Section 9.02 Cure Right. In the event that the Borrowers fail to comply with the requirements of the financial covenant set forth in Section 7.03 (a "Curable Default"), until the expiration of the 10th Business Day after the date on which financial statements are required to be delivered with respect to the applicable fiscal quarter (the "Required Contribution Date"), (i) the Parent shall have the right to issue Permitted Cure Equity for cash or otherwise receive cash contributions to the capital of the Parent, and, in each case, to contribute any such contributions to the capital of the Borrowers or (ii) the Loan Parties and/or their Permitted Holders cause a contribution to be made in the form of Subordinated Indebtedness issued by any Loan Party, and in each case with respect to clauses (i) and (ii), apply the amount of the proceeds thereof to increase Consolidated EBITDA with respect to such applicable quarter (the "Cure Right"); provided that (a) such proceeds are actually received by the Borrowers no later than 10 Business Days after the date on which financial statements are required to be delivered with respect to such fiscal quarter hereunder, (b) such proceeds do not exceed the aggregate amount necessary to cure (by addition to Consolidated EBITDA) such Event of Default under Section 7.03 for such period, (c) the Cure Right shall not be exercised more than two times in any four fiscal quarter period and five times during the term of the Loans, (d) the Cure Right shall not be exercised in consecutive fiscal quarters, (e) such proceeds (1) for any individual Cure Right shall not exceed 20% of Consolidated EBITDA for the most recent trailing four fiscal quarter period for which financial statements and a Compliance Certificate have been delivered pursuant to Section 7.01(a)(i) and (iv) and (2) in the aggregate for all Cure Rights during the term of this Agreement shall not exceed $10,000,000, and (f) such proceeds shall be applied to prepay the Loans in accordance with Section 2.05(c)(ix). Until the Required Contribution Date, neither Agent nor any Lender shall impose the Post-Default Rate, accelerate the Obligations, terminate the Revolving Credit Commitment or exercise any enforcement remedy against the Loan Parties or any of their Subsidiaries or any of their respective properties solely as a result of the existence of the applicable Curable Default. If, after giving effect to the foregoing pro forma adjustment (but not, for the avoidance of doubt, giving pro forma adjustment to any repayment of Indebtedness in connection therewith), the Borrowers are in compliance with the financial covenant set forth in Section 7.03, the Borrowers shall be deemed to have satisfied the requirements of such Section as of the relevant date of determination with the same effect as though there had been no failure to comply on such date, and the applicable breach or default of such Section 7.03 that had occurred shall be deemed cured for purposes of this Agreement. The parties hereby acknowledge that this Section may not be relied on for purposes of calculating any financial ratios other than as applicable to Section 7.03 and shall not result in any adjustment to any amounts other than the amount of the Consolidated EBITDA referred to in the immediately preceding sentence; provided that such adjustment to the amount of the Consolidated EBITDA shall apply to subsequent calculations under Section 7.03 measuring such fiscal quarter with respect to which the Cure Right was exercised. Notwithstanding anything to the contrary contained in this Section 9.02, during the period commencing on the First Amendment Effective Date until the Agents and the Lenders have received financial statements and a Compliance Certificate pursuant to Section 7.01(a)(i) and (iv) for the covenant testing period ending on December 31, 2022, the Loan Parties shall be permitted to exercise the Cure Right one time with respect to any Curable Default; provided, that (A) the minimum amount of proceeds funded with respect to such Cure Right shall be the greater of (x) $2,500,000 and (y) 2 times the amount necessary to cure (by addition to Consolidated EBITDA) such Event of Default under Section 7.03 for such period, (B) the entire amount of such proceeds shall be applied to

prepay the Loans in accordance with Section 2.05(c)(ix) and (C) the portion of such proceeds added to Consolidated EBITDA shall not exceed the aggregate amount necessary to cure (by addition to Consolidated EBITDA) such Event of Default under Section 7.03 for such period. For the avoidance of doubt, the First Amendment Contribution (as defined in the First Amendment) shall not constitute the exercise of a Cure Right for purposes of this Agreement and the other Loan Documents.

As to any matters not expressly provided for by this Agreement and the other Loan Documents (including, without limitation, enforcement or collection of the Loans), the Agents shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon

the instructions of the Required Lenders, and such instructions of the Required Lenders shall be binding upon all Lenders and all makers of Loans; provided, however, that the Agents shall not be required to take any action which, in the reasonable opinion of any Agent, exposes such Agent to liability or which is contrary to this Agreement or any other Loan Document or applicable law.

Each Lender shall make its own independent investigation of the financial condition and affairs of the Loan Parties in connection with the making and the continuance of the Loans hereunder and shall make its own appraisal of the creditworthiness of the Loan Parties and the value of the Collateral without reliance upon the Administrative Agent or any other Lender or any of their Related Parties, and neither the Agents nor any of their Related Parties shall have any duty or responsibility, either initially or on a continuing basis, to provide any Lender with any credit or other information with respect thereto, whether coming into their possession before the initial Loan hereunder or at any time or times thereafter, provided that, upon the reasonable request of a Lender, each Agent shall provide to such Lender any documents or reports delivered to such Agent by the Loan Parties pursuant to the terms of this Agreement or any other Loan Document. The Agents and their Related Parties shall not be liable for any action taken or omitted to be taken by them under or in connection with this Agreement or the other Loan Documents, except for their own gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction. Without limiting the generality of the foregoing, the Agents (i) may treat the payee of any Loan as the owner thereof until the Agents receive written notice of the assignment or transfer thereof, pursuant to Section 12.07 hereof, signed by such payee and in form reasonably satisfactory to the Agents; (ii) may consult with legal counsel (including, without limitation, counsel to any Agent or counsel to the Loan Parties), independent public accountants, and other

experts selected by any of them and shall not be liable for any action taken or omitted to be taken in good faith by any of them in accordance with the advice of such counsel or experts; (iii) make no warranty or representation to any Lender and shall not be responsible to any Lender for any statements, certificates, warranties or representations made in or in connection with this Agreement or the other Loan Documents; (iv) shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement or the other Loan Documents on the part of any Person, the existence or possible existence of any Default or Event of Default, or to inspect the Collateral or other property (including, without limitation, the books and records) of any Person; (v) shall not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or the other Loan Documents or any other instrument or document furnished pursuant hereto or thereto; and (vi) shall not be deemed to have made any representation or warranty regarding the existence, value or collectibility of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Agents be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral. The Agents shall not be liable for any apportionment or distribution of payments made in good faith pursuant to Section 4.04, and if any such apportionment or distribution is subsequently determined to have been made in error the sole recourse of any Lender to whom payment was due but not made, shall be to recover from other Lenders any payment in excess of the amount which they are determined to be entitled. The Agents may at any time request instructions from the Lenders with respect to any actions or approvals which by the terms of this Agreement or of any of the other Loan Documents the Agents are permitted or required to take or to grant, and if such instructions are promptly requested, the Agents shall be absolutely entitled to refrain from taking any action or to withhold any approval under any of the Loan Documents until they shall have received such instructions from the Required Lenders (unless unanimity is required). Without limiting the foregoing, no Lender shall have any right of action whatsoever against any Agent as a result of such Agent acting or refraining from acting under this Agreement or any of the other Loan Documents in accordance with the instructions of the Required Lenders (unless unanimity is required).

Section 10.04 Reliance. Each Agent shall be entitled to rely upon any written notices, statements, certificates, orders or other documents or any telephone message believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person, and with respect to all matters pertaining to this Agreement or any of the other Loan Documents and its duties hereunder or thereunder, upon advice of counsel selected by it.

Section 10.05 Indemnification. To the extent that any Agent or any Related Party of the foregoing is not reimbursed and indemnified by any Loan Party, the Lenders will reimburse and indemnify such Agent and such Related Parties from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, advances or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against such Agent and such Related Parties in any way relating to or arising out of this Agreement or any of the other Loan Documents or any action taken or omitted by such Agent and such Related Parties under this Agreement or any of the other Loan Documents, in proportion to each Lender's Pro Rata Share (including, for the avoidance of doubt, that such Pro Rata Share shall include the Affiliated Lender's share of Loans held or deemed to be held by

such Affiliated Lender), including, without limitation, advances and disbursements made pursuant to Section 10.08; provided, however, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, advances or disbursements for which there has been a final non-appealable judicial determination that such liability resulted from such Agent's or such Related Parties gross negligence or willful misconduct. The obligations of the Lenders under this Section 10.05 shall survive the payment in full of the Loans and the termination of this Agreement.

Section 10.06 Agents Individually. With respect to its Pro Rata Share of the Total Commitment hereunder and the Loans made by it, each Agent shall have and may exercise the same rights and powers hereunder and is subject to the same obligations and liabilities as and to the extent set forth herein, any other Lender or maker of a Loan. The terms "Lenders" or "Required Lenders" or any similar terms shall, unless the context clearly otherwise indicates, include each Agent in its individual capacity as a Lender or one of the Required Lenders. Each Agent and its Affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, trust or other business with any Borrower as if it were not acting as an Agent pursuant hereto without any duty to account to the other Lenders.

Section 10.07 Successor Agent. (a) Any Agent may at any time give at least 30 days prior written notice of its resignation to the Lenders and the Administrative Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Administrative Borrower, to appoint a successor Agent. If no such successor Agent shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "Resignation Effective Date"), then the retiring Agent may (but shall not be obligated to), on behalf of the Lenders, appoint a successor Agent. Whether or not a successor Agent has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(b) With effect from the Resignation Effective Date, (i) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any Collateral held by such Agent on behalf of the Lenders under any of the Loan Documents, the retiring Agent shall continue to hold such collateral security until such time as a successor Agent is appointed) and (ii) all payments, communications and determinations provided to be made by, to or through such retiring Agent shall instead be made by or to each Lender directly, until such time, if any, as a successor Agent shall have been appointed as provided for above. Upon the acceptance of a successor's Agent's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article, Section 12.04 and Section 12.05 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by it while the retiring Agent was acting as Agent.

Section 10.08 Collateral Matters.

(a) Either Agent may from time to time while an Event of Default has occurred and is continuing make such disbursements and advances ("Agent Advances") which such Agent, in its sole discretion, deems necessary or desirable to preserve, protect, prepare for sale or lease or dispose of the Collateral or any portion thereof, to enhance the likelihood or maximize the amount of repayment by the Borrowers of the Loans and other Obligations or to pay any other amount chargeable to the Borrowers pursuant to the terms of this Agreement, including, without limitation, costs, fees and expenses as described in Section 12.04; provided that the aggregate outstanding amount of the Agent Advances shall not exceed $2,000,000 at any time. The Agent Advances shall be repayable on demand and be secured by the Collateral and shall bear interest at a rate per annum equal to the rate then applicable to Revolving Loans that are Reference Rate Loans. The Agent Advances shall constitute Obligations hereunder which may be charged to the Loan Account in accordance with Section 4.02. Each Agent making an Agent Advance shall notify the other Agent, each Lender and the Administrative Borrower in writing of each such Agent Advance, which notice shall include a description of the purpose of such Agent Advance. Without limitation to its obligations pursuant to Section 10.05, each Lender agrees that it shall make available to such Agent, upon such Agent's demand, in Dollars in immediately available funds, the amount equal to such Lender's Pro Rata Share of each such Agent Advance. If such funds are not made available to such Agent by such Lender, such Agent shall be entitled to recover such funds on demand from such Lender, together with interest thereon for each day from the date such payment was due until the date such amount is paid to such Agent, at the Federal Funds Effective Rate for three (3) Business Days and thereafter at the Reference Rate.

(b) The Lenders hereby irrevocably authorize the Collateral Agent to (1) release any Lien granted to or held by the Collateral Agent upon any Collateral (i) in accordance with the express terms of the Loan Documents; (ii) upon termination of the Total Commitment and payment and satisfaction of all Loans and all other Obligations in accordance with the terms hereof; or (iii) (x) constituting property being sold or disposed of in the ordinary course of any Loan Party's business and otherwise in compliance with the terms of this Agreement and the other Loan Documents; (y) constituting property in which the Loan Parties owned no interest at the time the Lien was granted or at any time thereafter; or (z) if approved, authorized or ratified in writing by the Lenders or (2) subordinate any Lien on any property granted to or sold by the Collateral Agent to the holder of any Lien on property that is permitted to be subordinated pursuant to the definition of "Permitted Liens". Upon request by the Collateral Agent at any time, the Lenders shall confirm in writing the Collateral Agent's authority to release or subordinate particular types or items of Collateral pursuant to this Section 10.08(b).

(c) Without in any manner limiting the Collateral Agent's authority to act without any specific or further authorization or consent by the Lenders (as set forth in Section 10.08(b)), each Lender agrees to confirm in writing, upon request by the Collateral Agent, the authority to release or subordinate Collateral conferred upon the Collateral Agent under Section 10.08(b). Upon receipt by the Collateral Agent of confirmation from the Lenders of its authority to release or subordinate any particular item or types of Collateral, and upon prior written request by any Loan Party, the Collateral Agent shall (and is hereby irrevocably

authorized by the Lenders to) execute such documents as may be necessary to evidence the release of the Liens granted to the Collateral Agent for the benefit of the Agents and the Lenders upon such Collateral; provided, however, that (i) the Collateral Agent shall not be required to execute any such document on terms which, in the Collateral Agent's opinion, would expose the Collateral Agent to liability or create any obligations or entail any consequence other than the release of such Liens without recourse or warranty, and (ii) such release shall not in any manner discharge, affect or impair the Obligations or any Lien upon (or obligations of any Loan Party in respect of) all interests in the Collateral retained by any Loan Party.

(d) Anything contained in any of the Loan Documents to the contrary notwithstanding, the Loan Parties, each Agent and each Lender hereby agree that (i) no Lender shall have any right individually to realize upon any of the Collateral under any Loan Document or to enforce any Guaranty, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Collateral Agent for the benefit of the Lenders in accordance with the terms thereof, (ii) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale, the Administrative Agent, the Collateral Agent or any Lender may be the purchaser of any or all of such Collateral at any such sale and (iii) the Collateral Agent, as agent for and representative of the Agents and the Lenders (but not any other Agent or any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing) shall be entitled (either directly or through one or more acquisition vehicles) for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral to be sold (A) at any public or private sale, (B) at any sale conducted by the Collateral Agent under the provisions of the Uniform Commercial Code (including pursuant to Sections 9-610 or 9-620 of the Uniform Commercial Code), (C) at any sale or foreclosure conducted by the Collateral Agent (whether by judicial action or otherwise) in accordance with applicable law or (D) any sale conducted pursuant to the provisions of any Debtor Relief Law (including Section 363 of the Bankruptcy Code), to use and apply all or any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Collateral Agent at such sale.

(e) The Collateral Agent shall have no obligation whatsoever to any Lender to assure that the Collateral exists or is owned by the Loan Parties or is cared for, protected or insured or has been encumbered or that the Lien granted to the Collateral Agent pursuant to this Agreement or any other Loan Document has been properly or sufficiently or lawfully created, perfected, protected or enforced or is entitled to any particular priority, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 10.08 or in any other Loan Document, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, given the Collateral Agent's own interest in the Collateral as one of the Lenders and that the Collateral Agent shall have no duty or liability whatsoever to any other Lender, except as otherwise provided herein.

Section 10.09 Agency for Perfection. Each Agent and each Lender hereby appoints each other Agent and each other Lender as agent and bailee for the purpose of perfecting the security interests in and liens upon the Collateral in assets which, in accordance

with Article 9 of the Uniform Commercial Code, can be perfected only by possession or control (or where the security interest of a secured party with possession or control has priority over the security interest of another secured party) and each Agent and each Lender hereby acknowledges that it holds possession of or otherwise controls any such Collateral for the benefit of the Agents and the Lenders as secured party. Should the Administrative Agent or any Lender obtain possession or control of any such Collateral, the Administrative Agent or such Lender shall notify the Collateral Agent thereof, and, promptly upon the Collateral Agent's request therefor shall deliver such Collateral to the Collateral Agent or in accordance with the Collateral Agent's instructions. In addition, the Collateral Agent shall also have the power and authority hereunder to appoint such other sub-agents as may be necessary or required under applicable state law or otherwise to perform its duties and enforce its rights with respect to the Collateral and under the Loan Documents. Each Loan Party by its execution and delivery of this Agreement hereby consents to the foregoing.

Section 10.10 No Reliance on any Agent's Customer Identification Program. Each Lender acknowledges and agrees that neither such Lender, nor any of its Affiliates, participants or assignees, may rely on any Agent to carry out such Lender's, Affiliate's, participant's or assignee's customer identification program, or other requirements imposed by the USA PATRIOT Act or the regulations issued thereunder, including the regulations set forth in 31 C.F.R. §§ 1010.100(yy), (iii), 1020.100, and 1020.220 (formerly 31 C.F.R. § 103.121), as hereafter amended or replaced ("CIP Regulations"), or any other Anti-Money Laundering and Anti-Terrorism Laws, including any programs involving any of the following items relating to or in connection with any of the Loan Parties, their Affiliates or their agents, the Loan Documents or the transactions hereunder or contemplated hereby: (1) any identity verification procedures, (2) any recordkeeping, (3) comparisons with government lists, (4) customer notices or (5) other procedures required under the CIP Regulations or other regulations issued under the USA PATRIOT Act. Each Lender, Affiliate, participant or assignee subject to Section 326 of the USA PATRIOT Act will perform the measures necessary to satisfy its own responsibilities under the CIP Regulations.

Section 10.11 No Third Party Beneficiaries. The provisions of this Article are solely for the benefit of the Secured Parties (including each Affiliated Lender), and no Loan Party shall have rights as a third-party beneficiary of any of such provisions.

Section 10.12 No Fiduciary Relationship. It is understood and agreed that the use of the term "agent" herein or in any other Loan Document (or any other similar term) with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

By becoming a party to this Agreement, each Lender:

(a) is deemed to have requested that each Agent furnish such Lender, promptly after it becomes available, a copy of each inspection report with respect to the Parent or any of its Subsidiaries (each, a "Report") prepared by or at the request of such Agent, and each Agent shall so furnish each Lender with each such Report,

(b) expressly agrees and acknowledges that the Agents (i) do not make any representation or warranty as to the accuracy of any Reports, and (ii) shall not be liable for any information contained in any Reports,

(c) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that any Agent or other party performing any audit or examination will inspect only specific information regarding the Parent and its Subsidiaries and will rely significantly upon the Parent's and its Subsidiaries' books and records, as well as on representations of their personnel,

(d) agrees to keep all Reports and other material, non-public information regarding the Parent and its Subsidiaries and their operations, assets, and existing and contemplated business plans in a confidential manner in accordance with Section 12.20, and

(e) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold any Agent and any other Lender preparing a Report harmless from any action the indemnifying Lender may take or fail to take or any conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to the Borrowers, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a loan or loans of the Borrowers, and (ii) to pay and protect, and indemnify, defend and hold any Agent and any other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including, attorneys' fees and costs) incurred by any such Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

Section 10.13 Collateral Custodian. Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent or its designee may at any time and from time to time employ and maintain on the premises of any Loan Party a custodian selected by the Collateral Agent or its designee who shall have full authority to do all acts necessary to protect the Agents' and the Lenders' interests. Each Loan Party hereby agrees to, and to cause its Subsidiaries to, cooperate with any such custodian and to do whatever the Collateral Agent or its designee may reasonably request to preserve the Collateral. All costs and expenses incurred by the Collateral Agent or its designee by reason of the employment of the custodian shall be the responsibility of the Borrowers and charged to the Loan Account.

Section 10.14 Collateral Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Collateral Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether any Agent shall have made any demand on the Borrowers) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Secured Parties (including any claim for the compensation, expenses, disbursements and advances of the Secured Parties and their respective agents and counsel and all other amounts due to the Secured Parties hereunder and under the other Loan Documents) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Secured Party to make such payments to the Collateral Agent and, in the event that the Collateral Agent shall consent to the making of such payments directly to the Secured Parties, to pay to the Collateral Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Collateral Agent and its agents and counsel, and any other amounts due to the Collateral Agent hereunder and under the other Loan Documents.

ARTICLE XI
GUARANTY

Section 11.01 Guaranty. Each Guarantor hereby jointly and severally and unconditionally and irrevocably guarantees the punctual payment when due, whether at stated maturity, by acceleration or otherwise, of all Obligations of the Borrowers now or hereafter existing under any Loan Document, whether for principal, interest (including, without limitation, all interest that accrues after the commencement of any Insolvency Proceeding of any Borrower, whether or not a claim for post-filing interest is allowed in such Insolvency Proceeding), fees, commissions, expense reimbursements, indemnifications or otherwise (such obligations, to the extent not paid by the Borrowers, being the "Guaranteed Obligations"), and agrees to pay (without duplication of any amounts payable under Section 12.04) any and all reasonable and documented out-of-pocket expenses (including reasonable and documented out-of-pocket fees and expenses of one outside counsel and one local counsel in each relevant jurisdiction) incurred by the Agents and the Lenders in enforcing any rights under the guaranty set forth in this ARTICLE XI. Without limiting the generality of the foregoing, each Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by the Borrowers to the Agents and the Lenders under any Loan Document but for the fact that they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving any Borrower. Notwithstanding any of the foregoing, Guaranteed Obligations shall not include any Excluded Hedge Liabilities. In no event shall the obligation of any Guarantor hereunder exceed the maximum amount such Guarantor could guarantee under any bankruptcy, insolvency or other similar law.

Section 11.02 Guaranty Absolute. Each Guarantor jointly and severally guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Agents or the Lenders with respect

thereto. Each Guarantor agrees that this ARTICLE XI constitutes a guaranty of payment when due and not of collection and waives any right to require that any resort be made by any Agent or any Lender to any Collateral. The obligations of each Guarantor under this ARTICLE XI are independent of the Guaranteed Obligations, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce such obligations, irrespective of whether any action is brought against any Loan Party or whether any Loan Party is joined in any such action or actions. The liability of each Guarantor under this ARTICLE XI shall be irrevocable, absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives any defenses it may now or hereafter have in any way relating to, any or all of the following:

(a) any lack of validity or enforceability of any Loan Document or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to departure from any Loan Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Loan Party or otherwise;

(c) any taking, exchange, release or non-perfection of any Collateral, or any taking, release or amendment or waiver of or consent to departure from any other guaranty, for all or any of the Guaranteed Obligations;

(d) the existence of any claim, set-off, defense or other right that any Guarantor may have at any time against any Person, including, without limitation, any Agent or any Lender;

(e) any change, restructuring or termination of the corporate, limited liability company or partnership structure or existence of any Loan Party; or

(f) any other circumstance (other than the defense of payment, but including, without limitation, any statute of limitations) or any existence of or reliance on any representation by the Agents or the Lenders that might otherwise constitute a defense available to, or a discharge of, any Loan Party or any other guarantor or surety.

This ARTICLE XI shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by the Agents, the Lenders or any other Person upon the insolvency, bankruptcy or reorganization of any Borrower or otherwise, all as though such payment had not been made.

Section 11.03 Waiver. Each Guarantor hereby waives (i) promptness and diligence, (ii) notice of acceptance and any other notice with respect to any of the Guaranteed Obligations and this ARTICLE XI and any requirement that the Agents or the Lenders exhaust any right or take any action against any Loan Party or any other Person or any Collateral, (iii) any right to compel or direct any Agent or any Lender to seek payment or recovery of any amounts owed under this ARTICLE XI from any one particular fund or source or to exhaust any right or take any action against any other Loan Party, any other Person or any Collateral, (iv) any

requirement that any Agent or any Lender protect, secure, perfect or insure any security interest or Lien on any property subject thereto or exhaust any right to take any action against any Loan Party, any other Person or any Collateral, and (v) any other defense available to any Guarantor. Each Guarantor agrees that the Agents and the Lenders shall have no obligation to marshal any assets in favor of any Guarantor or against, or in payment of, any or all of the Obligations. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated herein and that the waiver set forth in this Section 11.03 is knowingly made in contemplation of such benefits. Each Guarantor hereby waives any right to revoke this ARTICLE XI, and acknowledges that this ARTICLE XI is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

Section 11.04 Continuing Guaranty; Assignments. This ARTICLE XI is a continuing guaranty and shall (a) remain in full force and effect until the later of the payment in full of the Guaranteed Obligations (other than unasserted contingent indemnification Obligations) and the Final Maturity Date, (b) be binding upon each Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by the Agents, and their successors, pledgees, transferees and assigns. Without limiting the generality of the foregoing clause (c), any Lender may pledge, assign or otherwise transfer all or any portion of its rights and obligations under this Agreement (including, without limitation, all or any portion of its Commitments and its Loans owing to it) to any other Person to the extent otherwise permitted hereunder, and such other Person shall thereupon become vested with all the benefits in respect thereof granted such Lender herein or otherwise, in each case as provided in Section 12.07.

Section 11.05 Subrogation. No Guarantor will exercise any rights that it may now or hereafter acquire against any Loan Party or any other guarantor that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under this ARTICLE XI, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of the Agents and the Lenders against any Loan Party or any other guarantor or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any Loan Party or any other guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security solely on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations (other than unasserted contingent indemnification Obligations) shall have been paid in full and the Final Maturity Date shall have occurred. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to the later of the payment in full of the Guaranteed Obligations (other than unasserted contingent indemnification Obligations) and the Final Maturity Date, such amount shall (A) to the extent Guaranteed Obligations are outstanding, be held in trust for the benefit of the Agents and the Lenders, as applicable, and shall forthwith be paid to the Agents and the Lenders, as applicable, to be credited and applied to such Guaranteed Obligations, in accordance with the terms of this Agreement or (B) promptly be returned to the party which paid such amount. If (i) any Guarantor shall make payment to the Agents and the Lenders of all or any part of the Guaranteed Obligations (other than unasserted contingent indemnification Obligations), (ii) all of the Guaranteed Obligations (other than unasserted contingent indemnification Obligations) shall be paid in full and (iii) the Final Maturity Date shall have occurred, the Agents and the Lenders will, at such Guarantor's request and expense, execute and deliver to such Guarantor appropriate

documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the Guaranteed Obligations resulting from such payment by such Guarantor.

Section 11.06 Contribution. All Guarantors desire to allocate among themselves, in a fair and equitable manner, their obligations arising under this Guaranty. Accordingly, in the event any payment or distribution is made on any date by a Guarantor under this Guaranty such that its Aggregate Payments exceeds its Fair Share as of such date, such Guarantor shall be entitled to a contribution from each of the other Guarantors in an amount sufficient to cause each Guarantor's Aggregate Payments to equal its Fair Share as of such date.

"Fair Share" means, with respect to any Guarantor as of any date of determination, an amount equal to the sum of (a) its pro rata portion of the aggregate amount paid or distributed on or before such date by any Guarantor under this Guaranty in respect of the Guaranteed Obligations and (b) its pro rata portion of Deficits with respect to the other Guarantors, if any, in each case subject to its Maximum Contribution Amount (such amounts under clauses (a) or (b) in excess of the Maximum Contribution Amount with respect to any Guarantor, "Deficits").

"Maximum Contribution Amount" means, with respect to any Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Guarantor under this Guaranty that would not render its obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any comparable applicable provisions of state law; provided, solely for purposes of calculating the "Maximum Contribution Amount" with respect to any Guarantor for purposes of this Section 11.06, any assets or liabilities of such Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Guarantor.

"Aggregate Payments" means, with respect to any Guarantor as of any date of determination, an amount equal to (A) the aggregate amount of all payments and distributions made on or before such date by such Guarantor in respect of this Guaranty (including, without limitation, in respect of this Section 11.06), minus (B) the aggregate amount of all payments received on or before such date by such Guarantor from the other Guarantors as contributions under this Section 11.06. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Guarantor. The allocation among Guarantors of their obligations as set forth in this Section 11.06 shall not be construed in any way to limit the liability of any Guarantor hereunder. Each Guarantor is a third party beneficiary to the contribution agreement set forth in this Section 11.06.

notices and other communications shall be effective, (i) if mailed (certified mail, postage prepaid and return receipt requested), when received or three (3) days after deposited in the mails, whichever occurs first, (ii) if emailed, in accordance with Section 12.01(c), or (iii) if delivered by hand, Federal Express or other reputable overnight courier, upon delivery, except that notices to any Agent pursuant to ARTICLE II shall not be effective until received by such Agent, as the case may be.

(b) Electronic Communications. Each party hereto may, in its discretion, by written notice to the other parties hereto decline to accept any or all notices and other communications to it hereunder by electronic communications.

(c) Unless the Administrative Agent otherwise prescribes, (A) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (B) notices or communications posted to an internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (A), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (A) and (B) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

Section 12.02 Amendments, Etc. (a) No amendment or waiver of any provision of this Agreement or any other Loan Document (excluding the Fee Letter), and no consent to any departure by any Loan Party therefrom, shall in any event be effective unless the same shall be in writing and signed (x) in the case of an amendment, consent or waiver to cure any ambiguity, omission, defect or inconsistency or granting a new Lien for the benefit of the Agents and the Lenders or extending an existing Lien over additional property, by the Agents and the Borrower, and (y) in the case of any other amendment, consent or waiver, by the Required Lenders (or by the Collateral Agent with the consent of the Required Lenders) and the Borrower, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given, provided, however, that no amendment, waiver or consent shall (i) increase the Commitment of any Lender, reduce the principal of, or interest on, the Loans payable to any Lender, reduce the amount of any fee payable for the account of each Lender, or postpone or extend any scheduled date fixed for any payment (which shall in no event include any mandatory prepayment) of principal of, or interest or fees on, the Loans without the written consent of any Lender affected thereby (including the Affiliated Lenders), (ii) [Intentionally Omitted], (iii) change the percentage of the Commitments or of the aggregate unpaid principal amount of the Loans that is required for the Lenders or any of them to take any action hereunder without the written consent of each Lender (other than the Affiliated Lenders), (iv) amend the definition of "Excluded Hedge Liability" (or any defined term used therein or any provision expressly relating to Excluded Hedge Liabilities), "Required Lenders" or "Pro Rata Share" without the written consent of each Lender (other than the Affiliated Lenders), (v) release all or a substantial portion of the Collateral (except as otherwise provided in this Agreement and the other Loan Documents), subordinate any Lien granted in favor of the Collateral Agent for the benefit of the Secured Parties, or release any Borrower or any Guarantor without the written consent of each

Lender (other than the Affiliated Lenders), or (vi) amend, modify or waive Section 4.04 or this Section 12.02 of this Agreement without the written consent of each Lender (other than the Affiliated Lenders).

Notwithstanding the foregoing, (A) no amendment, waiver or consent shall, unless in writing and signed by an Agent, affect the rights or duties of such Agent (but not in its capacity as a Lender) under this Agreement or the other Loan Documents, (B) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Final Maturity Date of such Loan held by the Defaulting Lender may not be extended without the consent of such Defaulting Lender, (C) unless otherwise set forth above in this Section 12.02, the Affiliated Lenders shall not be entitled to vote on any amendment, waiver, consent or other matter under this Agreement, and (D) for the purposes of voting on amendments, waivers and consents with respect to the Loan Documents, the Defaulting Lenders and the Affiliated Lenders shall be deemed not to be "Lenders" and the Loans held by the Affiliated Lenders and Defaulting Lenders shall be deemed to be zero.

(b) If (A)(i) any action to be taken by the Lenders hereunder requires the unanimous consent, authorization, or agreement of all of the Lenders (other than the Affiliated Lenders), (ii) the Required Lenders have consented to such action and (iii) a Lender other than the Collateral Agent or Administrative Agent, fails to give its consent, authorization, or agreement, or (B) any Lender requests reimbursement under Section 2.08 or Section 4.05 (each of the Lenders described in clauses (A) and (B), a "Holdout Lender"), then the Administrative Borrower upon at least five (5) Business Days prior irrevocable notice to the Holdout Lender, may permanently replace the Holdout Lender with one or more substitute Replacement Lenders reasonably acceptable to the Collateral Agent, and the Holdout Lender shall have no right to refuse to be replaced hereunder. Such notice to replace the Holdout Lender shall specify an effective date for such replacement, which date shall not be later than fifteen (15) Business Days after the date such notice is given. Prior to the effective date of such replacement, the Holdout Lender and the Replacement Lender shall execute and deliver an Assignment and Acceptance, subject only to the Holdout Lender being repaid its share of the outstanding Obligations without any premium or penalty. If the Holdout Lender shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, the Holdout Lender shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Holdout Lender shall be made in accordance with the terms of Section 12.07(b). Until such time as the Replacement Lender shall have acquired all of the Obligations, the Commitments, and the other rights and obligations of the Holdout Lender hereunder and under the other Loan Documents, the Holdout Lender shall remain obligated to make its Pro Rata Share of the Loans.

Section 12.03 No Waiver; Remedies, Etc. No failure on the part of any Agent or any Lender to exercise, and no delay in exercising, any right hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right under any Loan Document preclude any other or further exercise thereof or the exercise of any other right. The rights and remedies of the Agents and the Lenders provided herein and in the other Loan Documents are cumulative and are in addition to, and not exclusive of, any rights or remedies provided by law. The rights of the Agents and the Lenders under any Loan Document against any party thereto are not conditional or contingent on any attempt by the Agents and the Lenders to exercise any of their rights under any other Loan Document against such party or against any other Person.

Section 12.04 Expenses; Attorneys' Fees. The Borrowers shall pay promptly, and in any event within ten (10) Business Days of delivery of an invoice, all reasonable and documented out-of-pocket costs and expenses incurred by or on behalf of each Agent (and, without duplication, in the case of clauses (b) through (j) below, each Lender), regardless of whether the transactions contemplated hereby are consummated, including, without limitation, reasonable and documented out-of-pocket fees, costs, client charges and expenses of one outside counsel and one local counsel in each relevant jurisdiction for the Agents (and, without duplication, in the case of clauses (b) through (j) below, each Lender), accounting, due diligence, searches and filings and other miscellaneous disbursements arising from or relating to: (a) the negotiation, preparation, execution, delivery, performance and administration of this Agreement and the other Loan Documents (including, without limitation, the preparation of any additional Loan Documents pursuant to Section 7.01(b) or the review of any of the agreements, instruments and documents referred to inSection 7.01(f)), (b) any requested amendments, waivers or consents to this Agreement or the other Loan Documents whether or not such documents become effective or are given, (c) the preservation and protection of the Agents' or any of the Lenders' rights under this Agreement or the other Loan Documents, (d) the defense of any claim or action asserted or brought against any Agent or any Lender by any Person that arises from or relates to this Agreement, any other Loan Document, the Agents' or the Lenders' claims against any Loan Party under the Loan Documents, or any and all matters in connection therewith, (e) the commencement or defense of, or intervention in, any court proceeding arising from or related to this Agreement or any other Loan Document, (f) the filing of any petition, complaint, answer, motion or other pleading by any Agent or any Lender, or the taking of any action in respect of the Collateral, in connection with this Agreement or any other Loan Document, (g) the protection, collection, lease, sale, taking possession of or liquidation of, any Collateral in connection with this Agreement or any other Loan Document, (h) any attempt to enforce any Lien or security interest in any Collateral in connection with this Agreement or any other Loan Document, (i) any attempt to collect from any Loan Party or Guarantor under the Loan Documents, (j) all liabilities and costs arising from or in connection with the past, present or future operations of any Loan Party involving any damage to real or personal property or natural resources or harm or injury alleged to have resulted from any Release of Hazardous Materials on, upon or into such property, (k) any Environmental Liabilities and Costs incurred in connection with the investigation, removal, cleanup and/or remediation of any Hazardous Materials present or arising out of the operations of any Facility of any Loan Party, (l) any Environmental Liabilities and Costs incurred in connection with any Environmental Lien, (m) the rating of the Loans by one or more rating agencies in connection with any Lender's Securitization, or (n) the receipt by any Agent or, in the case of clauses (b) through (i) above, any Lender of any advice from professionals with respect to any of the foregoing. Without limitation of the foregoing or any other provision of any Loan Document: (x) the Borrowers agree to pay all broker fees that may become due in connection with the transactions contemplated by this Agreement and the other Loan Documents, and (y) if the Borrowers fail to perform any covenant or agreement contained herein or in any other Loan Document, any Agent may itself perform or cause performance of such covenant or agreement, and the expenses of such Agent incurred in connection therewith shall be reimbursed on demand by the Borrowers. The obligations of the Borrowers under this Section 12.04 shall survive the repayment of the Obligations and discharge of any Liens granted under the Loan Documents.

Section 12.05 Right of Set-off. Upon the occurrence and during the continuance of any Event of Default, any Agent or any Lender may, and is hereby authorized to, at any time and from time to time, without notice to any Loan Party (any such notice being expressly waived by the Loan Parties) and to the fullest extent permitted by law, set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other Indebtedness at any time owing by such Agent or such Lender to or for the credit or the account of any Loan Party against any and all obligations of the Loan Parties either now or hereafter existing under any Loan Document, irrespective of whether or not such Agent or such Lender shall have made any demand hereunder or thereunder and although such obligations may be contingent or unmatured. Each Agent and each Lender agrees to notify such Loan Party promptly after any such set-off and application made by such Agent or such Lender provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of the Agents and the Lenders under this Section 12.05 are in addition to the other rights and remedies (including other rights of set-off) which the Agents and the Lenders may have under this Agreement or any other Loan Documents of law or otherwise.

Section 12.06 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 12.07 Assignments and Participations.

(a) This Agreement and the other Loan Documents shall be binding upon and inure to the benefit of each Loan Party and each Agent and each Lender and their respective successors and assigns; provided, however, that none of the Loan Parties may assign or transfer any of its rights hereunder or under the other Loan Documents without the prior written consent of each Lender and any such assignment without the Lenders' prior written consent shall be null and void and no Lender may assign or transfer any of its rights hereunder or under the other Loan Documents except (i) to an assignee in accordance with the provisions of Section 12.07(b) and (ii) by way of participation in accordance with the provisions of Section 12.07(i).

(b) Each Lender may with the written consent of the Collateral Agent, assign to (i) one or more Eligible Transferees and (ii) if an Event of Default under Sections 9.01(a), (f) or (g) has occurred and is continuing, one or more Ineligible Institutions, in each case, all or a portion of its rights and obligations under this Agreement with respect to all or a portion of its Term Loan Commitment, its Revolving Credit Commitment, any portion of the Term Loans made by it and any portion of the Revolving Loans made by it (provided that assignments to Affiliated Lenders shall not require the consent of the Collateral Agent); provided, however, that (i) any such assignment under clause (x) shall require the prior consent of the Administrative Borrower (which consent shall not be unreasonably withheld, conditioned or delayed nor shall it be required during the existence of an Event of Default), (ii) such assignment is in an amount which is at least $5,000,000 or a multiple of $1,000,000 in excess

thereof (or the remainder of such Lender's Commitment) (except such minimum amount shall not apply to an assignment by a Lender to (x) a Lender, an Affiliate of such Lender or a Related Fund of such Lender or (y) a group of new Lenders, each of whom is an Affiliate or Related Fund of each other to the extent the aggregate amount to be assigned to all such new Lenders is at least $5,000,000 or a multiple of $1,000,000 in excess thereof), (iii) except as provided in the last sentence of this Section 12.07(b), the parties to each such assignment shall execute and deliver to each Agent, an Assignment and Acceptance, together with any promissory note subject to such assignment and such parties shall deliver to the Collateral Agent, for the benefit of the Collateral Agent, a processing and recordation fee of $5,000 (except the payment of such fee shall not be required in connection with an assignment by a Lender to a Lender, an Affiliate of such Lender or a Related Fund of such Lender) and (iv) no written consent of the Collateral Agent, the Administrative Agent or the Administrative Borrower shall be required (1) in connection with any assignment by a Lender to a Lender, an Affiliate of such Lender or a Related Fund of such Lender or (2) if such assignment is in connection with any merger, consolidation, sale, transfer, or other disposition of all or any substantial portion of the business or loan portfolio of such Lender. Upon such execution, delivery and acceptance, from and after the effective date specified in each Assignment and Acceptance and recordation on the Register, which effective date shall be at least three (3) Business Days after the delivery thereof to the Collateral Agent (or such shorter period as shall be agreed to by the Collateral Agent and the parties to such assignment), (A) the assignee thereunder shall become a "Lender" hereunder and, in addition to the rights and obligations hereunder held by it immediately prior to such effective date, have the rights and obligations hereunder that have been assigned to it pursuant to such Assignment and Acceptance and (B) the assigning Lender thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto). Notwithstanding anything to the contrary contained in this Section 12.07(b), a Lender (including, for the avoidance of doubt, an Affiliated Lender) may assign any or all of its rights under the Loan Documents to an Affiliate of such Lender or a Related Fund of such Lender without delivering an Assignment and Acceptance to the Agents or to any other Person (a "Related Party Assignment"); provided, however, that (I) the Borrowers and the Administrative Agent may continue to deal solely and directly with such assigning Lender until an Assignment and Acceptance has been delivered to the Administrative Agent for recordation on the Register, (II) the Collateral Agent may continue to deal solely and directly with such assigning Lender until receipt by the Collateral Agent of a copy of the fully executed Assignment and Acceptance pursuant to Section 12.07(e), (III) the failure of such assigning Lender to deliver an Assignment and Acceptance to the Agents shall not affect the legality, validity, or binding effect of such assignment, and (IV) an Assignment and Acceptance between the assigning Lender and an Affiliate of such Lender or a Related Fund of such Lender shall be effective as of the date specified in such Assignment and Acceptance and recordation on the Related Party Register referred to in the last sentence of Section 12.07(d) below. Notwithstanding the foregoing or anything to the contrary set forth herein, no assignment shall be made at any time to any Defaulting Lender or any of its Subsidiaries or Affiliates, or any Person who, upon becoming a Lender would constitute a Defaulting Lender.

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, the assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or any other Loan Document or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other Loan Document furnished pursuant hereto; (ii) the assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Loan Party or any of its Subsidiaries or the performance or observance by any Loan Party of any of its obligations under this Agreement or any other Loan Document furnished pursuant hereto; (iii) such assignee confirms that it has received a copy of this Agreement and the other Loan Documents, together with such other documents and information it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon the assigning Lender, any Agent or any Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement and the other Loan Documents; (v) such assignee appoints and authorizes the Agents to take such action as agents on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to the Agents by the terms hereof and thereof, together with such powers as are reasonably incidental hereto and thereto; and (vi) such assignee agrees that it will perform in accordance with their terms all of the obligations which by the terms of this Agreement and the other Loan Documents are required to be performed by it as a Lender.

(d) The Administrative Agent shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain, or cause to be maintained at the Payment Office, a copy of each Assignment and Acceptance delivered to and accepted by it and a register (the "Register") for the recordation of the names and addresses of the Lenders and the Commitments of, and the principal amount of the Loans (and stated interest thereon) (the "Registered Loans") owing to each Lender from time to time. Subject to the second to last sentence of this Section 12.07(d), the entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrowers, the Agents and the Lenders shall treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Administrative Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice. In the case of an assignment pursuant to the last sentence of Section 12.07(b) as to which an Assignment and Acceptance is not delivered to the Administrative Agent, the assigning Lender shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain, or cause to be maintained, a register (the "Related Party Register") comparable to the Register on behalf of the Borrowers. The Related Party Register shall be available for inspection by the Borrowers and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(e) Upon receipt by the Administrative Agent of a completed Assignment and Acceptance, and subject to any consent required from the Administrative Agent or the Collateral Agent pursuant to Section 12.07(b) (which consent of the Collateral Agent must be evidenced by the Collateral Agent's execution of an acceptance to such Assignment and Acceptance), the Administrative Agent shall accept such assignment, record the information contained therein in the Register and provide to the Collateral Agent a copy of the fully executed Assignment and Acceptance.

(f) A Registered Loan (and the registered note, if any, evidencing the same) may be assigned or sold in whole or in part only by registration of such assignment or sale on the Register or the Related Party Register (and each registered note shall expressly so provide). Any assignment or sale of all or part of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by registration of such assignment or sale on the Register or the Related Party Register, together with the surrender of the registered note, if any, evidencing the same duly endorsed by (or accompanied by a written instrument of assignment or sale duly executed by) the holder of such registered note, whereupon, at the request of the designated assignee(s) or transferee(s), one or more new registered notes in the same aggregate principal amount shall be issued to the designated assignee(s) or transferee(s). Prior to the registration of assignment or sale of any Registered Loan (and the registered note, if any, evidencing the same), the Agents shall treat the Person in whose name such Registered Loan (and the registered note, if any, evidencing the same) is registered on the Register as the owner thereof for the purpose of receiving all payments thereon, notwithstanding notice to the contrary.

(g) In the event that any Lender sells participations in a Registered Loan, such Lender shall, acting for this purpose as a non-fiduciary agent on behalf of the Borrowers, maintain, or cause to be maintained, a register, on which it enters the name of all participants in the Registered Loans held by it and the principal amount (and stated interest thereon) of the portion of the Registered Loan that is the subject of the participation (the "Participant Register"). A Registered Loan (and the registered note, if any, evidencing the same) may be participated in whole or in part only by registration of such participation on the Participant Register (and each registered note shall expressly so provide). Any participation of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by the registration of such participation on the Participant Register. The Participant Register shall be available for inspection by the Administrative Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(h) Any Non-U.S. Lender who purchases or is assigned or participates in any portion of such Registered Loan shall comply with Section 2.08(d).

(i) Each Lender may sell participations to (x) one or more Eligible Transferees and (y) if an Event of Default under Sections 9.01(a), (f) or (g) has occurred and is continuing, one or more Ineligible Institutions, in each case, in or to all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including, without limitation, all or a portion of its Commitments and the Loans made by it); provided, that (i) such Lender's obligations under this Agreement (including without limitation, its Commitments hereunder) and the other Loan Documents shall remain unchanged and that any such participant shall not be entitled to receive any greater payment or benefit hereunder than such Lender would have been entitled to receive with respect to the participation sold to such participant unless the sale of such participation is made with the Administrative Borrower's prior written consent; (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and the Borrowers, the Agents and the other Lenders shall continue to deal

solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and the other Loan Documents; and (iii) a participant shall not be entitled to require such Lender to take or omit to take any action hereunder except (A) action directly effecting an extension of the maturity dates or decrease in the principal amount of the Loans, (B) action directly effecting an extension of the due dates or a decrease in the rate of interest payable on the Loans or the fees payable under this Agreement, or (C) actions directly effecting a release of all or a substantial portion of the Collateral or any Loan Party (except as set forth in Section 10.08 of this Agreement or any other Loan Document). The Loan Parties agree that each participant shall be entitled to the benefits of Section 2.08, subject to the obligations and limitations set forth thereunder; provided that the Administrative Borrower shall be notified of such participation and such participant shall agree, for the benefit of the Borrowers, to comply with Section 2.08(d) of this Agreement with respect to its participation in any portion of the Commitments and the Loans as if it was a Lender.

(j) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or loans made to, or other indebtedness issued by, such Lender pursuant to a securitization transaction (including any structured warehouse credit facility, collateralized loan obligation transaction or similar facility or transaction, and including any further securitization of the indebtedness or equity issued under such a transaction) (a "Securitization"); provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto. The Loan Parties shall cooperate with such Lender and its Affiliates to effect a Securitization, including, without limitation, by providing such information as may be reasonably requested by such Lender in connection with the rating of its Loans or any Securitization.

Section 12.08 Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Agreement by electronic mail shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party may request in writing that parties delivering an executed counterpart of this Agreement by electronic mail also deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement. The foregoing shall apply to each other Loan Document *mutatis mutandis*.

Section 12.09 GOVERNING LAW. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (UNLESS EXPRESSLY PROVIDED TO THE CONTRARY IN ANOTHER LOAN DOCUMENT IN RESPECT OF SUCH OTHER LOAN DOCUMENT) SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN THE STATE OF NEW YORK.

Section 12.10 CONSENT TO JURISDICTION; SERVICE OF PROCESS AND VENUE. ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS

AGREEMENT OR ANY OTHER LOAN DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK IN THE COUNTY OF NEW YORK OR OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY HEREBY IRREVOCABLY ACCEPTS IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS. EACH LOAN PARTY HEREBY IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS AND IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO THE ADMINISTRATIVE BORROWER AT ITS ADDRESS FOR NOTICES AS SET FORTH IN SECTION 12.01 AND TO THE SECRETARY OF STATE OF THE STATE OF NEW YORK, SUCH SERVICE TO BECOME EFFECTIVE TEN (10) DAYS AFTER SUCH MAILING. THE LOAN PARTIES AGREE THAT A FINAL NON-APPEALABLE JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE AGENTS AND THE LENDERS TO SERVICE OF PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST ANY LOAN PARTY IN ANY OTHER JURISDICTION. EACH LOAN PARTY, EACH AGENT AND THE LENDERS HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE JURISDICTION OR LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN ANY SUCH COURT REFERRED TO ABOVE AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. TO THE EXTENT THAT ANY LOAN PARTY HAS OR HEREAFTER MAY ACQUIRE ANY IMMUNITY FROM JURISDICTION OF ANY COURT OR FROM ANY LEGAL PROCESS (WHETHER THROUGH SERVICE OR NOTICE, ATTACHMENT PRIOR TO JUDGMENT, ATTACHMENT IN AID OF EXECUTION OR OTHERWISE) WITH RESPECT TO ITSELF OR ITS PROPERTY, EACH LOAN PARTY, EACH AGENT AND THE LENDERS HEREBY IRREVOCABLY WAIVES SUCH IMMUNITY IN RESPECT OF ITS OBLIGATIONS UNDER THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS.

Section 12.11 WAIVER OF JURY TRIAL, ETC. EACH LOAN PARTY, EACH AGENT AND EACH LENDER HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM CONCERNING ANY RIGHTS UNDER THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS, OR UNDER ANY AMENDMENT, WAIVER, CONSENT, INSTRUMENT, DOCUMENT OR OTHER AGREEMENT DELIVERED OR WHICH IN THE FUTURE MAY BE DELIVERED IN CONNECTION THEREWITH, OR ARISING FROM ANY FINANCING RELATIONSHIP EXISTING IN CONNECTION WITH THIS AGREEMENT, AND AGREES THAT ANY SUCH ACTION, PROCEEDINGS OR COUNTERCLAIM SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. EACH LOAN PARTY CERTIFIES THAT NO OFFICER, REPRESENTATIVE, AGENT OR ATTORNEY OF ANY AGENT OR ANY LENDER HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT ANY AGENT OR ANY LENDER WOULD NOT, IN THE EVENT OF ANY ACTION, PROCEEDING OR

COUNTERCLAIM, SEEK TO ENFORCE THE FOREGOING WAIVERS. EACH LOAN PARTY HEREBY ACKNOWLEDGES THAT THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE AGENTS AND THE LENDERS ENTERING INTO THIS AGREEMENT.

Section 12.12 Consent by the Agents and Lenders. Except as otherwise expressly set forth herein to the contrary or in any other Loan Document, if the consent, approval, satisfaction, determination, judgment, acceptance or similar action (an "Action") of any Agent or any Lender shall be permitted or required pursuant to any provision hereof or any provision of any other agreement to which any Loan Party is a party and to which any Agent or any Lender has succeeded thereto, such Action shall be required to be in writing and may be withheld or denied by such Agent or such Lender (other than an Affiliated Lender), in its reasonable discretion, with or without any reason.

Section 12.13 No Party Deemed Drafter. Each of the parties hereto agrees that no party hereto shall be deemed to be the drafter of this Agreement.

Section 12.14 Reinstatement; Certain Payments. If any claim is ever made upon any Agent or any Lender for repayment or recovery of any amount or amounts received by such Agent or such Lender in payment or on account of any of the Obligations, such Agent or such Lender shall give prompt notice of such claim to each other Agent and Lender and the Administrative Borrower, and if such Agent or such Lender repays all or part of such amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such Agent or such Lender or any of its property, or (ii) any good faith settlement or compromise of any such claim effected by such Agent or such Lender with any such claimant, then and in such event each Loan Party agrees that (A) any such judgment, decree, order, settlement or compromise shall be binding upon it notwithstanding the cancellation of any Indebtedness hereunder or under the other Loan Documents or the termination of this Agreement or the other Loan Documents, and (B) it shall be and remain liable to such Agent or such Lender hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by such Agent or such Lender.

Section 12.15 Indemnification.

(a) General Indemnity. In addition to each Loan Party's other Obligations under this Agreement, each Loan Party agrees to, jointly and severally, defend, protect, indemnify and hold harmless each Agent and each Lender and all of their respective Related Parties (collectively called the "Indemnitees") from and against any and all losses, damages, liabilities, obligations, penalties, fees, reasonable and documentedout-of-pocket costs and expenses (including, without limitation, reasonable and documented out-of-pocket costs and expenses of one outside counsel and one local counsel in each relevant jurisdiction) incurred by such Indemnitees (taken as a whole), whether prior to or from and after the Effective Date, whether direct, indirect or consequential, as a result of or arising from or relating to or in connection with any of the following: (i) the negotiation, preparation, execution or performance or enforcement of this Agreement, any other Loan Document or of any other document executed in connection with the transactions contemplated by this Agreement, (ii) any Agent's or any Lender's furnishing of funds to the Borrowers under this Agreement or the other Loan

Documents, including, without limitation, the management of any such Loans, (iii) any matter relating to the financing transactions contemplated by this Agreement or the other Loan Documents or by any document executed in connection with the transactions contemplated by this Agreement or the other Loan Documents, or (iv) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto (collectively, the "Indemnified Matters"); provided, however, that the Loan Parties shall not have any obligation to any Indemnitee under this subsection (a) for any Indemnified Matter (x) caused by the gross negligence or willful misconduct of such Indemnitee as determined by a finalnon- appealable judgment of a court of competent jurisdiction, or (y) arising from disputes solely among the Agents, the Lenders (other than the Affiliated Lenders) and their respective participants or (z) that has resulted from an intentional breach of such Indemnitee's obligations under this Agreement as determined by a final non-appealable judgment of a court of competent jurisdiction. This Section 12.15(a) shall not apply with respect to Taxes other than any Taxes that represent losses, damages, etc. arising from any non-Tax claim.

(b) Environmental Indemnity. Without limiting Section 12.15(a) hereof, each Loan Party agrees to, jointly and severally, defend, indemnify, and hold harmless the Indemnitees against any and all Environmental Liabilities and Costs and all other claims, demands, penalties, fines, liability (including strict liability), losses, damages, costs and expenses (including, reasonable and documented out-of-pocket fees and expenses of one outside counsel and one local counsel in each relevant jurisdiction, consultant fees and laboratory fees), arising out of (i) any Releases or threatened Releases (x) at any property presently or formerly owned or operated by any Loan Party or any Subsidiary of any Loan Party, or any predecessor in interest, or (y) of any Hazardous Materials generated and disposed of by any Loan Party or any Subsidiary of any Loan Party, or any predecessor in interest; (ii) any violations of Environmental Laws by or relating to any Loan Party; (iii) any Environmental Action relating to any Loan Party or any Subsidiary of any Loan Party, or any predecessor in interest; (iv) any personal injury (including wrongful death) or property damage (real or personal) arising out of exposure to Hazardous Materials used, handled, generated, transported or disposed by any Loan Party or any Subsidiary of any Loan Party, or any predecessor in interest; and (v) any breach of any warranty or representation regarding environmental matters made by the Loan Parties in Section 6.01(r) or the breach of any covenant made by the Loan Parties in Section 7.01(j). Notwithstanding the foregoing, the Loan Parties shall not have any obligation to any Indemnitee under this subsection (b) regarding any potential environmental matter covered hereunder which is caused by the gross negligence or willful misconduct of such Indemnitee, as determined by a final non-appealable judgment of a court of competent jurisdiction.

(c) The indemnification for all of the foregoing losses, damages, fees, costs and expenses of the Indemnitees are chargeable against the Loan Account. To the extent that the undertaking to indemnify, pay and hold harmless set forth in this Section 12.15 may be unenforceable because it is violative of any law or public policy, each Loan Party shall, jointly and severally, contribute the maximum portion which it is permitted to pay and satisfy under applicable law, to the payment and satisfaction of all Indemnified Matters incurred by the Indemnitees. The indemnities set forth in this Section 12.15 shall survive the repayment of the Obligations and discharge of any Liens granted under the Loan Documents.

Section 12.16 Administrative Borrower. Each Borrower hereby irrevocably appoints Xponential Fitness LLC as the borrowing agent and attorney-in-fact for the Borrowers (the "Administrative Borrower") which appointment shall remain in full force and effect unless and until the Agents shall have received prior written notice signed by all of the Borrowers that such appointment has been revoked and that another Borrower has been appointed Administrative Borrower. Each Borrower hereby irrevocably appoints and authorizes the Administrative Borrower (i) to provide to the Agents and receive from the Agents all notices with respect to Loans obtained for the benefit of any Borrower and all other notices and instructions under this Agreement and (ii) to take such action as the Administrative Borrower deems appropriate on its behalf to obtain Loans and to exercise such other powers as are reasonably incidental thereto to carry out the purposes of this Agreement. It is understood that the handling of the Loan Account and Collateral of the Borrowers in a combined fashion, as more fully set forth herein, is done solely as an accommodation to the Borrowers in order to utilize the collective borrowing powers of the Borrowers in the most efficient and economical manner and at their request, and that neither the Agents nor the Lenders shall incur liability to the Borrowers as a result hereof. Each of the Borrowers expects to derive benefit, directly or indirectly, from the handling of the Loan Account and the Collateral in a combined fashion since the successful operation of each Borrower is dependent on the continued successful performance of the integrated group. To induce the Agents and the Lenders to do so, and in consideration thereof, each of the Borrowers hereby jointly and severally agrees to indemnify the Indemnitees and hold the Indemnitees harmless against any and all liability, expense, loss or claim of damage or injury, made against such Indemnitee by any of the Borrowers or by any third party whosoever, arising from or incurred by reason of (a) the handling of the Loan Account and Collateral of the Borrowers as herein provided, (b) the Agents and the Lenders relying on any instructions of the Administrative Borrower, or (c) any other action taken by any Agent or any Lender hereunder or under the other Loan Documents.

Section 12.17 Records. The unpaid principal of and interest on the Loans, the interest rate or rates applicable to such unpaid principal and interest, the duration of such applicability, the Commitments, and the accrued and unpaid fees payable pursuant to Section 2.06 hereof, including, without limitation, the fees set forth in the Fee Letter and the Applicable Prepayment Premium, if any, shall at all times be ascertained from the records of the Agents, which shall be conclusive and binding absent manifest error.

Section 12.18 Binding Effect. This Agreement shall become effective when it shall have been executed by each Loan Party, each Agent and each Lender and when the conditions precedent set forth in Section 5.01 hereof have been satisfied or waived in writing by the Agents, and thereafter shall be binding upon and inure to the benefit of each Loan Party, each Agent and each Lender, and their respective successors and assigns, except that the Loan Parties shall not have the right to assign their rights hereunder or any interest herein without the prior written consent of each Agent and each Lender, and any assignment by any Lender shall be governed by Section 12.07 hereof.

