrative Agent, no later than 11:00 a.m. (New York time) two (2) Business Days prior to the proposed conversion, shall be maintained as an unaffected type of LIBOR Rate Loan, and (iii) any outstanding affected LIBOR Rate Loans shall be converted into a Reference Rate Loan, or, if the Administrative Borrower shall notify Administrative Agent, no later than 11:00 a.m. (New York time) two (2) Business Days prior to the last Business Day of the then current Interest Period applicable to such affected LIBOR Rate Loan, shall be converted into an unaffected type of LIBOR Rate Loan, on the last Business Day of the then current Interest Period for such affected LIBOR Rate Loans. Until such notice has been withdrawn, Lenders shall have no obligation to make an affected type of LIBOR Rate Loan or maintain outstanding affected LIBOR Rate Loans and the Borrowers shall not have the right to convert a Reference Rate Loan or an unaffected type of LIBOR Rate Loan into an affected type of LIBOR Rate Loan.~~

(i) ~~(h)~~ Anything to the contrary contained herein notwithstanding, neither any Agent nor any Lender, nor any of their participants, is required actually to acquire LIBOR deposits to fund or otherwise match fund any Obligation as to which interest accrues at the LIBOR Rate. The provisions of this ARTICLE II shall apply as if each Lender or its participants had match funded any Obligation as to which interest is accruing at the LIBOR Rate by acquiring LIBOR deposits for each Interest Period in the amount of the LIBOR Rate Loans.

(j) ~~(i)~~

(i) If any Lender requests compensation or if any Borrower is required to pay any additional amount to any Lender or if any Borrower is required to pay any additional interest or other amount to any Lender hereunder (each, a "Required Amount"), then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or

assignment (i) would eliminate or reduce amounts payable hereunder in the future, (ii) would not subject such Lender to any unreimbursed cost or expense, and (iii) would not otherwise be materially disadvantageous to such Lender.

(ii) If any Lender requires the Borrower to pay any Required Amounts and such Lender has declined or is unable to designate a different lending office in accordance with clause (a) above, or if any Lender is a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 12.07), all of its interests, rights and obligations under this Agreement and the other Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that:

(A) the Borrower shall have paid to the Agents any assignment fees specified in Section 12.07;

(B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts); and

(C) such assignment does not conflict with applicable law.

Prior to the effective date of such assignment, the assigning Lender shall execute and deliver an Assignment and Acceptance, subject only to the conditions set forth above. If the assigning Lender shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such assignment, the assigning Lender shall be deemed to have executed and delivered such Assignment and Acceptance. Any such assignment shall be made in accordance with the terms of Section 12.07. A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

ARTICLE III

[Intentionally Omitted].

ARTICLE IV

PAYMENTS AND OTHER COMPENSATION

Section 4.01 [Intentionally Omitted].

Section 4.02 Payments; Computations and Statements. (a) The Borrowers will make each payment under this Agreement not later than 1:00 p.m. (New York time) on the day when due, in lawful money of the United States of America and in immediately available funds, to the Administrative Agent's Account. All payments received by the Administrative Agent after 1:00 p.m. (New York time) on any Business Day will be credited to the Loan Account on the next succeeding Business Day. All payments shall be made by the Borrowers without set-off, counterclaim, deduction or other defense to the Agents and the Lenders. Except as provided in Section 2.02, after receipt, the Administrative Agent will promptly thereafter cause to be distributed like funds relating to the payment of principal ratably to the Lenders in accordance with their Pro Rata Shares and like funds relating to the payment of any other amount payable to any Lender to such Lender, in each case to be applied in accordance with the terms of this Agreement, provided that the Administrative Agent will cause to be distributed all interest and fees received from or for the account of the Borrowers not less than once each month and in any event promptly after receipt thereof. The Lenders and the Borrowers hereby authorize the Administrative Agent to, and the Administrative Agent may, from time to time during the existence of an Event of Default, charge the Loan Account of the Borrowers with any amount due and payable by the Borrowers under any Loan Document. Any amount charged to the Loan Account of the Borrowers shall be deemed a Revolving Loan hereunder made by the Revolving Loan Lenders to the Borrowers, funded by the Administrative Agent on behalf of the Revolving Loan Lenders and subject to Section 2.02 of this Agreement. Whenever any payment to be made under any such Loan Document shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall in such case be included in the computation of interest or fees, as the case may be. All computations of fees shall be made by the Administrative Agent on the basis of a year of 360 days for the actual number of days (including the first day but excluding the last day) occurring in the period for which such fees are payable. Each determination by the Administrative Agent of an interest rate or fees hereunder shall be conclusive and binding for all purposes in the absence of manifest error.

(b) The Administrative Agent shall provide the Administrative Borrower, promptly after the end of each calendar month, a summary statement (in the form from time to time used by the Administrative Agent) of the opening and closing daily balances in the Loan Account of the Borrowers during such month, the amounts and dates of all Loans made to the Borrowers during such month, the amounts and dates of all payments on account of the Loans to the Borrowers during such month and the Loans to which such payments were applied, the amount of interest accrued on the Loans to the Borrowers during such month, the amounts and dates of all Loans made to the Borrowers during such month, and the amount and nature of any charges to the Loan Account made during such month on account of fees, commissions, expenses and other Obligations. All entries on any such statement shall be presumed to be correct and, thirty (30) days after the same is sent, shall be final and conclusive absent manifest error.

Section 4.03 Sharing of Payments, Defaulting Lenders, Etc.

(a) The Administrative Agent shall not be obligated to transfer to a Defaulting Lender any payments made by any Borrower to the Administrative Agent for the Defaulting Lender's benefit, and, in the absence of such transfer to the Defaulting Lender, the

Administrative Agent shall transfer any such payments to each other non-Defaulting Lender ratably in accordance with their Commitments (but only to the extent that such Defaulting Lender's Loan was funded by the other Lenders) or, if so directed by the Borrowers and if no Default or Event of Default has occurred and is continuing (and to the extent such Defaulting Lender's Loan was not funded by the other Lenders), retain the same to be re-advanced to the Borrowers as if such Defaulting Lender had made such Loans to the Borrowers. Subject to the foregoing, the Administrative Agent may hold and, in its discretion, re-lend to the Borrowers for the account of such Defaulting Lender the amount of all such payments received and retained by the Administrative Agent for the account of such Defaulting Lender. This Section shall remain effective with respect to such Lender until (x) the Obligations (other than unasserted contingent indemnification Obligations) under this Agreement shall have been declared or shall have become immediately due and payable, (y) the non-Defaulting Lenders, the Administrative Agent, and the Borrowers shall have waived such Defaulting Lender's default in writing, or (z) the Defaulting Lender makes its Pro Rata Share of the applicable defaulted Loan and pays to the Administrative Agent all amounts owing by such Defaulting Lender in respect thereof. The operation of this Section shall not be construed to increase or otherwise affect the Commitment of any Lender, to relieve or excuse the performance by such Defaulting Lender or any other Lender of its duties and obligations hereunder, or to relieve or excuse the performance by the Borrowers of its duties and obligations hereunder to the Administrative Agent or to the Lenders other than such Defaulting Lender. Any such failure to fund by any Defaulting Lender shall constitute a material breach by such Defaulting Lender of this Agreement and shall entitle the Borrowers at their option, subject to the written consent of the Collateral Agent (which consent shall not be unreasonably withheld), to permanently replace the Defaulting Lender with one or more substitute Lenders (each, a "Replacement Lender"), and the Defaulting Lender shall have no right to refuse to be replaced hereunder. Notice from the Borrowers to the Agents effecting their right to replace the Defaulting Lender shall specify an effective date for such replacement, which date shall not be later than fifteen (15) Business Days after the date such notice is given. Prior to the effective date of such replacement, the Defaulting Lender and each Replacement Lender shall execute and deliver an Assignment and Acceptance, subject only to the Defaulting Lender being repaid its share of the outstanding Obligations without any premium or penalty of any kind whatsoever. If the Defaulting Lender shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, the Defaulting Lender shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Defaulting Lender shall be made in accordance with the terms of Section 12.07(b). Any such assumption of the Commitment of such Defaulting Lender shall not be deemed to constitute a waiver of any of the Lenders' or the Borrowers' rights or remedies against any such Defaulting Lender arising out of or in relation to such failure to fund.