Section 12.19 Interest. It is the intention of the parties hereto that each Agent and each Lender shall conform strictly to usury laws applicable to it. Accordingly, if the transactions contemplated hereby or by any other Loan Document would be usurious as to any Agent or any Lender under laws applicable to it (including the laws of the United States of

America and the State of New York or any other jurisdiction whose laws may be mandatorily applicable to such Agent or such Lender notwithstanding the other provisions of this Agreement), then, in that event, notwithstanding anything to the contrary in this Agreement or any other Loan Document or any agreement entered into in connection with or as security for the Obligations, it is agreed as follows: (i) the aggregate of all consideration which constitutes interest under law applicable to any Agent or any Lender that is contracted for, taken, reserved, charged or received by such Agent or such Lender under this Agreement or any other Loan Document or agreements or otherwise in connection with the Obligations shall under no circumstances exceed the maximum amount allowed by such applicable law, any excess shall be canceled automatically and if theretofore paid shall be credited by such Agent or such Lender on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by such Agent or such Lender, as applicable, to the Borrowers); and (ii) in the event that the maturity of the Obligations is accelerated by reason of any Event of Default under this Agreement or otherwise, or in the event of any required or permitted prepayment, then such consideration that constitutes interest under law applicable to any Agent or any Lender may never include more than the maximum amount allowed by such applicable law, and excess interest, if any, provided for in this Agreement or otherwise shall be canceled automatically by such Agent or such Lender, as applicable, as of the date of such acceleration or prepayment and, if theretofore paid, shall be credited by such Agent or such Lender, as applicable, on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by such Agent or such Lender to the Borrowers). All sums paid or agreed to be paid to any Agent or any Lender for the use, forbearance or detention of sums due hereunder shall, to the extent permitted by law applicable to such Agent or such Lender, be amortized, prorated, allocated and spread throughout the full term of the Loans until payment in full so that the rate or amount of interest on account of any Loans hereunder does not exceed the maximum amount allowed by such applicable law. If at any time and from time to time (x) the amount of interest payable to any Agent or any Lender on any date shall be computed at the Highest Lawful Rate applicable to such Agent or such Lender pursuant to this Section 12.19 and (y) in respect of any subsequent interest computation period the amount of interest otherwise payable to such Agent or such Lender would be less than the amount of interest payable to such Agent or such Lender computed at the Highest Lawful Rate applicable to such Agent or such Lender, then the amount of interest payable to such Agent or such Lender in respect of such subsequent interest computation period shall continue to be computed at the Highest Lawful Rate applicable to such Agent or such Lender until the total amount of interest payable to such Agent or such Lender shall equal the total amount of interest which would have been payable to such Agent or such Lender if the total amount of interest had been computed without giving effect to this Section 12.19.

For purposes of this Section 12.19, the term “applicable law” shall mean that law in effect from time to time and applicable to the loan transaction between the Borrowers, on the one hand, and the Agents and the Lenders, on the other, that lawfully permits the charging and collection of the highest permissible, lawful non-usurious rate of interest on such loan transaction and this Agreement, including laws of the State of New York and, to the extent controlling, laws of the United States of America.

The right to accelerate the maturity of the Obligations does not include the right to accelerate any interest that has not accrued as of the date of acceleration.

Section 12.20 Confidentiality. Each Agent and each Lender agrees (on behalf of itself and each of its Related Parties) to use reasonable precautions to keep confidential, in accordance with its customary procedures for handling confidential information of this nature and in accordance with safe and sound practices of comparable commercial finance companies, any non-public information supplied to it by the Loan Parties pursuant to this Agreement or the other Loan Documents which is identified in writing by the Loan Parties as being confidential at the time the same is delivered to such Person (and which at the time is not, and does not thereafter become, publicly available or available to such Person from another source not known to be subject to a confidentiality obligation to such Person not to disclose such information), provided that nothing herein shall limit the disclosure by any Agent or any Lender of any such information (i) to its Affiliates, its Related Parties or the Related Parties of any Person described in clause (ii) or (iii) below) (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential in accordance with this Section 12.20 or is subject to other customary confidentiality obligations); (ii) to any other party hereto; (iii) to any assignee or participant (or prospective assignee or participant) or any party to a Securitization so long as such assignee or participant (or prospective assignee or participant) or party to a Securitization agrees, in writing, to be bound by or is otherwise subject to customary confidentiality obligations (including, without limitation, confidentiality provisions similar in substance to this Section 12.20); (iv) to the extent required by any Requirement of Law or judicial process or as otherwise requested by any Governmental Authority having jurisdiction over such Person; (v) (x) to the National Association of Insurance Commissioners or any similar organization, any examiner, auditor or accountant or any nationally recognized rating agency or (y) otherwise to the extent consisting of general portfolio information that does not identify Loan Parties; provided, unless specifically prohibited by applicable law or court order, each Agent and each Lender shall make reasonable efforts to notify the Borrower of any request by any Governmental Authority or representative thereof; (vi) in connection with any litigation to which any Agent or any Lender is a party; (vii) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, in each case, solely to the extent necessary in connection therewith; or (viii) with the consent of the Administrative Borrower. In addition, the Agents and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to any Agent or any Lender in connection with the administration of this Agreement, the other Loan Documents and the Commitments.

Section 12.21 Public Disclosure. Each Loan Party agrees that neither it nor any of its Affiliates will now or in the future issue any press release or other public disclosure using the name of an Agent, any Lender or any of their respective Affiliates or referring to this Agreement or any other Loan Document without the prior written consent of such Agent or such Lender, except to the extent that such Loan Party or such Affiliate is required by any Requirement of Law (in which event, such Loan Party or such Affiliate will consult with such Agent or such Lender before issuing such press release or other public disclosure; provided, that any failure of such Loan party or such Affiliate to consult with such Agent or such Lender shall

not result in an Event of Default hereunder). Notwithstanding the foregoing or anything contained herein to the contrary, the Parent or any parent company of the Parent may include a summary of this Agreement or any other Loan Document in, and file copies thereof as exhibits to, any registration statement that it submits or files under the Securities Act of 1933, as amended, or filings it makes or furnishes under the Exchange Act. Each Loan Party hereby authorizes each Agent and each Lender, after consultation with the Borrowers, to advertise the closing of the transactions contemplated by this Agreement, and to make reasonably appropriate announcements of the financial arrangements entered into among the parties hereto, as such Agent or such Lender shall deem reasonably appropriate, including, without limitation, announcements commonly known as tombstones, in such trade publications, business journals, newspapers of general circulation and to such selected parties as such Agent or such Lender shall deem reasonably appropriate.

Section 12.22 Integration. This Agreement, together with the other Loan Documents, reflects the entire understanding of the parties with respect to the transactions contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof.

Section 12.23 USA PATRIOT Act. Each Lender that is subject to the requirements of the USA PATRIOT Act hereby notifies the Borrowers that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the entities composing the Borrowers, which information includes the name and address of each such entity and other information that will allow such Lender to identify the entities composing the Borrowers in accordance with the USA PATRIOT Act. Each Loan Party agrees to take such action and execute, acknowledge and deliver at its sole cost and expense, such instruments and documents as any Lender may reasonably require from time to time in order to enable such Lender to comply with the USA PATRIOT Act.

Section 12.24 Keepwell. Each Loan Party, if it is a Qualified ECP Loan Party, then jointly and severally, together with each other Qualified ECP Loan Party, hereby absolutely unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by any Non-Qualifying Party to honor all of suchNon-Qualifying Party's obligations under this Agreement or any other Loan Document in respect of Swap Obligations (provided, however, that each Qualified ECP Loan Party shall only be liable under this Section 12.24 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 12.24, or otherwise under this Agreement or any other Loan Document, voidable under applicable law, including applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Loan Party under this Section 12.24 shall remain in full force and effect until payment in full of the Obligations and termination of this Agreement and the other Loan Documents. (iii) [Intentionally Omitted].

(iv) Prepayment In Full. The Borrowers may, upon at least five (5) Business Days prior written notice to the Administrative Agent, terminate this Agreement on the Business Day specified in such written notice by paying to the Administrative Agent, in cash, the Obligations (excluding any unasserted contingent indemnification Obligations), in full, plus the Applicable Prepayment Premium, if any, payable in connection with such termination of this Agreement. If the Administrative Borrower has sent a notice of termination pursuant to this clause (iv), then the Lenders' obligations to extend credit hereunder shall terminate and the Borrowers shall be obligated to repay the Obligations (excluding any unasserted contingent indemnification Obligations) in full, plus the Applicable Prepayment Premium, if any, payable in connection with such termination of this Agreement on the date set forth as the date of termination of this Agreement in such notice (except that such termination may be conditioned on the closing of a replacement financing facility).

(c) Mandatory Prepayment.

(i) [Reserved].

(ii) [Intentionally Omitted].

(iii) [Intentionally Omitted].

(iv) Within five (5) Business Days of delivery to the Agents and the Lenders of annual financial statements pursuant to Section 7.01(a)(ii), commencing with the delivery to the Agents and the Lenders of the financial statements for the Fiscal Year ended on December 31, 2022 (or, if such financial statements are not delivered to the Agents on the date such statements are required to be delivered pursuant to Section 7.01(a)(ii), five (5) Business Days after the date such statements are required to be delivered to the Agents pursuant toSection 7.01(a)(ii)), the Borrowers shall prepay the outstanding principal amount of the Loans in accordance with clause (d) below in an amount equal to the result (if positive) of (1) 50% of the Excess Cash Flow of the Parent and its Subsidiaries for such Fiscal Year, *minus* (2) the amount of any voluntary prepayments of the Term Loans made during such Fiscal Year.

(v) Subject to clause (viii) below, within five (5) Business Days following any Permitted Disposition (other than a Disposition pursuant to clauses (b), (c), (d), (f), (g), (h), (i), (j) and (k) of the definition of "Permitted Disposition") by any Loan Party or its Subsidiaries pursuant to Section 7.02(c)(ii), the Borrowers shall prepay the outstanding principal amount of the Loans in accordance with clause (d) below in an amount equal to 100% of the Net Cash Proceeds received by such Person in connection with such Permitted Disposition to the extent that the aggregate amount of Net Cash Proceeds received by all Loan Parties and their Subsidiaries (and not paid to the Administrative Agent as a prepayment of the Loans) shall exceed for all such Permitted Dispositions $500,000 in any Fiscal Year. Nothing contained in this subsection (v) shall permit any Loan Party or any of its Subsidiaries to make a Disposition of any property other than in accordance with Section 7.02(c)(ii).

(vi) Upon the issuance or incurrence by any Loan Party or any of its Subsidiaries of any Indebtedness (other than Permitted Indebtedness), the Borrowers shall prepay the outstanding amount of the Loans in accordance with clause (d) below in an amount equal to 100% of the Net Cash Proceeds received by such Person in connection therewith. The provisions of this subsection (vi) shall not be deemed to be implied consent to any such issuance, incurrence or sale otherwise prohibited by the terms and conditions of this Agreement.

(vii) Subject to clause (viii) below, within two (2) Business Days of the receipt by any Loan Party or any of its Subsidiaries of any Extraordinary Receipts, the Borrowers shall prepay the outstanding principal of the Loans in accordance with clause (d) below an amount equal to 100% of such Extraordinary Receipts net of any reasonable expenses incurred in collecting such Extraordinary Receipts to the extent that the aggregate amount thereof received by all Loan Parties and their Subsidiaries (and not paid to the Administrative Agent as a prepayment of the Loans) shall exceed $750,000 in any Fiscal Year.

(viii) Notwithstanding the foregoing, with respect to Net Cash Proceeds received by any Loan Party or any of its Subsidiaries in connection with a Permitted Disposition or the receipt of Extraordinary Receipts consisting of insurance proceeds or condemnation awards that are required to be used to prepay the Obligations pursuant to Section 2.05(c)(v) or Section 2.05(c)(vii), as the case may be, up to $1,000,000 in the aggregate in any Fiscal Year of the Net Cash Proceeds from all such Permitted Dispositions and Extraordinary Receipts shall not be required to be so used to prepay the Obligations to the extent that such Net Cash Proceeds and Extraordinary Receipts are used to acquire, replace, repair or restore properties or assets used in the Parent's and its Subsidiaries' business, provided that, (A) no Event of Default has occurred and is continuing on the date such Person receives such Net Cash Proceeds or Extraordinary Receipts, (B) the Administrative Borrower delivers a certificate to the Administrative Agent within 30 days after the receipt of such Net Cash Proceeds or Extraordinary Receipts resulting from such Disposition or loss, destruction or taking, as the case may be, stating that such Net Cash Proceeds or Extraordinary Receipts shall be used to acquire, replace, repair or restore properties or assets used in such Person's business within a period specified in such certificate not to exceed two hundred and seventy (270) days after the date of receipt of such Net Cash Proceeds or Extraordinary Receipts (which certificate shall set forth estimates of the Net Cash Proceeds or Extraordinary Receipts to be so expended), (C) such Net Cash Proceeds or Extraordinary Receipts are deposited in an account of a Loan Party listed on Schedule 6.01(v) and (D) upon the earlier of (1) the expiration of the period specified in the relevant certificate furnished to the Administrative Agent pursuant to clause (B) above or (2) the occurrence of an Event of Default, such Net Cash Proceeds or Extraordinary Receipts, if not theretofore so used, shall be used to prepay the Obligations in accordance with Section 2.05(c)(v) or Section 2.05(c)(vii) as applicable.

(ix) Within three (3) Business Days after receipt by the Borrowers of the proceeds of any Permitted Cure Equity pursuant to Section 9.02 in respect of any noncompliance with the financial covenants set forth inSection 7.03, the Borrowers shall prepay the outstanding principal amount of the Loans in accordance with Section 2.05(d) in an amount equal to 100% of such proceeds.

(x) Within one (1) Business Day after any initial public offering where the Borrowers, or any direct or indirect parent of the Borrowers, receive net proceeds of at least $200,000,000 (for the avoidance of doubt, such proceeds shall be net of any related fees and expenses) the Borrowers shall prepay the Term Loans (or offer to prepay the Term Loans at par) in an amount equal to the amount of such proceeds remaining after giving effect to the repurchase of the Catterton Preferred Equity; provided that, in no event shall the prepayments required to be made pursuant to this Section 2.05(c)(x), exceed $60,000,000 in the aggregate.

(d) Application of Payments. Each prepayment pursuant to subsections (c)(iv), (c)(v), (c)(vi), (c)(vii), (c)(ix) and (c)(x) above shall be applied to the Term Loans, until paid in full. Prepayments of the Term Loans shall be applied against the remaining installments of principal of the Term Loans (including the final payment of the Term Loans on the Final Maturity Date) in the inverse order of maturity.

(e) Interest and Fees. Any prepayment made pursuant to this Section 2.05 shall be accompanied by (i) accrued interest on the principal amount being prepaid to the date of prepayment, (ii) any Funding Losses (if any) payable pursuant to Section 2.09(e) and (iii) other than in the case of prepayments made pursuant to Sections 2.05(c)(iv), (v), (vii) and (ix), the Applicable Prepayment Premium, if any, shall be payable in connection with such voluntary or mandatory prepayment of the Loans.

(f) Cumulative Prepayments. Payments with respect to any subsection of this Section 2.05 are without duplication of payments made or required to be made under any other subsection of this Section 2.05.

(g) Notice of Mandatory Prepayments. The Administrative Borrower shall notify the Administrative Agent in writing of any event giving rise to a prepayment under this Section 2.05(c) at least four Business Days prior to the date of such prepayment, and each such notice shall specify the date of such prepayment, provide a reasonably detailed calculation of the amount of such prepayment and contain the amount of the Applicable Prepayment Premium (if any) applicable thereto. The Administrative Agent will promptly notify each Lender of the contents of any such prepayment notice so received from the Administrative Borrower, including the date on which such prepayment is to be made.

Section 2.06 Fees.

(a) Upfront Fee/OID. On the Effective Date, the Borrowers shall pay, or cause to be paid, to the Initial Term Lenders, an upfront fee (the "Initial Term Loan Upfront Fee") in an amount equal to 2.00% of the aggregate principal amount of the Initial Term Loans actually funded by the Initial Term Loan Lenders on the Closing Date; provided, that, at the option of each Initial Term Lenders, such Initial Term Loan Upfront Fee shall be taken in the form of an equivalent amount of original issue discount in respect of the aggregate principal amount of Initial Term Loans made by such Initial Term Lender on the Effective Date; provided, further that the parties hereto agree to treat the Initial Term Loan Upfront Fee as original issue discount for U.S. federal (and all applicable state and local) income tax purposes.

(b) Applicable Prepayment Premium. Notwithstanding anything herein to the contrary, to the extent required pursuant to Section 2.05(e) or in the event of the termination of this Agreement and repayment of the Obligations at any time prior to the Final Maturity Date, for any reason, including (i) termination upon the election of the Required Lenders to terminate after the occurrence and during the continuation of an Event of Default (or, in the case of the occurrence of any Event of Default described in Section 9.01(f) or Section 9.01(g) with respect to any Loan Party, automatically upon the occurrence thereof), (ii) foreclosure and sale of Collateral, (iii) sale of the Collateral in any Insolvency Proceeding, or (iv) restructuring, reorganization, or compromise of the Obligations by the confirmation of a plan of reorganization or any other plan of compromise, restructuring, or arrangement in any Insolvency Proceeding, then, in view of the impracticability and extreme difficulty of ascertaining the actual amount of damages to the Agents and the Lenders or profits lost by the Agents and the Lenders as a result of such early termination, and by mutual agreement of the parties as to a reasonable estimation and calculation of the lost profits or damages of the Agents and the Lenders, the Borrowers shall pay to the Administrative Agent, for the ratable account of the Term Lenders, the Applicable Prepayment Premium, if any, measured as of the date of such termination. The Loan Parties expressly agree that: (A) the Applicable Prepayment Premium is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel; (B) the Applicable Prepayment Premium shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between the Lenders and the Loan Parties giving specific consideration in this transaction for such agreement to pay the Applicable Prepayment Premium; (D) the Loan Parties' agreement to pay the Applicable Prepayment Premium is a material inducement to Lenders to provide the Commitments and make the Loans; and (E) the Applicable Prepayment Premium represents a good faith, reasonable estimate and calculation of the lost profits or damages of the Agents and the Lenders and that it would be impractical and extremely difficult to ascertain the actual amount of damages to the Agents and the Lenders or profits lost by the Agents and the Lenders as a result of such acceleration. No Applicable Prepayment Premium shall be due and owing in connection with the first $60,000,000 of Term Loans prepaid (including for the avoidance of doubt, prepayments made pursuant to Section 2.05(c)(x)) with the proceeds of an initial public offering of Equity Interests of the Parent or any direct or indirect parent company of the Parent.

(c) [Reserved].

(d) Agent Fee Letter The Borrowers shall pay to the Administrative Agent and the Collateral Agent, for their own account, the fees set forth in the Agent Fee Letter in the amounts and at the times specified therein.

Section 2.07 [Intentionally Omitted].

Section 2.08 Taxes (a) Except as otherwise required by applicable law, any and all payments by any Loan Party hereunder or under any other Loan Document shall be made free and clear of and without deduction for any and all Taxes. If any Loan Party or the Administrative Agent shall be required to deduct any Taxes from or in respect of any sum payable hereunder to any Agent or any Lender (or any Transferee), (i) if such Tax is an Indemnified Tax, the sum payable by the applicable Loan Party shall be increased by the amount

(an "Additional Amount") necessary so that after making all such deductions (including deductions applicable to additional sums payable under this Section 2.08) such Agent or such Lender (or such Transferee) shall receive an amount equal to the sum it would have received had no such deductions been made, (ii) such Loan Party or the Administrative Agent shall make such deductions and (iii) such Loan Party or the Administrative Agent shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law. For purposes of this Section 2.08, the term "applicable law" includes FATCA.

(b) In addition, each Loan Party agrees to pay to the relevant Governmental Authority in accordance with applicable law any present or future stamp or documentary taxes or any recording, intangible or similar taxes, charges or levies that arise from any payment made hereunder or from the execution, delivery or registration of, or otherwise with respect to, this Agreement or any other Loan Document, except any such Taxes that are Other Connection Taxes imposed with respect to an assignment (other than an assignment made pursuant to Section 12.02(b)) ("Other Taxes"). Each Loan Party shall deliver to the Administrative Agent official receipts or certified copies thereof (or other reasonable evidence of payment) in respect of any Taxes or Other Taxes payable hereunder promptly after payment of such Taxes or Other Taxes.

(c) The Loan Parties hereby jointly and severally indemnify and agree to hold each Agent and each Lender harmless from and against any Indemnified Taxes (including, without limitation, Indemnified Taxes imposed on any amounts payable under this Section 2.08) payable or paid by such Person, whether or not such Indemnified Taxes were correctly or legally asserted by the relevant Governmental Authority. Such indemnification shall be paid within ten (10) days from the date on which any such Person makes written demand therefor specifying in reasonable detail the nature and amount of such Indemnified Taxes.

(d)

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and delivery of such documentation (other than such documentation set forth in (d)(ii) and (d)(iii) below) by any Lender shall not be required if in such Lender's reasonable judgment, such completion, execution or delivery would subject such Lender to any material unreimbursed cost or would materially prejudice the legal or commercial position of such Lender.

(ii) Each Lender (or Transferee) that is organized under the laws of a jurisdiction outside the United States (a "Non-U.S. Lender") agrees that it shall, no later than the Effective Date (or, in the case of a Lender (or Transferee) which becomes a party hereto pursuant to Section 12.07 hereof after the Effective Date, promptly after the date upon which such Lender (or Transferee) becomes a party hereto) deliver to the Agents (and the Administrative Agent shall deliver a copy to the Administrative Borrower) (or, in the case of a participant, to the Lender granting the participation only) one properly completed and duly executed copy of either U.S. Internal Revenue Service Form W-8BEN, W-8BEN-E, W-8ECI or W-8IMY or any subsequent versions thereof or successors thereto, in each case claiming complete exemption from, or reduced rate of, U.S. Federal withholding tax on payments of interest hereunder. In addition, in the case of a Non-U.S. Lender claiming exemption from U.S. Federal withholding tax under Section 871(h) or 881(c) of the Internal Revenue Code, such Non- U.S. Lender hereby represents to the Agents and the Borrowers, and shall provide a properly completed an duly executed copy of a certificate substantially in the form of Exhibit G (any such certificate, a "U.S. Tax Compliance Certificate"), to the effect that such Non-U.S. Lender is not a bank for purposes of Section 881(c) of the Internal Revenue Code, is not a10-percent shareholder (within the meaning of Section 871(h)(3)(B) of the Internal Revenue Code) of the Parent and is not a controlled foreign corporation related to the Parent (within the meaning of Section 881(c)(3)(C) of the Internal Revenue Code), and such Non-U.S. Lender agrees that it shall promptly notify the Agents in the event any such representation is no longer accurate. Such forms shall be delivered by each Non-U.S. Lender on or before the date it becomes a party to this Agreement (or, in the case of a Transferee that is a participation holder, on or before the date such participation holder becomes a Transferee hereunder) and on or before the date, if any, such Non-U.S. Lender changes its applicable lending office by designating a different lending office (a "New Lending Office"). In addition, such Non-U.S. Lender shall deliver such forms within twenty (20) days after receipt of a written request therefor from any Agent (who may be acting pursuant to a request by the Administrative Borrower), the assigning Lender or the Lender granting a participation, as applicable. Each Non-U.S. Lender shall deliver such forms promptly upon the obsolescence, expiration or invalidity of any form previously delivered by such Non- U.S. Lender. Notwithstanding any other provision of this Section 2.08, a Non-U.S. Lender shall not be required to deliver any form pursuant to this Section 2.08(d) that such Non-U.S. Lender is not legally able to deliver. If a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender failed to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent (A) a certification signed by the chief financial officer, principal accounting officer, treasurer or controller and (B) other documentation reasonably requested by the Borrower and the Administrative Agent sufficient for the Administrative Agent and the Borrower to comply with their obligations under FATCA and to determine that such Lender has complied with such applicable reporting requirements or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (d), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iii) Any Lender (or Transferee) that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or Agents), executed copies of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding.

(e) The Loan Parties shall not be required to indemnify anyNon-U.S. Lender, or pay any Additional Amounts to any Non-U.S. Lender, in respect of any withholding tax pursuant to this Section 2.08 to the extent that (i) the obligation to withhold such amounts existed on the date such Non-U.S. Lender became a party to this Agreement (or, in the case of a Transferee that is a participation holder, on the date such participation holder became a Transferee hereunder) or, with respect to payments to a New Lending Office, the date such Non- U.S. Lender designated such New Lending Office with respect to a Loan; provided, however, that this clause (i) shall not apply to the extent the indemnity payment or Additional Amounts any Transferee, or Lender (or Transferee) through a New Lending Office, would be entitled to receive (without regard to this clause (i)) do not exceed the indemnity payment or Additional Amounts that the Person making the assignment, participation or transfer to such Transferee, or Lender (or Transferee) making the designation of such New Lending Office, would have been entitled to receive in the absence of such assignment, participation, transfer or designation, or (ii) the obligation to pay such Additional Amounts would not have arisen but for a failure by such Non-U.S. Lender to comply with the provisions of clause (d) above.

(f) The Administrative Agent shall deliver to the Borrower two executed copies of whichever of the following is applicable:

(i) if the Administrative Agent is a U.S. Person, Internal Revenue Service FormW-9 certifying to such Administrative Agent's exemption from U.S. federal backup withholding; or

(ii) if the Administrative Agent is not a U.S. Person,

(A) Internal Revenue Service FormW-8ECI with respect to payments received for its own account; and

(B) Internal Revenue Service FormW-8IMY with respect to any amounts payable to the Administrative Agent for the account of others, certifying that it is a U.S. branch of a foreign bank or insurance company described in Treasury Regulations Section 1.1441-1(b)(2)(iv)(A) that is a participating FFI (including a reporting Model 2 FFI), registered deemed-compliant FFI (including a reporting Model 1 FFI), or NFFE that is using this form as evidence of its agreement with the withholding agent to be treated as a U.S. Person with respect to any payments associated with this withholding certificate.

The Administrative Agent agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower in writing of its legal inability to do so.

(g) If any Lender or any Agent determines, in its sole judgment exercised in good faith, that it has received a refund of any Indemnified Taxes as to which it has been indemnified by any Loan Party or with respect to which any Loan Party has paid additional amounts pursuant to this Section 2.08, it shall pay to the Administrative Borrower an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts

paid, by the Loan Parties under this Section with respect to the Indemnified Taxes giving rise to such refund), net of all out-of-pocket expenses of such Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Administrative Borrower, upon the reasonable request of such Agent or such Lender, agrees to repay the amount paid over to the Administrative Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such Agent or such Lender in the event such Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this subsection (g), in no event will any Lender or any Agent be required to pay any amount to the Administrative Borrower pursuant to this subsection (g) the payment of which would place such Agent or such Lender in a less favorable net after-Tax position than such Agent or such Lender would have been in if the Indemnified Taxes giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Taxes had never been paid. This subsection shall not be construed to require any Agent or any Lender to make available its tax returns and any other information relating to its taxes that it deems confidential to any Borrower or any other Person.

(h) Any Agent or any Lender (or Transferee) claiming any indemnity payment or additional payment amounts payable pursuant to this Section 2.08 shall use reasonable efforts (consistent with legal and regulatory restrictions) to file any certificate or document reasonably requested in writing by the Administrative Borrower or to change the jurisdiction of its applicable lending office if the making of such a filing or change would avoid the need for or reduce the amount of any such indemnity payment or additional amount that may thereafter accrue, would not require such Agent or such Lender (or Transferee) to disclose any information such Agent or such Lender (or Transferee) deems confidential and would not, in the sole determination of such Agent or such Lender (or Transferee), be otherwise disadvantageous to such Agent or such Lender (or Transferee).

(i) The obligations of the Loan Parties under this Section 2.08 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

Section 2.09 LIBOR Option.

(a) In lieu of having interest charged at the rate based upon the Reference Rate, the Borrowers shall have the option (the "LIBOR Option") to have interest on all or a portion of the Loans be charged at a rate of interest based upon the LIBOR Rate. Each Interest Period of a LIBOR Rate Loan shall commence on the date such LIBOR Rate Loan is made and shall end on such date as the Borrowers may elect as set forth in Section 2.02(a) above. At the direction of the Required Lenders at any time that an Event of Default has occurred and is continuing, the Administrative Borrower no longer shall have the option to request that Loans bear interest at the LIBOR Rate and, at the end of the applicable Interest Period, the interest rate on all outstanding applicable LIBOR Rate Loans shall convert to the rate then applicable to Reference Rate Loans hereunder.

(b) The Administrative Borrower shall elect the initial Interest Period applicable to a LIBOR Rate Loan by its Notice of Borrowing given to the Administrative Agent pursuant to Section 2.02(a), by its notice of continuation given to the Administrative Agent pursuant to this Section 2.09(b) or by its notice of conversion given to the Administrative Agent pursuant to Section 2.09(c), as the case may be. To continue a LIBOR Rate Loan as a LIBOR Rate Loan at the end of the Interest Period applicable thereto, the Administrative Borrower shall elect the duration of each succeeding Interest Period by giving irrevocable written notice to the Administrative Agent of such duration in the form of a LIBOR Notice not later than 1:00 p.m. (New York time) on the day which is three (3) Business Days prior to the last day of the then current Interest Period applicable to such LIBOR Rate Loan. If the Administrative Agent does not receive timely notice of the Interest Period elected by the Administrative Borrower, the Administrative Borrower shall be deemed to have elected to convert such LIBOR Rate Loan to a Reference Rate Loan.

(c) The Administrative Borrower may, on any Business Day of the then current Interest Period applicable to any outstanding LIBOR Rate Loan, or on any Business Day with respect to Reference Rate Loans, convert any such loan into a loan of another type of loan (i.e., a Reference Rate Loan or a LIBOR Rate Loan) in the same aggregate principal amount, provided that any conversion of a LIBOR Rate Loan not made on the last Business Day of the then current Interest Period applicable to such LIBOR Rate Loan shall be subject to Section 2.09(e). If a Borrower desires to convert a Loan, such Borrower shall deliver to the Administrative Agent a LIBOR Notice by no later than 1:00 p.m. (New York time) (i) on the day which is three (3) Business Days' prior to the date on which such conversion is to occur with respect to a conversion from a Reference Rate Loan to a LIBOR Rate Loan, or (ii) on the day which is one (1) Business Day prior to the date on which such conversion is to occur with respect to a conversion from a LIBOR Rate Loan to a Reference Rate Loan, specifying, in each case, the date of such conversion, the Loans to be converted and if the conversion is from a Reference Rate Loan to a LIBOR Rate Loan, the duration of the first Interest Period therefor.

(d) In the event that any prepayment of a LIBOR Rate Loan is required or permitted on a date other than the last Business Day of the then current Interest Period with respect thereto, the Borrowers shall, jointly and severally, indemnify the Administrative Agent and Lenders therefor in accordance with Section 2.09(e).

(e) The Borrowers shall, jointly and severally, indemnify the Agents and Lenders and hold the Agents and Lenders harmless from and against any and all losses, costs or expenses, excluding the loss of any margin above the LIBOR Rates (such losses, costs and expenses, collectively, "Funding Losses"), that the Agents and Lenders may sustain or incur as a consequence of any mandatory or voluntary prepayment, conversion of or any default by the Borrowers in the payment of the principal of or interest on any LIBOR Rate Loan or failure by the Borrowers to complete a borrowing of, a prepayment of or conversion of or to a LIBOR Rate Loan after notice thereof has been given, including, but not limited to, any interest, excluding the loss of any margin above the LIBOR Rates, payable by the Agents or Lenders to lenders of funds obtained by it in order to make or maintain its LIBOR Rate Loans hereunder (it being agreed that the Agents and Lenders shall be entitled to such indemnification on such basis whether or not they have obtained such funds to make or maintain its LIBOR Rate Loans hereunder, to be calculated in accordance with customary banking practices). A certificate as to any additional amounts payable pursuant to the foregoing sentence submitted by any Agent or any Lender (with a copy to the Administrative Agent) to the Borrowers shall be conclusive absent manifest error.

(f) Notwithstanding any other provision hereof, if any Requirement of Law or any change therein or in the interpretation or application thereof, shall make it unlawful for any Lender (for purposes of this subsection (f), the term "Lender" shall include any Lender and the office or branch where any Lender or any corporation or bank controlling such Lender makes or maintains any LIBOR Rate Loans) to make or maintain its LIBOR Rate Loans, the obligation of such Lender to make LIBOR Rate Loans hereunder shall forthwith be cancelled and the Borrowers shall, if any affected LIBOR Rate Loans are then outstanding, promptly and upon the reasonable request from such Lender (with a copy to the Administrative Agent), at the Borrowers' option, either pay all such affected LIBOR Rate Loans or convert such affected LIBOR Rate Loans into Reference Rate Loans (with the LIBOR Rate component not being applicable). If any such payment or conversion of any LIBOR Rate Loan is made on a day that is not the last day of the Interest Period applicable to such LIBOR Rate Loan, the Borrowers shall pay such Lender, upon the Lender's reasonable request, such amount or amounts as may be necessary to compensate Lenders for any Funding Losses sustained or incurred by Lenders in respect of such LIBOR Rate Loan as a result of such payment or conversion, including (but not limited to) any interest or other amounts payable by Lenders to lenders of funds actually obtained by Lenders in order to make or maintain such LIBOR Rate Loan. A certificate as to any additional amounts that describes in reasonable detail the calculations thereof payable pursuant to the foregoing sentence submitted by Lenders (with a copy to the Administrative Agent) to the Borrowers shall be conclusive absent manifest error.

(g) Subject to the last paragraph of the definition of "LIBOR Rate", in the event that any Agent shall have determined that:

(i) reasonable means do not exist for ascertaining the LIBOR Rate applicable pursuant to Section 2.02(a) for any Interest Period; or

(ii) Dollar deposits in the relevant amount and for the relevant maturity are not available in the London interbank LIBOR market, with respect to an outstanding LIBOR Rate Loan, a proposed LIBOR Rate Loan, or a proposed conversion of a Reference Rate Loan into a LIBOR Rate Loan,

then Administrative Agent shall give the Administrative Borrower prompt written, telephonic or facsimile notice of such determination. If such notice is given, (i) any such requested LIBOR Rate Loan shall be made as a Reference Rate Loan (without giving effect to the LIBOR Rate component thereof), unless the Administrative Borrower shall notify the Administrative Agent no later than 1:00 p.m. (New York time) two (2) Business Days prior to the date of such proposed borrowing, that its request for such borrowing shall be cancelled or made as an unaffected type of LIBOR Rate Loan, (ii) any Reference Rate Loan or LIBOR Rate Loan which was to have been converted to an affected type of LIBOR Rate Loan shall be continued as or converted into a Reference Rate Loan (without giving effect to the LIBOR Rate component thereof), or, if the Administrative Borrower shall notify the Administrative Agent, no later than 11:00 a.m. (New York time) two (2) Business Days prior to the proposed conversion, shall be maintained as an unaffected type of LIBOR Rate Loan, and (iii) any outstanding affected LIBOR Rate Loans shall be converted into a Reference Rate Loan (without giving effect to the LIBOR Rate component thereof), or, if the Administrative Borrower shall notify Administrative Agent, no later than 11:00 a.m. (New York time) two (2) Business Days prior to the last Business Day

of the then current Interest Period applicable to such affected LIBOR Rate Loan, shall be converted into an unaffected type of LIBOR Rate Loan, on the last Business Day of the then current Interest Period for such affected LIBOR Rate Loans. Until such notice has been withdrawn, Lenders shall have no obligation to make an affected type of LIBOR Rate Loan or maintain outstanding affected LIBOR Rate Loans and the Borrowers shall not have the right to convert a Reference Rate Loan or an unaffected type of LIBOR Rate Loan into an affected type of LIBOR Rate Loan.

(h) Anything to the contrary contained herein notwithstanding, neither any Agent nor any Lender, nor any of their participants, is required actually to acquire LIBOR deposits to fund or otherwise match fund any Obligation as to which interest accrues at the LIBOR Rate. The provisions of this ARTICLE II shall apply as if each Lender or its participants had match funded any Obligation as to which interest is accruing at the LIBOR Rate by acquiring LIBOR deposits for each Interest Period in the amount of the LIBOR Rate Loans.

(i)

(i) If any Lender requests compensation or if any Borrower is required to pay any additional amount to any Lender or if any Borrower is required to pay any additional interest or other amount to any Lender hereunder (each, a "Required Amount"), then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable hereunder in the future, (ii) would not subject such Lender to any unreimbursed cost or expense, and (iii) would not otherwise be materially disadvantageous to such Lender.

(ii) If any Lender requires the Borrower to pay any Required Amounts and such Lender has declined or is unable to designate a different lending office in accordance with clause (a) above, or if any Lender is a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 12.07), all of its interests, rights and obligations under this Agreement and the other Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that:

(A) the Borrower shall have paid to the Agents any processing or recordation fees specified in Section 12.07;

(B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts); and

(C) such assignment does not conflict with applicable law.

Prior to the effective date of such assignment, the assigning Lender shall execute and deliver an Assignment and Acceptance, subject only to the conditions set forth above. If the assigning Lender shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such assignment, the assigning Lender shall be deemed to have executed and delivered such Assignment and Acceptance. Any such assignment shall be made in accordance with the terms of Section 12.07. A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

[Intentionally Omitted].

ARTICLE IV

PAYMENTS AND OTHER COMPENSATION

Section 4.01 [Intentionally Omitted].

Section 4.02 Payments; Computations and Statements. (a) The Borrowers will make each payment under this Agreement not later than 1:00 p.m. (New York time) on the day when due, in lawful money of the United States of America and in immediately available funds, to the Administrative Agent's Account. All payments received by the Administrative Agent after 1:00 p.m. (New York time) on any Business Day shall, in the Administrative Agent's discretion, be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. The Administrative Agent will promptly thereafter cause to be distributed like funds relating to the payment of principal and interest ratably to the Lenders in accordance with their Pro Rata Shares and like funds relating to the payment of any other amount payable to any Lender to such Lender, in each case to be applied in accordance with the terms of this Agreement. All payments shall be made by the Borrowers without set-off, counterclaim, deduction or other defense to the Agents and the Lenders. Whenever any payment to be made under any such Loan Document shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall in such case be included in the computation of interest or fees, as the case may be; provided, however, that if such extension would cause payment of interest on or principal of LIBOR Rate Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day. All computations of fees shall be made by the Administrative Agent on the basis of a year of 360 days for the actual number of days (including the first day but excluding the last day) occurring in the period for which such fees are payable. Each determination by the Administrative Agent of an interest rate or fees hereunder shall be conclusive and binding for all purposes in the absence of manifest error.

(b) Unless the Administrative Agent shall have received notice from the Administrative Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lenders, the amount due. In such event, if the Borrowers did not in fact make such payment, then each of the applicable Lenders, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed by the Administrative Agent to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any reasonable administrative, processing, or similar fees customarily charged by the Administrative Agent in connection with the foregoing.

Section 4.03 Sharing of Payments, Defaulting Lenders, Etc.

(a) The Administrative Agent shall not be obligated to transfer to a Defaulting Lender any payments made by any Borrower to the Administrative Agent for the Defaulting Lender's benefit, and, in the absence of such transfer to the Defaulting Lender, the Administrative Agent shall transfer any such payments to each other non-Defaulting Lender ratably in accordance with their Commitments (but only to the extent that such Defaulting Lender's Loan was funded by the other Lenders) or, if so directed by the Borrowers and if no Default or Event of Default has occurred and is continuing (and to the extent such Defaulting Lender's Loan was not funded by the other Lenders), retain the same to be re-advanced to the Borrowers as if such Defaulting Lender had made such Loans to the Borrowers. Subject to the foregoing, the Administrative Agent may hold and, in its discretion, re-lend to the Borrowers for the account of such Defaulting Lender the amount of all such payments received and retained by the Administrative Agent for the account of such Defaulting Lender. This Section shall remain effective with respect to such Lender until (x) the Obligations (other than unasserted contingent indemnification Obligations) under this Agreement shall have been declared or shall have become immediately due and payable, (y) the non-Defaulting Lenders, the Administrative Agent, and the Borrowers shall have waived such Defaulting Lender's default in writing, or (z) the Defaulting Lender makes its Pro Rata Share of the applicable defaulted Loan and pays to the Administrative Agent all amounts owing by such Defaulting Lender in respect thereof. The operation of this Section shall not be construed to increase or otherwise affect the Commitment of any Lender, to relieve or excuse the performance by such Defaulting Lender or any other Lender of its duties and obligations hereunder, or to relieve or excuse the performance by the Borrowers of its duties and obligations hereunder to the Administrative Agent or to the Lenders other than such Defaulting Lender. Any such failure to fund by any Defaulting Lender shall constitute a material breach by such Defaulting Lender of this Agreement and shall entitle the Borrowers at their option, subject to the written consent of the Administrative Agent (which consent shall not be unreasonably withheld), to permanently replace the Defaulting Lender with one or more substitute Lenders (each, a "Replacement Lender"), and the Defaulting Lender shall have no right to refuse to be replaced hereunder. Notice from the Borrowers to the Agents effecting their right to replace the Defaulting Lender shall specify an effective date for such replacement, which date shall not be later than fifteen (15) Business Days after the date such

notice is given. Prior to the effective date of such replacement, the Defaulting Lender and each Replacement Lender shall execute and deliver an Assignment and Acceptance, subject only to the Defaulting Lender being repaid its share of the outstanding Obligations without any premium or penalty of any kind whatsoever. If the Defaulting Lender shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, the Defaulting Lender shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Defaulting Lender shall be made in accordance with the terms of Section 12.07(b). Any such assumption of the Commitment of such Defaulting Lender shall not be deemed to constitute a waiver of any of the Lenders' or the Borrowers' rights or remedies against any such Defaulting Lender arising out of or in relation to such failure to fund.

(b) Except as provided in Section 2.02 or Section 12.07, if any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) on account of any Obligation in excess of its ratable share of payments on account of similar obligations obtained by all the Lenders, such Lender shall forthwith purchase from the other Lenders such participations in such similar obligations held by them as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; provided, however, that if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each Lender shall be rescinded and such Lender shall repay to the purchasing Lender the purchase price to the extent of such recovery together with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender of any interest or other amount paid by the purchasing Lender in respect of the total amount so recovered); provided, the provisions of this Section 4.03(b) shall not be construed to apply to any payment made by or on behalf of any Borrower pursuant to and in accordance with the terms of this Agreement (including, without limitation, as provided in Section 2.05 and the application of funds arising from the existence of a Defaulting Lender) The Borrowers agree that any Lender so purchasing a participation from another Lender pursuant to this Section 4.03(b) may, to the fullest extent permitted by law, exercise all of its rights (including the Lender's right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of the Borrowers in the amount of such participation.

Section 4.04 Apportionment of Payments. Subject to Section 2.02 or Section 12.07 hereof and to any written agreement among the Agents and/or the Lenders:

(a) all payments of principal and interest in respect of outstanding Loans, all payments of fees (other than the fees set forth in Sections 2.06 and 7.01(f) hereof) and all other payments in respect of any other Obligations, shall be allocated by the Administrative Agent among such of the Lenders as are entitled thereto, in proportion to their respective Pro Rata Shares or otherwise as provided herein or, in respect of payments not made on account of Loans, as designated by the Person making payment when the payment is made.

(b) After the occurrence and during the continuance of an Event of Default, the Administrative Agent may, and upon the direction of the Required Lenders shall (or in the case of an acceleration of the Obligations, the Administrative Agent shall), apply all proceeds of the Collateral and all amounts received by the Administrative Agent on account of the Obligations (i) first, ratably to pay the Obligations in respect of any fees, expense reimbursements, indemnities and other amounts then due and payable to the Agents until paid in full; (ii) second, [reserved]; (iii) third, [reserved]; (iv) fourth, ratably to pay the Obligations in respect of any fees (other than any Applicable Prepayment Premium) and indemnities then due and payable to the Lenders until paid in full; (v) fifth, ratably to pay interest then due and payable in respect of the Loans until paid in full; (vi) sixth, ratably to pay principal of the Loans until paid in full; (vii) seventh, ratably to pay the Obligations in respect of any Applicable Prepayment Premium then due and payable to the Lenders until paid in full; and (viii) eighth, to the ratable payment of all other Obligations then due and payable.

(c) In each instance, so long as no Event of Default has occurred and is continuing, Section 4.04(b) shall not be deemed to apply to any payment by the Borrowers specified by the Administrative Borrower to the Administrative Agent to be for the payment of Term Loan Obligations then due and payable under any provision of this Agreement or the prepayment of all or part of the principal of the Term Loans in accordance with the terms and conditions of Section 2.05.

(d) For purposes of Section 4.04(b), (other than clause (vi)), "paid in full" means payment in cash of all amounts owing under the Loan Documents according to the terms thereof, including loan fees, service fees, professional fees, interest (and specifically including interest accrued after the commencement of any Insolvency Proceeding), default interest, interest on interest, and expense reimbursements, whether or not same would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding, except to the extent that default or overdue interest (but not any other interest) and loan fees, each arising from or related to a default, are disallowed in any Insolvency Proceeding; provided, however, that for the purposes of clause (vi), "paid in full" means payment in cash of all amounts owing under the Loan Documents according to the terms thereof, including loan fees, service fees, professional fees, interest (and specifically including interest accrued after the commencement of any Insolvency Proceeding), default interest, interest on interest, and expense reimbursements, whether or not the same would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding.

(e) In the event of a direct conflict between the priority provisions of this Section 4.04 and other provisions contained in any other Loan Document, it is the intention of the parties hereto that both such priority provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 4.04 shall control and govern.

Section 4.05 Increased Costs and Reduced Return. (a) If any Lender or any Agent shall have determined that a Change in Law, shall (i) subject such Agent or such Lender, or any Person controlling such Agent or such Lender, to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, (ii) impose, modify or deem applicable any reserve, special deposit or similar requirement against any Loan or against assets of or held by, or deposits with or for the account of, or credit extended by, such Agent or such Lender or any Person controlling such Agent or such Lender or

(iii) impose on such Agent or such Lender or any Person controlling such Agent or such Lender any other condition regarding this Agreement or any Loan, and the result of any event referred to in clauses (i), (ii) or (iii) above shall be to increase the cost to such Agent or such Lender of making any Loan, or agreeing to make any Loan, or to reduce any amount received or receivable by such Agent or such Lender hereunder, then, within twenty (20) days after receipt by the Administrative Borrower from such Agent or such Lender (with a copy to the Administrative Agent) of the certificate required under Section 4.05(c), the Borrowers shall pay to such Agent or such Lender such additional amounts as will compensate such Agent or such Lender for such increased costs or reductions in amounts received or receivable.

(b) If any Agent or any Lender shall have determined that any Change in Law either (i) affects or would affect the amount of capital required or expected to be maintained by such Agent or such Lender or any Person controlling such Agent or such Lender, and such Agent or such Lender determines that the amount of such capital is increased as a direct or indirect consequence of any Loans made or maintained, such Agent's or such Lender's or such other controlling Person's other obligations hereunder, or (ii) has or would have the effect of reducing the rate of return on such Agent's or such Lender's or such other controlling Person's capital to a level below that which such Agent or such Lender or such controlling Person could have achieved but for such circumstances as a consequence of any Loans made or maintained, or any guaranty or participation with respect thereto or any agreement to make Loans, or such Agent's, or such Lender's or such other controlling Person's other obligations hereunder (in each case, taking into consideration, such Agent's or such Lender's or such other controlling Person's policies with respect to capital adequacy), then, within twenty (20) days after receipt by the Administrative Borrower from such Agent or such Lender (with a copy to the Administrative Agent) of the certificate required under Section 4.05(c), the Borrowers shall pay to such Agent or such Lender for such cost of maintaining such increased capital or such reduction in the rate of return on such Agent's or such Lender's or such other controlling Person's capital.

(c) All amounts payable under this Section 4.05 shall bear interest from the date that is twenty (20) days after the date of demand by any Agent or any Lender until payment in full to such Agent or such Lender at the Reference Rate. A certificate of such Agent or such Lender claiming compensation under this Section 4.05, specifying the event herein above described and the nature of such event shall be submitted by such Agent or such Lender (with a copy to the Administrative Agent) to the Administrative Borrower, setting forth the additional amount due and an explanation of the calculation thereof in reasonable detail, and such Agent's or such Lender's reasons for invoking the provisions of this Section 4.05, and shall be final and conclusive absent manifest error; provided that any such certificate claiming amounts described in clause (i) or (ii) of the proviso set forth in the definition of Change in Law shall, in addition, state the basis upon which such amount has been calculated and certify that such Agent's or Lender's method of allocating such costs is fair and reasonable and that such Agent's or Lender's demand for payment of such costs hereunder, and such method of allocation, is not inconsistent with its treatment of other borrowers which, as a credit matter, are substantially similar to the Borrowers and which are subject to similar provisions.

(d) If any Lender or Agent becomes entitled to claim any additional amounts pursuant to this Section, it shall promptly notify the Loan Parties of the event by reason of which it has become so entitled; provided that the Loan Parties shall not be required to compensate a Lender or Agent pursuant to this paragraph for any amounts incurred more than six months prior to the date that such Lender or Agent notifies the Loan Parties of such Lender's or Agent's intention to claim compensation therefor in accordance with Section 4.05(c); provided further that, if the circumstances giving rise to such claim have a retroactive effect, then such six-month period shall be extended to include the period of such retroactive effect.

(e) If any Lender or Agent requests compensation or if any Borrower is required to pay any additional amount to any Lender or Agent or if any Borrower is required to pay any additional interest or other amount to any Lender or Agent hereunder, then such Lender or Agent shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender or Agent such designation or assignment (i) would eliminate or reduce amounts payable hereunder in the future, (ii) would not subject such Lender or Agent to any unreimbursed cost or expense, and (iii) would not otherwise be materially disadvantageous to such Lender or Agent.

Section 4.06 Joint and Several Liability of the Borrowers. (a) Notwithstanding anything in this Agreement or any other Loan Document to the contrary, each of the Borrowers hereby accepts joint and several liability hereunder and under the other Loan Documents in consideration of the financial accommodations to be provided by the Agents and the Lenders under this Agreement and the other Loan Documents, for the mutual benefit, directly and indirectly, of each of the Borrowers and in consideration of the undertakings of the other Borrowers to accept joint and several liability for the Obligations. Each of the Borrowers, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrowers, with respect to the payment and performance of all of the Obligations (including, without limitation, any Obligations arising under this Section 4.06), it being the intention of the parties hereto that all of the Obligations shall be the joint and several obligations of each of the Borrowers without preferences or distinction among them. If and to the extent that any of the Borrowers shall fail to make any payment with respect to any of the Obligations as and when due or to perform any of the Obligations in accordance with the terms thereof, then in each such event, the other Borrowers will make such payment with respect to, or perform, such Obligation. Subject to the terms and conditions hereof, the Obligations of each of the Borrowers under the provisions of this Section 4.06 constitute the absolute and unconditional, full recourse Obligations of each of the Borrowers, enforceable against each such Person to the full extent of its properties and assets, irrespective of the validity, regularity or enforceability of this Agreement, the other Loan Documents or any other circumstances whatsoever.

(b) The provisions of this Section 4.06 are made for the benefit of the Agents, the Lenders and their successors and assigns, and may be enforced by them from time to time against any or all of the Borrowers as often as occasion therefor may arise and without requirement on the part of the Agents, the Lenders or such successors or assigns first to marshal any of its or their claims or to exercise any of its or their rights against any of the other Borrowers or to exhaust any remedies available to it or them against any of the other Borrowers or to resort to any other source or means of obtaining payment of any of the Obligations hereunder or to elect any other remedy. The provisions of this Section 4.06 shall remain in effect until all of the Obligations (other than unasserted contingent indemnification Obligations) shall have been paid in full or otherwise fully satisfied.

(c) Each of the Borrowers hereby agrees that it will not enforce any of its rights of contribution or subrogation against the other Borrowers with respect to any liability incurred by it hereunder or under any of the other Loan Documents, any payments made by it to the Agents or the Lenders with respect to any of the Obligations or any Collateral, until such time as all of the Obligations (other than unasserted contingent indemnification Obligations) have been paid in full in cash. Any claim which any Borrower may have against any other Borrower with respect to any payments to the Agents or the Lenders hereunder or under any other Loan Documents are hereby expressly made subordinate and junior in right of payment, without limitation as to any increases in the Obligations arising hereunder or thereunder, to the prior payment in full in cash of the Obligations (other than unasserted contingent indemnification Obligations).

ARTICLE VI

REPRESENTATIONS AND WARRANTIES

Section 6.01 Representations and Warranties. Each Loan Party hereby represents and warrants to the Agents and the Lenders, so long as any principal of or interest on any Loan or any other Obligation (whether or not due, but excluding unasserted contingent indemnification Obligations) shall remain unpaid or any Lender shall have any Commitment hereunder as follows:

(a) Organization, Good Standing, Etc. Each Loan Party (i) is a corporation, limited liability company or limited partnership duly formed or organized, as applicable, validly existing and in good standing (to the extent applicable) under the laws of the state or jurisdiction of its formation or organization, as applicable, (ii) has all requisite power and authority to conduct its business as now conducted and as presently contemplated and, in the case of the Borrowers, to make the borrowings hereunder, and to execute and deliver each Loan Document to which it is a party, and to consummate the Transactions contemplated thereby, and (iii) is duly qualified to do business and is in good standing in each jurisdiction in which the character of the properties owned or leased by it or in which the transaction of its business makes such qualification necessary except, with respect to this clause (iii), where the failure to be so qualified could not reasonably be expected to have a Material Adverse Effect.

(b) Authorization, Etc. The execution, delivery and performance by each Loan Party of each Loan Document to which it is or will be a party, (i) have been duly authorized by all necessary action, (ii) do not and will not contravene (A) any of its Governing Documents, (B) any applicable Requirement of Law or (C) any Contractual Obligation binding on or otherwise affecting it or any of its properties, (iii) do not and will not result in or require the creation of any Lien (other than pursuant to any Loan Document) upon or with respect to any of its properties other than any such Lien that constitutes a Permitted Lien, and (iv) do not and will not result in any default, noncompliance, suspension, revocation, impairment, forfeiture or nonrenewal of any permit, license, authorization or approval applicable to its operations or any of its properties except, in the case of clauses (ii)(B), (ii)(C) and (iv), as could not reasonably be expected to have a Material Adverse Effect.

(c) Governmental and Shareholder Approvals. Section 9.02 Cure Right. In the event that the Borrowers fail to comply with the requirements of the financial covenants set forth in Section 7.03 (a "Curable Default"), until the expiration of the 10th Business Day after the date on which financial statements are required to be delivered with respect to the applicable fiscal quarter (the "Required Contribution Date"), (i) the Parent shall have the right to issue Permitted Cure Equity for cash or otherwise receive cash contributions to the capital of the Parent, and, in each case, to contribute any such contributions to the capital of the Borrowers or (ii) the Loan Parties and/or their Permitted Holders cause a contribution to be made in the form of Subordinated Indebtedness issued by any Loan Party, and in each case with respect to clauses (i) and (ii), apply the amount of the proceeds thereof to increase Consolidated EBITDA with respect to such applicable quarter (the "Cure Right"); provided that (a) such proceeds are actually received by the Borrowers no later than 10 Business Days after the date on which financial statements are required to be delivered with respect to such fiscal quarter hereunder, (b) such proceeds do not exceed the aggregate amount necessary to cure (by addition to Consolidated EBITDA) such Event of Default under Section 7.03 for such period, (c) the Cure Right shall not be exercised more than two times in any four fiscal quarter period and five times during the term of the Loans, (d) the Cure Right shall not be exercised in consecutive fiscal quarters, (e) such proceeds (1) for any individual Cure Right shall not exceed 20% of Consolidated EBITDA for the most recent trailing four fiscal quarter period for which financial statements and a Compliance Certificate have been delivered pursuant to Section 7.01(a)(i) and (iv) and (2) in the aggregate for all Cure Rights during the term of this Agreement shall not exceed $10,000,000, and (f) such proceeds shall be applied to prepay the Loans in accordance with Section 2.05(c)(ix). Until the Required Contribution Date, neither Agent nor any Lender shall impose the Post-Default Rate, accelerate the Obligations or exercise any enforcement remedy against the Loan Parties or any of their Subsidiaries or any of their respective properties solely as a result of the existence of the applicable Curable Default. If, after giving effect to the foregoing pro forma adjustment (but not, for the avoidance of doubt, giving pro forma adjustment to any repayment of Indebtedness in connection therewith), the Borrowers are in compliance with the financial covenants set forth in Section 7.03, the

Borrowers shall be deemed to have satisfied the requirements of such Section as of the relevant date of determination with the same effect as though there had been no failure to comply on such date, and the applicable breach or default of such Section 7.03 that had occurred shall be deemed cured for purposes of this Agreement. The parties hereby acknowledge that this Section may not be relied on for purposes of calculating any financial ratios other than as applicable to Section7.03 and shall not result in any adjustment to any amounts other than the amount of the Consolidated EBITDA referred to in the immediately preceding sentence; provided that such adjustment to the amount of the Consolidated EBITDA shall apply to subsequent calculations under Section 7.03 measuring such fiscal quarter with respect to which the Cure Right was exercised.

AGENTS

Section 10.01 Appointment. Each Lender (and each subsequent maker of any Loan by its making thereof) hereby irrevocably appoints Wilmington Trust to act on its behalf as Administrative Agent and Collateral Agent hereunder and under the other Loan Documents and authorizes and empowers the Administrative Agent and the Collateral Agent to perform the duties of each such Agent as set forth in this Agreement and the other Loan Documents, together with such actions and powers as are reasonably incidental thereto.

The Administrative Agent shall also act as the Collateral Agent under the Loan Documents, and each of the Lenders hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest, charge or other Lien created by the Loan Documents for and on behalf of or in trust for) such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent as Collateral Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Loan Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

The Agents shall not be required to take any discretionary action or exercise any discretionary powers , except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent or the Collateral Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), and such instructions of the Required Lenders (or such other percentage of Lenders) shall be binding upon all Lenders and all makers of Loans; provided, however, provided that neither the Administrative Agent nor the Collateral Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent or the Collateral Agent to liability or that is contrary to any Loan Document or applicable law.

Any corporation or association into which any Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer all or substantially all of its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which such Agent is a party, will be and become the successor Agent, as applicable, under this Agreement and will have and succeed to the rights, powers, duties, immunities and privileges as its predecessor, without the execution or filing of any instrument or paper or the performance of any further act.

Section 10.02 Nature of Duties; Delegation. (a) The Agents shall have no duties or responsibilities except those expressly set forth in this Agreement or in the other Loan Documents. The duties of the Agents shall be mechanical and administrative in nature. The Agents shall not have by reason of this Agreement or any other Loan Document a fiduciary relationship in respect of any Lender, regardless of whether a Default or Event of Default has occurred and is continuing. Nothing in this Agreement or any other Loan Document, express or implied, is intended to or shall be construed to impose upon the Agents any obligations in respect of this Agreement or any other Loan Document except as expressly set forth herein or therein. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender shall make its own independent investigation of the financial condition and affairs of the Loan Parties in connection with the making and the continuance of the Loans hereunder and shall make its own appraisal of the creditworthiness of the Loan Parties and the value of the Collateral without reliance upon the Administrative Agent or any other Lender or any of their Related Parties, and neither the Agents nor any of their Related Parties shall have any duty or responsibility, either initially or on a continuing basis, to provide any Lender with any credit or other information with respect thereto, whether coming into their possession before the initial Loan hereunder or at any time or times thereafter. Each Lender acknowledges that the Administrative Agent, the Collateral Agent and their Affiliates have not made any representation or warranty to it, other than any such representations or warranties expressly provided for hereunder or under any other Loan Document. Except for documents or other information expressly required by any Loan Document to be transmitted by the Administrative Agent and/or the Collateral Agent to the Lenders, the Administrative Agent and the Collateral Agent shall not have any duty or responsibility (either express or implied) to provide any Lender with any credit or other information concerning any Loan Party, including the business, prospects, operations, property, financial and other condition or creditworthiness of any Loan Party or Affiliate of a Loan Party, that may come in to the possession of the Administrative Agent, the Collateral Agent or any of their Affiliates. Each Agent may, upon any term or condition it specifies, delegate or exercise any of its rights, powers and remedies under, and delegate or perform any of its duties or any other action with respect to, any Loan Document by or through any of its Related Parties or any other trustee, co-agent, sub-agent or Person (including any Lender). =The exculpatory provisions of this Article X and the indemnity provisions of Section 12.15 shall apply to any such trustee, co-agent, sub-agent or Person and to the Related Parties of the Administrative Agent, the Collateral Agent and any such trustee, co-agent, sub-agent or Person, and shall apply to their respective activities in connection with activities as Administrative Agent or Collateral Agent. Neither the Administrative Agent nor the Collateral Agent shall be responsible for the negligence or misconduct of any of its trustees, co-agents, sub-agents, except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent or the Collateral Agent, as applicable, acted with gross negligence or willful misconduct in the selection of such trustees, co-agents or sub-agents, as applicable.

Section 10.03 Rights, Exculpation, Etc. The Agents and their Related Parties shall not be liable for any action taken or omitted to be taken by them (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent or the Collateral Agent shall believe in good faith shall be necessary, under the circumstances provided in Section 9.01 or Section 12.02) or (ii) except for their own gross negligence or willful misconduct as determined by a final non- appealable judgment of a court of competent jurisdiction. Without limiting the generality of the foregoing, the Agents (i) may treat the payee of any Loan as the owner thereof until such Loan has been transferred to a transferee pursuant to and in accordance with Section 12.07 hereof; (ii) may consult with legal counsel (including, without limitation, counsel to any Agent or counsel to the Loan Parties), independent public accountants, and other experts selected by any of them and shall not be liable for any action taken or omitted to be taken in good faith by any of them in accordance with the advice of such counsel or experts; (iii) make no warranty or representation to any Lender and shall not be responsible to any Lender for any statements, certificates, warranties or representations made in or in connection with this Agreement or the other Loan Documents; (iv) shall not be responsible for or have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement or the other Loan Documents on the part of any Person, the existence or possible existence of any Default or Event of Default, or to inspect the Collateral or other property (including, without limitation, the books and records) of any Person; (v) shall not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or the other Loan Documents or any other instrument or document furnished pursuant hereto or thereto; (vi) shall not be responsible for or have any duty to ascertain or inquire into the, value, sufficiency or collectibility of the Collateral, the creation, existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Agents be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral and (vii) shall not be responsible for or have any duty to ascertain or inquire into the satisfaction of any condition set forth in Article V or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent. The Agents shall not be liable for any apportionment or distribution of payments made in good faith, and if any such apportionment or distribution is subsequently determined to have been made in error the sole recourse of any Lender to whom payment was due but not made, shall be to recover from other Lenders any payment in excess of the amount which they are determined to be entitled (and such other Lenders hereby agree to return to such Lender any such erroneous payments received by them). The Agents may at any time request instructions from the Lenders with respect to any actions or approvals which by the terms of this Agreement or of any of the other Loan Documents the Agents are permitted or required to take or to grant, and if such instructions are promptly requested, the Agents shall be absolutely entitled to refrain from taking any action or to withhold any approval under any of the Loan Documents until they shall have received such instructions from the Required Lenders (unless

unanimity is required) and, if they so request, the Agents shall first be indemnified to their satisfaction by the Lenders against any and all liability and expense which may be incurred by reason of taking or continuing to take any such action. Without limiting the foregoing, no Lender shall have any right of action whatsoever against any Agent as a result of such Agent acting or refraining from acting under this Agreement or any of the other Loan Documents in accordance with the instructions of the Required Lenders (unless unanimity is required). The Agents shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrowers or any of their Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent, the Collateral Agent or any of their respective Affiliates in any capacity. The Agents shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Defaults, unless the Agents shall have received written notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default." In no event shall any Agent be liable for any failure or delay in the performance of their respective obligations under this Agreement or any related documents because of circumstances beyond such Agent's control, including, but not limited to, a failure, termination or suspension of a clearing house, securities depositary, settlement system or central payment system in any applicable part of the world or acts of God, flood, war (whether declared or undeclared), civil or military disturbances or hostilities, nuclear or natural catastrophes, political unrest, explosion, severe weather or accident, earthquake, terrorism, fire, riot, labor disturbances, strikes or work stoppages for any reason, embargo, government action, including any laws, ordinance, regulations or the like (whether domestic, federal, state, county or municipal or foreign) which delay, restrict or prohibit the providing of services contemplated by this Agreement or any related documents, or the unavailability of communications or computer facilities, the failure of equipment or interruption of communications or computer facilities, or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility, or any other causes beyond the Agent's control whether or not of the same class or kind as specified above.

Nothing in this Agreement or any other Loan Document shall require the Administrative Agent or the Collateral Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties or in the exercise of any of its rights or powers hereunder.

The Agents shall have no obligation for (a) perfecting, maintaining, monitoring, preserving or protecting the security interest or Lien granted under the Credit Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby; (b) the filing, re-filing, recording, re-recording, or continuing of any document, financing statement, mortgage, assignment, notice, instrument of further assurance, or other instrument in any public office at any time or times; or (c) providing, maintaining, monitoring, or preserving insurance on or the payment of taxes with respect to any Collateral.

The Agents shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or participant in the Loans or prospective Lender or participant in the Loans is an Ineligible Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Ineligible Institution. The Agents shall not have any responsibility or liability for monitoring the list or identities of, or enforcing provisions relating to compliance by Affiliated Lenders with the terms hereof relating to Affiliated Lenders. Without limiting the generality of the foregoing, the Agents shall not be obligated to ascertain, monitor or inquire as to compliance by Affiliated Lenders with the terms hereof relating to Affiliated Lenders.

Section 10.04 Reliance. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any written notices, statements, certificates, orders or other documents or any telephone message believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person, and with respect to all matters pertaining to this Agreement or any of the other Loan Documents and its duties hereunder or thereunder, upon advice of counsel selected by it. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received written notice to the contrary from such Lender prior to the making of such Loan.

Section 10.05 Indemnification. To the extent that any Agent or any Related Party of the foregoing is not reimbursed and indemnified by any Loan Party (and without limiting the obligation of the Loan Parties to do so), the Lenders will indemnify and hold harmless such Agent and such Related Parties from and against any and all Agent Indemnified Matters of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against such Agent and such Related Parties in proportion to each Lender's Pro Rata Share (determined as of the time that the applicable indemnity payment is sought (or if such indemnity payment is sought after the date on which the Loans have been paid in full and the Commitments have terminated, in accordance with their respective Pro Rata Shares immediately prior to the date on which the Loans are paid in full and the Commitments have terminated)); provided, however, that no Lender shall be liable for any portion of such Agent Indemnified Matters for which there has been a final non-appealable judicial determination that such liability resulted from such Agent's or such Related Parties gross negligence or willful misconduct; provided, further, however, that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be provided by the Loan Documents) shall be deemed to constitute gross negligence or willful misconduct for the purposes of this Section 10.05. In the case of any investigation, litigation or proceeding giving rise to any Agent Indemnified Matters, this Section 10.05 shall apply whether or not any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limiting the foregoing, each Lender shall reimburse the Agents upon demand for its Pro Rata Share (determined as of the time that the applicable reimbursement is sought (or if such reimbursement payment is sought after the date on which the Loans have been paid in full and the Commitments have terminated, in accordance with its Pro Rata Shares immediately prior to the date on which the Loans are paid in full and the Commitments have terminated)) of any costs or out-of-pocket expenses (including the fees, disbursements and other charges of counsel) incurred by the Agents in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Agents are not reimbursed for such expenses by or on behalf of the Loan Parties; provided that such reimbursement by the Lenders shall not affect the Borrower's continuing reimbursement obligations with respect thereto;

provided further, that failure of any Lender to indemnify or reimburse the Agents shall not relieve any other Lender of its obligation in respect thereof. Each Lender hereby authorizes the Administrative Agent and Collateral Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent or the Collateral Agent to such Lender from any source against any amount due to the Administrative Agent or the Collateral Agent under this Section 10.05. The obligations of the Lenders under this Section 10.05 shall survive the payment in full of the Loans and the termination of this Agreement.

Section 10.06 Agents Individually. With respect to its Pro Rata Share of the Total Commitment hereunder and the Loans made by it, if applicable, each Agent shall have and may exercise the same rights and powers hereunder and is subject to the same obligations and liabilities as and to the extent set forth herein, any other Lender or maker of a Loan. If applicable, the terms "Lenders" or "Required Lenders" or any similar terms shall, unless the context clearly otherwise indicates, include each Agent in its individual capacity as a Lender or one of the Required Lenders. Each Agent and its Affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, trust or other business with any Borrower or Affiliate thereof as if it were not acting as an Agent pursuant hereto without any duty to account to the other Lenders.

Section 10.07 Successor Agent. (a) Any Agent may at any time give at least 30 days prior written notice of its resignation to the Lenders and the Administrative Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Administrative Borrower, to appoint a successor Agent. If no such successor Agent shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "Resignation Effective Date"), then the retiring Agent may (but shall not be obligated to), on behalf of the Lenders, appoint a successor Agent. Whether or not a successor Agent has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(b) With effect from the Resignation Effective Date, (i) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any Collateral held by such Agent on behalf of the Lenders under any of the Loan Documents, the retiring Agent shall continue to hold such collateral security until such time as a successor Agent is appointed) and (ii) all payments, communications and determinations provided to be made by, to or through such retiring Agent shall instead be made by or to each Lender directly, until such time, if any, as a successor Agent shall have been appointed as provided for above. Upon the acceptance of a successor's Agent's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article, Section 12.04 and Section 12.05 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by it while the retiring Agent was acting as Agent.

Section 10.08 Collateral Matters.

(a) [Reserved].

(b) The Lenders hereby irrevocably authorize the Collateral Agent to (1) release any Lien granted to or held by the Collateral Agent upon any Collateral (i) in accordance with the express terms of the Loan Documents; (ii) upon termination of the Total Commitment and payment and satisfaction of all Loans and all other Obligations in accordance with the terms hereof; or (iii) (x) constituting property being sold or disposed of in the ordinary course of any Loan Party's business and otherwise in compliance with the terms of this Agreement and the other Loan Documents; (y) constituting property in which the Loan Parties owned no interest at the time the Lien was granted or at any time thereafter; or (z) if approved, authorized or ratified in writing by the Lenders or (2) subordinate any Lien on any property granted to or sold by the Collateral Agent to the holder of any Lien on property that is permitted to be subordinated pursuant to the definition of "Permitted Liens". Upon request by the Collateral Agent at any time, the Lenders shall confirm in writing the Collateral Agent's authority to release or subordinate particular types or items of Collateral pursuant to this Section 10.08(b).

(c) Without in any manner limiting the Collateral Agent's authority to act without any specific or further authorization or consent by the Lenders (as set forth in Section 10.08(b)), each Lender agrees to confirm in writing, upon request by the Collateral Agent, the authority to release or subordinate Collateral conferred upon the Collateral Agent under Section 10.08(b). Upon receipt by the Collateral Agent of confirmation from the Required Lenders (or all Lenders if applicable) of its authority to release or subordinate any particular item or types of Collateral, and upon prior written request by any Loan Party, the Collateral Agent shall (and is hereby irrevocably authorized by the Lenders to) execute such documents as may be necessary to evidence the release of the Liens granted to the Collateral Agent for the benefit of the Agents and the Lenders upon such Collateral; provided, however, that (i) the Collateral Agent shall not be required to execute any such document on terms which, in the Collateral Agent's opinion, would expose the Collateral Agent to liability or create any obligations or entail any consequence other than the release of such Liens without recourse or warranty, and (ii) such release shall not in any manner discharge, affect or impair the Obligations or any Lien upon (or obligations of any Loan Party in respect of) all interests in the Collateral retained by any Loan Party.

(d) Anything contained in any of the Loan Documents to the contrary notwithstanding, the Loan Parties, each Agent and each Lender hereby agree that (i) no Lender shall have any right individually to realize upon any of the Collateral under any Loan Document or to enforce any Guaranty, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Collateral Agent for the benefit of the Lenders in accordance with the terms thereof, (ii) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale, the Administrative Agent, the Collateral Agent or any Lender may be the purchaser of any or all of such Collateral at any such sale and (iii) the Collateral Agent, as agent for and representative of the Agents and the Lenders (but not any other Agent or any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing) shall be entitled (either directly or through one or more acquisition vehicles) for the purpose of bidding and making settlement or

payment of the purchase price for all or any portion of the Collateral to be sold (A) at any public or private sale, (B) at any sale conducted by the Collateral Agent under the provisions of the Uniform Commercial Code (including pursuant to Sections 9-610 or 9-620 of the Uniform Commercial Code), (C) at any sale or foreclosure conducted by the Collateral Agent (whether by judicial action or otherwise) in accordance with applicable law or (D) any sale conducted pursuant to the provisions of any Debtor Relief Law (including Section 363 of the Bankruptcy Code), to use and apply all or any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Collateral Agent at such sale.

(e) The Collateral Agent shall have no obligation whatsoever to any Lender to assure that the Collateral exists or is owned by the Loan Parties or is cared for, protected or insured or has been encumbered or that the Lien granted to the Collateral Agent pursuant to this Agreement or any other Loan Document has been properly or sufficiently or lawfully created, perfected, protected or enforced or is entitled to any particular priority, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 10.08 or in any other Loan Document, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, and that the Collateral Agent shall have no duty or liability whatsoever to any other Lender, except as otherwise provided herein.

Section 10.09 Agency for Perfection. Each Agent and each Lender hereby appoints each other Agent and each other Lender as agent and bailee for the purpose of perfecting the security interests in and liens upon the Collateral in assets which, in accordance with Article 9 of the Uniform Commercial Code, can be perfected only by possession or control (or where the security interest of a secured party with possession or control has priority over the security interest of another secured party) and each Agent and each Lender hereby acknowledges that it holds possession of or otherwise controls any such Collateral for the benefit of the Agents and the Lenders as secured party. Should the Administrative Agent or any Lender obtain possession or control of any such Collateral, the Administrative Agent or such Lender shall notify the Collateral Agent thereof, and, promptly upon the Collateral Agent's request therefor shall deliver such Collateral to the Collateral Agent or in accordance with the Collateral Agent's instructions. In addition, the Collateral Agent shall also have the power and authority hereunder to appoint such other sub-agents as may be necessary or required under applicable state law or otherwise to perform its duties and enforce its rights with respect to the Collateral and under the Loan Documents. Each Loan Party by its execution and delivery of this Agreement hereby consents to the foregoing.

Section 10.10 No Reliance on any Agent's Customer Identification Program. Each Lender acknowledges and agrees that neither such Lender, nor any of its Affiliates, participants or assignees, may rely on any Agent to carry out such Lender's, Affiliate's, participant's or assignee's customer identification program, or other requirements imposed by the USA PATRIOT Act or the regulations issued thereunder, including the regulations set forth in 31 C.F.R. §§ 1010.100(yy), (iii), 1020.100, and 1020.220 (formerly 31 C.F.R. § 103.121), as hereafter amended or replaced ("CIP Regulations"), or any other Anti-Money Laundering and Anti-Terrorism Laws, including any programs involving any of the following items relating to or

in connection with any of the Loan Parties, their Affiliates or their agents, the Loan Documents or the transactions hereunder or contemplated hereby: (1) any identity verification procedures, (2) any recordkeeping, (3) comparisons with government lists, (4) customer notices or (5) other procedures required under the CIP Regulations or other regulations issued under the USA PATRIOT Act. Each Lender, Affiliate, participant or assignee subject to Section 326 of the USA PATRIOT Act will perform the measures necessary to satisfy its own responsibilities under the CIP Regulations.

Section 10.11 No Third Party Beneficiaries. The provisions of this Article are solely for the benefit of the Secured Parties (including each Affiliated Lender), and no Loan Party shall have rights as a third-party beneficiary of any of such provisions.

Section 10.12 No Fiduciary Relationship. It is understood and agreed that the use of the term "agent" herein or in any other Loan Document (or any other similar term) with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

By becoming a party to this Agreement, each Lender:

(a) is deemed to have requested that each Agent furnish such Lender, promptly after it becomes available, a copy of each inspection report (if any) with respect to the Parent or any of its Subsidiaries (each, a "Report") prepared by or at the request of such Agent, and each Agent shall so furnish each Lender with each such Report,

(b) expressly agrees and acknowledges that the Agents (i) do not make any representation or warranty as to the accuracy of any Reports, and (ii) shall not be liable for any information contained in any Reports,

(c) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that any Agent or other party performing any audit or examination will inspect only specific information regarding the Parent and its Subsidiaries and will rely significantly upon the Parent's and its Subsidiaries' books and records, as well as on representations of their personnel,

(d) agrees to keep all Reports and other material, non-public information regarding the Parent and its Subsidiaries and their operations, assets, and existing and contemplated business plans in a confidential manner in accordance with Section 12.20, and

(e) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold any Agent and any other Lender preparing a Report harmless from any action the indemnifying Lender may take or fail to take or any conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to the Borrowers, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a loan or loans of the Borrowers, and (ii) to pay and protect, and indemnify, defend and hold any Agent and any other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including, attorneys' fees and costs) incurred by any such Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

Section 10.13 Collateral Custodian. Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent or its designee may at any time and from time to time employ and maintain on the premises of any Loan Party a custodian selected by the Collateral Agent or its designee who shall have full authority to do all acts necessary to protect the Agents' and the Lenders' interests. Each Loan Party hereby agrees to, and to cause its Subsidiaries to, cooperate with any such custodian and to do whatever the Collateral Agent or its designee may reasonably request to preserve the Collateral.

Section 10.14 Collateral Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Collateral Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether any Agent shall have made any demand on the Borrowers) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Secured Parties (including any claim for the compensation, expenses, disbursements and advances of the Secured Parties and their respective agents and counsel and all other amounts due to the Secured Parties hereunder and under the other Loan Documents) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Secured Party to make such payments to the Collateral Agent and, in the event that the Collateral Agent shall consent to the making of such payments directly to the Secured Parties, to pay to the Collateral Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Collateral Agent and its agents and counsel, and any other amounts due to the Collateral Agent hereunder and under the other Loan Documents.

Section 10.15 Withholding Taxes. To the extent required by any applicable Requirement of Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the United States Internal Revenue Service or any other Governmental Authority asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify the Administrative Agent of a change in circumstance which rendered the exemption from, or reduction of, withholding Tax ineffective or for any other reason, or if the Administrative Agent

reasonably determines that a payment was made to a Lender pursuant to this Agreement without deduction of applicable withholding Tax from such payment, such Lender shall indemnify the Administrative Agent fully, within 10 days after written demand therefor, for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including any penalties or interest and together with all expenses (including legal expenses, allocated internal costs and out-of-pocket expenses) incurred. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent a manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this Section 10.15. The agreements in this section 10.15 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

ARTICLE XI
GUARANTY

Section 11.01 Guaranty. Each Guarantor hereby jointly and severally and unconditionally and irrevocably guarantees the punctual payment when due, whether at stated maturity, by acceleration or otherwise, of all Obligations of the Borrowers now or hereafter existing under any Loan Document, whether for principal, interest (including, without limitation, all interest that accrues after the commencement of any Insolvency Proceeding of any Borrower, whether or not a claim for post-filing interest is allowed in such Insolvency Proceeding), fees, commissions, expense reimbursements, indemnifications or otherwise (such obligations, to the extent not paid by the Borrowers, being the "Guaranteed Obligations"), and agrees to pay (without duplication of any amounts payable under Section 12.04) any and all reasonable and documented out-of-pocket expenses (including reasonable and documented out-of-pocket fees and expenses of one outside counsel and one local counsel in each relevant jurisdiction) incurred by the Agents and the Lenders in enforcing any rights under the guaranty set forth in this ARTICLE XI. Without limiting the generality of the foregoing, each Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by the Borrowers to the Agents and the Lenders under any Loan Document but for the fact that they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving any Borrower. Notwithstanding any of the foregoing, Guaranteed Obligations shall not include any Excluded Hedge Liabilities. In no event shall the obligation of any Guarantor hereunder exceed the maximum amount such Guarantor could guarantee under any bankruptcy, insolvency or other similar law.

Section 11.02 Guaranty Absolute. Each Guarantor jointly and severally guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Agents or the Lenders with respect thereto. Each Guarantor agrees that this ARTICLE XI constitutes a guaranty of payment when due and not of collection and waives any right to require that any resort be made by any Agent or any Lender to any Collateral. The obligations of each Guarantor under this ARTICLE XI are independent of the Guaranteed Obligations, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce such obligations, irrespective of whether any action is brought against any Loan Party or whether any Loan Party is joined in any such action or actions. The liability of each Guarantor under this ARTICLE XI shall be irrevocable, absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives any defenses it may now or hereafter have in any way relating to, any or all of the following:

(a) any lack of validity or enforceability of any Loan Document or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to departure from any Loan Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Loan Party or otherwise;

(c) any taking, exchange, release or non-perfection of any Collateral, or any taking, release or amendment or waiver of or consent to departure from any other guaranty, for all or any of the Guaranteed Obligations;

(d) the existence of any claim, set-off, defense or other right that any Guarantor may have at any time against any Person, including, without limitation, any Agent or any Lender;

(e) any change, restructuring or termination of the corporate, limited liability company or partnership structure or existence of any Loan Party; or

(f) any other circumstance (other than the defense of payment, but including, without limitation, any statute of limitations) or any existence of or reliance on any representation by the Agents or the Lenders that might otherwise constitute a defense available to, or a discharge of, any Loan Party or any other guarantor or surety.

This ARTICLE XI shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by the Agents, the Lenders or any other Person upon the insolvency, bankruptcy or reorganization of any Borrower or otherwise, all as though such payment had not been made.

Section 11.03 Waiver. Each Guarantor hereby waives (i) promptness and diligence, (ii) notice of acceptance and any other notice with respect to any of the Guaranteed Obligations and this ARTICLE XI and any requirement that the Agents or the Lenders exhaust any right or take any action against any Loan Party or any other Person or any Collateral, (iii) any right to compel or direct any Agent or any Lender to seek payment or recovery of any amounts owed under this ARTICLE XI from any one particular fund or source or to exhaust any right or take any action against any other Loan Party, any other Person or any Collateral, (iv) any requirement that any Agent or any Lender protect, secure, perfect or insure any security interest or Lien on any property subject thereto or exhaust any right to take any action against any Loan Party, any other Person or any Collateral, and (v) any other defense available to any Guarantor. Each Guarantor agrees that the Agents and the Lenders shall have no obligation to marshal any assets in favor of any Guarantor or against, or in payment of, any or all of the Obligations. Each

Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated herein and that the waiver set forth in this Section 11.03 is knowingly made in contemplation of such benefits. Each Guarantor hereby waives any right to revoke thisARTICLE XI, and acknowledges that this ARTICLE XI is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

Section 11.04 Continuing Guaranty; Assignments. This ARTICLE XI is a continuing guaranty and shall (a) remain in full force and effect until the later of the payment in full of the Guaranteed Obligations (other than unasserted contingent indemnification Obligations) and the Final Maturity Date, (b) be binding upon each Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by the Agents, and their successors, pledgees, transferees and assigns. Without limiting the generality of the foregoing clause (c), any Lender may pledge, assign or otherwise transfer all or any portion of its rights and obligations under this Agreement (including, without limitation, all or any portion of its Commitments and its Loans owing to it) to any other Person to the extent otherwise permitted hereunder, and such other Person shall thereupon become vested with all the benefits in respect thereof granted such Lender herein or otherwise, in each case as provided in Section 12.07.

Section 11.05 Subrogation. No Guarantor will exercise any rights that it may now or hereafter acquire against any Loan Party or any other guarantor that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under this ARTICLE XI, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of the Agents and the Lenders against any Loan Party or any other guarantor or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any Loan Party or any other guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security solely on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations (other than unasserted contingent indemnification Obligations) shall have been paid in full and the Final Maturity Date shall have occurred. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to the later of the payment in full of the Guaranteed Obligations (other than unasserted contingent indemnification Obligations) and the Final Maturity Date, such amount shall (A) to the extent Guaranteed Obligations are outstanding, be held in trust for the benefit of the Agents and the Lenders, as applicable, and shall forthwith be paid to the Agents and the Lenders, as applicable, to be credited and applied to such Guaranteed Obligations, in accordance with the terms of this Agreement or (B) promptly be returned to the party which paid such amount. If (i) any Guarantor shall make payment to the Agents and the Lenders of all or any part of the Guaranteed Obligations (other than unasserted contingent indemnification Obligations), (ii) all of the Guaranteed Obligations (other than unasserted contingent indemnification Obligations) shall be paid in full and (iii) the Final Maturity Date shall have occurred, the Agents and the Lenders will, at such Guarantor's request and expense, execute and deliver to such Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the Guaranteed Obligations resulting from such payment by such Guarantor.

Section 11.06 Contribution. All Guarantors desire to allocate among themselves, in a fair and equitable manner, their obligations arising under this Guaranty. Accordingly, in the event any payment or distribution is made on any date by a Guarantor under this Guaranty such that its Aggregate Payments exceeds its Fair Share as of such date, such Guarantor shall be entitled to a contribution from each of the other Guarantors in an amount sufficient to cause each Guarantor's Aggregate Payments to equal its Fair Share as of such date.

"Fair Share" means, with respect to any Guarantor as of any date of determination, an amount equal to the sum of (a) its pro rata portion of the aggregate amount paid or distributed on or before such date by any Guarantor under this Guaranty in respect of the Guaranteed Obligations and (b) its pro rata portion of Deficits with respect to the other Guarantors, if any, in each case subject to its Maximum Contribution Amount (such amounts under clauses (a) or (b) in excess of the Maximum Contribution Amount with respect to any Guarantor, "Deficits").

"Maximum Contribution Amount" means, with respect to any Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Guarantor under this Guaranty that would not render its obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any comparable applicable provisions of state law; provided, solely for purposes of calculating the "Maximum Contribution Amount" with respect to any Guarantor for purposes of this Section 11.06, any assets or liabilities of such Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Guarantor.

"Aggregate Payments" means, with respect to any Guarantor as of any date of determination, an amount equal to (A) the aggregate amount of all payments and distributions made on or before such date by such Guarantor in respect of this Guaranty (including, without limitation, in respect of this Section 11.06), minus (B) the aggregate amount of all payments received on or before such date by such Guarantor from the other Guarantors as contributions under this Section 11.06. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Guarantor. The allocation among Guarantors of their obligations as set forth in this Section 11.06 shall not be construed in any way to limit the liability of any Guarantor hereunder. Each Guarantor is a third party beneficiary to the contribution agreement set forth in this Section 11.06.

All such notices and other communications shall be effective, (i) if mailed (certified mail, postage prepaid and return receipt requested), when received or three (3) days after deposited in the mails, whichever occurs first, (ii) if emailed, in accordance with Section 12.01(c), or (iii) if delivered by hand, Federal Express or other reputable overnight courier, upon delivery, except that notices to any Agent pursuant to ARTICLE II shall not be effective until received by such Agent, as the case may be.

(b) Electronic Communications. Each party hereto may, in its discretion, by written notice to the other parties hereto decline to accept any or all notices and other communications to it hereunder by electronic communications.

(c) Unless the Administrative Agent otherwise prescribes, (A) notices and other communications sent to ane-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (B) notices or communications posted to an internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (A), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (A) and (B) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(d) (i) The Borrowers agrees that the Administrative Agent may, but shall not be obligated to, make the Communications (as defined below) available to the Lenders by posting the Communications on DebtDomain, Intralinks, Syndtrak or a substantially similar electronic transmission system (the "Platform").

(ii) The Platform is provided "as is" and "as available." The Agent Parties (as defined below) do not warrant the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non- infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or the Platform. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to any Loan Party, any Lender or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Loan Party's or the Administrative Agent's transmission of communications through the Platform. "Communications" means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of the Borrower pursuant to any Loan Document or the transactions contemplated therein which is distributed to the Administrative Agent or any Lender by means of electronic communications pursuant to this Section, including through Platform.

Section 12.02 Amendments, Etc. (a) No amendment or waiver of any provision of this Agreement or any other Loan Document (excluding the Agent Fee Letter), and no consent to any departure by any Loan Party therefrom, shall in any event be effective unless the same shall be in writing and signed (x) in the case of an amendment, consent or waiver to cure any ambiguity, omission, defect or inconsistency or granting a new Lien for the benefit of the Agents and the Lenders or extending an existing Lien over additional property, by the Agents and the Borrower, and (y) in the case of any other amendment, consent or waiver, by the Required

Lenders (or by the Administrative Agent with the consent of the Required Lenders) and the Borrower, and acknowledged by the Administrative Agent, and then such amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given, provided, however, that no amendment, waiver or consent shall (i) increase the Commitment of any Lender, reduce the principal of, or interest on, the Loans payable to any Lender, reduce the amount of any fee payable for the account of each Lender, or postpone or extend any scheduled date fixed for any payment (which shall in no event include any mandatory prepayment) of principal of, or interest or fees on, the Loans without the written consent of any Lender affected thereby (including the Affiliated Lenders), (ii) change any term or provision herein to permit open market purchases, permitted debt exchanges or other similar type transaction that would permit the purchase or repurchase of the Term Loans in an amount other than as set forth in "Pro Rata Share" without the consent of each Lender, (iii) change the percentage of the Commitments or of the aggregate unpaid principal amount of the Loans that is required for the Lenders or any of them to take any action hereunder without the written consent of each Lender (other than the Affiliated Lenders), (iv) amend the definition of "Excluded Hedge Liability" (or any defined term used therein or any provision expressly relating to Excluded Hedge Liabilities), "Required Lenders" or "Pro Rata Share" without the written consent of each Lender (other than the Affiliated Lenders), (v) release all or a substantial portion of the Collateral (except as otherwise provided in this Agreement and the other Loan Documents), or release any Borrower or any Guarantor without the written consent of each Lender (other than the Affiliated Lenders), (vi) amend, modify or waive Section 4.04 or this Section 12.02 of this Agreement without the written consent of each Lender (other than the Affiliated Lenders) or (vii) subordinate (x) the Liens securing any of the Obligations to the Liens securing any other Indebtedness or other obligations or (y) any Obligations in contractual right of payment to any other Indebtedness or other obligations (any such other Indebtedness or other obligations, to which such Liens securing any of the Obligations or such Obligations, as applicable, are subordinated, "Senior Indebtedness"), in either the case of subclause (x) or (y), unless each adversely affected Lender has been offered a bona fide opportunity to fund or otherwise provide its pro rata share (based on the amount of Obligations that are adversely affected thereby held by each Lender) of the Senior Indebtedness on the same terms (other than reimbursement of counsel fees and other professional expenses in connection with the negotiation of the terms of such transaction; such fees and expenses, "Ancillary Fees") as offered to all other providers (or their Affiliates) of the Senior Indebtedness and to the extent such adversely affected Lender decides to participate in the Senior Indebtedness, receive its pro rata share of the fees and any other similar benefit (other than Ancillary Fees) of the Senior Indebtedness afforded to the providers of the Senior Indebtedness (or any of their Affiliates) in connection with providing the Senior Indebtedness pursuant to a written offer made to each such adversely affected Lender describing the material terms of the arrangements pursuant to which the Senior Indebtedness is to be provided, which offer shall remain open to each adversely affected Lender for a period of not less than five (5) Business Days from the date such Lender is initially contacted.

Notwithstanding the foregoing, (A) no amendment, waiver or consent shall, unless in writing and signed by an Agent, affect the rights or duties of such Agent under this Agreement or the other Loan Documents, (B) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Final Maturity Date of such Loan held by the Defaulting Lender may not be extended without the consent of such Defaulting Lender, (C) unless otherwise set forth above in this Section 12.02, the

Affiliated Lenders shall not be entitled to vote on any amendment, waiver, consent or other matter under this Agreement, (D) for the purposes of voting on amendments, waivers and consents with respect to the Loan Documents, except as provided in clauses (B) and (C) above, the Defaulting Lenders and the Affiliated Lenders shall be deemed not to be "Lenders" and the Loans held by the Affiliated Lenders and Defaulting Lenders shall be deemed to be zero and (E) any amendment or modification to the Agent Fee Letter, or waiver of any rights or privileges thereunder, shall only require the consent of the Borrowers and the Agents party thereto.

Notwithstanding anything else in this Agreement and whether or not the Borrowers or Guarantors are in bankruptcy, all Lenders will have the right to participate their Pro Rata Share in any additional capital invested by any of the other Lenders on the same terms as any other Lender (other than Ancillary Fees) if such new capital is (i) pari passu or senior in right of lien priority on any of the assets of the Borrowers or any of their Subsidiaries as compared to the Liens granted to the Administrative Agent pursuant to the Security Agreement or (ii) has a contractual right of payment that is pari passu or senior to (x) the Obligations or (y) any security or loan received from or in exchange for the Term Loans. The offer to participate in any such transaction for a Lender will be available for a period of at least five (5) Business Days from when such Lender has been contacted about such new capital.

(b) If (A)(i) any action to be taken by the Lenders hereunder requires the unanimous consent, authorization, or agreement of all of the Lenders (other than the Affiliated Lenders), (ii) the Required Lenders have consented to such action and (iii) a Lender other than the Collateral Agent or Administrative Agent, fails to give its consent, authorization, or agreement, or (B) any Lender requests reimbursement under Section 2.08 or Section 4.05 (each of the Lenders described in clauses (A) and (B), a "Holdout Lender"), then the Administrative Borrower upon at least five (5) Business Days prior irrevocable notice to the Holdout Lender, may permanently replace the Holdout Lender with one or more substitute Replacement Lenders reasonably acceptable to the Required Lenders and the Administrative Agent, and the Holdout Lender shall have no right to refuse to be replaced hereunder. Such notice to replace the Holdout Lender shall specify an effective date for such replacement, which date shall not be later than fifteen (15) Business Days after the date such notice is given. Prior to the effective date of such replacement, the Holdout Lender and the Replacement Lender shall execute and deliver an Assignment and Acceptance, subject only to the Holdout Lender being repaid its share of the outstanding Obligations without any premium or penalty. If the Holdout Lender shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, the Holdout Lender shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Holdout Lender shall be made in accordance with the terms of Section 12.07(b). Until such time as the Replacement Lender shall have acquired all of the Obligations, the Commitments, and the other rights and obligations of the Holdout Lender hereunder and under the other Loan Documents, the Holdout Lender shall remain obligated to make its Pro Rata Share of the Loans.

Section 12.03 No Waiver; Remedies, Etc. No failure on the part of any Agent or any Lender to exercise, and no delay in exercising, any right hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right under any Loan Document preclude any other or further exercise thereof or the exercise of any other right. The rights and remedies of the Agents and the Lenders provided herein and in the

other Loan Documents are cumulative and are in addition to, and not exclusive of, any rights or remedies provided by law. The rights of the Agents and the Lenders under any Loan Document against any party thereto are not conditional or contingent on any attempt by the Agents and the Lenders to exercise any of their rights under any other Loan Document against such party or against any other Person.

Section 12.04 Expenses; Attorneys' Fees. The Borrowers shall pay promptly, and in any event within ten (10) Business Days of delivery of an invoice, all reasonable and documented out-of-pocket costs and expenses incurred by or on behalf of each Agent and the Lenders (and, without duplication, in the case of clauses (b) through (j) below, each Lender), regardless of whether the transactions contemplated hereby are consummated, including, without limitation, reasonable and documented out-of-pocket fees, costs, client charges and expenses of (x) one outside counsel and one local counsel in each relevant jurisdiction for the Agents and (y) one outside counsel and one local counsel in each relevant jurisdiction for the Lenders (taken as a whole) (and, without duplication, in the case of clauses (b) through (j) below, each Lender), accounting, due diligence, searches and filings and other miscellaneous disbursements arising from or relating to: (a) the negotiation, preparation, execution, delivery, performance and administration of this Agreement and the other Loan Documents (including, without limitation, the preparation of any additional Loan Documents pursuant to Section 7.01(b) or the review of any of the agreements, instruments and documents referred to in Section 7.01(f)), (b) any requested amendments, waivers or consents to this Agreement or the other Loan Documents whether or not such documents become effective or are given, (c) the preservation and protection of the Agents' or any of the Lenders' rights under this Agreement or the other Loan Documents, (d) the defense of any claim or action asserted or brought against any Agent or any Lender by any Person that arises from or relates to this Agreement, any other Loan Document, the Agents' or the Lenders' claims against any Loan Party under the Loan Documents, or any and all matters in connection therewith, (e) the commencement or defense of, or intervention in, any court proceeding arising from or related to this Agreement or any other Loan Document, (f) the filing of any petition, complaint, answer, motion or other pleading by any Agent or any Lender, or the taking of any action in respect of the Collateral, in connection with this Agreement or any other Loan Document, (g) the protection, collection, lease, sale, taking possession of or liquidation of, any Collateral in connection with this Agreement or any other Loan Document, (h) any attempt to enforce any Lien or security interest in any Collateral in connection with this Agreement or any other Loan Document, (i) any attempt to collect from any Loan Party or Guarantor under the Loan Documents, (j) all liabilities and costs arising from or in connection with the past, present or future operations of any Loan Party involving any damage to real or personal property or natural resources or harm or injury alleged to have resulted from any Release of Hazardous Materials on, upon or into such property, (k) any Environmental Liabilities and Costs incurred in connection with the investigation, removal, cleanup and/or remediation of any Hazardous Materials present or arising out of the operations of any Facility of any Loan Party, (l) any Environmental Liabilities and Costs incurred in connection with any Environmental Lien, (m) the rating of the Loans by one or more rating agencies in connection with any Lender's Securitization, or (n) the receipt by any Agent or, in the case of clauses (b) through (i) above, any Lender of any advice from professionals with respect to any of the foregoing. Without limitation of the foregoing or any other provision of any Loan Document: (x) the Borrowers agree to pay all broker fees that may become due in connection with the transactions contemplated by this Agreement and the other Loan Documents, and (y) if the Borrowers fail to perform any covenant

or agreement contained herein or in any other Loan Document, any Agent may itself (but shall not be required to) perform or cause performance of such covenant or agreement, and the expenses of such Agent incurred in connection therewith shall be reimbursed on demand by the Borrowers. The obligations of the Borrowers under this Section 12.04 shall survive the repayment of the Obligations and discharge of any Liens granted under the Loan Documents.

Section 12.05 Right of Set-off. Upon the occurrence and during the continuance of any Event of Default, any Agent or any Lender may, and is hereby authorized to, at any time and from time to time, without notice to any Loan Party (any such notice being expressly waived by the Loan Parties) and to the fullest extent permitted by law, set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other Indebtedness at any time owing by such Agent or such Lender to or for the credit or the account of any Loan Party against any and all obligations of the Loan Parties either now or hereafter existing under any Loan Document, irrespective of whether or not such Agent or such Lender shall have made any demand hereunder or thereunder and although such obligations may be contingent or unmatured. Each Agent and each Lender agrees to notify such Loan Party (and in the case of a set-off by a Lender, the Administrative Agent) promptly after any such set-off and application made by such Agent or such Lender provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of the Agents and the Lenders under this Section 12.05 are in addition to the other rights and remedies (including other rights of set-off) which the Agents and the Lenders may have under this Agreement or any other Loan Documents of law or otherwise.

Section 12.06 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 12.07 Assignments and Participations.

(a) This Agreement and the other Loan Documents shall be binding upon and inure to the benefit of each Loan Party and each Agent and each Lender and their respective successors and assigns; provided, however, that none of the Loan Parties may assign or transfer any of its rights hereunder or under the other Loan Documents without the prior written consent of each Lender and the Administrative Agent and any such assignment without the Lenders' and the Administrative Agent's prior written consent shall be null and void and no Lender may assign or transfer any of its rights hereunder or under the other Loan Documents except (i) to an assignee in accordance with the provisions of Section 12.07(b) and (ii) by way of participation in accordance with the provisions of Section 12.07(i).

(b) Each Lender may with the written consent of the Administrative Agent, assign to (i) one or more Eligible Transferees and (ii) if an Event of Default under Sections 9.01(a), (f) or (g) has occurred and is continuing, one or more Ineligible Institutions, in each case, all or a portion of its rights and obligations under this Agreement with respect to all or a portion of its Term Loan Commitment and any portion of the Term Loans made by it (provided that assignments to Affiliated Lenders shall not require the consent of the Administrative Agent); provided, however, that (i) any such assignment under clause (i) above shall require the prior

consent of the Administrative Borrower (which consent shall not be unreasonably withheld, conditioned or delayed nor shall it be required during the existence of an Event of Default), (ii) such assignment is in an amount which is at least $5,000,000 or a multiple of $1,000,000 in excess thereof (or the remainder of such Lender's Commitment) (except such minimum amount shall not apply to an assignment by a Lender to (x) a Lender, an Affiliate of such Lender or a Related Fund of such Lender or (y) a group of new Lenders, each of whom is an Affiliate or Related Fund of each other to the extent the aggregate amount to be assigned to all such new Lenders is at least $5,000,000 or a multiple of $1,000,000 in excess thereof), (iii) the parties to each such assignment shall execute and deliver to each Agent, an Assignment and Acceptance, and such parties shall deliver to the Administrative Agent, for the benefit of the Administrative Agent, a processing and recordation fee of $5,000 (provided that the Administrative Agent, in its sole discretion, may elect to waive or reduce such processing and recordation fee), (iv) any such assignment shall require the consent of the Administrative Agent (which consent shall not be unreasonably withheld or delayed; provided, that no written consent of the Collateral Agent, the Administrative Agent or the Administrative Borrower shall be required (1) in connection with any assignment by a Lender to a Lender, an Affiliate of such Lender or a Related Fund of such Lender or (2) if such assignment is in connection with any merger, consolidation, sale, transfer, or other disposition of all or any substantial portion of the business or loan portfolio of such Lender and (v) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent any tax forms required by Section 2.08 and an Administrative Questionnaire. Upon such execution, delivery and acceptance, from and after the effective date specified in each Assignment and Acceptance and recordation in the Register, (A) the assignee thereunder shall become a "Lender" hereunder and, in addition to the rights and obligations hereunder held by it immediately prior to such effective date, have the rights and obligations hereunder that have been assigned to it pursuant to such Assignment and Acceptance and (B) the assigning Lender thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) Notwithstanding the foregoing or anything to the contrary set forth herein, no assignment shall be made at any time to any Defaulting Lender or any of its Subsidiaries or Affiliates, or any Person who, upon becoming a Lender would constitute a Defaulting Lender.

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, the assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or any other Loan Document or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other Loan Document furnished pursuant hereto; (ii) the assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Loan Party or any of its Subsidiaries or the performance or observance by any Loan Party of any of its obligations under this Agreement or any other Loan Document furnished pursuant hereto; (iii) such assignee confirms that it has received a copy of this Agreement and the other Loan Documents, together with such other documents and information it has deemed appropriate to make its own credit analysis and

decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon the assigning Lender, any Agent or any Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement and the other Loan Documents; (v) such assignee appoints and authorizes the Agents to take such action as agents on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to the Agents by the terms hereof and thereof, together with such powers as are reasonably incidental hereto and thereto; and (vi) such assignee agrees that it will perform in accordance with their terms all of the obligations which by the terms of this Agreement and the other Loan Documents are required to be performed by it as a Lender.

(d) The Administrative Agent shall, acting solely for this purpose as anon-fiduciary agent of the Borrowers, maintain, or cause to be maintained at one of its offices in the United States, a copy of each Assignment and Acceptance delivered to and accepted by it and a register (the "Register") for the recordation of the names and addresses of the Lenders and the Commitments of, and the principal amount of the Loans (and stated interest thereon) (the "Registered Loans") owing to each Lender from time to time. The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrowers, the Agents and the Lenders shall treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Administrative Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(e) Upon receipt by the Administrative Agent of a completed Assignment and Acceptance and the processing and recordation fee (if applicable) and other items required to be delivered to the Administrative Agent Section 12.07(b), and subject to any consent required from the Administrative Agent pursuant to Section 12.07(b) (which consent of the Administrative Agent must be evidenced by the Administrative Agent's execution of an acceptance to such Assignment and Acceptance), the Administrative Agent shall accept such assignment, record the information contained therein in the Register.

(f) A Registered Loan (and the registered note, if any, evidencing the same) may be assigned or sold in whole or in part only by registration of such assignment or sale on Register (and each registered note shall expressly so provide). Any assignment or sale of all or part of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by registration of such assignment or sale on the Register. Prior to the registration of assignment or sale of any Registered Loan (and the registered note, if any, evidencing the same), the Agents shall treat the Person in whose name such Registered Loan (and the registered note, if any, evidencing the same) is registered on the Register as the owner thereof for the purpose of receiving all payments thereon, notwithstanding notice to the contrary.

(g) In the event that any Lender sells participations in a Registered Loan, such Lender shall, acting for this purpose as anon-fiduciary agent on behalf of the Borrowers, maintain, or cause to be maintained, a register, on which it enters the name of all participants in the Registered Loans held by it and the principal amount (and stated interest thereon) of the portion of the Registered Loan that is the subject of the participation (the "Participant Register"). A Registered Loan (and the registered note, if any, evidencing the same)

may be participated in whole or in part only by registration of such participation on the Participant Register (and each registered note shall expressly so provide). Any participation of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by the registration of such participation on the Participant Register. The Participant Register shall be available for inspection by the Administrative Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(h) Any Non-U.S. Lender who purchases or is assigned or participates in any portion of such Registered Loan shall comply with Section 2.08(d).

(i) Each Lender may sell participations to (x) one or more Eligible Transferees and (y) if an Event of Default under Sections 9.01(a), (f) or (g) has occurred and is continuing, one or more Ineligible Institutions, in each case, in or to all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including, without limitation, all or a portion of its Commitments and the Loans made by it); provided, that (i) such Lender's obligations under this Agreement (including without limitation, its Commitments hereunder) and the other Loan Documents shall remain unchanged and that any such participant shall not be entitled to receive any greater payment or benefit hereunder than such Lender would have been entitled to receive with respect to the participation sold to such participant unless the sale of such participation is made with the Administrative Borrower's prior written consent; (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and the Borrowers, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and the other Loan Documents; and (iii) a participant shall not be entitled to require such Lender to take or omit to take any action hereunder except (A) action directly effecting an extension of the maturity dates or decrease in the principal amount of the Loans, (B) action directly effecting an extension of the due dates or a decrease in the rate of interest payable on the Loans or the fees payable under this Agreement, or (C) actions directly effecting a release of all or a substantial portion of the Collateral or any Loan Party (except as set forth in Section 10.08 of this Agreement or any other Loan Document). The Loan Parties agree that each participant shall be entitled to the benefits of Section 2.08, subject to the obligations and limitations set forth thereunder; provided that the Administrative Borrower shall be notified of such participation and such participant shall agree, for the benefit of the Borrowers, to comply with Section 2.08(d) of this Agreement with respect to its participation in any portion of the Commitments and the Loans as if it was a Lender.

(j) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or loans made to, or other indebtedness issued by, such Lender pursuant to a securitization transaction (including any structured warehouse credit facility, collateralized loan obligation transaction or similar facility or transaction, and including any further securitization of the indebtedness or equity issued under such a transaction) (a "Securitization"); provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto. The Loan Parties shall cooperate with such Lender and its Affiliates to effect a Securitization, including, without limitation, by providing such information as may be reasonably requested by such Lender in connection with the rating of its Loans or any Securitization.

Section 12.08 Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Agreement by electronic mail shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party may request in writing that parties delivering an executed counterpart of this Agreement by electronic mail also deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement. The foregoing shall apply to each other Loan Document *mutatis mutandis*.

Section 12.09 GOVERNING LAW. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (UNLESS EXPRESSLY PROVIDED TO THE CONTRARY IN ANOTHER LOAN DOCUMENT IN RESPECT OF SUCH OTHER LOAN DOCUMENT) SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN THE STATE OF NEW YORK.

Section 12.10 CONSENT TO JURISDICTION; SERVICE OF PROCESS AND VENUE. ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK IN THE COUNTY OF NEW YORK OR OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY HEREBY IRREVOCABLY ACCEPTS IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS. EACH LOAN PARTY HEREBY IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS AND IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO THE ADMINISTRATIVE BORROWER AT ITS ADDRESS FOR NOTICES AS SET FORTH IN SECTION 12.01 AND TO THE SECRETARY OF STATE OF THE STATE OF NEW YORK, SUCH SERVICE TO BECOME EFFECTIVE TEN (10) DAYS AFTER SUCH MAILING. THE LOAN PARTIES AGREE THAT A FINAL NON-APPEALABLE JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE AGENTS AND THE LENDERS TO SERVICE OF PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST ANY LOAN PARTY IN ANY OTHER JURISDICTION. EACH LOAN PARTY, EACH AGENT AND THE LENDERS HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE JURISDICTION OR LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN ANY SUCH COURT

REFERRED TO ABOVE AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. TO THE EXTENT THAT ANY LOAN PARTY HAS OR HEREAFTER MAY ACQUIRE ANY IMMUNITY FROM JURISDICTION OF ANY COURT OR FROM ANY LEGAL PROCESS (WHETHER THROUGH SERVICE OR NOTICE, ATTACHMENT PRIOR TO JUDGMENT, ATTACHMENT IN AID OF EXECUTION OR OTHERWISE) WITH RESPECT TO ITSELF OR ITS PROPERTY, EACH LOAN PARTY, EACH AGENT AND THE LENDERS HEREBY IRREVOCABLY WAIVES SUCH IMMUNITY IN RESPECT OF ITS OBLIGATIONS UNDER THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS.

Section 12.11 WAIVER OF JURY TRIAL, ETC. EACH LOAN PARTY, EACH AGENT AND EACH LENDER HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM CONCERNING ANY RIGHTS UNDER THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS, OR UNDER ANY AMENDMENT, WAIVER, CONSENT, INSTRUMENT, DOCUMENT OR OTHER AGREEMENT DELIVERED OR WHICH IN THE FUTURE MAY BE DELIVERED IN CONNECTION THEREWITH, OR ARISING FROM ANY FINANCING RELATIONSHIP EXISTING IN CONNECTION WITH THIS AGREEMENT, AND AGREES THAT ANY SUCH ACTION, PROCEEDINGS OR COUNTERCLAIM SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. EACH LOAN PARTY CERTIFIES THAT NO OFFICER, REPRESENTATIVE, AGENT OR ATTORNEY OF ANY AGENT OR ANY LENDER HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT ANY AGENT OR ANY LENDER WOULD NOT, IN THE EVENT OF ANY ACTION, PROCEEDING OR COUNTERCLAIM, SEEK TO ENFORCE THE FOREGOING WAIVERS. EACH LOAN PARTY HEREBY ACKNOWLEDGES THAT THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE AGENTS AND THE LENDERS ENTERING INTO THIS AGREEMENT.

Section 12.12 Consent by the Agents and Lenders. Except as otherwise expressly set forth herein to the contrary or in any other Loan Document, if the consent, approval, satisfaction, determination, judgment, acceptance or similar action (an "Action") of any Agent or any Lender shall be permitted or required pursuant to any provision hereof or any provision of any other agreement to which any Loan Party is a party and to which any Agent or any Lender has succeeded thereto, such Action shall be required to be in writing and may be withheld or denied by such Agent or such Lender (other than an Affiliated Lender), in its reasonable discretion, with or without any reason.

Section 12.13 No Party Deemed Drafter. Each of the parties hereto agrees that no party hereto shall be deemed to be the drafter of this Agreement.

Section 12.14 Reinstatement; Certain Payments. If any claim is ever made upon any Agent or any Lender for repayment or recovery of any amount or amounts received by such Agent or such Lender in payment or on account of any of the Obligations, such Agent or such Lender shall give prompt notice of such claim to each other Agent and Lender and the Administrative Borrower, and if such Agent or such Lender repays all or part of such amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such Agent or such Lender or any of its property, or (ii) any good faith

settlement or compromise of any such claim effected by such Agent or such Lender with any such claimant, then and in such event each Loan Party agrees that (A) any such judgment, decree, order, settlement or compromise shall be binding upon it notwithstanding the cancellation of any Indebtedness hereunder or under the other Loan Documents or the termination of this Agreement or the other Loan Documents, and (B) it shall be and remain liable to such Agent or such Lender hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by such Agent or such Lender.

Section 12.15 Indemnification.

(a) General Indemnity. In addition to each Loan Party's other Obligations under this Agreement, each Loan Party agrees to, jointly and severally, defend, protect, indemnify and hold harmless each Agent and each Lender and all of their respective Related Parties (collectively called the "Indemnitees") from and against any and all losses, damages, liabilities, obligations, penalties, fees, reasonable and documentedout-of-pocket costs and expenses (including, without limitation, reasonable and documented out-of-pocket costs and expenses of (i) one outside counsel and one local counsel to the Agents and the Related Parties in each relevant jurisdiction and (ii) one outside counsel and one local counsel to the other Indemnitees (taken as a whole) in each relevant jurisdiction) incurred by such Indemnitees, whether prior to or from and after the Effective Date, whether direct, indirect or consequential, as a result of or arising from or relating to or in connection with any of the following: (i) the negotiation, preparation, execution or performance or enforcement of this Agreement, any other Loan Document or of any other document executed in connection with the transactions contemplated by this Agreement, (ii) any Agent's or any Lender's furnishing of funds to the Borrowers under this Agreement or the other Loan Documents, including, without limitation, the management of any such Loans, (iii) any matter relating to the financing transactions contemplated by this Agreement or the other Loan Documents or by any document executed in connection with the transactions contemplated by this Agreement or the other Loan Documents, or (iv) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto (collectively, the "Indemnified Matters"); provided, however, that the Loan Parties shall not have any obligation to any Indemnitee under this subsection (a) for any Indemnified Matter (x) caused by the gross negligence or willful misconduct of such Indemnitee as determined by a finalnon-appealable judgment of a court of competent jurisdiction, or (y) arising from disputes solely among the Agents, the Lenders (other than the Affiliated Lenders) and their respective participants(other than disputes involving claims by or against the Administrative Agent or the Collateral Agent, in each case, in their respective capacities as such) that do not involve an act or omission by any Loan Party or any Subsidiary or Affiliate thereof or (z) other than in the case of the Agents and their Related Parties, that has resulted from an intentional breach of such Indemnitee's obligations under this Agreement as determined by a final non-appealable judgment of a court of competent jurisdiction. This Section 12.15(a) shall not apply with respect to Taxes other than any Taxes that represent losses, damages, etc. arising from any non-Tax claim.

(b) Environmental Indemnity. Without limiting Section 12.15(a) hereof, each Loan Party agrees to, jointly and severally, defend, indemnify, and hold harmless the Indemnitees against any and all Environmental Liabilities and Costs and all other claims, demands, penalties, fines, liability (including strict liability), losses, damages, costs and expenses (including, reasonable and documented out-of-pocket fees and expenses of one outside counsel and one local counsel to the Agents and their Related Parties in each relevant jurisdiction, one outside counsel and one local counsel to the other Indemnitees (taken as a whole)in each relevant jurisdiction, consultant fees and laboratory fees), arising out of (i) any Releases or threatened Releases (x) at any property presently or formerly owned or operated by any Loan Party or any Subsidiary of any Loan Party, or any predecessor in interest, or (y) of any Hazardous Materials generated and disposed of by any Loan Party or any Subsidiary of any Loan Party, or any predecessor in interest; (ii) any violations of Environmental Laws by or relating to any Loan Party; (iii) any Environmental Action relating to any Loan Party or any Subsidiary of any Loan Party, or any predecessor in interest; (iv) any personal injury (including wrongful death) or property damage (real or personal) arising out of exposure to Hazardous Materials used, handled, generated, transported or disposed by any Loan Party or any Subsidiary of any Loan Party, or any predecessor in interest; and (v) any breach of any warranty or representation regarding environmental matters made by the Loan Parties in Section 6.01(r) or the breach of any covenant made by the Loan Parties in Section 7.01(j) (all of the foregoing, collectively, "Environmental Indemnified Matters"). Notwithstanding the foregoing, the Loan Parties shall not have any obligation to any Indemnitee under this subsection (b) regarding any potential environmental matter covered hereunder which is caused by the gross negligence or willful misconduct of such Indemnitee, as determined by a final non-appealable judgment of a court of competent jurisdiction.

(c) To the extent that the undertaking to indemnify, pay and hold harmless set forth in this Section 12.15 may be unenforceable because it is violative of any law or public policy, each Loan Party shall, jointly and severally, contribute the maximum portion which it is permitted to pay and satisfy under applicable law, to the payment and satisfaction of all Indemnified Matters and Environmental Indemnified Matters incurred by the Indemnitees. The indemnities set forth in this Section 12.15 shall survive the repayment of the Obligations, termination of the Loan Documents and discharge of any Liens granted under the Loan Documents.

Section 12.16 Administrative Borrower. Each Borrower hereby irrevocably appoints Xponential Fitness LLC as the borrowing agent and attorney-in-fact for the Borrowers (the "Administrative Borrower") which appointment shall remain in full force and effect unless and until the Agents shall have received prior written notice signed by all of the Borrowers that such appointment has been revoked and that another Borrower has been appointed Administrative Borrower. Each Borrower hereby irrevocably appoints and authorizes the Administrative Borrower (i) to provide to the Agents and receive from the Agents all notices with respect to Loans obtained for the benefit of any Borrower and all other notices and instructions under this Agreement and (ii) to take such action as the Administrative Borrower deems appropriate on its behalf to obtain Loans and to exercise such other powers as are reasonably incidental thereto to carry out the purposes of this Agreement. It is understood that the handling of the Collateral of the Borrowers in a combined fashion, as more fully set forth herein, is done solely as an accommodation to the Borrowers in order to utilize the collective borrowing powers of the Borrowers in the most efficient and economical manner and at their request, and that neither the Agents nor the Lenders shall incur liability to the Borrowers as a result hereof. Each of the Borrowers expects to derive benefit, directly or indirectly, from the handling of the Collateral in a combined fashion since the successful operation of each Borrower

is dependent on the continued successful performance of the integrated group. To induce the Agents and the Lenders to do so, and in consideration thereof, each of the Borrowers hereby jointly and severally agrees to indemnify the Indemnitees and hold the Indemnitees harmless against any and all liability, expense, loss or claim of damage or injury, made against such Indemnitee by any of the Borrowers or by any third party whosoever, arising from or incurred by reason of (a) the handling of Collateral of the Borrowers as herein provided, (b) the Agents and the Lenders relying on any instructions of the Administrative Borrower, or (c) any other action taken by any Agent or any Lender hereunder or under the other Loan Documents.

Section 12.17 Records. The unpaid principal of and interest on the Loans, the interest rate or rates applicable to such unpaid principal and interest, the duration of such applicability, the Commitments, and the accrued and unpaid fees payable pursuant to Section 2.06 hereof, including, without limitation, the fees set forth in the Agent Fee Letter and the Applicable Prepayment Premium, if any, shall at all times be ascertained from the records of the Agents, which shall be conclusive and binding absent manifest error.

Section 12.18 Binding Effect. This Agreement shall become effective when it shall have been executed by each Loan Party, each Agent and each Lender and when the conditions precedent set forth in Section 5.01 hereof have been satisfied or waived in writing by the Agents, and thereafter shall be binding upon and inure to the benefit of each Loan Party, each Agent and each Lender, and their respective successors and assigns, except that the Loan Parties shall not have the right to assign their rights hereunder or any interest herein without the prior written consent of each Agent and each Lender, and any assignment by any Lender shall be governed by Section 12.07 hereof.