(b) Except as provided in Section 2.02 or Section 12.07, if any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) on account of any Obligation in excess of its ratable share of payments on account of similar obligations obtained by all the Lenders, such Lender shall forthwith purchase from the other Lenders such participations in such similar obligations held by them as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; provided, however, that if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each Lender shall be rescinded and such Lender shall repay to the purchasing Lender the purchase price to the extent of such

recovery together with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender of any interest or other amount paid by the purchasing Lender in respect of the total amount so recovered); provided, the provisions of this Section 4.03(b) shall not be construed to apply to any payment made by or on behalf of any Borrower pursuant to and in accordance with the terms of this Agreement (including, without limitation, as provided in Section 2.05 and the application of funds arising from the existence of a Defaulting Lender) The Borrowers agree that any Lender so purchasing a participation from another Lender pursuant to this Section 4.03(b) may, to the fullest extent permitted by law, exercise all of its rights (including the Lender's right ofset-off) with respect to such participation as fully as if such Lender were the direct creditor of the Borrowers in the amount of such participation.

Section 4.04 Apportionment of Payments. Subject to Section 2.02 or Section 12.07 hereof and to any written agreement among the Agents and/or the Lenders:

(a) all payments of principal and interest in respect of outstanding Loans, all payments of fees (other than the fees set forth in Sections 2.06 and 7.01(f) hereof) and all other payments in respect of any other Obligations, shall be allocated by the Administrative Agent among such of the Lenders as are entitled thereto, in proportion to their respective Pro Rata Shares or otherwise as provided herein or, in respect of payments not made on account of Loans, as designated by the Person making payment when the payment is made.

(b) After the occurrence and during the continuance of an Event of Default, the Administrative Agent may, and upon the direction of the Required Lenders shall, apply all proceeds of the Collateral, subject to the provisions of this Agreement, (i) first, ratably to pay the Obligations in respect of any fees, expense reimbursements, indemnities and other amounts then due and payable to the Agents until paid in full; (ii) second, ratably to pay interest then due and payable in respect of the Agent Advances until paid in full; (iii) third, ratably to pay principal of the Agent Advances until paid in full; (iv) fourth, ratably to pay the Obligations in respect of any fees (other than any Applicable Prepayment Premium) and indemnities then due and payable to the Lenders until paid in full; (v) fifth, ratably to pay interest then due and payable in respect of the Loans until paid in full; (vi)sixth, ratably to pay principal of the Loans until paid in full; (vii) seventh, ratably to pay the Obligations in respect of any Applicable Prepayment Premium then due and payable to the Lenders until paid in full; and (viii) eighth, to the ratable payment of all other Obligations then due and payable.

(c) In each instance, so long as no Event of Default has occurred and is continuing,Section 4.04(b) shall not be deemed to apply to any payment by the Borrowers specified by the Administrative Borrower to the Administrative Agent to be for the payment of Term Loan Obligations then due and payable under any provision of this Agreement or the prepayment of all or part of the principal of the Term Loans in accordance with the terms and conditions of Section 2.05.