Section 12.19 Interest. It is the intention of the parties hereto that each Agent and each Lender shall conform strictly to usury laws applicable to it. Accordingly, if the transactions contemplated hereby or by any other Loan Document would be usurious as to any Agent or any Lender under laws applicable to it (including the laws of the United States of America and the State of New York or any other jurisdiction whose laws may be mandatorily applicable to such Agent or such Lender notwithstanding the other provisions of this Agreement), then, in that event, notwithstanding anything to the contrary in this Agreement or any other Loan Document or any agreement entered into in connection with or as security for the Obligations, it is agreed as follows: (i) the aggregate of all consideration which constitutes interest under law applicable to any Agent or any Lender that is contracted for, taken, reserved, charged or received by such Agent or such Lender under this Agreement or any other Loan Document or agreements or otherwise in connection with the Obligations shall under no circumstances exceed the maximum amount allowed by such applicable law, any excess shall be canceled automatically and if theretofore paid shall be credited by such Agent or such Lender on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by such Agent or such Lender, as applicable, to the Borrowers); and (ii) in the event that the maturity of the Obligations is accelerated by reason of any Event of Default under this Agreement or otherwise, or in the event of any required or permitted prepayment, then such consideration that constitutes interest under law applicable to any Agent or any Lender may never include more than the maximum amount allowed by such applicable law, and excess interest, if any, provided for in this Agreement or otherwise shall be canceled automatically by such Agent or such Lender, as applicable, as of the date of such

acceleration or prepayment and, if theretofore paid, shall be credited by such Agent or such Lender, as applicable, on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by such Agent or such Lender to the Borrowers). All sums paid or agreed to be paid to any Agent or any Lender for the use, forbearance or detention of sums due hereunder shall, to the extent permitted by law applicable to such Agent or such Lender, be amortized, prorated, allocated and spread throughout the full term of the Loans until payment in full so that the rate or amount of interest on account of any Loans hereunder does not exceed the maximum amount allowed by such applicable law. If at any time and from time to time (x) the amount of interest payable to any Agent or any Lender on any date shall be computed at the Highest Lawful Rate applicable to such Agent or such Lender pursuant to this Section 12.19 and (y) in respect of any subsequent interest computation period the amount of interest otherwise payable to such Agent or such Lender would be less than the amount of interest payable to such Agent or such Lender computed at the Highest Lawful Rate applicable to such Agent or such Lender, then the amount of interest payable to such Agent or such Lender in respect of such subsequent interest computation period shall continue to be computed at the Highest Lawful Rate applicable to such Agent or such Lender until the total amount of interest payable to such Agent or such Lender shall equal the total amount of interest which would have been payable to such Agent or such Lender if the total amount of interest had been computed without giving effect to this Section 12.19.

For purposes of this Section 12.19, the term "applicable law" shall mean that law in effect from time to time and applicable to the loan transaction between the Borrowers, on the one hand, and the Agents and the Lenders, on the other, that lawfully permits the charging and collection of the highest permissible, lawful non-usurious rate of interest on such loan transaction and this Agreement, including laws of the State of New York and, to the extent controlling, laws of the United States of America.

The right to accelerate the maturity of the Obligations does not include the right to accelerate any interest that has not accrued as of the date of acceleration.

Section 12.20 Confidentiality. Each Agent and each Lender agrees (on behalf of itself and each of its Related Parties) to use reasonable precautions to keep confidential, in accordance with its customary procedures for handling confidential information of this nature and in accordance with safe and sound practices of comparable banks or commercial finance companies, any non-public information supplied to it by the Loan Parties pursuant to this Agreement or the other Loan Documents which is identified in writing by the Loan Parties as being confidential at the time the same is delivered to such Person (and which at the time is not, and does not thereafter become, publicly available or available to such Person from another source not known to be subject to a confidentiality obligation to such Person not to disclose such information), provided that nothing herein shall limit the disclosure by any Agent or any Lender of any such information (i) to its Affiliates, its Related Parties or the Related Parties of any Person described in clause (ii) or (iii) below) (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential in accordance with this Section 12.20 or is subject to other customary confidentiality obligations); (ii) to any other party hereto; (iii) to any assignee or participant (or prospective assignee or participant) or any party to a Securitization so long as

such assignee or participant (or prospective assignee or participant) or party to a Securitization agrees, in writing, to be bound by or is otherwise subject to customary confidentiality obligations (including, without limitation, confidentiality provisions similar in substance to this Section 12.20); (iv) to the extent required by any Requirement of Law or judicial process or as otherwise requested by any Governmental Authority having jurisdiction over such Person; (v) (x) to the National Association of Insurance Commissioners or any similar organization, any examiner, auditor or accountant or any nationally recognized rating agency or (y) otherwise to the extent consisting of general portfolio information that does not identify Loan Parties; provided, unless specifically prohibited by applicable law or court order, each Agent and each Lender shall make reasonable efforts to notify the Borrower of any request by any Governmental Authority or representative thereof; (vi) in connection with any litigation to which any Agent or any Lender is a party; (vii) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, in each case, solely to the extent necessary in connection therewith; or (viii) with the consent of the Administrative Borrower.

Section 12.21 Public Disclosure. Each Loan Party agrees that neither it nor any of its Affiliates will now or in the future issue any press release or other public disclosure using the name of an Agent, any Lender or any of their respective Affiliates or referring to this Agreement or any other Loan Document without the prior written consent of such Agent or such Lender, except to the extent that such Loan Party or such Affiliate is required by any Requirement of Law (in which event, such Loan Party or such Affiliate will consult with such Agent or such Lender before issuing such press release or other public disclosure; provided, that any failure of such Loan party or such Affiliate to consult with such Agent or such Lender shall not result in an Event of Default hereunder). Notwithstanding the foregoing or anything contained herein to the contrary, the Parent or any parent company of the Parent may include a summary of this Agreement or any other Loan Document in, and file copies thereof as exhibits to, any registration statement that it submits or files under the Securities Act of 1933, as amended, or filings it makes or furnishes under the Exchange Act. Each Loan Party hereby authorizes each Agent and each Lender, after consultation with the Borrowers, to advertise the closing of the transactions contemplated by this Agreement, and to make reasonably appropriate announcements of the financial arrangements entered into among the parties hereto, as such Agent or such Lender shall deem reasonably appropriate, including, without limitation, announcements commonly known as tombstones, in such trade publications, business journals, newspapers of general circulation and to such selected parties as such Agent or such Lender shall deem reasonably appropriate.

Section 12.22 Integration. This Agreement, together with the other Loan Documents, reflects the entire understanding of the parties with respect to the transactions contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof.

Section 12.23 USA PATRIOT Act. Each Lender that is subject to the requirements of the USA PATRIOT Act and each Agent hereby notifies the Borrowers that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the entities composing the Borrowers, which information includes the name and address of each such entity and other information that will allow such

Lender or Agent to identify the entities composing the Borrowers in accordance with the USA PATRIOT Act. Each Loan Party agrees to take such action and execute, acknowledge and deliver at its sole cost and expense, such instruments and documents as any Lender may reasonably require from time to time in order to enable such Lender to comply with the USA PATRIOT Act.

Section 12.24 Keepwell. Each Loan Party, if it is a Qualified ECP Loan Party, then jointly and severally, together with each other Qualified ECP Loan Party, hereby absolutely unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by any Non-Qualifying Party to honor all of such Non-Qualifying Party's obligations under this Agreement or any other Loan Document in respect of Swap Obligations (provided, however, that each Qualified ECP Loan Party shall only be liable under this Section 12.24 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 12.24, or otherwise under this Agreement or any other Loan Document, voidable under applicable law, including applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Loan Party under this Section 12.24 shall remain in full force and effect until payment in full of the Obligations and termination of this Agreement and the other Loan Documents. Each Qualified ECP Loan Party intends that this Section 12.24 constitute, and this Section 12.24 shall be deemed to constitute, a guarantee of the obligations of, and a "keepwell, support, or other agreement" for the benefit of each other Borrower and Guarantor for all purposes of Section 1a(18(A)(v)(II) of the CEA.

Section 12.25 Released Loan Party. Notwithstanding anything herein to the contrary, a Loan Party (the 'Released Loan Party") shall be automatically released from its obligations under this Agreement in the event that all or any portion of the Equity Interests of the Released Loan Party shall be sold, transferred or otherwise disposed pursuant to clauses (i) and (j) of the definition of "Permitted Disposition," and the parties hereby acknowledge and agree that each reference to a "Loan Party" or the "Loan Parties" in this Agreement shall not include such Released Loan Party.

Section 12.26 Electronic Signatures. This Agreement, any other Loan Document and any document, amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Agreement or any other Loan Document (each, for purposes of this Section 12.26, a "Specified Communication"), including Specified Communications required to be in writing, may be in the form of an Electronic Record and may be executed using Electronic Signatures. Each of the Loan Parties agrees that any Electronic Signature on or associated with any Specified Communication shall be valid and binding each of the Loan Parties to the same extent as a manual, original signature, and that any Specified Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation of each of the Loan Parties enforceable against such in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Specified Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Specified Communication. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance by the Administrative Agent, the Collateral Agent and each of the Lenders of a manually signed paper Specified Communication which has

been converted into electronic form (such as scanned into PDF format), or an electronically signed Specified Communication converted into another format, for transmission, delivery and/or retention. The Administrative Agent, the Collateral Agent and each of the Lenders may, at its option, create one or more copies of any Specified Communication in the form of an imaged Electronic Record ("Electronic Copy"), which shall be deemed created in the ordinary course of the such Person's business, and destroy the original paper document. All Specified Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, neither the Administrative Agent nor the Collateral Agent is under any obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by the Administrative Agent or Collateral Agent pursuant to procedures approved by it; provided, further, without limiting the foregoing, (a) to the extent the Administrative Agent or Collateral Agent has agreed to accept such Electronic Signature, the Administrative Agent, the Collateral Agent and each of the Lenders shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of any Loan Party without further verification and (b) upon the request of the Administrative Agent, the Collateral Agent or any Lender, any Electronic Signature shall be promptly followed by such manually executed counterpart. For purposes hereof, "Electronic Record" and "Electronic Signature" shall have the meanings assigned to them, respectively, by 15 USC §7006, as it may be amended from time to time.

The Annual Fee will be paid on a quarterly basis in advance, on each March 31, June 30, September 30 and December 31 (or if any such date is not a day where banks in New York, New York are able to be open for business, on the next day where such banks are able to be open for business).

(c) Each payment made pursuant to this Section 2 will be paid by wire transfer of immediately available funds to the account(s) specified by the Manager from time to time. On or before the date of each payment made pursuant to this Section 2, the Manager shall send an invoice to H&W indicating the amount due under this Section 2 and any Reimbursable Expenses pursuant to Section 5. Solely for purposes of this Section 2(c), the Manager may provide notice to H&W using electronic mail.

(d) Notwithstanding anything herein to the contrary, Manager (and each Manager Designee) acknowledges and agrees that (i) no amount shall be paid or payable hereunder to the extent prohibited by the terms or provisions of, or resulting in a default under any guarantee, financing or security agreement or indenture entered into by any of the Companies or any of their respective subsidiaries and in effect on such date in respect of indebtedness for borrowed money or debt security, including without limitation that certain Credit Agreement (the "Credit Agreement") dated as of the date hereof among H&W Franchise Intermediate Holdings LLC, the financial institutions party thereto as lenders (the "Lenders") and Monroe Capital Management Advisors, LLC, as administrative agent (the "Administrative Agent") (collectively, the "Financing Documents") and (ii) the failure by the Companies to make any payment under this Agreement by reason of any provision of a Financing Document shall not constitute a breach of or a default under this Agreement.

3. Deferral. Any fee (or portion thereof) that would have been payable to the Manager or any Manager Designee pursuant to Section 2(a) or (b) above but is prohibited from being paid under Section 2(d) will accrue upon the immediately succeeding period in which such amounts could, consistent with the Financing Documents, be paid, and will be paid in such succeeding period (in addition to such other amounts that would otherwise be payable at such time) in the manner set forth in Section 2(c). The parties hereto shall not amend either (i) Section 2(d) or 3 without the prior written consent of the Administrative Agent) or (ii) any other section hereof that in any way could reasonably be expected to materially adversely affect the interests of the Administrative Agent or Lenders without the prior written consent of the Administrative Agent. In the event any payment is received by Manager (or any Manager Designee) pursuant to the terms hereof, which is in violation of the Credit Agreement or other

Financing Documents, Manager (or such Manager Designee) shall turn over any such payment to the Companies. Administrative Agent and the Lenders are intended to be third party beneficiaries of, and Administrative Agent, on behalf of itself and the Lenders shall be entitled to enforce, the provisions of Section 2(d) and this Section 3. Notwithstanding anything herein to the contrary, all rights and benefits of Administrative Agent and the Lenders hereunder, including, without limitation, the subordination provisions set forth in this Section 3, shall terminate upon the Payment in Full of all Obligations (as such terms are defined in the Credit Agreement) and termination of any commitments to extend credit under the Credit Agreement, provided, however, that if at any time any payment of the Obligations is rescinded or must otherwise be returned by Administrative Agent or any Lender in connection with any insolvency, bankruptcy, receivership, custodianship, liquidation, reorganization, assignment for the benefit of creditors, secured or unsecured creditor enforcement, proposal, compromise, arrangement, realization, or proceeding for the liquidation, dissolution or other winding up of any of the Companies or any of their respective properties, the rights and benefits of Administrative Agent and Lenders, as applicable, hereunder shall automatically be reinstated.

For the avoidance of doubt, termination of this Agreement will not relieve a party hereto from liability for any breach of this Agreement on or prior to such termination. In the event of a termination of this Agreement, the Companies will pay the Manager (or its Manager Designees) (y) all unpaid Initial Fees (pursuant to Section 2(a) above), unpaid Covered Costs incurred through the date of such termination (pursuant to Section 2(a) above), accrued but unpaid Annual Fees (pursuant to Section 2(b) above), unpaid Deferred Fees accrued through the date of such termination (pursuant to Section 3 above) and Reimbursable Expense (pursuant to Section 5(a) below) due with respect to periods prior to the date of termination. All of Section 4 through Section 14 will survive termination of this Agreement with respect to matters arising before or after such termination (whether in respect of or relating to services rendered during or after the Term). Each payment made pursuant to this Section 4 will be paid by wire transfer of immediately available funds to such account(s) as the Manager may specify to the Companies in writing prior to such payment. For the purposes of this Agreement, "Sale" means a transfer or issuance of equity securities of H&W (including, without limitation, by way of a merger, consolidation, amalgamation, share exchange or other form of similar business combination), in a single or series of related transactions, resulting in a person or persons, or entity or entities, other than the existing members owning, directly or indirectly, a majority of the voting power of H&W upon the consummation of such transfer or issuance or the sale of all or substantially all of the assets of H&W.

5. Expenses; Indemnification.

(a) Expenses. The Companies, jointly and severally, will pay to the Manager (or its Manager Designee(s)) on demand all Reimbursable Expenses (as defined below) whether incurred prior to or following the date of this Agreement. As used herein, "Reimbursable Expenses" means, without duplication, (i) all reasonable out-of-pocket expenses incurred by the Manager, Manager Designees or any of their affiliates from and after the date hereof in connection with the provision of the Services pursuant to this Agreement (including, without limitation, all travel-related expenses and professional fees), and (ii) all reasonable out-of-pocket legal expenses incurred by the Manager, its affiliates or the Manager Designees in connection with (x) the negotiation and execution of the STG Purchase Agreement and the CB Purchase Agreement and (y) the enforcement of rights or taking of actions under this Agreement; provided, however, that such expenses will not be Reimbursable Expenses to the extent previously paid by the Companies as Covered Costs in accordance with Section 2.

(b) Indemnity and Liability. The Companies, jointly and severally, will indemnify, exonerate and hold the Manager, the Manager Designees and each of their respective partners, shareholders, members, affiliates, associated investment funds, directors, officers, fiduciaries, managers, controlling persons, employees and agents and each of the partners, shareholders, members, affiliates, associated investment funds, directors, officers, fiduciaries, managers, controlling persons, employees and agents of each of the foregoing (collectively, the "Indemnitees"), each of whom is an intended third-party beneficiary of this Agreement, free and harmless from and against any and all actions, causes of action, suits, claims, liabilities, losses, damages and costs and out-of-pocket expenses in connection therewith (including, without limitation, attorneys' fees and expenses) incurred by the Indemnitees or any of them before or after the date of this Agreement (collectively, the "Indemnified Liabilities") arising out of any action, cause of action, suit, arbitration, investigation or claim (whether between the relevant Indemnitee and any of the Companies or involving a third party claim against the relevant Indemnitee), or in any way arising out of or directly or indirectly relating to this Agreement or the Services provided hereunder; provided that the foregoing indemnification rights will not be available to the extent that any such Indemnified Liabilities arose on account of such Indemnitee's fraud, gross negligence or willful misconduct; and provided, further, that if and to the extent that the foregoing undertaking may be unavailable or unenforceable for any reason, each of the Companies hereby agrees to make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law. For purposes of this Section 5(b), none of the circumstances described in the limitations contained in the two provisos in the immediately preceding sentence will be deemed to apply absent a final non-appealable judgment of a court of competent jurisdiction to such effect, in which case to the extent any such limitation is so determined to apply to any Indemnitee as to any previously advanced indemnity payments made by the Companies, then such payments will be promptly repaid by such Indemnitee to the Companies without interest. The rights of any Indemnitee to indemnification hereunder will be in addition to any other rights any such person or entity may have under any other agreement or instrument referenced above or any other agreement or instrument to which such Indemnitee is or becomes a party or is or otherwise becomes a beneficiary or under law or regulation; provided that (i) the Companies hereby agree that they are the indemnitors of first resort under this Agreement and under any other applicable indemnification agreement (i.e., their obligations to Indemnitees under this Agreement or any other agreement or undertaking to provide advancement and/or indemnification to such Indemnitees are primary and any obligation of the Manager (or any affiliate thereof other than

H&W) to provide advancement or indemnification for the Indemnified Liabilities incurred by Indemnitees are secondary) and (ii) if the Manager (or any affiliate thereof) pays or causes to be paid, for any reason, any amounts otherwise indemnifiable hereunder or under any other indemnification agreement (whether pursuant to contract, by-laws or charter) with any Indemnitee, then (x) the Manager (or such affiliate, as the case may be) will be fully subrogated to all rights of such Indemnitee with respect to such payment and (y) the Companies will fully indemnify, reimburse and hold harmless the Manager (or such other affiliate) for all such payments actually made by the Manager (or such other affiliate) and irrevocably waive, relinquish and release the Manager for contribution, subrogation or any other recovery of any kind in respect of any advancement of expenses or indemnification hereunder.

6. Disclaimer and Limitation of Liability; Opportunities.

(a) Disclaimer; Standard of Care. Neither the Manager nor any of its Manager Designees makes any representations or warranties, express or implied, in respect of the services to be provided by the Manager or the Manager Designees hereunder.

(b) Freedom to Pursue Opportunities. In recognition that the Manager, the Manager Designees and the Indemnitees have access to information about the Companies that will enhance such persons' knowledge and understanding of the industries in which the Companies operate, and currently have and will in the future have or will consider acquiring, investments in numerous companies with respect to which the Manager, the Manager Designees or the Indemnitees may serve as an advisor, a director or in some other capacity, and in recognition that the Manager, each Manager Designee and the Indemnitees have myriad duties to various investors and partners, and in anticipation that the Companies, on the one hand, and the Manager and each Manager Designee (or one or more of the Indemnitees), on the other hand, may engage in the same or similar activities or lines of business and have an interest in the same areas of corporate opportunities, and in recognition of the benefits to be derived by the Companies hereunder and in recognition of the difficulties which may confront any advisor who desires and endeavors fully to satisfy such advisor's duties in determining the full scope of such duties in any particular situation, the provisions of this Section 6(b) are set forth to regulate, define and guide the conduct of certain affairs of the Companies as they may involve the Manager, the Manager Designees or the Indemnitees, and, except as the Manager or a Manager Designee may otherwise agree in writing after the date hereof:

(i) the Manager or such Manager Designee and their respective Indemnitees will have the right: (A) to directly or indirectly engage in any business (including, without limitation, any business activities or lines of business that are the same as or similar to those pursued by, or competitive with, the Companies and their subsidiaries), (B) to directly or indirectly do business with any client or customer of the Companies and their subsidiaries, (C) to take any other action that the Manager or such Manager Designee believes in good faith is necessary to or appropriate to fulfill its obligations as described in the first sentence of this Section 6 (b) to third parties and (D) not to communicate or present potential transactions, matters or business opportunities to the Companies or any of their subsidiaries, and to pursue, directly or indirectly, any such opportunity for itself, and to direct any such opportunity to another person or entity;

(ii) the Manager, such Manager Designee and their respective Indemnitees will have no duty (contractual or otherwise) to communicate or present any corporate opportunities to the Companies or any of their affiliates or to refrain from any actions specified in Section 6(b)(i), and the Companies, on their own behalf and on behalf of their affiliates, hereby renounce and waive any right to require the Manager, such Manager Designee or any of their respective Indemnitees to act in a manner inconsistent with the provisions of this Section 6(b);

(iii) except as provided in Section 6(a), or in any of the agreements entered into in connection with the Transactions, none of the Manager, the Manager Designees nor any of their respective Indemnitees will be liable to the Companies or any of their affiliates for breach of any duty (contractual or otherwise) by reason of any activities or omissions of the types referred to in this Section 6(b) or of any such person's or entity's participation therein; and

(iv) there is no restriction on the Manager, Manager Designee or any Indemnitee using such knowledge and understanding in making investment, voting, monitoring, governance or other decisions relating to other entities or securities.

(c) Limitation of Liability. Except in the event of fraud, gross negligence or willful misconduct, in no event will the Manager, its Manager Designees or any of its related Indemnitees be liable to the Companies or any of their affiliates for any indirect, special, incidental or consequential damages, including, without limitation, lost profits or savings, whether or not such damages are foreseeable, or for any third party claims (whether based in contract, tort or otherwise), relating to, in connection with or arising out of this Agreement, before or after termination of this Agreement, including, without limitation, the services to be provided by the Manager or the Manager Designees hereunder, or in excess of the fees received by the Manager or Manager Designee hereunder.

7. Assignment, etc. Except as provided below, and without limiting the Manager's rights to have payments owed to it under this Agreement to be paid to its Manager Designees or other affiliates, none of the parties hereto will have the right to assign this Agreement without the prior written consent of each of the other parties. Notwithstanding the foregoing, (a) the Manager may assign all or part of its rights and obligations hereunder to any of its respective affiliates that provides services similar to those called for by this Agreement and (b) the provisions hereof for the benefit of Indemnitees will inure to the benefit of such Indemnitees and their successors and assigns as third-party beneficiaries hereof.

8. Amendments and Waivers. No amendment or waiver of any term, provision or condition of this Agreement will be effective unless in writing and executed by the Companies and the Manager; provided, that the Manager may waive any portion of any fee to which it is entitled pursuant to this Agreement. No waiver on any one occasion will extend to or effect or be construed as a waiver of any right or remedy on any future occasion. No course of dealing of any person or entity nor any delay or omission in exercising any right or remedy will constitute an amendment of this Agreement or a waiver of any right or remedy of any party hereto.

9. Governing Law; Jurisdiction. THIS AGREEMENT AND ALL MATTERS ARISING UNDER OR RELATED TO THIS AGREEMENT WILL BE GOVERNED AND CONSTRUED IN ACCORDANCE WITH THE DOMESTIC SUBSTANTIVE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO THE CONFLICTS OF LAW PRINCIPLES THEREOF. of each Phantom Unit then held by such Participant equal to the excess, if any, of the Per Unit Change of Control Price over the Base Amount of each such Phantom Unit, plus (ii) within 30 days following the Change of Control, the Tax Gross Up Payment (collectively, clause (i) plus clause (ii), the "***Aggregate Amount***"). Any payments made by the Company in respect of any Phantom Units in accordance with this Section 5.03 shall be paid to Participants in the same proportion of cash or securities or other property received by the Company or its Unit holders, as applicable, in connection with such Change of Control; *provided,* that, in the event any portion of the Per Unit Change of Control Price is paid to the Company or its Unit holders at a date later than the date that is 30 days following the Change of Control (e.g., any escrowed amounts or earnouts), a corresponding pro rata portion of the Aggregate Amount shall be paid to the applicable Participant within 30 days of receipt of such portion of the Per Unit Change of Control Price by the Company or its Unit holders, as applicable (provided that unless otherwise permitted by section 409A of the Code, no portion of the Aggregate Amount shall be payable after the fifth anniversary of the Change of Control). In the event any portion of the Per Unit Change of Control Price is subject to a purchase price adjustment, indemnification obligation or other contingency, the Aggregate Amount shall be treated in a substantially similar manner as payments to Unit holders in respect of Units. Prior to the occurrence of a Change of Control, no payments or distributions shall be made in respect of any Phantom Units except as may be provided by Section 5.06. For the avoidance of doubt, if profits interests no longer receive favorable tax treatment under the Code, then no Tax Gross Up Payment will be paid to any Participant.

Section 5.04 *Cancelation of Phantom Units.* Immediately following the final payment to a Participant under Section 5.03, the Phantom Unit pursuant to which such payment was made shall automatically be canceled without any further payment therefor.

Section 5.05 *Termination of Engagement.* Notwithstanding anything to the contrary in this Plan or any Award Letter, if a Participant's engagement is terminated by the Company for Cause, or by the Participant for any reason, or if a Participant breaches any restrictive covenant between the Company or its Affiliates and such Participant, all Phantom Units held by such Participant shall be immediately forfeited without payment therefor.

(a) *Generally.* In the event of the termination of a Participant's engagement with the Company for any reason, any vested Phantom Units held by the Participant will be subject to purchase by the Company pursuant to this Section 5.06 (the "***Purchase Right***").

(b) *Notice.* The Company may elect to purchase all or any portion of the vested Phantom Units bydelivering written notice (the "Purchase Notice") to the Participant within 180 days after the termination of the Participant's active engagement with the Company. The Purchase Notice will set forth the number of vested Phantom Units to be acquired from the Participant, the aggregate consideration to be paid for such vested Phantom Units and the time and place for the closing of the transaction. The purchase price for the vested Phantom Units

shall be equal to their Fair Market Value as of the Participant's termination as determined in the reasonable judgment of the Member; *provided*, that upon the termination of the Participant's active engagement with the Company or any if its Affiliates for Cause or Good Reason, the purchase price for such vested Phantom Units shall be equal to the lower of cost and Fair Market Value (the "***Purchase Price***"). The number of vested Phantom Units to be purchased by the Company shall first be satisfied to the extent possible from the vested Phantom Units held by the Participant at the time of delivery of the Purchase Notice.

(c) *Closing.* The closing of the purchase of vested Phantom Units pursuant to the Purchase Right shalltake place on the date designated by the Company in the Purchase Notice, which date shall not be more than 30 days nor less than five days after the delivery of the Purchase Notice. The Company shall pay for the vested Phantom Units to be purchased by it pursuant to the Purchase Right by (x) cash payable by delivery of a check; (y) by a wire transfer of funds or (z) by a promissory note that is payable in three equal annual installments (which accelerates upon a Change of Control) and accrues interest at the then applicable short-term applicable federal rate (compounded annually), in each case, in the amount of the aggregate Purchase Price of the vested Phantom Units being purchased by the Company. The purchasers of vested Phantom Units hereunder will be entitled to receive customary representations and warranties from the sellers regarding such sale.

Such power is a special Power of Attorney coupled with an interest, is irrevocable, and shall run with the vested Phantom Units to any subsequent owners thereof.

(e) *Other Matters.* All repurchases of vested Phantom Units pursuant to this Section 5.06 shall besubject to all applicable restrictions under law and the Company's and its Subsidiaries' financing agreements. If any such restrictions prohibit the closing described in Section 5.06(c) above, the Company shall promptly give written notice to the Participant of such restriction. The Company's rights under this Section 5.06 shall be preserved and time periods governing such rights or obligations shall be tolled for the duration of such restriction, and the Company may make such purchases as soon as (and to the extent that) it is permitted to do so by law and such financing agreements; *provided*, that when payment eventually takes place as contemplated by this Section 5.06(e), the Purchase Price shall be the Fair Market Value of the vested Phantom Units as of the date the Company consummates such purchases.

Section 5.07 *Limitation on Benefits*. Notwithstanding anything to the contrary contained in the Plan, to the extent that any of the payments and benefits provided under the Plan or any other agreement, or arrangement between the Company and its Subsidiaries and a Participant (collectively, the "***Payments***") would constitute a "parachute payment" within the meaning of section 280G of the Code, the amount of such Payments shall be reduced to the amount that would result in no portion of the Payments being subject to the excise tax imposed pursuant to section 4999 of the Code. If any Payments that would be reduced or eliminated, as the case may be, pursuant to the immediately preceding sentence, but would not be reduced if the stockholder approval requirements of section 280G(b)(5) of the Code are satisfied, the Company shall use its reasonable best efforts to cause such payments to be submitted for such approval prior to the transaction giving rise to such payments.

The Plan shall be effective upon adoption by the Board of Managers of the Company, or such later date as the Member shall specify, and shall automatically expire on the tenth anniversary thereof (except as to outstanding Phantom Units), unless sooner terminated pursuant to this Article VI. The Member may at any time terminate or suspend the Plan, and from time to time may amend or modify the Plan and, except as expressly set forth in an Award Letter, any Phantom Units and Award Letter. Unit holder approval of any such termination, suspension, amendment or modification shall be obtained to the extent mandated by applicable law, or if otherwise deemed appropriate by the Member.

Article VII
General Provisions

Section 7.01 *Beneficiary Designation*. Each Participant may from time to time name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be paid or by whom any right under the Plan is to be exercised in case of his death. Each designation will revoke all prior designations by the same Participant, shall be in a form prescribed by the Committee and will be effective only when filed by the Participant in writing with the Committee during the Participant's lifetime. In the absence of any such designation, benefits outstanding that remain unpaid at the Participant's death shall be paid to the Participant's surviving spouse, if any, or otherwise to his estate.

Section 7.02 *Nontransferability of Phantom Units.* No Phantom Unit may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution.

Section 7.03 *Tax Withholding.* All payments and benefits provided under the Plan and any Award Letter shall be subject to any and all applicable taxes, as required by applicable Federal, state, local and foreign law and regulations.

Section 7.04 *Requirements of Law.* Phantom Units shall be subject to all applicable laws, rules and regulations, and to such approvals as may be appropriate or required, as determined by the Committee. Notwithstanding any other provision of the Plan, no Phantom Units shall be granted, and no payments in respect of any Phantom Unit shall be made, if such grant or payment would result in a violation of applicable law. Neither the Company nor any of its Affiliates nor any of their respective managers, directors or officers shall have any obligation or liability to a Participant with respect to any Phantom Units for any failure to comply with the requirements of any applicable law, rules or regulations, including, but not limited to, any failure to comply with the requirements of section 409A of the Code.

Section 7.05 *No Guarantee of Service or Participation.* Nothing in the Plan shall interfere with or limit in any way the right of the Company or any Affiliate thereof to terminate any Participant's services at any time and for any reason, nor confer upon any Participant any right to continue in the service of the Company or any Affiliate thereof. In addition, if any Participant's services to the Company or any of its Affiliates shall be terminated for any reason, such Participant shall not be eligible for any compensation or remuneration with respect to such termination (except as otherwise expressly provided in this Plan or any applicable Award Letter) to compensate such Participant for the loss of any rights under the Plan. No member, officer or key employee of, or consultant to, the Company or any Subsidiary shall have a right to be selected as a Participant or, having been so selected, to receive any Phantom Units. The Committee may establish different terms and conditions for different Participants receiving Phantom Units and for the same Participant for each grant of Phantom Units such Participant may receive, whether or not granted at different times. The grant of any Phantom Units to any member, officer or key employee of, or consultant to, the Company or any Subsidiary shall neither entitle such Person to, nor disqualify that Person from, the grant of any other Phantom Units. The Committee's selection of a member, officer or key employee of, or consultant to, the Company or any Subsidiary as a Participant shall neither entitle such Person to, nor disqualify such Person from, participation in any other incentive plan of the Company or any of its Affiliates.

Section 7.06 *No Limitation on Compensation.* Nothing in the Plan shall be construed to limit the right of the Company or any of its Affiliates to establish other plans or to pay compensation to its employees in cash or property.

Section 7.07 *No Right to Particular Assets.* Nothing contained in the Plan and no action taken pursuant to the Plan shall create or be construed to create a trust of any kind or any fiduciary relationship between the Company and any Affiliate thereof, on the one hand, and any Participant or executor, administrator or other personal representative or designated beneficiary of such Participant, on the other hand, or any other Persons. Any reserves that may be established by the Company or any Affiliate thereof in connection with the Plan shall continue to be held as part of the general funds of the Company or such Affiliate, and no individual or entity other than the Company or such Affiliate shall have any interest in such funds until paid to a Participant. To the extent that any Participant or his executor, administrator or other personal representative, as the case may be, acquires a right to receive any payment from the Company or any Affiliate thereof pursuant to the Plan, such right shall be no greater than the right of an unsecured general creditor of the Company or such Affiliate.

Section 7.08 *No Impact on Benefits.* Phantom Units shall not be treated as compensation for purposes of calculating a Participant's rights under any employee benefit plan.

Section 7.09 *No Rights as a Unit Holder.* No Participant shall have any rights as a Unit holder of the Company (including, but not limited to, voting rights or the right to receive distributions) with respect to any Phantom Units.

Section 7.10 *Freedom of Action.* Subject to Article VI, nothing in the Plan or any Award Letter shall be construed as limiting or preventing the Company or any of its Affiliates from taking any action with respect to the operation or conduct of its business that it deems appropriate or in its best interest, and no Participant, beneficiary or other person shall have any claim against the Company as a result of any such action.

Section 7.11 *Governing Law*. The Plan and the Phantom Units shall be governed in all respects, including as to validity, interpretation and effect, by the internal laws of the State of Delaware, without giving effect to the choice of law principles thereof.

Section 7.12 *Severability*. In the event that any one or more of the provisions of the Plan or any Award Letter shall be or become invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein or therein shall not be affected thereby.

Section 7.13 *Exculpation*. Neither the Member nor any member of the Committee nor any other officer or employee of the Company or any Subsidiary acting on behalf of the Company or any Subsidiary with respect to the Plan shall be directly or indirectly responsible or otherwise liable by reason of any action or default as a Member, member of the Committee, or other officer or employee of the Company or any Subsidiary acting on behalf of the Company or any Subsidiary with respect to this Plan, or by reason of the exercise of or failure to exercise any power or discretion as such person, except for any action, default, exercise or failure to exercise resulting from such person's gross negligence, breach of fiduciary duty or willful misconduct. Neither the Member nor any member of the Committee shall be liable in any way for the acts or defaults of the Member or any other member of the Committee, as the case may be, or any of their respective advisors, agents or representatives.

Section 7.14 *Indemnification*. The Member and each individual who is or shall have been a member of the Committee shall be indemnified and held harmless by the Company to the fullest extent permitted by the LLC Agreement against and from any loss, cost liability or expense (including any related attorney's fees and advances thereof) that may be imposed upon or reasonably incurred by it or him in connection with, based upon or arising or resulting from any claim, action, suit or proceeding to which it or he may be made a party or in which it or he may be involved by reason of any action taken or failure to act under or in connection with the Plan or any Award Letter and against and from any and all amounts paid by him in settlement thereof, with the Company's approval, or paid by it or him in satisfaction of any judgment in any such action, suit or proceeding against it or him; *provided*, that the Member or such individual shall give the Company an opportunity, at its own expense, to handle and defend the same before it or he undertakes to handle and defend it on it's or his own behalf. The foregoing right of indemnification shall not be exclusive and shall be independent of any other rights of indemnification to which the Member or such individuals may be entitled under the Company's certificate of formation, by contract, as a matter of law or otherwise.

Section 7.15 *Notices*. Each Participant shall be responsible for furnishing the Company with the current and proper address for the mailing of notices and delivery of agreements, if applicable. Any notices required or permitted to be given shall be deemed given if directed to the addressee at such address and mailed by regular United States mail, first-class and prepaid or by overnight courier. If any item mailed to such address is returned as undeliverable to the addressee, mailing will be suspended until the intended recipient furnishes the proper address (but such suspension shall not toll any specified time periods).

Section 7.16 *Incapacity*. Any benefit payable to or for the benefit of a minor, an incompetent person or other person incapable of receiving such benefit shall be deemed paid when paid to such person's guardian or to the party providing or reasonably appearing to provide for the care of such person, and such payment shall fully discharge the Member, the Committee, the Company and its Affiliates, and the other parties with respect thereto.

Section 7.17 *Rights Cumulative; Waiver*. The rights and remedies of Participants and the Company under this Plan shall be cumulative and not exclusive of any rights or remedies which either would otherwise have hereunder or at law or in equity or by statute, and no failure or delay by either party in exercising any right or remedy shall impair any such right or remedy or operate as a waiver of such right or remedy, nor shall any single or partial exercise of any power or right preclude such party's other or further exercise or the exercise of any other power or right. The waiver by any Participant or by the Member, the Committee or the Company of any provision of the Plan shall not operate or be construed as a waiver of any preceding or succeeding breach, and no failure by any such party to exercise any right or privilege hereunder shall be deemed a waiver of such party's rights or privileges hereunder or shall be deemed a waiver of such party's rights to exercise the same any subsequent time or times hereunder

Section 7.18 *Headings and Captions*. The headings and captions herein are provided for reference and convenience only, shall not be considered part of the Plan and shall not be employed in the construction of the Plan.

(a) At any time after the earlier of 181 days after the IPO, (i) holders of at least 20% of the Registrable Securities then outstanding or (ii) MSD or any Permitted Party may request registration under the Securities Act of all or any portion of their Registrable Securities pursuant to a Registration Statement on Form S-1 or any successor form thereto (each, a "**Long-Form Registration**"). Each request for a Long-Form Registration shall specify the number of Registrable Securities requested to be included in the Long-Form Registration. Upon receipt of any such request, the Company shall promptly (but in no event later than 15 Business Days following receipt thereof) deliver notice of such request to all other holders of Registrable Securities who shall then have 10 Business Days from the date such notice is given to notify the Company in writing of their desire to be included in such registration. The Company shall prepare and file with (or confidentially submit to) the Commission a Registration Statement on Form S-1 or any successor form thereto covering all of the Registrable Securities that the holders thereof have requested to be included in such Long-Form Registration within 15 Business Days after the date on which the initial request is given and shall use its reasonable efforts to cause such Registration Statement to be declared effective by the Commission as soon as practicable thereafter. The Company shall not be required to effect a Long-Form Registration more than three (3) times for the holders of Registrable Securities as a group; provided, that a Registration Statement shall not count as a Long-Form Registration requested under this Section 2(a) unless and until it has become effective and the holders requesting such registration are able to register and sell at least 75% of the Registrable Securities requested to be included in such registration.

(b) After an IPO, the Company shall use its reasonable efforts to qualify and remain qualified to register the offer and sale of securities under the Securities Act pursuant to a Registration Statement on Form S-3 or any successor form thereto. At such time as the Company shall have qualified for the use of a Registration Statement on Form S-3 or any successor form thereto, the holders of Registrable Securities shall have the right to request an unlimited number of registrations under the Securities Act of all or any portion of their Registrable Securities pursuant to a Registration Statement on Form S-3 or any similar short-form Registration Statement (each, a "**Short-Form Registration**" and, together with each Long-Form Registration and Shelf Registration (as defined below), a "**Demand Registration**"). Each request for a Short-Form Registration shall specify the number of Registrable Securities requested to be included in the

Short-Form Registration. Upon receipt of any such request (other than a request by MSD or a Permitted Party that is not an underwritten offering), the Company shall promptly (but in no event later than 15 Business Days following receipt thereof) deliver notice of such request to all other holders of Registrable Securities who shall then have 15 Business Days from the date such notice is given to notify the Company in writing of their desire to be included in such registration. The Company shall prepare and file with (or confidentially submit to) the Commission a Registration Statement on Form S-3 or any successor form thereto covering all of the Registrable Securities that the holders thereof have requested to be included in such Short-Form Registration within 15 Business Days after the date on which the initial request is given and shall use its reasonable efforts to cause such Registration Statement to be declared effective by the Commission as soon as practicable thereafter.

(c) As soon as practicable following such time as the Company shall have qualified for the use of a Registration Statement on FormS-3 or the then appropriate form for an offering to be made on a delayed or continuous basis pursuant to Rule 415 under the Securities Act or any successor rule thereto, the Company shall file a Registration Statement on Form S-3 or the then appropriate form for an offering to be made on a delayed or continuous basis pursuant to Rule 415 under the Securities Act or any successor rule thereto (or, in the event that the Company does not become qualified for the use of a Registration Statement on Form S-3 or the then appropriate form for an offering to be made on a delayed or continuous basis pursuant to Rule 415 under the Securities Act or any successor rule thereto within one (1) year following the consummation of an IPO, a Registration Statement on Form S-1) (a "**Shelf Registration Statement**") for registration under the Securities Act of all or any portion of the Registrable Securities held by the holders thereof for an offering on a delayed or continuous basis pursuant to Rule 415 under the Securities Act or any successor rule thereto (a "**Shelf Registration**") and shall use its commercially reasonable efforts to cause the same to be declared effective by the Commission as promptly as practicable after such filing. Each Shelf Registration Statement shall specify the number of Registrable Securities requested to be included in the Shelf Registration. Prior to the filing of such Shelf Registration Statement, the Company shall deliver notice of such proposed registration to all holders of Registrable Securities who shall then have 15 Business Days from the date such notice is given to notify the Company in writing of their desire to be included in such registration. The Shelf Registration Statement shall cover all of the Registrable Securities that the holders thereof have requested to be included in such Shelf Registration. For the avoidance of doubt, any Shelf Registration Statement shall provide for the resale of Registrable Securities from time to time by and pursuant to any method or combination of methods legally available to the holders of Registrable Securities (including an underwritten offering, a direct sale to purchasers, a sale to or through brokers, dealers or agents, block trades, derivative transactions with third parties, sales in connection with short sales and other hedging transactions); provided that, the holders of Registrable Securities shall comply with the applicable provisions of the Securities Act with respect to the distribution of Registrable Securities covered by the Shelf Registration in accordance with the intended methods of disposition. The Company shall be required to maintain the effectiveness of such Shelf Registration for as long as there are Registrable Securities registered thereunder.

(d) The Company shall not be obligated to effect any Long-Form Registration (i) within 180 days after the effective date of a previous Long-Form Registration or a previous Piggyback Registration in which holders of Registrable Securities were permitted to register the offer and sale under the Securities Act, and actually sold, all of the shares of Registrable Securities requested to be included therein and (ii) during the period any applicable restrictions are still in effect pursuant to any Lock-Up Agreement that have not been waived (or are not reasonably expected to be waived) by the underwriters party thereto.

(e) The Company may postpone for up to 90 days the filing or effectiveness of a Registration Statement for a Demand Registration or the filing of a shelf supplement for a shelf takedown (a "**Shelf Supplement**") or a supplement for the purpose of effecting an offering pursuant to Rule 415 under the Securities Act or any successor rule thereto (a "**Shelf Takedown**") if the Board determines in its reasonable good faith judgment that such Demand Registration or Shelf Takedown would (i) materially interfere with a significant acquisition, corporate organization, financing, securities offering or other similar transaction involving the Company; (ii) require premature disclosure of material information that the Company has a bona fide business purpose for preserving as confidential; or (iii) render the Company unable to comply with requirements under the Securities Act or Exchange Act; provided, that in such event the holders of a majority of the Registrable Securities initiating such Demand Registration or Shelf Takedown shall be entitled to withdraw such request and, if such request for a Demand Registration is withdrawn, such Demand Registration shall not count as one of the permitted Demand Registrations hereunder and the Company shall pay all registration expenses in connection with such registration. The Company may delay a Demand Registration or Shelf Takedown hereunder only once in any period of 12 consecutive months.

(f) If the holders of the Registrable Securities initially requesting a Demand Registration or Shelf Takedown elect to distribute the Registrable Securities covered by their request in an underwritten offering, they shall so advise the Company as a part of their request made pursuant to Section 2 and the Company shall include such information in its notice to the other holders of Registrable Securities. The holders of a majority of the Registrable Securities initially requesting the Demand Registration or Shelf Takedown shall select the investment banking firm or firms to act as the managing underwriter or underwriters in connection with such offering; provided, that such selection shall be subject to the consent of the Company, which consent shall not be unreasonably withheld or delayed. If the holders of the Registrable Securities initially requesting a Demand Registration or Shelf Takedown elect to distribute the Registrable Securities covered by their request in an underwritten block trade or bought deal pursuant to a Registration Statement on Form S-3 (each, an "**Underwritten Block Trade**"), then notwithstanding the time periods set forth in thisSection 2, the requesting holders may notify the Company of the Underwritten Block Trade not less than two (2) Business Days prior to the day such offering is first anticipated to commence. The Company will promptly notify the other holders of Registrable Securities of such Underwritten Block trade and such notified holders (each, a "**Potential Participant**") may elect whether or not to participate no later than the next Business Day (i.e. one (1) Business Day prior to the day such offering is to commence) (unless a longer period is agreed to the requesting holders of Registrable Securities initiating the Underwritten Block Trade), and the Company will as expeditiously as possible use its commercially reasonable efforts to facilitate such Underwritten Block Trade (which may close as early as two (2) Business Days after the date it commences). Notwithstanding the foregoing, the Company covenants not to provide notice of any Underwritten Block Trade to any Preferred Investor if such Preferred Investor notifies the Company in writing that it has elected not to receive any notices of any Underwritten Block Trades, which election may be revoked at any time by such Preferred Investor.

(g) The Company shall not include in any Demand Registration or Shelf Takedown any securities which are not Registrable Securities without the prior written consent of the holders of a majority of the Registrable Securities included in such Demand Registration or Shelf Takedown, which consent shall not be unreasonably withheld or delayed. If a Demand Registration or Shelf Takedown involves an underwritten offering and the managing underwriter of the requested Demand Registration or Shelf Takedown advises the Company and the holders of Registrable Securities in writing that in its reasonable and good faith opinion the number of shares of Common Stock proposed to be included in the Demand Registration or Shelf Takedown, including all Registrable Securities and all other shares of Common Stock proposed to be included in such underwritten offering, exceeds the number of shares of Common Stock which can be sold in such underwritten offering and/or the number of shares of Common Stock proposed to be included in such Demand Registration or Shelf Takedown would adversely affect the price per share of Common Stock proposed to be sold in such underwritten offering, the Company shall include in such Demand Registration or Shelf Takedown (i) first, the number of shares of Common Stock that the holders of Registrable Securities propose to sell, and (ii) second, the number of shares of Common Stock proposed to be included therein by any other Persons (including shares of Common Stock to be sold for the account of the Company and/or other holders of Common Stock) allocated among such Persons in such manner as they may agree. If the managing underwriter determines that less than all of the Registrable Securities proposed to be sold can be included in such offering, then the Registrable Securities that are included in such offering shall be allocated pro rata among the respective holders thereof on the basis of the number of Registrable Securities owned by each such holder.

3. Piggyback Registration.

(a) Whenever the Company proposes to register the offer and sale of any of its Common Stock under the Securities Act (other than a registration (i) pursuant to a Registration Statement on Form S-8 (or other registration solely relating to an offering or sale to employees or directors of the Company pursuant to any employee stock plan or other employee benefit arrangement), (ii) pursuant to a Registration Statement on Form S-4 (or similar form that relates to a transaction subject to Rule 145 under the Securities Act or any successor rule thereto), or (iii) in connection with any dividend or distribution reinvestment or similar plan), whether for its own account or for the account of one or more stockholders of the Company and the form of Registration Statement (a "**Piggyback Registration Statement**") to be used may be used for any registration of Registrable Securities (a "**Piggyback Registration**"), the Company shall give prompt written notice (in any event no later than 10 Business Days prior to the filing of such Registration Statement) to the holders of Registrable Securities of its intention to effect such a registration and, subject to Section 3(b) and Section 3(c), shall include in such registration all Registrable Securities with respect to which the Company has received written requests for inclusion from the holders of Registrable Securities within 10 Business Days after the Company's notice has been given to each such holder; provided, that the Company covenants not to provide such notice to any Preferred Investor if such Preferred Investor notifies the Company in writing that it has elected not to receive any notices of any Piggyback Registrations, which election may be revoked at any time by such Preferred Investor. The Company may postpone or withdraw the filing or the effectiveness of a Piggyback Registration at any time in its sole discretion. A Piggyback Registration shall not be considered a Demand Registration for purposes of Section 2. If any Piggyback Registration Statement pursuant to which holders of Registrable Securities have

registered the offer and sale of Registrable Securities is a Registration Statement on Form S-3 or the then appropriate form for an offering to be made on a delayed or continuous basis pursuant to Rule 415 under the Securities Act or any successor rule thereto (a "**Piggyback Shelf Registration Statement**"), such holder(s) shall have the right, but not the obligation, to be notified of and to participate in any offering under such Piggyback Shelf Registration Statement (a "**Piggyback Shelf Takedown**").

(b) If a Piggyback Registration or Piggyback Shelf Takedown is initiated as a primary underwritten offering on behalf of the Company and the managing underwriter advises the Company and the holders of Registrable Securities (if any holders of Registrable Securities have elected to include Registrable Securities in such Piggyback Registration or Piggyback Shelf Takedown) in writing that in its reasonable and good faith opinion the number of shares of Common Stock proposed to be included in such registration or takedown, including all Registrable Securities and all other shares of Common Stock proposed to be included in such underwritten offering, exceeds the number of shares of Common Stock which can be sold in such offering and/or that the number of shares of Common Stock proposed to be included in any such registration or takedown would adversely affect the price per share of Common Stock to be sold in such offering, the Company shall include in such registration or takedown (i) first, the number of shares of Common Stock that the Company proposes to sell; (ii) second, the number of shares of Common Stock requested to be included therein by holders of Registrable Securities, allocated pro rata among all such holders on the basis of the number of Registrable Securities owned by each such holder or in such manner as they may otherwise agree; and (iii) third, the number of shares of Common Stock requested to be included therein by holders of Common Stock other than holders of Registrable Securities, allocated among such holders in such manner as they may agree.

(c) If a Piggyback Registration or Piggyback Shelf Takedown is initiated as an underwritten offering on behalf of a holder of Common Stock other than Registrable Securities, and the managing underwriter advises the Company in writing that in its reasonable and good faith opinion the number of shares of Common Stock proposed to be included in such registration or takedown, including all Registrable Securities and all other shares of Common Stock proposed to be included in such underwritten offering, exceeds the number of shares of Common Stock which can be sold in such offering and/or that the number of shares of Common Stock proposed to be included in any such registration or takedown would adversely affect the price per share of Common Stock to be sold in such offering, the Company shall include in such registration or takedown (i) first, the number of shares of Common Stock requested to be included therein by the holder(s) requesting such registration or takedown and by the holders of Registrable Securities, allocated pro rata among all such holders on the basis of the number of shares of Common Stock other than the Registrable Securities (on a fully diluted, as converted basis) and the number of Registrable Securities, as applicable, owned by all such holders or in such manner as they may otherwise agree; and (ii) second, the number of shares of Common Stock requested to be included therein by other holders of Common Stock, allocated among such holders in such manner as they may agree.

(d) If any Piggyback Registration or Piggyback Shelf Takedown is initiated as a primary underwritten offering on behalf of the Company, the Company shall select the investment banking firm or firms to act as the managing underwriter or underwriters in connection with such offering.

4. Lock-Up Agreement. Each holder of Registrable Securities agrees that in connection with any registered offering of the Common Stock or other equity securities of the Company that constitutes an IPO, and upon the request of the managing underwriter in such offering, such holder shall not, without the prior written consent of such managing underwriter, during the 15 Business Days prior to the effective date of such registration and until the date specified by such managing underwriter (such period not to exceed 180 days following the pricing in the case of any registration under the Securities Act), (a) offer, pledge, sell, contract to sell, grant any option or contract to purchase, purchase any option or contract to sell, hedge the beneficial ownership of or otherwise dispose of, directly or indirectly, any Common Stock or any securities convertible into, exercisable for or exchangeable for Common Stock (whether such shares or any such securities are then owned by the holder or are thereafter acquired), or (b) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of such securities, whether any such transaction described in clause (a) or (b) above is to be settled by delivery of Common Stock or such other securities, in cash or otherwise. The foregoing provisions of this Section 4 shall not apply to sales of Registrable Securities to be included in such offering pursuant to Section 2(a), Section 2(b), Section 2(c), Section 2(d), or Section 3(a), and shall be applicable to the holders of Registrable Securities only if all executive officer and directors of the Company and all stockholders of the Company's outstanding shares of Common Stock are subject to the same restrictions. Notwithstanding the foregoing, following any Demand Registration or Piggyback Registration involving an underwritten public offering, the Company shall cause each of its directors and executive officers to enter into customary lock-up agreements with the managing underwriter of such underwritten offering, pursuant to which such holders shall not, without the prior written consent of the managing underwriter, during the 15 Business Days prior to the effective date of such registration and until the date specified by such managing underwriter (such period not to exceed 90 days following the closing of such offering), (i) offer, pledge, sell, contract to sell, grant any option or contract to purchase, purchase any option or contract to sell, hedge the beneficial ownership of or otherwise dispose of, directly or indirectly, any Common Stock or any securities convertible into, exercisable for or exchangeable for Common Stock (whether such shares or any such securities are then owned by the holder or are thereafter acquired), or (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of such securities, whether any such transaction described in clause (i) or (ii) above is to be settled by delivery of Common Stock or such other securities, in cash or otherwise. Each holder of Registrable Securities agrees to execute and deliver such other agreements as may be reasonably requested by the Company or the managing underwriter which are consistent with the foregoing or which are necessary to give further effect thereto; provided that, the Preferred Investors shall only be required to enter into lock-up agreements if they are participating in an underwritten Piggyback Shelf Takedown, in which case the Preferred Investors may be required to enter into lock-up agreements that are no more onerous than the lock-up agreements being entered into by other holders of the Company's outstanding shares of Common Stock in connection with such underwritten Piggyback Shelf Takedown, and only to the extent that Snapdragon Capital Partners and its Affiliates who hold Common Stock, all directors and executive officers of the Company and all holders of five percent (5%) or more of the Company's outstanding Common Stock (calculated on an as-converted basis) who participate in such underwritten Piggyback Shelf Takedown have entered into suchlock-up agreements. Notwithstanding anything to the contrary contained in this Section 4, each holder of Registrable Securities shall be released, pro rata, from any lock-up agreement entered into pursuant to this Section 4 in the event and to the extent that the managing underwriter or the Company permit any discretionary waiver or termination of the restrictions of any lock-up agreement pertaining to any executive officer, director or holder of greater than 1% of the outstanding shares of Common Stock.

5. Registration Procedures. If and whenever the holders of Registrable Securities request that the offer and sale of any Registrable Securities be registered under the Securities Act or any Registrable Securities be distributed in a Shelf Takedown pursuant to the provisions of this Agreement, the Company shall use its reasonable efforts to effect the registration of the offer and sale of such Registrable Securities under the Securities Act in accordance with the intended method of disposition thereof, and pursuant thereto the Company shall as soon as reasonably practicable and as applicable:

(a) subject to Section 2(a), Section 2(b) and Section 2(c), prepare and file with the Commission a Registration Statement covering such Registrable Securities and use its reasonable efforts to cause such Registration Statement to be declared effective;

(b) prepare and file with the Commission such amendments, post-effective amendments and supplements to such Registration Statement and the Prospectus used in connection therewith as may be necessary to keep such Registration Statement effective for a period of not less than 90 days, or if earlier, until all of such Registrable Securities have been disposed of and to comply with the provisions of the Securities Act with respect to the disposition of such Registrable Securities in accordance with the intended methods of disposition set forth in such Registration Statement;

(h) make available for inspection by any selling holder of Registrable Securities, any underwriter participating in any disposition pursuant to such Registration Statement and any attorney, accountant or other agent retained by any such holder or underwriter (collectively, the "**Inspectors**"), all financial and other records, pertinent corporate documents and properties of the Company (collectively, the "**Records**"), and cause the Company's officers, directors and employees to supply all information reasonably requested by any such Inspector in connection with such Registration Statement;

(i) provide a transfer agent and registrar (which may be the same entity) for all such Registrable Securities not later than the effective date of such registration;

6. Expenses. All expenses (other than Selling Expenses) incurred by the Company in complying with its obligations pursuant to this Agreement and in connection with the registration and disposition of Registrable Securities shall be paid by the Company, including, without limitation, all (i) registration and filing fees (including, without limitation, any fees relating to filings required to be made with, or the listing of any Registrable Securities on, any securities exchange or over-the-counter trading market on which the Registrable Securities are listed or quoted); (ii) underwriting expenses (other than fees, commissions or discounts); (iii) expenses of any audits incident to or required by any such registration; (iv) fees and expenses of complying with securities and "blue sky" laws (including, without limitation, fees and disbursements of counsel for the Company in connection with "blue sky" qualifications or exemptions of the Registrable Securities); (v) printing expenses; (vi) messenger, telephone and delivery expenses; (vii) fees and expenses of the Company's counsel and accountants; (viii) Financial Industry Regulatory Authority, Inc. filing fees (if any); and (ix) reasonable fees and expenses of one counsel for the holders of Registrable Securities participating in such registration as a group (selected by, in the case of a registration under Section 2(a), the holders of a majority of the Registrable Securities initially requesting such registration, and, in the case of all other registrations hereunder, the holders of a majority of the Registrable Securities included in the registration). In addition, the Company shall be responsible for all of its internal expenses incurred in connection with the consummation of the transactions contemplated by this Agreement (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties) and the expense of any annual audits. All Selling Expenses relating to the offer and sale of Registrable Securities registered under the Securities Act pursuant to this Agreement shall be borne and paid by the holders of such Registrable Securities, in proportion to the number of Registrable Securities included in such registration for each such holder.

7. Indemnification.

(a) The Company shall indemnify and hold harmless, to the fullest extent permitted by law, each holder of Registrable Securities, such holder's officers, directors, managers, members, partners, stockholders and Affiliates, each underwriter, broker or any other Person acting on behalf of such holder of Registrable Securities and each other Controlling Person, if any,

who controls any of the foregoing Persons, against all losses, claims, actions, damages, liabilities and expenses, joint or several, to which any of the foregoing Persons may become subject under the Securities Act or otherwise, insofar as such losses, claims, actions, damages, liabilities or expenses arise out of or are based upon any untrue or alleged untrue statement of a material fact contained in any Registration Statement, Prospectus, preliminary Prospectus, free writing prospectus (as defined in Rule 405 under the Securities Act or any successor rule thereto) or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, preliminary Prospectus or free writing prospectus, in light of the circumstances under which they were made) not misleading; and shall reimburse such Persons for any legal or other expenses reasonably incurred by any of them in connection with investigating or defending any such loss, claim, action, damage or liability; provided, however, that the Company shall not be liable to any such indemnified party insofar as the same are caused by or contained in any information furnished in writing to the Company by such holder expressly for use therein or by such holder's failure to deliver a copy of the Registration Statement, Prospectus, preliminary Prospectus, free writing prospectus (as defined in Rule 405 under the Securities Act or any successor rule thereto) or any amendments or supplements thereto (if the same was required by applicable law to be so delivered) after the Company has furnished such holder with a sufficient number of copies of the same prior to any written confirmation of the sale of Registrable Securities. This indemnity shall be in addition to any liability the Company may otherwise have.

(b) In connection with any registration in which a holder of Registrable Securities is participating, each such holder shall furnish to the Company in writing such information as the Company reasonably requests for use in connection with any such Registration Statement or Prospectus and, to the extent permitted by law, shall indemnify and hold harmless, the Company, each director of the Company, each officer of the Company who shall sign such Registration Statement, each underwriter, broker or other Person acting on behalf of the holders of Registrable Securities and each Controlling Person who controls any of the foregoing Persons against any losses, claims, actions, damages, liabilities or expenses resulting from any untrue or alleged untrue statement of material fact contained in the Registration Statement, Prospectus, preliminary Prospectus, free writing prospectus (as defined in Rule 405 under the Securities Act or any successor rule thereto) or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, preliminary Prospectus or free writing prospectus, in light of the circumstances under which they were made) not misleading, but only to the extent that such untrue statement or omission is made in reliance upon and in conformity with any information regarding such holder of Registrable Securities or any of its Affiliates that was furnished in writing by such holder or its Affiliates expressly for inclusion in such Registration Statement; provided, that the obligation to indemnify shall be several, not joint and several, for each holder and shall not exceed an amount equal to the net proceeds (after underwriting fees, commissions or discounts) actually received by such holder from the sale of Registrable Securities pursuant to such Registration Statement. This indemnity shall be in addition to any liability the selling holder may otherwise have.

(c) Promptly after receipt by an indemnified party of notice of the commencement of any action involving a claim referred to in this Section 7, such indemnified party shall, if a claim in respect thereof is made against an indemnifying party, give written notice to the latter of the commencement of such action. The failure of any indemnified party to notify an indemnifying party of any such action shall not (unless such failure shall have a material adverse effect on the indemnifying party) relieve the indemnifying party from any liability in respect of such action that it may have to such indemnified party hereunder. In case any such action is brought against an indemnified party, the indemnifying party shall be entitled to participate in and to assume the defense of the claims in any such action that are subject or potentially subject to indemnification hereunder, jointly with any other indemnifying party similarly notified to the extent that it may wish, with counsel reasonably satisfactory to such indemnified party, and after written notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be responsible for any legal or other expenses subsequently incurred by the indemnified party in connection with the defense thereof; provided, that, if (i) any indemnified party shall have reasonably concluded that there may be one or more legal or equitable defenses available to such indemnified party which are additional to or conflict with those available to the indemnifying party, or that such claim or litigation involves or could have an effect upon matters beyond the scope of the indemnity provided hereunder, or (ii) such action seeks an injunction or equitable relief against any indemnified party or involves actual or alleged criminal activity, the indemnifying party shall not have the right to assume the defense of such action on behalf of such indemnified party without such indemnified party's prior written consent (but, without such consent, shall have the right to participate therein with counsel of its choice) and such indemnifying party shall reimburse such indemnified party and any Controlling Person of such indemnified party for that portion of the fees and expenses of any counsel retained by the indemnified party which is reasonably related to the matters covered by the indemnity provided hereunder. If the indemnifying party is not entitled to, or elects not to, assume the defense of a claim, it shall not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. In such instance, the conflicting indemnified parties shall have a right to retain one separate counsel, chosen by the holders of a majority of the Registrable Securities included in the registration, at the expense of the indemnifying party.

(d) If the indemnification provided for hereunder is held by a court of competent jurisdiction to be unavailable to an indemnified party with respect to any loss, claim, damage, liability or action referred to herein, then the indemnifying party, in lieu of indemnifying such indemnified party hereunder, shall contribute to the amounts paid or payable by such indemnified party as a result of such loss, claim, damage, liability or action in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and of the indemnified party on the other in connection with the statements or omissions which resulted in such loss, claim, damage, liability or action as well as any other relevant equitable considerations; provided, that the maximum amount of liability in respect of such contribution shall be limited, in the case of each holder of Registrable Securities, to an amount equal to the net proceeds (after underwriting fees, commissions or discounts) actually received by such seller from the sale of Registrable Securities effected pursuant to such registration. The relative fault of the indemnifying party and of the indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party, whether the violation of the Securities Act or any other similar federal or

state securities laws or rule or regulation promulgated thereunder applicable to the Company and relating to action or inaction required of the Company in connection with any applicable registration, qualification or compliance was perpetrated by the indemnifying party or the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties agree that it would not be just and equitable if contribution pursuant hereto were determined by pro rata allocation or by any other method or allocation which does not take account of the equitable considerations referred to herein. No Person guilty or liable of fraudulent misrepresentation within the meaning of Section 11(f) of the Securities Act shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

8. Participation in Underwritten Registrations. No Person may participate in any registration hereunder which is underwritten unless such Person (a) agrees to sell such Person's securities on the basis provided in any underwriting arrangements approved by the Person or Persons entitled hereunder to approve such arrangements and (b) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements; provided, that no holder of Registrable Securities included in any underwritten registration shall be required to make any representations or warranties to the Company or the underwriters (other than representations and warranties regarding such holder, such holder's ownership of its Common Stock to be sold in the offering and such holder's intended method of distribution) or to undertake any indemnification obligations to the Company or the underwriters with respect thereto, except as otherwise provided in Section 7.

9. Rule 144 Compliance. With a view to making available to the holders of Registrable Securities the benefits of Rule 144 and any other rule or regulation of the Commission that may at any time permit a holder to sell securities of the Company to the public without registration, the Company shall:

(a) make and keep public information available, as those terms are understood and defined in Rule 144, at all times after the Registration Date;

(b) use reasonable efforts to file with the Commission in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act, at any time after the Registration Date; and

(c) furnish to any holder so long as the holder owns Registrable Securities, promptly upon request, a written statement by the Company as to its compliance with the reporting requirements of Rule 144 and of the Securities Act and the Exchange Act, a copy of the most recent annual or quarterly report of the Company, and such other reports and documents so filed or furnished by the Company as such holder may reasonably request in connection with the sale of Registrable Securities without registration.

10. Preservation of Rights. The Company shall not (a) grant any registration rights to third parties which are more favorable than or inconsistent with the rights granted hereunder, or (b) enter into any agreement, take any action, or permit any change to occur, with respect to its securities that violates or subordinates the rights expressly granted to the holders of Registrable Securities in this Agreement. The Company represents and warrants that it is not a party to, or otherwise subject to, any other agreement granting registration rights to any other Person with respect to any securities of the Company, other than pursuant to the Purchase Agreement.

11. Alternative IPO Entities. In the event that the Company elects to effect an underwritten registered offering of equity securities of any subsidiary or parent of the Company (collectively, "**Alternative IPO Entities**") rather than the equity securities of the Company, whether as a result of a reorganization of the Company or otherwise, the Investors and the Company shall cause the Alternative IPO Entity to enter into an agreement with the Investors that provides the Investors with registration rights with respect to the equity securities of the Alternative IPO Entity that are substantially the same as, and in any event no less favorable in the aggregate to, the registration rights provided to the Investors in this Agreement.

12. Termination. This Agreement shall terminate and be of no further force or effect when there shall no longer be any Registrable Securities outstanding; provided, that the provisions of Section 6 and Section 7 shall survive any such termination.

13. Notices. All notices, requests, consents, claims, demands, waivers and other communications hereunder shall be in writing and shall be deemed to have been given (a) when delivered by hand (with written confirmation of receipt); (b) when received by the addressee if sent by a nationally recognized overnight courier (receipt requested); (c) on the date sent by facsimile or e-mail of a PDF document (with confirmation of transmission) if sent during normal business hours of the recipient, and on the next Business Day if sent after normal business hours of the recipient; or (d) on the third day after the date mailed, by certified or registered mail, return receipt requested, postage prepaid. Such communications must be sent to the respective parties at the addresses indicated below (or at such other address for a party as shall be specified in a notice given in accordance with this Section 13).

If to any Investor, to such Investor's address as set forth on Schedule A hereto.

14. Entire Agreement. This Agreement, together with the Purchase Agreement and any related exhibits and schedules thereto, constitutes the sole and entire agreement of the parties to this Agreement with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings and agreements, both written and oral, with respect to such subject matter. Notwithstanding the foregoing, in the event of any conflict between the terms and provisions of this Agreement and those of the Purchase Agreement, the terms and conditions of this Agreement shall control.

15. Successor and Assigns. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns. Each Investor may assign its rights hereunder to any purchaser or transferee of Registrable Securities or Preferred Shares; provided, that such purchaser or transferee shall, as a condition to the effectiveness of such assignment, be required to execute a counterpart to this Agreement agreeing to be treated as an Investor whereupon such purchaser or transferee shall have the benefits of, and shall be subject to the restrictions contained in, this Agreement as if such purchaser or transferee was originally included in the definition of an Investor herein and had originally been a party hereto.

16. No Third-Party Beneficiaries. This Agreement is for the sole benefit of the parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever, under or by reason of this Agreement.

17. Headings. The headings in this Agreement are for reference only and shall not affect the interpretation of this Agreement.

18. Amendment, Modification and Waiver. Except as otherwise provided herein, the provisions of this Agreement may only be amended, modified, supplemented or waived with the prior written consent of the Company, the holders of a majority of the Registrable Securities and the holders of a majority of the outstanding shares of Preferred Stock. No waiver by any party or parties shall operate or be construed as a waiver in respect of any failure, breach or default not expressly identified by such written waiver, whether of a similar or different character, and whether occurring before or after that waiver. Except as otherwise set forth in this Agreement, no failure to exercise, or delay in exercising, any right, remedy, power or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

19. Severability. If any term or provision of this Agreement is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal or unenforceable, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

20. Remedies. Each holder of Registrable Securities, in addition to being entitled to exercise all rights granted by law, including recovery of damages, shall be entitled to specific performance of its rights under this Agreement. The Company acknowledges that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Agreement and the Company hereby agrees to waive the defense in any action for specific performance that a remedy at law would be adequate.

21. Governing Law; Submission to Jurisdiction. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction). Each of the Parties irrevocably agrees that any legal action or proceeding, arising out of or relating to this Agreement, brought by any other Party or its, his or her successors or assigns will be brought and determined in the Court of Chancery in the State of Delaware or the courts of the United States of America for the District of Delaware, and the appellate courts of either of the foregoing, and each of the Parties hereby irrevocably submits to the exclusive jurisdiction of the aforesaid courts for itself and with respect to its, his or her property, generally and unconditionally, with regard to any such action or proceeding arising out of or relating to this Agreement and the transactions contemplated hereby. Each of the Parties agrees not to commence any action, suit or proceeding relating thereto except in the courts described above in Delaware, other than actions in any court of competent jurisdiction to enforce any judgment, decree or award rendered by any such court in Delaware as described herein. Each of the Parties further agrees that notice as provided herein will constitute sufficient service of process and the Parties further waive any argument that such service is insufficient. Each of the Parties hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any action or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby, any claim that (i) it, he, or she is not personally subject to the jurisdiction of the courts in Delaware as described herein for any reason, (ii) it or its, his or her property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise), or (iii) (A) the suit, action or proceeding in any such court is brought in an inconvenient forum, (B) the venue of such suit, action or proceeding is improper or (C) this Agreement, or the subject matter hereof, may not be enforced in or by such courts.

22. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

23. Further Assurances. Each of the parties to this Agreement shall, and shall cause their Affiliates to, execute and deliver such additional documents, instruments, conveyances and assurances and take such further actions as may be reasonably required to carry out the provisions hereof and to give effect to the transactions contemplated hereby.

(ii) a change in the composition of the Board such that, during any 12-month period, the individuals who, as of the beginning of such period, constitute the Board (the "**Existing Board**") cease for any reason to constitute at least 50% of the Board;*provided*, *however*, that any individual becoming a member of the Board subsequent to the beginning of such period whose election, or nomination for election by the Company's shareholders, was approved by a vote of at least a majority of the Directors immediately prior to the date of such appointment or election shall be considered as though such individual were a member of the Existing Board; *provided further*, that, notwithstanding the foregoing, no individual whose initial assumption of office occurs as a result of either an actual or threatened election contest (as such terms are used in Rule 14a-11 or Regulation 14A promulgated under the Exchange Act or successor statutes or rules containing analogous concepts) or other actual or threatened solicitation of proxies or consents by or on behalf of an individual, corporation, partnership, group, associate or other entity or Person other than the Board, shall in any event be considered to be a member of the Existing Board;

(iii) the consummation of a merger, amalgamation or consolidation of the Company with any other corporation or other entity, or the issuance of voting securities in connection with such a transaction pursuant to applicable stock exchange requirements; *provided* that immediately following such transaction the voting securities of the Company outstanding immediately prior thereto do not continue to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity of such transaction or parent entity thereof) 50% or more of the total voting power of the Company's stock (or, if the Company is not the surviving entity of such merger or consolidation, 50% or

more of the total voting power and total fair market value of the stock of such surviving entity or parent entity thereof); and *provided*, *further*, that such a transaction effected to implement a recapitalization of the Company (or similar transaction) in which no Person is or becomes the Beneficial Owner, directly or indirectly, of securities of the Company (not including in the securities beneficially owned by such Person any securities acquired directly from the Company or its Affiliates other than in connection with the acquisition by the Company or its Affiliates of a business) representing 50% or more of either the then-outstanding Shares or the combined voting power of the Company's then-outstanding voting securities shall not be considered a Change in Control; or

(iv) the sale or disposition by the Company of all or substantially all of the Company's assets in which any Person acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such Person) assets from the Company that have a total gross fair market value equal to more than 50% of the total gross fair market value of all of the assets of the Company immediately prior to such acquisition or acquisitions.

Notwithstanding the foregoing, (A) no Change in Control shall be deemed to have occurred if there is consummated any transaction or series of integrated transactions immediately following which the record holders of the Shares immediately prior to such transaction or series of transactions continue to have substantially the same proportionate ownership in an entity which owns substantially all of the assets of the Company immediately prior to such transaction or series of transactions and (B) no Change in Control shall be deemed to have occurred upon the acquisition of additional control of the Company by any Person that is considered to effectively control the Company. In no event will a Change in Control be deemed to have occurred if any Participant is part of a "group" within the meaning of Section 13(d)(3) of the Exchange Act that effects a Change in Control. Notwithstanding the foregoing or any provision of any Award Agreement to the contrary, for any Award that provides for accelerated distribution on a Change in Control of amounts that constitute "deferred compensation" (as defined in Section 409A of the Code), if the event that constitutes such Change in Control does not also constitute a change in the ownership or effective control of the Company, or in the ownership of a substantial portion of the Company's assets (in either case, as defined in Section 409A of the Code), such amount shall not be distributed on such Change in Control but instead shall vest as of such Change in Control and shall be distributed on the scheduled payment date specified in the applicable Award Agreement, except to the extent that earlier distribution would not result in the Participant who holds such Award incurring interest or additional tax under Section 409A of the Code.

(i) "**Code**" means the Internal Revenue Code of 1986, as amended from time to time, and the rules, regulations and guidance thereunder. Any reference to a provision in the Code shall include any successor provision thereto.

(j) "**Committee**" means the compensation committee of the Board unless another committee is designated by the Board. If there is no compensation committee of the Board and the Board does not designate another committee, references herein to the "Committee" shall refer to the Board.

(k) "**Consultant**" means any individual, including an advisor, who is providing *bona fide* services to the Company or any Subsidiary or Affiliate or who has accepted an offer of service or consultancy from the Company or any Subsidiary or Affiliate; *provided* that any such person may not receive any payment or exercise any right relating to an Award until such person has commenced service with the Company or its Subsidiaries or Affiliates. For purposes of the Plan, in the case of a Consultant, references to employment shall be deemed to refer to such Consultant's service in such capacity, but in no event shall the Plan or any action taken hereunder be construed to create an employer-employee relationship between any such Consultant and the Company or of any of its Subsidiaries or Affiliates.

(a) Subject to adjustment as provided in Section 5(c) and except for Substitute Awards, the initial number of Shares available for issuance under the Plan shall not exceed in the aggregate the sum of (i) [ ] Shares and (ii) the number of Shares issuable pursuant to Awards previously granted under the Pre-IPO Plan (taking into account any conversion of such outstanding Awards). The total number of Shares available for issuance under the Plan shall be increased on the first day of each Company fiscal year following the Effective Date in an amount equal to the least of (i) [ ] Shares, (ii) 2% of outstanding Shares on the last day of the immediately preceding fiscal year and (iii) such number of Shares as determined by the Board in its discretion. Shares underlying Substitute Awards and Shares remaining available for grant under a plan of an acquired company or of a company with which the Company combines (whether by way of amalgamation, merger, sale and purchase of shares or other securities or otherwise), appropriately adjusted to reflect the acquisition or combination transaction, shall not reduce the number of Shares remaining available for grant hereunder.

(b) If any Award is forfeited, cancelled, expires, terminates or otherwise lapses or is settled in cash, in whole or in part, without the delivery of Shares, then the Shares covered by such forfeited, expired, terminated or lapsed Award shall again be available for grant under the Plan. The following shall not become available for issuance under the Plan: (i) any Shares withheld in respect of taxes relating to any Award and (ii) any Shares tendered or withheld to pay the exercise price of Options.

(c) In the event that the Committee determines that, as a result of any dividend or other distribution (other than an ordinary dividend or distribution), recapitalization, stock split, reverse stock split, reorganization, merger, amalgamation, consolidation, separation, rights offering, split-up, spin-off, combination, or other similar corporate transaction or event affecting the Shares, or of changes in applicable laws, regulations or accounting principles, an adjustment is necessary in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall, subject to Section 19 and applicable law, adjust equitably so as to ensure no undue enrichment or harm (including by payment of cash), any or all of:

(ii) the number and type of Shares (or other securities) subject to outstanding Awards;

(d) Any Shares delivered pursuant to an Award may consist, in whole or in part, of authorized and unissued Shares or Shares acquired by the Company.

(e) The aggregate value of all compensation granted or paid, as applicable, to any individual for service as aNon-Employee Director with respect to any calendar year, including Awards granted and cash fees paid by the Company to such Non-Employee Director, will not exceed (i) $650,000 in total value or (ii) in the event such Non-Employee Director is first appointed or elected to the Board, $1,000,000 in total value during the initial annual period, in each case calculating the value of any equity awards based on the grant date fair value of such equity awards for financial reporting purposes. The limitations in this Section 5(e) shall apply commencing with the first calendar year that begins following the Effective Date.

(f) Subject to adjustment as provided in Section 5(c)(i), the maximum number of Shares available for issuance with respect to Incentive Stock Options shall be [ ]. To the extent that the aggregate Fair Market Value (determined at the time of grant) of Shares with respect to which Incentive Stock Options are exercisable for the first time by any Optionholder during any calendar year (under all plans of the Company and any Affiliates) exceeds $100,000 (or such other limit established in the Code) or otherwise does not comply with the rules governing Incentive Stock Options, the Options or portions thereof that exceed such limit (according to the order in which they were granted) or otherwise do not comply with such rules will be treated as Nonqualified Stock Options, notwithstanding any contrary provision of the applicable Option Agreement(s).

Section 6. *Options*. The Committee is authorized to grant Options to Participants with the following terms and conditions and with such additional terms and conditions, in either case not inconsistent with the provisions of the Plan, as the Committee shall determine:

(a) The exercise price per Share under an Option shall be determined by the Committee at the time of grant; *provided*, *however*, that, except in the case of Substitute Awards, such exercise price shall not be less than the Fair Market Value of a Share on the date of grant of such Option.

(b) The term of each Option shall be fixed by the Committee but shall not exceed 10 years from the date of grant of such Option. The Committee shall determine the time or times at which an Option becomes vested and exercisable in whole or in part.

(c) The Committee shall determine the methods by which, and the forms in which payment of the exercise price with respect thereto may be made or deemed to have been made, including cash, Shares, other Awards, other property, net settlement (including broker-assisted cashless exercise) or any combination thereof, having a Fair Market Value on the exercise date equal to the relevant exercise price.

(d) To the extent an Option is not previously exercised as to all of the Shares subject thereto, and, if the Fair Market Value of one Share is greater than the exercise price then in effect, then the Option shall be deemed automatically exercised immediately before its expiration.

(e) No grant of Options may be accompanied by a tandem award of dividend equivalents or provide for dividends, dividend equivalents or other distributions to be paid on such Options (except as provided under Section 5(c)).

(f) The terms of any Incentive Stock Option granted under the Plan shall comply in all respects with the provisions of Section 422 of the Code. Incentive Stock Options may be granted only to employees of the Company or of a parent or subsidiary corporation (as defined in Section 424 of the Code).

Section 7. *Stock Appreciation Rights.* The Committee is authorized to grant SARs to Participants with the following terms and conditions and with such additional terms and conditions, in either case not inconsistent with the provisions of the Plan, as the Committee shall determine:

(a) SARs may be granted under the Plan to Participants either alone ("freestanding") or in addition to other Awards granted under the Plan ("tandem") and may, but need not, relate to a specific Option granted under Section 6.

(b) The exercise or hurdle price per Share under a SAR shall be determined by the Committee;*provided*, *however*, that, except in the case of Substitute Awards, such exercise or hurdle price shall not be less than the Fair Market Value of a Share on the date of grant of such SAR.

(c) The term of each SAR shall be fixed by the Committee but shall not exceed 10 years from the date of grant of such SAR. The Committee shall determine the time or times at which a SAR may be exercised or settled in whole or in part.

(d) Upon the exercise of a SAR, the Company shall pay to the Participant an amount equal to the number of Shares subject to the SAR multiplied by the excess, if any, of the Fair Market Value of one Share on the exercise date over the exercise or hurdle price of such SAR. The Company shall pay such excess in cash, in Shares valued at Fair Market Value, or any combination thereof, as determined by the Committee.

(e) To the extent a SAR is not previously exercised as to all of the Shares subject thereto, and, if the Fair Market Value of one Share is greater than the exercise price then in effect, then the SAR shall be deemed automatically exercised immediately before its expiration.

(f) No grant of SARs may be accompanied by a tandem award of dividend equivalents or provide for dividends, dividend equivalents or other distributions to be paid on such SARs (except as provided under Section 5(c)).

Section 8. *Restricted Stock.* The Committee is authorized to grant Awards of Restricted Stock to Participants with the following terms and conditions and with such additional terms and conditions, in either case not inconsistent with the provisions of the Plan, as the Committee shall determine:

(a) The Award Agreement shall specify the vesting schedule.

(b) Awards of Restricted Stock shall be subject to such restrictions as the Committee may impose, which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise, as the Committee may deem appropriate.

(c) Subject to the restrictions set forth in the applicable Award Agreement, a Participant generally shall have the rights and privileges of a shareholder with respect to Awards of Restricted Stock, including the right to vote such Shares of Restricted Stock and the right to receive dividends.

(d) The Committee may, in its discretion, specify in the applicable Award Agreement that any or all dividends or other distributions paid on Awards of Restricted Stock prior to vesting be paid either in cash or in additional Shares (including through reinvestment in additional Shares) at the time that the underlying Award vests and/or settle and is otherwise subject to the same restrictions as the underlying Awards.

(e) Any Award of Restricted Stock may be evidenced in such manner as the Committee may deem appropriate, including book-entry registration.

(f) The Committee may provide in an Award Agreement that an Award of Restricted Stock is conditioned upon the Participant making or refraining from making an election with respect to the Award under Section 83(b) of the Code. If a Participant makes an election pursuant to Section 83(b) of the Code with respect to an Award of Restricted Stock, such Participant shall be required to file promptly a copy of such election with the Company and the applicable Internal Revenue Service office.

Section 9. *RSUs.* The Committee is authorized to grant Awards of RSUs to Participants with the following terms and conditions and with such additional terms and conditions, in either case not inconsistent with the provisions of the Plan, as the Committee shall determine:

(a) The Award Agreement shall specify the vesting schedule and the delivery schedule (which may include deferred delivery later than the vesting date).

(b) Awards of RSUs shall be subject to such restrictions as the Committee may impose, which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise, as the Committee may deem appropriate.

(c) An RSU shall not convey to a Participant the rights and privileges of a shareholder with respect to the Shares subject to such RSU, such as the right to vote or the right to receive dividends, unless and until and to the extent a Share is issued to such Participant to settle such RSU.

(d) The Committee may, in its discretion, specify in the applicable Award Agreement that any or all dividend equivalents or other distributions paid on Awards of RSUs prior to vesting or settlement, as applicable, be paid either in cash or in additional Shares (including through reinvestment in additional Shares) at the time that the underlying Award vests and/or settle and is otherwise subject to the same restrictions as the underlying Awards.

(e) Shares delivered upon the vesting and settlement of an RSU Award may be evidenced in such manner as the Committee may deem appropriate, including book-entry registration.

(f) The Committee may determine the form or forms (including cash, Shares, other Awards, other property or any combination thereof) in which payment of the amount owing upon settlement of any RSU Award may be made.

Section 10. *Performance Awards.* The Committee is authorized to grant Performance Awards to Participants with the following terms and conditions and with such additional terms and conditions, in either case not inconsistent with the provisions of the Plan, as the Committee shall determine:

(a) Performance Awards may be denominated as a cash amount, number of Shares or units or a combination thereof and are Awards that may be earned upon achievement or satisfaction of performance conditions specified by the Committee. In addition, the Committee may specify that any other Award shall constitute a Performance Award by conditioning the grant to a Participant or the right of a Participant to exercise the Award or have it settled, and the timing thereof, upon achievement or satisfaction of such performance conditions as may be specified by the Committee. The Committee may use such business criteria and other measures of performance as it may deem appropriate in establishing any performance conditions. Subject to the terms of the Plan, the performance goals to be achieved during any Performance Period, the length of any Performance Period, the amount of any Performance Award granted and the amount of any payment or transfer to be made pursuant to any Performance Award shall be determined by the Committee.

(b) Performance criteria may be measured on an absolute (*e.g.*, plan or budget) or relative basis, and may be established on a corporate-wide basis, with respect to one or more business units, divisions, Subsidiaries or business segments, or on an individual basis. If the Committee determines that a change in the business, operations, corporate structure or capital structure of the Company, or the manner in which the Company conducts its business, or other events or circumstances render the performance objectives unsuitable, the Committee may modify the performance objectives or the related minimum acceptable level of achievement, in whole or in part, as the Committee deems appropriate and equitable such that it does not provide any undue enrichment or harm. Performance measures may vary from Performance Award to Performance Award and from Participant to Participant, and may be established on a stand-alone basis, in tandem or in the alternative. The Committee shall have the power to impose such other restrictions on Awards subject to this Section 10(b) as it may deem necessary or appropriate to ensure that such Awards satisfy all requirements of any applicable law, stock market or exchange rules and regulations or accounting or tax rules and regulations.

(c) Settlement of Performance Awards shall be in cash, Shares, other Awards, other property, net settlement, or any combination thereof, as determined in the discretion of the Committee.

(d) A Performance Award shall not convey to a Participant the rights and privileges of a shareholder with respect to the Shares subject to such Performance Award, such as the right to vote (except as relates to Restricted Stock) or the right to receive dividends, unless and until and to the extent a Share is issued to such Participant to settle such Performance Award. The Committee, in its sole discretion, may provide that a Performance Award shall convey the right to receive dividend equivalents on the Shares subject to such Performance Award with respect to any dividends declared during the period that such Performance Award is outstanding, in which case, such dividend

equivalent rights shall accumulate and shall be paid in cash or Shares on the settlement date of the Performance Award, subject to the Participant's earning of the Shares with respect to which such dividend equivalents are paid upon achievement or satisfaction of performance conditions specified by the Committee. Shares delivered upon the vesting and settlement of a Performance Award may be evidenced in such manner as the Committee may deem appropriate, including book-entry registration. For the avoidance of doubt, unless otherwise determined by the Committee, no dividend equivalent rights shall be provided with respect to any Shares subject to Performance Awards that are not earned or otherwise do not vest or settle pursuant to their terms.

(e) The Committee may, in its discretion, increase or reduce the amount of a settlement otherwise to be made in connection with a Performance Award.

Section 11. *Other Cash-Based Awards and Other Stock-Based Awards.* The Committee is authorized, subject to limitations under applicable law, to grant Other Cash-Based Awards (either independently or as an element of or supplement to any other Award under the Plan) and Other Stock-Based Awards. The Committee shall determine the terms and conditions of such Awards. Shares delivered pursuant to an Award in the nature of a purchase right granted under this Section 11 shall be purchased for such consideration, and paid for at such times, by such methods and in such forms, including cash, Shares, other Awards, other property, net settlement, broker-assisted cashless exercise or any combination thereof, as the Committee shall determine; *provided* that the purchase price therefor shall not be less than the Fair Market Value of such Shares on the date of grant of such right.

Section 12. *Effect of Termination of Service or a Change in Control on Awards*

(a) The Committee may provide, by rule or regulation or in any applicable Award Agreement, or may determine in any individual case, the circumstances in which, and the extent to which, an Award may be exercised, settled, vested, paid or forfeited in the event of a Participant's Termination of Service prior to the end of a Performance Period or vesting, exercise or settlement of such Award.

(b) Subject to the last sentence of Section 2(ll), the Committee may determine, in its discretion, whether, and the extent to which, (i) an Award will vest during a leave of absence, (ii) a reduction in service level (for example, from full-time to part-time employment) will cause a reduction, or other change, to an Award and (iii) a leave of absence or reduction in service will be deemed a Termination of Service.

(c) In the event of a Change in Control, the Committee may, in its sole discretion, and on such terms and conditions as it deems appropriate, take any one or more of the following actions with respect to any outstanding Award, which need not be uniform with respect to all Participants and/or Awards:

(i) continuation or assumption of such Award by the Company (if it is the surviving corporation) or by the successor or surviving entity or its parent;

(ii) substitution or replacement of such Award by the successor or surviving entity or its parent with cash, securities, rights or other property to be paid or issued, as the case may be, by the successor or surviving entity (or a parent or subsidiary thereof), with substantially the same terms and value as such Award (including any applicable performance targets or criteria with respect thereto);

(iii) acceleration of the vesting of such Award and the lapse of any restrictions thereon and, in the case of an Option or SAR Award, acceleration of the right to exercise such Award during a specified period (and the termination of such Option or SAR Award without payment of any consideration therefor to the extent such Award is not timely exercised), in each case, either (A) immediately prior to or as of the date of the Change in Control, (B) upon a Participant's involuntary Termination of Service (including upon a termination of the Participant's employment by the Company (or a successor corporation or its parent) without Cause, by a Participant for "good reason" and/or due to a Participant's death or "disability", as such terms may be defined in the applicable Award Agreement and/or a Participant's Service Agreement, as the case may be) on or within a specified period following the Change in Control or (C) upon the failure of the successor or surviving entity (or its parent) to continue or assume such Award;

(iv) in the case of a Performance Award, determination of the level of attainment of the applicable performance condition(s); and

(v) cancellation of such Award in consideration of a payment, with the form, amount and timing of such payment determined by the Committee in its sole discretion, subject to the following: (A) such payment shall be made in cash, securities, rights and/or other property; (B) the amount of such payment shall equal the value of such Award, as determined by the Committee in its sole discretion; *provided* that, in the case of an Option or SAR Award, if such value equals the Intrinsic Value of such Award, such value shall be deemed to be valid; *provided further* that, if the Intrinsic Value of an Option or SAR Award is equal to or less than zero, the Committee may, in its sole discretion, provide for the cancellation of such Award without payment of any consideration therefor (for the avoidance of doubt, in the event of a Change in Control, the Committee may, in its sole discretion, terminate any Option or SAR Awards for which the exercise or hurdle price is equal to or exceeds the per Share value of the consideration to be paid in the Change in Control transaction without payment of consideration therefor); and (C) such payment shall be made promptly following such Change in Control or on a specified date or dates following such Change in Control; *provided* that the timing of such payment shall comply with Section 409A of the Code.

Section 13. *General Provisions Applicable to Awards*.

(a) Awards shall be granted for such cash or other consideration, if any, as the Committee determines; *provided* that in no event shall Awards be issued for less than such minimal consideration as may be required by applicable law.

(b) Awards may, in the discretion of the Committee, be granted either alone or in addition to or in tandem with any other Award or any award granted under any other plan of the Company. Awards granted in addition to or in tandem with other Awards, or in addition to or in tandem with awards granted under any other plan of the Company, may be granted either at the same time as or at a different time from the grant of such other Awards or awards.

(c) Subject to the terms of the Plan, payments or transfers to be made by the Company upon the grant, exercise or settlement of an Award may be made in the form of cash, Shares, other Awards, other property, net settlement, or any combination thereof, as determined by the Committee in its discretion at the time of grant, and may be made in a single payment or transfer, in installments or on a deferred basis, in each case in accordance with rules and procedures established by the Committee. Such rules and procedures may include provisions for the payment or crediting of reasonable interest on installment or deferred payments or the grant or crediting of dividend equivalents in respect of installment or deferred payments.

(d) Except as may be permitted by the Committee or as specifically provided in an Award Agreement, (i) no Award and no right under any Award shall be assignable, alienable, saleable or transferable by a Participant other than by will or pursuant to Section 13(e) and (ii) during a Participant's lifetime, each Award, and each right under any Award, shall be exercisable only by such Participant or, if permissible under applicable law, by such Participant's guardian or legal representative. The provisions of this Section 13(d) shall not apply to any Award that has been fully exercised or settled, as the case may be, and shall not preclude forfeiture of an Award in accordance with the terms thereof.

(e) A Participant may designate a Beneficiary or change a previous Beneficiary designation only at such times as prescribed by the Committee, in its sole discretion, and only by using forms and following procedures approved or accepted by the Committee for that purpose.

(f) All certificates, if any, for Shares and/or other securities delivered under the Plan pursuant to any Award or the exercise or settlement thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations and other requirements of the Securities and Exchange Commission, any stock market or exchange upon which such Shares or other securities are then quoted, traded or listed, and any applicable securities laws, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

(g) The Company will not be obligated to deliver any Shares under the Plan or remove restrictions from Shares previously delivered under the Plan until (i) all Award conditions have been met or removed to the Committee's satisfaction, (ii) as determined by the Committee, all other legal matters regarding the issuance and delivery of such Shares have been satisfied, including any applicable securities laws, stock market or exchange rules and regulations or accounting or tax rules and regulations and (iii) the Participant has executed and delivered to the Company such representations or agreements as the Committee deems necessary or appropriate to satisfy any applicable laws. The Company's inability to obtain authority from any regulatory body having jurisdiction, which the Committee determines is necessary to the lawful issuance and sale of any Shares, will relieve the Company of any liability for failing to issue or sell such Shares as to which such requisite authority has not been obtained.

(h) Notwithstanding any provisions of this Plan to the contrary and except as provided in this Section 13(h), pursuant to Section 12 or Awards granted for services as a Non-Employee Director, Awards (other than replacement awards) shall not vest in full prior to theone-year anniversary of the applicable grant date; *provided, however*, that the following Awards shall not be subject to the foregoing minimum vesting requirement: (i) Shares delivered in lieu of fully vested cash Awards; and (ii) any additional Awards that the Committee may grant with such other vesting requirements, if any, as the Committee may establish in its sole discretion, up to five percent (5%) of the Shares available for issuance under the Plan.

(i) The Committee may impose restrictions on any Award with respect tonon-competition, non-solicitation, confidentiality and other restrictive covenants, or requirements to comply with minimum share ownership requirements, as it deems necessary or appropriate in its sole discretion, which such restrictions may be set forth in any applicable Award Agreement or otherwise.

Section 14. *Amendments and Terminations.*

(a) *Amendment or Termination of the Plan.* Except to the extent prohibited by applicable law and unless otherwise expressly provided in an Award Agreement or in the Plan, the Board may amend, alter, suspend, discontinue or terminate the Plan or any portion thereof at any time; *provided*, *however*, that no such amendment, alteration, suspension, discontinuation or termination shall be made without (i) shareholder approval if such approval is required by applicable law or the rules of the stock market or exchange, if any, on which the Shares are principally quoted or traded or (ii) subject to Section 5(c) and Section 12, the consent of the affected Participant, if such action would materially adversely affect the rights of such Participant under any outstanding Award, except (x) to the extent any such amendment, alteration, suspension, discontinuance or termination is made to cause the Plan to comply with applicable law, stock market or exchange rules and regulations or accounting or tax rules and regulations or (y) to impose any "clawback" or recoupment provisions on any Awards (including any amounts or benefits arising from such Awards) in accordance with Section 18. Notwithstanding anything to the contrary in the Plan, the Committee may amend the Plan, or create sub-plans, in such manner as may be necessary or desirable to enable the Plan to achieve its stated purposes in any jurisdiction in a tax-efficient manner and in compliance with local rules and regulations.

(b) *Dissolution or Liquidation*. Notwithstanding Section 14(c) hereof, in the event of the dissolution or liquidation of the Company, each Award shall terminate immediately prior to the consummation of such action, unless otherwise determined by the Committee.

(c) *Terms of Awards.* The Committee may waive any conditions or rights under, amend any terms of, or amend, alter, suspend, discontinue or terminate any Award theretofore granted (including by substituting another Award of the same or a different type), prospectively or retroactively, without the consent of any relevant Participant or holder or Beneficiary of an Award; *provided*, *however*, that, subject to Section 5(c) and Section 12, no such action shall materially adversely affect the rights of any affected Participant or holder or Beneficiary under any Award theretofore granted under the Plan, except (x) to the extent any such action is made to cause the Plan or Award to comply with applicable law, stock market or exchange rules and regulations or accounting or tax rules and regulations, or (y) to impose any "clawback" or recoupment provisions on any Awards (including any amounts or benefits arising from such Awards) in accordance with Section 18. The Committee shall be authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of events (including the events described in Section 5(c)) affecting the Company, or the financial statements of the Company, or of changes in applicable laws, regulations or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan.

(d) *No Repricing.* Except as provided in Section 5(c), the Committee may not, without shareholder approval, seek to effect anyre-pricing of any previously granted "underwater" Option, SAR or similar Award by: (i) amending or modifying the terms of the Option, SAR or similar Award to lower the exercise price; (ii) cancelling the underwater Option, SAR or similar Award and granting either (A) replacement Options, SARs or similar Awards having a lower exercise price or (B) Restricted Shares, RSUs, Performance Awards or Other Share-Based Awards in exchange; or (iii) cancelling or repurchasing the underwater Options, SARs or similar Awards for cash or other securities. An Option, SAR or similar Award will be deemed to be "underwater" at any time when the Fair Market Value of the Shares covered by such Award is less than the exercise price of the Award.

Section 15. *Miscellaneous*.

(a) No Employee, Consultant, Non-Employee Director, Participant, or other Person shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of employees, Participants or holders or Beneficiaries of Awards under the Plan. The terms and conditions of Awards need not be the same with respect to each recipient. Any Award granted under the Plan shall be a one- time Award that does not constitute a promise of future grants. The Company, in its sole discretion, maintains the right to make available future grants under the Plan.

(b) The grant of an Award shall not be construed as giving a Participant the right to be retained in the employ of, or to continue to provide services to, the Company or any Affiliate. Further, the Company or any applicable Affiliate may at any time dismiss a Participant, free from any liability, or any claim under the Plan, unless otherwise expressly provided in the Plan or in any Award Agreement or in any other agreement binding on the parties. The receipt of any Award under the Plan is not intended to confer any rights on the receiving Participant except as set forth in the applicable Award Agreement.

(c) As a condition to accepting an Award under the Plan, the Participant agrees to execute any additional documents or instruments necessary or desirable, as determined in the Committee's sole discretion, to carry out the purposes or intent of the Award, or facilitate compliance with securities and/or other regulatory requirements, in each case at the Committee's request.

(d) No payment pursuant to the Plan shall be taken into account in determining any benefits under any severance, pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Affiliate, except to the extent otherwise expressly provided in writing in such other plan or an agreement thereunder.

(e) Nothing contained in the Plan shall prevent the Company or any Affiliate from adopting or continuing in effect other or additional compensation arrangements, including the grant of options and other stock-based awards, and such arrangements may be either generally applicable or applicable only in specific cases.

(f) The Company shall be authorized to withhold from any Award granted or any payment due or transfer made under any Award or under the Plan or from any compensation or other amount owing to a Participant the amount (in cash, Shares, other Awards, other property, net settlement, or any combination thereof) of applicable withholding taxes due in respect of an Award, its grant, vesting, exercise or settlement or any payment or transfer under such Award or under the Plan and to take such other action (including providing for elective payment of such amounts in cash or Shares by such Participant) as may be necessary to satisfy all obligations for the payment of such taxes and, unless otherwise determined by the Committee in its discretion, to the extent such withholding would not result in liability classification of such Award (or any portion thereof) pursuant to FASB ASC Subtopic 718-10.

(g) If any provision of the Plan or any Award Agreement is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction, or as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award Agreement, such provision shall be stricken as to such jurisdiction, Person or Award, and the remainder of the Plan and any such Award Agreement shall remain in full force and effect.

(h) Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company.

(i) Any reference herein or in an Award Agreement to a "written" agreement or document will include any agreement or document delivered electronically, filed publicly at www.sec.gov (or any successor website thereto) or posted on the Company's intranet (or other shared electronic medium controlled by the Company to which the Participant has access). By accepting any Award the Participant consents to receive documents by electronic delivery and to participate in the Plan through any on-line electronic system established and maintained by the Committee's or another third party selected by the Committee. The form of delivery of any Shares (e.g., a stock certificate or electronic entry evidencing such shares) shall be determined by the Company.

(j) No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash or other securities shall be paid or transferred in lieu of any fractional Shares, or whether such fractional Shares or any rights thereto shall be canceled, terminated or otherwise eliminated.

(k) Awards may be granted to Participants who arenon-United States nationals or employed or providing services outside the United States, or both, on such terms and conditions different from those applicable to Awards to Participants who are employed or providing services in the United States as may, in the judgment of the Committee, be necessary or desirable to recognize differences in local law, tax policy or custom. The Committee also may impose conditions on the exercise or vesting of Awards in order to minimize the Company's obligation with respect to tax equalization for Participants on assignments outside their home country.

Section 16. *Effective Date of the Plan.* The Plan shall be effective as of the Effective Date.

Section 17. *Term of the Plan.* No Award shall be granted under the Plan after the earliest to occur of (i) the10-year anniversary of the Effective Date; (ii) the maximum number of Shares available for issuance under the Plan have been issued; or (iii) the Board terminates the Plan in accordance with Section 14(a). However, unless otherwise expressly provided in the Plan or in an applicable Award Agreement, any Award theretofore granted may extend beyond such date, and the authority of the Committee to amend, alter, adjust, suspend, discontinue or terminate any such Award, or to waive any conditions or rights under any such Award, and the authority of the Board to amend the Plan, shall extend beyond such date.

Section 18. *Cancellation or "Clawback" of Awards.*

(a) The Committee may specify in an Award Agreement that a Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include a Termination of Service with or without Cause (and, in the case of any Cause that is resulting from an indictment or other non-final determination, the Committee may provide for such Award to be held in escrow or abeyance until a final resolution of the matters related to such event occurs, at which time the Award shall either be reduced, cancelled or forfeited (as provided in such Award Agreement) or remain in effect, depending on the outcome), violation of material policies, breach of non-competition, non-solicitation, confidentiality or other restrictive covenants, or requirements to comply with minimum share ownership requirements, that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Company and/or its Affiliates.

(b) The Committee shall have full authority to implement any policies and procedures necessary to comply with Section 10D of the Exchange Act and any rules promulgated thereunder and any other regulatory regimes. Notwithstanding anything to the contrary contained herein, any Awards granted under the Plan (including any amounts or benefits arising from such Awards) shall be subject to any clawback or recoupment arrangements or policies the Company has in place from time to time, and the Committee may, to the extent permitted by applicable law and stock exchange rules or by any applicable Company policy or arrangement, and shall, to the extent required, cancel or require reimbursement of any Awards granted to the Participant or any Shares issued or cash received upon vesting, exercise or settlement of any such Awards or sale of Shares underlying such Awards.

Section 19. *Section 409A of the Code.* With respect to Awards subject to Section 409A of the Code, the Plan is intended to comply with the requirements of Section 409A of the Code, and the provisions of the Plan and any Award Agreement shall be interpreted in a manner that satisfies the requirements of Section 409A of the Code, and the Plan shall be operated accordingly. If any provision of the Plan or any term or condition of any Award would otherwise frustrate or conflict with this intent, the provision, term or condition shall be interpreted and deemed amended so as to avoid this conflict. Notwithstanding anything in the Plan to the contrary, if the Board considers a Participant to be a "specified employee" under Section 409A of the Code at the time of such Participant's "separation from service" (as defined in Section 409A of the Code), and any amount hereunder is "deferred compensation" subject to Section 409A of the Code, any distribution of such amount that otherwise would be made to such Participant with respect to an Award as a result of such "separation from service" shall not be made until the date that is six months after such "separation from service," except to the extent that earlier distribution would not result in such Participant's incurring interest or additional tax under Section 409A of the Code. If an Award includes a "series of installment payments" (within the meaning of Section 1.409A-2(b)(2)(iii) of the Treasury Regulations), a Participant's right to such series of installment payments shall be treated as a right to a series of separate payments and not as a right to a single payment, and if an Award includes "dividend equivalents" (within the meaning of Section 1.409A-3(e) of

the Treasury Regulations), a Participant's right to such dividend equivalents shall be treated separately from the right to other amounts under the Award. Notwithstanding the foregoing, the tax treatment of the benefits provided under the Plan or any Award Agreement is not warranted or guaranteed, and in no event shall the Company be liable for all or any portion of any taxes, penalties, interest or other expenses that may be incurred by a Participant on account of non-compliance with Section 409A of the Code.

Section 20. *Successors and Assigns*. The terms of the Plan shall be binding upon and inure to the benefit of the Company and any successor entity, including any successor entity contemplated by Section 12(c).

Section 21. *Data Protection*. By participating in the Plan, the Participant hereby acknowledges the collection, use, disclosure and processing of personal information provided by the Participant to the Company or any Affiliate, trustee or third party service provider, such as name, account information, social security number, tax number and contact information, for the Company's legitimate business purposes and as necessary for all purposes relating to the operation and performance of the Plan. These include, but are not limited to:

(a) administering and maintaining Participant records;

(b) providing the services described in the Plan;

(c) providing information to future purchasers or merger partners of the Company or any Affiliate, or the business in which such Participant works; and

(d) responding to public authorities, court orders and legal investigations, as applicable.

The Company may share a Participant's personal data with (i) Affiliates, (ii) trustees of any employee benefit trust, (iii) registrars, (iv) brokers, (v) third party administrators of the Plan, (vi) third party service providers acting on the Company's behalf to provide the services described above or (vii) regulators and others, as required by law.

If necessary, the Company may transfer a Participant's personal data to any of the parties mentioned above in any country or territory that may not provide the same protection for the information as a Participant's home country. Any transfer of a Participant's personal data from the E.U. to a third country is subject to appropriate safeguards in the form of EU standard contractual clauses (according to decisions 2001/497/EC, 2004/915/EC, 2010/87/EU) or applicable derogations provided for under applicable law. Further information on those safeguards or derogations can be obtained through the contact listed below.

The Company will keep personal information for as long as necessary to operate the Plan or as necessary to comply with any legal or regulatory requirements.

A Participant has a right to (i) request access to and rectification or erasure of the personal data provided, (ii) request the restriction of the processing of his or her personal data, (iii) object to the processing of his or her personal data, (iv) receive the personal data provided to the Company and transmit such data to another party, and (v) to lodge a complaint with a supervisory authority.

Section 22. *Governing Law*. The Plan and each Award Agreement shall be governed by the laws of the State of Delaware, without application of the conflicts of law principles thereof.

The Committee may correct any defect or supply any omission or reconcile any inconsistency or ambiguity in the Plan. The decisions of the Committee shall be final and binding on all persons. All expenses of administering the Plan shall be borne by the Company. Notwithstanding anything in the Plan to the contrary and without limiting the generality of the foregoing, the Committee shall have the authority to change the minimum amount of Compensation for payroll deductions pursuant to Section 6(a), the frequency with which a Participant may elect to change their rate of payroll deductions pursuant to Section 6(b), the dates by which a Participant is required to submit an Enrollment Form pursuant to Section 6(b) and Section 10(a), and the effective date of a Participant's withdrawal due to termination of employment or change in status pursuant to Section 11, and the withholding procedures pursuant to Section 19(n).

The Committee shall have, prior to the commencement of a particular Offering Period, the authority to change the duration, frequency, start and end dates of Offering Periods (subject to a maximum Offering Period of twenty-seven (27) months).

Section 6. *Participation.*

(a) Enrollment; Payroll Deductions. An Eligible Employee may elect to participate in the Plan by properly completing an Enrollment Form, which may be electronic, and submitting it to the Company, in accordance with the enrollment procedures established by the Committee. Participation in the Plan is entirely voluntary. By submitting an Enrollment Form, the Eligible Employee authorizes payroll deductions from their paycheck in an amount equal to a percentage (of at least one percent (1%)) of their Compensation on each payday occurring during an Offering Period. Payroll deductions shall commence as soon as administratively practicable following the Offering Date and end on the latest practicable payroll date on or before the Purchase Date. The Company shall maintain records of all payroll deductions but shall have no obligation to pay interest on payroll deductions or to hold such amounts in a trust or in any segregated account. Unless expressly permitted by the Committee, a Participant may not make any separate contributions or payments to the Plan.

(b) Election Changes. During an Offering Period, a Participant may decrease (but not increase) their rate of payroll deductions applicable to such Offering Period only once. To make such a change, the Participant must submit a new Enrollment Form authorizing the new rate of payroll deductions at least fifteen (15) days before the Purchase Date. A Participant may decrease or increase their rate of payroll deductions for future Offering Periods by submitting a new Enrollment Form authorizing the new rate of payroll deductions at least fifteen days before the start of the next Offering Period.

(c) Automatic Re-enrollment. The deduction rate selected in the Enrollment Form shall remain in effect for subsequent Offering Periods unless the Participant (i) submits a new Enrollment Form authorizing a new level of payroll deductions in accordance with Section 6(b), (ii) withdraws from the Plan in accordance with Section 10, or (iii) terminates employment or otherwise becomes ineligible to participate in the Plan.

Section 7. *Grant of Option.* On each Offering Date, each Participant in the applicable Offering Period shall be granted an option to purchase, on the Purchase Date, a number of Shares determined by dividing the Participant's accumulated payroll deductions by the applicable Purchase Price; *provided*, that the maximum number of Shares that may be purchased by all Participants during an Offering Period shall be determined by the Committee in its sole discretion, provided that they are subject to the limitations set forth in Section 4 and Section 13 of the Plan) (the "**Offering Period Limit**").

Section 8. *Exercise of Option/Purchase of Shares.* A Participant's option to purchase Shares will be exercised automatically on the Purchase Date of each Offering Period. The Participant's accumulated payroll deductions will be used to purchase the maximum number of whole Shares that can be purchased with the amounts in the Participant's notional account, subject to the Offering Period Limit and the limitations set forth in Section 4 and Section 13 of the Plan. No fractional Shares may be purchased, and any contributions unused in a given Offering Period due to being less than the cost of a Share will be returned to the Participant as soon as administratively practicable after the Purchase Date, subject to earlier withdrawal by the Participant in accordance with Section 10 or termination of employment or change in employment status in accordance with Section 11. During a Participant's lifetime, the Participant's option to purchase Shares under the Plan is exercisable only by the Participant.

Section 9. *Transfer of Shares.* As soon as administratively practicable, but in no event later than thirty (30) days, after each Purchase Date, the Company will arrange for the delivery to each Participant of the Shares purchased upon exercise of the Participant's option. The Committee may permit or require that the Shares be deposited directly into an ESPP Share Account established in the name of the Participant with a Designated Broker and may require that the Shares be retained with such Designated Broker for a specified period of time. Participants will not have any voting, dividend or other rights of a shareholder with respect to the Shares subject to any option granted under the Plan until such Shares have been delivered pursuant to this Section 9.

Section 10. *Withdrawal.*

(a) Withdrawal Procedure. A Participant may withdraw from an Offering by submitting to the Company a revised Enrollment Form indicating their election to withdraw at least fifteen (15) days before the Purchase Date. The accumulated payroll deductions held on behalf of a Participant in their notional account (that have not been used to purchase Shares) shall be paid to the Participant promptly following receipt of the Participant's Enrollment Form indicating their election to withdraw and the Participant's option shall be automatically terminated. If a Participant withdraws from an Offering Period, no payroll deductions will be made during any succeeding Offering Period, unless the Participant re-enrolls in accordance with Section 6(a) of the Plan.

(b) Effect on Succeeding Offering Periods. A Participant's election to withdraw from an Offering Period will not have any effect upon the Participant's eligibility to participate in succeeding Offering Periods that commence following the completion of the Offering Period from which the Participant withdraws.

Section 11. *Termination of Employment; Change in Employment Status.* Notwithstanding Section 10, upon termination of a Participant's employment for any reason prior to the Purchase Date, including death, disability or retirement, or a change in the Participant's employment status following which the Participant is no longer an Eligible Employee, the Participant will be deemed to have withdrawn from an Offering in accordance with Section 10 and the payroll deductions in the Participant's notional account (that have not been used to purchase Shares) shall be returned to the Participant, or in the case of the Participant's death, to the person(s) entitled to such amounts by will or the laws of descent and distribution, and the Participant's option shall be automatically terminated.

Section 12. *Interest*. No interest shall accrue on or be payable with respect to the payroll deductions of a Participant in the Plan.

Section 13. *Shares Reserved for Plan*.

(a) Number of Shares. The maximum number of Shares available for issuance under the Plan shall not exceed in the aggregate [ ] Shares, subject to adjustment as provided in Section 18. The Shares may be newly issued Shares, treasury Shares or Shares acquired on the open market. The total number of Shares available for purchase under the Plan shall be increased on the first day of each Company fiscal year following the Effective Date in an amount equal to the lesser of (i) [ ] Shares and (ii) [ ]% of the aggregate number of Shares, of the Company outstanding (on a fully diluted basis) on the last day of the immediately preceding fiscal year]; *provided* that the maximum number of Shares that may be issued under the Plan in any event shall be [ ] Shares (subject to any adjustment in accordance with Section 18). If any purchase of Shares pursuant to an option under the Plan is not consummated, the Shares not purchased under such option will again become available for issuance under the Plan.

(b) Over-subscribed Offerings. If the Committee determines that, on a particular Purchase Date, the number of Shares with respect to which options are to be exercised exceeds either the number of Shares then available under the Plan or the Offering Period Limit, the Company shall make a pro rata allocation of the Shares remaining available for purchase in as uniform a manner as practicable and as the Committee determines to be equitable. No option granted under the Plan shall permit a Participant to purchase Shares which, if added together with the total number of Shares purchased by all other Participants in such Offering would exceed either the total number of Shares remaining available under the Plan or the Offering Period Limit.

Section 14. *Transferability*. No payroll deductions credited to a Participant, nor any rights with respect to the exercise of an option or any rights to receive Shares hereunder may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will or the laws of descent and distribution, or as provided in Section 17) by the Participant. Any attempt to assign, transfer, pledge or otherwise dispose of such rights or amounts shall be without effect.

Section 15. *Application of Funds.* All payroll deductions received or held by the Company under the Plan may be used by the Company for any corporate purpose to the extent permitted by applicable law, and the Company shall not be required to segregate such payroll deductions or contributions.

Section 16. *Statements*. Participants will be provided with statements at least annually which shall set forth the contributions made by the Participant to the Plan, the Purchase Price of any Shares purchased with accumulated funds, the number of Shares purchased, and any payroll deduction amounts remaining in the Participant's notional account.

Section 17. *Designation of Beneficiary*. If permitted by the Committee, a Participant may file, on forms supplied by the Committee, a written designation of beneficiary who, in the event of the Participant's death, is to receive any Shares from the Participant's ESPP Share Account or any payroll deduction amounts remaining in the Participant's notional account.

Section 18. *Adjustments Upon Changes in Capitalization; Dissolution or Liquidation; Corporate Transactions.*

(a) Adjustments. In the event that any dividend or other distribution (whether in the form of cash, Shares, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of Shares or other securities of the Company, or other change in the Company's structure affecting the Shares occurs, then in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, the Committee will, in such manner as it deems equitable, adjust the number of Shares and class of Shares that may be delivered under the Plan, the Purchase Price per Share and the number of Shares covered by each outstanding option under the Plan, and the numerical limits of Section 7 and Section 13.

(b) Dissolution or Liquidation. Unless otherwise determined by the Committee, in the event of a proposed dissolution or liquidation of the Company, any Offering Period then in progress will be shortened by setting a new Purchase Date and the Offering Period will end immediately prior to the proposed dissolution or liquidation. The new Purchase Date will be before the date of the Company's proposed dissolution or liquidation. Before the new Purchase Date, the Committee will provide each Participant with written notice, which may be electronic, of the new Purchase Date and that the Participant's option will be exercised automatically on such date, unless before such time, the Participant has withdrawn from the Offering in accordance with Section 10 (or deemed to have withdrawn in accordance with Section 11).

(c) Corporate Transaction. In the event of a Corporate Transaction, each outstanding option will be assumed or an equivalent option substituted by the successor corporation or a parent or Subsidiary of such successor corporation. If the successor corporation refuses to assume or substitute the option, the Offering Period with respect to which the option relates will be shortened by setting a new Purchase Date on which the Offering Period will end. The new Purchase Date will occur before the date of the

Corporate Transaction. Prior to the new Purchase Date, the Committee will provide each Participant with written notice, which may be electronic, of the new Purchase Date and that the Participant's option will be exercised automatically on such date, unless before such date, the Participant has withdrawn (or, pursuant to Section 11, been deemed to have withdrawn) from the Offering in accordance with Section 10. Notwithstanding the foregoing, in the event of a Corporate Transaction, the Committee may also elect to terminate all outstanding Offering Periods in accordance with Section 19(i).

Section 19. *General Provisions*.

(a) Equal Rights and Privileges. Notwithstanding any provision of the Plan to the contrary and in accordance with Section 423 of the Code, all Eligible Employees who are granted options under the Plan shall have the same rights and privileges.

(b) No Right to Continued Service. Neither the Plan nor any compensation paid hereunder will confer on any Participant the right to continue as an Employee or in any other capacity.

(c) Rights as Shareholder. A Participant will become a shareholder with respect to the Shares that are purchased pursuant to options granted under the Plan when the Shares are transferred to the Participant or, if applicable, to the Participant's ESPP Share Account. A Participant will have no rights as a shareholder with respect to Shares for which an election to participate in an Offering Period has been made until such Participant becomes a shareholder as provided herein.

(d) Successors and Assigns. The Plan shall be binding on the Company and its successors and assigns.

(e) Entire Plan. This Plan constitutes the entire plan with respect to the subject matter hereof and supersedes all prior plans with respect to the subject matter hereof.

(f) Compliance with Law. The obligations of the Company with respect to payments under the Plan are subject to compliance with all applicable laws and regulations. Shares shall not be issued with respect to an option granted under the Plan unless the exercise of such option and the issuance and delivery of the Shares pursuant thereto shall comply with all applicable provisions of law, including, without limitation, the Securities Act, the Exchange Act, and the requirements of any stock exchange upon which the Shares may then be listed.

(g) Disqualifying Dispositions. On and after the Section 423 Effective Date, each Participant shall give the Company prompt written notice of any disposition or other transfer of Shares acquired pursuant to the exercise of an option acquired under the Plan, if such disposition or transfer is made within two years after the Offering Date or within one year after the Purchase Date.

(h) Term of Plan. The Plan shall become effective on the Effective Date and, unless terminated earlier pursuant to Section 19(i), shall have a term of ten years.

(i) Amendment or Termination. The Committee may, in its sole discretion, amend, suspend or terminate the Plan at any time and for any reason. If the Plan is terminated, the Committee may elect to terminate all outstanding Offering Periods either immediately or once Shares have been purchased on the next Purchase Date or permit Offering Periods to expire in accordance with their terms (and subject to any adjustment in accordance with Section 18). If any Offering Period is terminated before its scheduled expiration, all amounts that have not been used to purchase Shares will be returned to Participants (without interest, except as otherwise required by law) as soon as administratively practicable.

(j) Applicable Law. The laws of the State of Delaware shall govern all questions concerning the construction, validity and interpretation of the Plan, without regard to such state's conflict of law rules.

(k) Shareholder Approval. The Plan shall be subject to approval by the shareholders of the Company within twelve (12) months before or after the date the Plan is adopted by the Board.

(l) Section 423 . On and after the Section 423 Effective Date, the Plan is intended to qualify as an "employee stock purchase plan" under Section 423 of the Code, and any provision of the Plan that is inconsistent with Section 423 of the Code shall be reformed to comply with Section 423 of the Code.

(m) Section 409A; Limitation of Liability. Prior to the Section 423 Effective Date, the Plan and all options are intended to be exempt from Section 409A of the Code as "short-term deferrals" within the meaning of Treasury Regulation §1.409A-1(b)(4), and on and after the Section 423 Effective Date, as "statutory stock options" within the meaning of Treasury Regulation §1.409A-1(b)(5)(ii), and the Plan and the options will be interpreted and administered accordingly. Notwithstanding anything to the contrary in the Plan, neither the Company nor the Committee, nor any person acting on behalf of the Company or the Committee, will be liable to any Participant or other person by reason of any acceleration of income, any additional tax, or any other tax or liability asserted by reason of the failure of the Plan or any option to be exempt from or satisfy the requirements of Section 409A of the Code.