(d) For purposes of Section 4.04(b), (other than clause (viii)), "paid in full" means payment in cash of all amounts owing under the Loan Documents according to the terms thereof, including loan fees, service fees, professional fees, interest (and specifically including interest accrued after the commencement of any Insolvency Proceeding), default

interest, interest on interest, and expense reimbursements, whether or not same would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding, except to the extent that default or overdue interest (but not any other interest) and loan fees, each arising from or related to a default, are disallowed in any Insolvency Proceeding; provided, however, that for the purposes of clause (viii), "paid in full" means payment in cash of all amounts owing under the Loan Documents according to the terms thereof, including loan fees, service fees, professional fees, interest (and specifically including interest accrued after the commencement of any Insolvency Proceeding), default interest, interest on interest, and expense reimbursements, whether or not the same would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding.

(e) In the event of a direct conflict between the priority provisions of this Section 4.04 and other provisions contained in any other Loan Document, it is the intention of the parties hereto that both such priority provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 4.04 shall control and govern.

Section 4.05 Increased Costs and Reduced Return. (a) If any Lender or any Agent shall have determined that a Change in Law, shall (i) subject such Agent or such Lender, or any Person controlling such Agent or such Lender, to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (A) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, **(ii)** impose, modify or deem applicable any reserve, special deposit or similar requirement against any Loan or against assets of or held by, or deposits with or for the account of, or credit extended by, such Agent or such Lender or any Person controlling such Agent or such Lender or **(iii)** impose on such Agent or such Lender or any Person controlling such Agent or such Lender any other condition regarding this Agreement or any Loan, and the result of any event referred to in clauses (i), (ii) or (iii) above shall be to increase the cost to such Agent or such Lender of making any Loan, or agreeing to make any Loan, or to reduce any amount received or receivable by such Agent or such Lender hereunder, then, within twenty (20) days after receipt by the Administrative Borrower from such Agent or such Lender of the certificate required under Section 4.05(c), the Borrowers shall pay to such Agent or such Lender such additional amounts as will compensate such Agent or such for such increased costs or reductions in amounts received or receivable.

(b) If any Agent or any Lender shall have determined that any Change in Law either (i) affects or would affect the amount of capital required or expected to be maintained by such Agent or such Lender or any Person controlling such Agent or such Lender, and such Agent or such Lender determines that the amount of such capital is increased as a direct or indirect consequence of any Loans made or maintained, such Agent's or such Lender's or such other controlling Person's other obligations hereunder, or (ii) has or would have the effect of reducing the rate of return on such Agent's or such Lender's or such other controlling Person's capital to a level below that which such Agent or such Lender or such controlling Person could have achieved but for such circumstances as a consequence of any Loans made or maintained, or any guaranty or participation with respect thereto or any agreement to make Loans, or such Agent's,

or such Lender's or such other controlling Person's other obligations hereunder (in each case, taking into consideration, such Agent's or such Lender's or such other controlling Person's policies with respect to capital adequacy), then, within twenty (20) days after receipt by the Administrative Borrower from such Agent or such Lender of the certificate required under Section 4.05(c), the Borrowers shall pay to such Agent or such Lender for such cost of maintaining such increased capital or such reduction in the rate of return on such Agent's or such Lender's or such other controlling Person's capital.

(c) All amounts payable under this Section 4.05 shall bear interest from the date that is twenty (20) days after the date of demand by any Agent or any Lender until payment in full to such Agent or such Lender at the Reference Rate. A certificate of such Agent or such Lender claiming compensation under this Section 4.05, specifying the event herein above described and the nature of such event shall be submitted by such Agent or such Lender to the Administrative Borrower, setting forth the additional amount due and an explanation of the calculation thereof in reasonable detail, and such Agent's or such Lender's reasons for invoking the provisions of this Section 4.05, and shall be final and conclusive absent manifest error; provided that any such certificate claiming amounts described in clause (i) or (ii) of the proviso set forth in the definition of Change in Law shall, in addition, state the basis upon which such amount has been calculated and certify that such Agent's or Lender's method of allocating such costs is fair and reasonable and that such Agent's or Lender's demand for payment of such costs hereunder, and such method of allocation, is not inconsistent with its treatment of other borrowers which, as a credit matter, are substantially similar to the Borrowers and which are subject to similar provisions.