(n) Withholding. To the extent required by applicable Federal, state or local law, a Participant must make arrangements satisfactory to the Company for the payment of any withholding or similar tax obligations that arise in connection with the Plan. At any time, the Company or any Subsidiary may, but will not be obligated to, withhold from a Participant's compensation the amount necessary for the Company or any Subsidiary to meet applicable withholding obligations, including any withholding required to make available to the Company or any Subsidiary any tax deductions or benefits attributable to the sale or early disposition of Shares by such Participant. In addition, the Company or any Subsidiary may, but will not be obligated to, withhold from the proceeds of the sale of

Shares or any other method of withholding that the Company or any Subsidiary deems appropriate to the extent permitted by, where applicable, Treasury Regulation Section 1.423-2(f). The Company will not be required to issue any Shares under the Plan until such obligations are satisfied.

(o) Severability. If any provision of the Plan shall for any reason be held to be invalid or unenforceable, such invalidity or unenforceability shall not affect any other provision hereof, and the Plan shall be construed as if such invalid or unenforceable provision were omitted.

(p) Headings. The headings of sections herein are included solely for convenience and shall not affect the meaning of any of the provisions of the Plan.

(q) Participating Subsidiaries. This Plan shall constitute the Employee Stock Purchase Plan of the Company and each Participating Subsidiary. A Participating Subsidiary may withdraw from the Plan as of any Offering Date by giving written notice to the Board, which notice must be received by at least thirty (30) days prior to such Offering Date.

Employment Agreement

This Employment Agreement (this "**Agreement**") is dated as of June 17, 2021, and is made by and between Xponential Fitness, LLC, a Delaware limited liability company (the "**Company**"), and John Meloun ("**Executive**").

Witnesseth:

Whereas, the Company desires to continue to employ Executive, and Executive desires to continue to be so employed, in each case, on the terms and conditions set forth herein.

Now, Therefore, in consideration of the foregoing premises and the mutual covenants and promises contained herein, and for other good and valuable consideration, the Company and Executive hereby agree as follows:

1. Agreement to Employ; No Conflicts

Upon the terms and subject to the conditions of this Agreement, the Company hereby agrees to employ Executive, and Executive hereby accepts such employment by the Company. Executive represents and warrants that (a) Executive is entering into this Agreement voluntarily, and that Executive's employment hereunder and compliance with the terms and conditions hereof will not conflict with or result in the breach by Executive of any agreement to which Executive is a party or by which Executive may be bound; b) Executive has not violated, and in connection with Executive's employment with the Company will not violate, any non-competition, non-solicitation or other similar covenant or agreement by which Executive is or may be bound; and (c) in connection with Executive's employment by the Company, Executive will not use any confidential or proprietary information Executive may have obtained in connection with Executive's employment with any prior employer.

2. Term; Position and Responsibilities

2.1 Term. Unless Executive's employment shall sooner terminate pursuant to Section 7, the Company shall employ Executive for a term commencing on the date hereof (the "**Commencement Date**") and ending on the first anniversary thereof (the "**Initial Term**"). Effective upon the expiration of the Initial Term and of each Additional Term (as defined below), unless Executive's employment shall sooner terminate pursuant to Section 7, Executive's employment hereunder shall be deemed to be automatically extended, upon the same terms and conditions, for an additional period of one year (each, an "**Additional Term**"), in each such case, commencing upon the expiration of the Initial Term or the then current Additional Term, as the case may be, unless, at least 60 days prior to the expiration of the Initial Term or such Additional Term, as the case may be, either party hereto shall have notified the other party thereto in writing that such extension shall not take effect. The period during which Executive is employed pursuant to this Agreement shall be referred to as the "**Employment Period**".

2.2 Position and Responsibilities. During the Employment Period, Executive shall serve as the Chief Financial Officer of the Company, reporting to Chief Executive Officer of the Company and/or of a parent entity of the Company (the "**CEO**") or his or her designee. Executive may also be designated an officer title of the parent or subsidiary entities of the Company for no additional consideration. Executive shall have such duties and responsibilities as are customarily assigned to individuals serving in such position, and such other duties consistent with Executive's position as the CEO or his or her designee specifies from time to time. Executive shall devote all of Executive's skill, knowledge and business time to the conscientious performance of such duties and responsibilities, except for vacation time (as set forth in Section 6.2), absence for sickness or similar disability of himself or an immediate family member as allowed by law, and time spent performing services for any charitable, religious or community organizations, so long as such services do not materially interfere with the performance of Executive's duties hereunder.

3. Base Salary

As compensation for the services to be performed by Executive during the Employment Period, the Company shall pay Executive a base salary at an annualized rate of $300,000, payable in periodic installments on the Company's regular payroll dates. The Board of Managers of the Company or the governing board of directors of the ultimate parent of the Company (such applicable board, the "**Board**") will review Executive's base salary annually during the Employment Period (but will not decrease such base salary). The annual base salary payable to Executive under this Section 3, as the same may be increased from time to time, shall here in after be referred to as the "**Base Salary**".

4. Annual Bonus

Beginning with the 2021 calendar year, and for each subsequent calendar year of the Company that ends during the Employment Period, Executive shall be entitled to (i) an annual cash bonus opportunity of 50% of Base Salary (pro-rated for any partial calendar year) (the "**Bonus**"), paid following the close of each applicable calendar year in arrears, which shall be payable if the EBITDA performance targets set by the Board for the applicable calendar year are met. Such bonus shall be payable after completion of the audit for such calendar year, but in no event later than 90 days of the subsequent calendar year to which such Bonus relates. Notwithstanding anything to the contrary contained in this Agreement or any applicable bonus plan, program or arrangement, Executive shall be eligible to receive any such Bonus only if Executive is actively employed by the Company on the Bonus payout date.

5. Employee Benefits

During the Employment Period, Executive (and, to the extent eligible, Executive's dependents and beneficiaries) shall be entitled to participate in any defined contribution plan, any insurance program and any medical and other health benefit plan, in each case, sponsored by the Company for its executive-level employees on terms and conditions set forth in such programs and plans (as amended from time to time); provided, that if Executive elects to not participate in the Company's medical or dental plans, the Company shall continue to pay for Executive's current medical and dental plan (or any reasonable equivalent plan acceptable to Executive) in lieu of participating in any such plans; provided, however, that the Company's payment of medical and dental plan premiums will be taxable as wages to Executive if and to the extent such payments would result in the imposition of excise taxes on the Company for the failure to comply with the nondiscrimination requirements of the Patient Protection and Affordable Care Act of 2010, as amended, and the Health Care and Education Reconciliation Act of 2010, as amended.

6. Expenses; Vacation

6.1 Business Travel, Lodging, etc. Upon presentation by Executive of appropriate expense statements, the Company shall reimburse Executive up to $25,000 per year for reasonable work-related expenses incurred by Executive for air-travel to/from and lodging in Orange County, California. The Company shall reimburse Executive for all other reasonable travel, lodging, meal and other reasonable expenses incurred by Executive in connection with Executive's performance of services hereunder upon submission of evidence, satisfactory to the Company, of the incurrence and purpose of each such expense, and otherwise in accordance with the Company's Board approved expense policy applicable to its employees as in effect from time to time.

6.2 Vacation. During the Employment Period, Executive shall be entitled to paid vacation in accordance with a Board approved vacation policy, as may be amended from time to time and which is incorporated herein by this reference.

7. Termination of Employment

7.1 Termination Due to Death or Disability. During the Employment Period, Executive's employment shall automatically terminate in the event of Executive's death, and may be terminated by the Company due to Executive's Disability. For purposes of this Agreement, "**Disability**" shall mean a physical or mental disability that prevents, regardless of any reasonable accommodation, the performance by Executive of Executive's duties for a continuous period of 90 days or longer, or for 180 days or more in any 12-month period.

7.2 Termination by the Company. The Company may terminate Executive's employment with the Company with or without Cause. For purposes of this Agreement, "**Cause**" shall mean the following events or conditions, as determined by the Board in its reasonable judgment: (a) any failure by Executive to substantially perform Executive's duties hereunder (other than any such breach or failure due to Executive's physical or mental illness) and the continuance of such failure for more than 30 days following Executive's receipt of written notice from the Company, which notice shall set forth in reasonable detail the facts or circumstances constituting such failure; (b) any failure by Executive to cooperate, if reasonably requested by the Company, with any investigation or inquiry into Executive's or the Company's business practices, whether internal or external, including, but not limited to, Executive's refusal to be deposed or to provide testimony at any trial or inquiry and the continuance of such failure for more than 30 days following Executive's receipt of written notice from the Company, which notice shall set forth in reasonable detail the facts or circumstances constituting such failure; (c) Executive's engaging in fraud, willful misconduct, or dishonesty that has caused or is reasonably expected to result in material injury to the Company or any of its affiliates; (d) any material breach by Executive of any fiduciary duty owed to the Company or any of its affiliates; (e) Executive's conviction of, or entering a plea of guilty or nolo contendere to, a crime that constitutes a felony; or (f) any material breach by Executive of any of Executive's obligations hereunder or under any other written agreement or covenant with the Company or any of its affiliates and the continuance of such failure for more than 30 days following Executive's receipt of written notice from the Company, which notice shall set forth in reasonable detail the facts or circumstances constituting such failure. A termination for Cause shall include a reasonable determination by the Company following the termination of the Employment Period that circumstances existed during the Employment Period that would have justified a termination by the Company for Cause.

7.3 Termination by Executive. Executive may terminate Executive's employment with the Company with or without Good Reason. For purposes of this Agreement, "**Good Reason**" shall mean a termination by Executive of Executive's employment hereunder (a) any of the following events occur without Executive's express prior written consent; (b) within 60 days after Executive learns of the occurrence of such event, Executive gives written notice to the Company describing such event and demanding cure; and (c) such event is not fully cured within 30 days after such notice is given: (i) a material diminution in Executive's Base Salary, (ii) the assignment to Executive of duties that are significantly different from, and that result in a substantial diminution of, the duties or authority that Executive is to assume on the Commencement Date, or (iii) a material breach of this Agreement by the Company.

7.4 Notice of Termination. Any termination of Executive's employment by the Company pursuant to Section 7.1 (other than in the event of Executive's death) or Section 7.2 or by Executive pursuant to Section 7.3 shall be communicated by a personally delivered written Notice of Termination addressed to the other party to this Agreement. A "**Notice of Termination**" shall mean a notice stating that Executive's employment with the Company has been or will be terminated and the specific provisions of this Section 7 under which such termination is being effected.

7.5 Date of Termination. As used in this Agreement, the term "**Date of Termination**" shall mean (a) if Executive's employment is terminated by Executive's death, the date of Executive's death; (b) if Executive's employment is terminated by the Company pursuant to Section 7.1 due to Executive's Disability, 30 days after the date on which the Notice of Termination is given; provided, that, if Executive shall have returned to the performance of Executive's duties on a full-time basis during such 30-day period, such Notice of Termination shall be of no force or effect; (c) if Executive's employment is terminated by the Company for Cause or by Executive for Good Reason, the date any applicable cure period expires (and, if there is no applicable cure period, the date specified in the Notice of Termination): provided, that if a party is entitled to cure the nature of such termination and so cures prior to the expiration of the applicable cure period, the Notice of Termination provided to such curing party shall be of no force or effect; or (d) if Executive's employment is terminated for any other reason, the date specified in the Notice of Termination (which shall be 30 days after the date of such notice) and, if no such notice is given, 30 days after the date of termination of employment.

7.6 Payments Upon Certain Terminations.

7.6.1 Termination Without Cause or for Good Reason. If (a) the Company shall terminate Executive's employment without Cause or (b) Executive shall terminate Executive's employment for Good Reason, in each case, during the Employment Period, the Company shall pay to Executive:

(i) any accrued and unpaid Base Salary and accrued and unused vacation earned through the Date of Termination, which shall be paid on the tenth day after the Date of Termination (or if such day is not a business day, the next business day after such day); plus

(ii) as severance payments and provided that Executive executes and delivers (and does not revoke) a general release of all claims in form and substance satisfactory to the Company within 60 days following the Date of Termination, Base Salary for nine (9) months, which shall be paid in periodic installments on the Company's regular payroll dates, beginning with the next payroll date immediately following the expiration of the 60th day following the Date of Termination (which first payment shall include any payments of Base Salary that should have been made during such 60-day period but for the 60-day release consideration period).

7.6.2 Termination for Any Other Reason. If Executive's employment is terminated for any reason other than those specified in Section 7.6.1 during the Employment Period, the Company shall pay Executive on the tenth day after the Date of Termination or the expiration of the Employment Period, as the case may be (or, if such day is not a business day, the next business day after such day), accrued and unpaid Base Salary and accrued and unused vacation earned through the Date of Termination.

7.6.3 Effect of Termination on Other Plans and Programs. In the event that Executive's employment with the Company is terminated for any reason, Executive shall be entitled to receive all amounts payable and benefits accrued under any otherwise applicable plan, policy, program or practice of the Company in which Executive was a participant immediately prior to the Date of Termination in accordance with the terms thereof; provided, that, if Executive's employment is terminated without Cause or for Good Reason, Executive shall not be entitled to receive any payments or benefits under any such plan, policy, program or practice providing any severance or cash bonus compensation, and the provisions of this Section 7.6 shall supersede such provisions of any such plan, policy, program or practice.

7.7 Resignation Upon Termination. Effective as of any Date of Termination or otherwise as of the date of Executive's termination of employment with the Company, Executive shall resign, in writing, from all positions then held by Executive with the Company and its affiliates unless otherwise requested by the Company and agreed to by Executive.

7.8 Cessation of Professional Activity. Upon delivery of a Notice of Termination by either party or a notice pursuant to Section 2.1, the Company may relieve Executive of Executive's responsibilities described in Section 2.2 and require Executive to immediately cease all professional activity on behalf of the Company, without such action constituting a termination of Executive's employment by the Company without Cause or giving grounds for Executive to terminate for Good Reason.

8. Restrictive Covenants

8.1 Unauthorized Disclosure. During the Employment Period and following any termination thereof, without the prior written consent of the Company, except to the extent required by an order of a court having competent jurisdiction or under subpoena from an appropriate government agency, in which event Executive shall use Executive's best efforts to consult with the Company prior to responding to any such order or subpoena, and except as required in performance of Executive's duties hereunder, Executive shall not use or disclose any confidential or proprietary trade secrets, customer lists, drawings, designs, marketing plans, management organization information (including, but not limited to, data and other information relating to members of the boards of directors of the Company, its parent or any subsidiary or affiliate thereof (the Company, its parent and their respective subsidiaries and affiliates, the "**Company Group**"), the Company Group, or to the management of the Company Group), operating policies or manuals, business plans, financial records, or other financial, commercial, business or technical information) relating to the Company Group or that the Company Group may receive belonging to customers or others who do business with the Company Group (collectively, "**Confidential Information**") to any third Person (as defined below) unless such Confidential Information has been previously disclosed to the public generally, is in the public domain, or has been rightfully received by Executive from a third party who is authorized to make such disclosure, in each case, other than by reason of Executive's breach of this Section 8.1. For purposes of this Agreement, "**Person**" shall mean any natural person, partnership, limited liability company, association, corporation, company, trust, business trust, governmental authority or other entity.

8.2 Non-Solicitation of Employees. During the period beginning on the Commencement Date and ending twelve months after the termination of Executive's employment with the Company (the "**Restriction Period**"), Executive shall not, directly or indirectly, for Executive's own account or for the account of any other Person, in any jurisdiction in which the Company Group has commenced during the Employment Period, (j) solicit for employment any natural person throughout the world who is or was employed by or otherwise engaged to perform services for the Company Group (x) at any time during the Employment Period (in the case of such prohibited activity occurring during such time) or (y) during the twelve month period preceding such prohibited activity (in the case of such prohibited activity occurring during the Restriction Period but after the date of Executive's termination of employment with the Company), other than any such solicitation on behalf of the Company Group during the Employment Period; or (ii) induce any employee of the Company Group to engage in any activity which Executive is prohibited from engaging in under any of this Section 8 or to terminate such employee's employment with the Company.

8.3 Non-Solicitation of Business Relationships. During the Employment Period, Executive shall not, directly or indirectly, for Executive's own account or for the account of any other Person, in any jurisdiction in which the Company Group has commenced or has actively made plans to commence operations, solicit, interfere with, or otherwise attempt to establish any business relationship of a nature that is competitive with the business or relationship of the Company Group with any Person throughout the world which is or was a customer, client or franchisee of the Company Group, other than any such activity on behalf of or at the request of the Company Group.

8.4 Works for Hire.

8.4.1 Generally. Executive agrees that the Company shall own all right, title and interest (including, but not limited to, patent rights, copyrights, trade secret rights and other rights throughout the world) in any inventions, works of authorship, ideas or information made or conceived or reduced to practice, in whole or in part, by Executive (either alone or with others) during the Employment Period (collectively "**Developments**"); provided, however, that the Company shall not own Developments for which no equipment, supplies, facility, trade secret information or Confidential Information of the Company was used and which were developed entirely on Executive's time, and (A) which do not relate (I) to the business of the Company Group or (II) to the actual or demonstrably anticipated research or development of the Company Group, and (B) which do not result from any work performed by Executive for the Company.

8.4.2 Disclosure; Assignment. Subject to Section 8.4.1, Executive will promptly and fully disclose to the Company, or any persons designated by it, any and all Developments made or conceived or reduced to practice or learned by Executive, either alone or jointly with others during the Employment Period. Executive hereby assigns all right, title and interest in and to any and all of these Developments to the Company. Executive shall further assist the Company, at the Company's expense, to further evidence, record and perfect such assignments, and to perfect, obtain, maintain, enforce, and defend any rights specified to be so owned or assigned. Executive hereby irrevocably designates and appoints the Company and its agents as attorneys-in-fact to act for and on Executive's behalf to execute and file any document and to do all other lawfully permitted acts to further the purposes of the foregoing with the same legal force and effect as if executed by Executive.

8.4.3 Copyright Act; Moral Rights. In addition, and not in contravention of Section 8.4.1 or Section 8.4.2, Executive acknowledges that all original works of authorship which are made by him (solely or jointly with others) within the scope of employment and which are protectable by copyright are "**works made for hire,**" as that term is defined in the United States Copyright Act (17 USC §101). To the extent allowed by law, this Section 8.4.3 includes all rights of paternity, integrity, disclosure and withdrawal and any other rights that may be known as or referred to "**moral rights**" (collectively, "**Moral Rights**"). To the extent Executive retains any such Moral Rights under applicable law, Executive hereby waives such Moral Rights and consents to any action consistent with the terms of this Agreement with respect to such Moral Rights, in each case, to the full extent of such applicable law. Executive will confirm any such waivers and consents from time to time as requested by the Company.

8.4.4 Authorized Disclosure. Section 1883(b) of Title 18 of the United States Code states "An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that (i) is made (ii) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney and (hl solely for the purposes of reporting or investigating a suspended violation of law or (iii) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal." Accordingly, the Company and Executive have the right to disclose in confidence trade secrets to Federal, State, and local government officials, or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law. The Company and Executive also have the right to disclose trade secrets in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal and protected from public disclosure. Nothing in this Agreement is intended to conflict with Section l 883(b) of Title 18 of the United States Code or create liability for disclosures of trade secrets that are expressly allowed by Section l 883(b) of Title 18 of the United States Code.

8.4.5 Section 2870 of the California Labor Code. Notwithstanding anything to the contrary contained in this Agreement, Executive may use Executive's own ideas, knowledge, and experience to develop Developments that qualify under the provisions of Section 2870 of the California Labor Code, which provisions are set forth below, and all rights to such Developments that qualify under Section 2870 and are so developed shall belong solely to Executive; provided, that such Developments are developed without the use of Company resources and outside of the scope of the services provided under this Agreement. Section 2870 of the California Labor Code reads in its entirety, as follows: "(a) Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for inventions that either: (1) Relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably anticipated research or development of the employer; or (2) Result from any work performed by the employee for the employer; (b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable".

8.5 Nondisparagement. Executive agrees that Executive shall neither, directly or indirectly, engage in any conduct or make any statement (including through social media) disparaging or criticizing in any way the Company Group, or any of their personnel, nor engage in any other conduct or make any other statement that could be reasonably expected to impair the goodwill or the reputation of the Company Group, in each case, except to the extent required by law, and then only after consultation with the Company to the extent possible. The Company Group agrees that it shall instruct the directors and officers of the Company not to, directly or indirectly, engage in any conduct or make any statement (including through social media) disparaging or criticizing Executive in any way, nor engage in any other conduct or make any other statement that could be reasonably expected to impair the goodwill or the reputation of Executive, in each case, except to the extent required by law, and then only after consultation with Executive to the extent possible.

8.6 Return of Documents. In the event of the termination of Executive's employment, Executive shall deliver to the Company (a) all property of the Company Group then in Executive's possession; and (b) all documents and data of any nature and in whatever medium of the Company Group, and Executive shall not take with Executive any such property, documents or data or any reproduction thereof, or any documents containing or pertaining to any Confidential Information.

8.7 Confidentiality of Agreement; Governmental Agency Exception. The parties to this Agreement agree not to disclose its terms to any Person, other than their attorneys, accountants, financial advisors or, in Executive's case, members of Executive's immediate family or, in the Company's case, for any reasonable purpose that is reasonably related to its business operations: provided, that this Section 8.7 shall not be construed to prohibit any disclosure required by law or in any proceeding to enforce the terms and conditions of this Agreement. Notwithstanding anything to the contrary contained in this Agreement, this Agreement does not limit Executive's ability to communicate with any government agency or otherwise participate in any investigation or proceeding that may be conducted by any government agency, including providing documents or other information, without notice to the Company or its affiliates. This Agreement does not limit Executive's right to receive an award for information provided to any government agencies.

9. Certain Acknowledgments; Injunctive Relief with Respect to Covenants

9.1 Certain Acknowledgements. Executive acknowledges and agrees that Executive will have a prominent role in the development of the goodwill of the Company Group, and has and will establish and develop relations and contacts with the principal business relationships of the Company Group in the United States of America and the rest of the world, all of which constitute valuable goodwill of, and could be used by Executive to compete unfairly with, the Company Group and that (a) in the course of Executive's employment with the Company, Executive will obtain confidential and proprietary information and trade secrets concerning the business and operations of the Company Group in the United States of America and the rest of the world that could be used to compete unfairly with the Company Group; (b) the covenants and restrictions contained in Section 8 are intended to protect the legitimate interests of the Company Group in their respective goodwill, trade secrets and other confidential and proprietary information; and (c) Executive desires to be bound by such covenants and restrictions.

9.2 Injunctive Relief. Executive acknowledges and agrees that the covenants, obligations and agreements of Executive contained in Section 8 relate to special, unique and extraordinary matters and that a violation of any of the terms of such covenants, obligations or agreements will cause the Company Group irreparable injury for which adequate remedies are not available at law. Therefore, Executive agrees that the Company shall be entitled to an injunction, restraining order or such other equitable relief (without the requirement to post bond) to restrain Executive from committing any violation of such covenants, obligations or agreements. These injunctive remedies are cumulative and in addition to any other rights and remedies the Company Group may have.

10. Entire Agreement

This Agreement constitutes the entire agreement between the Company and Executive with respect to the subject matter hereof, and supersedes all undertakings and agreements, whether oral or in writing, previously entered into by the Company and Executive with respect thereto. All prior correspondence and proposals (including, but not limited to, summaries of proposed terms) and all prior offer letters, promises, representations, understandings, arrangements and agreements relating to such subject matter (including, but not limited to, those made to or with Executive by any other person) are merged herein and superseded hereby.

11. General Provisions

11.1 Binding Effect: Assignment. This Agreement shall be binding on and inure to the benefit of the Company and its respective successors and permitted assigns. This Agreement shall also be binding on and inure to the benefit of Executive and Executive's heirs, executors, administrators and legal representatives. This Agreement shall not be assignable by any party hereto without the prior written consent of the other parties hereto, except as provided pursuant to this Section 11.1. The Company may effect such an assignment without prior written approval of Executive (i) to any direct or indirect subsidiary of the Company or (ii) upon the transfer of all or substantially all of its business and/or assets (by whatever means).

11.2 Indemnity. Section 7.2 of the Limited Liability Company Operating Agreement of Xponential Fitness, LLC, dated September 26, 2017, as amended from time to time, is incorporated by reference herein and made a part hereof, and as so incorporated, shall remain in full force and effect in accordance with its terms.

11.3 Governing Law; Waiver of Jury Trial.

11.3.1 Governing Law; Consent to Jurisdiction. This Agreement shall be governed in all respects, including as to interpretation, substantive effect and enforceability, by the internal laws of the State of California, without regard to conflicts of laws provisions thereof that would require application to the laws of another jurisdiction other than those that mandatorily apply. Each party hereby irrevocably submits to the jurisdiction of the courts of the State of California and the federal courts of the United States of America located in Orange County, California solely in respect of the interpretation and enforcement of the provisions of this Agreement and in respect of the transactions contemplated hereby. Each party hereby waives and agrees not to assert, as a defense in any action, suit or proceeding for the interpretation and enforcement hereof, or in respect of any such transaction, that such action, suit or proceeding may not be brought or is not maintainable in such courts or that the venue thereof may not be appropriate or that this Agreement may not be enforced in or by such courts. Each party hereby consents to and grants any such court jurisdiction over the person of such parties and over the subject matter of any such dispute and agree that the mailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 11.6 or in such other manner as may be permitted by law, shall be valid and sufficient service thereof.

11.3.2 Waiver of Jury Trial. Each party acknowledges and agrees that any controversy which may arise under this Agreement is likely to involve complicated and difficult issues, and therefore each party hereby irrevocably and unconditionally waives any right such party may have to a trial by jury in respect of any litigation directly or indirectly arising out of or relating to this Agreement, or the breach, termination or validity of this Agreement, or the transactions contemplated by this Agreement. Each party certifies and acknowledges that (a) no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce the foregoing waiver; (b) each such party understands and has considered the implications of this waiver; (c) each such party makes this waiver voluntarily; and (d) each such party has been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section 11.3.2

11.4 Taxes. All amounts payable and benefits provided hereunder shall be subject to any and all applicable taxes, as required by applicable Federal, state, local and foreign laws and regulations.

11.5 Amendments; Waiver. No provision of this Agreement may be modified, waived or discharged unless such modification, waiver or discharge is approved by a Person authorized by the Company and is agreed to in writing by Executive. No waiver by any party hereto at any time of any breach by any other party hereto of, or compliance with, any condition or provision of this Agreement to be performed by such other party shall be deemed a waiver of similar or dissimilar provisions or conditions at the same or at any prior or subsequent time. No waiver of any provision of this Agreement shall be implied from any course of dealing between or among the parties hereto or from any failure by any party hereto to assert its rights hereunder on any occasion or series of occasions.

11.6 Legal Advice; Severability; Blue Pencil. Executive acknowledges that Executive has been advised to seek independent legal counsel for advice regarding the effect of the provisions of this Agreement, and has either obtained such advice of independent legal counsel, or has voluntarily and without compulsion elected to enter into and be bound by the terms of this Agreement without such advice of independent legal counsel. In the event that any one or more of the provisions of this Agreement shall be or become invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not be affected thereby. Executive and the Company agree that the covenants contained in Section 8 hereof are reasonable covenants under the circumstances, and further agree that if, in the opinion of any court of competent jurisdiction such covenants are not reasonable in any respect, such court shall have the right, power and authority to excise or modify such provision or provisions of these covenants as to the court shall appear not reasonable and to enforce the remainder of these covenants as so amended.

11.7 Notices. Any notice or other communication required or permitted to be delivered under this Agreement shall be (a) in writing; (b) delivered personally, by courier service or by certified or registered mail, first class postage prepaid and return receipt requested with a copy by electronic mail; (c) deemed to have been received on the date of delivery or, if so mailed, on the third business day after the mailing thereof; and (d) addressed as follows (or to such other address as the party entitled to notice shall hereafter designate in accordance with the terms hereof):

(i) If to the Company:

(ii) If to Executive, to the last home address, or personal fax on file with the Company.

11.8 Survival. The Company and Executive hereby agree that certain provisions of this Agreement shall survive the expiration of the Employment Period in accordance with their terms, including, but not limited to, Sections 7.6, 8, 9, 10, and 11.

11.9 Further Assurances. Each party hereto agrees with the other party hereto that it will cooperate with such other party and will execute and deliver, or cause to be executed and delivered, all such other instruments and documents, and will take such other actions, as such other parties may reasonably request from time to time to effectuate the provisions and purpose of this Agreement.

11.10 Section 409A. The parties intend that any amounts payable hereunder comply with or are exempt from Section 409A of the Internal Revenue Code of 1986, as amended ("**Section 409A**") (including under Treasury Regulation §§l.409A-l(b)(4) ("**short-term deferrals**") and (b)(9) ("**separation pay plans,**" including the exceptions under subparagraph (iii) and subparagraph (v)(D)) and other applicable provisions of Treasury Regulation§§ 1.409A-1 through A-6). For purposes of Section 409A, each of the payments that may be made under this Agreement shall be deemed to be a separate payment for purposes of Section 409A. This Agreement shall be administered, interpreted and construed in a manner that does not result in the imposition of additional taxes, penalties or interest under Section 409A. The Company and Executive agree to negotiate in good faith to make amendments to the Agreement, as the parties mutually agree are necessary or desirable to avoid the imposition of taxes, penalties or interest under Section 409A. Neither the Company nor Executive shall have the right to accelerate or defer the delivery of any such payments or benefits except to the extent specifically permitted or required by Section 409A. Notwithstanding the foregoing, the Company does not guarantee any particular tax effect, and Executive shall be solely responsible and liable for the satisfaction of all taxes, penalties and interest that may be imposed on or for the account of Executive in connection with the Agreement (including any taxes, penalties and interest under Section 409A), and neither the Company nor any of its affiliates shall have any obligation to indemnify or otherwise hold Executive (or any beneficiary) harmless from any or all of such taxes, penalties or interest. With respect to the time of payments of any amounts under the Agreement that are "**deferred compensation**" subject to Section 409A, references in the Agreement to "**termination of employment**" (and substantially similar phrases) shall mean "**separation from service**" within the meaning of Section 409A. For the avoidance of doubt, it is intended that any expense reimbursement made to Executive hereunder shall be exempt from Section 409A. Notwithstanding the foregoing, if any expense reimbursement made hereunder shall be determined to be "**deferred compensation**" within the meaning of Section 409A, then (i) the amount of the indemnification payment or expense reimbursement during one taxable year shall not affect the amount of the expense reimbursement during any other taxable year, (ii) the expense reimbursement shall be made on or before the last day of Executive's taxable year following the year in which the expense was incurred and (iii) the right to expense reimbursement hereunder shall not be subject to liquidation or exchange for another benefit.

11.11 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument. The parties hereto agree to accept a signed facsimile copy or "**PDF**" of this Agreement as a fully binding original.

11.12 Headings. The section and other headings contained in this Agreement are for the convenience of the parties only and are not intended to be a part hereof or to affect the meaning or interpretation hereof.

Exhibit 10.20

Employment Agreement

This Employment Agreement (this "**Agreement**") is dated as of June 17, 2021, and is made by and between Xponential Fitness, LLC, a Delaware limited liability company (the "**Company**"), and Megan Moen ("**Executive**").

Witnesseth:

Whereas, the Company desires to continue to employ Executive, and Executive desires to continue to be so employed, in each case, on the terms and conditions set forth herein.

Now, Therefore, in consideration of the foregoing premises and the mutual covenants and promises contained herein, and for other good and valuable consideration, the Company and Executive hereby agree as follows:

1. Agreement to Employ; No Conflicts

Upon the terms and subject to the conditions of this Agreement, the Company hereby agrees to employ Executive, and Executive hereby accepts such employment by the Company. Executive represents and warrants that (a) Executive is entering into this Agreement voluntarily, and that Executive's employment hereunder and compliance with the terms and conditions hereof will not conflict with or result in the breach by Executive of any agreement to which Executive is a party or by which Executive may be bound; b) Executive has not violated, and in connection with Executive's employment with the Company will not violate, any non-competition, non-solicitation or other similar covenant or agreement by which Executive is or may be bound; and (c) in connection with Executive's employment by the Company, Executive will not use any confidential or proprietary information Executive may have obtained in connection with Executive's employment with any prior employer.

2. Term; Position and Responsibilities

2.1 Term. Unless Executive's employment shall sooner terminate pursuant to Section 7, the Company shall employ Executive for a term commencing on the date hereof (the "**Commencement Date**") and ending on the first anniversary thereof (the "**Initial Term**"). Effective upon the expiration of the Initial Term and of each Additional Term (as defined below), unless Executive's employment shall sooner terminate pursuant to Section 7, Executive's employment hereunder shall be deemed to be automatically extended, upon the same terms and conditions, for an additional period of one year (each, an "**Additional Term**"), in each such case, commencing upon the expiration of the Initial Term or the then current Additional Term, as the case may be, unless, at least 60 days prior to the expiration of the Initial Term or such Additional Term, as the case may be, either party hereto shall have notified the other party thereto in writing that such extension shall not take effect. The period during which Executive is employed pursuant to this Agreement shall be referred to as the "**Employment Period**".

2.2 Position and Responsibilities. During the Employment Period, Executive shall serve as the Executive Vice President of Finance of the Company, reporting to CFO of the Company and/or of a parent entity of the Company (the "**CFO**") or his or her designee. Executive may also be designated an officer title of the parent or subsidiary entities of the Company for no additional consideration. Executive shall have such duties and responsibilities as are customarily assigned to individuals serving in such position, and such other duties consistent with Executive's position as the CFO or his or her designee specifies from time to time. Executive shall devote all of Executive's skill, knowledge and business time to the conscientious performance of such duties and responsibilities, except for vacation time (as set forth in Section 6.2), absence for sickness or similar disability of himself or an immediate family member as allowed by law, and time spent performing services for any charitable, religious or community organizations, so long as such services do not materially interfere with the performance of Executive's duties hereunder.

3. Base Salary

As compensation for the services to be performed by Executive during the Employment Period, the Company shall pay Executive a base salary at an annualized rate of $183,000, payable in periodic installments on the Company's regular payroll dates. The Board of Managers of the Company or the governing board of directors of the ultimate parent of the Company (such applicable board, the "**Board**") will review Executive's base salary annually during the Employment Period (but will not decrease such base salary). The annual base salary payable to Executive under this Section 3, as the same may be increased from time to time, shall here in after be referred to as the "**Base Salary**".

4. Annual Bonus

Beginning with the 2021 calendar year, and for each subsequent calendar year of the Company that ends during the Employment Period, Executive shall be entitled to (i) an annual cash bonus opportunity of 35% of Base Salary (pro-rated for any partial calendar year) (the "**Bonus**"), paid following the close of each applicable calendar year in arrears, which shall be payable if the EBITDA performance targets set by the Board for the applicable calendar year are met. Such bonus shall be payable after completion of the audit for such calendar year, but in no event later than 90 days of the subsequent calendar year to which such Bonus relates. Notwithstanding anything to the contrary contained in this Agreement or any applicable bonus plan, program or arrangement, Executive shall be eligible to receive any such Bonus only if Executive is actively employed by the Company on the Bonus payout date.

5. Employee Benefits

During the Employment Period, Executive (and, to the extent eligible, Executive's dependents and beneficiaries) shall be entitled to participate in any defined contribution plan, any insurance program and any medical and other health benefit plan, in each case, sponsored by the Company for its executive-level employees on terms and conditions set forth in such programs and plans (as amended from time to time); provided, that if Executive elects to not participate in the Company's medical or dental plans, the Company shall continue to pay for Executive's current medical and dental plan (or any reasonable equivalent plan acceptable to Executive) in lieu of participating in any such plans; provided, however, that the Company's payment of medical and dental plan premiums will be taxable as wages to Executive if and to the extent such payments would result in the imposition of excise taxes on the Company for the failure to comply with the nondiscrimination requirements of the Patient Protection and Affordable Care Act of 2010, as amended, and the Health Care and Education Reconciliation Act of 2010, as amended.

6. Expenses; Vacation

6.1 Business Travel, Lodging, etc. The Company shall reimburse Executive for all other reasonable travel, lodging, meal and other reasonable expenses incurred by Executive in connection with Executive's performance of services hereunder upon submission of evidence, satisfactory to the Company, of the incurrence and purpose of each such expense, and otherwise in accordance with the Company's Board approved expense policy applicable to its employees as in effect from time to time.

6.2 Vacation. During the Employment Period, Executive shall be entitled to paid vacation in accordance with a Board approved vacation policy, as may be amended from time to time and which is incorporated herein by this reference.

7. Termination of Employment

7.1 Termination Due to Death or Disability. During the Employment Period, Executive's employment shall automatically terminate in the event of Executive's death, and may be terminated by the Company due to Executive's Disability. For purposes of this Agreement, "**Disability**" shall mean a physical or mental disability that prevents, regardless of any reasonable accommodation, the performance by Executive of Executive's duties for a continuous period of 90 days or longer, or for 180 days or more in any 12-month period.

7.2 Termination by the Company. The Company may terminate Executive's employment with the Company with or without Cause. For purposes of this Agreement, "**Cause**" shall mean the following events or conditions, as determined by the Board in its reasonable judgment: (a) any failure by Executive to substantially perform Executive's duties hereunder (other than any such breach or failure due to Executive's physical or mental illness) and the continuance of such failure for more than 30 days following Executive's receipt of written notice from the Company, which notice shall set forth in reasonable detail the facts or circumstances constituting such failure; (b) any failure by Executive to cooperate, if reasonably requested by the Company, with any investigation or inquiry into Executive's or the Company's business practices, whether internal or external, including, but not limited to, Executive's refusal to be deposed or to provide testimony at any trial or inquiry and the continuance of such failure for more than 30 days following Executive's receipt of written notice from the Company, which notice shall set forth in reasonable detail the facts or circumstances constituting such failure; (c) Executive's engaging in fraud, willful misconduct, or dishonesty that has caused or is reasonably expected to result in material injury to the Company or any of its affiliates; (d) any material breach by Executive of any fiduciary duty owed to the Company or any of its affiliates; (e) Executive's conviction of, or entering a plea of guilty or nolo contendere to, a crime that constitutes a felony; or (f) any material breach by Executive of any of Executive's obligations hereunder or under any other written agreement or covenant with the Company or any of its affiliates and the continuance of such failure for more than 30 days following Executive's receipt of written notice from the Company, which notice shall set forth in reasonable detail the facts or circumstances constituting such failure. A termination for Cause shall include a reasonable determination by the Company following the termination of the Employment Period that circumstances existed during the Employment Period that would have justified a termination by the Company for Cause.

7.3 Termination by Executive. Executive may terminate Executive's employment with the Company with or without Good Reason. For purposes of this Agreement, "**Good Reason**" shall mean a termination by Executive of Executive's employment hereunder (a) any of the following events occur without Executive's express prior written consent; (b) within 60 days after Executive learns of the occurrence of such event, Executive gives written notice to the Company describing such event and demanding cure; and (c) such event is not fully cured within 30 days after such notice is given: (i) a material diminution in Executive's Base Salary, (ii) the assignment to Executive of duties that are significantly different from, and that result in a substantial diminution of, the duties or authority that Executive is to assume on the Commencement Date, or (iii) a material breach of this Agreement by the Company.

7.4 Notice of Termination. Any termination of Executive's employment by the Company pursuant to Section 7.1 (other than in the event of Executive's death) or Section 7.2 or by Executive pursuant to Section 7.3 shall be communicated by a personally delivered written Notice of Termination addressed to the other party to this Agreement. A "**Notice of Termination**" shall mean a notice stating that Executive's employment with the Company has been or will be terminated and the specific provisions of this Section 7 under which such termination is being effected.

7.5 Date of Termination. As used in this Agreement, the term "**Date of Termination**" shall mean (a) if Executive's employment is terminated by Executive's death, the date of Executive's death; (b) if Executive's employment is terminated by the Company pursuant to Section 7.1 due to Executive's Disability, 30 days after the date on which the Notice of Termination is given; provided, that, if Executive shall have returned to the performance of Executive's duties on a full-time basis during such 30-day period, such Notice of Termination shall be of no force or effect; (c) if Executive's employment is terminated by the Company for Cause or by Executive for Good Reason, the date any applicable cure period expires (and, if there is no applicable cure period, the date specified in the Notice of Termination): provided, that if a party is entitled to cure the nature of such termination and so cures prior to the expiration of the applicable cure period, the Notice of Termination provided to such curing party shall be of no force or effect; or (d) if Executive's employment is terminated for any other reason, the date specified in the Notice of Termination (which shall be 30 days after the date of such notice) and, if no such notice is given, 30 days after the date of termination of employment.

7.6 Payments Upon Certain Terminations.

7.6.1 Termination Without Cause or for Good Reason. If (a) the Company shall terminate Executive's employment without Cause or (b) Executive shall terminate Executive's employment for Good Reason, in each case, during the Employment Period, the Company shall pay to Executive:

(i) any accrued and unpaid Base Salary and accrued and unused vacation earned through the Date of Termination, which shall be paid on the tenth day after the Date of Termination (or if such day is not a business day, the next business day after such day); plus

(ii) as severance payments and provided that Executive executes and delivers (and does not revoke) a general release of all claims in form and substance satisfactory to the Company within 60 days following the Date of Termination, Base Salary for six (6) months, which shall be paid in periodic installments on the Company's regular payroll dates, beginning with the next payroll date immediately following the expiration of the 60th day following the Date of Termination (which first payment shall include any payments of Base Salary that should have been made during such 60-day period but for the 60-day release consideration period).

7.6.2 Termination for Any Other Reason. If Executive's employment is terminated for any reason other than those specified in Section 7.6.1 during the Employment Period, the Company shall pay Executive on the tenth day after the Date of Termination or the expiration of the Employment Period, as the case may be (or, if such day is not a business day, the next business day after such day), accrued and unpaid Base Salary and accrued and unused vacation earned through the Date of Termination.

7.6.3 Effect of Termination on Other Plans and Programs. In the event that Executive's employment with the Company is terminated for any reason, Executive shall be entitled to receive all amounts payable and benefits accrued under any otherwise applicable plan, policy, program or practice of the Company in which Executive was a participant immediately prior to the Date of Termination in accordance with the terms thereof; provided, that, if Executive's employment is terminated without Cause or for Good Reason, Executive shall not be entitled to receive any payments or benefits under any such plan, policy, program or practice providing any severance or cash bonus compensation, and the provisions of this Section 7.6 shall supersede such provisions of any such plan, policy, program or practice.

7.7 Resignation Upon Termination. Effective as of any Date of Termination or otherwise as of the date of Executive's termination of employment with the Company, Executive shall resign, in writing, from all positions then held by Executive with the Company and its affiliates unless otherwise requested by the Company and agreed to by Executive.

7.8 Cessation of Professional Activity. Upon delivery of a Notice of Termination by either party or a notice pursuant to Section 2.1, the Company may relieve Executive of Executive's responsibilities described in Section 2.2 and require Executive to immediately cease all professional activity on behalf of the Company, without such action constituting a termination of Executive's employment by the Company without Cause or giving grounds for Executive to terminate for Good Reason.

8. Restrictive Covenants

8.1 Unauthorized Disclosure. During the Employment Period and following any termination thereof, without the prior written consent of the Company, except to the extent required by an order of a court having competent jurisdiction or under subpoena from an appropriate government agency, in which event Executive shall use Executive's best efforts to consult with the Company prior to responding to any such order or subpoena, and except as required in performance of Executive's duties hereunder, Executive shall not use or disclose any confidential or proprietary trade secrets, customer lists, drawings, designs, marketing plans, management organization information (including, but not limited to, data and other information relating to members of the boards of directors of the Company, its parent or any subsidiary or affiliate thereof (the Company, its parent and their respective subsidiaries and affiliates, the "**Company Group**"), the Company Group, or to the management of the Company Group), operating policies or manuals, business plans, financial records, or other financial, commercial, business or technical information) relating to the Company Group or that the Company Group may receive belonging to customers or others who do business with the Company Group (collectively, "**Confidential Information**") to any third Person (as defined below) unless such Confidential Information has been previously disclosed to the public generally, is in the public domain, or has been rightfully received by Executive from a third party who is authorized to make such disclosure, in each case, other than by reason of Executive's breach of this Section 8.1. For purposes of this Agreement, "**Person**" shall mean any natural person, partnership, limited liability company, association, corporation, company, trust, business trust, governmental authority or other entity.

8.2 Non-Solicitation of Employees. During the period beginning on the Commencement Date and ending twelve months after the termination of Executive's employment with the Company (the "**Restriction Period**"), Executive shall not, directly or indirectly, for Executive's own account or for the account of any other Person, in any jurisdiction in which the Company Group has commenced during the Employment Period, (j) solicit for employment any natural person throughout the world who is or was employed by or otherwise engaged to perform services for the Company Group (x) at any time during the Employment Period (in the case of such prohibited activity occurring during such time) or (y) during the twelve month period preceding such prohibited activity (in the case of such prohibited activity occurring during the Restriction Period but after the date of Executive's termination of employment with the Company), other than any such solicitation on behalf of the Company Group during the Employment Period; or (ii) induce any employee of the Company Group to engage in any activity which Executive is prohibited from engaging in under any of this Section 8 or to terminate such employee's employment with the Company.

8.3 Non-Solicitation of Business Relationships. During the Employment Period, Executive shall not, directly or indirectly, for Executive's own account or for the account of any other Person, in any jurisdiction in which the Company Group has commenced or has actively made plans to commence operations, solicit, interfere with, or otherwise attempt to establish any business relationship of a nature that is competitive with the business or relationship of the Company Group with any Person throughout the world which is or was a customer, client or franchisee of the Company Group, other than any such activity on behalf of or at the request of the Company Group.

8.4 Works for Hire.

8.4.1 Generally. Executive agrees that the Company shall own all right, title and interest (including, but not limited to, patent rights, copyrights, trade secret rights and other rights throughout the world) in any inventions, works of authorship, ideas or information made or conceived or reduced to practice, in whole or in part, by Executive (either alone or with others) during the Employment Period (collectively "**Developments**"); provided, however, that the Company shall not own Developments for which no equipment, supplies, facility, trade secret information or Confidential Information of the Company was used and which were developed entirely on Executive's time, and (A) which do not relate (I) to the business of the Company Group or (II) to the actual or demonstrably anticipated research or development of the Company Group, and (B) which do not result from any work performed by Executive for the Company.

8.4.2 Disclosure; Assignment. Subject to Section 8.4.1, Executive will promptly and fully disclose to the Company, or any persons designated by it, any and all Developments made or conceived or reduced to practice or learned by Executive, either alone or jointly with others during the Employment Period. Executive hereby assigns all right, title and interest in and to any and all of these Developments to the Company. Executive shall further assist the Company, at the Company's expense, to further evidence, record and perfect such assignments, and to perfect, obtain, maintain, enforce, and defend any rights specified to be so owned or assigned. Executive hereby irrevocably designates and appoints the Company and its agents as attorneys-in-fact to act for and on Executive's behalf to execute and file any document and to do all other lawfully permitted acts to further the purposes of the foregoing with the same legal force and effect as if executed by Executive.

8.4.3 Copyright Act; Moral Rights. In addition, and not in contravention of Section 8.4.1 or Section 8.4.2, Executive acknowledges that all original works of authorship which are made by him (solely or jointly with others) within the scope of employment and which are protectable by copyright are "**works made for hire,**" as that term is defined in the United States Copyright Act (17 USC §101). To the extent allowed by law, this Section 8.4.3 includes all rights of paternity, integrity, disclosure and withdrawal and any other rights that may be known as or referred to "**moral rights**" (collectively, "**Moral Rights**"). To the extent Executive retains any such Moral Rights under applicable law, Executive hereby waives such Moral Rights and consents to any action consistent with the terms of this Agreement with respect to such Moral Rights, in each case, to the full extent of such applicable law. Executive will confirm any such waivers and consents from time to time as requested by the Company.

8.4.4 Authorized Disclosure. Section 1883(b) of Title 18 of the United States Code states "An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that (i) is made (ii) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney and (hl solely for the purposes of reporting or investigating a suspended violation of law or (iii) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal." Accordingly, the Company and Executive have the right to disclose in confidence trade secrets to Federal, State, and local government officials, or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law. The Company and Executive also have the right to disclose trade secrets in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal and protected from public disclosure. Nothing in this Agreement is intended to conflict with Section l 883(b) of Title 18 of the United States Code or create liability for disclosures of trade secrets that are expressly allowed by Section l 883(b) of Title 18 of the United States Code.

8.4.5 Section 2870 of the California Labor Code. Notwithstanding anything to the contrary contained in this Agreement, Executive may use Executive's own ideas, knowledge, and experience to develop Developments that qualify under the provisions of Section 2870 of the California Labor Code, which provisions are set forth below, and all rights to such Developments that qualify under Section 2870 and are so developed shall belong solely to Executive; provided, that such Developments are developed without the use of Company resources and outside of the scope of the services provided under this Agreement. Section 2870 of the California Labor Code reads in its entirety, as follows: "(a) Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for inventions that either: (1) Relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably anticipated research or development of the employer; or (2) Result from any work performed by the employee for the employer; (b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable".

8.5 Nondisparagement. Executive agrees that Executive shall neither, directly or indirectly, engage in any conduct or make any statement (including through social media) disparaging or criticizing in any way the Company Group, or any of their personnel, nor engage in any other conduct or make any other statement that could be reasonably expected to impair the goodwill or the reputation of the Company Group, in each case, except to the extent required by law, and then only after consultation with the Company to the extent possible. The Company Group agrees that it shall instruct the directors and officers of the Company not to, directly or indirectly, engage in any conduct or make any statement (including through social media) disparaging or criticizing Executive in any way, nor engage in any other conduct or make any other statement that could be reasonably expected to impair the goodwill or the reputation of Executive, in each case, except to the extent required by law, and then only after consultation with Executive to the extent possible.

8.6 Return of Documents. In the event of the termination of Executive's employment, Executive shall deliver to the Company (a) all property of the Company Group then in Executive's possession; and (b) all documents and data of any nature and in whatever medium of the Company Group, and Executive shall not take with Executive any such property, documents or data or any reproduction thereof, or any documents containing or pertaining to any Confidential Information.

8.7 Confidentiality of Agreement; Governmental Agency Exception. The parties to this Agreement agree not to disclose its terms to any Person, other than their attorneys, accountants, financial advisors or, in Executive's case, members of Executive's immediate family or, in the Company's case, for any reasonable purpose that is reasonably related to its business operations: provided, that this Section 8.7 shall not be construed to prohibit any disclosure required by law or in any proceeding to enforce the terms and conditions of this Agreement. Notwithstanding anything to the contrary contained in this Agreement, this Agreement does not limit Executive's ability to communicate with any government agency or otherwise participate in any investigation or proceeding that may be conducted by any government agency, including providing documents or other information, without notice to the Company or its affiliates. This Agreement does not limit Executive's right to receive an award for information provided to any government agencies.

9. Certain Acknowledgments; Injunctive Relief with Respect to Covenants

9.1 Certain Acknowledgements. Executive acknowledges and agrees that Executive will have a prominent role in the development of the goodwill of the Company Group, and has and will establish and develop relations and contacts with the principal business relationships of the Company Group in the United States of America and the rest of the world, all of which constitute valuable goodwill of, and could be used by Executive to compete unfairly with, the Company Group and that (a) in the course of Executive's employment with the Company, Executive will obtain confidential and proprietary information and trade secrets concerning the business and operations of the Company Group in the United States of America and the rest of the world that could be used to compete unfairly with the Company Group; (b) the covenants and restrictions contained in Section 8 are intended to protect the legitimate interests of the Company Group in their respective goodwill, trade secrets and other confidential and proprietary information; and (c) Executive desires to be bound by such covenants and restrictions.

9.2 Injunctive Relief. Executive acknowledges and agrees that the covenants, obligations and agreements of Executive contained in Section 8 relate to special, unique and extraordinary matters and that a violation of any of the terms of such covenants, obligations or agreements will cause the Company Group irreparable injury for which adequate remedies are not available at law. Therefore, Executive agrees that the Company shall be entitled to an injunction, restraining order or such other equitable relief (without the requirement to post bond) to restrain Executive from committing any violation of such covenants, obligations or agreements. These injunctive remedies are cumulative and in addition to any other rights and remedies the Company Group may have.

10. Entire Agreement

This Agreement constitutes the entire agreement between the Company and Executive with respect to the subject matter hereof, and supersedes all undertakings and agreements, whether oral or in writing, previously entered into by the Company and Executive with respect thereto. All prior correspondence and proposals (including, but not limited to, summaries of proposed terms) and all prior offer letters, promises, representations, understandings, arrangements and agreements relating to such subject matter (including, but not limited to, those made to or with Executive by any other person) are merged herein and superseded hereby.

11. General Provisions

11.1 Binding Effect: Assignment. This Agreement shall be binding on and inure to the benefit of the Company and its respective successors and permitted assigns. This Agreement shall also be binding on and inure to the benefit of Executive and Executive's heirs, executors, administrators and legal representatives. This Agreement shall not be assignable by any party hereto without the prior written consent of the other parties hereto, except as provided pursuant to this Section 11.1. The Company may effect such an assignment without prior written approval of Executive (i) to any direct or indirect subsidiary of the Company or (ii) upon the transfer of all or substantially all of its business and/or assets (by whatever means).

11.2 Indemnity. Section 7.2 of the Limited Liability Company Operating Agreement of Xponential Fitness, LLC, dated September 26, 2017, as amended from time to time, is incorporated by reference herein and made a part hereof, and as so incorporated, shall remain in full force and effect in accordance with its terms.

11.3 Governing Law; Waiver of Jury Trial.

11.3.1 Governing Law; Consent to Jurisdiction. This Agreement shall be governed in all respects, including as to interpretation, substantive effect and enforceability, by the internal laws of the State of California, without regard to conflicts of laws provisions thereof that would require application to the laws of another jurisdiction other than those that mandatorily apply. Each party hereby irrevocably submits to the jurisdiction of the courts of the State of California and the federal courts of the United States of America located in Orange County, California solely in respect of the interpretation and enforcement of the provisions of this Agreement and in respect of the transactions contemplated hereby. Each party hereby waives and agrees not to assert, as a defense in any action, suit or proceeding for the interpretation and enforcement hereof, or in respect of any such transaction, that such action, suit or proceeding may not be brought or is not maintainable in such courts or that the venue thereof may not be appropriate or that this Agreement may not be enforced in or by such courts. Each party hereby consents to and grants any such court jurisdiction over the person of such parties and over the subject matter of any such dispute and agree that the mailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 11.6 or in such other manner as may be permitted by law, shall be valid and sufficient service thereof.

11.3.2 Waiver of Jury Trial. Each party acknowledges and agrees that any controversy which may arise under this Agreement is likely to involve complicated and difficult issues, and therefore each party hereby irrevocably and unconditionally waives any right such party may have to a trial by jury in respect of any litigation directly or indirectly arising out of or relating to this Agreement, or the breach, termination or validity of this Agreement, or the transactions contemplated by this Agreement. Each party certifies and acknowledges that (a) no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce the foregoing waiver; (b) each such party understands and has considered the implications of this waiver; (c) each such party makes this waiver voluntarily; and (d) each such party has been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section 11.3.2

11.4 Taxes. All amounts payable and benefits provided hereunder shall be subject to any and all applicable taxes, as required by applicable Federal, state, local and foreign laws and regulations.

11.5 Amendments; Waiver. No provision of this Agreement may be modified, waived or discharged unless such modification, waiver or discharge is approved by a Person authorized by the Company and is agreed to in writing by Executive. No waiver by any party hereto at any time of any breach by any other party hereto of, or compliance with, any condition or provision of this Agreement to be performed by such other party shall be deemed a waiver of similar or dissimilar provisions or conditions at the same or at any prior or subsequent time. No waiver of any provision of this Agreement shall be implied from any course of dealing between or among the parties hereto or from any failure by any party hereto to assert its rights hereunder on any occasion or series of occasions.

11.6 Legal Advice; Severability; Blue Pencil. Executive acknowledges that Executive has been advised to seek independent legal counsel for advice regarding the effect of the provisions of this Agreement, and has either obtained such advice of independent legal counsel, or has voluntarily and without compulsion elected to enter into and be bound by the terms of this Agreement without such advice of independent legal counsel. In the event that any one or more of the provisions of this Agreement shall be or become invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not be affected thereby. Executive and the Company agree that the covenants contained in Section 8 hereof are reasonable covenants under the circumstances, and further agree that if, in the opinion of any court of competent jurisdiction such covenants are not reasonable in any respect, such court shall have the right, power and authority to excise or modify such provision or provisions of these covenants as to the court shall appear not reasonable and to enforce the remainder of these covenants as so amended.

11.7 Notices. Any notice or other communication required or permitted to be delivered under this Agreement shall be (a) in writing; (b) delivered personally, by courier service or by certified or registered mail, first class postage prepaid and return receipt requested with a copy by electronic mail; (c) deemed to have been received on the date of delivery or, if so mailed, on the third business day after the mailing thereof; and (d) addressed as follows (or to such other address as the party entitled to notice shall hereafter designate in accordance with the terms hereof):

(ii) If to Executive, to the last home address, or personal fax on

11.8 Survival. The Company and Executive hereby agree that certain provisions of this Agreement shall survive the expiration of the Employment Period in accordance with their terms, including, but not limited to, Sections 7.6, 8, 9, 10, and 11.

11.9 Further Assurances. Each party hereto agrees with the other party hereto that it will cooperate with such other party and will execute and deliver, or cause to be executed and delivered, all such other instruments and documents, and will take such other actions, as such other parties may reasonably request from time to time to effectuate the provisions and purpose of this Agreement.

11.10 Section 409A. The parties intend that any amounts payable hereunder comply with or are exempt from Section 409A of the Internal Revenue Code of 1986, as amended ("**Section 409A**") (including under Treasury Regulation §§l.409A-l(b)(4) ("**short-term deferrals**") and (b)(9) ("**separation pay plans,**" including the exceptions under subparagraph (iii) and subparagraph (v)(D)) and other applicable provisions of Treasury Regulation§§ 1.409A-1 through A-6). For purposes of Section 409A, each of the payments that may be made under this Agreement shall be deemed to be a separate payment for purposes of Section 409A. This Agreement shall be administered, interpreted and construed in a manner that does not result in the imposition of additional taxes, penalties or interest under Section 409A. The Company and Executive agree to negotiate in good faith to make amendments to the Agreement, as the parties mutually agree are necessary or desirable to avoid the imposition of taxes, penalties or interest under Section 409A. Neither the Company nor Executive shall have the right to accelerate or defer the delivery of any such payments or benefits except to the extent specifically permitted or required by Section 409A. Notwithstanding the foregoing, the Company does not guarantee any particular tax effect, and Executive shall be solely responsible and liable for the satisfaction of all taxes, penalties and interest that may be imposed on or for the account of Executive in connection with the Agreement (including any taxes, penalties and interest under Section 409A), and neither the Company nor any of its affiliates shall have any obligation to indemnify or otherwise hold Executive (or any beneficiary) harmless from any or all of such taxes, penalties or interest. With respect to the time of payments of any amounts under the Agreement that are "**deferred compensation**" subject to Section 409A, references in the Agreement to "**termination of employment**" (and substantially similar phrases) shall mean "**separation from service**" within the meaning of Section 409A. For the avoidance of doubt, it is intended that any expense reimbursement made to Executive hereunder shall be exempt from Section 409A. Notwithstanding the foregoing, if any expense reimbursement made hereunder shall be determined to be "**deferred compensation**" within the meaning of Section 409A, then (i) the amount of the indemnification payment or expense reimbursement during one taxable year shall not affect the amount of the expense reimbursement during any other taxable year, (ii) the expense reimbursement shall be made on or before the last day of Executive's taxable year following the year in which the expense was incurred and (iii) the right to expense reimbursement hereunder shall not be subject to liquidation or exchange for another benefit.