(d) If any Lender or Agent becomes entitled to claim any additional amounts pursuant to this Section, it shall promptly notify the Loan Parties of the event by reason of which it has become so entitled; provided that the Loan Parties shall not be required to compensate a Lender or Agent pursuant to this paragraph for any amounts incurred more than six months prior to the date that such Lender or Agent notifies the Loan Parties of such Lender's or Agent's intention to claim compensation therefor in accordance with Section 4.05(c); provided further that, if the circumstances giving rise to such claim have a retroactive effect, then such six-month period shall be extended to include the period of such retroactive effect.

(e) If any Lender or Agent requests compensation or if any Borrower is required to pay any additional amount to any Lender or Agent or if any Borrower is required to pay any additional interest or other amount to any Lender or Agent hereunder, then such Lender or Agent shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender or Agent such designation or assignment (i) would eliminate or reduce amounts payable hereunder in the future, (ii) would not subject such Lender or Agent to any unreimbursed cost or expense, and (iii) would not otherwise be materially disadvantageous to such Lender or Agent.

Section 4.06 Joint and Several Liability of the Borrowers. (a) Notwithstanding anything in this Agreement or any other Loan Document to the contrary, each of the Borrowers hereby accepts joint and several liability hereunder and under the other Loan Documents in consideration of the financial accommodations to be provided by the Agents and the Lenders

under this Agreement and the other Loan Documents, for the mutual benefit, directly and indirectly, of each of the Borrowers and in consideration of the undertakings of the other Borrowers to accept joint and several liability for the Obligations. Each of the Borrowers, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrowers, with respect to the payment and performance of all of the Obligations (including, without limitation, any Obligations arising under this Section 4.06), it being the intention of the parties hereto that all of the Obligations shall be the joint and several obligations of each of the Borrowers without preferences or distinction among them. If and to the extent that any of the Borrowers shall fail to make any payment with respect to any of the Obligations as and when due or to perform any of the Obligations in accordance with the terms thereof, then in each such event, the other Borrowers will make such payment with respect to, or perform, such Obligation. Subject to the terms and conditions hereof, the Obligations of each of the Borrowers under the provisions of this Section 4.06 constitute the absolute and unconditional, full recourse Obligations of each of the Borrowers, enforceable against each such Person to the full extent of its properties and assets, irrespective of the validity, regularity or enforceability of this Agreement, the other Loan Documents or any other circumstances whatsoever.

(b) The provisions of this Section 4.06 are made for the benefit of the Agents, the Lenders and their successors and assigns, and may be enforced by them from time to time against any or all of the Borrowers as often as occasion therefor may arise and without requirement on the part of the Agents, the Lenders or such successors or assigns first to marshal any of its or their claims or to exercise any of its or their rights against any of the other Borrowers or to exhaust any remedies available to it or them against any of the other Borrowers or to resort to any other source or means of obtaining payment of any of the Obligations hereunder or to elect any other remedy. The provisions of this Section 4.06 shall remain in effect until all of the Obligations (other than unasserted contingent indemnification Obligations) shall have been paid in full or otherwise fully satisfied.

(c) Each of the Borrowers hereby agrees that it will not enforce any of its rights of contribution or subrogation against the other Borrowers with respect to any liability incurred by it hereunder or under any of the other Loan Documents, any payments made by it to the Agents or the Lenders with respect to any of the Obligations or any Collateral, until such time as all of the Obligations (other than unasserted contingent indemnification Obligations) have been paid in full in cash. Any claim which any Borrower may have against any other Borrower with respect to any payments to the Agents or the Lenders hereunder or under any other Loan Documents are hereby expressly made subordinate and junior in right of payment, without limitation as to any increases in the Obligations arising hereunder or thereunder, to the prior payment in full in cash of the Obligations (other than unasserted contingent indemnification Obligations).