11.11 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument. The parties hereto agree to accept a signed facsimile copy or "**PDF**" of this Agreement as a fully binding original.

11.12 Headings. The section and other headings contained in this Agreement are for the convenience of the parties only and are not intended to be a part hereof or to affect the meaning or interpretation hereof.

Exhibit 10.21

Employment Agreement

This Employment Agreement (this "**Agreement**") is dated as of June 17, 2021, and is made by and between Xponential Fitness, LLC, a Delaware limited liability company (the "**Company**"), and Ryan Junk ("**Executive**").

Witnesseth:

Whereas, the Company desires to continue to employ Executive, and Executive desires to continue to be so employed, in each case, on the terms and conditions set forth herein.

Now, Therefore, in consideration of the foregoing premises and the mutual covenants and promises contained herein, and for other good and valuable consideration, the Company and Executive hereby agree as follows:

1. Agreement to Employ; No Conflicts

Upon the terms and subject to the conditions of this Agreement, the Company hereby agrees to employ Executive, and Executive hereby accepts such employment by the Company. Executive represents and warrants that (a) Executive is entering into this Agreement voluntarily, and that Executive's employment hereunder and compliance with the terms and conditions hereof will not conflict with or result in the breach by Executive of any agreement to which Executive is a party or by which Executive may be bound; b) Executive has not violated, and in connection with Executive's employment with the Company will not violate, any non-competition, non-solicitation or other similar covenant or agreement by which Executive is or may be bound; and (c) in connection with Executive's employment by the Company, Executive will not use any confidential or proprietary information Executive may have obtained in connection with Executive's employment with any prior employer.

2. Term; Position and Responsibilities

2.1 Term. Unless Executive's employment shall sooner terminate pursuant to Section 7, the Company shall employ Executive for a term commencing on the date hereof (the "**Commencement Date**") and ending on the first anniversary thereof (the "**Initial Term**"). Effective upon the expiration of the Initial Term and of each Additional Term (as defined below), unless Executive's employment shall sooner terminate pursuant to Section 7, Executive's employment hereunder shall be deemed to be automatically extended, upon the same terms and conditions, for an additional period of one year (each, an "**Additional Term**"), in each such case, commencing upon the expiration of the Initial Term or the then current Additional Term, as the case may be, unless, at least 60 days prior to the expiration of the Initial Term or such Additional Term, as the case may be, either party hereto shall have notified the other party thereto in writing that such extension shall not take effect. The period during which Executive is employed pursuant to this Agreement shall be referred to as the "**Employment Period**".

2.2 Position and Responsibilities. During the Employment Period, Executive shall serve as the Chief Operating Officer of the Company. Executive may also be designated an officer title of the parent or subsidiary entities of the Company for no additional consideration. Executive shall have such duties and responsibilities as are customarily assigned to individuals serving in such position, and such other duties consistent with Executive's position. Executive shall devote all of Executive's skill, knowledge and business time to the conscientious performance of such duties and responsibilities, except for vacation time (as set forth in Section 6.2), absence for sickness or similar disability of himself or an immediate family member as allowed by law, and time spent performing services for any charitable, religious or community organizations, so long as such services do not materially interfere with the performance of Executive's duties hereunder.

3. Base Salary

As compensation for the services to be performed by Executive during the Employment Period, the Company shall pay Executive a base salary at an annualized rate of $300,000, payable in periodic installments on the Company's regular payroll dates. The Board of Managers of the Company or the governing board of directors of the ultimate parent of the Company (such applicable board, the "**Board**") will review Executive's base salary annually during the Employment Period (but will not decrease such base salary). The annual base salary payable to Executive under this Section 3, as the same may be increased from time to time, shall here in after be referred to as the "**Base Salary**".

4. Annual Bonus

Beginning with the 2021 calendar year, and for each subsequent calendar year of the Company that ends during the Employment Period, Executive shall be entitled to (i) an annual cash bonus opportunity of 35% of Base Salary (pro-rated for any partial calendar year) (the "**Bonus**"), paid following the close of each applicable calendar year in arrears, which shall be payable if the EBITDA performance targets set by the Board for the applicable calendar year are met. Such bonus shall be payable after completion of the audit for such calendar year, but in no event later than 90 days of the subsequent calendar year to which such Bonus relates. Notwithstanding anything to the contrary contained in this Agreement or any applicable bonus plan, program or arrangement, Executive shall be eligible to receive any such Bonus only if Executive is actively employed by the Company on the Bonus payout date.

5. Employee Benefits

During the Employment Period, Executive (and, to the extent eligible, Executive's dependents and beneficiaries) shall be entitled to participate in any defined contribution plan, any insurance program and any medical and other health benefit plan, in each case, sponsored by the Company for its executive-level employees on terms and conditions set forth in such programs and plans (as amended from time to time); provided, that if Executive elects to not participate in the Company's medical or dental plans, the Company shall continue to pay for Executive's current medical and dental plan (or any reasonable equivalent plan acceptable to Executive) in lieu of participating in any such plans; provided, however, that the Company's payment of medical and dental plan premiums will be taxable as wages to Executive if and to the extent such payments would result in the imposition of excise taxes on the Company for the failure to comply with the nondiscrimination requirements of the Patient Protection and Affordable Care Act of 2010, as amended, and the Health Care and Education Reconciliation Act of 2010, as amended.

6. Expenses; Vacation

6.1 Business Travel, Lodging, etc. The Company shall reimburse Executive for all other reasonable travel, lodging, meal and other reasonable expenses incurred by Executive in connection with Executive's performance of services hereunder upon submission of evidence, satisfactory to the Company, of the incurrence and purpose of each such expense, and otherwise in accordance with the Company's Board approved expense policy applicable to its employees as in effect from time to time.

6.2 Vacation. During the Employment Period, Executive shall be entitled to paid vacation in accordance with a Board approved vacation policy, as may be amended from time to time and which is incorporated herein by this reference.

7. Termination of Employment

7.1 Termination Due to Death or Disability. During the Employment Period, Executive's employment shall automatically terminate in the event of Executive's death, and may be terminated by the Company due to Executive's Disability. For purposes of this Agreement, "**Disability**" shall mean a physical or mental disability that prevents, regardless of any reasonable accommodation, the performance by Executive of Executive's duties for a continuous period of 90 days or longer, or for 180 days or more in any 12-month period.

7.2 Termination by the Company. The Company may terminate Executive's employment with the Company with or without Cause. For purposes of this Agreement, "**Cause**" shall mean the following events or conditions, as determined by the Board in its reasonable judgment: (a) any failure by Executive to substantially perform Executive's duties hereunder (other than any such breach or failure due to Executive's physical or mental illness) and the continuance of such failure for more than 30 days following Executive's receipt of written notice from the Company, which notice shall set forth in reasonable detail the facts or circumstances constituting such failure; (b) any failure by Executive to cooperate, if reasonably requested by the Company, with any investigation or inquiry into Executive's or the Company's business practices, whether internal or external, including, but not limited to, Executive's refusal to be deposed or to provide testimony at any trial or inquiry and the continuance of such failure for more than 30 days following Executive's receipt of written notice from the Company, which notice shall set forth in reasonable detail the facts or circumstances constituting such failure; (c) Executive's engaging in fraud, willful misconduct, or dishonesty that has caused or is reasonably expected to result in material injury to the Company or any of its affiliates; (d) any material breach by Executive of any fiduciary duty owed to the Company or any of its affiliates; (e) Executive's conviction of, or entering a plea of guilty or nolo contendere to, a crime that constitutes a felony; or (f) any material breach by Executive of any of Executive's obligations hereunder or under any other written agreement or covenant with the Company or any of its affiliates and the continuance of such failure for more than 30 days following Executive's receipt of written notice from the Company, which notice shall set forth in reasonable detail the facts or circumstances constituting such failure. A termination for Cause shall include a reasonable determination by the Company following the termination of the Employment Period that circumstances existed during the Employment Period that would have justified a termination by the Company for Cause.

7.3 Termination by Executive. Executive may terminate Executive's employment with the Company with or without Good Reason. For purposes of this Agreement, "**Good Reason**" shall mean a termination by Executive of Executive's employment hereunder (a) any of the following events occur without Executive's express prior written consent; (b) within 60 days after Executive learns of the occurrence of such event, Executive gives written notice to the Company describing such event and demanding cure; and (c) such event is not fully cured within 30 days after such notice is given: (i) a material diminution in Executive's Base Salary, (ii) the assignment to Executive of duties that are significantly different from, and that result in a substantial diminution of, the duties or authority that Executive is to assume on the Commencement Date, or (iii) a material breach of this Agreement by the Company.

7.4 Notice of Termination. Any termination of Executive's employment by the Company pursuant to Section 7.1 (other than in the event of Executive's death) or Section 7.2 or by Executive pursuant to Section 7.3 shall be communicated by a personally delivered written Notice of Termination addressed to the other party to this Agreement. A "**Notice of Termination**" shall mean a notice stating that Executive's employment with the Company has been or will be terminated and the specific provisions of this Section 7 under which such termination is being effected.

7.5 Date of Termination. As used in this Agreement, the term "**Date of Termination**" shall mean (a) if Executive's employment is terminated by Executive's death, the date of Executive's death; (b) if Executive's employment is terminated by the Company pursuant to Section 7.1 due to Executive's Disability, 30 days after the date on which the Notice of Termination is given; provided, that, if Executive shall have returned to the performance of Executive's duties on a full-time basis during such 30-day period, such Notice of Termination shall be of no force or effect; (c) if Executive's employment is terminated by the Company for Cause or by Executive for Good Reason, the date any applicable cure period expires (and, if there is no applicable cure period, the date specified in the Notice of Termination): provided, that if a party is entitled to cure the nature of such termination and so cures prior to the expiration of the applicable cure period, the Notice of Termination provided to such curing party shall be of no force or effect; or (d) if Executive's employment is terminated for any other reason, the date specified in the Notice of Termination (which shall be 30 days after the date of such notice) and, if no such notice is given, 30 days after the date of termination of employment.

7.6 Payments Upon Certain Terminations.

7.6.1 Termination Without Cause or for Good Reason. If (a) the Company shall terminate Executive's employment without Cause or (b) Executive shall terminate Executive's employment for Good Reason, in each case, during the Employment Period, the Company shall pay to Executive:

(i) any accrued and unpaid Base Salary and accrued and unused vacation earned through the Date of Termination, which shall be paid on the tenth day after the Date of Termination (or if such day is not a business day, the next business day after such day); plus

(ii) as severance payments and provided that Executive executes and delivers (and does not revoke) a general release of all claims in form and substance satisfactory to the Company within 60 days following the Date of Termination, Base Salary for six (6) months, which shall be paid in periodic installments on the Company's regular payroll dates, beginning with the next payroll date immediately following the expiration of the 60th day following the Date of Termination (which first payment shall include any payments of Base Salary that should have been made during such 60-day period but for the 60-day release consideration period).

7.6.2 Termination for Any Other Reason. If Executive's employment is terminated for any reason other than those specified in Section 7.6.1 during the Employment Period, the Company shall pay Executive on the tenth day after the Date of Termination or the expiration of the Employment Period, as the case may be (or, if such day is not a business day, the next business day after such day), accrued and unpaid Base Salary and accrued and unused vacation earned through the Date of Termination.

7.6.3 Effect of Termination on Other Plans and Programs. In the event that Executive's employment with the Company is terminated for any reason, Executive shall be entitled to receive all amounts payable and benefits accrued under any otherwise applicable plan, policy, program or practice of the Company in which Executive was a participant immediately prior to the Date of Termination in accordance with the terms thereof; provided, that, if Executive's employment is terminated without Cause or for Good Reason, Executive shall not be entitled to receive any payments or benefits under any such plan, policy, program or practice providing any severance or cash bonus compensation, and the provisions of this Section 7.6 shall supersede such provisions of any such plan, policy, program or practice.

7.7 Resignation Upon Termination. Effective as of any Date of Termination or otherwise as of the date of Executive's termination of employment with the Company, Executive shall resign, in writing, from all positions then held by Executive with the Company and its affiliates unless otherwise requested by the Company and agreed to by Executive.

7.8 Cessation of Professional Activity. Upon delivery of a Notice of Termination by either party or a notice pursuant to Section 2.1, the Company may relieve Executive of Executive's responsibilities described in Section 2.2 and require Executive to immediately cease all professional activity on behalf of the Company, without such action constituting a termination of Executive's employment by the Company without Cause or giving grounds for Executive to terminate for Good Reason.

8. Restrictive Covenants

8.1 Unauthorized Disclosure. During the Employment Period and following any termination thereof, without the prior written consent of the Company, except to the extent required by an order of a court having competent jurisdiction or under subpoena from an appropriate government agency, in which event Executive shall use Executive's best efforts to consult with the Company prior to responding to any such order or subpoena, and except as required in performance of Executive's duties hereunder, Executive shall not use or disclose any confidential or proprietary trade secrets, customer lists, drawings, designs, marketing plans, management organization information (including, but not limited to, data and other information relating to members of the boards of directors of the Company, its parent or any subsidiary or affiliate thereof (the Company, its parent and their respective subsidiaries and affiliates, the "**Company Group**"), the Company Group, or to the management of the Company Group), operating policies or manuals, business plans, financial records, or other financial, commercial, business or technical information) relating to the Company Group or that the Company Group may receive belonging to customers or others who do business with the Company Group (collectively, "**Confidential Information**") to any third Person (as defined below) unless such Confidential Information has been previously disclosed to the public generally, is in the public domain, or has been rightfully received by Executive from a third party who is authorized to make such disclosure, in each case, other than by reason of Executive's breach of this Section 8.1. For purposes of this Agreement, "**Person**" shall mean any natural person, partnership, limited liability company, association, corporation, company, trust, business trust, governmental authority or other entity.

8.2 Non-Solicitation of Employees. During the period beginning on the Commencement Date and ending twelve months after the termination of Executive's employment with the Company (the "**Restriction Period**"), Executive shall not, directly or indirectly, for Executive's own account or for the account of any other Person, in any jurisdiction in which the Company Group has commenced during the Employment Period, (j) solicit for employment any natural person throughout the world who is or was employed by or otherwise engaged to perform services for the Company Group (x) at any time during the Employment Period (in the case of such prohibited activity occurring during such time) or (y) during the twelve month period preceding such prohibited activity (in the case of such prohibited activity occurring during the Restriction Period but after the date of Executive's termination of employment with the Company), other than any such solicitation on behalf of the Company Group during the Employment Period; or (ii) induce any employee of the Company Group to engage in any activity which Executive is prohibited from engaging in under any of this Section 8 or to terminate such employee's employment with the Company.

8.3 Non-Solicitation of Business Relationships. During the Employment Period, Executive shall not, directly or indirectly, for Executive's own account or for the account of any other Person, in any jurisdiction in which the Company Group has commenced or has actively made plans to commence operations, solicit, interfere with, or otherwise attempt to establish any business relationship of a nature that is competitive with the business or relationship of the Company Group with any Person throughout the world which is or was a customer, client or franchisee of the Company Group, other than any such activity on behalf of or at the request of the Company Group.

8.4 Works for Hire.

8.4.1 Generally. Executive agrees that the Company shall own all right, title and interest (including, but not limited to, patent rights, copyrights, trade secret rights and other rights throughout the world) in any inventions, works of authorship, ideas or information made or conceived or reduced to practice, in whole or in part, by Executive (either alone or with others) during the Employment Period (collectively "**Developments**"); provided, however, that the Company shall not own Developments for which no equipment, supplies, facility, trade secret information or Confidential Information of the Company was used and which were developed entirely on Executive's time, and (A) which do not relate (I) to the business of the Company Group or (II) to the actual or demonstrably anticipated research or development of the Company Group, and (B) which do not result from any work performed by Executive for the Company.

8.4.2 Disclosure; Assignment. Subject to Section 8.4.1, Executive will promptly and fully disclose to the Company, or any persons designated by it, any and all Developments made or conceived or reduced to practice or learned by Executive, either alone or jointly with others during the Employment Period. Executive hereby assigns all right, title and interest in and to any and all of these Developments to the Company. Executive shall further assist the Company, at the Company's expense, to further evidence, record and perfect such assignments, and to perfect, obtain, maintain, enforce, and defend any rights specified to be so owned or assigned. Executive hereby irrevocably designates and appoints the Company and its agents as attorneys-in-fact to act for and on Executive's behalf to execute and file any document and to do all other lawfully permitted acts to further the purposes of the foregoing with the same legal force and effect as if executed by Executive.

8.4.3 Copyright Act; Moral Rights. In addition, and not in contravention of Section 8.4.1 or Section 8.4.2, Executive acknowledges that all original works of authorship which are made by him (solely or jointly with others) within the scope of employment and which are protectable by copyright are "**works made for hire,**" as that term is defined in the United States Copyright Act (17 USC §101). To the extent allowed by law, this Section 8.4.3 includes all rights of paternity, integrity, disclosure and withdrawal and any other rights that may be known as or referred to "**moral rights**" (collectively, "**Moral Rights**"). To the extent Executive retains any such Moral Rights under applicable law, Executive hereby waives such Moral Rights and consents to any action consistent with the terms of this Agreement with respect to such Moral Rights, in each case, to the full extent of such applicable law. Executive will confirm any such waivers and consents from time to time as requested by the Company.

8.4.4 Authorized Disclosure. Section 1883(b) of Title 18 of the United States Code states "An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that (i) is made (ii) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney and (hl solely for the purposes of reporting or investigating a suspended violation of law or (iii) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal." Accordingly, the Company and Executive have the right to disclose in confidence trade secrets to Federal, State, and local government officials, or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law. The Company and Executive also have the right to disclose trade secrets in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal and protected from public disclosure. Nothing in this Agreement is intended to conflict with Section l 883(b) of Title 18 of the United States Code or create liability for disclosures of trade secrets that are expressly allowed by Section l 883(b) of Title 18 of the United States Code.

8.4.5 Section 2870 of the California Labor Code. Notwithstanding anything to the contrary contained in this Agreement, Executive may use Executive's own ideas, knowledge, and experience to develop Developments that qualify under the provisions of Section 2870 of the California Labor Code, which provisions are set forth below, and all rights to such Developments that qualify under Section 2870 and are so developed shall belong solely to Executive; provided, that such Developments are developed without the use of Company resources and outside of the scope of the services provided under this Agreement. Section 2870 of the California Labor Code reads in its entirety, as follows: "(a) Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for inventions that either: (1) Relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably anticipated research or development of the employer; or (2) Result from any work performed by the employee for the employer; (b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable".

8.5 Nondisparagement. Executive agrees that Executive shall neither, directly or indirectly, engage in any conduct or make any statement (including through social media) disparaging or criticizing in any way the Company Group, or any of their personnel, nor engage in any other conduct or make any other statement that could be reasonably expected to impair the goodwill or the reputation of the Company Group, in each case, except to the extent required by law, and then only after consultation with the Company to the extent possible. The Company Group agrees that it shall instruct the directors and officers of the Company not to, directly or indirectly, engage in any conduct or make any statement (including through social media) disparaging or criticizing Executive in any way, nor engage in any other conduct or make any other statement that could be reasonably expected to impair the goodwill or the reputation of Executive, in each case, except to the extent required by law, and then only after consultation with Executive to the extent possible.

8.6 Return of Documents. In the event of the termination of Executive's employment, Executive shall deliver to the Company (a) all property of the Company Group then in Executive's possession; and (b) all documents and data of any nature and in whatever medium of the Company Group, and Executive shall not take with Executive any such property, documents or data or any reproduction thereof, or any documents containing or pertaining to any Confidential Information.

8.7 Confidentiality of Agreement; Governmental Agency Exception. The parties to this Agreement agree not to disclose its terms to any Person, other than their attorneys, accountants, financial advisors or, in Executive's case, members of Executive's immediate family or, in the Company's case, for any reasonable purpose that is reasonably related to its business operations: provided, that this Section 8.7 shall not be construed to prohibit any disclosure required by law or in any proceeding to enforce the terms and conditions of this Agreement. Notwithstanding anything to the contrary contained in this Agreement, this Agreement does not limit Executive's ability to communicate with any government agency or otherwise participate in any investigation or proceeding that may be conducted by any government agency, including providing documents or other information, without notice to the Company or its affiliates. This Agreement does not limit Executive's right to receive an award for information provided to any government agencies.

9. Certain Acknowledgments; Injunctive Relief with Respect to Covenants

9.1 Certain Acknowledgements. Executive acknowledges and agrees that Executive will have a prominent role in the development of the goodwill of the Company Group, and has and will establish and develop relations and contacts with the principal business relationships of the Company Group in the United States of America and the rest of the world, all of which constitute valuable goodwill of, and could be used by Executive to compete unfairly with, the Company Group and that (a) in the course of Executive's employment with the Company, Executive will obtain confidential and proprietary information and trade secrets concerning the business and operations of the Company Group in the United States of America and the rest of the world that could be used to compete unfairly with the Company Group; (b) the covenants and restrictions contained in Section 8 are intended to protect the legitimate interests of the Company Group in their respective goodwill, trade secrets and other confidential and proprietary information; and (c) Executive desires to be bound by such covenants and restrictions.

9.2 Injunctive Relief. Executive acknowledges and agrees that the covenants, obligations and agreements of Executive contained in Section 8 relate to special, unique and extraordinary matters and that a violation of any of the terms of such covenants, obligations or agreements will cause the Company Group irreparable injury for which adequate remedies are not available at law. Therefore, Executive agrees that the Company shall be entitled to an injunction, restraining order or such other equitable relief (without the requirement to post bond) to restrain Executive from committing any violation of such covenants, obligations or agreements. These injunctive remedies are cumulative and in addition to any other rights and remedies the Company Group may have.

10. Entire Agreement

This Agreement constitutes the entire agreement between the Company and Executive with respect to the subject matter hereof, and supersedes all undertakings and agreements, whether oral or in writing, previously entered into by the Company and Executive with respect thereto. All prior correspondence and proposals (including, but not limited to, summaries of proposed terms) and all prior offer letters, promises, representations, understandings, arrangements and agreements relating to such subject matter (including, but not limited to, those made to or with Executive by any other person) are merged herein and superseded hereby.

11. General Provisions

11.1 Binding Effect: Assignment. This Agreement shall be binding on and inure to the benefit of the Company and its respective successors and permitted assigns. This Agreement shall also be binding on and inure to the benefit of Executive and Executive's heirs, executors, administrators and legal representatives. This Agreement shall not be assignable by any party hereto without the prior written consent of the other parties hereto, except as provided pursuant to this Section 11.1. The Company may effect such an assignment without prior written approval of Executive (i) to any direct or indirect subsidiary of the Company or (ii) upon the transfer of all or substantially all of its business and/or assets (by whatever means).

11.2 Indemnity. Section 7.2 of the Limited Liability Company Operating Agreement of Xponential Fitness, LLC, dated September 26, 2017, as amended from time to time, is incorporated by reference herein and made a part hereof, and as so incorporated, shall remain in full force and effect in accordance with its terms.

11.3 Governing Law; Waiver of Jury Trial.

11.3.1 Governing Law; Consent to Jurisdiction. This Agreement shall be governed in all respects, including as to interpretation, substantive effect and enforceability, by the internal laws of the State of California, without regard to conflicts of laws provisions thereof that would require application to the laws of another jurisdiction other than those that mandatorily apply. Each party hereby irrevocably submits to the jurisdiction of the courts of the State of California and the federal courts of the United States of America located in Orange County, California solely in respect of the interpretation and enforcement of the provisions of this Agreement and in respect of the transactions contemplated hereby. Each party hereby waives and agrees not to assert, as a defense in any action, suit or proceeding for the interpretation and enforcement hereof, or in respect of any such transaction, that such action, suit or proceeding may not be brought or is not maintainable in such courts or that the venue thereof may not be appropriate or that this Agreement may not be enforced in or by such courts. Each party hereby consents to and grants any such court jurisdiction over the person of such parties and over the subject matter of any such dispute and agree that the mailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 11.6 or in such other manner as may be permitted by law, shall be valid and sufficient service thereof.

11.3.2 Waiver of Jury Trial. Each party acknowledges and agrees that any controversy which may arise under this Agreement is likely to involve complicated and difficult issues, and therefore each party hereby irrevocably and unconditionally waives any right such party may have to a trial by jury in respect of any litigation directly or indirectly arising out of or relating to this Agreement, or the breach, termination or validity of this Agreement, or the transactions contemplated by this Agreement. Each party certifies and acknowledges that (a) no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce the foregoing waiver; (b) each such party understands and has considered the implications of this waiver; (c) each such party makes this waiver voluntarily; and (d) each such party has been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section 11.3.2

11.4 Taxes. All amounts payable and benefits provided hereunder shall be subject to any and all applicable taxes, as required by applicable Federal, state, local and foreign laws and regulations.

11.5 Amendments; Waiver. No provision of this Agreement may be modified, waived or discharged unless such modification, waiver or discharge is approved by a Person authorized by the Company and is agreed to in writing by Executive. No waiver by any party hereto at any time of any breach by any other party hereto of, or compliance with, any condition or provision of this Agreement to be performed by such other party shall be deemed a waiver of similar or dissimilar provisions or conditions at the same or at any prior or subsequent time. No waiver of any provision of this Agreement shall be implied from any course of dealing between or among the parties hereto or from any failure by any party hereto to assert its rights hereunder on any occasion or series of occasions.

11.6 Legal Advice; Severability; Blue Pencil. Executive acknowledges that Executive has been advised to seek independent legal counsel for advice regarding the effect of the provisions of this Agreement, and has either obtained such advice of independent legal counsel, or has voluntarily and without compulsion elected to enter into and be bound by the terms of this Agreement without such advice of independent legal counsel. In the event that any one or more of the provisions of this Agreement shall be or become invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not be affected thereby. Executive and the Company agree that the covenants contained in Section 8 hereof are reasonable covenants under the circumstances, and further agree that if, in the opinion of any court of competent jurisdiction such covenants are not reasonable in any respect, such court shall have the right, power and authority to excise or modify such provision or provisions of these covenants as to the court shall appear not reasonable and to enforce the remainder of these covenants as so amended.

11.7 Notices. Any notice or other communication required or permitted to be delivered under this Agreement shall be (a) in writing; (b) delivered personally, by courier service or by certified or registered mail, first class postage prepaid and return receipt requested with a copy by electronic mail; (c) deemed to have been received on the date of delivery or, if so mailed, on the third business day after the mailing thereof; and (d) addressed as follows (or to such other address as the party entitled to notice shall hereafter designate in accordance with the terms hereof):

(i) If to the Company:

(ii)If to Executive, to the last home address, or personal fax on file with the Company.

11.8 Survival. The Company and Executive hereby agree that certain provisions of this Agreement shall survive the expiration of the Employment Period in accordance with their terms, including, but not limited to, Sections 7.6, 8, 9, 10, and 11.

11.9 Further Assurances. Each party hereto agrees with the other party hereto that it will cooperate with such other party and will execute and deliver, or cause to be executed and delivered, all such other instruments and documents, and will take such other actions, as such other parties may reasonably request from time to time to effectuate the provisions and purpose of this Agreement.

11.10 Section 409A. The parties intend that any amounts payable hereunder comply with or are exempt from Section 409A of the Internal Revenue Code of 1986, as amended ("**Section 409A**") (including under Treasury Regulation §§ l.409A-l(b)(4) ("**short-term deferrals**") and (b)(9) ("**separation pay plans,**"

including the exceptions under subparagraph (iii) and subparagraph (v)(D)) and other applicable provisions of Treasury Regulation§§ 1.409A-1 through A-6). For purposes of Section 409A, each of the payments that may be made under this Agreement shall be deemed to be a separate payment for purposes of Section 409A. This Agreement shall be administered, interpreted and construed in a manner that does not result in the imposition of additional taxes, penalties or interest under Section 409A. The Company and Executive agree to negotiate in good faith to make amendments to the Agreement, as the parties mutually agree are necessary or desirable to avoid the imposition of taxes, penalties or interest under Section 409A. Neither the Company nor Executive shall have the right to accelerate or defer the delivery of any such payments or benefits except to the extent specifically permitted or required by Section 409A. Notwithstanding the foregoing, the Company does not guarantee any particular tax effect, and Executive shall be solely responsible and liable for the satisfaction of all taxes, penalties and interest that may be imposed on or for the account of Executive in connection with the Agreement (including any taxes, penalties and interest under Section 409A), and neither the Company nor any of its affiliates shall have any obligation to indemnify or otherwise hold Executive (or any beneficiary) harmless from any or all of such taxes, penalties or interest. With respect to the time of payments of any amounts under the Agreement that are "**deferred compensation**" subject to Section 409A, references in the Agreement to "**termination of employment**" (and substantially similar phrases) shall mean "**separation from service**" within the meaning of Section 409A. For the avoidance of doubt, it is intended that any expense reimbursement made to Executive hereunder shall be exempt from Section 409A. Notwithstanding the foregoing, if any expense reimbursement made hereunder shall be determined to be "**deferred compensation**" within the meaning of Section 409A, then (i) the amount of the indemnification payment or expense reimbursement during one taxable year shall not affect the amount of the expense reimbursement during any other taxable year, (ii) the expense reimbursement shall be made on or before the last day of Executive's taxable year following the year in which the expense was incurred and (iii) the right to expense reimbursement hereunder shall not be subject to liquidation or exchange for another benefit.

11.11 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument. The parties hereto agree to accept a signed facsimile copy or "**PDF**" of this Agreement as a fully binding original.

11.12 Headings. The section and other headings contained in this Agreement are for the convenience of the parties only and are not intended to be a part hereof or to affect the meaning or interpretation hereof.

Employment Agreement

This Employment Agreement (this "**Agreement**") is dated as of June 17, 2021, and is made by and between Xponential Fitness, LLC, a Delaware limited liability company (the "**Company**"), and Sarah Luna ("**Executive**").

Witnesseth:

Whereas, the Company desires to continue to employ Executive, and Executive desires to continue to be so employed, in each case, on the terms and conditions set forth herein.

Now, Therefore, in consideration of the foregoing premises and the mutual covenants and promises contained herein, and for other good and valuable consideration, the Company and Executive hereby agree as follows:

1. Agreement to Employ; No Conflicts

Upon the terms and subject to the conditions of this Agreement, the Company hereby agrees to employ Executive, and Executive hereby accepts such employment by the Company. Executive represents and warrants that (a) Executive is entering into this Agreement voluntarily, and that Executive's employment hereunder and compliance with the terms and conditions hereof will not conflict with or result in the breach by Executive of any agreement to which Executive is a party or by which Executive may be bound; b) Executive has not violated, and in connection with Executive's employment with the Company will not violate, any non-competition, non-solicitation or other similar covenant or agreement by which Executive is or may be bound; and (c) in connection with Executive's employment by the Company, Executive will not use any confidential or proprietary information Executive may have obtained in connection with Executive's employment with any prior employer.

2. Term; Position and Responsibilities

2.1 Term. Unless Executive's employment shall sooner terminate pursuant to Section 7, the Company shall employ Executive for a term commencing on the date hereof (the "**Commencement Date**") and ending on the first anniversary thereof (the "**Initial Term**"). Effective upon the expiration of the Initial Term and of each Additional Term (as defined below), unless Executive's employment shall sooner terminate pursuant to Section 7, Executive's employment hereunder shall be deemed to be automatically extended, upon the same terms and conditions, for an additional period of one year (each, an "**Additional Term**"), in each such case, commencing upon the expiration of the Initial Term or the then current Additional Term, as the case may be, unless, at least 60 days prior to the expiration of the Initial Term or such Additional Term, as the case may be, either party hereto shall have notified the other party thereto in writing that such extension shall not take effect. The period during which Executive is employed pursuant to this Agreement shall be referred to as the "**Employment Period**".

2.2 Position and Responsibilities. During the Employment Period, Executive shall serve as the President of the Company, reporting to Chief Executive Officer of the Company and/or of a parent entity of the Company (the "**CEO**") or his or her designee. Executive may also be designated an officer title of the parent or subsidiary entities of the Company, if the Company desires to continue to employ Executive, and Executive desires to continue to be so employed, in each case, on the terms and conditions set forth herein. Executive shall have such duties and responsibilities as are customarily assigned to individuals serving in such position, and such other duties consistent with Executive's position. Executive shall devote all of Executive's skill, knowledge and business time to the conscientious performance of such duties and responsibilities, except for vacation time (as set forth in Section 6.2), absence for sickness or similar disability of himself or an immediate family member as allowed by law, and time spent performing services for any charitable, religious or community organizations, so long as such services do not materially interfere with the performance of Executive's duties hereunder.

3. Base Salary

As compensation for the services to be performed by Executive during the Employment Period, the Company shall pay Executive a base salary at an annualized rate of $325,000, payable in periodic installments on the Company's regular payroll dates. The Board of Managers of the Company or the governing board of directors of the ultimate parent of the Company (such applicable board, the "**Board**") will review Executive's base salary annually during the Employment Period (but will not decrease such base salary). The annual base salary payable to Executive under this Section 3, as the same may be increased from time to time, shall here in after be referred to as the "**Base Salary**".

4. Annual Bonus

Beginning with the 2021 calendar year, and for each subsequent calendar year of the Company that ends during the Employment Period, Executive shall be entitled to (i) an annual cash bonus opportunity of 50% of Base Salary (pro-rated for any partial calendar year) (the "**Bonus**"), paid following the close of each applicable calendar year in arrears, which shall be payable if the EBITDA performance targets set by the Board for the applicable calendar year are met. Such bonus shall be payable after completion of the audit for such calendar year, but in no event later than 90 days of the subsequent calendar year to which such Bonus relates. Notwithstanding anything to the contrary contained in this Agreement or any applicable bonus plan, program or arrangement, Executive shall be eligible to receive any such Bonus only if Executive is actively employed by the Company on the Bonus payout date.

5. Employee Benefits

During the Employment Period, Executive (and, to the extent eligible, Executive's dependents and beneficiaries) shall be entitled to participate in any defined contribution plan, any insurance program and any medical and other health benefit plan, in each case, sponsored by the Company for its executive-level employees on terms and conditions set forth in such programs and plans (as amended from time to time); provided, that if Executive elects to not participate in the Company's medical or dental plans, the Company shall continue to pay for Executive's current medical and dental plan (or any reasonable equivalent plan acceptable to Executive) in lieu of participating in any such plans; provided, however, that the Company's payment of medical and dental plan premiums will be taxable as wages to Executive if and to the extent such payments would result in the imposition of excise taxes on the Company for the failure to comply with the nondiscrimination requirements of the Patient Protection and Affordable Care Act of 2010, as amended, and the Health Care and Education Reconciliation Act of 2010, as amended.

6. Expenses; Vacation

6.1 Business Travel, Lodging, etc. The Company shall reimburse Executive for all other reasonable travel, lodging, meal and other reasonable expenses incurred by Executive in connection with Executive's performance of services hereunder upon submission of evidence, satisfactory to the Company, of the incurrence and purpose of each such expense, and otherwise in accordance with the Company's Board approved expense policy applicable to its employees as in effect from time to time.

6.2 Vacation. During the Employment Period, Executive shall be entitled to paid vacation in accordance with a Board approved vacation policy, as may be amended from time to time and which is incorporated herein by this reference.

7. Termination of Employment

7.1 Termination Due to Death or Disability. During the Employment Period, Executive's employment shall automatically terminate in the event of Executive's death, and may be terminated by the Company due to Executive's Disability. For purposes of this Agreement, "**Disability**" shall mean a physical or mental disability that prevents, regardless of any reasonable accommodation, the performance by Executive of Executive's duties for a continuous period of 90 days or longer, or for 180 days or more in any 12-month period.

7.2 Termination by the Company. The Company may terminate Executive's employment with the Company with or without Cause. For purposes of this Agreement, "**Cause**" shall mean the following events or conditions, as determined by the Board in its reasonable judgment: (a) any failure by Executive to substantially perform Executive's duties hereunder (other than any such breach or failure due to Executive's physical or mental illness) and the continuance of such failure for more than 30 days following Executive's receipt of written notice from the Company, which notice shall set forth in reasonable detail the facts or circumstances constituting such failure; (b) any failure by Executive to cooperate, if reasonably requested by the Company, with any investigation or inquiry into Executive's or the Company's business practices, whether internal or external, including, but not limited to, Executive's refusal to be deposed or to provide testimony at any trial or inquiry and the continuance of such failure for more than 30 days following Executive's receipt of written notice from the Company, which notice shall set forth in reasonable detail the facts or circumstances constituting such failure; (c) Executive's engaging in fraud, willful misconduct, or dishonesty that has caused or is reasonably expected to result in material injury to the Company or any of its affiliates; (d) any material breach by Executive of any fiduciary duty owed to the Company or any of its affiliates; (e) Executive's conviction of, or entering a plea of guilty or nolo contendere to, a crime that constitutes a felony; or (f) any material breach by Executive of any of Executive's obligations hereunder or under any other written agreement or covenant with the Company or any of its affiliates and the continuance of such failure for more than 30 days following Executive's receipt of written notice from the Company, which notice shall set forth in reasonable detail the facts or circumstances constituting such failure. A termination for Cause shall include a reasonable determination by the Company following the termination of the Employment Period that circumstances existed during the Employment Period that would have justified a termination by the Company for Cause.

7.3 Termination by Executive. Executive may terminate Executive's employment with the Company with or without Good Reason. For purposes of this Agreement, "**Good Reason**" shall mean a termination by Executive of Executive's employment hereunder (a) any of the following events occur without Executive's express prior written consent; (b) within 60 days after Executive learns of the occurrence of such event, Executive gives written notice to the Company describing such event and demanding cure; and (c) such event is not fully cured within 30 days after such notice is given: (i) a material diminution in Executive's Base Salary, (ii) the assignment to Executive of duties that are significantly different from, and that result in a substantial diminution of, the duties or authority that Executive is to assume on the Commencement Date, or (iii) a material breach of this Agreement by the Company.

7.4 Notice of Termination. Any termination of Executive's employment by the Company pursuant to Section 7.1 (other than in the event of Executive's death) or Section 7.2 or by Executive pursuant to Section 7.3 shall be communicated by a personally delivered written Notice of Termination addressed to the other party to this Agreement. A "**Notice of Termination**" shall mean a notice stating that Executive's employment with the Company has been or will be terminated and the specific provisions of this Section 7 under which such termination is being effected.

7.5 Date of Termination. As used in this Agreement, the term "**Date of Termination**" shall mean (a) if Executive's employment is terminated by Executive's death, the date of Executive's death; (b) if Executive's employment is terminated by the Company pursuant to Section 7.1 due to Executive's Disability, 30 days after the date on which the Notice of Termination is given; provided, that, if Executive shall have returned to the performance of Executive's duties on a full-time basis during such 30-day period, such Notice of Termination shall be of no force or effect; (c) if Executive's employment is terminated by the Company for Cause or by Executive for Good Reason, the date any applicable cure period expires (and, if there is no applicable cure period, the date specified in the Notice of Termination): provided, that if a party is entitled to cure the nature of such termination and so cures prior to the expiration of the applicable cure period, the Notice of Termination provided to such curing party shall be of no force or effect; or (d) if Executive's employment is terminated for any other reason, the date specified in the Notice of Termination (which shall be 30 days after the date of such notice) and, if no such notice is given, 30 days after the date of termination of employment.

7.6 Payments Upon Certain Terminations.

7.6.1 Termination Without Cause or for Good Reason. If (a) the Company shall terminate Executive's employment without Cause or (b) Executive shall terminate Executive's employment for Good Reason, in each case, during the Employment Period, the Company shall pay to Executive:

(i) any accrued and unpaid Base Salary and accrued and unused vacation earned through the Date of Termination, which shall be paid on the tenth day after the Date of Termination (or if such day is not a business day, the next business day after such day); plus

(ii) as severance payments and provided that Executive executes and delivers (and does not revoke) a general release of all claims in form and substance satisfactory to the Company within 60 days following the Date of Termination, Base Salary for six (6) months, which shall be paid in periodic installments on the Company's regular payroll dates, beginning with the next payroll date immediately following the expiration of the 60th day following the Date of Termination (which first payment shall include any payments of Base Salary that should have been made during such 60-day period but for the 60-day release consideration period).

7.6.2 Termination for Any Other Reason. If Executive's employment is terminated for any reason other than those specified in Section 7.6.1 during the Employment Period, the Company shall pay Executive on the tenth day after the Date of Termination or the expiration of the Employment Period, as the case may be (or, if such day is not a business day, the next business day after such day), accrued and unpaid Base Salary and accrued and unused vacation earned through the Date of Termination.

7.6.3 Effect of Termination on Other Plans and Programs. In the event that Executive's employment with the Company is terminated for any reason, Executive shall be entitled to receive all amounts payable and benefits accrued under any otherwise applicable plan, policy, program or practice of the Company in which Executive was a participant immediately prior to the Date of Termination in accordance with the terms thereof; provided, that, if Executive's employment is terminated without Cause or for Good Reason, Executive shall not be entitled to receive any payments or benefits under any such plan, policy, program or practice providing any severance or cash bonus compensation, and the provisions of this Section 7.6 shall supersede such provisions of any such plan, policy, program or practice.

7.7 Resignation Upon Termination. Effective as of any Date of Termination or otherwise as of the date of Executive's termination of employment with the Company, Executive shall resign, in writing, from all positions then held by Executive with the Company and its affiliates unless otherwise requested by the Company and agreed to by Executive.

7.8 Cessation of Professional Activity. Upon delivery of a Notice of Termination by either party or a notice pursuant to Section 2.1, the Company may relieve Executive of Executive's responsibilities described in Section 2.2 and require Executive to immediately cease all professional activity on behalf of the Company, without such action constituting a termination of Executive's employment by the Company without Cause or giving grounds for Executive to terminate for Good Reason.

8. Restrictive Covenants

8.1 Unauthorized Disclosure. During the Employment Period and following any termination thereof, without the prior written consent of the Company, except to the extent required by an order of a court having competent jurisdiction or under subpoena from an appropriate government agency, in which event Executive shall use Executive's best efforts to consult with the Company prior to responding to any such order or subpoena, and except as required in performance of Executive's duties hereunder, Executive shall not use or disclose any confidential or proprietary trade secrets, customer lists, drawings, designs, marketing plans, management organization information (including, but not limited to, data and other information relating to members of the boards of directors of the Company, its parent or any subsidiary or affiliate thereof (the Company, its parent and their respective subsidiaries and affiliates, the "**Company Group**"), the Company Group, or to the management of the Company Group), operating policies or manuals, business plans, financial records, or other financial, commercial, business or technical information) relating to the Company Group or that the Company Group may receive belonging to customers or others who do business with the Company Group (collectively, "**Confidential Information**") to any third Person (as defined below) unless such Confidential Information has been previously disclosed to the public generally, is in the public domain, or has been rightfully received by Executive from a third party who is authorized to make such disclosure, in each case, other than by reason of Executive's breach of this Section 8.1. For purposes of this Agreement, "**Person**" shall mean any natural person, partnership, limited liability company, association, corporation, company, trust, business trust, governmental authority or other entity.

8.2 Non-Solicitation of Employees. During the period beginning on the Commencement Date and ending twelve months after the termination of Executive's employment with the Company (the "**Restriction Period**"), Executive shall not, directly or indirectly, for Executive's own account or for the account of any other Person, in any jurisdiction in which the Company Group has commenced during the Employment Period, (j) solicit for employment any natural person throughout the world who is or was employed by or otherwise engaged to perform services for the Company Group (x) at any time during the Employment Period (in the case of such prohibited activity occurring during such time) or (y) during the twelve month period preceding such prohibited activity (in the case of such prohibited activity occurring during the Restriction Period but after the date of Executive's termination of employment with the Company), other than any such solicitation on behalf of the Company Group during the Employment Period; or (ii) induce any employee of the Company Group to engage in any activity which Executive is prohibited from engaging in under any of this Section 8 or to terminate such employee's employment with the Company.

8.3 Non-Solicitation of Business Relationships. During the Employment Period, Executive shall not, directly or indirectly, for Executive's own account or for the account of any other Person, in any jurisdiction in which the Company Group has commenced or has actively made plans to commence operations, solicit, interfere with, or otherwise attempt to establish any business relationship of a nature that is competitive with the business or relationship of the Company Group with any Person throughout the world which is or was a customer, client or franchisee of the Company Group, other than any such activity on behalf of or at the request of the Company Group.

8.4 Works for Hire.

8.4.1 Generally. Executive agrees that the Company shall own all right, title and interest (including, but not limited to, patent rights, copyrights, trade secret rights and other rights throughout the world) in any inventions, works of authorship, ideas or information made or conceived or reduced to practice, in whole or in part, by Executive (either alone or with others) during the Employment Period (collectively "**Developments**"); provided, however, that the Company shall not own Developments for which no equipment, supplies, facility, trade secret information or Confidential Information of the Company was used and which were developed entirely on Executive's time, and (A) which do not relate (I) to the business of the Company Group or (II) to the actual or demonstrably anticipated research or development of the Company Group, and (B) which do not result from any work performed by Executive for the Company.

8.4.2 Disclosure; Assignment. Subject to Section 8.4.1, Executive will promptly and fully disclose to the Company, or any persons designated by it, any and all Developments made or conceived or reduced to practice or learned by Executive, either alone or jointly with others during the Employment Period. Executive hereby assigns all right, title and interest in and to any and all of these Developments to the Company. Executive shall further assist the Company, at the Company's expense, to further evidence, record and perfect such assignments, and to perfect, obtain, maintain, enforce, and defend any rights specified to be so owned or assigned. Executive hereby irrevocably designates and appoints the Company and its agents as attorneys-in-fact to act for and on Executive's behalf to execute and file any document and to do all other lawfully permitted acts to further the purposes of the foregoing with the same legal force and effect as if executed by Executive.

8.4.3 Copyright Act; Moral Rights. In addition, and not in contravention of Section 8.4.1 or Section 8.4.2, Executive acknowledges that all original works of authorship which are made by him (solely or jointly with others) within the scope of employment and which are protectable by copyright are "**works made for hire,**" as that term is defined in the United States Copyright Act (17 USC §101). To the extent allowed by law, this Section 8.4.3 includes all rights of paternity, integrity, disclosure and withdrawal and any other rights that may be known as or referred to "**moral rights**" (collectively, "**Moral Rights**"). To the extent Executive retains any such Moral Rights under applicable law, Executive hereby waives such Moral Rights and consents to any action consistent with the terms of this Agreement with respect to such Moral Rights, in each case, to the full extent of such applicable law. Executive will confirm any such waivers and consents from time to time as requested by the Company.

8.4.4 Authorized Disclosure. Section 1883(b) of Title 18 of the United States Code states "An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that (i) is made (ii) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney and (hl solely for the purposes of reporting or investigating a suspended violation of law or (iii) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal." Accordingly, the Company and Executive have the right to disclose in confidence trade secrets to Federal, State, and local government officials, or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law. The Company and Executive also have the right to disclose trade secrets in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal and protected from public disclosure. Nothing in this Agreement is intended to conflict with Section l 883(b) of Title 18 of the United States Code or create liability for disclosures of trade secrets that are expressly allowed by Section l 883(b) of Title 18 of the United States Code.

8.4.5 Section 2870 of the California Labor Code. Notwithstanding anything to the contrary contained in this Agreement, Executive may use Executive's own ideas, knowledge, and experience to develop Developments that qualify under the provisions of Section 2870 of the California Labor Code, which provisions are set forth below, and all rights to such Developments that qualify under Section 2870 and are so developed shall belong solely to Executive; provided, that such Developments are developed without the use of Company resources and outside of the scope of the services provided under this Agreement. Section 2870 of the California Labor Code reads in its entirety, as follows: "(a) Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for inventions that either: (1) Relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably anticipated research or development of the employer; or (2) Result from any work performed by the employee for the employer; (b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable".

8.5 Nondisparagement. Executive agrees that Executive shall neither, directly or indirectly, engage in any conduct or make any statement (including through social media) disparaging or criticizing in any way the Company Group, or any of their personnel, nor engage in any other conduct or make any other statement that could be reasonably expected to impair the goodwill or the reputation of the Company Group, in each case, except to the extent required by law, and then only after consultation with the Company to the extent possible. The Company Group agrees that it shall instruct the directors and officers of the Company not to, directly or indirectly, engage in any conduct or make any statement (including through social media) disparaging or criticizing Executive in any way, nor engage in any other conduct or make any other statement that could be reasonably expected to impair the goodwill or the reputation of Executive, in each case, except to the extent required by law, and then only after consultation with Executive to the extent possible.

8.6 Return of Documents. In the event of the termination of Executive's employment, Executive shall deliver to the Company (a) all property of the Company Group then in Executive's possession; and (b) all documents and data of any nature and in whatever medium of the Company Group, and Executive shall not take with Executive any such property, documents or data or any reproduction thereof, or any documents containing or pertaining to any Confidential Information.

8.7 Confidentiality of Agreement; Governmental Agency Exception. The parties to this Agreement agree not to disclose its terms to any Person, other than their attorneys, accountants, financial advisors or, in Executive's case, members of Executive's immediate family or, in the Company's case, for any reasonable purpose that is reasonably related to its business operations: provided, that this Section 8.7 shall not be construed to prohibit any disclosure required by law or in any proceeding to enforce the terms and conditions of this Agreement. Notwithstanding anything to the contrary contained in this Agreement, this Agreement does not limit Executive's ability to communicate with any government agency or otherwise participate in any investigation or proceeding that may be conducted by any government agency, including providing documents or other information, without notice to the Company or its affiliates. This Agreement does not limit Executive's right to receive an award for information provided to any government agencies.

9. Certain Acknowledgments; Injunctive Relief with Respect to Covenants

9.1 Certain Acknowledgements. Executive acknowledges and agrees that Executive will have a prominent role in the development of the goodwill of the Company Group, and has and will establish and develop relations and contacts with the principal business relationships of the Company Group in the United States of America and the rest of the world, all of which constitute valuable goodwill of, and could be used by Executive to compete unfairly with, the Company Group and that (a) in the course of Executive's employment with the Company, Executive will obtain confidential and proprietary information and trade secrets concerning the business and operations of the Company Group in the United States of America and the rest of the world that could be used to compete unfairly with the Company Group; (b) the covenants and restrictions contained in Section 8 are intended to protect the legitimate interests of the Company Group in their respective goodwill, trade secrets and other confidential and proprietary information; and (c) Executive desires to be bound by such covenants and restrictions.

9.2 Injunctive Relief. Executive acknowledges and agrees that the covenants, obligations and agreements of Executive contained in Section 8 relate to special, unique and extraordinary matters and that a violation of any of the terms of such covenants, obligations or agreements will cause the Company Group irreparable injury for which adequate remedies are not available at law. Therefore, Executive agrees that the Company shall be entitled to an injunction, restraining order or such other equitable relief (without the requirement to post bond) to restrain Executive from committing any violation of such covenants, obligations or agreements. These injunctive remedies are cumulative and in addition to any other rights and remedies the Company Group may have.

10. Entire Agreement

This Agreement constitutes the entire agreement between the Company and Executive with respect to the subject matter hereof, and supersedes all undertakings and agreements, whether oral or in writing, previously entered into by the Company and Executive with respect thereto. All prior correspondence and proposals (including, but not limited to, summaries of proposed terms) and all prior offer letters, promises, representations, understandings, arrangements and agreements relating to such subject matter (including, but not limited to, those made to or with Executive by any other person) are merged herein and superseded hereby.

11. General Provisions

11.1 Binding Effect: Assignment. This Agreement shall be binding on and inure to the benefit of the Company and its respective successors and permitted assigns. This Agreement shall also be binding on and inure to the benefit of Executive and Executive's heirs, executors, administrators and legal representatives. This Agreement shall not be assignable by any party hereto without the prior written consent of the other parties hereto, except as provided pursuant to this Section 11.1. The Company may effect such an assignment without prior written approval of Executive (i) to any direct or indirect subsidiary of the Company or (ii) upon the transfer of all or substantially all of its business and/or assets (by whatever means).

11.2 Indemnity. Section 7.2 of the Limited Liability Company Operating Agreement of Xponential Fitness, LLC, dated September 26, 2017, as amended from time to time, is incorporated by reference herein and made a part hereof, and as so incorporated, shall remain in full force and effect in accordance with its terms.

11.3 Governing Law; Waiver of Jury Trial.

11.3.1 Governing Law; Consent to Jurisdiction. This Agreement shall be governed in all respects, including as to interpretation, substantive effect and enforceability, by the internal laws of the State of California, without regard to conflicts of laws provisions thereof that would require application to the laws of another jurisdiction other than those that mandatorily apply. Each party hereby irrevocably submits to the jurisdiction of the courts of the State of California and the federal courts of the United States of America located in Orange County, California solely in respect of the interpretation and enforcement of the provisions of this Agreement and in respect of the transactions contemplated hereby. Each party hereby waives and agrees not to assert, as a defense in any action, suit or proceeding for the interpretation and enforcement hereof, or in respect of any such transaction, that such action, suit or proceeding may not be brought or is not maintainable in such courts or that the venue thereof may not be appropriate or that this Agreement may not be enforced in or by such courts. Each party hereby consents to and grants any such court jurisdiction over the person of such parties and over the subject matter of any such dispute and agree that the mailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 11.6 or in such other manner as may be permitted by law, shall be valid and sufficient service thereof.

11.3.2 Waiver of Jury Trial. Each party acknowledges and agrees that any controversy which may arise under this Agreement is likely to involve complicated and difficult issues, and therefore each party hereby irrevocably and unconditionally waives any right such party may have to a trial by jury in respect of any litigation directly or indirectly arising out of or relating to this Agreement, or the breach, termination or validity of this Agreement, or the transactions contemplated by this Agreement. Each party certifies and acknowledges that (a) no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce the foregoing waiver; (b) each such party understands and has considered the implications of this waiver; (c) each such party makes this waiver voluntarily; and (d) each such party has been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section 11.3.2

11.4 Taxes. All amounts payable and benefits provided hereunder shall be subject to any and all applicable taxes, as required by applicable Federal, state, local and foreign laws and regulations.

11.5 Amendments; Waiver. No provision of this Agreement may be modified, waived or discharged unless such modification, waiver or discharge is approved by a Person authorized by the Company and is agreed to in writing by Executive. No waiver by any party hereto at any time of any breach by any other party hereto of, or compliance with, any condition or provision of this Agreement to be performed by such other party shall be deemed a waiver of similar or dissimilar provisions or conditions at the same or at any prior or subsequent time. No waiver of any provision of this Agreement shall be implied from any course of dealing between or among the parties hereto or from any failure by any party hereto to assert its rights hereunder on any occasion or series of occasions.

11.6 Legal Advice; Severability; Blue Pencil. Executive acknowledges that Executive has been advised to seek independent legal counsel for advice regarding the effect of the provisions of this Agreement, and has either obtained such advice of independent legal counsel, or has voluntarily and without compulsion elected to enter into and be bound by the terms of this Agreement without such advice of independent legal counsel. In the event that any one or more of the provisions of this Agreement shall be or become invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not be affected thereby. Executive and the Company agree that the covenants contained in Section 8 hereof are reasonable covenants under the circumstances, and further agree that if, in the opinion of any court of competent jurisdiction such covenants are not reasonable in any respect, such court shall have the right, power and authority to excise or modify such provision or provisions of these covenants as to the court shall appear not reasonable and to enforce the remainder of these covenants as so amended.

11.7 Notices. Any notice or other communication required or permitted to be delivered under this Agreement shall be (a) in writing; (b) delivered personally, by courier service or by certified or registered mail, first class postage prepaid and return receipt requested with a copy by electronic mail; (c) deemed to have been received on the date of delivery or, if so mailed, on the third business day after the mailing thereof; and (d) addressed as follows (or to such other address as the party entitled to notice shall hereafter designate in accordance with the terms hereof):

(ii) If to Executive, to the last home address, or personal fax on

11.8 Survival. The Company and Executive hereby agree that certain provisions of this Agreement shall survive the expiration of the Employment Period in accordance with their terms, including, but not limited to, Sections 7.6, 8, 9, 10, and 11.

11.9 Further Assurances. Each party hereto agrees with the other party hereto that it will cooperate with such other party and will execute and deliver, or cause to be executed and delivered, all such other instruments and documents, and will take such other actions, as such other parties may reasonably request from time to time to effectuate the provisions and purpose of this Agreement.

11.10 Section 409A. The parties intend that any amounts payable hereunder comply with or are exempt from Section 409A of the Internal Revenue Code of 1986, as amended ("**Section 409A**") (including under Treasury Regulation §§l.409A-l(b)(4) ("**short-term deferrals**") and (b)(9) ("**separation pay plans,**" including the exceptions under subparagraph (iii) and subparagraph (v)(D)) and other applicable provisions of Treasury Regulation§§ 1.409A-1 through A-6). For purposes of Section 409A, each of the payments that may be made under this Agreement shall be deemed to be a separate payment for purposes of Section 409A. This Agreement shall be administered, interpreted and construed in a manner that does not result in the imposition of additional taxes, penalties or interest under Section 409A. The Company and Executive agree to negotiate in good faith to make amendments to the Agreement, as the parties mutually agree are necessary or desirable to avoid the imposition of taxes, penalties or interest under Section 409A. Neither the Company nor Executive shall have the right to accelerate or defer the delivery of any such payments or benefits except to the extent specifically permitted or required by Section 409A. Notwithstanding the foregoing, the Company does not guarantee any particular tax effect, and Executive shall be solely responsible and liable for the satisfaction of all taxes, penalties and interest that may be imposed on or for the account of Executive in connection with the Agreement (including any taxes, penalties and interest under Section 409A), and neither the Company nor any of its affiliates shall have any obligation to indemnify or otherwise hold Executive (or any beneficiary) harmless from any or all of such taxes, penalties or interest. With respect to the time of payments of any amounts under the Agreement that are "**deferred compensation**" subject to Section 409A, references in the Agreement to "**termination of employment**" (and substantially similar phrases) shall mean "**separation from service**" within the meaning of Section 409A. For the avoidance of doubt, it is intended that any expense reimbursement made to Executive hereunder shall be exempt from Section 409A. Notwithstanding the foregoing, if any expense reimbursement made hereunder shall be determined to be "**deferred compensation**" within the meaning of Section 409A, then (i) the amount of the indemnification payment or expense reimbursement during one taxable year shall not affect the amount of the expense reimbursement during any other taxable year, (ii) the expense reimbursement shall be made on or before the last day of Executive's taxable year following the year in which the expense was incurred and (iii) the right to expense reimbursement hereunder shall not be subject to liquidation or exchange for another benefit.

11.11 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument. The parties hereto agree to accept a signed facsimile copy or "**PDF**" of this Agreement as a fully binding original.

11.12 Headings. The section and other headings contained in this Agreement are for the convenience of the parties only and are not intended to be a part hereof or to affect the meaning or interpretation hereof.

3.3 Rights as Members. Upon the grant of an Award pursuant to the Plan, the Participant shall have, unless otherwise provided by the Administrator, all the rights and obligations of a Class B Member with respect to said Award as provided in the LLC Agreement, subject to the restrictions in his or her Award Agreement. As set forth in the LLC Agreement, the Participants shall not, by virtue of their holding Awards, have the right to vote or otherwise influence or control the management or operation of the Company.

ARTICLE 4.

RESTRICTIONS ON AWARDS

4.1 Cancellation and Repurchase of Awards. Incentive Units granted under any Award Agreement shall be subject to the cancellation and repurchase provisions set forth therein;

provided, that the Administrator may provide separate cancellation or repurchase terms in an individual Award Agreement as the Administrator may then determine.

4.2 Additional Restrictions on Units. In addition to any restrictions contained in the Plan, an Award Agreement and/or the LLC Agreement, the Incentive Units shall be subject to restrictions on transfer pursuant to applicable securities laws and other such laws, including applicable regulations or agreements as contemplated by Section 3.2 as the Administrator shall deem appropriate.

ARTICLE 5.

ADMINISTRATION

5.1 Administration. The Plan shall be administrated by the Board of Managers or any committee of the Board of Managers to which such authority is delegated by the Board of Managers (the "Administrator").

5.2 Duties and Powers of Administrator. It shall be the duty of the Administrator to conduct the general administration of the Plan in accordance with its provisions. The Administrator shall have the power to interpret the Plan and the Award Agreements pursuant to which Awards are issued, and to adopt such rules for the administration, interpretation, and application of the Plan as are consistent therewith and to interpret, amend or revoke any such rules. Any Award under the Plan need not be the same with respect to each Participant.

5.3 Administrator Action. The Administrator shall act in accordance with the terms and conditions set forth in the LLC Agreement.

5.4 Professional Assistance: Good Faith Actions; Compensation. All expenses and liabilities which the Administrator incurs in connection with the administration of the Plan shall be borne by the Company. The Administrator may employ attorneys, accountants, appraisers, brokers, or other Persons in connection with the administration of the Plan. The Administrator, the Company and the Company's officers shall be entitled to rely upon the advice, opinions or valuations of any such Persons. All actions taken and all interpretations and determinations made by the Administrator in good faith shall be final, binding and conclusive upon all Participants, the Company and all other interested Persons. No members of the Administrator shall be personally liable for any action, determination or interpretation made in good faith with respect to the Plan, including grant of Awards, and all members of the Administrator shall be fully protected by the Company in respect of any such action, determination or interpretation. The members of the Administrator shall serve without compensation for their services to the Plan.

ARTICLE 6.

GENERAL PROVISIONS

6.1 Restrictions on Transfer of Awards. Each Award granted to a Participant under the Plan is subject to the terms of the Award Agreement pursuant to which such Award was issued and the LLC Agreement. Any permitted transferee of an Award shall take such Award subject to the terms of the Plan, the Award Agreement pursuant to which such Award was issued, and the LLC Agreement and any applicable employment agreement with the Participant. Any such permitted transferee must, upon the request of the Company, agree to be bound by the Plan, the Award Agreement pursuant to which such Award was issued, and the LLC Agreement, and shall execute the same on request, and must agree to such other waivers, limitations, and restrictions as the Company may reasonably require. Any transfer of an Award which is not made in compliance with the Plan, the LLC Agreement and the Award Agreement pursuant to which such Award was issued shall be null and void and of no effect.

6.2 Amendment, Suspension or Termination of the Plan. The Plan may be wholly or partially amended or otherwise modified, suspended or terminated at any time and from time to time by the Administrator without the consent of the Participants or the Members; *provided*, *however*, that no such amendment, suspension or termination shall be made which would have a material adverse effect on the rights of Participants who have vested Incentive Units. No Award may be granted during any period of suspension or after termination of the Plan.

6.3 Changes in Capitalization. In the event that the Administrator determines, in its sole discretion, that any Adjustment Event affects the Incentive Units, then the Administrator shall, in such manner as it may deem equitable, adjust the number and kind of equity securities authorized for grant under the Plan and make such other equitable adjustments to any Award as it may deem appropriate with respect to any event described in this Section 6.3. Notwithstanding anything to the contrary contained in the LLC Agreement, the Plan or any applicable Award Agreement, no allocations or distributions under the LLC Agreement or otherwise will be made to any Participant unless and until (a) the Participation Threshold applicable to such Participant's Class B Units (determined on a Unit by Unit basis) has been reduced to zero in accordance with the LLC Agreement (which, notwithstanding anything to the contrary contained in the LLC Agreement, the Participation Threshold will not be reduced by any tax distributions made under the LLC Agreement) and (b) the Class A Members, pro rata in proportion to their Unpaid Priority Return with respect to their Class A Units, have received aggregate distributions under Article V of the LLC Agreement in an amount equal to the Unpaid Priority Return of each such member with respect to its Class A Units has been reduced to zero. Any such forgone distributions will be made to the other Members in accordance with Article V of the LLC Agreement (taking into account the immediately preceding sentence). Determinations and adjustments made by the Administrator pursuant to this Section 6.3 shall be final, binding and conclusive.

6.4 Payment of Taxes. The Company and its Subsidiaries shall be entitled to require payment in cash or deduction from other compensation payable to each Participant of any sums required by federal, state or local tax law to be withheld with respect to the issuance, vesting, transfer, sale or payment on account of any Award and may otherwise require each Participant to pay to Company or any of its Subsidiaries (or to any relevant taxing authority) any employment or other taxes or charges that are intended to be borne by such Participant, under applicable law or otherwise.

6.5 Effect of Plan Upon Compensation Plans. The adoption of the Plan shall not affect any other compensation or incentive plans in effect for the Company or any Parent or Subsidiary of the Company. Nothing in the Plan shall be construed to limit the right of the Company (a) to establish any other forms of incentives or compensation for Employees or (b) to grant or assume equity interest rights otherwise than under the Plan in connection with any proper business purpose including, without limitation, the grant or assumption of equity interests, in connection with the acquisition by purchase, lease, merger, consolidation or otherwise, of the business, stock or assets of any corporation, partnership, limited liability company, firm or association.

6 . 6 Compliance with Laws. The Plan, the granting and vesting of Awards under the Plan, the issuance and delivery of Incentive Units pursuant to the Awards, and the payment of money under the Plan or under the Awards granted hereunder are subject to compliance with all applicable federal and state laws, rules and regulations (including, but not limited to, state and federal securities law and federal margin requirements) and to such approvals by any listing, regulatory or governmental authority as may, in the opinion of counsel for the Company, be necessary or advisable in connection therewith. Any securities delivered under the Plan shall be subject to such restrictions, and the Person acquiring such securities shall, if requested by the Company, provide such assurances and representations to the Company, as the Company may deem necessary or desirable to assure compliance with all applicable legal requirements. To the extent permitted by applicable law, the Plan and any Awards hereunder shall be deemed amended to the extent necessary to conform to such laws, rules and regulations.

6.7 No Guarantee of Service or Participation. Nothing in the Plan shall interfere with or limit in any way the right of the Company or any Affiliate thereof to terminate any Participant's services at any time and for any reason, nor confer upon any Participant any right to continue in the service of the Company or any Affiliate thereof. In addition, if any Participant's services to the Company or any of its Affiliates shall be terminated for any reason, such Participant shall not be eligible for any compensation or remuneration with respect to such termination (except as otherwise expressly provided in this Plan, any applicable Award Agreement or the LLC Agreement) to compensate such Participant for the loss of any rights under the Plan notwithstanding any provision to the contrary contained in the Participant's contract of employment. No director, officer or key employee of, or consultant to, the Company or any Subsidiary shall have a right to be selected as a Participant or, having been so selected, to receive any Incentive Units. The Administrator may establish different terms and conditions for different Participants receiving Incentive Units and for the same Participant for each Incentive

Unit such Participant may receive, whether or not granted at different times. The grant of any Incentive Unit to any director, officer or key employee of, or consultant to, the Company or any Subsidiary shall neither entitle such Person to, nor disqualify that Person from, the grant of any other Incentive Units. The Administrator's selection of a director, officer or key employee of, or consultant to, the Company or any Subsidiary as a Participant shall neither entitle such Person to, nor disqualify such Person from, participation in any other incentive plan of the Company or any of its Affiliates.

6.8 No Limitation on Compensation. Nothing in the Plan shall be construed to limit the right of the Company or any of its Affiliates to establish other plans or to pay compensation to its employees in cash or property.

6.9 No Impact on Benefits. Incentive Units shall not be treated as compensation for purposes of calculating a Participant's rights under any employee benefit plan.

6.10 Freedom of Action. Subject to Section 6.2, nothing in the Plan shall be construed as limiting or preventing the Company or any of its Affiliates from taking any action with respect to the operation or conduct of its business that it deems appropriate or in its best interest.

6.11 Headings. Headings are provided herein for convenience only and are not to serve as a basis for interpretation or construction of the Plan.

6.12 Governing Law. The Plan and any agreements hereunder shall be administered, interpreted and enforced under the internal laws of the State of Delaware without regard to conflicts of laws thereof.

Any determination, interpretation or other action made or taken (including, but not limited to, any failure to make any determination or interpretation, or failure to make or take any other action) by the Committee pursuant to the provisions of the Plan shall be final, binding and conclusive for all purposes and upon all persons, and shall be given deference in any proceeding with respect thereto. The Committee

may consult with legal counsel, who may be counsel to the Company, and shall not incur any liability for any action taken in reliance upon the advice of counsel. It is intended that the Phantom Units comply with the application of section 409A of the Code and shall be construed as such.

Article IV
Phantom Units Subject to Plan

Section 4.01 *Number*. Subject to Section 4.03, the number of Phantom Units granted under the Plan may not exceed 52,632 Phantom Units.

Section 4.02 *Cancelled, Terminated or Forfeited Phantom Units*. Any Phantom Units that for any reason expire or are cancelled, terminated, forfeited, substituted for, repurchased by the Company or otherwise settled without consideration shall again be available for award under the Plan.

Section 4.03 *Adjustments in Capitalization*. The number of Phantom Units available for grant under Section 4.01 shall be proportionately adjusted to reflect, as deemed equitable and appropriate by the Committee, each Adjustment Event. To the extent deemed equitable and appropriate by the Committee, and subject to any required action by Unit holders, in any reorganization, merger, consolidation, split-up, spin-off, combination, exchange of Units or other similar event, Phantom Units shall pertain to the securities or other property to which a holder of one Unit would have been entitled to receive in connection with such event.

Article V
Phantom Units

Section 5.01 *Power to Grant.* The Committee shall have the discretionary authority, subject to the terms of the Plan, to determine (i) the managers, officers or key employees of, or consultants to, the Company or any Subsidiary who shall become Participants and to whom Phantom Units shall be granted; (ii) the date or dates on which Phantom Units shall be granted; (iii) the number of Phantom Units granted to each Participant; (iv) the Base Amount of the Phantom Unit; (v) the conditions upon which the Phantom Units or any portion thereof shall become and remain vested, if any, including, without limitation, upon the performance of a minimum period of service or the satisfaction of performance goals; (vi) the treatment of the Phantom Units upon any termination of the Participant's services to the Company and the Subsidiaries, and upon any Change of Control; and (vii) the other terms and conditions of such Phantom Units.

Section 5.02 *Award Letter*. Each grant of Phantom Units shall be evidenced by an Award Letter, which shall specify the items described in clauses (ii) through (vii) of Section 5.01, and such other provisions not inconsistent with the Plan as the Committee shall determine.

Section 5.03 *Payment*. Subject to the continuous active engagement of a Participant by the Company or a Subsidiary through a Change of Control (except as provided in Section 5.06), upon such Change of Control, the Company shall pay to such Participant (i) an amount in respect

of each Phantom Unit then held by such Participant equal to the excess, if any, of the Per Unit Change of Control Price over the Base Amount of each such Phantom Unit, plus (ii) within 30 days following the Change of Control, the Tax Gross Up Payment (collectively, clause (i) plus clause (ii), the "***Aggregate Amount***"). Any payments made by the Company in respect of any Phantom Units in accordance with this Section 5.03 shall be paid to Participants in the same proportion of cash or securities or other property received by the Company or its Unit holders, as applicable, in connection with such Change of Control; *provided,* that, in the event any portion of the Per Unit Change of Control Price is paid to the Company or its Unit holders at a date later than the date that is 30 days following the Change of Control (e.g., any escrowed amounts or earnouts), a corresponding pro rata portion of the Aggregate Amount shall be paid to the applicable Participant within 30 days of receipt of such portion of the Per Unit Change of Control Price by the Company or its Unit holders, as applicable (provided that unless otherwise permitted by section 409A of the Code, no portion of the Aggregate Amount shall be payable after the fifth anniversary of the Change of Control). In the event any portion of the Per Unit Change of Control Price is subject to a purchase price adjustment, indemnification obligation or other contingency, the Aggregate Amount shall be treated in a substantially similar manner as payments to Unit holders in respect of Units. Prior to the occurrence of a Change of Control, no payments or distributions shall be made in respect of any Phantom Units except as may be provided by Section 5.06. For the avoidance of doubt, if profits interests no longer receive favorable tax treatment under the Code, then no Tax Gross Up Payment will be paid to any Participant.

Section 5.04 *Cancelation of Phantom Units.* Immediately following the final payment to a Participant under Section 5.03, the Phantom Unit pursuant to which such payment was made shall automatically be canceled without any further payment therefor.

Section 5.05 *Termination of Engagement.* Notwithstanding anything to the contrary in this Plan or any Award Letter, if a Participant's engagement is terminated by the Company for Cause, or by the Participant for any reason, or if a Participant breaches any restrictive covenant between the Company or its Affiliates and such Participant, all Phantom Units held by such Participant shall be immediately forfeited without payment therefor.

Section 5.06 Repurchase Right.

(a) *Generally.* In the event of the termination of a Participant's engagement with the Company for any reason, any vested Phantom Units held by the Participant will be subject to purchase by the Company pursuant to this Section 5.06 (the "***Purchase Right***").

(b) *Notice.* The Company may elect to purchase all or any portion of the vested Phantom Units by delivering written notice (the "Purchase Notice") to the Participant within 180 days after the termination of the Participant's active engagement with the Company. The Purchase Notice will set forth the number of vested Phantom Units to be acquired from the Participant, the aggregate consideration to be paid for such vested Phantom Units and the time and place for the closing of the transaction. The purchase price for the vested Phantom Units

shall be equal to their Fair Market Value as of the Participant's termination as determined in the reasonable judgment of the Member; *provided*, that upon the termination of the Participant's active engagement with the Company or any if its Affiliates for Cause or Good Reason, the purchase price for such vested Phantom Units shall be equal to the lower of cost and Fair Market Value (the "***Purchase Price***"). The number of vested Phantom Units to be purchased by the Company shall first be satisfied to the extent possible from the vested Phantom Units held by the Participant at the time of delivery of the Purchase Notice.

(c) *Closing*. The closing of the purchase of vested Phantom Units pursuant to the Purchase Right shall take place on the date designated by the Company in the Purchase Notice, which date shall not be more than 30 days nor less than five days after the delivery of the Purchase Notice. The Company shall pay for the vested Phantom Units to be purchased by it pursuant to the Purchase Right by (x) cash payable by delivery of a check; (y) by a wire transfer of funds or (z) by a promissory note that is payable in three equal annual installments (which accelerates upon a Change of Control) and accrues interest at the then applicable short-term applicable federal rate (compounded annually), in each case, in the amount of the aggregate Purchase Price of the vested Phantom Units being purchased by the Company. The purchasers of vested Phantom Units hereunder will be entitled to receive customary representations and warranties from the sellers regarding such sale.

(d) *Attorney-In-Fact*. Upon the delivery of the cash payment described herein by the Company (or its designee), the Participant shall take all actions necessary, and execute all related documents specified by the Company as being reasonably necessary to consummate the sale of the vested Phantom Units to the Company (or its designee), and the Participant shall appoint the Company's Secretary as the Participant's true and lawful attorney-in-fact to exercise and deliver all such instruments, documents and writings, and to take all such actions as shall be required to consummate the sale of the vested Phantom Units to the Company (or its designee) as contemplated in this Section 5.06. Such power is a special Power of Attorney coupled with an interest, is irrevocable, and shall run with the vested Phantom Units to any subsequent owners thereof.

(e) *Other Matters*. All repurchases of vested Phantom Units pursuant to this Section 5.06 shall be subject to all applicable restrictions under law and the Company's and its Subsidiaries' financing agreements. If any such restrictions prohibit the closing described in Section 5.06(c) above, the Company shall promptly give written notice to the Participant of such restriction. The Company's rights under this Section 5.06 shall be preserved and time periods governing such rights or obligations shall be tolled for the duration of such restriction, and the Company may make such purchases as soon as (and to the extent that) it is permitted to do so by law and such financing agreements; *provided*, that when payment eventually takes place as contemplated by this Section 5.06(e), the Purchase Price shall be the Fair Market Value of the vested Phantom Units as of the date the Company consummates such purchases.

Section 5.07 *Limitation on Benefits*. Notwithstanding anything to the contrary contained in the Plan, to the extent that any of the payments and benefits provided under the Plan or any other agreement, or arrangement between the Company and its Subsidiaries and a

Participant (collectively, the "***Payments***") would constitute a "parachute payment" within the meaning of section 280G of the Code, the amount of such Payments shall be reduced to the amount that would result in no portion of the Payments being subject to the excise tax imposed pursuant to section 4999 of the Code. If any Payments that would be reduced or eliminated, as the case may be, pursuant to the immediately preceding sentence, but would not be reduced if the stockholder approval requirements of section 280G(b)(5) of the Code are satisfied, the Company shall use its reasonable best efforts to cause such payments to be submitted for such approval prior to the transaction giving rise to such payments.

Article VI
Effective Date, Amendment and Termination

The Plan shall be effective upon adoption by the Board of Managers of the Company, or such later date as the Member shall specify, and shall automatically expire on the tenth anniversary thereof (except as to outstanding Phantom Units), unless sooner terminated pursuant to this Article VI. The Member may at any time terminate or suspend the Plan, and from time to time may amend or modify the Plan and, except as expressly set forth in an Award Letter, any Phantom Units and Award Letter. Unit holder approval of any such termination, suspension, amendment or modification shall be obtained to the extent mandated by applicable law, or if otherwise deemed appropriate by the Member.

Article VII
General Provisions

Section 7.01 *Beneficiary Designation*. Each Participant may from time to time name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be paid or by whom any right under the Plan is to be exercised in case of his death. Each designation will revoke all prior designations by the same Participant, shall be in a form prescribed by the Committee and will be effective only when filed by the Participant in writing with the Committee during the Participant's lifetime. In the absence of any such designation, benefits outstanding that remain unpaid at the Participant's death shall be paid to the Participant's surviving spouse, if any, or otherwise to his estate.

Section 7.02 *Nontransferability of Phantom Units*. No Phantom Unit may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution.

Section 7.03 *Tax Withholding*. All payments and benefits provided under the Plan and any Award Letter shall be subject to any and all applicable taxes, as required by applicable Federal, state, local and foreign law and regulations.

Section 7.04 *Requirements of Law*. Phantom Units shall be subject to all applicable laws, rules and regulations, and to such approvals as may be appropriate or required, as determined by the Committee. Notwithstanding any other provision of the Plan, no Phantom Units shall be granted, and no payments in respect of any Phantom Unit shall be made, if such grant or payment would result in a violation of applicable law. Neither the Company nor

any of its Affiliates nor any of their respective managers, directors or officers shall have any obligation or liability to a Participant with respect to any Phantom Units for any failure to comply with the requirements of any applicable law, rules or regulations, including, but not limited to, any failure to comply with the requirements of section 409A of the Code.

Section 7.05 *No Guarantee of Service or Participation.* Nothing in the Plan shall interfere with or limit in any way the right of the Company or any Affiliate thereof to terminate any Participant's services at any time and for any reason, nor confer upon any Participant any right to continue in the service of the Company or any Affiliate thereof. In addition, if any Participant's services to the Company or any of its Affiliates shall be terminated for any reason, such Participant shall not be eligible for any compensation or remuneration with respect to such termination (except as otherwise expressly provided in this Plan or any applicable Award Letter) to compensate such Participant for the loss of any rights under the Plan. No member, officer or key employee of, or consultant to, the Company or any Subsidiary shall have a right to be selected as a Participant or, having been so selected, to receive any Phantom Units. The Committee may establish different terms and conditions for different Participants receiving Phantom Units and for the same Participant for each grant of Phantom Units such Participant may receive, whether or not granted at different times. The grant of any Phantom Units to any member, officer or key employee of, or consultant to, the Company or any Subsidiary shall neither entitle such Person to, nor disqualify that Person from, the grant of any other Phantom Units. The Committee's selection of a member, officer or key employee of, or consultant to, the Company or any Subsidiary as a Participant shall neither entitle such Person to, nor disqualify such Person from, participation in any other incentive plan of the Company or any of its Affiliates.

Section 7.06 *No Limitation on Compensation*. Nothing in the Plan shall be construed to limit the right of the Company or any of its Affiliates to establish other plans or to pay compensation to its employees in cash or property.

Section 7.07 *No Right to Particular Assets*. Nothing contained in the Plan and no action taken pursuant to the Plan shall create or be construed to create a trust of any kind or any fiduciary relationship between the Company and any Affiliate thereof, on the one hand, and any Participant or executor, administrator or other personal representative or designated beneficiary of such Participant, on the other hand, or any other Persons. Any reserves that may be established by the Company or any Affiliate thereof in connection with the Plan shall continue to be held as part of the general funds of the Company or such Affiliate, and no individual or entity other than the Company or such Affiliate shall have any interest in such funds until paid to a Participant. To the extent that any Participant or his executor, administrator or other personal representative, as the case may be, acquires a right to receive any payment from the Company or any Affiliate thereof pursuant to the Plan, such right shall be no greater than the right of an unsecured general creditor of the Company or such Affiliate.

Section 7.08 *No Impact on Benefits.* Phantom Units shall not be treated as compensation for purposes of calculating a Participant's rights under any employee benefit plan.

Section 7.09 *No Rights as a Unit Holder*. No Participant shall have any rights as a Unit holder of the Company (including, but not limited to, voting rights or the right to receive distributions) with respect to any Phantom Units.

Section 7.10 *Freedom of Action*. Subject to Article VI, nothing in the Plan or any Award Letter shall be construed as limiting or preventing the Company or any of its Affiliates from taking any action with respect to the operation or conduct of its business that it deems appropriate or in its best interest, and no Participant, beneficiary or other person shall have any claim against the Company as a result of any such action.

Section 7.11 *Governing Law*. The Plan and the Phantom Units shall be governed in all respects, including as to validity, interpretation and effect, by the internal laws of the State of Delaware, without giving effect to the choice of law principles thereof.

Section 7.12 *Severability*. In the event that any one or more of the provisions of the Plan or any Award Letter shall be or become invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein or therein shall not be affected thereby.

Section 7.13 *Exculpation*. Neither the Member nor any member of the Committee nor any other officer or employee of the Company or any Subsidiary acting on behalf of the Company or any Subsidiary with respect to the Plan shall be directly or indirectly responsible or otherwise liable by reason of any action or default as a Member, member of the Committee, or other officer or employee of the Company or any Subsidiary acting on behalf of the Company or any Subsidiary with respect to this Plan, or by reason of the exercise of or failure to exercise any power or discretion as such person, except for any action, default, exercise or failure to exercise resulting from such person's gross negligence, breach of fiduciary duty or willful misconduct. Neither the Member nor any member of the Committee shall be liable in any way for the acts or defaults of the Member or any other member of the Committee, as the case may be, or any of their respective advisors, agents or representatives.

Section 7.14 *Indemnification*. The Member and each individual who is or shall have been a member of the Committee shall be indemnified and held harmless by the Company to the fullest extent permitted by the LLC Agreement against and from any loss, cost liability or expense (including any related attorney's fees and advances thereof) that may be imposed upon or reasonably incurred by it or him in connection with, based upon or arising or resulting from any claim, action, suit or proceeding to which it or he may be made a party or in which it or he may be involved by reason of any action taken or failure to act under or in connection with the Plan or any Award Letter and against and from any and all amounts paid by him in settlement thereof, with the Company's approval, or paid by it or him in satisfaction of any judgment in any such action, suit or proceeding against it or him; *provided*, that the Member or such individual shall give the Company an opportunity, at its own expense, to handle and defend the same before it or he undertakes to handle and defend it on it's or his own behalf. The foregoing right of indemnification shall not be exclusive and shall be independent of any other rights of indemnification to which the Member or such individuals may be entitled under the Company's

certificate of formation, by contract, as a matter of law or otherwise.

Section 7.15 *Notices*. Each Participant shall be responsible for furnishing the Company with the current and proper address for the mailing of notices and delivery of agreements, if applicable. Any notices required or permitted to be given shall be deemed given if directed to the addressee at such address and mailed by regular United States mail, first-class and prepaid or by overnight courier. If any item mailed to such address is returned as undeliverable to the addressee, mailing will be suspended until the intended recipient furnishes the proper address (but such suspension shall not toll any specified time periods).

Section 7.16 *Incapacity*. Any benefit payable to or for the benefit of a minor, an incompetent person or other person incapable of receiving such benefit shall be deemed paid when paid to such person's guardian or to the party providing or reasonably appearing to provide for the care of such person, and such payment shall fully discharge the Member, the Committee, the Company and its Affiliates, and the other parties with respect thereto.

Section 7.17 *Rights Cumulative; Waiver*. The rights and remedies of Participants and the Company under this Plan shall be cumulative and not exclusive of any rights or remedies which either would otherwise have hereunder or at law or in equity or by statute, and no failure or delay by either party in exercising any right or remedy shall impair any such right or remedy or operate as a waiver of such right or remedy, nor shall any single or partial exercise of any power or right preclude such party's other or further exercise or the exercise of any other power or right. The waiver by any Participant or by the Member, the Committee or the Company of any provision of the Plan shall not operate or be construed as a waiver of any preceding or succeeding breach, and no failure by any such party to exercise any right or privilege hereunder shall be deemed a waiver of such party's rights or privileges hereunder or shall be deemed a waiver of such party's rights to exercise the same any subsequent time or times hereunder

Section 7.18 *Headings and Captions*. The headings and captions herein are provided for reference and convenience only, shall not be considered part of the Plan and shall not be employed in the construction of the Plan.

Exhibit 10.26

FORM OF XPONENTIAL FITNESS, INC.
DIRECTOR AND EXECUTIVE OFFICER
INDEMNIFICATION AGREEMENT

This Indemnification Agreement (this "**Agreement**"), made and entered into as of the [•] day of [ ], 2021, by and between Xponential Fitness, Inc., a Delaware corporation (the "**Company**"), Xponential Holdings, LLC, a Delaware limited liability company (the "**LLC**" and, together with the Company, the "**Xponential Parties**") and [ ] ("**Indemnitee**").

W I T N E S S E T H:

WHEREAS, highly competent persons have become more reluctant to serve publicly held corporations as directors or executive officers unless they are provided with adequate protection through insurance or adequate indemnification against risks of claims and actions against them arising out of their service to and activities on behalf of the corporation.

WHEREAS, the Board of Directors of the Company (the "**Board**") has determined that, in order to attract and retain qualified individuals, the Company will attempt to maintain on an ongoing basis, at its sole expense, liability insurance to protect persons serving the Company and its subsidiaries from certain liabilities. Although the furnishing of such insurance has been a customary and widespread practice among United States-based corporations and other business enterprises, the Company believes that, given current market conditions and trends, such insurance may be available to it in the future only at higher premiums and with more exclusions. At the same time, directors, officers, and other persons in service to corporations or business enterprises are being increasingly subjected to expensive and time-consuming litigation relating to, among other things, matters that traditionally would have been brought only against the Company or business enterprise itself.

WHEREAS, the Amended and Restated Certificate of Incorporation of the Company provides that the Company shall indemnify and advance expenses to all directors and officers of the Company in the manner set forth therein and to the fullest extent permitted by applicable law, and the Company's Amended and Restated Certificate of Incorporation provides for limitation of liability for directors. In addition, Indemnitee may be entitled to indemnification pursuant to the General Corporation Law of the State of Delaware ("**DGCL**"). The Amended and Restated Certificate of Incorporation and the DGCL expressly provide that the indemnification provisions set forth therein are not exclusive, and thereby contemplate that contracts may be entered into between the Company and members of the board of directors, officers and other persons with respect to indemnification.

WHEREAS, the uncertainties relating to such insurance and to indemnification have increased the difficulty of attracting and retaining such persons.

WHEREAS, the Board has determined that the increased difficulty in attracting and retaining such persons is detrimental to the best interests of the Company's stockholders and that the Company should act to assure such persons that there will be increased certainty of such protection in the future.

WHEREAS, the Board has determined that it is reasonable, prudent and necessary for the Company to contractually obligate itself to indemnify, and to advance expenses on behalf of, such persons to the fullest extent permitted by applicable law so that they will serve or continue to serve the Company free from undue concern that they will not be so indemnified.

WHEREAS, the board of directors of the LLC has determined that it is in the best interest of the LLC to contractually obligate itself to indemnify, and to advance expenses on behalf of, such persons to the fullest extent permitted by applicable law so that they will serve or continue to serve the Company free from undue concern that they will not be so indemnified.

WHEREAS, this Agreement is a supplement to and in furtherance of the Amended and Restated Certificate of Incorporation and Amended and Restated By-laws of the Company and any resolutions adopted pursuant thereto and any liability insurance procured by the Company and shall not be deemed a substitute therefor, nor to diminish or abrogate any rights of Indemnitee thereunder.

NOW, THEREFORE, in consideration of the premises and the covenants contained herein, the Xponential Parties and Indemnitee do hereby covenant and agree as follows:

Notwithstanding the foregoing, (A) no Change of Control shall be deemed to have occurred if there is consummated any transaction or series of integrated transactions immediately following which the record holders of the Common Shares immediately prior to such transaction or series of transactions continue to have substantially the same proportionate ownership in an entity which owns substantially all of the assets of the Company immediately prior to such transaction or series of transactions, and (B) no Change of Control shall be deemed to have occurred upon the acquisition of additional control of the Company by any Person that, prior to such transaction, directly or indirectly controls, is controlled by, or is under common control with, the Company.

Expenses also shall include Expenses incurred in connection with any appeal resulting from any Proceeding, including the premium, security for, and other costs relating to any cost bond, supersedeas bond, or other appeal bond or its equivalent. For the avoidance of doubt, Expenses, however, shall not include any Liabilities.

"**Independent Counsel**" means a law firm, or a member of a law firm, that is experienced in matters of corporate law and neither currently is, nor in the five years previous to its selection or appointment has been, retained to represent (i) either or both of the Xponential Parties, or Indemnitee, in any matter material to any such party (other than with respect to matters concerning Indemnitee under this Agreement or of other indemnitees under similar indemnification agreements) or (ii) any other party to the Proceeding giving rise to a claim for indemnification hereunder. "**Liabilities**" means any losses or liabilities, including any judgments, fines, excise taxes and penalties, penalties and amounts paid in settlement, arising out of or in connection with any Proceeding (including all interest, assessments and other charges paid or payable in connection with or in respect of any such judgments, fines, excise taxes and penalties, penalties or amounts paid in settlement).

"**Person**" has the meaning ascribed to such term in Sections 13(d) and 14(d) of the Exchange Act, including a "group" as defined in Section 13(d) thereof.

"**Proceeding**" means any threatened, pending or completed action, derivative action, suit, claim, counterclaim, cross claim, arbitration, alternate dispute resolution mechanism, investigation, inquiry, administrative hearing or any other actual, threatened or completed proceeding, whether civil (including intentional and unintentional tort claims), criminal, administrative or investigative, including any appeal therefrom, and whether instituted by or on behalf of the Company or any other party, or any inquiry or investigation that Indemnitee in good faith believes might lead to the institution of any such action, suit or other proceeding hereinabove listed in which Indemnitee was, is or will be involved as a party, potential party, non-party witness or otherwise by reason of any Corporate Status of Indemnitee, or by reason of any action taken (or failure to act) by him or her or of any action (or failure to act) on his or her part while serving in any Corporate Status.

(b) For the purposes of this Agreement:

References to "Company" or the "Xponential Parties" shall include, in addition to the resulting or surviving corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, employees or agents, so that if Indemnitee is or was a director, officer, employee, or agent of such constituent corporation or is or was serving at the request of such constituent corporation as a director, officer, employee, or agent of another corporation, partnership, joint venture, trust or other Enterprise, then Indemnitee shall stand in the same position under the provisions of this Agreement with respect to the resulting or surviving corporation as Indemnitee would have with respect to such constituent corporation if its separate existence had continued.

Reference to "other Enterprise" shall include employee benefit plans; references to "fines" shall include any excise tax assessed with respect to any employee benefit plan; references to "serving at the request of the Company" shall include any service as a director, officer, employee or agent of the Company which imposes duties on, or involves services by, such director, officer, employee or agent with respect to an employee benefit plan, its participants or beneficiaries; and a person who acted in good faith and in a manner he or she reasonably believed to be in the best interests of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner "not opposed to the best interests of the Company" as referred to in this Agreement.

Reference to "including" shall mean "including, without limitation," regardless of whether the words "without limitation" actually appear, references to the words "herein," "hereof" and "hereunder" and other words of similar import shall refer to this Agreement as a whole and not to any particular paragraph, subparagraph, section, subsection or other subdivision.

ARTICLE 2
SERVICES BY INDEMNITEE

Section 2.01. *Services By Indemnitee.* Indemnitee hereby agrees to serve or continue to serve as a director or executive officer of the Company, for so long as Indemnitee is duly elected or appointed or until Indemnitee tenders his or her resignation or is removed.

ARTICLE 3
INDEMNIFICATION

Section 3.01. *General.* (a) The Xponential Parties hereby agree, jointly and severally, to and shall indemnify Indemnitee and hold Indemnitee harmless from and against any and all Expenses and Liabilities, in either case, actually and reasonably incurred by Indemnitee or on Indemnitee's behalf by reason of Indemnitee's Corporate Status, to the fullest extent permitted by applicable law. The Xponential Parties' indemnification obligations set forth in this Section 3.01 shall apply (i) in respect of Indemnitee's past, present and future service in any Corporate Status, (ii) regardless of whether Indemnitee is serving in any Corporate Status at the time any such Expense or Liability is incurred and (iii) with respect to any claims of contribution against Indemnitee which may be brought by any officer, director, or employee of the Xponential Parties. Notwithstanding anything to the contrary in the foregoing, it is the intent that with respect to all indemnification obligations under this Article 3, the Xponential Parties shall be the primary source of reimbursement and indemnification relative to any direct or indirect shareholder of the Xponential Parties (or any affiliate of such shareholder, other than the Xponential Parties or any of their respective direct or indirect subsidiaries). The Xponential Parties shall have no right to seek contribution, indemnity or other reimbursement for any of their obligations under this Article 3 from any such direct or indirect shareholder of the Xponential Parties (or any affiliate of such shareholder, other than the Xponential Parties or any of their respective direct or indirect subsidiaries).

(b) For purposes of this Agreement, the meaning of the phrase "to the fullest extent permitted by applicable law" shall include, but not be limited to:

(i) to the fullest extent permitted by any provision of the DGCL, or the corresponding provision of any successor statute, and

(ii) to the fullest extent authorized or permitted by any amendments to or replacements of the DGCL adopted after the date of this Agreement that increase the extent to which a corporation may indemnify its officers and directors.

(c) *Witness Expenses.* Notwithstanding any other provision of this Agreement, to the extent that Indemnitee is, by reason of his or her Corporate Status, a witness, or is made or requested to respond to discovery requests, in or related to any Proceeding to which Indemnitee is not a party, he or she shall be indemnified against all Expenses actually and reasonably incurred by Indemnitee or on his or her behalf in connection therewith.

(d) *Expenses as a Party Where Wholly or Partly Successful.* Notwithstanding any other provisions of this Agreement, to the fullest extent permitted by applicable law, to the extent that Indemnitee is a party to (or a participant in) and is successful, on the merits or otherwise, in any Proceeding or in defense of any claim, issue or matter therein, in whole or in part, the Xponential Parties shall, jointly and severally, indemnify Indemnitee against all Expenses actually and reasonably incurred by him or her in connection therewith. If Indemnitee is not wholly successful in such Proceeding, but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such Proceeding, the Xponential Parties shall, jointly and severally and to the fullest extent permitted by applicable law, indemnify Indemnitee against all Expenses actually and reasonably incurred by Indemnitee or on his or her behalf in connection with each successfully resolved claim, issue or matter. For purposes of this Section and without limitation, the termination of any claim, issue or matter in such a Proceeding by dismissal, with or without prejudice, shall be deemed to be a successful result as to such claim, issue or matter.

Section 3.02. *Exclusions.* Notwithstanding any provision of this Agreement and unless Indemnitee ultimately is successful on the merits with respect to any such claim, the Xponential Parties shall not be obligated under this Agreement to make any indemnity in connection with any claim made against Indemnitee:

(a) for (i) an accounting of profits made from the purchase and sale (or sale and purchase) by Indemnitee of securities of the Company within the meaning of Section 16(b) of the Exchange Act or similar provisions of state statutory law or common law or (ii) any reimbursement of the Company by Indemnitee of any bonus or other incentive-based or equity-based compensation or of any profits realized by Indemnitee from the sale of securities of the Company, as required in each case under the Exchange Act (including any such reimbursements that arise from an accounting restatement of the Company pursuant to Section 304 of the Sarbanes-Oxley Act of 2002 (the "**Sarbanes-Oxley Act**"), or the payment to the Company of profits arising from the purchase and sale by Indemnitee of securities in violation of Section 306 of the Sarbanes-Oxley Act); or

(b) except as otherwise provided in Sections 6.01(e), prior to a Change of Control, in connection with any Proceeding (or any part of any Proceeding) initiated by Indemnitee (other than any cross claim or counterclaim asserted by the Indemnitee), including any Proceeding (or any part of any Proceeding) initiated by Indemnitee against the Xponential Parties or their directors, officers, employees or other indemnitees, unless (i) the Board authorized the Proceeding (or any part of any Proceeding) prior to its initiation, (ii) the Xponential Parties provide the indemnification, in their sole discretion, pursuant to the powers vested in the Xponential Parties under applicable law or (iii) the Proceeding is a compulsory counterclaim brought by Indemnitee in response to a Proceeding otherwise indemnifiable under this Agreement.

ARTICLE 4
ADVANCEMENT OF EXPENSES; DEFENSE OF CLAIMS

Section 4.01. *Advances.* Notwithstanding any provision of this Agreement to the contrary, the Xponential Parties shall advance any Expenses and amounts paid in settlement actually and reasonably incurred by Indemnitee in connection with any Proceeding, whether prior to or after final disposition of any Proceeding, within twenty (20) days after the receipt by the Xponential Parties of each statement requesting such advance from time to time. Advances shall be unsecured and interest free. Advances shall be made without regard to Indemnitee's ability to repay such

amounts and without regard to Indemnitee's ultimate entitlement to indemnification under the other provisions of this Agreement. Advances shall include any and all reasonable Expenses incurred pursuing an action to enforce this right of advancement, including Expenses incurred preparing and forwarding statements to the Xponential Parties to support the advances claimed. This Section 4.01 shall be subject to Section 4.03 and shall not apply to any claim made by Indemnitee for which indemnity is excluded pursuant to Section 3.02.

Section 4.02. *Repayment of Advances or Other Expenses.* Indemnitee agrees that Indemnitee shall reimburse the Xponential Parties for all Expenses and amounts paid in settlement advanced by the Xponential Parties pursuant to Section 4.01, in the event and only to the extent that it shall be determined by final judgment or other final adjudication under the provisions of any applicable law (as to which all rights of appeal therefrom have been exhausted or lapsed) that Indemnitee is not entitled to be indemnified by the Xponential Parties for such Expenses or amounts paid in settlement.

Section 4.03. *Defense of Claims*. The Xponential Parties shall be entitled to assume the defense of any Proceeding with counsel consented to by Indemnitee (such consent not to be unreasonably withheld) upon the delivery by the Xponential Parties to Indemnitee of written notice of the Xponential Parties' election to do so. After delivery of such notice, consent to such counsel by Indemnitee and the retention of such counsel by the Xponential Parties, Indemnitee shall have the right to employ separate counsel in respect of any Proceeding at the Xponential Parties' expense.

ARTICLE 5
PROCEDURES FOR NOTIFICATION OF AND DETERMINATION OF ENTITLEMENT TO INDEMNIFICATION

Section 5.01. *Notification; Request For Indemnification.* (a) As soon as reasonably practicable after receipt by Indemnitee of written notice that he or she is a party to or a participant (as a witness or otherwise) in any Proceeding or of any other matter in respect of which Indemnitee intends to seek indemnification or advancement of Expenses hereunder, Indemnitee shall provide to the Xponential Parties written notice thereof, including the nature of the Proceeding. The omission by Indemnitee to so notify the Xponential Parties will not relieve the Xponential Parties from any liability which they may have to Indemnitee hereunder or otherwise, except to the extent of any material and actual prejudice to the Xponential Parties caused by such omission.

(b) To obtain indemnification under this Agreement, Indemnitee shall deliver to the Xponential Parties a written request for indemnification, including therewith such information as is reasonably available to Indemnitee and reasonably necessary to determine Indemnitee's entitlement to indemnification hereunder. Such request(s) may be delivered from time to time and at such time(s) as Indemnitee deems appropriate in his or her sole discretion. Indemnitee's entitlement to indemnification shall be determined according to Section 5.02 of this Agreement and applicable law.

Section 5.02. *Determination of Entitlement.* (a) Where there has been a written request by Indemnitee for indemnification pursuant to Section 5.01(b), then as soon as is reasonably practicable (but in any event not later than 60 days) after final disposition of the relevant Proceeding, a determination, if required by applicable law, with respect to Indemnitee's entitlement thereto shall be made in the specific case: (i) if a Change of Control shall not have occurred, (A) by a majority vote of the Disinterested Directors, even though less than a quorum of the Board, (B) by a committee of Disinterested Directors designated by a majority vote of the Disinterested Directors, even though less than a quorum of the Board, (C) if there are no such Disinterested Directors or, if such Disinterested Directors so direct, by Independent Counsel in a written opinion to the Board, a copy of which shall be delivered to Indemnitee or (D) if so directed by the Board, by the stockholders of the Company; or (ii) if a Change of Control shall have occurred, by Independent Counsel in a written opinion to the Board, a copy of which shall be delivered to Indemnitee. If it is so determined that Indemnitee is entitled to indemnification, payment to Indemnitee shall be made within ten (10) days after such determination. Indemnitee shall reasonably cooperate with the person, persons or entity making such determination with respect to Indemnitee's entitlement to indemnification, including providing to such person, persons or entity upon reasonable advance request any documentation or information which is not privileged or otherwise protected from disclosure and which is reasonably available to Indemnitee and reasonably necessary to such determination. Any costs or expenses (including attorneys' fees and disbursements) actually and reasonably incurred by Indemnitee in so cooperating with the person, persons or entity making such determination shall be borne by the Xponential Parties (irrespective of the determination as to Indemnitee's entitlement to indemnification).

(b) If entitlement to indemnification is to be determined by Independent Counsel pursuant to Section 5.02(a)(ii), such Independent Counsel shall be selected by Indemnitee, and Indemnitee shall give written notice to the Xponential Parties advising it of the identity of the Independent Counsel so selected. If entitlement to indemnification is to be determined by Independent Counsel pursuant to Section 5.02(a)(i)(C) (or if Indemnitee requests that such selection be made by the Board), such Independent Counsel shall be selected by the Xponential Parties in which case the Xponential Parties shall give written notice to Indemnitee advising him or her of the identity of the Independent Counsel so selected. In either event, Indemnitee or the Xponential Parties, as the case may be, may, within ten (10) days after such written notice of selection shall have been received, deliver to the Xponential Parties or to Indemnitee, as the case may be, a written objection to such selection; *provided*, however, that such objection may be asserted only on the ground that the Independent Counsel so selected does not meet the requirements of "Independent Counsel" as defined in Section 1 of this Agreement, and the objection shall set forth the factual basis of such assertion. Absent a proper and timely objection, the person so selected shall act as Independent Counsel. If such written objection is so made, the Independent Counsel so selected may not serve as Independent Counsel unless and until such objection is withdrawn or a court of competent jurisdiction has determined that such objection is without merit. If, within twenty (20) days after the later of submission by Indemnitee of a written request for indemnification pursuant to Section 5.01(b) hereof and the final disposition of the Proceeding, no Independent Counsel shall have been selected and not objected to, the Xponential Parties, on the one hand, or Indemnitee, on the other hand, may petition a court of competent jurisdiction for resolution of any objection which shall have been made by the Xponential Parties, on the one hand, or Indemnitee, on the other hand, to the other's selection of Independent Counsel and/or for the appointment as Independent Counsel of a person selected by the court or by such other person as the court shall designate, and the person with respect to whom all objections are so resolved or the person so appointed shall act as Independent Counsel under Section 5.02(a) hereof. Upon the due commencement of any judicial proceeding or arbitration pursuant to Section 6.01(a) of this Agreement, the Independent Counsel shall be discharged and relieved of any further responsibility in such capacity (subject to the applicable standards of professional conduct then prevailing).

(c) The Xponential Parties jointly and severally agree to pay the reasonable fees and expenses of any Independent Counsel serving under this Agreement.

Section 5.03. *Presumptions and Burdens of Proof; Effect of Certain Proceedings.*(a) In making any determination with respect to entitlement to indemnification hereunder, the person or persons or entity making such determination shall, to the fullest extent not prohibited by law, presume that Indemnitee is entitled to indemnification under this Agreement if Indemnitee has submitted a request for indemnification in accordance with Section 5.01(b) of this Agreement, and the Xponential Parties shall, to the fullest extent not prohibited by law, have the burden of proof to overcome that presumption in connection with the making by any person, persons or entity of any determination contrary to that presumption. Neither the failure of any person, persons or entity empowered or selected under Section 5.02 of this Agreement to have made a determination prior to the commencement of any action pursuant to this Agreement that indemnification is proper in the circumstances because Indemnitee has met the applicable standard of conduct, nor an actual determination by any person, persons or entity empowered or selected under Section 5.02 of this Agreement that Indemnitee has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that Indemnitee has not met the applicable standard of conduct.

(b) If the person, persons or entity empowered or selected under Section 5.02 of this Agreement to determine whether Indemnitee is entitled to indemnification shall not have made a determination within the sixty (60) day period referred to in Section 5.02(a), the requisite determination of entitlement to indemnification shall, to the fullest extent not prohibited by law, be deemed to have been made and Indemnitee shall be entitled to such indemnification, absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of such indemnification under applicable law; *provided*, however, that such 60-day period may be extended for a reasonable time, not to exceed an additional thirty (30) days, if the person, persons or entity making the determination with respect to entitlement to indemnification in good faith requires such additional time for the obtaining or evaluating of documentation and/or information relating thereto.

(c) The termination of any Proceeding or of any claim, issue or matter therein, by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent, shall not (except as otherwise expressly provided in this Agreement) of itself adversely affect the right of Indemnitee to indemnification or create a presumption that Indemnitee did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Company or, with respect to any criminal Proceeding, that Indemnitee had reasonable cause to believe that his or her conduct was unlawful.

(d) For purposes of any determination of good faith, Indemnitee shall be deemed to have acted in good faith if Indemnitee's action is in good faith reliance on the records or books of account of any Enterprise, including financial statements, or on information supplied to Indemnitee by the officers of such Enterprise in the course of their duties, or on the advice of legal counsel for such Enterprise or on information or records given or reports made to such Enterprise by an independent certified public accountant or by an appraiser or other expert selected by such Enterprise. The provisions of this Section 5.03(d) shall not be deemed to be exclusive or to limit in any way the other circumstances in which Indemnitee may be deemed or found to have met the applicable standard of conduct set forth in this Agreement.

(e) The knowledge and/or actions, or failure to act, of any other director, trustee, partner, managing member, fiduciary, officer, agent or employee of any Enterprise shall not be imputed to Indemnitee for purposes of determining any right to indemnification under this Agreement.

ARTICLE 6
REMEDIES OF INDEMNITEE

Section 6.01. *Adjudication or Arbitration.* (a) In the event of any dispute between Indemnitee and the Xponential Parties hereunder as to entitlement to indemnification or advancement of Expenses (including where (i) a determination is made pursuant to Section 5.02 of this Agreement that Indemnitee is not entitled to indemnification under this Agreement, (ii) advancement of Expenses is not timely made pursuant to Section 4.01 of this Agreement, (iii) payment of indemnification pursuant to Section 3.01 of this Agreement is not made within ten (10) days after a determination has been made that Indemnitee is entitled to indemnification, (iv) no determination as to entitlement to indemnification is timely made pursuant to Section 5.02 of this Agreement and no payment of indemnification is made within ten (10) days after entitlement is deemed to have been determined pursuant to Section 5.03(b) or (v) a contribution payment is not made in a timely manner pursuant to Section 8.04 of this Agreement), Indemnitee shall be entitled to an adjudication by a court of his or her entitlement to such indemnification, contribution or advancement.

(b) In the event that a determination shall have been made pursuant to Section 5.02(a) of this Agreement that Indemnitee is not entitled to indemnification, any judicial proceeding or arbitration commenced pursuant to this Section 6.01 shall be conducted in all respects as a *de novo* trial, or arbitration, on the merits, and Indemnitee shall not be prejudiced by reason of that adverse determination. In any judicial proceeding or arbitration commenced pursuant to this Section 6.01, the Xponential Parties shall have the burden of proving Indemnitee is not entitled to indemnification or advancement of Expenses, as the case may be, and the Xponential Parties may not refer to or introduce into evidence any determination pursuant to Section 5.02(a) of this Agreement adverse to Indemnitee for any purpose. If Indemnitee commences a judicial proceeding or arbitration pursuant to this Section 6.01, Indemnitee shall not be required to reimburse the Xponential Parties for any advances pursuant to Section 4.02 until a final determination is made with respect to Indemnitee's entitlement to indemnification (as to which all rights of appeal have been exhausted or lapsed).

(c) If a determination shall have been made pursuant to Section 5.02(a) of this Agreement that Indemnitee is entitled to indemnification, the Xponential Parties shall be bound by such determination in any judicial proceeding or arbitration commenced pursuant to this Section 6.01, absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of such indemnification under applicable law.

(d) The Xponential Parties shall be precluded from asserting in any judicial proceeding or arbitration commenced pursuant to this Section 6.01 that the procedures and presumptions of this Agreement are not valid, binding and enforceable and shall stipulate in any such court or before any such arbitrator that the Xponential Parties are bound by all the provisions of this Agreement.

(e) The Xponential Parties shall, jointly and severally, indemnify Indemnitee to the fullest extent permitted by law against all Expenses and, if requested by Indemnitee, shall (within ten (10) days after the Xponential Parties' receipt of such written request) advance such Expenses to Indemnitee, which are reasonably incurred by Indemnitee in connection with any judicial proceeding or arbitration brought by Indemnitee for (i) indemnification or advances of Expenses by the Xponential Parties (or otherwise for the enforcement, interpretation or defense of his or her rights) under this Agreement or any other agreement, including any other indemnification, contribution or advancement agreement, or any provision of the Company's Amended and Restated Certificate of Incorporation or Amended and Restated By-laws now or hereafter in effect or (ii) recovery or advances under any directors' and officers' liability insurance policy maintained by the Company, regardless of whether Indemnitee ultimately is determined to be entitled to such indemnification, contribution, advancement or insurance recovery, as the case may be.

ARTICLE 7
DIRECTORS' AND OFFICERS' LIABILITY INSURANCE

Section 7.01. *D&O Liability Insurance.* The Company shall obtain and maintain a policy or policies of insurance ("**D&O Liability Insurance**") with reputable insurance companies providing liability insurance for directors and executive officers of the Company in their capacities as such (and for any capacity in which any director or executive officer of the Company serves any other Enterprise at the request of the Company), in respect of acts or omissions occurring while serving in such capacity.

Section 7.02. *Evidence of Coverage.* Upon request by Indemnitee, the Company shall provide copies of all policies of D&O Liability Insurance obtained and maintained in accordance with Section 7.01 of this Agreement.

ARTICLE 8
MISCELLANEOUS

Section 8.01. *Nonexclusivity of Rights.* The rights of indemnification, contribution and advancement of Expenses as provided by this Agreement shall not be deemed exclusive of any other rights to which Indemnitee may at any time be entitled to under applicable law, the Company's Amended and Restated Certificate of Incorporation, the Company's Amended and Restated Bylaws, any agreement, a vote of stockholders or a resolution of directors, or otherwise. No right or remedy herein conferred is intended to be exclusive of any other right or remedy, and every other right and remedy shall be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other right or remedy.

Section 8.02. *Insurance and Subrogation.* (a) Indemnitee shall be covered by the Xponential Parties' D&O Liability Insurance in accordance with its or their terms to the maximum extent of the coverage available for any director or executive officer under such policy or policies. If, at the time the Xponential Parties receive notice of a claim hereunder, the Company has director and officer liability insurance in effect, the Company shall give prompt notice of such Proceeding to the insurers in accordance with the procedures set forth in the respective policies. The Company shall thereafter take all necessary or desirable action to cause such insurers to pay, on behalf of Indemnitee, all amounts payable as a result of such Proceeding in accordance with the terms of such policies. The failure or refusal of any such insurer to pay any such amount shall not affect or impair the obligations of the Xponential Parties under this Agreement.

(b) In the event of any payment under this Agreement, the Xponential Parties shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee, who shall execute all papers required and take all action necessary to secure such rights, including execution of such documents as are necessary to enable the Xponential Parties to bring suit to enforce such rights.

(c) The Xponential Parties shall not be liable under this Agreement to make any payment of amounts otherwise indemnifiable (or for which advancement is provided) hereunder if and to the extent that Indemnitee has actually received such payment under any insurance policy or other indemnity provision.

(d) The Xponential Parties' obligation to indemnify or advance Expenses hereunder to Indemnitee who is or was serving at the request of the Xponential Parties as a director, officer, trustee, partner, managing member, fiduciary, board of directors' committee member, employee or agent of any other Enterprise shall be reduced by any amount Indemnitee has actually received as indemnification or advancement of Expenses from such Enterprise.

Section 8.03. *Contribution.* To the fullest extent permissible under applicable law, if the indemnification provided for in this Agreement is unavailable to Indemnitee for any reason whatsoever, the Xponential Parties, in lieu of indemnifying Indemnitee, shall contribute to the amount incurred by Indemnitee, whether for judgments, fines, penalties, excise taxes, amounts paid or to be paid in settlement and/or for Expenses, in connection with any claim relating to an indemnifiable event under this Agreement, in such proportion as is deemed fair and reasonable in light of all of the circumstances of such Proceeding in order to reflect (i) the relative benefits received by the Xponential Parties, on the one hand, and Indemnitee, on the other hand, as a result of the event(s) and/or transaction(s) giving rise to such Proceeding; and/or (ii) the relative fault of the Xponential Parties, on the one hand (and their directors, officers, employees and agents), and Indemnitee, on the other hand, in connection with such event(s) and/or transaction(s).

Section 8.04. *Amendment; Further Assurances.* This Agreement may not be modified or amended except by a written instrument executed by or on behalf of each of the parties hereto. No amendment, alteration or repeal of this Agreement or of any provision hereof shall limit, restrict or reduce any right of Indemnitee under this Agreement in respect of any act or omission, or any event occurring, prior to such amendment, alteration or repeal. For the avoidance of doubt, this Agreement may not be terminated, amended, altered or repealed by either of the Xponential Parties without Indemnitee's prior written consent. To the extent that a change in applicable law, whether

by statute or judicial decision, (i) permits greater indemnification, contribution or advancement of Expenses than would be afforded currently under the Company's Amended and Restated Certificate of Incorporation and this Agreement, it is the intent of the parties hereto that Indemnitee shall enjoy by this Agreement the greater benefits so afforded by such change or (ii) limits rights with respect to indemnification, contribution or advancement of Expenses, it is the intent of the parties hereto that the rights with respect to indemnification, contribution and advancement of Expenses in effect prior to such change shall remain in full force and effect to the greatest extent not prohibited by applicable law.

Section 8.05. *Waivers.* The observance of any term of this Agreement may be waived (either generally or in a particular instance and either retroactively or prospectively) by the party entitled to enforce such term only by a writing signed by the party against which such waiver is to be asserted. Unless otherwise expressly provided herein, no delay on the part of any party hereto in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any waiver on the part of any party hereto of any right, power or privilege hereunder operate as a waiver of any other right, power or privilege hereunder nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder.

Section 8.06. *Entire Agreement.* This Agreement and the documents referred to herein constitute the entire agreement between the parties hereto with respect to the matters covered hereby, and any other prior or contemporaneous oral or written understandings or agreements with respect to the matters covered hereby are superseded by this Agreement, provided that this Agreement is a supplement to and in furtherance of the Amended and Restated Certificate of Incorporation and Amended and Restated By-laws of the Company and applicable law, and shall not be deemed a substitute therefor, nor to diminish or abrogate any rights of Indemnitee thereunder.

Section 8.07. *Severability.* If any provision or provisions of this Agreement shall be held to be invalid, illegal or unenforceable for any reason whatsoever: (a) the validity, legality and enforceability of the remaining provisions of this Agreement (including each portion of any Section of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby and shall remain enforceable to the fullest extent permitted by law; (b) such provision or provisions shall be deemed reformed to the extent necessary to conform to applicable law and to give the maximum effect to the intent of the parties hereto; and (c) to the fullest extent possible, the provisions of this Agreement (including each portion of any Section of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested thereby.

Section 8.08. *Notices.* All notices, requests, demands and other communications under this Agreement shall be in writing (which may be by facsimile transmission or via email). All such notices, requests and other communications shall be deemed received on the date of receipt by the recipient thereof. The address for notice to a party is as shown on the signature page of this Agreement, or such other address as any party shall have given by written notice to the other party as provided above.

Section 8.09. *Binding Effect.* (a) Each of the Xponential Parties expressly confirms and agrees that it has entered into this Agreement and assumed the obligations imposed on it hereby in order to induce Indemnitee to serve as a director or executive officer of the Company, and the Xponential Parties acknowledge that Indemnitee is relying upon this Agreement in serving as a director or executive officer of the Company.

(b) This Agreement shall be binding upon and inure to the benefit of and be enforceable by the parties hereto and their respective successors, assigns, including any direct or indirect successor by purchase, merger, consolidation or otherwise to all or substantially all of the business and/or assets of either or both of the Xponential Parties, spouses, heirs, and executors, administrators, personal and legal representatives. Each of the Xponential Parties shall require and cause any successor (whether direct or indirect by purchase, merger, consolidation or otherwise) to all or substantially all, or a substantial part of the business or assets of such Signify Party by written agreement in form and substance satisfactory to Indemnitee, expressly to assume and agree to perform this Agreement in the manner and to the same extent that such Signify Party would be required to perform if no such succession had taken place.

(c) The indemnification, contribution and advancement of Expenses provided by, or granted pursuant to this Agreement shall continue as to a person who has ceased to be a director or executive officer and shall inure to the benefit of the heirs, executors, administrators, legatees and assigns of such a person.

Section 8.10. *Governing Law.* This Agreement and the legal relations among the parties shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware, without regard to its conflict of laws rules.

Section 8.11. *Consent To Jurisdiction.* Except with respect to any arbitration commenced by Indemnitee pursuant to Section 6.01(a) of this Agreement, the Xponential Parties and Indemnitee hereby irrevocably and unconditionally (i) agree that any action or proceeding arising out of or in connection with this Agreement shall be brought only in the Chancery Court of the State of Delaware (the "**Delaware Court**"), and not in any other state or federal court in the United States of America or any court in any other country, (ii) consent to submit to the exclusive jurisdiction of the Delaware Court for purposes of any action or proceeding arising out of or in connection with this Agreement, (iii) waive any objection to the laying of venue of any such action or proceeding in the Delaware Court, and (iv) waive, and agree not to plead or to make, any claim that any such action or proceeding brought in the Delaware Court has been brought in an improper or inconvenient forum.

Section 8.12. *Headings.* The Article and Section headings in this Agreement are for convenience of reference only, and shall not be deemed to alter or affect the meaning or interpretation of any provisions hereof.

Section 8.13. *Counterparts.* This Agreement may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original but all of which together shall constitute one and the same Agreement. Only one such counterpart signed by the party against whom enforceability is sought needs to be produced to evidence the existence of this Agreement.

Section 8.14. *Use of Certain Terms.* As used in this Agreement, the words "herein," "hereof," and "hereunder" and other words of similar import refer to this Agreement as a whole and not to any particular paragraph, subparagraph, section, subsection, or other subdivision.
